<Obtained 1000 Exp, and 1 Skill Upgrade>

<Level Up!>

<All stats increase by 1>

<Obtained 3 Attributable Stats>

'Just a little bit more to reach level 10, Let's speed things up later', Rex thought, then he adds the attributable stats into his good old mental stats.

<Stats>

<Average Human Adults have 5-7 points for each stat except for Intelligence>

'System, What is the Skill Upgrade point for?', Rex asks when he saw the rewards he obtained from completing the quest.

<Skill Upgrade is used to learn skills in the Skill tab or upgrade existing skill>

Hearing this Rex opened the system and enter the skill tab,

In the skill tab, there are many skills that form skill trees, there are many skills that are still greyed out, Rex assumed that he still didn't meet the requirement yet.

He scrolls to the bottom of the skill tree and found two choices that he can choose, these two choices cost only 1 Skill Upgrade. The two skills come from the Fighter Iota and Assassin Iota skills tree.

Rex taps each of them to see the details,

<Body Smash>

A skill under the Fighter Iota, Charge to the enemy smashing the enemy and everyone near them, the user will get a temporary +10 strength upon impact.

<Cheap Slash>

A skill under the Assassin Iota increases the user agility by 10 to perform a quick slash.

After reading the skills, Rex was gloomy.

The skills are really plain! He has high hopes for the skill tab but these two skills make him wanna puke.

Rex scrolls to find skills that are interesting, he wanted to be physically strong and hopes he can be like an awakened who can control elements that were way cooler than this Body Smash and Cheap slash.

After scrolling, he found almost all the other skills use elements!

'So I will eventually be able to control an element?! Let's level up then', he thought excitedly, he found a couple of skills that he wants.

<Elemental Immunity(Locked)>

Comprehending all of the elements will give Immunity to all elements! Unkillable against all enemies using elemental attacks.

Passive skills that make the user immune to all elemental attacks

<Lord of the Moon(Locked)>

Lord of the Moon, a skill of a high-ranking werewolf. Blue Full-Moon mark will appear on the user's shoulder as a sign of the Lord, they are the dominator during the Full-Moon standing on the top area of the supernatural food chain.

The user can control the next Full-Moon that will appear, Amplify all full-moon buff by 3.

<Alpha Intimidation(Locked)>

The aura of an Alpha will make even the sturdiest creature fall to their knees, the aura of the leader of the pack brings terror and mark them as formidable opponents.

The user's eyes will turn scarlet red during the skill activation, decrease 30% of the target's stats. Skill will affect those who have mental stat below the user's mental stat.

Rex keeps scrolling for fifteen minutes looking at different cool skills but all of their requirement is too high for the current him, 'Level 50? Must become an Alpha of a pack? Must master all

elements? must become an Elder werewolf? the requirement is too hard', Rex thought after looking at the skills he likes.

'System, When will I evolve into a higher form of Werewolf?', Rex asks. Now Rex is a half-blood, and many skills required him to evolve into a higher form of werewolf so he can't help to ask the system.

<When the user fulfill the requirement>

Hearing this, Rex knit his brows in confusion, 'What requirement?'

The system didn't reply, Rex waited for a couple of minutes but the answer he was awaiting never comes.

'Sigh, Fine if you don't want to answer', Rex sigh and focuses back on Mr. Joseph.

"Remember, the day after tomorrow will be a field test. You are all going to a tamed skeleton cemetery where you will experience fighting real supernatural", remind Mr. Joseph.

Rex was excited when he hears this, 'I must kill as many skeletons as I can, I must reach level ten'  
RING!!!

The bell rang, Rex walks out of the class. He's going to go to Rosie and proceed with his plan.

"Rex! Where are you going? Let's go together", Adhara said while holding Rex's hand.

Rex glance at Adhara and replied, "I can't today, maybe next time", Rex left class heading towards class 1-B.

Meanwhile, Rosie is preparing to leave class and go to Rex.

She decided to trust Rex so she will be kinder to Rex the next time they meet.

While she was preparing to leave,

A medium-built boy with spiky black hair approached her and sit beside her, "Rosie, Let's go to the gold restaurant. I just book the VIP section just for us", he said with his chest puffed up.

