

FMH Marriage 741

Chapter 741: Good News Indeed

“Oh, okay...”

Ning Xi had been feeling alright just now but she was a little nervous now, unsure of where to put her hands. “Um, Boss...can you wait for me a while?”

Lu Tingxiao stayed silent.

She looked into Lu Tingxiao’s fiery eyes. “I just wanted to check on how this works...”

How embarrassing! She acted like she was a know-it-all just now. She intended to get away with it now but her mind went blank. She needed to be recharged!

The next moment, there was a metal clanking sound. It was the sound of Lu Tingxiao’s metal belt as he was taking it off. In that narrow space, it worked as a catalyst, warning her of what was about to unfold.

Lu Tingxiao felt like he would never let her go. He pressed her hand on his bulge, his sweat becoming hot on Ning Xi’s tender fingers. The heat coming from him could almost melt her skin and his voice sounded deeper than usual. “You don’t have to check, I’ll teach you...”

With her palms directly touching his manhood, Ning Xi felt like her hands were on fire. In the end, she was rooted to the spot and barely made any movement of her own will, the devil initiating the whole process by moving her hands in the way he had so longed for them to...

After some time...

Lu Tingxiao used a hot towel and carefully wiped the girl’s hands. “Are you alright?”

Ning Xi found her tongue and said in a troubled voice, “My hands are tired!”

Her legs were already injured and now her hands were almost out of commission as well...

Well, she did offer to help! She had underestimated the devil’s power.

How naive of her!

She was suddenly afraid of what would happen when she actually got round to doing it...

“I’m sorry.” Lu Tingxiao kissed her forehead gently.

He looked lazily at her like a beast that had just finished his delicious meal. Despite his outward coldness, there was a slight sense of sensuality about him and he was much more seductive than usual. Ning Xi was dumbfounded...

Damn! The devil was just too beautiful! This was the upgraded version of him!

She suddenly felt that it might not have been so bad to sacrifice a hand for this after all! It would be a pleasure for anyone to die in the arms of such a beauty...

Lu Tingxiao held Ning Xi in his arms and moved her to the bed as he lay down right next to her and spoke to her, not letting go of her. “Why did Ling Zhizhi come?”

Ning Xi’s expression darkened a little. “It was some bad news for me but might be good to you. Do you remember the script that I liked a lot and spent quite some time to convince you to let me cast in?”

“I remember.”

“I didn’t get it. You didn’t want me to act in it, did you?”

Lu Tingxiao nodded slightly. “Mmm.”

Good news indeed.

There were too many dangerous scenes in the script. Although stunt doubles could be used, Ning Xi was sure to volunteer to perform them personally.

Ning Xi glared at the man. She felt that the devil must really possess magical powers.

She remembered Lu Tingxiao telling her, “You’ve only convinced me now. If you failed the audition, I won’t help you, understood?”

What happened was way worse. She did not even get to audition.

Chapter 742: Single, Torturing Devil Lu Tingxiao

Looking at the disappointment on her face, Lu Tingxiao ran his fingers through her hair, reassuring her, “You’ll find something better.”

Ning Xi took his words as just an obligatory comfort. She still felt regretful not being able to participate in the audition. Actually, even if she was given the chance to audition, she might fail if they prepared an action scene. With the current leg injury, she would not pass for sure! Too bad for her!

She hoped that the devil’s words would come true and that she could find something better...

Sensing her unhappiness, Lu Tingxiao said in a gentle tone, “I’ll take you out on a date tomorrow.”

Ning Xi’s eyes twinkled brightly. “Really? What are we doing? Horse riding, skiing, parachuting, or shooting practice?”

Lu Tingxiao stared at her quietly. “Looking at sceneries.”

Ning Xi went silent.

Sceneries...sceneries...Ning Xi’s face was full of dread...

“Okay, as long as I’m together with you, Boss, it’ll be fun even if we’re just watching TV together!” Ning Xi optimistically went along. She was lucky she even got a chance to go out!

“Okay, rest earlier. I’ll come and get you tomorrow morning.”

‘Alright, good night!’

On the way back, while Lu Tingxiao was driving, his phone rang.

Lu Tingxiao saw Mo Lingtian’s name flash on the screen. He put on his Bluetooth earphone and picked up the phone. “Hello.”

An excited voice came through. “Lu Tingxiao, we’re having a singles’ party tomorrow. Only close friends are invited. Want to join us?”

