Chapter 2301: Untitled

Song Yichen rubbed his nose and wanted to slip away.

But Feng Qi had an eye on him.

“You!” She pointed at Song Yichen. “I saw you mumbling with Feng Wu earlier! She’s your friend, isn’t she? Where did she go? Tell me!”

Song Yichen shrugged. “Hey, be reasonable.”

Feng Qi smirked. “I don’t care what your relationship is. If Feng Wu doesn’t show up today, I’ll beat you up instead! It’s just not your lucky day!”

Hey!

Song Yichen was furious.

That didn’t make any sense at all!

Seeing Gu Xingcheng and Gu Xingyun, Gu Xingmeng frowned and walked up to them. “What happened?”

“It was Feng Wu!” Gu Xingcheng’s condition had improved, so he gritted his teeth and said, “It was all because of Feng Wu! She injured Feng Qi and our aunt and destroyed their home! And now, she injured me and Xingyun! Brother Xingmeng, you have to teach her a lesson!”

On their way here, Feng Qi had said a lot of bad things about Feng Wu, so Gu Xingmeng had already formed his own opinion. He asked, “Where is she?”

“She’s gone!” Gu Xingcheng smirked. “But she won’t get away! Let’s go to the Feng clan. If they refuse to give her up, we’ll take their houses apart!”

Seeing his injured brothers and the humiliation they had suffered, Gu Xingmeng nodded. “Let’s go!”

“Where are you going?”

Gu Xingmeng turned around to see a stunning girl standing in front of him.

She wore a red dress and looked furious.

“Feng Wu?!”

Gu Xingmeng didn’t know who she was, but everyone else was looking at her in astonishment.

“Didn’t you run off? Why are you back?” Song Yichen was concerned.

Now that Gu Xingmeng was here, Gu Xingyuan would follow. Feng Wu would die!

Feng Yi ignored Song Yichen. She asked Gu Xingmeng, “Are you Gu Xingyuan?”

Gu Xingmeng shook his head. “I’m Gu Xingmeng, their fourth brother.”

Feng Wu frowned. "I don't want to beat you up. Get Gu Xingyuan here."

Everyone sucked in their breaths.

What did she mean by not wanting to beat him up?

She sounded as if she could beat up whoever she wanted.

Song Yichen buried his face in his hands. He also thought that Feng Wu was bluffing.

The Gu brothers were shocked at first, but they soon realized what she had said.

Gu Xingyun had passed out. Gu Xingcheng snorted and gave Feng Wu a contemptuous look.

As for Gu Xingmeng...

He sneered at Feng Wu. "Brother Xingyuan is in Year 4, and you're only a Year 2 student. You must be dreaming if you want to challenge him."

Because of what had happened to Qiuling, Feng Wu was furious with the whole Gu family. She said, "Then, I'll beat you up first!"

She charged at him.

She was using the Fire Dragon Rod, and anyone hit by the rod would find it impossible to get away.

Word soon got out that Feng Wu was fighting Gu Xingmeng.

In Chief Qiao's office in Year 2.

Someone had already gone there to deliver the news.

That person was none other than Qiao Er, Chief Qiao's second daughter.

Chapter 2302: Untitled

"Dad! Dad! Feng Wu is fighting again!"

Chief Qiao had never liked Feng Wu. Since Chief Lu, who liked Feng Wu, had gone traveling, there was nothing Chief Qiao needed to worry about.

He sipped his tea and glanced at Qiao Er. "Feng Wu? Do you mean the one who's eighth on the billboard? There are seven students ranked above her, aren't there? Let them discipline her."

"Dad! Feng Wu is fighting the Gu brothers!" Qiao Er said excitedly.

Chief Qiao asked, "Which Gu brothers?"

Qiao Er said, "Which other Gu brothers can they be? The six geniuses, of course!"

Chief Qiao said, "I'm asking because the youngest of the Gu brothers is already the top student in Year 2, and Feng Wu is only eighth. How can she possibly fight him? You should say that Feng Wu is getting beaten up by the brothers, not fighting them."

Qiao Er said, "It's not like that, Dad! Feng Wu has already defeated Gu Xingcheng and Gu Xingyun! She's fighting Gu Xingmeng now!"

