

Full-Level 261

Chapter 261: The Warning 3

Hence, when she saw Ye Leng'an enter the washroom, she immediately followed to warn her not to speak nonsense.

"Oh, haven't you always thought that you're very reasonable?" Ye Leng'an didn't agree to anything, but smiled and said, "Besides, aren't you very proud of your status? Since that's the case, why are you worried that I'll spread the news?"

"Who do you think you are!" Shu Yaqi's attitude was still very arrogant. "I am willing to talk to you here now because I think highly of you. Do you really think that you're that great? If it wasn't for Young Master Huangfu, you wouldn't even be qualified to stand here."

"Whether I'm qualified or not, I'm afraid it's not up to you to decide." Ye Leng'an came to the sink. As she washed her hands, she said calmly, "Also, when asking for a favor, you should adopt an asking attitude."

"Do you think I'm begging you?" Shu Yaqi seemed to have heard a joke. "Who do you think you are? What right do you have to make me beg you?"

She was just a woman relying on Young Master HuangFu, yet she actually wanted the eldest daughter of the Shu Family to beg her? She was simply dreaming. If not for worrying her grandfather would be unhappy if he knew about this, she wouldn't even bother to look at such a woman.

"In that case, please forgive me for being unable to keep you company." After

Ye Leng'an washed her hands and dried them, she walked around Shu Yaqi and planned to leave.

Seeing that Ye Leng'an was about to ignore her, Shu Yaqi couldn't suppress the anger in her heart. She reached out her hand, wanting to grab Ye Leng'an's hand. "Did I let you go?"

Seeing that Shu Yaqi's hand was about to grab her, Ye Leng'an didn't hesitate at all. She grabbed the hand that was reaching over and twisted it behind Shu Yaqi's back. Then, she pushed Shu Yaqi forward and pressed her against the wall.

"Let go of me, hurry and let me go." Shu Yaqi couldn't move under pressure. She struggled and shouted, "You dare to treat me like this? I won't let you off. I'm going to kill you."

"It's already done, do you think I wouldn't dare?" Ye Leng'an laughed coldly and said, "I don't know where you get your sense of superiority from, but in front of me, you better keep your mouth shut! I'm not your mother. I won't spoil you."

After that, Ye Leng'an let go of Shu Yaqi's hand, then turned around and left without glancing at her.

Looking at Ye Leng'an's departing figure, Shu Yaqi was burning with rage. She rushed forward and stretched out her hand, wanting to grab Ye Leng'an's hair.

As if sensing the danger behind her, Ye Leng'an suddenly turned around and lashed out, slapping Shu Yaqi who was rushing towards her.

Shu Yaqi, who had never been hit before, suddenly felt a stinging pain in her face. She covered her face and looked at Ye Leng'an in disbelief. "You dare to hit me?"

Shu Mei'er, who had been waiting outside the washroom, walked in to check the situation because she was worried. But the moment she came in she saw Shu Yaai being slapped.

A trace of joy flashed in her eyes, but she immediately feigned a worried expression. She came to Shu Yaqi's side and asked with concern, "Yaqi, are you okay?"

Although she didn't know what had happened, seeing Shu Yaqi being slapped, she was very happy. One had to know that in the Shu family, she was the only one who was usually beaten up. She didn't expect that Shu Yaqi would actually be slapped now, and across the face like that.

"I'm going to kill you, you b*tch!" Shu Yaqi's eyes were almost on fire. "No one has ever dared to hit me. I won't let you off."

"Suit yourself." Ye Leng'an didn't even look at Shu Yaqi and turned to leave, clean and decisive.

"Yaqi, you..."

Before Shu Mei'er could finish speaking, she was slapped hard by Shu Yaqi.

"You sl*t, don't think that I don't know you want to see me being laughed at right now."

"I didn't." Shu Mei'er covered her swollen face and looked like she was about to cry. "Yaqi, I was just concerned about you."

"Hmph, do I need your concern?" Shu Yaqi said disdainfully, "Shu Mei'er, let me tell you, don't think that I don't know about your schemes. You must have been thrilled to see me slapped! If I don't live well, you don't live well either."

Chapter 262: The Warning 4

The flash of hatred in Shu Mei'er's eyes was fleeting, but she still had a compromising expression on her face. "Yaqi, I know you don't like me. But I'm really concerned for you. I didn't expect that someone would dare to do such a thing on our Shu family's territory today."

Her words further stoked Shu Yaqi's already furious emotions. "She's just a b*tch, I won't let her go. She actually dared hit me. I'll tell my grandfather and father right now. I don't believe they'll ignore me for an outsider."

Now, she was going to tell her grandfather and father about this. She did not believe that they would side with an outsider.

“This is inappropriate!” Shu Mei’er raised her head and looked timidly at Shu Yaqi. “No matter what, she came with Young Master Huangfu. Grandfather and Father both value Young Master Huangfu as an important guest. If you do this, won’t you offend Young Master Huangfu?”

Although she spoke like this, in her heart, she really wanted Shu Yaqi to make a big deal out of this matter. She wasn’t an idiot like Shu Yaqi who couldn’t see reality. From the way her grandfather and father treated Young Master Huangfu, it could be seen how much they valued this esteemed guest.

One had to consider the owner when beating the dog! Shu Yaqi had already gone against the woman brought by Young Master Huangfu. No matter what the final outcome was, Grandfather and Father would be very disappointed in Shu Yaqi. Even if she was the granddaughter of the first wife, if she disappointed them too many times, she would still be abandoned. Only when Shu Yaqi was abandoned would she have a chance to rise in this family.

