### Chapter 2161: Wedding Night 5

Lu Jingli gulped, “Bro, don’t tell me that the person you looked for help from is Little Treasure?”

Tang Lang sympathized with his disciple. “He’s your real father indeed...”

Little Treasure ignored his uncle and master. He went up to Annie and looked at her in the eye. “Sis Annie!”

Annie’s expression softened when she saw it was Little Treasure. “Little Treasure!”

She had always had complicated feelings towards Little Treasure.

She had hidden herself around Lu Tingxiao for so many years and did not find any chance to penetrate his defenses, but just as she was about to give up, she found out about the existence of this child. She then planned a seven-year-long revenge.

She had saved this child who was just a cold, near-death baby so many years ago. Now, he was beside Ning Xi and his pure, bright eyes almost blinded her.

Even now, she did not understand why had she given him the medical pouch back then to delay the poison. She was not sure if the time was not right or if she was just unable to do it...

This child did not know anything and he still looked up to her as a respectable sister.

Little Treasure stood before Annie and clenched his fists. “Sis Annie, I’ll be fighting you. Thank you in advance for the match!”

Annie squatted down before the little guy. She looked at him so lovingly and then said, “I concede defeat.”

Without Little Treasure, there would be no future for her. She would not have met Han Xiao or recovered her memories. Neither would she have found herself and she would forever live in a life of lies.

She was willing to do anything to make it up to this child.

Little Treasure looked troubled. “Then, it’s unfair.”

Annie laughed. “Not at all! You beat me with your charm! I admit defeat on my own!”

Cold rays shot out of Han Xiao’s eyes when he heard Annie. He stared at Little Treasure. “Little guy, we’ll fight.”

Annie glared at a certain childish person behind her.

Little Treasure pursed her lips. “Thank you, Sis Annie!”

Feng Xiaoxiao’s jaw dropped as she thought there was no way they would have passed level three. “What the heck?! How can this happen?! Lu Tingxiao, you’re cheating! This is cheating!”

Lu Jingli laughed. “Hahaha! As long as it works! Little Treasure is the real deal! We won it fair and square!”

Tang Lang went along. "We should be the one saying that. We've passed all levels now. Don't go back on your promise!"

Feng Xiaoxiao leaned against the door frame. "No way! I want my Little Junior Sister! What happened to our promise of being together forever?"

Tang Lang dragged Feng Xiaoxiao over. "That's enough now. Be careful. Little Junior Sister will kill you if you spoil her fun tonight! I, Second Senior Brother, will buy you some drinks!"

"Get lost! Who'd want to drink with an old man?! No!"

Tang Lang touched his handsome face and felt hurt. "I'll find you a piece of young, fresh meat alright?"

"No!"

"Two of them!"

"Deal!"

...

After Feng Xiaoxiao was taken away, everyone else left too.

If they continued on with the mess, the devil would get mad no matter how happy and patient he was today.

Chapter 2162: Finally, Wedding Night

"Mmm... darling..." Ning Xi rubbed her eyes on the bed when she heard the door open.

Lu Tingxiao frowned and helped her back on the bed as he saw the girl looking sleepy. "Didn't I ask you to sleep first? Why aren't you sleeping?"

Ning Xi laughed and dangled her arms around the man's neck. She rubbed her forehead against his. "You were fighting a bloody war outside. How could I be sleeping!? Of course, I'm going to wait for your triumphant return!"

Lu Tingxiao's heart melted and he laughed as well. "Thank you for your hard work!"

"Mmm, I really did wait long!" Ning Xi accepted the praise shamelessly, then she asked curiously, "Based on my understanding of Third Senior Sister, she surely used Annie for the last level, didn't she? And Han Xiao would never help you guys! How did you guys pass the last level? I thought I'd have to wait until midnight!"

"We have Little Treasure," replied Lu Tingxiao.

"Little Treasure?" Ning Xi was dumbfounded for a moment, then she grinned. "Little Treasure sure is amazing! Annie can never resist his cute little face! Good job!"

Lu Tingxiao gently touched the girl's hair, then he took his coat off. "Go to sleep earlier."