Lu Tingxiao replied without even considering, “No.”

“Ziyao just came back. Just take this as a welcome party for her,” Mo Lingtian persuaded.

“Next time.”

This week was critical for him. He could not waste his time on meaningless things.

Mo Lingtian did not give up his persistence. “There’s going to be a lot of pretty ladies here! There are some that look similar to that Xi chick! Some are even prettier than her! You don’t have to just stick to one tree. Just change your target!”

“No.”

Mo Lingtian was frustrated. “You’re really not coming!? I’ve told them that you’d come! What have you been doing at home all day? Don’t tell me you need to work. There isn’t much going on in your company lately!”

After Mo Lingtian finished his rant, Lu Tingxiao replied, “Your theme doesn’t suit me.”

“What do you mean? The theme doesn’t suit you?” Mo Lingtian was confused.

“I’m not single.”

Mo Lingtian was speechless.

After a brief moment of silence, a thunderous roar came through the phone, “What!? Lu Tingxiao! You found yourself a girlfriend without telling me?! So much for being friends! You traitor!”

Mo Lingtian wished he could burn Lu Tingxiao alive right then!

It had only been a few months since he heard Lu Tingxiao had someone he liked and even then, he already felt he was hallucinating. Now, the unthinkable had happened! Lu Tingxiao personally told him that he got a girlfriend!

The legendary single man Lu Tingxiao left the rank of the singles! Mo Lingtian was at a loss!

Mo Lingtian spoke hurtfully, “You have to come tomorrow! Bring her over! And you can introduce her to everyone. I can’t possibly be the only one stung by this news!”

Obviously, the last sentence was the main point.

“I’m not available tomorrow.”

“Don’t lie to me! What are you going to do?”

“I’ll be out dating.”

Mo Lingtian had no words.

Chapter 743: Lu Tingxiao, Do I Look Cute?

The next morning, Lu Tingxiao went over to fetch Ning Xi. Seeing the girl standing by the entrance, his expressionless face became warmer.

Ning Xi usually wore casual outfits and sometimes even manly outfits. However, today she wore a fluffy pink dress with a thick, white down hooded jacket. Her slightly wavy hair had been straightened and she wore the pink heart-shaped crystal hairpin Little Treasure had given her. She even had a pair of pink boots with rabbit ears on her feet...

In a nutshell, she looked exactly like an obedient little bunny!

“You...” Because this outfit contrasted greatly with her personality, Lu Tingxiao had no words to describe her.

Ning Xi hopped over and clung onto Lu Tingxiao’s arm. “Lu Tingxiao, do I look cute?”

Lu Tingxiao coughed lightly, his gaze focused on the girl’s cherry pink lips. “Cute indeed. Why did you suddenly dress this way?”

“Mmm, it’s our first official date. Of course, I’m going to dress up!”

She sure dressed up well...

After they went down, Cheng Feng opened the door, flabbergasted when he saw the “little bunny” beside Lu Tingxiao!

What the heck!?

Was something wrong with the lady boss today?

Her outfit was so cute! So cute and girlish! It was nothing like her at all! People who did not know her would definitely be charmed by her but those who did would be shocked!

Cheng Feng was the latter. He calmed himself down and drove the car to Lu Tingxiao’s private flying strip.

Ning Xi looked at the helicopter in front of them in amazement. “We’re taking a flight? Where are we going?”

“You’ll see soon.” Lu Tingxiao carefully helped her up the helicopter.

After 20 minutes, they landed on an open grass area. A private car welcomed them as they touched down. The drive was very luxurious and comfortable, the sceneries along the way soothing to sight.

On the journey, Ning Xi saw the facilities here. There was a golf course, a horse paddock, hot springs, a shooting range, and even a ski track...

She loved everything here!

Lu Tingxiao saw her face sticking to the window in excitement and he gently put her head on his shoulder.

Ning Xi pulled on his sleeve and looked up at him with sparkly eyes. "Boss, it looks really fun here. Are we really only here for the scenery?"

"Mmm."

"...Lu Tingxiao, did you hear that?"

"What?"

"The sound of my heart breaking."

Lu Tingxiao was speechless.

Seeing the girl's disappointment, Lu Tingxiao sighed to the driver, "Go to the horse paddock."

Ning Xi was brimming with excitement. Horse riding! She loved horse riding!

