Chapter 2381: Untitled

Mrs. Zuo wanted to leave. She didn't want to see Feng Wu showing off her talent.

Finally, the others knew how capable Feng Wu was.

"Shit!"

"She's so talented!"

"If I remember correctly, Gu Xingyuan is the most talented of the four. He's at least a Level 3 Spiritual Lord."

"Feng Wu defeated all of them on her own!"

"Feng Wu is at least a Level 4 Spiritual Lord, isn't she?"

"Maybe she's a little bit more advanced than that."

"Are you saying that she's a Level 5 Spiritual Lord?! OMG! How old is she?!"

"She's barely fourteen!"

"Gosh! She really is a genius!"

"Compared to her, the Gu brothers are nothing!"

"So what? That doesn't change the fact that she's both arrogant and mean!"

Everyone was talking at the same time.

Emperor Wu almost rolled his eyes.

"A Level 4 Spiritual Lord?"

"Are they blind?!"

"Xiao Wu is a Level 7 Spiritual Lord!"

Even Emperor Wu didn't notice that he felt like a proud father when other people praised Feng Wu.

"I'll fight her."

With a cold voice, a teenager dressed in white landed in front of Feng Wu.

He frowned and looked at her in disdain.

"Brother Xingyi!"

The Gu brothers cried out in excitement when they saw their second brother.

"She hit us!"

“She killed Grandma!”

“She humiliated us! You have to avenge us!”

All four boys looked at Gu Xingyi in expectation.

“That’s Gu Xingyi!” someone cried out.

“So what?”

“Do you not know who that is? He’s a Year 4 student at Imperial College. When he was in Year 3, he formed a five-man team and fought the team from Martial Art College. It was a brilliant battle, and he’s been famous ever since!”

“All five men skipped Year 3 and entered Year 4 after that, right? I heard that they’re all good friends.”

“That’s right. And the most talented of the five is...”

“Gu Xingyi was a Level 4 Spiritual Lord back then. I wonder...”

“He’s a Level 6 Spiritual Lord now,” said someone.

“Gosh! What will Feng Wu do?!”

Emperor Wu wanted to yawn.

“So what if he’s a Level 6 Spiritual Lord? Xiao Wu is already a Level 7 Spiritual Lord! How boring!” thought Emperor Wu.

However, only a handful of people knew Feng Wu’s true capability. Most people thought that she wasn’t Gu Xingyi’s match.

Even Gu Xingyi himself thought so.

He narrowed his eyes before turning to Emperor Wu. He bowed and said, “Your Majesty, will you be my witness?”

Emperor Wu asked, “Of what?”

Chapter 2382: Untitled

Gu Xingyi gritted his teeth and said, “Feng Wu humiliated my family, so I’m challenging her to a duel! It’ll be a fight to the death! Your Majesty, will you be my witness?”

Wow —

The crowd grew excited.

A fight to the death?

It had been a while since they had one of those!

Mrs. Zuo found Gu Xingyi’s request idiotic.

Feng Wu is a Level 7 Spiritual Lord, and you're only Level 6. You're doomed.

She tried to warn him. "Gu Xingyi, maybe you don't have to..."

"Thank you, Mrs. Zuo, but if you try to stop me, I'll think that you're on Feng Wu's side," said Gu Xingyi coldly.

Mrs. Zuo was shocked.

What a fool! She decided to let him be. If he was killed, Feng Wu would be responsible for two deaths in the Gu family, which would be good news for the Zuo family.

After that, no one else tried to stop Gu Xingyi.

Emperor Wu frowned at him. "Do you really want to die?"

Gu Xingyi asked, "Your Majesty, do you have no faith in me at all?"

Emperor Wu thought, "That's right."

Seeing that Gu Xingyi was displeased, Emperor Wu said, "Fine. You can have the fight if Feng Wu agrees to it."

Gu Xingyi finally turned his gaze on Feng Wu. "I'm challenging you to a fight to the death. Will you accept my challenge?"

All eyes were on Feng Wu.

She could say no.

After all, he had already earned his fame, and few people had confidence in her. She could turn him down.

Feng Wu said coldly, "You should cherish your life."

Gu Xingyi said, "I don't cherish yours."

Feng Wu shrugged. "So..."

Everyone thought that Feng Wu would be forced to accept the challenge, but they were all wrong.

She smiled and said, "I don't accept your challenge."

Gu Xingyi glared at her. "Why?!"

Feng Wu said, "It's a waste of time."

