'How does he always know what I do?'

'Maid : "Mam Mr.Kim Taehyung is here."

'Y/N : "Tae? Okay I am coming downstairs."

'Tae : "Okay I have completed my task. I'll be leaving."

'Y/N : "Tae..."'

'He left without saying anything.'

'\*Taehyung's POV\*'

'Y/N : "Tae...."'

'I rushed inside the car as I couldn't fake a smile anymore. Its not like I am not happy for her

I really want her to be happy and I wish Jungkook and Y/N all the best but the truth also is that I still somewhere in my heart can't forget Y/N.'

'I still remember Yoongi said that someone else will take her away from me if I don't make a move and I will regret....Who knew he was a soothsayer.'

'Taehyung : "Taehyung it is all your fault man. You really don't deserve Y/N moreover now she is happy with someone else and I think Jungkook is the one for her...I need to move on."'

'\*Y/N's POV\*'

'It has been years since I came in this area but it use to be a very lively place Why is no one here?'

'As I reached towards the gate of the park I saw a chit lying on the ground with a small stone on it. I picked it up and opened it'

'~How can a person be this nice and sweet? - This was the first thing that came to my mind when we had our first conversation in the class~'

'Y/N : "Huh?"'

'I looked around but no one was there.'

'Y/N : "Is this for me?"'

'As I moved ahead there was another chit after some steps.'

'~When you laughed at me coz I hit the wall while I was not looking ahead I thought - How can she look this pretty and innocent while laughing?~'

'Then I realised that it really was Jungkook.'

'I chuckled remembering all that.'

'After few steps again a chit.'

'~The way you always stood for me and supported me without knowing my truth

I always thought that Why is she so naive? Why do I feel that I want to protect her from others.~'

'I never knew Jungkook thought of me like that.'

'NEXT'

'~When you got drunk and asked me to promise you that I will never leave you alone that was the time when I realised that I have fallen for you.~'

'NEXT'

'~When I met you after losing my memory trust me I knew I had a strong connection with you. You always lied to me but your eyes always spoke the truth. I am sorry for not remembering you and hurting you knowing or unknowingly

I am really very sorry.~'

'You don't have to be sorry.'

'I reached at the Golden fountain no one was there and again saw a chit as I opened it it was blank.'

'Y/N : "Huh?.....there is nothi...."'

'Then I saw Jungkook coming from behind the fountain.'

'Jungkook : "I feel in love with you twice that is why I know that you are the one that God has sent for me and that We are meant to be together forever."'

'He came near me and held my face with his hands.'

'Jungkook : "Do you know what am I thinking right now?"'

'I shook my head.'

'Jungkook got on his knees. My heart was beating fast like crazy and there was butterflies in my stomach.'

'Jungkook : "You're the first person I wanna look at when I wake up in the morning and the only one I wanna kiss goodnight till I die. Will you marry me Miss.Y/N?"'

'Tears started forming in my eye but this time it was tears of happiness.'

'I nodded my head.'

'Y/N : "Yes!"'

'Jungkook stood up and held my hands.'

'Jungkook : "Remember the day when I asked you to meet me right here?"'

'I nodded my head.'

'Jungkook : "That day I wanted to confess my feelings to you but the same day I had that accident. That is why I was not able to come here."''

'Jungkook sighed.'

'Jungkook : "Thank you for coming in my life and making it so special."''

'Y/N : "Thank you too for everything."''

'Jungkook : "I Love you Y/N....."''

'Y/N : "I Love you too Jungkook...."''

'Jungkook kissed me and trust me it was the most wonderful moment of my life. I hope time would stop and I can just stay in this moment.'

'Jungkook : "Nooooo!! I am very sleepy."'

'Y/N : "You will catch cold."'

'Jungkook : "I'll be fine

'A smiled formed on my face.'

'Y/N : "Good night...."'

'\*Next Morning\*'

'I woke up and as I opened my eyes Jungkook was not beside me.'

'Y/N : "Where did he go?"'

'I got out of bed and went to washroom did my morning routine. I went downstairs.'

'Maid : "Good morning mam!"'

'I smiled.'

'Y/N : "Good morning! where is Jungkook?"'

'Maid : "He left early in the morning and left something for you on the dining table."'

'Y/N : "What is it?"'

'Maid : "I don't know."'

'I went towards dining table there was a box there and as I opened it there was a letter in it with a beautiful white dress.'

'\*NOTE\*'

'~WEAR THIS TODAY AND COME TO THE GOLDEN FOUNTAIN AT THE PARK NEAR YOUR OLD WORKING PLACE.'

'JUNGKOOK ~'

'Y/N : "Near my old working place...which old..."'

'Then it hit me.'

'Y/N : "Oh my god!! How did Jungkook got to know about that golden fountain??.....No Way!!"'

