

Full-Level Rich Daughter Makes a Strong Comeback

Chapter 18

Rumors

Ye Leng'an didn't care about the glances of the people around her. .

She sauntered to her classroom and sat down.

Everyone began to discuss when seeing her arrive.

"Why was she here? I thought she had already dropped out of school!"

"Even if she hasn't, she will leave here soon! You must have heard that she and Ye Xiyuan were swapped. Ye Xiyuan is the real daughter of the Ye family."

"That's true. It's not cheap to study here. She definitely can't afford it now."

"Stop talking nonsense here." Yuan Silei almost jumped up. "Who the hell you are to gossip about her behind her back?"

They didn't expect Yuan Silei suddenly spoke out in Ye Leng'an's defense, and they failed to react in time. But it was not strange since they were best friends.

"You..." Someone wanted to retort.

At this moment, Ye Leng'an reached out her hand and pulled Yuan Silei over. Then, she looked at the people who were whispering to each other and said coldly, "Whether or not I drop out of school has nothing to do with you! If you have the time to gossip here, why don't you seize the time to study and see if you can get more scores during the final exam?"

Ye Leng'an just stood there, her voice not loud but intimidating.

Some people had already returned to their seats dejectedly, but some still refused to give in to her.

"Ye Leng'an, why are you so cocky?" Zhao Yanran stood up and looked at Ye Leng'an with disdain. "Do you think you're still the daughter of the Ye Family?! Who are you to shout at me?"

Zhao Yanran had always disliked Ye Leng'an, just because Ouyang Xuyan, the boy she had a crush on, had feelings for Ye Leng'an, and he had shown his affection publicly

many times. This made Zhao Yanran extremely jealous. Therefore, she always tried to give Ye Leng'an a hard time.

Now that she knew Ye Leng'an was no longer the daughter of the Ye family, she would not let go of this good opportunity.

"I'm not shouting at you, so there's no need for you to act like a clown here." Ye Leng'an talked back unmercifully, "Also, you'd better mind your own business."

"Ye Leng'an, you are such a bitch." Zhao Yanran was even angrier. "What did you say? A clown? You are just a wild girl from the slum! Who are you to continue studying at Sheng'an High School?"

"Did you pay my educational bills?" Ye Leng'an looked at Zhao Yanran with indifference, "Or are you going to pay my bills?"

"What are you talking about!" Zhao Yanran gave her a contemptuous glance. "You are so poor after the peak-to-trough fall! Who do you think you are? Why should I give you money?"

"Then why do you care so much about me?" Ye Leng'an showed no mercy. "Since you are not going to pay my bills, and you don't intend to do anything for me, then who are you to interfere in my business?"

"You..." Zhao Yanran didn't know what to say when being questioned. In the end, she only said, "Let's wait and see!" After that, she turned around and returned to her seat.

Seeing that Zhao Yanran was squashed by Ye Leng'an, the other people immediately went quiet.

Chapter 19

Meeting Ye Xiyuan Again

"Leng'an, are you all right?" Yuan Silei held Ye Leng'an's hand and asked cautiously, "I still have some money. I can lend you all of it if you need it."

She didn't dare to say the word "give", afraid that it would hurt Ye Leng'an's self-esteem.

"I'm fine." Ye Leng'an narrowed her eyes slightly, hiding the complicated emotions in them. "Although I've left the Ye family, I don't lack money. Thank you for your concern."

She really didn't know what kind of attitude she should have when facing Yuan Silei again. She could feel Yuan Silei cared about her at this moment. However, she was unable to be as friendly as before to Yuan Silei when she knew Yuan Silei would stand on Ye Xiyuan's side in the future.

"Leng'an, what exactly is going on between you and Ye Xiyuan?" Yuan Silei asked after thinking for a while. "A few days ago, she transferred to our school. Uncle Ye and Auntie Lin sent her here personally. And the things between you two have also been spread throughout the school."

When Yuan Silei first heard those rumors, she was completely stunned. She didn't expect that the dramas that would only appear in TV shows would actually happen to her good friend. But she was very worried about Ye Leng'an and wondered if she would be able to take this blow.

"There's nothing to say. It's true." Ye Leng'an said without hesitation, "Ye Xiyuan and I were switched when we were little. But we are back to our original positions now."

Yuan Silei wanted to say something, but the bell rang.

The teacher walked into the classroom and stopped for a moment when she saw Ye Leng'an was back in class. But, she didn't say anything about that.

After that, other teachers who came to this classroom would also give Ye Leng'an odd looks, as if they all wondered why she was still here.