Gu Xingyi said, "You —"

Just then, someone cried out in the crowd. "Assassins! Protect His Majesty!"

Emperor Wu looked at Qin Yan.

Qin Yan followed the sound and saw a team of people coming toward them.

The team was led by Feng Xun.

“Feng Xun?” Emperor Wu was perplexed.

“Your Majesty, there are some assassins!” Feng Xun whispered in Emperor Wu’s ear.

“Are you sure?” Emperor Wu’s eyes lit up. He then told Qin Yan, “Go with Feng Xun! Catch the assassins!”

Qin Yan nodded and left with Feng Xun.

Emperor Wu then turned to the crowd and looked at each person in turn.

The temperature seemed to drop, and the air grew chilly.

What was going on...

Everyone was perplexed, especially the members of the Gu family. They realized that the emperor was looking at them in rage.

Rage?

What did Feng Xun tell the emperor?

Chapter 2383: Untitled

There was no warmth in Emperor Wu’s eyes.

After a short while, they could hear the sound of fighting in the distance.

Gu Xingyuan went pale when he heard the noise.

“Gu Xingyuan, why are you shaking?” Emperor Wu asked in an unperturbed tone.

But his voice only made Gu Xingyuan more anxious.

“I... I’m not shaking...” Gu Xingyuan took a deep breath, forcing himself to calm down.

“That’s a very brave thing to say for someone who’s abetting a foreign spy,” Emperor Wu said casually.

What?!

If old Mrs. Gu had been alive, she would have jumped to her feet.

Abetting an enemy spy?

That was a serious accusation!

It was a crime punishable by death and could incriminate one’s entire clan!

Gu Xingyuan felt that his heart was going to jump out of his throat. He forced himself to calm down as he knelt in front of Emperor Wu. “Your Majesty, I never did such a thing. There’s no spy of the Dongsang Kingdom in my household! Someone must be framing me!”

The other members of the Gu family all gave him strange looks, but Gu Xingyuan didn't realize what he had said.

"How do you know that I'm talking about a spy of the Dongsang Kingdom? Why can't they be from somewhere else?" Emperor Wu asked indifferently.

Gu Xingyuan almost blurted out the truth, but he reacted quickly and said, "Your Majesty has been searching the whole city for Dongsang spies, and I still remember it. That's why I automatically assumed it was a Dongsang spy..."

That could explain his reply. It was just that...

"So, how did you learn that I'm searching for Dongsang spies?"

Gu Xingyuan was so frightened that his voice trembled. "I... I..."

Emperor Wu smacked the table. "You knew I was looking for them, but you still hid one. That's unforgivable!"

Gu Xingyuan paled. "Your Majesty, I'm not..."

Qin Yan and Feng Xun came back at that moment.

They brought someone with them.

Qin Yan threw the person, who was tied up, on the ground and said, "She tried to fight back, and when we caught her, she tried to kill herself."

Emperor Wu stared at the woman on the ground.

She was just over twenty and had the most alluring eyes. The outer corners of her eyes slanted upward slightly, giving her the look of a fox.

"Is she a Dongsang Kingdom spy?" Emperor Wu asked with a frown.

"Your Majesty, please don't tease me. I'm a native of the Junwu Empire. How can I be from the Dongsang Kingdom, let alone their spy?" The woman giggled.

Gu Xingyuan said, "Your Majesty, this is Miss Qingyang, a dancer at Spring Aroma. She's no spy!"

Many other people chimed in.

"That's right. Miss Qingyang is a dancer at Spring Aroma. I've met her before."

"She grew up there, and that's a fact. How can she be a spy of the Dongsang Kingdom?"

They all tried to defend her because they had all visited Spring Aroma.

If Qingyang was proven to be a spy of the Dongsang Kingdom, they might all become suspects.

Emperor Wu looked at Feng Xun.

Chapter 2384: Untitled

Emperor Wu looked at Feng Xun in bewilderment.

He had seen the list of the names of Dongsang spies, but Qingyang wasn't on it.

Feng Xun glanced at Feng Wu.

Feng Wu nodded.

With Feng Wu's reassurance, Feng Xun was full of confidence.

If she said yes, it had to be true.

Qingyang smiled at Feng Xun and said, "Young Lord Feng, I'm only here because Young Master Gu Xingyuan invited me here to dance for the old lady for her birthday. How did I become a spy? Young Lord Feng, if you can accuse me of being a spy, will you do the same to other people?"

Feng Xun frowned.

"Your Majesty!" The Gu family reacted quickly.

Lord Gu was going to use this opportunity.

