'Y/N : "Oh God!!! Jungkook can you hear me

Oh God! what should I do?"'

'I picked his head up and placed it on my lap.'

'I started panicking. I pressed his wound with my hands and he was just groaning in pain.'

"Let me call the Ambulance just wait"

'As I pulled out my phone from the pocket of my jeans

Jungkook held my hand.'

'Jungkook : "N.....No don...don't call the Am....Ambulance"

'Y/N : "Are you mad how can I leave you like that?"'

'Jungkook : "Ca....call the first number in my co...contact and tell him every....everything."'

'Y/N : "Okay

'I stared finding his phone in his pockets and got it. My one hand was pressing his wound and other on the phone.'

'Y/N : "What's your password?"'

'Jungkook didn't said anything for some time and then'

'Jungkook : "It....it's Your Na....name"'

'I was caught off guards but it was not time to think about this. I putted my name and the lock opened. I called the 1st contact by Horse.'

'Horse : "Hello

'Horse : "O...OK relax just tell me where are you?"'

'I told him where I was and he hung up the call.'

'I didn't even realise that tears started dripping from my eyes.'

'Jungkook : "Re...Relax I won't d...die"'

'Y/N : "Shut up don't talk. It will hurt you"'

'Jungkook : "No it wo....won't coz It's you"'

'Y/N : "I guess the infection of this wound is getting in your head"'

'He chuckles a bit.'

'Then a car came and stops in front of the alley a man comes to us.'

'He came and picked Jungkook up.'

'Doc : "He is fine just need some rest. Just make sure he doesn't move till he gets healed"'

'Y/N : "Oh OK sorry

'Hoseok : "Its ok

'And he left.'

'I went to my room where Jungkook was.'

'I looked at him and he was sleeping peacefully so I just went outside and sat on sofa I don't know when I drifted to sleep.'

'*Next Morning*'

'I woke up with a sound of glass breaking. As I heard it I ran towards my room and saw Jungkook trying to pick up the jar of water.'

'Y/N : "Hey!! Stop if you need something you can call me. No need to do it yourself or you'll get hurt"

'~Jungkook's POV~'

'She went outside and came back with a glass of water.'

'Y/N : "Here"

'I took the glass and drink it. She looks cute even this early in the morning.'

'Then she started pressing her shoulder. I think she slept on the sofa.'

'After some minutes of silence.'

'Jungkook : "I want to take a bath"'

'Y/N : "OK"'

'Jungkook : "And I need help"'

'He looked at me.'

'Y/N : "What??"'