After arriving, Ning Xi looked at the stables excitedly. She wanted to get on the wildest horse!

There was already a group of people at the stables and the owner was helping them to select their horses to ride.

Suddenly, one of the good-looking guys from the group stared in their direction. "Wow! Lu Tingxiao!"

Chapter 744: Lu Tingxiao Has A Girlfriend?

As he saw the man and the bunch of people, Lu Tingxiao was put in an awkward position. He did not expect Mo Lingtian to organize their gathering here of all places...

"What? Mo Lingtian, who did you just mention?"

"Lu Tingxiao? Where is he? Isn't he not coming today?"

"Ah! It really is Lu Tingxiao!"

Mo Lingtian's yell was followed by the gaze of the bunch of people, all turning to look at Lu Tingxiao and Ning Xi. Then, they saw the cool and composed Lu Tingxiao in his black suit with a girl in a fluffy pink dress.

What...what was that...?

What was happening? The girl was clinging onto Lu Tingxiao's arms like a little bunny! Everyone was dumbfounded by what they saw!

Ning Xi was confused by the sudden attention from so many people. She blinked her eyes and pulled herself even closer into the devil's arms.

Lu Tingxiao ran his fingers through the girl's hair.

Mo Lingtian's mouth twitched, then he turned around and told his friends, "Didn't you guys ask me why Lu Tingxiao wasn't coming today? Here we have it, this is the reason. The bastard betrayed us! He has a girlfriend!"

"What!? What did you just said Mo Lingtian? Lu Tingxiao has a girlfriend?"

"How is this possible?!"

"Are you sure she's not his sister or something?"

...

"Sister? I don't ever recall my cousin having a sister!"

A girl quickly went up to Lu Tingxiao, studying Ning Xi carefully. "Cousin, this is...?"

"Your future cousin-in-law," Lu Tingxiao casually announced. He then introduced the girl to Ning Xi, "This is my cousin, Lu Xinyan."

"Hello!" Ning Xi greeted.

However, Lu Xinyan did not seem very friendly, so Ning Xi did not bother to be very welcoming either.

Lu Xinyan stammered in surprise, "My...my future cousin-in-law? She's really your girlfriend?"

Why would he have some weak girlish bunny as his girlfriend? She could not understand Lu Tingxiao's taste. How could he actually like this kind of woman!?

At that moment, a girl came up behind Lu Xinyan. She was dressed in a black riding suit with a whip on her hips. With a pair of sleek boots, her cool outlook matched the fine black horse right beside her.

She stood in front of Lu Tingxiao and Ning Xi, staring at Ning Xi, then looking at Lu Tingxiao.

"Long time no see, Tingxiao."

Ning Xi stared back at this woman, her tingling sixth sense instantly ringing warning bells in her head that this woman was bad news!

Lu Tingxiao had no change in expression as he replied calmly, "Welcome back."

The woman looked at Ning Xi with a pressuring gaze, "Why don't you introduce us?"

"My girlfriend, Ning Xi." He looked at Ning Xi and inclined his head slightly. "Guan Ziyao."

Only a name, no other introduction.

Ning Xi put up on an innocent expression and greeted Guan Ziyao. "Hello."

She just stuck to Lu Tingxiao and spoke as little as possible. Together with her dressing, her personality had also totally changed into a little bunny.

Although Lu Tingxiao knew the girl's obedience was part of her act, his heart melted and his gaze at her was much more gentle than usual.

Chapter 745: Stop Mocking Us Single People

After they heard the confirmation from Lu Tingxiao, everyone was surprised.

That was really Lu Tingxiao's girlfriend! This man who sought no worldly desire...they had been discussing what kind of woman would be able to steal his heart.

A gentle one or a gorgeous one?

A generous one or a romantic one?

Or maybe a strong businesswoman similar to himself?

They had thought of countless possibilities but they did not expect...Lu Tingxiao to fall in love with a little bunny!

This fluffy cute little thing just stuck right beside Lu Tingxiao. They totally did not make a fitting match at all! But upon closer inspection, they noticed that when the girl was beside Lu Tingxiao, his cold aura was much warmer. When he looked at the girl, it was as if spring had arrived...

What a miracle!

"I actually lived long enough to see the woman who got her hands on Lu Tingxiao! This lady...is pretty unique!"

"You're right, I really can't believe that Lu Tingxiao likes this type!"

