

FMH Marriage 1891

Chapter 1891: Start Over Again?

“Yep, I’m already married and I’m very happy! Now, can you stop worrying, little monk?” Ning Xi gently laughed, full of mirth.

Tang Nuo nodded, finally relieved.

“However, because of my profession, you know that the wedding can’t be held for now. When it happens, I’ll surely invite you! I still want you to piggy-back me out the door!”

“Of course! Obviously, I’ll carry you!” Tang Nuo said emotionally.

The brother and sister duo strolled around the field and chatted happily along the way.

As they were chatting, an abrupt voice interrupted from behind them.

“Xiao Xi...”

The siblings instantly stopped and turned around to look.

Behind them, they saw a man standing there in a suit, seeming rather travel-worn. He looked a little battered as fatigue weighed him down. His gaze was fixated on Ning Xi, not shifting for even a moment.

When she saw Su Yan suddenly appear there, Ning Xi instantly frowned and her expression turned cold.

Tang Nuo glanced at Ning Xi, then looked at Su Yan. He suddenly thought of something and instantly said worriedly, “Sis, it wasn’t me... I don’t know why he’s here...”

Before Ning Xi could say anything, Su Yan already answered, “I intentionally waited here myself because apart from that, I really don’t know how else I could see you.”

Even before she had fallen into a coma, Su Yan had been frequently contacting her. She did not think that after she woke up, he still had not given up and even used Tang Nuo...

“You need something?” Ning Xi asked.

“Can I speak to you privately?” Su Yan questioned and looked at Tang Nuo beside her.

“Sis...” Tang Nuo felt troubled and turned to Ning Xi. He realized from Ning Xi’s expression that she clearly had not seen Su Yan since she woke up, yet now because of him she had to come face-to-face with him.

He did not expect Su Yan to meet up with Ning Xi after calling him, even waiting around for her.

When Ning Xi saw Tang Nuo’s apologetic manner, her expression softened. She consoled him, “Xiao Nuo, it’s not your fault. Just wait for me here.”

Tang Nuo could only nod obediently.

Ning Xi then started walking towards the observation platform.

Su Yan let out a sigh of relief and quickly followed after her.

Tang Nuo stood below and looked a little worriedly at the two of them. He was prepared to rush over if anything happened.

At that moment, on the observation platform, there was only Ning Xi and Su Yan.

Ning Xi did not beat around the bush. She sharply said, "Speak."

"I..."

Probably because one tended to be timid when love is near, although he already had a whole year's worth of words that he had kept inside of him, yet now when he finally stood before the girl, he suddenly did not know how to start.

The girl wore an Imperial University uniform with her hair tied into a ponytail. Because she was bare-faced, she looked even younger and more tender than usual. Even at night, he could still see her delicate skin. It suddenly brought him back to their youth, his thoughts overlapping the person before him and the young girl in his memories...

His girl...

Su Yan did not say anything, and neither did Ning Xi. They just stood there quietly.

The man had his arms by his side, hands clenched into tight fists that started to tremble slightly because he was too nervous.

On the other hand, Ning Xi started to look a little impatient.

It was not sure how long had passed until Su Yan finally said, "Xiao Xi, we..."

Ning Xi looked up towards the man who was slow to speak up.

When the girl gave him his attention, Su Yan felt the blood in his entire body about to boil and flow in counter-current...

Finally, his remaining words blurted out of him instantly, "Can we... start over again?"

Chapter 1892: Who I Really Love

When she heard this, Ning Xi's expressionless face finally shifted.

She almost thought she had heard him wrongly.

Start... over?

She could not understand this man's thought process.

After so many things had happened, and after he had already been married to Ning Xueluo for a year, how did he actually bring himself to say such a thing to her?

The girl's gaze of contempt made the bottom of Su Yan's heart tremble.

The man's voice was hoarse as he said, "Xiao Xi, I know me saying this sounds ridiculous and absurd to you..."

