

## Foolish Son-in-law Chapter 13-14

### Chapter 13

As the boss of a media company, although he cannot interfere too much with his subordinates' private lives, he must still ask about things that have an impact on the company.

Yesterday's video made Murong Xue see hope in Su Xiaoqiao and was ready to invest big money in packaging her.

However, once she had a golden master and was adopted by him, it was likely that her career would be affected in the future.

"Mr. Mu, I really don't know who is promoting me." Su Xiaoqiao explained once more.

Next, she repeated what she had said to Zhao Fang to Murong Xue.

"If it's not someone you're looking for, then there's a good chance that a golden master has taken a fancy to you."

To casually spend a few million to stick a woman that she didn't know from the past was definitely a big golden master.

"Su Xiaoqiao, some words may not be nice to hear, but I'll say them anyway." Murong Xue organized the language, which continued: "For men, a woman with her own career is the most attractive; a woman with her own career is not afraid of anything, is an evergreen tree. Men can't be relied on, one moment they treat women like canaries, the next moment they may get tired of playing with them and kick them away. Do you understand what I mean?"

"Mr. Mu, I understand." Su Xiaoqiao nodded and said seriously, "I will try to become a strong woman like Mr. Mu."

"Good luck, you go out first!" Murong Xue nodded her head.

Su Xiaoqiao turned around and left the office.

Ye Xing stood up and said, "Wife, I'll go and help Xiao Qiao take pictures."

Murong Xue was going to refuse, after all, he was her husband, and it was not decent to be with a girl.

But she was afraid that he would be unhappy, and was considering what to say when Ye Xing had already run out.

Forget it, he didn't even react to sleeping together with himself, what could happen with Su Xiaoqiao.

Thinking of this, Murong Xue was relieved.

It was better that he was busy with something, he would not pester himself and could let himself work at ease.

Ye Xing walked out of the office, Su Xiao Qiao walked in front of him in a daze, seemingly not yet recovered from the shock.

Alas, I overplayed my hand and scared the girl.

I should have known better and taken it one step at a time.

"Xiao Qiao." He chased after her.

"Are you looking for me?" Su Xiaoqiao asked with a pause.

"You haven't thanked me yet!" Ye Xing said cheekily.

"Ye Xing, thank you."

Su Xiaoqiao's mind moved and her gaze fell on Ye Xing, sizing him up.

Yesterday, when Ye Xing helped her with the shoot, he said that she would definitely be a hit all over the internet.

As a result, it was really hot all over the internet.

That golden master couldn't be him, right?

"No thanks much, helping people is the essence of happiness." Ye Xing giggled.

Looking at this silly look of his, Su Xiao Qiao immediately left such thoughts behind.

Who was Murong Xue, the famous and beautiful president of Huaijiang, if her husband was a normal person, did she need to suffer so much?

Almost everyone in Huaijiang knew that the Murong family's son-in-law, Ye Xing, was a fool, and that he was the outcast of the Ye family.

How could it be false!

"All in all, I want to thank you."

Ye Xing looked silly, but his eyes were clear and child-like.

It was only in front of him that Su Xiaoqiao relaxed herself without any pressure.

“How do you want to thank me?” Ye Xing asked.

“How do you want me to thank you?” Su Xiaoqiao asked in return.

“I want to eat pizza.”

“To take you out to eat, you have to get permission from Mr. Mu.” Su Xiaoqiao was a little worried.

“You wait, I’ll go talk to my wife.” Ye Xing ran back to the office.

After a long time of grinding, Murong Xue finally couldn’t survive and agreed.

.....

Downstairs walkway.

Xia Hong looked around at no one, took out her mobile phone and dialed out.

A few moments later, the call went through.

“Young Wang, it’s me.” Xia Hong whispered.

“Xia Hong, I was looking for you, how come Su Xiao Qiao has suddenly exploded all over the internet?”