"What?!" Chief Qiao only came to his senses then. "What do you mean she defeated Gu Xingyun and Gu Xingcheng?"

Qiao Er said, "What else can I mean? Gu Xingcheng and Gu Xingyun have been beaten up!"

"That's impossible!" Qiao Yi came into the room at the moment, and she shook her head when she heard what Qiao Er said. "Feng Wu is only eighth on the billboard. Sister, don't make up stories!"

Qiao Er snapped. "Do you think I want to sing her praises? I want Feng Wu to stay at that level too! I want her to be a Level 7 Spiritual Elder forever! However, she's made huge progress in the few months that she was gone! There's nothing I can do!"

Qiao Yi frowned. "Did Feng Wu make huge progress? I thought that was Duan Chaoge."

Qiao Er said, "Yes, Duan Chaoge is much more capable now, but for some reason, so is Feng Wu!"

Qiao Yi said, "But Feng Wu's already broken through once. It can't be happening again! What level is she now? A Level 9 Spiritual Elder?"

Qiao Er said reluctantly, "Gu Xingcheng is the top student in Year 2, and he's a Level 8 Spiritual Elder."

Chief Qiao and Qiao Yi nodded in unison.

Qiao Er said, "But Feng Wu severely injured Gu Xingcheng."

Qiao Yi said, "That is to say, Feng Wu is a Level 9 Spiritual Elder, right?"

Qiao Er glanced at her.

She seemed to see herself in her sister. Qiao Er also wished that Feng Wu was much less capable, but in fact...

"Gu Xingyun came to back his brother up, but Feng Wu almost killed him," Qiao Er said reluctantly.

"Gu Xingyun is one of the top students in Year 3, and he's..." Qiao Yi looked at her father.

Chief Qiao rubbed his chin. "He's a Level 1 Spiritual Lord."

Qiao Yi sucked in a breath. "That is to say, Feng Wu is a Level 1 Spiritual Lord now..."

Qiao Er looked at her silently.

Qiao Yi had to raise her estimation a little. "A Level 2 Spiritual Lord?"

Qiao Er said, "Gu Xingmeng is fighting Feng Wu now. Let's go have a look!"

If Gu Xingmeng could defeat Feng Wu, her cultivation level was still within expectations. Otherwise... Qiao Yi's stomach lurched.

How did Feng Wu do it?

The students who had entered Imperial College at the same time as Feng Wu were still in Year 1, but she could already fight a Year 3 student...

Chapter 2303: Untitled

When Chief Qiao arrived —

Feng Wu was pointing the Fire Dragon Rod at Gu Xingmeng's head. "You're not so arrogant now, are you?"

Everyone around them had fallen silent.

No one dared to utter a word.

Gu Xingmeng was a Level 2 Spiritual Lord, but he hadn't stood a chance in front of Feng Wu. She had struck his head with the rod repeatedly until his face was swollen. Everyone felt chills run down their spines.

"Stop!"

Chief Qiao frowned.

The Gu family was very influential, and all the six brothers were elite students. Naturally, he would take their side.

Feng Wu heard him, but when she remembered Qiuling's injury, she ignored him. She didn't stop hitting all three brothers, as well as Feng Qi.

Feng Qi was the source of all the trouble. Of course, Feng Wu needed to teach her a lesson.

Thump! Thump! Thump!

Feng Qi's face was covered in bruises as well.

Chief Qiao was furious when Feng Wu ignored him. He shouted, "Stop it now!"

He reached out and wanted to grab Feng Wu from behind.

That strike would severely injure Feng Wu.

"Watch out!" Chaoge cried out.

Feng Wu sensed the formidable energy, so she shifted to the side to dodge the strike. She smirked and gave Chief Qiao a cold glance. "Chief Qiao, are you going to take their side now? If so, bring it on!"

Chief Qiao couldn't control his rage.

He was about to charge at Feng Wu, when he heard a tiny voice in his ear. The tone was very commanding.

"Any Spiritual King who dares to attack Feng Wu will be killed instantly!"

Chief Qiao felt a cold breeze on his neck, and he shuddered.

Who was it?

