

## Chapter 9: Shane

Shane

I woke up that morning to a she-wolf under my sheets. "Mmm fuck." I let out a quiet moan. Her lips were wrapped around my already hardened cock. She lay in between my legs and I watched as her head bobbed up and down.

"Good morning, Alpha." she purred with her mouth full. I didn't bother removing the sheets to look at her. I closed my eyes and imagined Adea's long brown hair in my hands, her soft lips wrapped around my dick, my dick hitting the back of her throat.

I groan as I feel her tongue sliding up the side of my shaft. "Fuck." She removes my dick from her mouth and takes my balls in her mouth. She wraps her hand around my cock and I almost cum when I feel her warm tongue on my balls.

She's licking me like she can't get enough. My toes curl as she continues licking my balls like melting ice cream. She grips my cock in her hand slurps on my tip before moving back down to my balls.

Her hand slides up and down my shaft and at the same time, she sucks on my sack. Her movements speed up a little and I lay there and let her lead for a few minutes. I can feel myself getting closer so I grab her hair pulling her mouth open. I thrust my hips into her mouth and sigh when I

feel her throat tighten around my cock.

"Yes," I hiss as I thrust up into her mouth. "Mmm," she cries in pleasure. Taking advantage of my need she grips my cock and starts twisting her mouth in circular motions. My thrusts become faster as I chase my orgasm. I push her up and down as she sucks and licks my shaft.

"Adea." I moan as I hit the back of her throat and feel her swallow as my cum slides down her throat. [3](#)

She pushes the sheet off and glares at me. "Are you fucking serious right now?" She's clearly upset as her hazel eyes burn holes into my head.

"What?" I shrug trying not to laugh. "You moaned Adea's name as you fucked my throat!" She sits up and crosses her arms in front of her chest. "Such a dick move, Shane."

I sigh and sit up before brushing the loose strands of hair off of her face. I've been fucking Beka for 2 years now, I know she's got feelings for me but she's a good lay. She's pretty but I just needed a quick fix.

Adea's cheekbones are so perfectly defined, imagining her cheeks sucking my cock drives me insane. She's got these plump lips and she's got this cute button nose. Beka's got short blonde hair and she's tiny. She's barely 5'4", but her body has just the right curves.

She's an easy lay and I'll do the bare minimum to keep her around. "You've pleased your Alpha Beka, now get out." She

huffs and sticks out her bottom lip. She gets off of the bed and picks up her dress, shimmying as she pulls it up over her tits. 1

She reaches over the dresser to grab her bag and phone, flashing me her plump wet pussy. I feel my cock twitch as I watch her slowly lay on the dresser and pop her ass up to give me a good view.

"Are you disobeying me, Beka?" I murmur as she lays her head down and shows me her neck. I jump up and slowly walk over to her. Looking down I see her eyes closed and her neck offered up to me. Grabbing her hip I hold her down and lean back so I can watch as I slide my finger down her slit. She's wet and ready for me.

"No, Alpha. I only--" I lick her pussy to clit and she squirms under my touch. "You've been a bad girl." She whimpers, as I slide two fingers into her and watch as my fingers disappear inside of her wet warmth. She moans, "I only mean to please you Alpha. I've been a good girl." 1

"Do you want a reward?" I say as I watch my fingers pump in and out of her pussy fast and hard. I watch as her arousal seeps down her clit. The sounds of my fingers sliding in and out of her make my cock harden. Her pussy clenches my fingers and I still my fingers. I lean down and stick my tongue into her pussy and continue finger fucking her.

She's wriggling and moaning under my touch and I lap up her juices. I continue finger fucking her tight cunt as I stand

up. I position my tip at her clit and remove my fingers.

"Beka," I murmur.

"Yes, Alpha," she pants. Beka tries pushing her ass against me and I grab her waist to keep her still.

"I am your Alpha," I murmur.

"You are my Alpha," she moans gyrating her hips as she searches for some relief.

"I will call you what I want," I tell her.

I slide my tip up and down her open slit and she moans. "Be obedient, and take what I give you. Can you do that for me Beka?"

She's quiet as I slide my tip up and down her wet opening. When I stop she groans, "Yes, Alpha. Just please, fuck me."

"Good girl," I say and in one hard thrust, I've buried my cock into her warm cunt. She screams out in pleasure and lifts her hips up offering herself to me.

I pull myself out of her and look down as I thrust deep and hard into her pussy. She moves forward with each thrust. I don't even care that the dresser is banging against the wall. "This pussy is mine, Adea," I moan as I fuck her pussy. 1

"All yours," she pants as I thrust in and out of her. I can feel her clenching on my cock and I thrust into her over and over again. Watching as her body bounces off of me.

The sound of my skin slapping against hers is only adding to the fire. "Fuck, Adea." I moan as she cums on my dick. I keep fucking her as her pussy continues squeezing my cock. 1

I thrust into her a few more times before I reach my climax emptying my seed into her cunt. Stepping back I pull out of her and grab a towel. She's out of breath on the dresser. 3

"I'm going to shower, see yourself out. Make sure no one sees you." I command as I open the bathroom door.

I hear a sob as the door closes. 1
