

# *Full-Level Rich Daughter Makes a Strong Comeback*

## **Chapter 2**

Ye Xiyuan

*The person who came knocking was the butler of the Ye family, Auntie Zhang. At this moment, she was standing at the door.*

*Since there was no answer from inside, Auntie Zhang kept knocking on the door. "Miss, did you hear me? Mr. and Mrs. Ye are waiting for you downstairs!" Search\* The website to access chapters of novels early and in the highest quality.*

*She banged on the door with a hint of impatience on her face, which was completely different from her usual respectful behaviors.*

*Actually, it was not just her. All the servants in the Ye family were the same. Although they were servants, they knew how to adapt to the situation. Ever since they found out that Ye Leng'an wasn't the biological daughter of the Ye family, their attitudes changed drastically. Their respect was replaced by indifference.*

*A cold smile touched Ye Leng'an's mouth. She stood up and opened the door, replying calmly, "I got it. I'll go downstairs immediately."*

*With that, she closed the door again.*

*Auntie Zhang blew a raspberry at Ye Leng'an's attitude. "You think you're still a rich young lady? A wild girl has the audacity to show off here."*

*Although dissatisfied, Auntie Zhang did not dare to go too far. She only dared to curse softly. After all, the situation was still unclear. If Ye Leng'an were to stay, she was afraid that she would be taken revenge.*

*Ye Leng'an, who was inside the room, didn't care what Auntie Zhang was thinking. She looked around and took out a travel bag to pack a few clothes. She did not even glance at the expensive cosmetics and jewelry on the dressing table.*

*Ye Leng'an walked out of the room with the travel bag.*

*At this moment, Ye Li, Master of the Ye family, and his wife, Lin Wanqin, were sitting on the sofa in the living room of the villa. A girl was sitting between them.*

*She was Ye Xiyuan.*

*Lin Wanqin held Ye Xiyuan's hand tightly, her face filled with excitement and joy. It was obvious that she was not calm at the moment.*

*Ye Li sat on the other side, glancing at Ye Xiyuan. Although he didn't say anything, one could tell from his expression that he was in a good mood.*

*There was a man in black sitting opposite them. He was handsome and tall. This was the young master of the Ye family, Ye Anyun.*

*He cut into their conversation occasionally. When he looked at Ye Xiyuan, his eyes were also filled with gentleness.*

*Everyone would think that this was a very warm and loving family.*

*At least, that was what Ye Leng'an, who was standing on the stairs, felt when she saw this scene.*

*If she had seen this in the past, she might have felt uncomfortable or inferior. But it couldn't bother her anymore now.*

*She yearned for kinship before, but her years in the cultivation world had diluted this emotion.*

*The family of four downstairs also saw her on the stairs.*

*"Leng'an, come here." Lin Wanqin raised her head, but she didn't let go of Ye Xiyuan. "This is Xiyuan. She's back and will live with us from today. You should help her in the future!"*

*Obviously, all of Lin Wanqin's attention was on Ye Xiyuan at this moment, so she didn't notice the travel bag Ye Leng'an was carrying.*

*However, Ye Anyun noticed it. He looked at Ye Leng'an with surprise. "Leng'an, what happened? What are you going to do with the bag?"*

*Although Ye Xiyuan returned, he never planned to ask Ye Leng'an to leave. In his heart, Ye Xiyuan was his younger sister, and so was Ye Leng'an.*

*Ye Anyun's words caught Ye Li and Lin Wanqin's attention. They also saw the luggage in Ye Leng'an's hand.*

*A faint smile spread across Ye Leng'an's cold face. "Since Xiyuan is back, of course, I should leave."*

.
