

Chapter 14: Shopping

After I ran home, I assumed Nikki and Mavy would have made it home by now. I decided to call Mavy and see how much time I had before they arrived.

"Hey, Adeal!" I could hear Mavy smiling through the phone.

"Heeeey, Chika! You ready for your makeup sesh?" Nikki yelled.

"I was calling to see where you guys are," I asked sheepishly.

"We're grabbing some snacks and then we'll be home in a bit," Mavy said.

"You want anything?" Nikki yells.

"I'm good, I don't want anything. I'll see you soon," I tell her before hanging up.

Thanks to the run, I got some me time and wine down a bit. The sounds of the forest always worked to calm my nerves. The smell of the dirt and wind was like a sedative.

I had enough of stressing over what happened with Shane in the gym. I decided that tonight I'm going to go with the flow and enjoy some much-needed girl time.

I head into the packhouse and automatically go to the kitchen. It's too early for dinner prep so it's empty. Next, I run to the bathroom and wash my face clean for Nikki to work

on.

The deafening music heard echoing through the halls alerted me to Nikki's arrival. The noise gets closer and the door bursts open. "The fun has arrived!" Nikki sings out loud.

"Turn the music down Nikki, I don't want my dad to come in here." She says. Mavy's carrying a ring light and bags of goodies while Nikki is carrying bags of makeup.

"Are you going to war? Why and how do you have so much makeup?" I laugh. "Because I am," Nikki says matter of factly. "You're so dramatic," I snort. "Hey, hey. Trust the process," she says confidently.

"Set the ring light up there Mave," Nikki orders. I love how Nikki doesn't let the werewolf rules control her. Nikki sets her bags down on my table and starts opening up her supplies. ¹

"This is a primer, I also bought different colors of foundation to see what matches you. Your eyes are so pretty Adea, I can't wait to give you wings, gah."

I look over at Mavy for help but she's ripping open a bag of gummy worms. She shrugs at me as she pops a few in her mouth.

Nikki gets started on my face and I feel like a doll being pampered. I wasn't allowed to look in the mirror but I felt like I was wearing a mask. "You don't need makeup but girl

you did the assignment." She says proudly.

"Check it out!" She squeals to me and Mavy. I look in the mirror and am blown away. The girl staring back at me has wing-tipped wide eyes, my hair is framing my face, and she didn't go heavy on the makeup.

It doesn't look too different but she outlined my face and my lips look lush and pink. "You look amazing Adeal!" Mavy says. "Let's get out of here, we have a lot to get done today," Mavy smiles as Nikki puts her ammo away.

Two hours later it's 6 o'clock and we've tried on almost every dress in this mall. "Try this one next, Adeal, we have to find the perfect one!" Mavy says as she throws the dress on the bench. She's trying on a long white dress with a slit going almost all the way up to her hip. There are spaghetti straps and a low cut showing off the curves of her boobs.

"Oh, my gosh sis, that one is beautiful on you!" Nikki whisper yells. I reach over to look at the price and my jaw drops. She grabs the tag from my hand, "Hey! We are not doing that! We are enjoying our hunt and the right dress is never too much." Mavy smiles.

"Who spends \$2,000 on a dress?!" I ask in shock. She shoots me a glare, "I mean you look amazing in it," I tell her. "Now I just need shoes," she says as she turns around and walks out of the dressing area.

I look at Nikki's dress and let out a whistle, "Oh my gosh, is that your dress?" I ask her in awe. It also has spaghetti straps, but her dress is black and so sheer it almost looks see-through.

She gives me a half-smile and does a spin, the slit is going up the back and stops right below her ass. The chest area cuts low below her tits and it's somehow keeping her chest pushed up and together even though there's nothing keeping the dress together.

"If you were a werewolf and your mate saw you at the ball, I wouldn't be surprised if they took you right there on the ballroom floor!" I laugh at her. She smiles at me proudly, "Thank you, thank you. I try." She winks before sashaying into her dressing room.

I look down at the dress Mavy threw down for me to try. It's red and feels like silk, the cut in the front doesn't look too low. I think I might like this one. I slip off my jeans and hoodie, step into the dress, and pull it up and put my hands into the sleeves.

It's a perfect fit. I look at my reflection in the mirror, "Wow," I murmur. My shoulders are bare and the sleeves fall on my arm. The cut on my chest goes halfway down my boobs, and it hugs my curves. The slit goes up the front past my thigh and falls just below my ankles.

Nikki and Mavy walk into my dressing room at the same time. Mavy's jaw drops and Nikki's eyes grow wide with

surprise. "Lord have mercy Adea. You look..." She stops clearly speechless. I blush at their gaze, "I think this is the one," I tell them.

"You're damn right that's the one!" Nikki squeals. "Don't be shy, turn around and give us a twirl." I slowly turn around. "It's perfect Adea! I think black heels would be the best to wear with it." Mavy says with a smile on her face.

"If you find your mate, he's going to thank the Goddess for blessing him with you," Nikki says. I change and Mavy helps me pick out the right heels to go with the dress.

"Nikki will do your makeup the same way too. I can't wait for the ball! I wish it was tomorrow." Mavy tells me. After we find our shoes, we go to checkout and Mavy has me wait with Nikki at the door.

"All done!" She says as she walks to us with the bags. We both reach out and grab our stuff from her. "Thank you Mavy," Nikki and I say at the same time. "Oh it's not on me, it's on Daddy." Mavy says with a huge smile.

"Thank you Daddy!" We call out as we walk out of the store. We head to the Palisade's restaurant for dinner and enjoy a posh meal on Alpha and I don't think about money and enjoy the rest of the night with my girls. 1

Later that night, after a nice cool shower. I lay my head down and have a dreamless sleep.