“Is it not?”

“Listen...”

Su Yan took a deep breath. “I’ve thought about it for a very, very long time... I’m not saying this on impulse... I really... really regretted... and finally understood... who I really like... really love is...”

Ning Xi looked at this man whom she had entrusted her deepest affections in her youth, this man who had once caused her heartbreak and much grief...

Listening to him finally tell her that he regretted it.

Listening to him say that the person he really loved was her.

She did not feel anything at all.

If she did, it was just a through and through coldness.

“Xiao Xi, about that incident back then, I was wrong. It was I who abandoned what we had first... but at the start, I really never thought of breaking up with you... until I met Xueluo...”

“Xueluo is so pure and vulnerable, and she suddenly got involved in that sort of unforeseen incident. After that, she constantly chatted and grumbled to me. Slowly, I just... I didn’t know when it started... then the feelings just started to change...” Su Yan’s expression was filled with anguish as he looked upset.

Ning Xi’s thoughts were calm.

Yeah, it was all her fault. She did not have Ning Xueluo’s skills. Ning Xueluo knew how to get sympathy, knew how to complain tearfully, knew how to satisfy his desire as a man to protect.

She was wrong for always telling him only the good things, and not the bad things. She had been afraid that he would be worried for her. She was wrong for never telling him a word even as she was repeatedly embarrassed, shunned, and isolated...

“After that, under impulse, I did it with Xueluo. It was Xueluo’s first time... I’m a man... I can’t be irresponsible towards her... I’ve been hiding it from you... It’s because I really didn’t know how to face you...”

Huh, responsible? When he wanted to be responsible for a third party, had he ever thought about her, his girlfriend then?

Ning Xueluo’s experience was regarded as a precious first time, while she was an impure person who had unfathomably lost her virginity and was even pregnant with an illegitimate child. How could she measure up to the noble Master Su?

“However, it was only later that I understood that all along, I’ve been worrying about Xueluo, yet I never thought about how you felt. You left your hometown for me, but in the end, I abandoned you and even let you encounter something like that. You

were sent abroad all alone, and then after that, you returned to the country and tried to make it in the entertainment industry alone too...

“Actually, I’ve always wanted to help you. I wanted to make it up to you... but you’re just too tough...”

Su Yan fixed his gaze on the girl before him. “You disappeared for a whole year, and I’ve missed you for a whole year too until you appeared once again...”

After a momentary silence, Su Yan took a deep breath and continued, “Xiao Xi, I’ve already lied to myself for too long... I don’t want to continue deceiving others and myself! I don’t want to just live my life in a lie!”

Ning Xi’s lips curved up into a sneer. “So?”

“I know that in my current situation I don’t have the right to say these things to you, and I definitely don’t mean to dishonor you. I will... return to being a free man...”

Chapter 1893: Where Did He Get His Confidence

Return to being a free man?

Ning Xi could not believe what she just heard.

He loved Ning Xueluo so much that even when he was aware of all the things she did to Ning Xi, he could still forgive her if her tears fell.

And this man was telling her that he regretted, that he finally understood now, and that he wanted to divorce Ning Xueluo?

Ning Xi could not tell him how was she feeling now.

After a while, Ning Xi’s eyes turned frosty and she said, “Su Yan, sometimes, things are like a jacket in the summer or a fan in the winter. Also, the heart changes after a person has given up.”

Su Yan’s pupils shrunk. “Xiao Xi, I know that you hate me, but I know that it’s because you love me. I know it’s already too late, but please, believe me, Xiao Xi, I mean what I just said and I’ll do it. I’ll give you a title. I’ll marry you. I’ll handle everything! You’ll still be Mrs. Su. We can start everything over!”

“Ha!” Listening to how Su Yan was terribly determined for her to go back to him if he got a divorce, Ning Xi chuckled and did not say anything else.

She was not sure where he got his confidence from.

