'Mr.Jeon : "Now tell me who are you young lady?"'

'Jungkook : "Oh Dad she is...she is my new maid"'

'Y/N : "Maid?"'

'Mr.Jeon looked at me.'

""Yes Maid I am Jungk....Mr.Jeon Jungkook's new maid.""

'Mr.Jeon : "What is she doing here?"'

'Jungkook : "I was telling her what medicines I take at what time."'

'Mr.Jeon : "OK now I need to talk to you for a second."'

'Jungkook : "Yes Dad"'

'Hoseok : "You didn't said Yes did you?"'

'I nodded my head.'

"ARE YOU....."

'He took a deep breath.'

"See I don't know why you want your life to be in danger. I told you that if you do anything like that his Dad will kill you."

'Y/N : "Do you know Jungkook has been given wrong medicines?"'

'Hoseok : "What??"'

'Y/N : "Jungkook is taking medicines which is blocking a part of his brain. That is why he do not remember anything and maybe that is why he has collapsed."'

'Hoseok : "OMG! I didn't knew this. Now what?"'

'Y/N : "We just have to stop giving him that medicine. I think that would be enough."'

'Hoseok nodded his head.'

'Hoseok : "But does Jungkook's Dad know you?"'

'Y/N : "Nope! he thinks I am Jungkook's maid."'

'Hoseok : "Maid???"

'Y/N : "Its a long story

'It was same medicine and some normal medicines like pain reliefs and stuff.'

'Y/N : "I am so not buying these."

'I went upstairs to see Jungkook. He was sleeping soundly.'

"Damn!! he looks really handsome and peaceful while sleeping."

'I went near his bed and sat beside him.'

'Y/N : "I hope you get well soon"'

'Then I remembered something.'

'As I looked up at his face

He was already looking at me but this time his gaze was very soft and gentle.'

'His words made me feel butterflies in my stomach and I was scared of my heart beating this fast.'

"God!! what the hell is he saying?"

'Jungkook : "You don't have fever do you?"'

'Then he smirked. He was teasing me.'

'We were so close that I was not even able to say anything. I was just looking into his eyes and he did same.'

'*Jungkook POV*'

'I don't know why but I just want to keep you close to me like this and just want to stare into your eyes. Its like her eyes talks to me and wants to tell me something.'

'Suddenly I had a weird vision almost like Déjà Vu but it felt strangely real. It was like this has happened earlier then I had a strong pain in my head and everything started spinning.'

'Y/N : "Jungkook!! what happened???"

'Y/N : "Ya I just needed my clothes and some other things. Its not like I am going to live with you forever."'

'Jungkook : "Hmmm"'

'Why is he looking sad all of a sudden.'

'We came outside

I locked the door and put the keys in my bag.'

'Jungkook : "Why grocery? Maid will do all that."'

'Y/N : "She went on a leave for a week."'

'Jungkook : "Who permitted her leave?"'

'Jungkook : "What? I didn't wanted them to feel embarrassed or bad."'

'Y/N : "Ya right"'

'Finally we came back at his house. I don't know why but it was fun going out with him.

me feel happy.'

'*Jungkook P.O.V*'

'Being with Y/N just makes me feel comfortable and I want to spend more time with her.

'Yoongi : "That's why we thought we should call you.....he'll only listen to you."'

'Y/N : "Okay.....I'll go and talk to him."'

'Yoongi Oppa and Dahyun nodded.'

'I looked back at Jungkook.'

'Y/N : "Jungkook Thank you for driving me here. You should go home now and take rest."'

'Jungkook nodded his head.'

'I went upstairs in Tae's room.'

'*Jungkook's POV*'

'I saw Y/N going upstairs.'

'Dahyun : "I hope Tae feels better after talking to her as she is the only one who can comfort him. I didn't expect this from Rosé."'

'Yoongi : "Ya...but I guess everything happens for a reason."'

'Dahyun : "What do you mean?"'

'Yoongi : "Honestly I always wanted Tae and Y/N to be together and I feel destiny also wants that."'

'Dahyun : "I also loved when they were together. They really are made for each other."'

'What?? Y/N dated this guy? Then why did they break up? From Y/N's behavior it seems like they are on good terms.'

'I was about to leave when'

'Dahyun : "Hey Jungkook!!"'

'I turn around.'

'Dahyun : "We have met after so long and you are still ignoring us."'

'Met after so long?? but I don't know her. Anyway I decided to just play along.'

'Y/N : "Oh god!!!"'

'I looked at Tae and we both burst in laughter.'

'Y/N : "Let's go to the garden."'

'Tae : "Okay"'

'We went to his garden and sat there on the swing. I didn't know how to start the conversation but I did.'

'Y/N : "I am sorry."

'Tae : "Why?"

'Y/N : "I was the one who chose Rosé for you."

'Tae : "No it was my fault too."

'Y/N : "Well...if you are okay you can share it with me."

'Tae told me everything from the start till the end. Rosé never loved him

she just used Tae to go to Paris and she ran with her boyfriend leaving a note behind saying that she never loved Tae and just used him coz Namjoon Oppa didn't allow her relationship with that guy.'