“I’m not afraid!” Shu Yaqi said arrogantly, “Moreover, she is just a plaything. I don’t believe that Young Master Huangfu will fall out with our Shu Family because of such a plaything.”

With that, Shu Yaqi impatiently left to complain.

Shu Mei’er, who was left behind, reached out her hand and touched her face that had just been slapped. The corners of her mouth curled into a sinister smile. “Shu Yaqi, keep acting as you please! I don’t believe that if you continue to do this, Grandfather and Father will always tolerate you. I’m just waiting for you to fall out of favor and for me to take over your position as the eldest daughter of the Shu family.”

At this moment, Ye Leng’an didn’t know that Shu Yaqi was about to complain. However, even if she knew, she wouldn’t take it to heart. At this time, she also met an acquaintance at the banquet.

“Healer Ye, it is really you!” Jiang Ni approached happily. “I didn’t expect to meet you here! If I had known you were coming, we would have come together.”

“Mrs. Yang!” Ye Lengan was a little surprised to see Jiang Ni here. However, she soon understood.

Jin City was not too big, and the Yang family held a significant position. Therefore, it was reasonable for Old Master Shu to invite the Yang couple to the birthday banquet.

“Healer Ye, did you come with your friend?” Jiang Ni smiled and asked, “Why are you alone? Is your friend not here?”

“Oh, he’s on the other side.” Ye Leng’an smiled and said, “Mrs. Yang, you look well! It seems that the matters at home have been resolved!”

“Yes, everything is settled.” Jiang Ni looked much more relaxed. “If it weren’t for your help, our family’s matters wouldn’t have been resolved so quickly.”

After that incident, she and her husband began to investigate, focusing on Ma Fangling. Unexpectedly, the investigation had pointed to Ma Fangling as the culprit. She had been devastated upon hearing the truth and wasted no time rejecting her husband’s company and went straight to confront Ma Fangling at her house.

In the beginning, Ma Fangling tried to defend herself, but she confessed when faced with the evidence. It was only then that Jiang Ni realized that Ma Fangling had been coveting her husband. Ma Fangling had been drugging her to prevent her from having children, hoping to replace her.

However, Ma Fangling never expected that even though Jiang Ni had been childless for twenty years, Old Yang would never leave her. Ma Fangling constantly visited their house to find an opportunity to seduce Old Yang.

This was also why Ma Fangling had remained unmarried for so long.

However, what hurt Jiang Ni the most was that her auntie and uncle knew everything. Even the Musk Beads had been acquired with her auntie’s help.

She wouldn’t forgive them, even though they were relatives. She left the Ma family without a word and returned to her parents to reveal the truth.

After knowing the truth, her mother immediately broke off her relationship with her auntie and even instructed the family to bar her auntie and her family from entering. And her father immediately cut off all business cooperation with the Ma family. All these years, without their support, the small company of the Ma family wouldn’t have survived.

After that, Old Yang also blacklisted the Ma family’s company within the industry.

In just a few days, the Ma family’s company went bankrupt, and they moved from the villa to a small house. During this period, the Ma family kept trying to visit her, but both Jiang Ni’s own family and her maternal family rejected their entry.

Seeing the Ma family fall into such a state, she was very happy.

However, even so, it could not alleviate the hatred in her heart. Without these people, her child might have been in high school by now. But now, she was still childless.

“It’s good that it’s resolved.” Ye Leng’an nodded her head and consoled her, “Since the matter is already behind you, don’t think too much about it. Open your heart and you will receive good news.”

“Healer Ye, don’t worry. I won’t feel sad for those people.” Jiang Ni pursed her lips and said disdainfully, “Those who hurt me are not worth my feelings. I know very well what is the most important thing now.”

Her only wish now was to quickly recuperate with Old Yang and have a child.

“Nizi, so you’re here!” Yang Tianfu walked over. When he saw Ye Leng’an, he was a little surprised. However, he immediately smiled and said, “Healer Ye, I didn’t expect to meet you here. What a coincidence! I was wondering why she was always here.”

“I came over with a friend to join in the fun.” Ye Leng’an shrugged her shoulders and said with a smile, “Although I have to admit, it’s lively and quite enjoyable.”

She was not referring to the banquet but the incident that happened in the washroom..

Chapter 263: The Old Master’s Invitation 1

“So Healer Ye came with a friend!” Yang Tianfu smiled and said, “Then, I wonder where your friend is. Let’s go over and say hello!”

Most of the people who came here were here to socialize, so it was only right to greet people they knew. Moreover, this could also be considered as indirectly befriending Healer Ye.

“Do you want to say hello?” Ye Lengan was stunned for a moment before nodding. “Sure! He’s over there. Let’s go together!”

“Alright!” Jiang Ni smiled at Ye Leng’an and said, “I heard that you came here with a friend. I was curious what kind of friend it was!”

Previously, she had only heard about this friend from Ye Leng’an. She only knew that the two of them were very close, but she had never seen this friend in person.

Ye Leng’an led Yang Tianfu and Jiang Ni toward Huangfu Ruiling.

At this moment, Huangfu Ruiling was sitting in a corner. Li San stood straight and guarded behind him. Although it was in a corner, he was the center of attention. Perhaps it could be said that wherever he appeared) he would become the focus. Especially Shu Hui, one of the banquet hosts, who was standing there awkwardly.