It had been so many years. It was more than enough for her to fool around again and again. What made him think that she would still wait for him?

“Xiao Xi, just wait for me!” Su Yan left after saying that sentence.

Ning Xi glanced at the back of the man leaving. She did not do anything and of course, she would not stop him.

She was looking forward to seeing if Su Yan would really get a divorce. If he really did throw it out there, what would Ning Xueluo's expression be like?

After Su Yan left, Tang Nuo quickly went over and asked worriedly, "Sis, are you alright? What did he say?"

"Nothing. Just some nonsense. Let's go," Ning Xi said indifferently.

Tang Nuo felt guilty when he saw Ning Xi's irritation. "I'm sorry, Sis. It's my fault that you're upset! Actually, Bro Su Yan called me and told me that you're back, which is what triggered me to call you. I didn't expect that he'd do it on purpose..."

"It's fine. A jerk just used you. You have nothing to do with it. Don't blame yourself..."
As Ning Xi was talking to Tang Nuo, her phone suddenly rang.

Her eyes softened when she saw the name "Darling" on her phone screen. She smiled and picked it up. "Hello, hubby?"

Lu Tingxiao felt like he was wrapped by a big lump of honey when he heard that soft and sweet endearment of "hubby" from Ning Xi. His hoarse voice was unable to hide his happiness. "Mmm, are you done? I'll go and pick you up."

"I'm done! Are you done with your meetings too?" Ning Xi asked.

"I just finished. There's still some stuff left, but it'll be quick."

"Then, you don't have to rush over. I'll go over to you. Wait for me!" Ning Xi said considerately.

"Okay." He would never reject his wife visiting him at work.

...

"Is it Brother-in-law? Is it Brother-in-law?" Tang Nuo asked with bright eyes.

"Yes, I'll go and look for him now. You go back to your dorm!" Ning Xi smiled.

"Mmm, be careful then. Send my regards to Brother-in-law!"

Tang Nuo was relieved when he saw the icy and pessimistic expression on Ning Xi's face vanish after she received a call from his brother-in-law.

Fortunately, someone like him had appeared.

He made her forget about the past and start over...

Chapter 1894: I'll Get Distracted

At the Lu Corporation.

Cheng Feng quickly went downstairs when he heard that the Lady Boss was coming over.

Ning Xi followed Cheng Feng and went to the top floor via the lift.

After bringing Ning Xi to the office, Cheng Feng quickly left, but before he went away, he turned back and took a glance at Ning Xi.

“Darling! I’m here!” Ning Xi took off her mask the moment the door shut. She happily hopped towards Lu Tingxiao.

“You’re here...” Lu Tingxiao looked up from the document he was working on when he heard the girl’s voice.

The next moment, he was taken aback when he saw the girl’s appearance. His clear eyes suddenly turned dark.

Ning Xi was wearing a school uniform. If he was not mistaken, it was the uniform of Imperial University. Lu Jingli had shown it to him before on a magazine as a reference to their company uniform but he had rejected it, so he had a vague impression of it.

The girl was wearing the uniform skirt with her hair pulled into a ponytail. She did not put on any makeup, yet she looked very beautiful. Her cherry lips, her smooth skin, and her current appearance did not look like a person who had been in the entertainment industry for a very long time. She looked just like a chaste university student.

“Darling, I want a hug!” Since Ning Xi had been disgusted by a jerk just now, she viewed Lu Tingxiao as a cleansing spring. She went past the table and snuggled over.

Before Lu Tingxiao could react, the girl was already in his arms.

Ning Xi sat on the man’s lap and embraced her fresh sense of security, rubbing her head against the man’s chin.

The man carefully hugged the precious girl in his arms. He gently patted the girl’s head and asked, “Why are you dressed like this?”

Ning Xi then realized she was still wearing the school uniform, then she scratched her head. “Ah... because I went to Imperial University just now to see Xiao Nuo, I had Xu Tao find me something that wouldn’t attract attention. Then, he took a uniform out from nowhere!”