Wang Shao, named Wang Duojin, was a rich second generation in Huaijiang who had been salivating over the innocent Su Xiaoqiao for a long time.

He wanted to take advantage of Su Xiaoqiao’s mother’s hospitalization and lack of money to rob her and sleep with her.

But he didn’t know that Su Xiao Qiao didn’t like it at all and didn’t agree at all.

After seeing that video of Su Xiaoqiao last night, his heart melted and he couldn’t wait to have this woman right away.

But he knew very well that the hotter Su Xiaoqiao was, the more men would be eyeing her, and it would be even harder to get her.

So, now he was anxious.

“There’s a gold owner who has taken a fancy to Su Xiaoqiao and is promoting her all over the internet.”

“There are so many stupid fools, spending big millions, what woman can’t you sleep with.” Wang Duojin cursed up.

He also had several million, but, he felt that it was not worth spending on Su Xiaoqiao.

“Wang Shao, let me tell you, Su Xiaoqiao still doesn’t know who the golden master is who is holding her up, if you can .....

Xia Hong muttered in a low voice into the microphone.

“Xia Hong, thank you so much, if I get Su Xiaoqiao in my hands, I won’t forget your benefits.”

Wang Duojin laughed loudly and hung up the phone in a hurry.

Xia Hong hung up the phone and laughed coldly.

“Su Xiaoqiao, you make me unable to lift up in the company, that fool I can’t get, you’re still a bit young, I’ll watch how you lose your reputation.”

The matter of being scared by Ye Xing to the point of pissing herself, Xia Hong had always held a grudge, for Su Xiao Qiao, she hated her to the core.

Now that Su Xiao Qiao was on fire and could potentially threaten her position, she hated the other party even more and wanted her reputation to be ruined.

.....

At noon, Su Xiao Qiao and Ye Xing left the company one after the other and met outside.

Although the two of them were squared away, it was still a bit inconvenient to be seen eating together, and people’s words can be fearful.

There was a Jiale’s across the road from the company, and the two went upstairs and found a seat.

“Ye Xing, what do you want to eat?” Su Xiaoqiao asked in a whisper as she quietly looked at her purse.

Ye Xing knew that her mother was in dire need of money for an operation and must not have much money on her, so she ordered the cheapest pizza.

Nowadays, it was so rare to find a girl as simple, beautiful, kind and caring as Su Xiao Qiao.

Before coming out to eat, Ye Xing had already transferred one million to the hospital to help her mother with the operation fee.

Su Xiaoqiao looked at Ye Xing and ordered a meal, sighed in relief, and then ordered one exactly like Ye Xing.

When the two were added up, there was still enough money inside her wallet.

“Waiter, place the order.” Su Xiaoqiao shouted.

Soon, the pizza came up.

Ye Xing rubbed his hands and used them to grab it.

The pizza was very hot and he screamed oh so much in pain.

Su Xiao Qiao puffed out a laugh.

“No one is grabbing it from you, don’t rush.”

In an instant, the spring flowers worked and the ice melted!

Although Su Xiao Qiao’s looks were not as good as Murong Xue’s, she had that unique, girl-next-door aura that Murong Xue did not have.

Staying with her, Ye Xing felt much younger as a whole.

What a nice girl, I don’t know which turtle bastard she will be cheaper for in the future, Ye Xing sighed secretly.

“Xiao Qiao, you look better when you smile than when you cry.” Ye Xing said.

“Nonsense, who would look better crying than laughing.” Su Xiao Qiao was also speechless.

This kind of words, only a fool could say it.

“After we finish eating, I’ll shoot a video for you, laughing, it will definitely be on fire all over the internet.”

Ye Xing rubbed his hands together and grabbed the pizza with his hands again to eat it.

“Don’t use your hands, there’s a knife and fork!” Su Xiaoqiao reminded.

“Su Xiaoqiao, why are you eating out with a fool, it’s too degrading, isn’t it?”

Suddenly, a familiar voice came out.