Shu Hui indeed felt quite awkward. He stood at the side and didn’t know whether to speak or not. He wanted to leave, but he was also worried that he would neglect this master. Therefore, he could only stand there awkwardly.

Yang Tianfu and Jiang Ni had initially followed Ye Leng’an. However, the further they walked, the more they felt that something was off. Because the direction they were heading was shockingly...

“Healer Ye, the so-called friend you mentioned...” Yang Tianfu swallowed and asked with difficulty, “Could it be Young Master Huangfu?”

Although he felt that the possibility was not high, he could not help but have such a thought. That was because they were walking toward Young Master Huangfu.

“Yes.” Ye Leng’an nodded. “He happened to be here on a business trip, so I came along on his private jet. It was more convenient.”

A simple sentence, but it caused Yang Tianfu and Jiang Ni's hearts to be in turmoil. They had not expected that the friend that Healer Ye often mentioned was actually Young Master Huangfu.

When Young Master Huangfu came in earlier, they were still chatting with their friends outside, so they didn't see the girl who came with him. They had also heard others mention that Young Master Huangfu had come with a girl today. They did not know what their relationship was. Now everyone was talking about it.

Especially those who had daughters of marriageable age, they were even more concerned. They felt that even if their daughters couldn't become the wife of the Huangfu family's young master, it wouldn't be bad to become his mistress!

No matter what, as long as they could get close to the Huangfu family, the benefits would definitely be huge. They just hadn't expected that this girl would actually be Healer Ye.

They had once guessed that the relationship between Healer Ye's friend and her was not simple. Every time they heard Healer Ye mention him, they could feel the subtle ambiguous atmosphere between them. However, they were now told that the so-called friend of Healer Ye was actually Young Master Huangfu.

However, they suddenly remembered that Healer Ye seemed to be from the capital. So the two of them were traveling together!

Trembling with fear, Yang Tianfu and Jiang Ni came before Huangfu Ruiling.

However, at the same time, there was a faint sense of pride in their hearts. Because they were standing in front of Young Master Huangfu.

It could be said that at this banquet, there were countless people who wanted to greet Young Master Huangfu. But no one dared to approach him because they were afraid that they would make things worse. It would not be good if they offended someone instead of building a good relationship. However, under the lead of Healer Ye, they arrived in front of Young Master Huangfu. To them, this was simply like a dream.

"You are back." Huangfu Ruiling naturally saw Yang Tianfu and his wife who were beside Ye Leng'an. "This is..."

"This is the purpose of my visit to Jin City!" Ye Leng'an smiled and explained,

"The treatment is over now. But they are quite good people.."

Chapter 264: The Old Master's Invitation 2

She quite liked Yang Tianfu and Jiang Ni. After all, in today's society, especially high society, it was not easy to have such a loving couple who were true to their words.

Rich men mostly had affairs outside. As for Yang Tianfu, he had been able to treat Jiang Ni the same way for so many years. Even without children, he had always doted on Jiang Ni. This was very rare.

Huangfu Ruiling could see that Ye Leng'an had a good impression of the couple. He nodded at Yang Tianfu and Jiang Ni and greeted them, "Nice to meet you."

Yang Tianfu only felt extremely flattered. He quickly bent down and replied, "This should be our honor."

"Yes!" Jiang Ni's smile stiffened. "Besides, Healer Ye has helped us so much. We should really thank her properly."

Huangfu Ruiling looked up at Yang Tianfu and suddenly said, "Mr. Yang seems to be in the electronics business, right?"

"Yes." Yang Tianfu did not expect the other party to know him, but he reacted quickly. "It's just a small business to make ends meet."

Huangfu Ruiling nodded. "We have a project recently that you should be interested in. Li San, tell Mr. Yang the details!"

He had investigated the person Ye Leng'an was treating beforehand. Of course, he wasn't trying to interfere with Ye Leng'an's matters. He was just worried. Of course, he wouldn't take the initiative to tell Ye Leng'an about this. However, he felt that even if he didn't say anything, Ye Leng'an would know anyway.

As for this collaboration, it was also a spur-of-the-moment idea. It was obvious that Ye Leng'an had a good impression of these two people. He was just doing her a favor.

On the other hand, Yang Tianfu was stunned when he heard Huangfu Ruiling's words. He even felt that he was dreaming. Otherwise, why would Heaven suddenly bestow such a big pie upon him? That was the young master of the Huangfu family. The cooperation he was talking about was definitely not a small matter. If the cooperation went smoothly, then his company might be able to take a huge leap upwards.

"Old Yang, why are you still dazed?" Seeing Yang Tianfu's frightened expression, Jiang Ni couldn't hold back anymore. She pinched Yang Tianfu's waist hard and pushed him, urging, "Hurry up and say something!"

Looking at her husband's blank look, she really wished that she could go up and talk to Huangfu Ruiling herself. How could he screw up such a good opportunity at a critical moment! It was a pity that she didn't know much about the business matters and couldn't say much, she could only anxiously stand by the side.

After all, he was a businessman. With Jiang Ni's reminder, Yang Tianfu immediately came back to his senses and began to discuss with Li San.

The people watching enviously around them could be said to be green with envy. One had to know that most of the guests tonight came for Young Master Huangfu. However, no one could get close. Now, not only had Yang Tianfu approached, but he was also starting to discuss business.

One could imagine the huge leap Yang Tianfu's company would undergo starting tomorrow. The benefits of currying favor with the Huangfu family were obvious.