Ning Xi suddenly grabbed the man's shoulder. "Darling!"

Lu Tingxiao turned over. "Hmm?"

Ning Xi stared at him. "What? Tonight is our wedding night! It's time for a priceless memory!"

The man's expression darkened when he saw the girl's flirtatious expression. Glancing at her in her bright red pajamas, he took a deep breath and averted his eyes away. "Don't you remember we've set three rules?"

Ning Xi looked unhappy. "First rule, don't do anything dangerous. Second rule, don't eat anything I shouldn't..."

As she reached the last one, Ning Xi's expression was sour. "Third rule, I can't flirt with you! Hey! Not even on our wedding night?"

Lu Tingxiao's expression did not waver. "No."

Ning Xi crossed her arms across her chest. "God, how could you place such a vision beside me when I can't do anything? How cruel!"

Lu Tingxiao smiled and he looked very tempting at the moment.

Ning Xi was enraged. "What's so funny?! Why can't I flirt with you but you can flirt with me?"

"Did I?" The man laughed.

"You did and you're doing it again!"

Lu Tingxiao looked at his wife's cute little face. "It's my fault."

Ning Xi snuggled into Lu Tingxiao's arms. "Darling, would you like a boy or girl?"

The man kissed her forehead. "I'll like it as long as it's yours."

Ning Xi smiled. "I love to make babies for you!"

Lu Tingxiao pinched between his eyebrows. "Rule number three!"

"What did I do now?!" Ning Xi felt so wronged.

Lu Tingxiao, of course, knew what was she thinking about. "Be good, at least after these few days. You're too tired today and need a lot of rest, and..."

Lu Tingxiao took a pause, then he looked at the girl passionately. "I'm afraid that I might lose control tonight."

The man's words were the biggest praise to her.

Ning Xi was delighted. "Alright, alright!"

A certain someone was getting better and better at flirting. He even dealt perfectly with a pregnant lady like Ning Xi, so she stopped making a fuss and went to sleep peacefully.

Chapter 2163: Naming The Little Princess

One day, at a friendly gathering.

They still had not decided on the name yet even though the baby was going to be due soon.

Lu Jingli, Jiang Muye, Tang Lang, Zhuang Keer, and the big bunch gathered together to think of a name.

Lu Jingli touched his chin. "It's been practically ten months already. How is there not a name yet!? Is it that difficult? Little Treasure's name is Lu Qingyu, so grand and cool. The second kid's name has to be something similar as well! Why not call him Lu Qincang? It's uniform and cool together! Lu Aotian works as well!"

Ning Xi's expression darkened. "Stupid! The doctor said it's a girl! It's a girl, alright?"

Lu Jingli was unhappy. "Who said that girls can't be called Lu Aotian!?"

Ning Xi's mouth twitched and she forced a kind smile. "Okay, we'll use that name for your future daughter! We'll see if she'll call you father in the future!"

Lu Jingli thought about it carefully, then he kept quiet.

Zhuang Keer gave it some thought. "How about Lu Jinghao? Quiet and good!"

Tang Lang suddenly laughed as he was munching on some peanuts. "Are you sure it's okay for Little Junior Sister's daughter to use such a lady-like name?"

Ning Xi glared at him dangerously. "Tang Lang! What do you mean?! What's wrong with my daughter?!"

Tang Lang replied immediately, "Only the name of Lu Yuetian would be worthy of your daughter!"

Ning Xi almost cursed, but she glanced at Lu Tingxiao and forced herself to stop talking.

"All the names you guys have thought of are useless! Look at mine!" Jiang Muye showed Ning Xi the names he had been thinking about and had written down on a piece of paper.

Ning Xi took it doubtfully. Her eyes were blinded by the names Jiang Muye wrote.

Lu Yuyan, Lu Nangzhuo, Lu Fengqu, Lu Biejin, Lu Chulei...

"What the heck?! I don't know any of the words!"

Jiang Muye snapped his fingers. "That's the point, with a name like these, I'm sure no teachers would call her to answer questions! Terrific!"

Ning Xi was speechless.

She was really worried for their daughters in the future...

