

Full-Level Rich Daughter Makes a Strong Comeback

Chapter 14

Her Suspicion

Li Zhaohui seemed to realize that she just overreacted. She quickly gave a big smile. "Leng'an, so it's you! Come on in! Your dad and I plan to bring you back from the Ye family recently. I didn't expect that you came to us first."

After that, she reached out, wanting to hold Ye Leng'an's hand to express her concern.

Ye Leng'an dodged Li Zhaohui's hand and entered the house.

Looking at her empty hand, Li Zhaohui looked embarrassed. She finally closed the door and followed behind Ye Leng'an. She had an odd look on her face as if she was a little afraid and also embarrassed.

"Who's here?" a lazy male voice asked. And an ordinary-looking and pudgy middle-aged man walked out of the room.

When he saw Ye Leng'an sitting in the living room, he froze.

"Honey, come over and sit down!" Li Zhaohui spoke before Ye Shen could ask, "Look who's here. Leng'an came to see us today."

Ye Shen looked uncomfortable when hearing Ye Leng'an's name, but he immediately put up a smile. "Leng'an, what brings you here?"

A thoughtful look flashed across Ye Leng'an's face, and there was one thing for sure in her heart. She wasn't Ye Shen and Li Zhaohui's daughter, since no parent would have such a reaction when they saw their biological daughter. Moreover, she was no longer the same person she was before. She could feel that she was not related to these two people by blood.

After figuring it out, she could not help but be even more puzzled. According to Ye Li's investigation, she and Ye Xiyuan had been swapped by accident. Ye Li must have done a DNA test with Ye Xiyuan before he recognized her.

If she wasn't Ye Shen and Li Zhaohui's daughter, then who was she? How did she show up in the Ye family? .

"I just wanted to come over and pay a visit." Ye Leng'an sat on the sofa comfortably. She looked more like the owner of this house than the two people in front of her. "You don't want to see me?"

"How could that be!" Li Zhaohui gave Ye Leng'an a fond look, her voice choked with sobs. "Actually, we have long wished to see you. However, we were afraid that you didn't want to see us, so we dared not to appear in front of you. We are so glad to see you now."

"Oh, really?" Ye Leng'an rested her chin on one hand. "In that case, should I move back here? After all, this is my home!"

"What? You want to move back?" Li Zhaohui instantly raised her voice, but she soon realized that she had overreacted. She managed a smile and tried to cover it up. "Where did you get that idea? Are you kicked out by them?"

"I've already left that Ye family. After all, that's Ye Xiyuan's home, not mine." Ye Leng'an looked at them with a half-smile. "Besides, you're my parents. It is you who should take care of me, isn't it? I'm still underage!"

"Ha-ha, we are really happy that you want to move back."

Ye Shen looked struggled while he was talking. "It's just that our house is too small. I'm afraid you will have trouble adjusting to living here."