'The worst thing is that Namjoon Oppa never told me anything bout this but I feel guilty coz Tae asked me bout Rosé and by just knowing that she is Namjoon Oppa's sister I said yes. I should've been more vigilant.'

'Y/N : "I am sorry Tae. I was the one who rushed everything."

'Tae : "Are you mad? I know you would never think bad for me."

'Then we talked and I lost the track of time.'

'Suddenly I got a message. It is Hoseok.'

'~ Have you bought Jungkook's medicines? or I can buy them as I came to medical store for some work. ~'

'Oh s**t I totally forgot about Jungkook. How can I be so careless? He was not well the whole day and I totally forgot about him.'

'Hoseok : "Huh? Are you drunk?"'

'Jungkook : "No its not like that. Okay I'll talk to you later bye!"'

'and he hung up.'

'Hoseok : "He is so weird. Why did he made me do that?...forget it let's just eat this tasty Japchae. Yum!!! it looks tasty."'

FORBIDDEN LOVE IS SWEETEST. - 35 LIKING YOU.

'*Y/N POV*'

'I rushed outside and called an uber.'

'I was on my way thinking how dumb I am to leave Jungkook alone that too knowing that he is not well. I called Jungkook but he didn't answered.'

'I reached home and quickly ran upstairs towards Jungkook's room.'

'*Jungkook POV*'

'I got a call from Y/N. I totally expected it but I didn't answer.'

'Jungkook : "She must be on her way."'

'I was looking outside the window to see if Y/N has reached home yet. I placed hot pack on my head just to make it look like I was having a fever. Suddenly I saw a car stopping

near the gate and Y/N getting out of it. I quickly removed the hot pack and placed it under my bed. I laid down on the bed and closed my eyes.'

'Then I heard the door of my room opening.'

'*Y/N POV*'

'I opened the door of Jungkook's room and saw him sleeping.'

"Thank god he is just sleeping' I got near him and touched his forehead.'

'Y/N : "Oh god! he is burning with fever."'

'I felt so bad and mad at myself.'

'Y/N : "I am so mad. Why did I leave you alone? even knowing that you are not well."'

'I saw Jungkook opening his eyes.'

'Jungkook : "Oh! you are back."'

'He was trying to get up.'

'Y/N : "No keep lying down. I just came but why didn't you tell me that you were not feeling well?"'

'Jungkook : "I thought you were with your friend and it would not be good to disturb you like that."'

'Y/N : "Are you mad for me you are the most important.....I mean

I am doctor and taking care of your health is most important for me. Now tell me did you eat anything?"

'Jungkook shook his head.'

'Y/N (sigh) : "Let me make you something to eat. I'll be right back."'

'I left the room and went to kitchen to prepare something to eat.'

'*Jungkook's POV*'

'I picked up my phone and called someone.'

'Jungkook : "Did you do the dishes?"'

'?? : "Yes sir!"'

'Jungkook : "What about leftovers?"'

'?? : "I threw them out of the house sir."'

'Jungkook : "Okay good"'

'and I hung up the call.'

'I am behaving like a mad person

I know the truth is that I don't know what Y/N is hiding from me but I got jealous when Dahyun and that Yoongi guy said that Y/N and that Taehyung were close to each other. I think I have started liking her and I feel that there is a past between us that I don't remember but I will defiantly find it out.'

'After like 20 minutes Y/N came in with food.'

'Y/N : "Jungkook eat something first then you have to take medicine."'

'Jungkook : "Can I take your phone for a second? I need to make a call and my phone is not working."'

'Y/N : "Ya sure!!"'

'She took out her phone and gave it to me.'

'Y/N : "Here!"'

'I took the phone.'

'Jungkook : "Thanks!"'

'I started coughing.'

'She took the glass from his table but it was empty.'

'Y/N : "Oh! wait I'll get you some water."'

'She rushed to the kitchen.'

'As she left I opened her phones back and placed a chip inside which will connect my phone with hers which means I can see all her conversions

pictures and stuff.'

'Jungkook : "I am sorry Y/N but I have to do it."'

'I quickly fixed her phone back and dialed my 2nd number from her phone which she doesn't have just to make her think that I really called someone.'

'*Y/N POV*'

'I took water from kitchen and gave it to Jungkook.'

'Y/N : "Are you okay now???"

'Jungkook : "Ya I am good."'

'Then Jungkook started eating.'

'As he finished eating I took the dishes and got them to kitchen and started washing them. As I was washing them I felt someone holding my waist out of shock I turned around and saw Jungkook.'

'Y/N : "Oh god!! you scared me!"

'We were standing very close to each other.'

'Y/N : "W.....Why have you came here? D.....Do you need anything?"

'Jungkook : "No I just felt bored in my room so I came here."'

'He then tightened his grip on my waist and pulled me closer.'

"What the hell is he doing?"

'My heart was beating like so fast like a sledgehammer and He was looking so hot with is messy hair that I was getting super nervous.'

'Y/N : "Jungkook...."'

'He suddenly slammed his lips on mine and Kissed me.'