Of course, there were also quite a number of people who were slapping their thighs in regret. If they had known earlier, they would have been able to get close to the girl beside Young Master Huangfu even if they couldn't get close to him! Wasn't Yang Tianfu able to get close to Young Master Huangfu because of that girl's introduction?

When the girl was alone, it was the best opportunity to get close. Now that she had returned to Young Master Huangfu's side, approaching her rashly would only be displeasing.

Actually, Shu Huishen was also a little anxious. Because although this was the Shu family's home ground, it was obvious that they couldn't even get a word in. Although he was entertaining Young Master Huangfu, he was more like a background prop. The other party didn't even say a few words to him. But now, he was even discussing a collaboration with Yang Tianfu.. How could he not be anxious?

Chapter 265: The Old Master's Invitation 3

At this moment, Shu Hui saw Butler Pang, who was beside Old Master Shu, walking over with an unhappy expression, as if something bad happened.

"Butler Pang, is there any order from father?" Shu Hui stepped forward and asked directly, "Or did something happen?"

Butler Pang looked at Shu Hui with a complicated expression before turning to look at Ye Leng'an. His tone was respectful yet firm as he said, "Miss Ye, our

Old Master has something he wants to verify with you. Please come over now."

Although he said it was a request, his slightly unyielding attitude clearly showed it was a demand. Moreover, although Butler Pang's tone was very respectful, there was a trace of disdain in his expression.

He had just been with the old master and the other old masters, so he was not aware of the situation here, let alone that Yang Tianfu and his wife were able to talk to Young Master Huangfu because of Ye Leng'an's introduction.

Therefore, even though Ye Leng'an came with Huangfu Ruiling, he did not take it to heart.

Furthermore, Young Master Huangfu was still publicly single. In other words, the identity of the girl who came with him tonight was intriguing. Moreover,

Young Master Huangfu had never introduced this girl to anyone. Hence, he felt that this girl was just a female companion. To put it bluntly, she was just a plaything.

Huangfu Ruiling didn't say anything, but a cold glint flashed in his eyes unseen by others as his finger moved slightly.

"Butler Pang, what is this about..." Shu Hui stepped forward and asked, "Did something happen?"

Although Butler Pang was not sure, Shu Hui had been following Young Master Huangfu all this while, so he could see more clearly that this girl had a high status in Young Master Huangfu's heart. Therefore, unless it was absolutely necessary, it was best not to offend this girl.

For some reason, his heart was beating fast when he saw this girl. He felt that this girl was not as simple as she looked. At the very least, he felt that she was definitely not just a vase.

“Eldest Master, this is the old master’s order. I’m just here to pass it on.” Butler Pang did not notice Shu Hui’s misgivings. Instead, he said directly, “So, if you want to know anything, please ask the old master directly.”

Shu Hui still wanted to say something, but before he could, he heard Ye Leng’an speak.

“You want me to go over, right?” Ye Leng’an raised her head and looked at Butler Pang, asking indifferently, “Why?”

So what if he was the host of this banquet? She wasn’t asking him for help, so why should she cater to Old Master Shu’s every whim? If he really wanted to find her, he could come over! Why did she have to go over?

It was obvious that Butler Pang did not expect to receive such an answer. He was stunned for a moment before looking at Ye Leng’an. His tone grew firmer as he said, “Miss, our Old Master has something important to discuss with you. Please do me a favor and don’t make things difficult for me. I’m just a messenger. If I can’t get you to come over, then it will be my fault.”

“What does this have to do with me?” Ye Leng’an raised her head and said in amusement, “What’s your relationship with me? Why do I have to go see your old master just because you said so? If he really has something to discuss with me, he can just come over directly! I won’t run away.”

After hearing Ye Leng’an’s words, Butler Pang couldn’t help but gasp. He did not expect this girl to be so arrogant and even want the old master to come personally. She really thought too highly of herself. Did she really think that with Young Master Huangfu’s backing, she could act so boldly?

“It seems that this young lady is not giving our old master any face at all.”

Butler Pang was so angry that he laughed. “Since you don’t want to go over, I’ll naturally tell our old master everything you said.”

“Go ahead.” Ye Leng’an replied indifferently, “He’s your old master, not mine.

You don’t have to tell me..”

Chapter 266: The Old Master’s Invitation 4

Hearing such a reply, Butler Pang was naturally furious. He turned around and left.

Ever since he became the butler of the Shu family, he had never received such treatment. She was just a little girl relying on Young Master Huangfu, yet she dared to be so arrogant. He didn’t know who gave her the courage to do so.

If Young Master Huangfu really cared about this girl, he would have already lost his temper when he spoke earlier. However, Young Master Huangfu hadn’t said a single word up until now. It was obvious that this girl didn’t have much standing in his heart.

Shu Hui, who had been at the side and could not interrupt, was anxious at this moment. He had a feeling that things weren't that simple. At the very least, in his opinion, this girl definitely had a certain position in Young Master

Huangfu's heart. Otherwise, Yang Tianfu and his wife wouldn't have obtained the Huangfu family's cooperation project just because of her recommendation.

However, his father didn't know what he knew. Obviously, they had offended someone just now. If his father were to really denounce her, he was afraid that it would really lead to a fallout with Young Master Huangfu.

"Young Master Huangfu, I still have some matters to attend to." Although Shu Hui was anxious, he did not dare to leave immediately. Instead, he politely said, "Have fun, everyone."

It was as if Butler Pang's arrival had never happened.

Huangfu Ruiling didn't say anything. He just nodded, indicating that he already understood.

Shu Hui, who had received permission, immediately called a waiter to take care of this side before leaving quickly.

