Chapter 25

Have You Vented Your Anger?

“Mo Xiu...”

Bang! Bang! Bang!

“I...”

Bang! Bang! Bang!

“Admit... Admit...”

Bang! Bang! Bang!

Wang Xuanhu wanted to admit defeat. However, at this moment, Mo Xiu’s eyes were red from fighting. He did not give Wang Xuanhu a chance to speak.

This battle could no longer be called a battle. Instead, it was a one-sided beating.

In the end, Mo Xiu’s fist stopped because Wang Xuanhu had lost consciousness.

Then, Mo Xiu stepped on Wang Xuanhu’s hand.

“Ah!!!”

Wang Xuanhu woke up from the pain and looked at Mo Xiu in horror.

“Mo Xiu, I was wrong. Stop hitting me. You’re not trash, I’m trash, alright?”

Mo Xiu squatted down and whispered into Wang Xuanhu’s ear, “There won’t be a next time, got it?”

Wang Xuanhu immediately replied, “I know, I know. I won’t provoke you again... Ah! Mo Xiu!”

Mo Xiu punched him again and shattered Wang Xuanhu’s right arm.

Wang Hu could no longer shout as he simply fainted.

Meanwhile, a commotion broke out in the crowd outside the arena. Mo Xiu usually appeared rather amiable. Thus, they didn’t expect him to be so ruthless.

Then, Mo Xiu stood up and walked towards Zheng Yi. “Have you vented your anger?”

Zheng Yi looked at Mo Xiu silently.

Mo Xiu turned around and was about to return to Wang Xuanhu and deliver a few more punches when Zheng Yi grabbed Mo Xiu.

“Enough, Mo Xiu. If you continue, he will die.”

Mo Xiu turned around and asked Zheng Yi the same question.

“Let me ask you, have you vented your anger?”

Zheng Yi returned to his normal self and said, “Barely. I originally wanted to humiliate him, but after I thought about it. Forget it. There’s no need to lower myself to the level of a dog.”

Zheng Yi did not say it out loud, but he was extremely touched.

The first time Wang Xuanhu attacked Mo Xiu, Mo Xiu calmly taught him a lesson.

However, he was clearly enraged this time. From the first sentence he said after arriving here, to every punch he threw at Wang Xuanhu, one could clearly see Mo Xiu's anger.

Zheng Yi knew that Mo Xiu was doing all this for him. He was touched, but there was no need to say it out loud.

As for Mo Xiu, how could he not be moved? After all, Zheng Yi had been bearing too much responsibility these past few days. He didn't even want to tell Mo Xiu about this.

The two of them looked at each other for a long time before laughing out loud.

"Hahaha, hahaha."

The two of them laughed and left. The crowd was stunned when they saw the commotion.

What was going on? Mo Xiu had been extremely ferocious a moment ago, but now he was laughing and leaving?

Zheng Yi laughed out loud to express his grievances for the past few days.

Meanwhile, Mo Xiu was laughing from the bottom of his heart. In the three years of high school, he had not only obtained strength, but also a trustworthy brother.

The two of them ignored the gazes of others and left just like that.

Then, they arrived at a small restaurant and started chatting as if they hadn't seen each other for a long time.

“Mo Xiu, where did you go? You’re definitely not an exchange student, right? Did you go for special training somewhere? You scored full marks for the entrance examination too.”

Mo Xiu said, “I can’t tell you where I went. I promised others that I would keep it a secret. It can also be said to be a form of special training, and I improved a lot. As for you, sigh. It’s been hard on you.”

Zheng Yi shook his head and said, “Let’s not talk about it. This is the only time in my life that I’ve been vexed. I’ll treat it as an experience. Oh right, I originally wanted to settle this matter myself. Anyway, how did someone who has such poor news sources like you know that I was there?”

“It was Mu Qingyi who told me everything.”

When Zheng Yi heard Mo Xiu mention Mu Qingyi, his expression became strange.

“The two of you disappeared together. Have you won her over? How impressive. You’ve done all the awesome things in the world.”