No wonder Cheng Feng and several other workers had been staring at her weirdly when she arrived!

Ugh, did they think she was trying to seduce Lu Tingxiao with some schoolgirl roleplay?

Sadly, she had not done it on purpose!

Well, she could do it on purpose as well...

The girl let her lids fall heavily as she closed in. “Darling, do I look good like this?”

The man’s eyes turned darker. “Yes.”

The girl was satisfied. “Hehe! I wasn’t kidding when I said you got yourself a treasure after you marry me! I wasn’t lying when I said that I’ll have you change your wife every day!”

The girl continued wiggling around on him and Lu Tingxiao seemed like he was having a tough time. “Be good. Go over to the sofa and wait for a while. I’ll be done soon.”

Ning Xi looked disappointed. “Can’t I sit here while you do your thing?”

“No.”

Ning Xi looked even more unhappy now. “Then, I won’t bother you! I’ll stop talking!”

Lu Tingxiao helplessly pinched the space between his eyebrows when he looked at his wife. After a while, he sighed and guided her hand and drew it southwards...

Ning Xi blinked her eyes, unsure about what was happening. In the next moment, her eyes flew wide as she felt a hard warmth...

Lu Tingxiao kissed the girl’s neck and said in his hoarse voice, “I’ll get distracted.”

Chapter 1895: It’s Easy To Push You Down

Why distracted?

Ning Xi wanted to protest her innocence.

She had not even done anything. She had just talked to him...

However, she was still thrilled that she could stimulate the devil so easily!

Ning Xi looked up at the man’s suffering expression. “Hmm... Darling, actually... my body is mostly recovered. Annie has been concocting medication for me, and the soup Mother makes for me everyday also...”

So, you don’t have to endure it!

The girl lifted her chin up and kissed the man’s thin lips.

Lu Tingxiao’s body froze up and stopped moving after he understood what she meant.

After a while, the girl felt him grip her hips. The man had his hand behind her head and he kissed her deeply...

The chair had too little space, so Ning Xi’s hip was forced onto the office table. Feeling uncomfortable, she made some noises of protest.

The next moment, she felt her body lifted into the air. The man shifted her onto the large, soft sofa in the office...

Ning Xi lay down on the sofa and looked at the man in front of her. His usually frigid eyes were now filled with fire. His lustful face was much sexier than he usually looked.

She felt very satisfied when she thought about how the man was excited because of her.

As the man lowered himself down and was about to kiss her again, Ning Xi purposely blocked him. “Hmm, didn’t you say you’re going to finish some work? Is it alright?”

The man moved the girl’s hand away and kissed her palm. “It’s all done now.”

Ning Xi felt his light stubble make her palm itch. “So, you were lying just now...”

“Are you sure that your body is alright?”

Ning Xi smiled assuredly. “It’s alright. I’m telling you. I’m fine even if I have to fight a tiger now! And...”

Suddenly, Ning Xi paused and turned around. She swiftly sat on top of the man. “And... it’s easier to just push you down!”

The moment Ning Xi said that, something awakened in the man. The beast came out of the cage, turning into flames and engulfed her.

The long fingers went up to her collar and undid her buttons one by one.

The man’s hot sweat was dripping onto the girl’s skin.

His belt and trousers were being removed at a remarkable speed. At the same time, the zip on Ning Xi’s skirt was already undone...

At this very moment, Lu Tingxiao’s breathing was shallow and he had sweat all over him. “Tell me... if you feel uncomfortable...”

Ning Xi felt like a mess in her head. She did not really hear what the man said, but she still nodded anyway.

“Ah...” The next second, that solid phallus burrowed itself inside her with a fearsome power, making Ning Xi curl up like a little shrimp.

Chapter 1896: Ferocious Display of Affection

When he felt the girl’s body curl up, the man instantly stopped what he was doing.