He might be able to get away with the attempted murder, but espionage was too serious an accusation for the Gu family to bear. He immediately said, "Your Majesty, Young Lord Feng must have made this up because he's trying to avenge Feng Wu!"

Emperor Wu glanced at Feng Wu.

If she couldn't prove that Qingyang was...

But at that moment, a shadow moved toward Qingyang.

It was aimed at her throat.

At that critical moment, Qingyang shifted, but she soon realized what she was doing.

Sh*t!

She was supposed to be the most popular escort of Spring Aroma and shouldn't have any cultivation skills, but just then, she activated them a little...

Qingyang immediately stood still and hoped that no one had noticed.

But what she didn't know was —

A small magic vine rose out of Feng Wu's palm, which she hid in her sleeve. The vine only had two leaves on it, but it was enough for Feng Wu to tell that Qingyang was from the Dongsang Kingdom.

Magic Soul Vine had become quite handy. Who would have thought that what Feng Wu experienced in the tomb would be a blessing in disguise?

She walked up to Qingyang and smiled. "You want some proof, don't you?"

Qingyang smirked. "You can't accuse me of being a Dongsang spy when you have no evidence at all!"

“Stop fighting it,” said Feng Wu.

Qingyang was perplexed. What did Feng Wu mean?

But before she could react, Feng Wu raised her hand, and Little Phoenix charged at Qingyang.

Qingyang smirked. She wouldn't be fooled this time.

She decided that she would keep very still this time.

She didn't think that Feng Wu would kill her in front of everyone without a shred of evidence.

The others also gave Feng Wu doubtful looks.

How was she going to prove that Qingyang was a Dongsang spy?

The Gu family decided that if Feng Wu couldn't prove it, they would make sure that Feng Wu was ruined forever!

Lord Gu stared at Feng Wu with eyes filled with hatred.

No matter what happened, after this was over, Feng Wu would become his lifelong enemy. He would do everything to destroy Feng Wu and her loved ones!

However...

No one saw what came next...

Not even Qingyang...

Feng Wu drew out a dagger and stabbed it into Qingyang's chest. Qingyang didn't even try to dodge...

Thump!

Chapter 2385: Untitled

There was the sound of metal cutting into flesh.

The entire blade was buried in Qingyang's chest.

Everyone was astonished.

What was that?

What did they just see?!

Qingyang was the most shocked of them all.

She never expected that Feng Wu would try to kill someone in front of the emperor!

“You...” Qingyang stared at Feng Wu in disbelief. She then looked down at her chest and saw that her clothes were soaked with her blood.

“Feng Wu! How dare you!” Gu Xingyuan shouted.

He was in love with Qingyang, and it had taken him some great effort to invite her here. However, she was going to be killed here.

"I'm going to kill you!" Gu Xingyuan's eyes were bloodshot red.

The others all stared at Feng Wu in disbelief. Mrs. Zuo cried out, "Feng Wu, how could you do that? You're killing an innocent person!"

Feng Wu ignored her. She kept her gaze on the pretty girl and smiled. "Do you know why I'm going to kill you?"

Qingyang gritted her teeth and wouldn't say a word.

"Because I can only find your accomplice after I kill you." Feng Wu smiled at her.

What did she mean? Everyone else was confused.

But Qingyang knew what she meant.

She glared at Feng Wu.

Gu Xingyuan opened his mouth again, but Emperor Wu gave Qin Yan a warning glance.

Qin Yan stepped out and kicked Gu Xingyuan, knocking him out.

No one else dared to utter a word after that.

It was so quiet that one could hear a pin drop.

Feng Wu told Qingyang, "You're looking to the southeast now, aren't you? Do you think looking away will save your friend? The moment I stabbed you, I saw that person clench his fists and stumble back. However, he stepped forward again so that no one would notice."

Stumble back?

Everyone stared at Feng Wu.

When they saw Qingyang being stabbed, they were so astonished that they froze on the spot. Only a person with a guilty conscience would stumble back.

And only an angry man would clench his fists.

It was very clever for Feng Wu to reach that conclusion.

Wait!

If Feng Wu was right, that meant that Qingyang really was a Dongsang spy!

Many people turned pale.

Qingyang clenched her teeth and glared at Feng Wu. She suddenly giggled. "Miss Feng Wu, are you bluffing? Unfortunately, I'm not a Dongsang..."

"It's him, isn't it?"

Feng Wu pointed at a man while keeping her gaze on Qingyang.