"This is so frustrating! I thought Lu Tingxiao would like someone who's on the same channel with him or at least someone who's mature. I've always tried to act cool in front of him! And...and...he likes some weak little bunny! This doesn't make sense!"

"What is Lu Tingxiao thinking? They don't look good together at all! It's obvious that she only knows how to act cute!"

"Nonsense! Lu Tingxiao is not a normal man!"

Ignoring the discussions, Mo Lingtian went up to the both of them with a stormy expression.

"Damn it! I thought you said that you weren't coming!"

"This was an accident."

Mo Lingtian's mouth twitched again. What a coincidence! Fate brought them together.

“I’ve always thought that no matter who betrays me, you’d be the last to do so! Lu Tingxiao, you’ve really disappointed me!” Mo Lingtian said in a hurt tone.

Ning Xi was speechless. Was he cursing Lu Tingxiao to be single forever? But for Lu Tingxiao to be the first among them to have a girlfriend must be really shocking to them...

“Since you’re here already, let’s have fun together!” Mo Lingtian invited gleefully.

Guan Ziyao went along as well. “It’s been some time since we rode. Want to race?”

“Yes, take up the challenge!” Mo Lingtian encouraged him.

Lu Tingxiao glanced at the girl in his arms. “You guys have fun. She can’t ride alone.”

Mo Lingtian was annoyed. “You’d better stop mocking us single people now...”

Guan Ziyao’s expression froze and she glared at the ignorant Ning Xi.

Ning Xi was crying inside. How could she not ride alone?! The devil was just worried that she would go wild and he was going to supervise her personally!

Chapter 746: Not A Simple Little Bunny

After Lu Tingxiao greeted his friends, he brought Ning Xi to select a horse of her choice. The owner was surprised that Lu Tingxiao would bring his girlfriend over. He quickly led them to the few superior horses he had.

“Mr. Lu, what do you think of this one? A purebred just imported from the British Royal Horse Barn!” the owner introduced his favorites to them passionately.

Wow! So cool!

Ning Xi’s eyes were glued to the midnight black dark horse.

Purebred horses from the United Kingdom were well known for their speed in short to medium length races. One of the horses in the stable was internationally recognized for its speed. The one introduced by the owner was the best of the best, nearly at competition level and even better than the one Guan Ziyao had selected.

Lu Tingxiao stayed silent while looking around. The owner asked Ning Xi, “Do you like it, Ms. Ning?”

Ning Xi nodded in enthusiasm. “Yes, yes! Lu Tingxiao, let’s get this one!”

It must feel great riding it! She could not wait anymore!

In the end, Lu Tingxiao set his eyes on a brown horse. “Get that horse over here.”

“Uh...that one...? Mr. Lu, are you sure?” The owner looked uncertainly at the brown horse which was much shorter than others.

The owner brought it over. Lu Tingxiao patted its head as the horse gently rubbed his hand.

Lu Tingxiao nodded confidently. “We’ll take this one.”

Ning Xi was dumbfounded. “Lu Tingxiao, isn’t this an American pony?”

Lu Tingxiao glanced at her and shrugged. “Why? What’s wrong?”

Ning Xi was on the verge of crying. Of course, there would be a problem! American ponies were exclusively for children!

Somewhere nearby, Guan Ziyao and Mo Lingtian were racing and as they saw Lu Tingxiao leading a little pony, Mo Lingtian accidentally fell off from his horse.

“Hahahaha...Lu Tingxiao! What horse did you pick!? This is too hilarious!”

Mo Lingtian had to stop the competition, holding one hand up as he just lay on the ground, laughing non-stop.

Guan Ziyao stopped and turned around on her tall purebred.

Looking at Mo Lingtian’s mocking and Guan Ziyao’s tall horse, she lowered her gaze to her short pony and almost cried. This was too much!

Lu Tingxiao’s heart softened when he saw the girl’s upset face and he pinched the area between his eyebrows. He went up to her and held her hand, walking towards Mo Lingtian’s cool, dark purebred.

After he helped Ning Xi up, Lu Tingxiao joined her, hugging her from behind. “Happy now?”

Her wish granted, Ning Xi patted the horse’s head. She was cheered up a lot and she turned around to kiss Lu Tingxiao.

Guan Ziyao did not look very happy seeing both of them acting this way.

Mo Lingtian was practically blinded by their public display of affection “Darn it, I have never expected Lu Tingxiao would act like this with a girl!”