Chief Qiao looked around, but all he could see were the Year 2 students. However, that warning had to have come from a very capable cultivator.

Was he dreaming?

Of course not!

Because he couldn't even move a finger, as if he had been tied up with an invisible rope.

How terrifying...

Who could it be?

Frightened, Chief Qiao didn't dare to make any reckless moves.

But Qiao Yi didn't know that her dad had just been warned, and she bellowed at Feng Wu, "Feng Wu, who the hell do you think you are? You're talking to Chief Qiao now! Do you want to get kicked out of Initial?"

Feng Wu grinned. "Who the hell do I think I am? Is that how a teacher of Imperial College is supposed to talk? Are you trying to get yourself fired?"

"I..." Qiao Yi didn't know what to say. She tugged at Chief Qiao. "Dad..."

Because of Feng Wu, Qiao Yi had almost been fired once. Luckily, her father made the whole thing go away, but she just wouldn't learn.

Chief Qiao took a deep breath and stared at Feng Wu. "What level are you now?"

He realized that he couldn't tell how advanced Feng Wu was, which put him in a difficult spot.

Feng Wu grinned. "I'm the top student in Year 2 now. What do you think?"

Chief Qiao closed his eyes.

What an impressive girl.

He realized that when he exerted the power of a Level 1 Spiritual King, the girl wasn't frightened. Moreover, there was also that capable person with that warning...

He wondered what happened to Feng Wu in the past few months.

Chapter 2304: Untitled

Chief Qiao looked from Feng Wu to the three Gu brothers and shook his head. He couldn't decide who would win in the end.

Qiao Yi wanted to shout at Feng Wu again, but Chief Qiao yanked her back.

"Shut up!" Chief Qiao gave her a stern look.

Qiao Yi was perplexed.

Her father had always doted on her and had never spoken to her in such a strict manner.

Chief Qiao realized in astonishment that Feng Wu was too capable for Year 2 now, and that unknown powerful man also frightened him.

Everyone had thought that Chief Qiao would force Feng Wu to conform as was his usual style...

The Gu brothers were so pleased...

But Chief Qiao did something that puzzled them all.

Chief Qiao walked up to Feng Wu and forced a smile. He asked respectfully, "So, how do you want to proceed?"

The others couldn't believe their ears and eyes.

Why would Chief Qiao use that tone? Why would he even ask Feng Wu? Qiao Yi was astonished.

"Dad!" As soon as she protested, Chief Qiao scolded her.

"Shut up! One more word, and you'll be fired!" Chief Qiao warned Qiao Yi.

Qiao Yi burst into tears. Her father had never treated her like this, so she ran away, feeling utterly wronged.

However, the others didn't pay much attention to her.

Their eyes were all on Feng Wu.

The Gu brothers gritted their teeth.

"Why is everyone here?" someone chuckled and asked. With that, a woman in a purple dress landed in the square.

"Chief Zixuan!" Gu Xingyun and Gu Xingmeng looked at each other.

She was the head of Year 3. Since she loved the color purple, she always wore purple dresses.

She was proud, stubborn, and always biased toward her favorite students.

Gu Xingmeng was one of the students she had high hopes for.

Seeing that Gu Xingmeng was covered in blood, Chief Zixuan opened her eyes wide. "Gu Xingmeng, what are you doing here in Year 2?!"

After the warning, Chief Qiao decided to support Feng Wu.

He smirked. "Chief Zixuan, don't you know that they all came here to start a fight?"

Chief Zixuan asked, "What fight?"

Chief Qiao pointed at Feng Wu. "They're all here to attack this girl, but they underestimated her, and she ended up beating them up."

Chief Zixuan frowned. "Nonsense! How can a Year 2 student possibly beat up a Year 3 student?!"

Chief Qiao found that claim a compliment. If a Year 2 student defeated a Year 3 student, that meant that he was the better teacher. At that thought, he was elated.

He said, "Zixuan, your students need to work harder. They can't even defeat the eighth student in my year."

"The eighth?!" Chief Zixuan frowned, and someone next to her pointed at the billboard, where Feng Wu's name was eighth on the list.

"Feng Wu?" Chief Zixuan frowned. She had never heard that name before.