When Qingyang saw who Feng Wu was pointing at, her pupils contracted, and her lips trembled.

“Your reaction has exposed him. Thank you, Miss Qingyang.” Feng Wu chuckled.

Everyone was shocked when they saw who Feng Wu was pointing at.

How could it be him?

Something happened at that moment!

“Watch out!”

“Xiao Wu!”

Qingyang suddenly moved.

She wrapped her arms around Feng Wu and gathered her energy together.

“It’s the explosion skill of the Dongsang Kingdom! Run!!!”

Chapter 2386: Untitled

Turning oneself into a human bomb was a specialty of the Dongsang Kingdom, and all its people loved to use it when they were defeated.

The people of the Dongsang Kingdom had a special skill. When they chose to explode, their cultivation level would rise significantly.

For instance, when a junior Spiritual King exploded, they would exert the power of a Level 5 or 6 Spiritual King.

Everyone paled when they saw what Qingyang was going to do.

Qingyang’s energy began to surge like a volcano that was about to erupt.

Once she exploded, the power would even be able to burn houses to the ground. No human body could withstand such power!

Everyone turned pale and stumbled back.

They were sure that they were going to die.

No one had thought that a mere dancer would have such an ability.

There was no doubt that she was a Dongsang spy!

Feng Wu was the most unfortunate one.

Because Qingyang had wrapped her arms around Feng Wu when she decided to turn herself into a bomb.

“Xiao Wu!” Feng Xun’s face went ghastly pale.

If they didn’t do something, there would be nothing left of Xiao Wu.

Feng Xun turned to look at Jun Linyuan.

But Boss Jun was no longer there.

He had been sitting in the chair a moment ago; where was he now?

Rumble —

Qingyang exploded.

“Shit!”

“His Royal Highness!”

“His Royal Highness is up there!”

When the explosion started, everyone lay on their stomachs and covered their heads, but they couldn’t help looking up.

Jun Linyuan had jumped into the air so fast that no one saw how he got there. He pulled Feng Wu into his arms and kicked Qingyang away.

Boom!?

Qingyang exploded in mid-air.

She turned into a ball of fire before falling into the lake behind the manor.

Rumble!

The water erupted as high as over ten meters.

When it fell back down, it smashed a pavilion to pieces.

All the plants within the area were destroyed as well.

It was such a terrifying scene!

Everyone looked shaken.

Gu Xingyuan woke up at that moment. He looked at the silent crowd and saw that his girl wasn’t around. He immediately ran up to Feng Wu, who had just landed, and shouted, “Where is Miss Qingyang? Where did you take her? Give her back!”

Everyone found that an idiotic thing to say.

“Your Majesty, Feng Wu is abusing her power and bullying people weaker than her! She should be arrested! Your Majesty, please punish her!” Gu Xingyuan screamed.

He then realized that something was wrong.

It was too quiet.

And the looks the others gave him were so strange...

Somehow, he felt uneasy.

Everyone looked from Gu Xingyuan to Feng Wu.

Jun Linyuan was still holding Feng Wu after they landed, but there was no expression on his face, and the temperature around him was dropping.

Feng Wu licked her lips, feeling a little guilty.

She realized that Jun Linyuan was very angry.

She tugged at his sleeve.

Chapter 2387: Your Royal Highness, Don't Be Mad

Feng Wu said, "I took the risk because I knew you would save me."

She looked up at the teenager.

When his face darkened, it gave him an even more majestic look.

"Stop it!" Feng Wu thought.

"Why should I care if he's attractive? I just don't want him to tell me off in front of everyone. That would be so humiliating..."

However, the crown prince was glaring at her...

He was angry!

Many people were pleasantly surprised.

They knew how terrifying the crown prince could be when he was angry. He had once destroyed his entire residence when he lost his temper.

They thought that he was going to kill Feng Wu.

Mrs. Dugu, Mrs. Zuo, and the people of the Gu family were so excited that they almost yelled.

Emperor Wu cleared his throat and thought about stopping Jun Linyuan. However, he hesitated because he would be quite embarrassed if Jun Linyuan ignored him.

So he waited...

The crowd grew excited. The crown prince was still staring at Feng Wu and looked like he wanted to slap her.

Right now, no one cared about the second Dongsang spy that Feng Wu had discovered.

All eyes were on Jun Linyuan and Feng Wu.

Feng Wu was genuinely scared every time Jun Linyuan was furious, so she always tried to appease him.

This time was no exception.

Seeing Jun Linyuan's dark face, she knew that if she didn't apologize now, there would be consequences. So, she tried to take Jun Linyuan's hand.

