

Full-Level Rich Daughter Makes a Strong Comeback

Chapter 15

The DNA Test

“In that case, I won’t move back.” Ye Leng’an’s smile faded, and there was a note of menace in her voice. “But you have to tell me the whole swapping thing. Also, am I really your biological daughter?”

Ye Shen almost jumped up as if her words touched a nerve. “What are you talking about? It wasn’t our fault that you and Xiyuan were switched back then! That was the hospital’s fault. How can you disown us just because of this!”

He was full of righteousness and without any hesitation. People would think that he was a helpless father who had been misunderstood if they saw the distress on his face.

She would have doubted whether she guessed it right if she hadn’t known for certain that they weren’t related by blood.

Unfortunately, the two people in front of her did not know that she had such an ability.

“Is that so?” Ye Leng’an said calmly, “Since you’re so sure, let’s go do a DNA test. That’s not good if you mistake me for your daughter again.”

She thought they would be flustered at her suggestion since they were not biologically related. A DNA test would give them away.

Unexpectedly, Ye Shen directly nodded without hesitation. “If that’s what you want, let’s go and do the test!”

Not only Ye Shen even Li Zhaohui looked very calm. They seemed to be certain that the result of the DNA test would definitely prove that she was their daughter.

“Since you’re so sure, there’s no need to go through so much trouble.” Ye Leng’an narrowed her eyes, a thoughtful look flashing across her features. “I was just joking. I don’t intend to move back here. I just came to visit you.”

Ye Shen and Li Zhaohui looked at each other after hearing that and heaved sighs of relief.

“Leng’an, where are you staying now?” Li Zhaohui asked with concern. But she didn’t dare to touch Ye Leng’an again for fear of being embarrassed if she was rejected by Ye Leng’an again.

"I'm living in a small house now," Ye Leng'an replied indifferently. "I bought a small house, and I'm currently living there."

"You have your own house!" Ye Shen's eyes gleamed with excitement. "They are so nice to you! They even bought you a house." .

"Yeah." Ye Leng'an stood up without further explanation. "I just came to see you. I still have something to do, so I have to go now."

"Leng'an, if you have time, come back often. Your mother and I miss you very much." Ye Shen gave her a glance and said sincerely, "And your younger brother. You haven't even met him. Where do you live? We'll bring your brother to see you."

Ye Leng'an squinted her eyes, but she didn't refuse them. She gave her address to Ye Shen.

After Ye Leng'an left, Li Zhaohui couldn't help but complain, "Why did you say that you would bring Pingping to see her? You knew..."

"Zhaohui!" Ye Shen interrupted her sternly. "It's already been so long. You know what should or should not be said."