On the other side, after Butler Pang returned to the lounge, he repeated what

Ye Leng'an had said word by word. Although he didn't add oil to the fire, it still successfully angered Old Master Shu.

Old Master Shu sat there with a gloomy expression. When he spoke, his tone was filled with suppressed anger. "Did she really say that she wanted me to go find her?"

Shu Yaqi stood at the side. At this moment) there was a bright red palm print on her face, making her originally beautiful face pale. Her eyes were filled with tears as she stood there, her face full of grievance.

She couldn't deal with Ye Leng'an, but her grandfather could. Therefore, she went straight to her grandfather to complain. No matter what the reason was, today was his grandfathers birthday banquet. If someone dared hit a member of the Shu family at the birthday banquet, it obviously meant looking down on them. She knew that her grandfather would never let this matter rest. The truth was just as she had guessed. After listening to her exaggerated story, her grandfather was very angry and immediately asked Butler Pang to summon Ye Leng'an over.

However, what she didn't expect was that Ye Leng'an wasn't just this arrogant when facing her and was the same when facing her grandfather, even more so.

However, this was even better. The angrier her grandfather was, the more she would deal with Ye Leng'an. She wanted to let Ye Leng'an know offending her meant Ye Leng'an would never have good days again.

Shu Mei'er stood next to Shu Yaqi with her head lowered, making it impossible for others to see her expression clearly. She looked timid and did not have a trace of the magnanimity that a young lady of the Shu Family should have. After hearing Old Master Shu's Question. Butler Pang replied respectfully. "Old Master, that's exactly what the young lady said. I dare not hide anything."

“Good, very good.” Old Master Shu laughed angrily. He slammed the table hard, and the anger in his eyes was evident. “In that case, I’ll go and meet this girl myself. I’ve never seen a girl so arrogant to let an elder see her. I want to see what kind of support this girl has.”

‘Grandfather, I’ve already told you.” Shu Yaqi, who was standing at the side, started to fan the flames. “She relied on Young Master Huangfu’s influence and completely looked down on our Shu family. Just now in the washroom, she hit me over a few arguments. Now, she’s even disregarding you.”

“Young Master Huangfu’s influence?” Old Master Shu sneered and said, “She is just a nobody. What influence could she borrow? She really thought that she could become a phoenix just by perching at the treetop. This country bumpkin really thinks too highly of herself!”

Old Master Shu stood up and walked out of the door after speaking.

Before taking a few steps, they met Shu Hui who was hurriedly rushing over.

He had intended to stop Old Master Shu from causing trouble for Ye Leng’an. However, he did not expect to see his daughter here. However, the first thing he saw was definitely the eye-catching palm print on Shu Yaqi’s face.

“Yaqi, what happened to you?” Shu Hui frowned and could not help but ask, “Who hit you?”

Logically speaking, none of the people who came tonight dared to offend the Shu family. However, the palm print on Shu Yaqi’s face was obviously from being hit by someone.

It was said that one shouldn’t hit the face when fighting. The other party’s actions were clearly provoking the Shu family.

“Dad, you have to help me get justice!” When Shu Yaqi saw Shu Hui, she immediately complained, “It’s the sl*t who came with Young Master Huangfu. She hit me in the washroom just now.”

“It was Miss Ye?” Upon hearing that Ye Leng’an hit her, Shu Hui could not help but frown. “What exactly happened between the two of you? Why would she hit you for no reason?”

“Dad, what do you mean?” Shu Yaqi said unhappily, “I was the one who was hit. Instead of thinking about how to get justice for me, you’re questioning me here. What kind of father are you?”

“I just want to know the full story.” Shu Hui said, “There must be a reason why she hit you!”

Ye Leng'an hit Shu Yaqi. Although he didn't know what happened, he wouldn't deny it. Because he believed that Shu Yaqi wouldn't lie about something like this. However, he felt that he still had to figure out the reason first before he went to denounce her, to justify his actions.

"We'll talk about it when we get back," Old Master Shu said. "Also, I want to see how amazing this arrogant girl is!"

Although he tried his best to suppress it, one could still sense his anger and dissatisfaction in his tone.

"Father, I have something to tell you." Seeing that Old Master Shu was about to cause trouble, Shu Hui quickly said.

However, Old Master Shu looked at him and said, "Let's talk about it after the banquet is over! I don't want to hear it now.. Get out of my way!"

Chapter 267 - 267: He Was Completely Offended 1

"No, Father, this matter is very important." Shu Hui said, "Can you hear me out before you decide?"

"I don't want to hear anything now." Old Master Shu couldn't listen to anything else. He pushed Shu Hui away and said, "If there's anything, let's talk about it after I'm done with this matter."

With that, he took the lead and walked out. As the victim, Shu Yaqi naturally followed out. Shu Mei'er wanted to follow but was stopped by Shu Hui.

Shu Hui asked her to tell him everything in detail, with absolutely no omissions.

Shu Mei'er could only stay and tell him everything about the grudge between Ye Leng'an and Shu Yaqi, including the conflict they had in the jewelry store.

In front of Shu Hui, she didn't dare to embellish anything and told it all. She didn't side with any party and didn't take the opportunity to slander Shu Yaqi. Of course, this wasn't because she didn't want to add insult to injury, but because she didn't dare to.

Shu Hui stared straight at Shu Mei'er and said in a deep voice, "So, you mean that all along, it was Yaqi provoking, right?"