Guan Ziyao said coldly, “She isn’t worthy of Lu Tingxiao.”

Mo Lingtian coughed lightly. “While that might be true, love isn’t about being worthy or not...is it?”

Although he had only met her a few times, he knew that she was not just a simple little bunny!

Chapter 747: You’re Pampering Her Too Much

“Keep going!” Guan Ziyao whipped the backside of Mo Lingtian’s horse.

After a lap, Guan Ziyao won by reaching the finishing line first.

Mo Lingtian looked dejected. “Hey, can’t you cut me some slack?”

Lu Xinyan welcomed her, looking at Guan Ziyao admirably. “Sis Ziyao, you’re amazing! How do you know so many things and how do you do better than most people? Even better than the men! The only extraordinary person I know aside from my cousin is you!”

Lu Xinyan then glanced distastefully at Ning Xi who was in Lu Tingxiao's arms. She wrinkled her nose, comparing the scene in front of her to a high-grade cabbage being hogged by a pig. "You should be the perfect partner for my cousin! I wonder if he's blind! I never thought he'd be as shallow as the other men! How could he be tricked by a woman like this?"

Guan Ziyao stayed silent after she heard Lu Xinyan's words, her expression turning frosty. The people around started whispering, apparently agreeing with Lu Xinyan's words. Lu Xinyan was Lu Tingxiao's cousin, so she could say all she wanted, but the others could only agree in silence without voicing their opinions.

The woman that Lu Tingxiao liked was terribly disappointing...

If he were to select a woman that was worthy of him, the woman would definitely be Guan Ziyao.

Guan Ziyao was childhood friends with Lu Tingxiao and Mo Lingtian. They had grown up together and their family were friends with each other. She was someone of Lu Tingxiao's calibre and many young talented men were fond of her.

However, she was only friendly towards Lu Tingxiao and Mo Lingtian. Her personality matched with that of Lu Tingxiao's; they were the proud perfectionists of their league.

When everyone thought she was going to be together with Lu Tingxiao, the unexpected had happened. Her family business had a change in direction, leading to them all migrating overseas seven years ago. After impressing everyone with her abilities and beauty, she just vanished.

Over these years, the Guan family's business got bigger and better and it was not unusual to hear about the legend of Guan Ziyao. With a Masters degree in Business and Administration at such a young age, her abilities were on par with Lu Tingxiao's.

Due to her parents' old age and them pining for their home, they decided to move back, so naturally, Guan Ziyao followed.

Everyone thought that with Guan Ziyao's return, Lu Tingxiao would be together with her soon.

Both of them were single and were at the ripe age of marriage. Not to mention, their personalities matched and they looked good together.

Some people even thought that Lu Tingxiao had stayed single just to wait for Guan Ziyao's return...

Who would have expected this plot twist? A little bunn had snatched Lu Tingxiao away!

Everyone's jaws dropped! Their relationship was such a sudden joke!

What was more surprising was that according to Mo Lingtian, she seemed to be a small celebrity!

After they were done riding, Lu Tingxiao helped Ning Xi get down. He did not let her walk. Instead, he held her in his arms until they reached the resting area to avoid her from falling when walking in the soft snow.

"Why can't you let her walk? You're pampering her too much!" Lu Xinyan complained.

Lu Tingxiao carefully put Ning Xi on a chair, then poured a glass of hot milk and blew over it to cool it down slightly before extending it to her. "Be careful, it's hot."

Lu Xinyan's expression darkened.

Chapter 748: I Love You, Like How The Fish Loves The Sea, Like How The Birds Love The Forest

Everyone else averted their gazes and coughed lightly.

What a rare sight! Lu Tingxiao had always been known for being cold and heartless, but that was only because he had not met anyone who could melt his heart before!

Their curiosity was piqued. What power did this little bunny possess that could have charmed Lu Tingxiao to this extent!?

Ning Xi realized that everyone was staring at her. She also felt a particularly cold gaze on her...

Ning Xi glanced at Guan Ziyao, then she asked Lu Tingxiao with her index finger to her chin in contemplation, "What's your relationship to Guan Ziyao?"

"Our family was close when we were little. We sort of grew up together," Lu Tingxiao answered honestly without hiding anything.

Ning Xi purposely drawled, "Oh...so the both of you are childhood friends?"

Lu Tingxiao nodded. "I guess."