However, as soon as her fingertips touched his fingers —

Thump!

He brushed off her hand!

The crowd's eyes lit up.

Nice!

They began to whisper among themselves.

"I thought the rumor was that His Royal Highness liked Feng Wu and doted on her."

"That's not true! If that was the case, His Royal Highness wouldn't have brushed off her hand! I bet her hand is swollen now!"

"That's right. His Royal Highness has never liked Feng Wu."

"I heard that His Royal Highness likes to kill people when he's angry. Will he kill Feng Wu?"

"That would be so terrifying!"

...

Many influential families had been invited here today, and most of them had unmarried daughters. Naturally, they all considered Feng Wu their enemy.

Most of the people here wanted to see Feng Wu punished.

That was especially the case with the Gu family.

Feng Wu sighed inwardly when Jun Linyuan threw off her hand. She could walk away now, but the truth was that she had only taken the risk because she knew that Jun Linyuan would save her.

She had to show him her gratitude.

Moreover, she could tell that Jun Linyuan regretted it after he threw off her hand.

At that thought, Feng Wu tugged at his sleeve again with the most innocent look in her eyes.

Chapter 2388: Untitled

Everyone looked at Feng Wu in disbelief.

“How can Miss Feng Wu still...”

“Why is she still holding His Royal Highness’s arm? Isn’t she afraid that he’ll throw off her hand?”

“That’s so humiliating...”

Everyone felt so embarrassed for Feng Wu.

The crown prince stared at Feng Wu and looked very displeased.

Feng Wu lowered her head and swayed his wide sleeve back and forth.

From Jun Linyuan’s angle, he could only see her lowered head.

The crown prince glowered. “If you want to die, just say so! Don’t waste my time!”

Feng Wu lowered her head and bit her lower lip.

The crowd grew excited, believing that the crown prince was going to kill Feng Wu.

Feng Wu looked up and looked at Jun Linyuan like an abandoned puppy.

That look dissipated most of Jun Linyuan’s anger.

He glared at the girl. “What are you going to tell me now?”

Feng Wu lowered her head and said, “I...”

Jun Linyuan said, “I can’t hear you!”

Feng Wu whimpered, “I’m sorry...”

Jun Linyuan asked, “What are you sorry for?”

Feng Wu said, “I shouldn’t have gotten myself in danger...”

Jun Linyuan grumbled, “Are you going to do it again?!”

Feng Wu looked up. When she saw his cold face, she immediately looked down and said, “No, of course not...”

She kicked around some pebbles and mumbled, “I only did it because you were there.”

Hearing that, the crown prince couldn’t bring himself to be mad at her anymore.

The girl then looked up and smiled at him. It was a very bright smile, but it was obsequious at the same time.

The teenager’s face lit up.

He gave Feng Wu such an affectionate look.

The crowd was baffled.

WHAT?!

Wasn't he supposed to push Feng Wu away and humiliate her?

Instead of the scene they had expected, they had to watch how much the crown prince fancied Feng Wu.

It took everyone by surprise.

All the Gu brothers were astonished.

The others all looked like they had been struck by lightning.

Mrs. Dugu grabbed Mrs. Zuo and whispered, "Tell Qingluan to come back now!" Otherwise, they would lose everything!

The truth was, Mrs. Zuo was flustered as well.

The way the crown prince looked at Feng Wu made Mrs. Zuo very uneasy.

But she couldn't let Mrs. Dugu see it.

"How does Qingluan have anything to do with it?" Mrs. Zuo feigned a calm tone.

Mrs. Dugu gave Mrs. Zuo a long look. She knew that Mrs. Zuo could see it as well.

She only said, "If Qingluan doesn't come back now, that girl will take His Royal Highness from her! You'll regret it for the rest of your life!"

Chapter 2389: Untitled

Mrs. Zuo smirked. "That girl is nothing compared with Qingluan!"

Mrs. Dugu shook her head inwardly.

If Mrs. Dugu could see it, so could everyone else.

The crown prince was obviously in love with the girl.

Lord Gu couldn't feel any more frustrated.

He stared at Lady Gu and wanted to tear her to pieces.

If she had told him Feng Wu's relationship with the crown prince, he would never have made such a huge mistake!

Jun Linshen was almost in tears. He had really thought that Feng Wu was only Jun Linyuan's maid, but he realized now that he couldn't be more wrong. She was obviously Jun Linyuan's favorite woman!

