## Chapter 384

Justin stared at Krista with lust and hatred.

All things were triggered by Krista!

Justin was still amazed by Krista.

At first glance, Krista was eye-catching.

Krista had a delicate small face and perfect facial features.

She also had a comfortable temperament, like a chaste angel or elf.

Her big eyes blinked.

Krista's cherry mouth lured others to bite.

Justin has played countless women and students, but none of them were as pure as Krista.

Justin thought about how to get Krista all the time.

The woman next to Justin was anxious.

"Justin, why are you ignoring me? I'm pretty, right?"

Justin played with a new woman today.

He must keep fresh.

As Justin turned around and saw a plastic face, he felt nauseous.

This woman couldn't compare herself to Krista.

"Did you have plastic surgery? Your nose and eyes are fake. I

hate that. Get out."

...

The girl was so angry that she left right away.

"Such an ugly bitch? Only Krista is suitable for me!"

Justin couldn't help waiting.

He had to find a way to get Krista.

After Krista finished eating and prepared to leave, she felt uncomfortable.

"What's wrong?"

Kingston noticed.

"Nothing. I feel like someone is looking at me."

Then Kingston looked around but did not see anyone suspicious.

Justin was sitting in a corner and blocked by a pillar.

"Maybe I'm a little tired. Let's go."

Kingston sent Krista and her friends back and left hurriedly. It seemed that he was busy. 🚶

Kingston promised to have dinner with Krista, but he called to say that he had something to do and asked Krista to have dinner and rest early.

Krista was allowed to drink half a cup.

Krista didn't eat much. After that, she watched TV on the sofa.

Krista couldn't stay up all night, so she dozed off several times

and immediately woke up.

"Krista, why don't you go to sleep?"

Luck rubbed his eyes and said with a sleepy voice.

"I'm watching a drama. I'll go to sleep soon. I'm not sleepy yet."

But Krista couldn't open her eyes.

Luck looked at Krista in confusion. She was sleepy. Why did she stay here?

He thought for a moment and asked, "Krista, are you waiting for my brother-in-law?"

"Luck, I told you not to call Kingston brother-in-law." Krista glared at Luck in embarrassment.

"I didn't wait for him. This new TV series is interesting. Go to sleep. I'll go to bed when I'm sleepy."

Luck nodded and did not ask anymore.

Krista soon felt sleepy and fell asleep on the sofa.

She was so sleepy.

Kingston came back at midnight. He was too busy.

However, Kingston didn't want to lose the chance to hug Krista to sleep.

To his surprise, the lights in the living room were still lit up.