While such a pause was torture to the man, he asked hesitantly, “Does it hurt?”

Ning Xi could barely speak.

Why... why? It’s already not the first time... but it still hurts so much...

Boss... are you sure your... your... your... your thing’s size is normal?

When she saw that Lu Tingxiao still put her first at such a moment, Ning Xi’s tensed up body unconsciously relaxed. She smiled and rubbed against his neck. “I’m fine...”

The girl’s kitten-like gentle tone and expression completely tore away the man’s final strand of self-control...

In the huge office, all that was left between the two of them was a sweet and ambiguous rhythm...

At this moment, Ning Xi’s phone that was in her bag suddenly rang.

In her haze of pleasure, Ning Xi recovered some clarity. “The phone...”

However, before she could finish, she was already losing all her ability to think as the devil collided into her with increasing intensity. She could only go with his flow...

...

Much, much later on, Ning Xi finally knew how naive and ignorant she was.

She had miscalculated!

Even tigers were not as ferocious as the Boss!

She had actually boasted shamelessly about how her body was awesome and that there would be no problem.

However, the problem was that even if her body was fine, she was afraid that she could not handle the devil's needs.

Uhh, she was suddenly a little worried about her future...

...

At the same time, in Deer Town.

Baby Little Treasure immediately stood up. "I want to go look for Mommy!"

He could not get through to Ning Xi's phone, so the little guy was worried.

At this moment, Lu Jingli had also just called Lu Tingxiao and found that he could not get through too.

If it were just Ning Xi's or Lu Tingxiao's phone that was not getting through, he might have been less worried, but now that the both of their phones could not be reached, then...

When he thought about this, he suddenly had a profound expression. He said, "Wait, wait, wait, wait, baby! Trust me, your mother is fine!"

"But Mommy wouldn't not pick up Little Treasure's calls!" Little Treasure insisted with a stern face.

"She must have something she can't get away from!" Lu Jingli explained.

He suddenly had a bad feeling that the display of affection this time would probably be enough to stuff him to death...

"Impossible! No matter what happens, Mommy wouldn't not pick up Little Treasure's calls!" Little Treasure's tone was certain.

Lu Jingli shook his head pitifully and thought to himself, "Baby, there really are some things... In fact, I'm afraid that you'll be tortured many times in the future... This is just the beginning..."

"Don't worry. Let me call and ask again," said Lu Jingli, then he called Cheng Feng.

"Hello, Assistant Cheng! Have you seen my sis-in-law?" Lu Jingli straight up asked.

"I have. Earlier the Lady Boss came to the office," answered Cheng Feng.

"Where's she now then?"

"I'm not too sure about that. I've left work, but when I left, the Lady Boss and Boss hadn't left." Cheng Feng thought for a while, and finally cleared his throat before hesitantly added, "Um, Second Master, if it's not an emergency, it's best that you don't disturb them now..."

Tsk, tsk, indeed...

I am really highly intelligent!

“Alright, got it.”

Lu Jingli hung up.

Okay, now he did not need to worry.

Nevertheless, on Little Treasure’s end...

Lu Jingli sucked in his hot tears as he resigned to coaxing the child for a long time. Finally, he managed to calm Little Treasure down.

Forget it, his brother had endured it for so long. It was not easy either, so he would not bother about this round of display of affection...

Chapter 1897: The Huge Temptation of Benefits

Late at night, at the Su residence.

After Su Yan left Imperial University, he did not delay another second to get home.

In the living room, Zheng Minjun had just finished talking on the phone with another lady she shared a good friendship with and was about to go to sleep when she heard a car engine rumbling outside the door. Then, with the shuffle of footsteps, she saw the return of her son who had been away for several days on a business trip.

When she saw her son, Zheng Minjun instantly smiled. “Su Yan you’re back! Why are you so late? Shouldn’t you have been home by yesterday?”