"This..." Under Shu Hui's sharp gaze, Shu Mei'er felt a sense of pressure. "I don't know what to say, but I can guarantee that I'm telling the truth."

At this time, she absolutely couldn't say a single word. Otherwise, she was afraid that her father would suspect that she was slandering Shu Yaqi. Although she told the truth, any discerning person would know that from the beginning, it was Shu Yaqi's fault.

"This wretch." Shu Hui couldn't help but curse, "Not only is she arrogant and despotic usually, but now she's even provoked Young Master Huangfu's people. And she still

dares to invert right and wrong to deceive Father. I think she really needs to be taught a lesson.”

Shu Mei'er stood at the side obediently and did not say anything. She was so quiet that it was as if she did not exist.

“Let's go over now.” Shu Hui looked at Shu Mei'er and said, “Don't talk nonsense later. Don't open your mouth until I ask, understand?”

“Father, I understand.” Shu Mei'er lowered her head.

However, a trace of pleasure flashed across her eyes unseen by Shu Hui. She believed that after this incident, Shu Yaqi's status in the Shu Family would definitely decline. Without Shu Yaqi, she would be the only daughter of her father. Even if her father's first wife disliked her, her father would still value her more than before.

On the other side, Old Master Shu had already brought Shu Yaqi to the banquet hall and came before Ye Leng'an.

Yang Tianfu was still talking to Li San while Ye Leng'an was playing on her phone. As for Jiang Ni, she occasionally glanced at Ye Leng'an worriedly.

Ye Leng'an's actions had clearly offended Old Master Shu. Old Master Shu was not someone easy to deal with. He would definitely not let this matter rest. At that time, she wondered if Young Master Huangfu would stand on Ye Leng'an's side and protect her.

Just as she was thinking, she saw Old Master Shu already before her. However, what was surprising was that the eldest daughter of the Shu family, Shu Yaqi, was following behind Old Master Shu. There was a red palm print on her face. Moreover, she looked aggrieved at this moment.

Everyone wondered who had the guts to hit Shu Yaqi! One had to know that Shu Yaqi often bullied others relying on her status as the eldest daughter of the Shu family. Out of face for the Shu family, everyone was very patient with her. Especially for some families that were not as powerful as the Shu family, they couldn't resist at all.

Unexpectedly, someone dared to directly slap Shu Yaqi in the face.

Ye Leng'an didn't even raise her head, continuing to play on her phone.

Everyone couldn't help but break out in a cold sweat for her bold actions.

“Young Master Huangfu, do you mind if I seek justice from your female companion?” Old Master Shu was experienced. Naturally, he would not act rashly.

If Huangfu Ruiling expressed that he would protect Ye Leng'an, he would give Young Master Huangfu face despite his displeasure. However, it was unknown if he would secretly seek revenge after this. On the contrary, if Huangfu Ruiling did not care, it meant that he did not care about this girl..

Chapter 268 - 268: He Was Completely Offended 2

Yang Tianfu and Jiang Ni looked nervously at Huangfu Ruiling, waiting for his answer. Even though they could tell that Young Master Huangfu valued Healer Ye greatly, they were still worried that something unexpected might happen.

Of course, the others were also waiting for the answer. One had to know that there were many people staring at Huangfu Ruiling in the banquet hall. Who didn't want to be close to Young Master Huangfu? If he didn't value this female companion, it would be good news for all the women in the banquet hall.

Under everyone's gaze, Huangfu Ruiling slowly said, "You can do whatever you want."

As soon as the answer came out, Old Master Shu's eyes flashed with joy. At the same time, when he looked at Ye Leng'an, there was a hint of viciousness.

Yang Tianfu and Jiang Ni had never expected such an answer. They were very anxious, but they didn't know how to help Ye Leng'an.

On the other hand, Ye Leng'an, who was in the center of the storm, was exceptionally calm. Hearing Huangfu Ruiling's answer, she did not even frown.

At this moment, she finally put down her phone and looked at Old Master Shu. "What's wrong? Old sir, you said you wanted to seek justice from me, right? Is your family always like this? The young can't win so the old come to seek justice? Are you trying to rely on your seniority?"

She was very disdainful of Old Master Shu's so-called act of seeking justice without distinguishing right from wrong. At the same time, she also understood that the reason why Shu Yaqi had developed such an arrogant and despotic personality was probably due to this old man. Without his connivance and acquiescence, Shu Yaqi wouldn't be so arrogant!

"You..." Old Master Shu was furious. He pointed at Ye Leng'an with a trembling hand and said, "You're so young, yet you're so rude. You really have no upbringing."

"Yes, my upbringing is indeed not as good as yours." After hearing Old Master

Shu's words, Ye Lengan didn't get angry. Instead, she was calm and collected. However, the words that came out of her mouth were enough to anger people to death. "But at least I won't be the one to complain first, and I won't force myself to snatch other people's things."

"You b*tch, who's the one complaining first?" Shu Yaqi) who was standing at the side, couldn't help but jump out, pointing at Ye Leng'an's nose and cursing, "Also, who snatched anything? I was the one who took a fancy to that bracelet, and you were the one who stole it from me."

When everyone heard this, they immediately understood. It seemed that the conflict between these two people was not something that happened overnight!

Old Master Shu wasn't a fool. He naturally understood the meaning behind Ye Leng'an's words. He glanced at Shu Yaqi, blame in his eyes. Of course, he wasn't blaming Shu Yaqi and Ye Leng'an for their conflict. He was blaming Shu Yaqi for not telling the truth and hiding facts.