But she had to get revenge for her student. Moreover, she didn't believe that Feng Wu was better than Gu Xingmeng.

Chapter 2305: Untitled

"Mu Xuan!" Chief Zixuan pointed at a Year 3 student who had followed Gu Xingmeng here. "Fight her."

She needed to prove to Year 2 that the Year 3 students were very capable!

Had it been any other day, Mu Xuan would have followed the order, but he hesitated now.

He had watched how Feng Wu struck the Gu brothers on the head with the Fire Dragon Rod. Gu Xingmeng hadn't stood a chance, and it looked so painful.

"Chief Zixuan, I don't think I can do it." Mu Xuan smiled bitterly.

Chief Zixuan's eyes widened. Mu Xuan was ranked around 90th in Year 3, but he admitted that he wasn't Feng Wu's match.

Chief Qiao burst into laughter. "Chief Zixuan, just accept it. Feng Wu is too good for Year 2 and probably even Year 3."

Chief Zixuan stared at Chief Qiao and asked, "What do you mean?"

Chief Qiao said, "I think she's capable enough to enter Year 4 directly."

He sounded very proud.

But was he really helping Feng Wu?

Not necessarily.

Chief Qiao feared the force behind Feng Wu and didn't dare to do anything to her, but that didn't mean that he was going to help her. Instead, he wanted to set her up.

To do that, he would raise Feng Wu's status first.

Once she was famous enough, he would ruin her reputation.

That was Chief Qiao's plan.

After all, Chief Gao of Year 5 and Chief Zixuan clashed severely with each other.

Therefore, Chief Qiao said deliberately, "Someone please tell Chief Gao to come here. We have a genius here who can skip Year 3 and enter Year 4!"

Chief Zixuan looked at Chief Qiao in resignation, but before she could say anything, Feng Wu was already headed for the front gate.

"Feng Wu, where are you going?!" Chief Qiao asked anxiously.

"Year 3!"

"Why Year 3?" Chief Qiao asked after glancing at Chief Zixuan.

Feng Wu snorted. "Someone needs to pay his debt."

Gu Xingyuan had cut off Qiuling's hand, and Feng Wu was going to make him pay for what he did!

Chief Zixuan glared at Feng Wu and found her the most arrogant girl.

"Do you think you can go to Year 3 just like that?" Chief Zixuan's impression of Feng Wu was very bad from the very beginning.

Being a stubborn and arrogant person herself, she couldn't stand it when she thought someone else was being arrogant.

Feng Wu paused to glance at Chief Zixuan, and there was no respect in her eyes.

Chief Zixuan was used to being revered, and she was furious.

"How do I get to Kanan?" Feng Wu remembered that was where Year 3 was.

Chief Zixuan smirked. "Only Year 3 students are allowed to go there. You haven't graduated from Year 2 yet. How can you possibly go to Year 3?"

Feng Wu looked at Chief Qiao. Although she didn't say anything, Chief Qiao took the hint immediately.

Chief Qiao smiled and said, "Gu Xingcheng is more than qualified to graduate from Year 2. Since you've defeated him, you must be good enough to move on from Year 2 as well. In the end, however, you still have to pass the billboard test.

"So, why don't you place your hand on the board? That way, the system can automatically recognize your capability. If you really are the top student on the billboard, you can graduate from Initial. If you're lucky enough, the system will also put you on the Year 3 billboard. That way, you won't even need to take the entrance exam for Year 3."

Chapter 2306: Untitled

Feng Wu walked up to the billboard without saying another word.

The billboard was a 10-meter-wide square board with all the names of the Year 2 students on it.

There was an imprint of a right hand in the lower right corner.

Feng Wu put her hand on it.

Everyone watched the names.

Feng Wu was now eighth.

Would she really rise to the top?

To their disappointment, nothing happened.

What was going on?

Was Feng Wu's cultivation level a lie?

Everyone was perplexed.

Even Chief Qiao looked confused.

Chief Zixuan smirked. "I was wondering what kind of genius she was. Now I see that you were bluffing, Chief Qiao."

Chief Qiao was speechless.