Ye Leng'an stayed and acted as if nothing happened under those strange gazes.

After class, she ignored Yuan Silei and left the classroom directly.

Though she didn't want to cause trouble, things came to her.

Right after leaving the classroom, she saw Ye Xiyuan walking toward her on the campus.

"Leng'an, you're finally back." Ye Xiyuan looked at Ye Leng'an with joy. "I was really worried about you. I was so afraid that something would happen to you when you were absent. By the way, are you living with your biological parents now?" [search the website to access chapters of novels early and in the highest quality.](#)

"Do you have something to ask me?" Ye Leng'an sounded cold. "If you don't, then please get out of my way. I still have things to do."

Ye Xiyuan felt sad about Ye Leng'an's indifference. She took a step forward and wanted to hold Ye Leng'an's arm. "Are you still angry with me?"

Ye Leng'an dodged and avoided Ye Xiyuan's touch. "I don't think we are that close. Since we're back to our own positions now, there's no need to interact with each other anymore."

Ye Xiyuan seemed to be badly upset and shocked. "Why did you say so? I know that you hate me for stealing mom and dad away, but I just want to be back with my biological parents. I didn't intend to kick you out."

"Ye Leng'an, you've gone too far." Zhao Yanran, who was watching them from the side, couldn't help but step forward. "She was just reunited with her biological parents, and it was not her fault. If someone has to be blamed, it's you. You're the one who stole her parents for so many years."

Chapter 20

Li Deze

"It's not my fault." Ye Leng'an looked around and said firmly, "I had nothing to do with the swapping thing back then. I didn't do anything wrong. I was just a baby." Search The website to access chapters of novels early and in the highest quality.*

Previously, she thought that she did something wrong because she had snatched Ye Xiyuan's parents away for so many years. That was why she had always tolerated Ye Xiyuan, but her tolerance gave Ye Xiyuan the chance to hurt her back. Now she wouldn't let that happen again.

"How shameless!" Zhao Yanran obviously didn't expect such a reply. "You were the one who snatched Ye Xiyuan's parents away for so many years. Otherwise, she would have been the daughter of the Ye family and enjoyed a good life. Why don't you feel any guilt towards her?"

Other people around also cast disdainful looks at Ye Leng'an. Apparently, everyone was on Ye Xiyuan's side.

Ye Xiyuan lowered her head and looked very sad, but there was a gloat in her eyes that no one else could see.

In the past few days, with the help of the system, she had left a good name at Sheng'an High School. Therefore, whenever she had a conflict with Ye Leng'an, the others would stand on her side.

“Why should I feel guilty?” Ye Leng’an looked very calm. She even had a smile on her face. “If you want to seek justice for Ye Xiyuan, then you should look for the person who made that mistake and had us swapped at that time instead of blaming me here.”

“You...” Zhao Yanran was so angry that she couldn’t speak.

“What happened?”

A cold male voice came out, and a handsome man walked out from the crowd.

He had good features and a striking temperament. He was still the focus of everyone even in the crowd.

“Brother Deze.” Ye Xiyuan raised her head. There were a few drops of tears on her delicate face, and she looked pathetic. “It’s nothing. I was just talking to my sister.”

After saying that, Ye Xiyuan hurriedly wiped the tears off her face with her hand. It seemed that she wanted to pretend that nothing had happened.

“Leng’an, you should apologize to Xiyuan.” Li Deze stood directly beside Ye Xiyuan. He looked at Ye Leng’an with disapproval. “It’s not Xiyuan’s fault that you left the Ye family. Moreover, Uncle Ye and Auntie Lin tried to persuade you to stay, but you chose to leave. You shouldn’t vent your anger on Xiyuan.”

In his opinion, Ye Leng’an must be the crux of the conflict. Although he hadn’t known Ye Xiyuan for long, he could tell that she was a very gentle girl who wouldn’t hurt others at will.

However, Ye Leng’an was different. The Ye family and the Li family had been friends for generations. He and Ye Leng’an had known each other since they were young, so he knew very well that Ye Leng’an was an unruly and willful person, the typical young lady of a rich family.

He naturally stood on Ye Xiyuan’s side in their conflict.

Ye Leng’an froze for a moment when Li Deze showed up.

The two families were old friends, and they always planned to be connected by marriage. In the past, she regarded Li Deze as her fiancé. Even though she found out later that it was impossible for her to be with Li Deze, she still liked him.

However, she did not expect that in her previous life, Li Deze lured her out for Ye Xiyuan, and made her lose both her legs.