Hearing this voice, Su Xiao Qiao’s face instantly turned ugly.

## Chapter 14

A man in a designer shirt and suit appeared in front of the dining table.

Although he was only in his twenties, he was already shy with a large beer belly, and his chubby face had a pair of green bean-like eyes, which looked very trivial.

This man, whom Su Xiaoqiao knew very well, was none other than Wang Duojin, the second generation rich man who was madly pursuing her.

Wang Duojin had been salivating over her for a long time, even going so far as to threaten her mother’s operation fee in the hope of getting her, making Su Xiaoqiao very disgusted with him.

Ignoring Ye Xing next to him, Wang Duojin pulled over a table and sat down directly between the two, close to Su Xiaoqiao.

“Wang Duoyu, I’ve made myself clear, can you stop pestering me?” Su Xiaoqiao suppressed her anger and said.

“Xiao Qiao, the way I pursued you in the past was a bit too aggressive, I apologise to you here.” Wang Duoyu spoke in a sincere tone and said seriously, “From today onwards, I will use a truly new way to pursue you, for example, first make you fire all over the internet.”

Ahem!

Ye Xing was eating a pizza and almost choked half to death.

Could this guy be any more shameless?

I pay for it, and he plays with empty water to set up a white wolf.

“Are you the one who is secretly helping me?” Su Xiaoqiao was very surprised.

“That’s right, I want to pursue you in the way I like, I will not only set you on fire all over the internet, but also .....

Ring, Su Xiaoqiao’s mobile phone rang.

“Excuse me, I’ll take a call.”

Su Xiao Qiao picked up the phone, and after listening to it, she was shocked and happy: “Someone paid for my mother’s surgery, great, when will the surgery be done, tomorrow, no problem, I’ll go over and sign then .....

After hanging up the phone, Su Xiaoqiao looked at Wang Duojin.

“That’s right, it’s me too.””

Wang Duojin straightened his collar and said with his head held high, “I just said that not only will I make you fire all over the internet, I will also pay for your mother’s surgery without asking for anything in return.”

Pfft!

Ye Xing had just choked to death and had just taken a sip of water to slow down, so he sprayed it straight out, all over Wang Duojin’s clothes.

He had seen many shameless people, but he had never seen such shameless ones.

“Fool, you .....

” Wang Daojin stood up haughtily.

“Wang Duojin, you don’t see the usual, Ye Xing he can’t stand the excitement.”

Hearing that Wang Duojin had set himself on fire all over the internet and paid his mother’s operation fee, Su Xiaoqiao’s attitude immediately changed.

Eating people’s mouths and taking their hands, no matter what Wang Duojin was like before, at least he helped himself when he needed help the most.

“It’s alright, I don’t see eye to eye with fools.” In order to leave a good impression on Su Xiaoqiao, Wang Duojin put up with it.

“Wipe.” Su Xiaoqiao drew out a few tissues and handed them over.

Wang Duojin was flattered and took the tissues, wiping the water stains on his clothes.

If he had known that this chick was soft but not hard, he would not have used such drastic tactics before.

Wang Daojin seemed to have found a way to conquer Su Xiaoqiao.

“Xiao Qiao, after you taught me a lesson last time, I went back to reflect deeply and felt that I was wrong in the past. Since then, I have become unassuming, not overbearing,

not happy with things, not sad with myself, and treating people with faith and sincerity  
.....”

Poof!

Ye Xing spurted out another mouthful of water, spraying it directly onto Wang Duojin's face.

Hahahaha!

He covered his stomach and laughed out loud.

Nima, this dead fatty was so funny.

Just now, when Wang Duojin was posing as the gold master, Ye Xing was thinking about how to get this guy killed.

Which knew that after hearing a few words from him, he felt that this guy was simply a living treasure.

Shameless to the point that one could not hate him, there was no one else.

“Ye Xing, what are you doing?” Su Xiaoqiao said angrily.