Su Yan did not answer. “Where’s Father and Xueluo?”

“Your father’s in the study room upstairs. Xueluo seems to have some social event tonight. She’s not back yet!”

“Mmm.” Su Yan nodded slightly, then he walked upstairs. “I’ll go look for Dad. I have something to discuss with him.”

Zheng Minjun had been going around to get information about Ning Xi and the Zhuang family for the past few days. After waiting for Su Yan’s return for so many days, she wanted to first ask about her son’s opinions, but based on Su Yan’s hurried manner, he seemed to have an emergency, so she could only temporarily set it aside. “Oh, okay... quickly go then!”

In the study room.

Under the table lamp, Su Hongguang was solemnly looking at a land tendering file. This land was extremely important to their corporation, but if there were no inside connections at the top level, it was almost impossible for them to fight with the other two companies.

Sometimes lacking in that bit of connection would make it extremely difficult to achieve most things in their industry.

Su Hongguang’s eyes turned dark. He could not help but think about his wife’s words from the other day...

Su Yan and Xueluo had been married for so long after all. The Su family and the Ning family were now inseparable, and a divorce would cause a butterfly effect, which was why he had told Zheng Minjun not to be impulsive.

However, at this moment, if Su Yan could have married Ning Xi, the huge amounts of benefit that she could bring, as steady as he was, would be enough to waver things.

If he could really get connected to the Zhuang family through marriage, then all the trouble brought by a divorce would just be a minor issue...

Su Hongguang was deep in his thoughts when suddenly the familiar sound of his son's voice broke his reverie.

“Father.”

It was then that Su Hongguang returned to his senses. He looked up towards his son and said, “You're back.”

Su Yan nodded, his expression a little unusual. “Father, there's something I want to discuss with you.”

When he saw Su Yan behaving so oddly, Su Hongguang sat upright. “Sit down then. It's quite late. What is it?”

Su Yan did not sit down. Instead, he remained standing with a straight back before the study desk. As if he had just determined something, he then said to Su Hongguang with a confident gaze, word for word, “Father, I'm planning to divorce Xueluo.”

The instant he said that, Su Hongguang's expression shifted to become startled. At the same time, darkness flashed in his eyes.

Su Hongguang suppressed all sorts of disorderly thoughts in his mind before he said with an extremely solemn expression as he looked at son, “Do you know what you're saying?”

“Father, I know that you and Mother will definitely oppose this, and you definitely won't understand my impulsive and unreasonable actions, but... about this... I'm definitely not acting rashly. I've gone through careful deliberation. I've thought about it for a whole year! I've already made my decision!” Su Yan's tone was unyielding.

Instead of saying that he was there to discuss it with him, he should have just said that he was there to inform him.

If it had been before he found out about Ning Xi's identity, Su Hongguang would definitely be extremely angry to hear Su Yan calling for a divorce.

Yet...

Everything was a little different now...

Chapter 1898: Status Is Fitting

Thus, even though Su Hongguang looked solemn, relief flooded him.

“This is such a huge matter. You have to at least come up with a valid reason, but where has Xueluo done wrong?”

Su Yan clenched his fists next to his body. “No... It’s not where Xueluo has done wrong. It’s my fault. I owe someone too much...”

Su Hongguang’s eyes lit up. “Someone... Are you talking about... that girl, Ning Xi?”

When Su Yan heard, he nodded. “Father, you know about the thing between Ning Xi and I well enough. Back then, no matter what happened, it was I who betrayed her first, causing her to be all alone after that and suffer so much. I even just found out that in the past year, all of us have misunderstood her. She wasn’t as despicable as the rumors said. You know, the one about her being taken as a mistress. She had gotten into a car accident and fell into a coma, becoming bed-ridden for a whole year...”

So, that was the case...

Actually, Su Hongguang had more or less seen through his son.

After all, he was a man too and he understood the thoughts of a man all too well.