Chief Zixuan told the Year 3 students, "Let's go. Just think about it. How amazing can a Year 2 student be? She's not worth the attention."

Something happened at that moment.

"Look! Feng Wu's ranking is changing!"

"She's seventh now!"

"OMG!"

"She's sixth!"

"Fifth!"

"Third!"

"Second!"

"She's surpassed Gu Xingcheng! Feng Wu is the top student in Year 2 now!"

Gu Xingcheng looked utterly embarrassed.

Hearing that, Chief Zixuan looked up at Feng Wu and narrowed her eyes. Although Feng Wu was talented, Chief Zixuan still didn't like her.

She preferred teenage boys to teenage girls.

As the head of Year 3, Chief Zixuan decided to show Feng Wu what challenges she was about to face.

Chief Zixuan had made up her mind, but —

Something unexpected happened.

Someone cried out, "Why is Gu Xingcheng first again? Where did Feng Wu's name go?"

Everyone panicked a little.

They all looked at the billboard.

Feng Wu's name had been first on the billboard a moment ago, but it was gone now, and Gu Xingcheng was first again.

Realizing that Feng Wu had given him back the spot, Gu Xingcheng flushed with embarrassment.

He wanted to wipe his name off the board.

Chief Qiao looked at Chief Zixuan and said, "There's only one possibility now."

"That's impossible!" Chief Zixuan cut him off. "Only a real genius would be selected by the system! That girl is far from that yet!"

Chief Qiao said, "Then how do you explain the fact that her name has disappeared?"

Chief Zixuan was speechless.

Meanwhile, Feng Wu headed out with the Fire Dragon Rod.

Chief Qiao asked, "Feng Wu, where are you going?"

Feng Wu didn't even look back. "I'm going to Kanan."

Mu Xuan snorted. "Does she think she can go in just like that? She has to pass the test first!"

But he didn't see the strange look on Chief Zixuan's face.

Chapter 2307: Untitled

"Let's go have a look. If she really can get in, it means that she entered Year 3 without needing to take the exam," said Song Yichen loudly.

Whoosh —

They all followed Feng Wu.

Chief Qiao smiled at Chief Zixuan. "I remember that Kanan's billboard is outside the front gate, right?"

That was to say, everyone who walked past Kanan could see it.

Chief Zixuan smirked. "So what? Do you really think that she'll be on it?"

Chief Qiao said, "I didn't believe it at first, but I do now. Not only will her name be on it, it'll be quite high up as well."

Chief Zixuan smirked.

How naive!

But she was astonished when she saw the billboard.

That was because —

“Feng Wu’s name really is there! She’s 1000th, the last place!”

“How strange... I thought she defeated Gu Xingmeng. Why is she only 1000th?”

“Is it because she used magical instruments and inscriptions? The system will automatically filter those.”

“That is to say, only her magical instruments and inscriptions are powerful, not the person herself...”

...

What they didn’t know was that Feng Wu had only used 10% of her true power when she put her hand on the billboard.

While the others were still talking, Feng Wu slammed the Fire Dragon Rod down on the ground and opened her mouth.

“Gu Xingyuan, come out right now!”

Her voice wasn’t very loud, but as it rang out, it felt like a thunderclap in the air.

It stirred up all of Kanan.

The people outside the gate didn’t feel much, because Feng Wu had made sure that only the people inside could hear the shout.

Whoosh —

Almost all the students in Kanan were shocked. With all the boring classes and cultivation practice, of course they would find the incident exciting.

They all rushed out the front gate, where they found all the Year 2 students.

Were they here to challenge Year 3? How interesting.

“Gu Xingyuan, someone’s calling your name.”

Gu Xingyuan was the top student in Year 3, which gave him the right to live in the villa area where the spiritual essence was more dense. He was cultivating when he was disturbed.

“Gu Xingyuan, come out! Right now!”

It was impossible for him to ignore that voice.

He couldn’t believe that someone dared to challenge him here in Kanan. He grabbed Cold Wind, his sword, and charged out.

Half of the students in Kanan had gone out traveling, and nearly all the remaining 500 had come out.

“Make way. Gu Xingyuan is here.”

People saw him coming.

The crowd parted so that Gu Xingyuan could pass.