Seeing Old Master Shu's gaze, Shu Yaqi avoided it, not daring to look at him directly. She didn't do it on purpose. She just didn't dare to say it out loud because she was afraid of being reprimanded. She never expected Ye Leng'an to reveal everything without any hesitation.

Thinking of this, Shu Yaqi even had the intention to kill Ye Leng'an.

However, Old Master Shu only glanced at Shu Yaqi before his gaze returned to Ye Leng'an. "Little girl, no matter what kind of grudge you have against Yaqi, it's the truth that you hit Yaqi! Shouldn't you give an explanation for hitting a member of our Shu family on our territory?"

Regardless of whether Shu Yaqi was in the wrong or not, since Ye Leng'an had already made a move, then she was definitely in the wrong. Moreover, even if the Shu family did something wrong, it wasn't for others to discipline them.

"Explanation? What explanation?" Ye Leng'an shrugged and said nonchalantly, "Could it be that your granddaughter didn't tell you that she was the one who started it? Who can you blame for inferior skill?"

Seeing Ye Leng'an's composure, Old Master Shu narrowed his eyes, and a sharp glint flashed across his eyes. "So, you think you're not wrong. Yaqi brought this upon herself, right?"

"Old Master Shu, you know me too well." Ye Leng'an nodded in agreement.

"That's exactly what I think. Looks like you feel the same way!"

"You..."

Old Master Shu had never met someone like Ye Leng'an before. His eyes were sharp as he looked at Ye Leng'an. Although he didn't say anything, he released his aura to suppress Ye Leng'an..

Chapter 269 - 269: He Was Completely Offended 3

After all, Old Master Shu had been immersed in the business world for many years. Although he was a little muddle-headed when it came to family matters, he was still very capable. Otherwise, he would not have been able to protect such a large family business and make the Shu family stronger. Therefore, when his aura was fully unleashed, few could withstand it.

Yang Tianfu and Jiang Ni looked at Ye Leng'an worriedly. They wanted to help but found no chance to speak up. So they could only anxiously stand by.

Huangfu Ruiling calmly watched everything happening, seemingly indifferent. But in fact, from the beginning, his attention had been on Ye Leng'an.

Ye Leng'an looked at Old Master Shu calmly, her gaze steady, appearing extremely composed. "Old Master Shu, you already know what you want to know. Is there anything else?"

Old Master Shu was secretly shocked when he saw Ye Leng'an completely unaffected. However, he did not show it on his face. He said in a deep voice, "Little girl, you're very arrogant! You're standing on my Shu family's territory, and you dare to hit my Shu family's people. It seems that you completely look down on my Shu family!"

He had never expected that he would be unable to suppress a little girl in terms of aura. One had to know that even his son could not be so calm when facing his full aura and would even stutter when speaking. On any other day, he might have admired such a young lady. However, now facing Ye Leng'an, his heart was filled with disgust.

"Oh, so you mean that if I stand on your Shu family's territory, I have to stand to be beaten, right?" Ye Leng'an smiled coldly and said, "If that's the case, why didn't you make it clear beforehand that coming to your Shu family's banquet means no fighting back or scolding? If you had told me in advance, I definitely wouldn't have come."

Hearing this, the guests' expressions soured.

"You're simply twisting logic." Naturally, Old Master Shu noticed the other guests' gazes. He looked at Ye Lengan as if he wanted to kill her. "When did I say such a thing?"

Ye Leng'an's mouth was really too vicious. Wouldn't such a statement be equivalent to putting the Shu family in a very awkward situation? If this got out, who would dare to come to the Shu family's banquets in the future?

"Hehe, Old Master Shu, isn't that what you meant just now?" Ye Lengan sneered and said, "You know very well what kind of person your granddaughter is. Do you really believe that she would be beaten up for no reason? Actually, you know that she must have done something wrong.

However, you didn't ask her first and directly came to demand justice. Why? Do you think I'm easy to bully?"

"Girl, you are indeed bold." Old Master Shu was so angry that he laughed. "Are you declaring war on the Shu family?"

She was just a little girl, yet she actually dared to question his authority like this. It was simply preposterous. If Young Master Huangfu protected her, perhaps he would have to be more cautious. Now that Young Master Huangfu clearly didn't care about this matter, he had nothing to worry about.

"Old Master Shu, we haven't figured out the ins and outs of this matter yet.

Why make it sound so serious?" Yang Tianfu quickly stepped forward. "Moreover, Miss Ye is still young and prone to youthful impetuosity. Why should you be calculative with her? Today, for my sake, let's each take a step back, okay?"

"Mr. Yang, are you going to help this little girl?" Old Master Shu did not expect Yang Tianfu to speak at this time. A glimmer of light flashed in his eyes, and then he said, "Since you've spoken, I'll give you face today. As long as this little girl kneels down and apologizes to Yaqi, and slaps herself three times, then I will pretend that this matter never happened."

Although the Yang family couldn't compare to the Shu family, their strength couldn't be underestimated. As the head of the Yang family, Yang Tianfu doing him a favor today wasn't bad. Therefore, he was willing to take a step back. Of course, the prerequisite was that the girl was sensible.

Old Master Shu's words, which he thought were magnanimous, were hard to accept in the eyes of the crowd..

Chapter 270 He Was Completely Offended 4

The matter was still unclear, yet Old Master Shu demanded an apology, moreover kneeling to apologize. This was really too insulting. Moreover, he even wanted her to slap herself in the face. What kind of "each other taking a step back" was this? This was obviously intended to humiliate the other party!