When it came to a woman like Ning Xi, he was afraid that there would be no man who would not be tempted.

In fact, in the past when Ning Xi was unswervingly loyal to his son, he did not think much of it, yet now that she suddenly paid him no mind, and with her breathtaking looks, it naturally gave his son this sort of ideas again.

Furthermore, after the truth about Ning Xi’s disappearance for a year was exposed, his son’s remorse and tenderness towards her were suddenly triggered...

He could understand why his son would abruptly want a divorce.

“I know about Ning Xi’s issue too,” said Su Hongguang.

“Father, you do?” After all, Su Hongguang did not quite pay attention to the entertainment industry, so Su Yan was a little surprised.

There was a flash in Su Hongguang’s eyes as he observed his son’s expression. “Ning Xi has already been publicly acknowledged by the Zhuang family as their niece. Her status is remarkable. How could she have done those things that the outside world has been saying?”

When Su Yan heard his father, his expression was slightly shocked. “Father, you’re saying that the Zhuang family has already acknowledged Ning Xi?”

“That’s right.” Su Hongguang nodded. “In fact, your mother personally witnessed it at Minister Li’s wife’s private gathering, Meng Linlang brought her along to attend the function and she even introduced her that way to the crowd.”

Su Yan said in a lowered tone, “Probably back then, during Xueluo and I’s wedding... the Zhuang family already knew Ning Xi’s past history, but they’ve always kept a low profile. That’s why no one knew...”

“That’s right. That should be the case.”

Then, Su Hongguang said earnestly, “Back then, your mother and I were kept in the dark by the Ning family. After all, we didn’t know. With Ning Xi’s identity and upbringing, there was no way she could enter our Su family.

“Now, since we already know that she is the biological child of the Ning family, and the biological granddaughter of the Zhuang family, this status matches our Su family, so it’s possible now.”

Su Yan could fathom what his father was implying and he was pleasantly surprised. “Then, Father, you’re saying... you agree?”

Su Hongguang did not answer. He asked instead, “Then, about Xueluo, how are you prepared to handle that? She doesn’t have any faults, and now you suddenly want to call for a divorce. Would Xueluo agree to it? Would the Ning family agree to it?”

Faults?

Su Yan thought about the things that Xueluo had done to Ning Xi back then. Even though he could not tell Su Hongguang the truth, his heart ached like it was being stabbed with needles.

He did not know how he had been possessed back then, allowing her to do those things to Ning Xi, yet still choosing to forgive her...

Chapter 1899: Getting Things Back On The Right Track

Back then, his heart was full of this fragile girl. He was her only person to rely on, her everything.

She said she was too afraid to lose him which was why she had made the mistake. He had been touched and just forgave her.

He felt that if the truth was revealed, Xueluo would be left alone, so he accepted all of her and protected her from harm.

However, the truth was that even though the truth was revealed, Xueluo was still being treated as the daughter of the family. She was well-educated and was loved by Ning Yaohua and Zhuang Lingyu. Even he betrayed Ning Xi and had gone to her side.

As for Ning Xi, she left her foster family and was not loved by even her own parents. In the end, even he...

Until time made it clear for him, he finally understood that what he did back then was very cruel to the other girl.

He finally realized that his feelings for her had never faded when he saw how the girl shone through her efforts...

How did things end up like this?

In the end, because he was the eldest son of the Su family, even after staying in a rural area for so many years, pride still filled his bones.

Ning Xi had been a presence of warmth for him when he was alone in the rural area, but the moment he went back to Imperial, everything reminded him of his status. Ning Xi could never fit into his society, so he slowly grew tired of her and even started to avoid her.

At that moment, Ning Xueluo appeared and had been throwing hints at him, making it difficult for him not to fall for her when she was such a good match...

Similarly, because of his pride, no matter how well-matched he was with Ning Xueluo, he felt a sting in his heart when he found out about Ning Xueluo's true identity, especially after her real identity was exposed to the public.