They could not reach a conclusion after a long discussion. In the end, Lu Jingli said, "Let my brother decide. He's among the top three graduates from Chang Chun Teng University with a double Masters degree. The names he'll think of will surely be great!"

Lu Tingxiao was holding a paper in his hand, unfazed by the noisy group at all.

On his paper should be the names he thought of.

Everyone looked over curiously. They wanted to see what kind of names he thought of.

They then saw the list of names the devil had picked: Lu Aixi, Lu Lianxi, Lu Muxi, Lu Buli, Lu Buyu, Lu Weiyi...

No one said a thing.

Lu Jingli stared at the list of names for some time. "Well... I take back what I said..."

Chapter 2164: My Heart Belongs To You

Summer arrived and the long-awaited little princess was finally born.

In the end, Ning Xi thought of a name herself after she lost all hope in the others.

*The mountain was covered in trees and branches were all over. My heart belongs to you, yet you have no clue.*

When Ning Xi read this poem to her husband, his eyes were charmed with affection.

Their lives were really full of challenges. Her husband had put in so much effort to get closer to her, yet he did not know Ning Xi had already fallen for him a long time ago. She had just avoided revealing herself because of her past.

"Lu Yuexi" indicated Ning Xi's path and also her love towards her husband, killing two birds with one stone.

After the name was set, they were troubled by her nickname. They thought of "bun", "steamed bun", and "spring rolls", but they could not decide on a suitable one.

Nurtured by their concern and love, the little princess turned three years old.

On a certain day with clear skies.

There was an enraged voice of a man coming from within Platinum Palace —

"Lu Yuexi! Come out! I promise I just want to talk!"

Lu Tingxiao was not even surprised by Lu Jingli's behavior.

Ning Xi sighed as she was sipping on tea on the sofa, "What now?"

Lu Jingli caressed his carrot. "What now? Look at this! My carrots! My cabbages! They were all ruined by your little demon! I want compensation!"

Ning Xi was helpless. Did he really have to come here every day?

She could not stay still for even a second and she had conquered everyone at home.

Lu Tingxiao looked at his wife calmly. "Mmm, I won't."

When Little Treasure saw Lu Jingli grab his sister away, he did not try to help at all. He was as calm as his father.

Chapter 2165: My Little Heart

Lu Jingli looked determined. "No way! I'm telling you even if God were here today, He wouldn't be able to save you!"

Lu Jingli was not moved at all. “Don’t come at me with this. You’ve already said such things over eight hundred times!”

Lu Jingli then replied, “Why can’t I be angry? I’m about to be angered to death by you!”

Lu Jingli’s fury had calmed down a little although he was still angry as he shot her a side look. “Are you telling the truth? How handsome?”

Lu Jingli’s fire of fury was instantly extinguished by half. “At least you’ve got good judgment! But don’t think that I’ll let you go this time just because you said that. Your father and your mother can’t bear to hit you, but this time I will still give you a lesson. You’re too naughty, do you know that? You won’t be able to escape my spanking this time. Give up!”

Lu Jingli glanced at her with alarm. “What do you want to find?”

“Who told you to run around?! It’d be weird if you didn’t misplace anything! What did you leave at my place? Is it something very important?” Lu Jingli asked unhappily.

Then, she kissed Lu Jingli’s cheeks lightly. “Tangyuan likes Second Uncle the most...”

Lu Jingli was speechless.

Half an hour later.

Inside the villa, when he saw the duo walk out happily, Little Treasure sighed helplessly.

Sigh, why was his Second Uncle so forgetful?

He knew it was useless...

Lu Jingli had already been tortured by her thousands of times, yet he still treated her like a little baby. It was not only Lu Jingli; she subdued almost everyone around.

Beside her, when Lu Tingxiao heard his wife, he looked at her meaningfully.

When she received her darling’s meaningful look, Ning Xi cleared her throat awkwardly. “Okay, okay, it’s my fault, my fault...”

Lu Tingxiao walked slowly to his wife. He leaned forward and kissed lightly on her forehead. “My wife gave birth to such a cute pair of son and daughter. How are you at fault?”

Ning Xi was speechless when she was caught off-guard by this flirt.