Rosie ignore him and stands up from his seat,

"Rosie! You will eventually be mine, so why bother to avoid me", He said. Although he is calm and collected there is a hint of anger in his tone,

Rosie keeps walking, she didn't even bother with his words.

The medium-built boy chuckled, "Where are you going? That Rex is probably in the clinic right now", he said with a grin plastered on his face.

Hearing this, Rosie turns around and said with a mocking smile, "Lucas, you probably should check out your lackeys, I bet they need a doctor right now", she then turn around and left.

A look of puzzlement crossed Lucas's face, "Yeah right, there's no way that non-awakened guy can do that", he musters but his face still plastered with a look of concern.

While Rosie was walking in the hallway, many guys approach her and try to flirt with her but she just shrugs it off like it's a daily occurrence.

She pauses in shock when suddenly a hand grabbed her waist, she is wearing her white crop top so the guy who grabs her waist is touching her skin.

Just when she wanted to punch the guy who dares to grab her waist, She found Rex smiling at her.

"Hello girlfriend, Where are you going? Searching for me?", Rex said with a playful smile.

Rosie turned rosy red, "I'm not..."

looking at their cold and indifferent goddess turns into a bashful girl, Rosie's fanboy gritted their teeth in anger.

One of them can't stand it anymore, he blocks Rex and Rosie's path and said, "You lowly non-awakened! You are not worthy of Rosie! Know your place!"

The guy is only a rank one awakened, so Rex pretends to fall in fright.

Looking at this, a surge of confidence enters the fanboy's body. He walks with big strides when suddenly Rex trips the fanboy's legs making him fall face-first to the ground.

"Ah, I'm sorry! I didn't mean to!", Rex said helping the guy out.

The fanboy's face turns red in embarrassment, he flicks his arms and punches Rex on his face.

"Eat this!"

Rex bent his body to dodge the punch and stepped his feet onto the fanboy's feet with strength.

The fanboy was teary after getting his feet stepped on, He lifts his hurting feet and jumped like a rabbit.

Rex wants to laugh so loud but he held it in, 'Damn, bullying is so much fun, I must stop lest I become addicted to this'

While Rex is thinking, the fanboy tripped on a bench outside each of the class and fall to the ground hitting his head.

<Defeat Late Rank One Awakened, Obtained 100 Exp>

Reading the notifications, Rex was speechless, 'I didn't even do anything'

Looking at the scene Rosie chuckles, She tugs Rex's arm and whispers, 'What are you doing? You're planning something, aren't you?'

"What are you talking about, I know you Love Me!", Rex said loudly.

Rosie tilts her head in puzzlement, 'I didn't say that? Are you deaf?'

"Don't be embarrassed! you look cute looking like that", Rex sent praise after praise hoping another guy will challenge him.

'I just need to keep this up, surely one of them will fight me. I literally invincible against rank two awakened', Rex is trying to use Rosie's fanboy to his grind in gaining Exp.

After a while of flirting, "YOU! YOU'RE JUST SHOWING OFF AREN'T YOU!"

Hearing this Rex smiles, he nodded his head in satisfaction praising his brilliant plan.

"I KNOW YOU GOT ROSIE SO WHY RUB IT ON OUR FACE"

Rex's mouth quirked up when another one was caught in his plan, 'Yes, this is brilliant. I hope they are rank two awakened'

"YOU TRASH!"

"IF I DON'T BEAT YOU TODAY! I WILL DROP OUT!"

"I WILL PUNCH THE SMUG OFF YOUR FACE!"

Rex started to sweat, he turns his body around and was taken aback.

What greeted him is not just one guy but dozens of guys looking at him with hatred,

Rex smiles with cold sweat running on his forehead, 'Wait this is not what I expected!', he steps back unconsciously.

Rex looks at Rosie and smiles sweetly, then suddenly he runs the other way leaving Rosie and her fanboys behind.

"PLANNING TO RUN? NOT GONNA HAPPEN"

"CATCH HIM!!!"

Rex musters all of his strength to run! He's running for his life!

The horde of fanboys behind him makes the floor tremble.

'Shit, My plan is too brilliant!'