The first time he sprayed his clothes, the second time he sprayed someone's face, the first time could be forgiven, the second time would show that he was doing it on purpose.

“Fool, if it were me in the past, I would have killed you long ago.” Wang Duojin snorted coldly and continued to endure.

“Su Xiaoqiao, I just think it's funny.” Ye Xing still kept laughing.

“What's so funny?” Su Xiaoqiao asked strangely.

Ye Xing pointed at Wang Duojin's face and said, “My wife has taught me to read faces, fat head and big ears, good food and lazy work; green beans and small eyes, rat eyes; this kind of face, a typical stingy ghost, he will help you out?”

The person in question was confused, and Su Xiaoqiao was instantly awakened by his words.

The Wang Duojin she knew in the past was indeed not a generous person.

Although he had money, it was all spent on profit.

“Wang Duojin, is it really you who helped me?” Su Xiaoqiao asked.

“Of course it’s mine, besides me, who else is so in love with you, love at first sight, can’t forget .....

“Where’s the evidence?”

“What proof?”

“You spent such a large sum of money, there is always evidence, such as transfer records, chat records.”

Wang Duojin’s green bean eyes kept turning and waved his hand, “Like me, I do good deeds and hide them deep, I don’t like to show off, so let’s forget about the evidence.”

At this moment, even if Yang Xiaoqiao was stupid, she knew that the other party was not the golden master.

At the beginning, Wang Duojin bought snacks to go to the company in order to woo him, making a big announcement as if he was afraid that others didn’t know he was rich.

This kind of person, would help her silently?

Ye Xing stood up and manipulated the chair next to him.

“What are you doing?” Wang Duojin was so scared that he backed up.

In Wind and Snow Media, he had more than just Xia Hong as an eyesore.

He knew very well that this Ye Xing was a time bomb that could strike at any moment.

“I’ll kill you.” Ye Xing raised his chair and rushed out.

“Help!”

Wang Duojin turned and ran, and when he went down the stairs, he accidentally rolled down.

Climbing up, not caring about the bruised nose he had fallen into, he ran away without a trace in a flash.

“Ye Xing, take it easy, don’t get excited.”

Su Xiaoqiao was startled and hurriedly ran over to stop him.

Ye Xing did not chase him out, put his chair down and walked to the window, looking out at Wang Duojin who had slipped away with his tail between his legs, and could not help but laugh out loud.

“I’m not excited, I’m just scaring him.” Ye Xing bent over with laughter.

This guy, he was simply a tease sent by the monkey!

Looking at Wang Duojin’s appearance of fleeing in a mess, Su Xiaoqiao couldn’t help but have fun and laugh out loud.

There were several people upstairs, looking at them like they were monsters.

But instead of restraining themselves, the two laughed even louder.

As she laughed, Su Xiaoqiao’s eyes burst into tears.

She had not been this happy for a long time for her mother’s illness.

The operation fee was settled, and the stone on her chest, finally fell down.

“Ye Xing, have you eaten enough!” Su Xiaoqiao took out her wallet and waved it in front of him, “Miss I still have money.”

“How much is left, let me see.” Ye Xing reached over to grab it.

Su Xiaoqiao raised her hand to dodge.

This grab, impartially, happened to catch Su Xiaoqiao’s chest.

The whole crowd of onlookers, petrified.

“Holy shit, this dude is too strong!”

“Doing a chest attack in broad daylight, this dude is really awesome.”

“Kneel down and worship.”

All sorts of sounds came from the crowd.

“What are you doing?”

Su Xiaoqiao slapped his hand away and ran back to her seat.

Her face was as red as a ripe apple, like a fiery cloud on a summer evening.

The first time she was touched by a man, Su Xiaoqiao's heart pounded and she hurriedly took a sip of water to suppress her shock.

"Xiao Qiao, what's hiding inside your clothes, soft and soft?" Ye Xing had a puzzled look on his face.

Poof!

Su Xiao Qiao sprayed a mouthful of water on his face.