With his ego, how could he accept the pity and people rejoicing over his misfortune when they were talking crap about him behind his back! ?

Now, he was just getting things back on the right track.

His wife, Su Yan's wife, should be a real daughter from a prestigious family. She should be a respectable person!

As of now, he would do anything to get the girl who waited for him and loved him for so long back.

He could not wait to tell her that he had become a free man already.

He could not wait to see smiles and expressions of love from the girl's cold face again.

Su Yan's eyes became more determined. "I'll take care of Xueluo's side, but I'll need your help with the Ning family."

At this moment, everything related to the benefits that Su Hongguang could reap went through his mind. He was truly enraptured by this idea as he said slowly, "If you've decided, your mother and I can only help this much..."

If everything went well, as long as Su Yan and Ning Xi's relationship was secured, he might make it in time to get that piece of land.

He did not need to think about the number of benefits he would get in the future...

As for Ning Xi's side, Su Hongguang did not seem to worry about it and did not ask anything more. That girl was head over heels for his son. Now that his son was willing to get a divorce for her, she would never say no!

Chapter 1900: Have A Child With You

Just as Su Hongguang thought his plan was perfect, he failed to realize that all his plans were nothing but a joke...

...

In the CEO office of the Lu Corporation.

The girl was carried onto the big soft bed in the resting lounge.

The flower in the vase above the shelf of the bed was shaking and petals slowly rained over...

The girl had fully removed her uniform. Her fair skin had vapors of sweet warmth above it and was looking flushed like the flower petals as she moved along with the man's gyrations. Her undulations created a strong contrast with the tough and warm body in front of her...

There was no repulsion, no fear, no chaos...

There were no traumatic feelings...

Only the giving of each other...

She felt fulfillment in her heart...

Sex could feel this good and this pure...

Lu Tingxiao had been holding it in for far too long. He had always been afraid of hurting the girl, but when he finally got to do it with her, the words "reserve" and "control" were alien to him.

Suddenly, Lu Tingxiao thought of something and his expression changed. He then stopped his motions.

Ning Xi fixed her messy hair and looked at the man's painful expression. "What's wrong?"

The girl's gentle voice and her clear eyes made it all the worse. Lu Tingxiao's body stretched tightly like a bow as sweat beaded all over his forehead. "I... don't have it..."

"Hmm? What is it?" Ning Xi then quickly understood. She grinned and put her arms around the man's neck. "Mmm... Darling... you mean, condoms?"

Lu Tingxiao nodded with a darkened expression. "Mmm."

Ning Xi nuzzled the man's neck. "It's alright. It's safe today..."

She then looked into the man's eyes and said, "Actually, Darling, I want to have a child with you..."

When he heard the girl say that she wanted to have a baby with him, at the nearly exact moment, the man's pupils shrunk and he felt a warm current flow down his spine. Then, it just came out...

"Damn it!" Lu Tingxiao cursed.

Ning Xi trembled at the heat she felt within her. She laughed when she heard the man's regretful cursing.

Please, it was almost morning now!

This body of mine is at its limit! How long did you want it to last?

Lu Tingxiao did not pull out. He hugged the girl's body tightly. "Xiao Xi, are... are you sure you want to?"

He was worried that what happened back then had caused trauma to her, so he never thought she would be willing to get pregnant again. He also never mentioned such questions in front of her before...

Ning Xi seemed at peace as she smiled. "Of course, please. We're already married, so what's wrong with me having your baby?"

Ning Xi suddenly thought about something and worry filled her face. “Hmm... but... I’m afraid Little Treasure might not like it. Actually, I’m contented enough with Little Treasure...”

She said what she had just now because that was how she felt. She thought that the most straightforward way to express her feelings to him was to have a baby with him.

Lu Tingxiao’s eyes lit up when he heard the girl’s words. He said with firm determination, “Don’t worry. Little Treasure will like it, I guarantee.”