In the center of the crowd was a circle about 10 meters in diameter.

Feng Wu kept her gaze on the ground, and there was no warmth in her eyes.

Chapter 2308: Untitled

“Brother Xingyuan, you’re finally here!” Seeing Gu Xingyuan, Feng Qi burst into tears. “Help Brothers Xingyun, Xingcheng, and Xingmeng! Feng Wu beat them up so badly! Brother Xingyun almost died!”

WHAT?!

Gu Xingyuan stared at Feng Qi. “Are you talking about the Feng Wu who destroyed your house?”

Feng Qi nodded. “Yes, that’s her. Now she’s injured them!”

“Interesting.” Gu Xingyuan pushed Feng Qi out of his way and walked up to Feng Wu. “I don’t care if Feng Qi is telling the truth. You only have one chance.”

He pointed at the meadow and said, “Kneel now and kowtow 100 times. That way, I’ll spare your life. Otherwise...”

Feng Wu narrowed her eyes. “Otherwise, I’ll end up like Qiuling. Is that it?”

“So, you already know that I cut off your maid’s hand.” Gu Xingyuan chuckled. “That girl is quite talented. I asked her to be my personal maid, but she said no, so I cut off her hand as a punishment. What’s wrong with that?”

Feng Wu suddenly changed the subject. “Are you the top student in Year 3?”

Gu Xingyuan asked, “Do you have a problem with that? You’re at the bottom of Year 3 now.”

Feng Wu said, “So, you care about that a lot.”

Gu Xingyuan said, “No matter how I feel, there’s nothing you can do.”

Feng Wu chuckled. She pointed at Gu Xingyuan and said, “I’ll give you two options. You can cut off one of your arms, or I’ll cut both of them off.”

“Hahaha —”

Hearing that, everyone burst into laughter.

The Year 3 students were the loudest, and the Year 2 students wanted to deny that they ever knew Feng Wu.

“Gosh, that’s hilarious... I’ve never met anyone so shameless!”

“Did Feng Wu just threaten Gu Xingyuan?”

“The last student on the billboard is threatening the top student! That’s a first!”

“I can’t wait to see her humiliate herself!”

Chief Zixuan couldn’t stand it anymore. She shook her head and wanted to leave.

Chief Qiao stopped her. “Chief Zixuan, don’t go. The best part is yet to come.”

Chief Zixuan looked at him in resignation. "You hate Feng Wu, don't you?"

Chief Qiao smiled. "Of course not. Feng Wu is the most talented student in Initial. As the head of Initial, I adore her."

Chief Zixuan said, "If you really care about her, shouldn't you try to talk her out of it?"

Chief Qiao glanced at her. "Do you also think that Feng Wu isn't Gu Xingyuan's match?"

Chief Zixuan shook her head. "The two of them aren't comparable at all."

Chief Qiao raised his chin. "That's right. Gu Xingyuan doesn't stand a chance at all."

Chief Zixuan rolled her eyes at him.

Chapter 2309: Untitled

Just when Feng Wu and Gu Xingyuan were about to start fighting —

"Wait!" A girl blocked Feng Wu's way.

She was a pretty girl.

"Chu Junying?" The Year 3 students saw that it was the prettiest girl in their year.

"Do you think you can challenge Xingyuan just like that? If everyone does that, he won't have any time to cultivate!" Chu Junying rolled her eyes at Feng Wu.

Because Gu Xingyuan had been the top student for years, he was well-respected.

Hearing that, the other students nodded as well. "That's right. You don't get to challenge our top student just because you want to!"

"You don't deserve the opportunity!"

"We have our own rules. You can only challenge someone within 10 places of your ranking. Otherwise, the top students will never have time for their cultivation."

Everyone shouted at Feng Wu at the same time.

"Young lady, Chu Junying is right. If you want to challenge someone, challenge the students who are fewer than 10 places ahead of you," said Miss Wang of Year 3.

The look on her face was serious, and it was obvious that she wasn't pleased with Feng Wu.

Chu Junying chuckled. "You're last on the billboard, so the best you can do is challenge the 990th place."

She glanced at the billboard and smirked. "Where is Zhao Ran, the 995th?"

