

Fortune 27

Fortune Chapter 27

After paying the fare, Ye Han carried Zhou Yun'er into the villa with him in front of the villa where Zhou Yun'er lived, Ye Han took out the key from Zhou Yun'er's handbag and opened the door, then carried Zhou Yun'er to the first floor master bedroom and placed her gently on the bed.

Zhou Yun'er's bedroom was elegantly decorated, with a lovely smell on the pink walls and all kinds of decorations placed just right. After observing a bit, Ye Han was ready to leave and go home, it was already 1:30, I wonder what kind of anxiety his sister Ye Qing should be in.

However, just as Ye Han was about to leave, Zhou Yun'er's handbag had a pleasant ringing phone, but Ye Han didn't answer it, he didn't have a hobby of peeping into other people's privacy, but after the phone rang once without being answered, it called a second time.

In the end, Ye Han hesitated, but opened Zhou Yun'er's handbag and took out his mobile phone. The phone screen showed that the caller was "grandpa", and when he saw these two words, Ye Han instantly remembered the old man.

After thinking about it, Ye Han still picked up the phone; "Hello."

When the person on the other end heard Ye Han's voice, there was a sudden silence, and then a calm voice came out; "Who are you and how did you get my granddaughter's number? Where is my granddaughter now? How is she?"

At these words, Ye Han's heart sweated for a moment and immediately said; "Grandpa Zhou, it's me, I'm Ye Han."

"Ye Han, so it's you, you've come out of the police station, sigh, this girl Yun'er is really something, she asked her to wait for you to call me back when you come out but she hasn't called me yet, I thought you had committed something serious."

Hearing the voice from the other end of the phone, Ye Han was touched and said; "Thank you Grandpa Zhou for hanging on to me, I'm already fine, thank you for what happened this time, I'll definitely come to the door to personally thank you some day."

"What kind of words are you talking about? I owe my life to you. It's good that you're okay. "

Ye Han asked; "I don't know what matter you want to discuss with me, Grandpa Zhou?"

"Oh, this matter will be discussed with you when I arrive in Shanghai City, eh, no, why are you holding Yun'er the girl's mobile phone at this late hour, where is she?" Only then did Zhou Mingshan feel the problem, he had called his granddaughter, but it was Ye Han who was talking for so long, where had his granddaughter gone?

Ye Han sweated furiously in his heart, he looked at Zhou Yun'er who was lying on the bed and said through clenched teeth; "Grandpa Zhou, don't misunderstand, Miss Zhou is already asleep, but we really don't have anything."

“What! You seem to be honest and honest but you are a flirt, you have hooked up with my granddaughter so quickly, but don’t be reckless, I can’t take charge of this matter with Yun’er girl alone.”

Ye Han’s heart sweated wildly again, he wanted to say it was your granddaughter who was interested in me, okay, but in his heart he thought so, but his mouth still said; “Grandpa Zhou, you really misunderstood, I really have nothing to do with Miss Zhou

“All right, you kid don’t be so stubborn, I don’t object to this matter of yours, as long as you kid treat this girl Yun’er well, but her father that hurdle you have to go through by yourself, well, it’s not early, let’s leave it at that, in a few days I will go to Shanghai City to look for you.”

Listening to the busy tone coming from the phone, Ye Han could only report a bitter smile, when this call was answered, he even answered something, now Zhou Mingshan had already decided that there was a relationship between him and Zhou Yun’er.

“Vomit!”

Suddenly, just as Ye Han was frothing and laughing bitterly, Zhou Yun’er who was lying on the bed vomited violently, Ye Han heard the movement and immediately turned around, who knew that the moment Ye Han turned around, Zhou Yun’er vomited, and vomited all over Ye Han, and even her own body was covered with the things she had vomited out of her stomach.

Seeing this, Ye Han immediately cursed with laughter; “Damn, you woman really know how to pick places, vomiting on yourself and that’s all, and even vomiting on me.”

But after throwing up, Zhou Yun’er immediately fell back to sleep, with a dreamy voice coming out of her mouth, not knowing what Ye Han was saying, Ye Han looked at the sticky stuff on his body and couldn’t stand it, damn it, how could he go back? Forget it, let’s just wash up here!

The moment his fingers touched Zhou Yun’er’s body, Ye Han’s body trembled, in the silence of the night, a man and a woman in the same room, and now he was going to undress that beauty, this was too damn exciting!

But in the end, Ye Han didn’t do anything, he just took off Zhou Yun’er’s clothes and trousers, and then used a wet towel to wipe her whole body, but of course, this process tortured Ye Han enough.

After doing all this, finally Ye Han went to the bathroom to take a cold shower to cool himself down and wash his clothes and Zhou Yun’er’s clothes.

The night was definitely very long for Ye Han, and he stayed up until four in the morning before he fell into a deep sleep. The next morning, it was slowly getting lighter, however a high-pitched shriek woke Ye Han up.

“What’s wrong? What’s wrong?” Ye Han woke up from the sofa downstairs and heard the shrieks coming from the first floor, he rushed up without thinking and kicked open Zhou Yun’er’s bedroom door straight away, at this moment, Zhou Yun’er was covering the blanket in panic, seeing Ye Han naked and wearing a bath towel, she immediately cursed; “Ye Han, you bastard, you rogue, you beast, how can you take advantage of someone’s danger, woo Wooooo!”

Saying that, the woman really cried, making it seem as if Ye Han had really nailed her.

Ye Han was speechless, he looked at Zhou Yun'er who was still sitting on the bed and crying and said; "I say, big beauty Zhou, I didn't do anything to you, it was you who got drunk last night, then I sent you back, then you threw up all over yourself and me, I had no choice but to take off your clothes and trousers, but don't worry, I definitely didn't do anything."

"Oooh, you bastard, you lied to me, if you didn't do anything, then how did you undress me? Even if you didn't violate me, I must have been seen naked by you, and you must have touched me, woo woo woo woo!"

Hearing this, Ye Han felt a little weak in his heart, he did accidentally touch Zhou Yun'er when he was undressing her last night, but nima, was this something he could admit?

"This, I turned off the light when I undressed you, and I didn't touch it."

"Really, you're not lying to me."

"Really, it's true, do you see me as that kind of person?"

"Are you really sure you didn't touch anything? Didn't look at me? Not behaving like an animal?"

"I'm 100 percent sure."

Hearing these answers, Zhou Yun'er suddenly looked at Ye Han solemnly and stopped crying; "You gave up such a good opportunity, Ye Han, you are even worse than a beast!"