Ning Xi pouted in anger. "Hey, Lu Tingxiao! I'm being jealous right now, can't you tell? Why aren't you saying anything else!?"

Lu Tingxiao was surprised. "You're...jealous?"

"Of course! Your friends and your little cousin, they all think that Guan Ziyao is a better match for you. They feel that you're like an exotic flower being paired with bullsh*t like me!" Ning Xi grumbled.

She had forgotten but now she remembered who exactly Guan Ziyao was.

The Guans and the Lus were considered prestigious families in Imperial, but due to some issues with their business, the Guans had to focus on the overseas market. Nevertheless, their development was growing steadily.

Every rumor about Guan Ziyao revolved around her beauty and talents; all her ratings were extremely positive. She did match Lu Tingxiao well.

Lu Tingxiao was taken in by Ning Xi's jealousy and he looked her in the eye with an amused expression. "How could you say that? To me, you're the sea, you're the forest."

Ning Xi tilted her head sideways in confusion. "Why?"

Lu Tingxiao looked at her like she was the star in the skies, he told her quietly, "I love you, like how the fish loves the sea, like how the birds love the forest. There's no use escaping, it's unavoidable."

At that moment, an impressive display of fireworks went off in Ning Xi's mind...

His flirtatious words...were simply tugging on her heart strings!

Suddenly, there was a loud crash as Guan Ziyao's teacup fell on the floor.

Lu Xinyan quickly asked, "What's wrong, Sis Ziyao?"

Guan Ziyao's face went pale and she shook her head. "It's nothing."

The others could not hear what Lu Tingxiao and Ning Xi were saying at that distance. But she could read lips and she had been looking at them.

Like how the fish loves the sea, like how the birds love the forest. Lu Tingxiao had actually said such lines to a woman...

Mo Lingtian did not realize what had happened, so he went up to Lu Tingxiao and Ning Xi after some rest. "Hey, Lu Tingxiao, we are about to go to the shooting range. Are you joining us?"

Shooting! Guns! Guns!!!

Ning Xi's eyes were shining like a 500 watt light bulb. She could not ride because her leg was injured! But for shooting, she only needed her hands!

"Alright, I know. I shouldn't have asked you!" Mo Lingtian turned to Ning Xi to ask, "Little bunny, do you want to go?"

Ning Xi nodded her head like a woodpecker making a hole in a tree as she pulled on Lu Tingxiao's sleeves. "My dear Master, may I please go?"

"Yes."

Chapter 749: Little Bunny, You Know How Too?

After they reached there, Ning Xi was surprised. She did not expect the shooting range to be that big. It was about 1500 square feet and there were two standard multipurpose shooting ranges, each of them equipped with nine professionally designed targets. Plus, their collection of guns was incredibly complete.

There was even a weapon exhibition on display with a myriad of handguns, rifles, machine guns, and more. Some soldiers also went there often for target practice.

Ning Xi was just looking everywhere but in front of her. Had it not been for Lu Tingxiao leading her, she would have already crashed into a pole.

Lu Tingxiao's cousin was right when she said he pampered Ning Xi too much. She always left her brain at home whenever she went out with Lu Tingxiao. In fact, she would just follow Lu Tingxiao's every step.

As they reached the shooting range, Mo Lingtian picked out a gun of his choice, intent on revenge. "Ziyao, let's do another round of contest again! I lost at horse riding but I'll get back at you in shooting!"

"Count me in!"

"Me too!"

...

Mo Lingtian's bunch of friends were balanced in terms of gender. While the guys were had a strong interest in firearms, the girls were not completely clueless about them either. There were only two of them who were asking around for advice on which gun to choose.

They soon finished selecting their guns, then they put on their protective glasses and earmuffs, ready to start shooting.

Bang bang bang! Shots were fired and each of their scores appeared on the tally counter. The maximum points one could achieve was 10 points and the counter would calculate up to one decimal place.

Most people get around 8 points while the experienced guys got about 9.

Lu Xinyan got a 9.2 and she was really happy. "I actually got above 9! How lucky!"

As she turned around, she gaped at Mo Lingtian's and Guan Ziyao's scores. They both got the same score of 9.9 points. What a remarkable achievement!

"Wow! Bro Tian, Sis Ziyao, you both are so good at this!"

Finally, the scores for their set of three attempts were out. Mo Lingtian came in at 9.9, 9.7, and 9.8 while Guan Ziyao got two 9.9's and one 9.7. She had beaten Mo Lingtian by a mere 0.1 point difference.