Mo Xiu said, “Don’t speak nonsense. There is nothing between Qingyi and me.”

“Hahaha, you even called her Qingyi. Are you sure that there’s nothing? Do you think that I am a fool?”

“Aiya...”

Mo Xiu decided not to explain.

Then, Zheng Yi suddenly became serious. “When it comes to women, I have to mention someone.”

“Who is it?”

“It’s Ye Qian’er. When she heard the rumors about you, she came to look for me. I told her that you were fine. After that, she went back and stopped the rumors. At that time, she also suffered a lot of disdain from others.”

Mo Xiu turned around and said, “Got it. I’ll thank her when I have the chance.”

Zheng Yi added, “There’s also Liu Qingyu. If not for him, I might have lost half my life. One day, I’ll treat him to a meal. You have to come...”

While the two were eating and chatting, the news of Mo Xiu beating up Wang Xuanhu spread.

News regarding Mo Xiu appeared on various websites. Some said that this incident proved that Mo Xiu’s college entrance examination results were real. Meanwhile, others said that not only was Mo Xiu arrogant and rude, but even beat up his classmate.

However, no matter what news it was, in less than half a day, all the news regarding Mo Xiu were taken down.

No one knew the reason. Even the higher-ups of the various websites did not talk about it.

In the Shun City Shadow Headquarters...

Two people were discussing intensely in the office.

“Wang Yu, it’s not good to block news regarding Mo Xiu on such a large scale. He has endured hardships for so many years and finally made a name for himself. Can’t he show off?”

Wang Yu adjusted his glasses and said, “Brother, did you forget what Elder Tang told you?”

Wang Lei thought for a moment and said, “He told us to remember to keep Mo Xiu’s secret.”

“That’s right. We don’t have to care if Mo Xiu leaves Shun City, but he’s in Shun City now. If anything happens, we won’t be able to bear the consequences.”

“But...”

“No but’s. You were the one who nurtured Mo Xiu. Don’t you know his personality? Would he care about such a trivial reputation?”

Wang Lei sighed and said, “That’s true. I just feel that this child has a tough life and should enjoy everything that he has worked hard for.”

Wang Yu said angrily, “Otherwise, you wouldn’t have been able to achieve great things. Your vision is too narrow... Hey, don’t beat me up.”

...

At night, Mo Xiu scrolled through the Shadow software in his room.

He wanted to see if there were any suitable missions to take on. After all, Mo Xiu didn’t want to waste this holiday.

There were only 15 days of vacation after the college entrance examination. Thus, Mo Xiu wanted to use this time to accumulate more wealth.

Pa!

The glass window that had just been replaced was shattered. Mo Xiu immediately got down to check. Who had provoked this window?

However, when he saw what was thrown in from outside, Mo Xiu no longer had any intention of feeling sorry for the window.

It was a shiny black medal. Wasn't this the Shadow medal?

Mo Xiu picked it up. Then, he saw that there was indeed a name and number engraved on the back.

"Mo Xiu, 13267."

Now that he had a medal, it would be easier for him to accept missions.

Wang Yu said that the medal was the only symbol of the Shadows. With the medal, it would be easier to carry out missions.

Mo Xiu looked for a plank to block the window.

As he did so, he mumbled, "Must the Shadows use this kind of entrance? Why can't they just use the main entrance? Do they have to knock on the window?"

Mo Xiu lay back on the bed and continued reading through the missions.

After searching for a long time, he finally found a suitable mission. The location was in Shun City, the difficulty was suitable, and the rewards were generous.

"Investigation Mission: Underground Arena."

"Difficulty Level: C."

"Mission Details: Recently, an underground arena appeared in Shun City. They have been using illegal means to organize gambling and gain benefits. The mission objective is to find out who the mastermind is."

"Reward: 2,000 points, and 800,000 yuan."

Mo Xiu sent a message.

“Shall we take on a mission?”

Liu Ziyang said, “No problem, Boss.”

Yue Yuan replied, “Okay.”

After a long time...

Mu Qingyi replied, “Okay.”