'Y/N : "No way!!....Did he really regain his memories?"'

'My eyes were filled with tears coz I was very happy for Jungkook.'

'I got a message and it was from Jungkook.'

'Jungkook : Don't be very emotional. Save it for later when we meet. Now be quick and reach there.'

'How does he always know what I do?'

'I picked up the dress and went to my room. I wore the dress'

did my hair nicely and was about to go downstairs when our Maid came.'

'Maid : "Mam Mr.Kim Taehyung is here."'

'Y/N : "Tae? Okay I am coming downstairs."'

'I went downstairs and saw Tae sitting on the sofa.'

'Tae : "Hey!"'

'Y/N : "Hi Tae."'

'Tae looked at me from top to bottom and said'

'Tae: "You look really gorgeous."'

'I smiled.'

'Y/N : "Thank you so much."'

'Tae : "Okay now let's go."'

'Y/N : "Go where?"'

'Tae : "To Jungkook."'

'Y/N : "Huh? What all is happening? You are also involved in Jungkook's plan?"'

'Tae : "Not only me."'

'Y/N : "What?"'

'Tae : "You will get to know everything later but for now let's just go fast."'

'Y/N : "But...Okay fine let's go."'

'Tae drove me to the park. He didn't tell me anything the whole ride and as I got out of the car I saw no one around.'

'Tae : "Okay I have completed my task. I'll be leaving."'

'Y/N : "Tae..."'

'He left without saying anything.'

'\*Taehyung's POV\*'

'Y/N : "Tae..."'

'I rushed inside the car as I couldn't fake a smile anymore. Its not like I am not happy for her

I really want her to be happy and I wish Jungkook and Y/N all the best but the truth also is that I still somewhere in my heart can't forget Y/N.'

'I still remember Yoongi said that someone else will take her away from me if I don't make a move and I will regret....Who knew he was a soothsayer.'

'Taehyung : "Taehyung it is all your fault man. You really don't deserve Y/N moreover now she is happy with someone else and I think Jungkook is the one for her...I need to move on."'

'\*Y/N's POV\*'

'It has been years since I came in this area but it use to be a very lively place Why is no one here?'

'As I reached towards the gate of the park I saw a chit lying on the ground with a small stone on it. I picked it up and opened it'

'~How can a person be this nice and sweet? - This was the first thing that came to my mind when we had our first conversation in the class~'

'Y/N : "Huh?"'

'I looked around but no one was there.'

'Y/N : "Is this for me?"'

'As I moved ahead there was another chit after some steps.'

'~When you laughed at me coz I hit the wall while I was not looking ahead I thought - How can she look this pretty and innocent while laughing?~'

'Then I realised that it really was Jungkook.'

'I chuckled remembering all that.'

'After few steps again a chit.'

'~The way you always stood for me and supported me without knowing my truth

I always thought that Why is she so naive? Why do I feel that I want to protect her from others.~'

'I never knew Jungkook thought of me like that.'

'NEXT'

'~When you got drunk and asked me to promise you that I will never leave you alone that was the time when I realised that I have fallen for you.~'

'NEXT'

'~When I met you after losing my memory trust me I knew I had a strong connection with you. You always lied to me but your eyes always spoke the truth. I am sorry for not remembering you and hurting you knowing or unknowingly

I am really very sorry.~'

'You don't have to be sorry.'

'I reached at the Golden fountain no one was there and again saw a chit as I opened it it was blank.'

'Y/N : "Huh?.....there is nothi...."'

'Then I saw Jungkook coming from behind the fountain.'

'Jungkook : "I feel in love with you twice that is why I know that you are the one that God has sent for me and that We are meant to be together forever."'

'He came near me and held my face with his hands.'

'Jungkook : "Do you know what am I thinking right now?"'

'I shook my head.'

'Jungkook got on his knees. My heart was beating fast like crazy and there was butterflies in my stomach.'

'Jungkook : "You're the first person I wanna look at when I wake up in the morning and the only one I wanna kiss goodnight till I die. Will you marry me Miss.Y/N?"'

'Tears started forming in my eye but this time it was tears of happiness.'

'I nodded my head.'

'Y/N : "Yes!"

'Jungkook stood up and held my hands.'

'Jungkook : "Remember the day when I asked you to meet me right here?"

'I nodded my head.'

'Jungkook : "That day I wanted to confess my feelings to you but the same day I had that accident. That is why I was not able to come here."

'Jungkook sighed.'

'Jungkook : "Thank you for coming in my life and making it so special."

'Y/N : "Thank you too for everything."

'Jungkook : "I Love you Y/N....."

'Y/N : "I Love you too Jungkook...."

'Jungkook kissed me and trust me it was the most wonderful moment of my life. I hope time would stop and I can just stay in this moment.'
