

## **For Dinner 367**

Chapter 367: Almost Wanted to Kneel Down for Morgan Zhekova

“Cindy!” Upon seeing that Cindy was trying to undermine him, little Morgan immediately said, “Daddy is a real man, and he keeps his word!”

Behind them, Wyatt Kirk, who hadn’t left yet, happened to hear this.

Wyatt Kirk’s face showed shock.

What did Cindy’s son just say?

He called Adrian Zhekova daddy?

Although Wyatt Kirk had some doubts last time at the car dealership.

But despite his doubts, he still thought it was unlikely.

Now, as he heard little Morgan say it, Wyatt Kirk’s little heart experienced a considerable shock.

Could it be that Adrian Zhekova was preparing to marry Cindy Clarke?

He wondered if this kid was Adrian Zhekova’s biological child.

Wyatt Kirk felt dizzy from this sudden big melon.

However, before he could recover, he heard little Morgan say to Adrian Zhekova again, “Daddy, actually I saw everything just now.”

“What?” Adrian Zhekova asked little Morgan.

“Actually, Uncle Wyatt was there earlier. Seeing that we were in trouble, he didn’t come out immediately.” The little guy was smart.

His small size made him less noticeable.

When he first came out of the restroom, he had already noticed Wyatt Kirk.

However, the little guy had a good memory and recognized at a glance that Wyatt Kirk was the same uncle they had met at the car dealership, with whom they’d had some unpleasant interactions.

“He didn’t come out long before Daddy arrived.” The little guy blinked his big eyes, “I guess he must have seen Daddy coming before he decided to come out.”

Although Adrian Zhekova, Cindy Clarke, and little Morgan were walking forward.

Wyatt Kirk was sneaking behind them, moving and raising his ears to eavesdrop on their conversation.

He didn’t want to spy on the privacy of Adrian Zhekova’s family, nor did he have the guts.

It’s just that Morgan’s ‘daddy’ had shocked him.

So, he couldn’t help but spy.

He wanted to confirm it.

Who would’ve thought that he’d hear the little guy say that!

Unbelievable, the little guy had seen him!

Wyatt Kirk almost wanted to kneel down to little Morgan.

He didn't dare wait for Adrian Zhekova's response; Wyatt Kirk didn't have time to think any more and ran straight towards Adrian Zhekova, crying.

"Brother Adrian!" Wyatt Kirk rushed over.

His sudden yell startled not only Adrian Zhekova and his family members but also the other customers around them.

Adrian Zhekova turned around and saw Wyatt Kirk rushing towards him.

Little Morgan blinked and smiled up at Cindy, "Uncle Wyatt is so enthusiastic!"

Cindy gently tapped his forehead, "You naughty boy!"

Actually, Wyatt Kirk had already been exposed just now, and she had heard it.

However, she didn't want to say it out loud.

After all, Wyatt Kirk had indeed helped them.

Of course, even without him, Adrian Zhekova had already arrived.

But seeing Wyatt Kirk's miserable expression, Cindy thought it best not to embarrass him any further.

He looked rather pitiful.

However, naughty little Morgan had let it slip.

“If you dare to rush over, that’s it for you.” Adrian Zhekova looked at Wyatt Kirk, who was flying towards him. His mouth twitched as he coldly warned him.

Wyatt Kirk shivered, stopping himself suddenly.

But his body still couldn’t stabilize itself, and he really “thud” sounded.

He ended up kneeling at Adrian Zhekova’s feet.

Adrian Zhekova:

Cindy Clarke:

Little Morgan:

Cindy hurriedly held little Morgan aside.

Although it was an accident, it was not good for Wyatt Kirk to kneel at their feet.

Adrian Zhekova also stepped aside.