Of course, Guan Ziyao's score was the highest among everyone's. Some of them were thoroughly impressed.

"As expected of her! Marvelous!"

"Ziyao, you're really making us men feel ashamed!"

Mo Lingtian complained, "Damn! I lost again! This doesn't count, let's do it again!"

Everyone was laughing, "Hahaha! Mo Lingtian, stop struggling! Among us probably only Lu Tingxiao has a chance at beating Ziyao!"

Mo Lingtian turned to Lu Tingxiao and exclaimed, "Lu Tingxiao! What are you doing? Join us!"

But...

The bunny ears on Ning Xi's boots fell off, so Lu Tingxiao squatted down on the floor and helped to fix them for her...

Mo Lingtian's mouth twitched as he saw this lovey-dovey scene.

Ning Xi heard them inviting Lu Tingxiao, so she looked at him in surprise. "Boss, are you good at shooting? Come, let's see who's better!"

She then grabbed Lu Tingxiao excitedly.

"Hey, little bunny, you know how to shoot too?" Mo Lingtian asked in surprise.

Ning Xi answered him boldly, "Of course! I'm good at it!"

Bang! She took aim and shot the target board.

After a moment, the counter displayed her score: 6.3 points...

How...great...

Chapter 750: Boss, You're So Sharp!

Looking at the horrible score, Ning Xi was stunned. "My outfit must've affected my performance today!"

Mo Lingtian laughed, then comforted her, "That's pretty good, at least you hit the target!"

Lu Tingxiao patted her head and tried his hand at shooting as well, scoring 6.2 points. Just slightly lower than Ning Xi's.

Mo Lingtian patted Lu Tingxiao's shoulder and sighed, "Brother! I'm impressed! This is probably the toughest score you've hit in your lifetime!"

Lu Tingxiao got a 6.2...which was even more surprising than a 10 pointer...

Ning Xi ignored Mo Lingtian's teasing as she happily went up to Lu Tingxiao to gush, "Boss, you're so sharp!"

As Lu Tingxiao was about to say something, his phone rang. It was a call from home.

Any sign of expression was wiped off his face as he turned to Ning Xi. "You can play on your own first, I'll go and pick up a call."

He then signaled to Mo Lingtian, asking him to take care of Ning Xi.

Mo Lingtian gave him a shooing gesture. "Just go and pick up your phone call quickly! Go!"

The moment Lu Tingxiao left, the people who were wary of him suddenly spoke in much louder voices.

"That's hilarious! Even the girl who didn't know anything within our group got a 7 and Lu Tingxiao's girl dares to claim that she's good at it?" Lu Xinyan said scornfully.

Another girl shrugged. "Maybe it's already good enough for her! At least she hit the target! I'm quite surprised that she didn't miss!"

Why would Lu Tingxiao be with such a useless woman? I'm really curious! Someone go and ask him!"

"I'm not going to! I'm just being polite because of Lu Tingxiao but I refuse to be friendly with her!"

...

Ning Xi calmly wiped her gun while listening to their discussion. These people were from the wealthy circle of Imperial. They were either the heirs of a wealthy organization or the prince or

princesses of some high-ranking government officials. They were just being fairly nice to Ning Xi because of Lu Tingxiao.

At that moment, someone told Guan Ziyao, “Ziyao, you and Mo Lingtian are closer to Bro Xiao. Why don’t you try to talk to him and tell him not to be fooled by a woman like her!”

“He will eventually find out himself,” Guan Ziyao replied.

“That’d be too late. The moment he finds out, he would’ve been deceived!”

As Lu Xinyan listened to them, her face turned bright red. She felt embarrassed and could not accept the fact that her perfect cousin was being fooled by this woman...

Boiling with anger, Lu Xinyan could not hold it in anymore. She walked up to Ning Xi and demanded, “I don’t care what did you do to be with my cousin! Tell me what it takes in order for you to leave him!”

Mo Lingtian quickly stood in between them and tried to defuse the situation. “Hey, what are you doing? We’re here to have some fun! Stop making a fuss!”

“I’m not making a fuss! Seriously, how is this woman worthy of my cousin?”

As Mo Lingtian was trying to convince Lu Xinyan to calm down, Ning Xi curled her fingers around the gun in her hand and blinked innocently. “Leaving your cousin? It’s easy! You just have to defeat me!”