After Huangfu Ruiling heard those words, the coldness in his eyes intensified. When he looked at Old Master Shu, there was no trace of warmth, as if he was looking at a dead person.

"Old Master Shu, don't you think that this request is too excessive?" Yang Tianfu could not help but frown. "You're being unfair!"

"Mr. Yang, I'm already giving you face." Old Master Shu said in a deep voice, "Otherwise, I'll teach this girl a lesson today."

Shu Yaqi, who was standing behind Old Master Shu, was even more arrogant

at this moment. Obviously, she was very happy with her grandfather's way of handling things. Just thinking of Ye Leng'an kneeling in front of her made her extremely excited.

Yang Tianfu wanted to say something, but Ye Leng'an stopped him.

"Mr. Yang, no need to say anymore."

She was very grateful that Yang Tianfu was willing to speak up for her on such an occasion. However, she felt that there was no need for Yang Tianfu to go against the Shu family because of her.

She looked at Old Master Shu again. There was no panic or grievance on her face. Instead, she smiled. "Old Master Shu, it seems that you are indeed old. Otherwise, you wouldn't start dreaming so early. I'm telling you, there's no way I will apologize. Also, if Shu Yaqi provokes me again, I will beat her up without a doubt. You're her grandparent. It's your business if you're willing to spoil her. But I have nothing to do with her, so I have no obligation to indulge her."

Old Master Shu did not expect this outcome at all. He was so angry that he could hardly speak.

"Old Pang, let the bodyguards in now." Old Master Shu immediately ordered, "Since she doesn't know what's good for her, then there's no need for me to show her any mercy."

Butler Pang did not hesitate and immediately called the bodyguards in.

Soon, two bodyguards entered and walked towards Ye Lengan.

“Father, wait a moment.”

Just as the bodyguards approached Ye Leng’an, Shu Hui finally arrived with Shu Mei’er. However, when he saw the tense atmosphere in the banquet hall, his heart could not help but thump.

“Father, this matter has nothing to do with Miss Ye. It was all caused by Yaqi.” Shu Hui came to Old Master Shu’s side and quickly said, “So, it should be Yaqi apologizing to Miss Ye.”

“Dad!” Shu Yaqi couldn’t believe her own ears. “Do you know what you’re saying? You want me to apologize to this b*tch? That’s impossible. Have you figured it out yet? I’m your daughter. Why are you taking the side of outsiders?”

“Shut up.” Shu Hui looked at Shu Yaqi and shouted, “I’ll settle accounts with you later.”

“You shut up.” Old Master Shu looked at Shu Hui. “I’m your father. I don’t need you to teach me what to do now. “If you don’t want to seek justice for Yaqi, then just stand aside and watch.”

He did not want to know who was right or wrong. That girl was too arrogant. He would never let her off easily. Moreover, this was unacceptable.

Today, if he let this girl off so easily, then wouldn’t everyone start acting willfully in the face of the Shu family in the future? Now, what he had to protect was not his granddaughter Yaqi, but the reputation of the Shu family.

Shu Yaqi, who was originally very dissatisfied and aggrieved because of Shu Hui’s words, was now full of pride. Because she knew very well that in this family, her grandfather was the one who made the decisions. As long as her grandfather was willing to seek justice for her, then Ye Leng’an would definitely not have a good outcome tonight. Later, she wanted Ye Leng’an to kneel on the ground and lick her shoes.

She couldn’t help but feel excited when she thought of such a situation. If not for the improper situation, she would have laughed out loud.

“No, Father.” Shu Hui was very anxious. Furthermore, he could tell that Young Master Huangfu’s expression was not good. “I just...”

At this moment, he couldn’t directly say that continuing like this would really offend Young Master Huangfu. Therefore, he was really anxious.

Old Master Shu waved his hand and ordered, “Do it.”

The two bodyguards immediately rushed forward and grabbed Ye Leng’an.

However, just before they touched Ye Leng’an, they were sent flying by a kick. The two tall bodyguards were like sandbags as they were thrown a few meters away.

When the guests saw this, they immediately dispersed, afraid of being impacted.

Old Master Shu was shocked when he saw the person who made the move. He turned his head to look at Huangfu Ruiling and asked, “Young Master Huangfu, what do you mean by this?”

Because the one who did this was none other than Li San, who had been standing behind Huangfu Ruiling. At this moment, he was standing in front of Ye Leng'an in a protective stance.

Everyone knew who Li San was. Therefore, with him standing there protecting her, who had given the order was obvious.

However, hadn't Young Master Huangfu said that he wouldn't care about it? Why did he send someone to protect Ye Leng'an now? Or, from the beginning to the end, Huangfu Ruiling never intended not to get involved?

Ye Leng'an pursed her lips and looked at Li San, who was standing in front of her. She felt a little helpless. Actually, Li San didn't even need to make a move. Those two bodyguards were no match for her at all.

"Nothing much." Huangfu Ruiling looked up and said flatly, "I just asked him to protect the person I brought. This is normal, isn't it? Since I was the one who brought her in, I should naturally bring her out unscathed."

These few words made Old Master Shu's heart sink. He recalled what Huangfu Ruiling had just said and realized that from the beginning to the end, Huangfu Ruiling had never said that he would not care about this matter.

Therefore, from the beginning to the end, it was his own misunderstanding.

At this moment, Shu Hui could not help but close his eyes. The moment Young Master Huangfu ordered his man to take action, he knew that after tonight, the Shu family had truly offended Young Master Huangfu..