Of course, many people were still trying to convince themselves that the crown prince didn't mean that...

"Ahem —"

Emperor Wu cleared his throat at that moment and asked, "Xiao Wu, are we still looking for that spy?"

Feng Wu had no idea how her interaction with Jun Linyuan had shocked the others. She was used to talking to Jun Linyuan that way.

She was perplexed when she saw the look in everyone else's eyes. She came back to her senses when she heard Emperor Wu.

That was right!

She still hadn't finished the tenth trial yet!

There had been three names left on the list a moment before, but now there were only two. Qingyang really had been a spy from the Dongsang Kingdom.

And another one was...

Feng Wu turned around and looked at old Steward Gu.

Meanwhile, Qin Yan was holding down the old man.

Seeing that Feng Wu was looking his way, Qin Yan explained, "When the explosion happened, he tried to run."

Qin Yan was a very advanced cultivator and had never lost a battle.

Apart from Emperor Wu, he almost never spoke to anyone. It was very rare for him to speak to Feng Wu.

Qin Yan was holding down old Steward Gu with one foot.

Feng Wu walked up to the old man, crouched down, and smiled at him.

Seeing this, the crown prince pulled her back a little.

Feng Wu didn't know what to say.

She said softly, "Don't worry. You're here. What can possibly happen?"

The crown prince rolled his eyes at her. He was worried about her!

Feng Wu turned back to the steward. "Why did you run? You've exposed yourself."

Lord Gu said, "Your Majesty, Steward Gu is a servant who was born into this family. He definitely isn't a spy!"

Feng Wu looked over her shoulder and said, "Lord Gu, you talk too much. It'll affect my deductions."

Emperor Wu looked at his guards.

The guards immediately grabbed Lord Gu's arms, forced him to kneel and stuffed two walnuts into his mouth.

Lord Gu could neither speak nor move.

"I have no idea what Miss Feng is talking about." Steward Gu denied all accusations.

Feng Wu smiled. Of course he was a Dongsang spy.. The magical vine in her palm was moving so violently!

Chapter 2390: Untitled

Feng Wu chuckled. "Do you know how I spotted Qingyang and your friend?"

She moved closer and whispered something in his ear.

The old man's pupils contracted, and he glared at Feng Wu.

Feng Wu had just told him that she could read minds.

Whenever she was close enough to a person, she could hear what they were thinking.

"No! I don't believe you!" The old man activated his energy and tried to block Feng Wu.

"Are you telling yourself not to think about that last friend's whereabouts?" Feng Wu smiled at him. "I already read your mind. You're so worried about that person."

Steward Gu closed his eyes.

He wouldn't let Feng Wu see any emotions on his face.

Feng Wu waved her hand, and a tiny tiger jumped out of her sleeve.

The cub was slighter bigger than before, but it still looked like a ball of white fur.

Feng Wu patted its head and said, "This old man has a special smell of blood on him. Take a sniff and find the person he has hidden away."

Steward Gu smirked.

The smell of blood? The person he had hidden away was indeed injured.

But he had washed off the blood on his sleeve!

No one could smell it!

To his surprise, the cub kept sniffing at his sleeve and wouldn't leave.

The old man's stomach lurched.

He opened his eyes and saw that it was focusing on the spot where his sleeve had been stained with the blood.

To fend off Feng Wu's mental power, he had stiffened. He almost lost control when he saw the cub.

Feng Wu patted the cub and said, "Go!"

The cub dashed off and was soon out of sight.

Feng Wu kept her gaze on Steward Gu the entire time.

The old man was obviously relieved when he saw the cub run away.

His stomach lurched when he saw Feng Wu's gaze.

Feng Wu smiled mysteriously, and it only made Steward Gu more nervous.

He recalled that Feng Wu was able to force Qingyang to take action because Qingyang hadn't been calm enough. Right now, Feng Wu was studying his face.

He snorted. "You can try all you want, but you won't read my mind!"

His eyes then darted around.

He looked everywhere, trying to confuse Feng Wu.

The crowd couldn't help but look at Feng Wu.

"So, everything she said was a bluff. She's actually observing Steward Gu's facial expressions."

"Unfortunately, she can only use that trick once."

"Steward Gu isn't stupid. He won't fall for the same trick twice."

"Miss Feng Wu thinks too highly of herself."

...

The truth was, Emperor Wu thought the same as well. Therefore, he wanted to know how Feng Wu was going to find the third person.

The cub came back with a wooden box in its mouth.

It was covered with mud.. Needless to say, the cub had just dug it out.