As the prettiest girl in Kanan, Chu Junying was very well-liked among the boys. No one could say no to her.

Zhao Ran immediately stepped out. "Here. I'm Zhao Ran."

Chu Junying glanced at Feng Wu before turning to Zhao Ran. "Are you willing to take up Miss Feng Wu's challenge?"

She believed that Year 3 was her territory, and as an outsider, Feng Wu stood no chance.

She thought that Feng Wu had to slowly make her way up the billboard.

Seeing that Chu Junying was looking at him, Zhao Ran nodded. "Yes, of course."

Many Year 2 students felt Chu Junying's animosity toward Feng Wu. Since they would be entering Year 3 one day as well, naturally, they took Feng Wu's side.

Thus, they empathized with her.

Because of that, they disliked Chu Junying.

Chu Junying could sense their attitude, but she couldn't care less how the Year 2 students felt about her.

"Feng Wu, you'll be challenging Zhao Ran now," Chu Junying said with a smile. She then turned to the others and said, "I think Feng Wu will be very busy for a while. Why don't you go back to what you were doing?"

Chu Junying was a well-respected figure, so the crowd was about to scatter as she asked.

Chaoge stepped forward, but before she could say anything, Feng Wu shook her head.

She then walked up to the billboard.

There was also a palm print in the lower right corner.

Feng Wu put her hand on it, and *thump!*

The billboard blacked out.

What?!

The crowd looked at it in disbelief.

How did that happen?

Chapter 2310: Untitled

That was so terrifying!

Chief Zixuan and Chief Qiao looked at each other, and they both had a bad feeling.

Chief Qiao cleared his throat. "Is there a glitch in the system?"

Chief Zixuan glanced at him but didn't answer.

According to the first headmaster of Imperial College, even if the school was destroyed, the system would never fail.

Sizzle —

Sizzle —

Everyone stared at the screen and waited for it to light up again.

And when it did, they were all shocked.

They couldn't believe it.

"Where is Feng Wu's name?"

"It's not 1000th anymore."

"I can't find her in the 900s."

"Nor is she in the 800s."

...

They looked from the bottom to the top, when someone cried out.

"Gosh! Look! Gu Xingyuan is in second place now!"

What?

Gu Xingyuan had been there for years. Who had replaced him?

When they saw the name above Gu Xingyuan...

Someone fainted.

"Impossible!"

"This can't be happening!"

"There has to be a glitch in the system!"

The Year 2 students were so shocked that they all fell silent.

The Year 3 students were the ones that couldn't stop talking.

They never thought that something like this could happen.

"How did Feng Wu become the top student?"

"Didn't she just enter Year 3?"

"She was last on the billboard just a moment ago!"

...

Everyone looked at Gu Xingyuan, hoping that he could give them an explanation.

Chief Zixuan and Chief Qiao weren't with the crowd. They stood on higher ground.

Chief Qiao looked shocked.

So did Chief Zixuan.

“She...” Chief Zixuan hesitated. “What level is she?”

Chief Qiao couldn't answer that question.

Yes, he had been praising Feng Wu, but he had made those things up. He didn't know that Feng Wu was so capable!

He didn't want it to be true, but there was nothing he could do.

He forced a smile and said, “I told you. Feng Wu made some huge progress during her trip. I told you that she could enter Year 4 directly, but you wouldn't believe me.”

He shrugged.

Chief Zixuan frowned. “There must be something behind this.”

Everyone else thought the same.

“I don't believe it,” said Chu Junying. “How can the bottom student rise to the top in an instant? Feng Wu, I'll challenge you!”

Chaoge laughed. “Didn't you say that you can only challenge someone 10 places higher than you? Chu Junying, you can only challenge the 90th on the billboard. Hang Wei, she wants to challenge you!”

Chu Junying's face went scarlet.

“I'll challenge you!” Gu Xingyuan pointed at Feng Wu.

Feng Wu nodded. “What happens if I kill you?”

Everyone went silent.

“No! You can't kill anyone here in the college!” Chu Junying said anxiously.

The others all looked at her.

Why did she look so anxious? Did she think that Gu Xingyuan would lose?
