Chapter 2411: Untitled

He hadn't wanted Zuo Qingluan to feel left out, so he had invited her to join him, but she said such insulting words. Feng Xun lost his temper.

"What did you just call Xiao Wu's food? Boss Jun loves it. Are you saying that Boss Jun has bad taste?"

He wasn't going to tolerate Zuo Qingluan's attitude.

Zuo Qingluan believed that Feng Xun used to fancy her and might still have feelings for her, but now, he was shouting at her.

She was Zuo Qingluan!

She was so frustrated that she wanted to cry. Luckily, she had a tough mind and only needed a moment before she adjusted her mood. She told herself that he was only Feng Xun, not Jun Linyuan.

However, the thought of Feng Xun being on Feng Wu's side made her want to choke Feng Wu to death.

But the crown prince wouldn't be on Feng Wu's side. That thought calmed her down.

Soon, Feng Xun finished all the food Feng Wu brought.

He would have licked the plates clean if the gravy wasn't so spicy.

Feng Wu was bewildered as well.

Feng Xun said, "Well, Xiao Wu, don't tell Boss Jun you brought food with you. Otherwise, he'll kill me!"

Zuo Qingluan snorted inwardly.

His Royal Highness was the most elegant person in the world and would never like such food!

At that thought, she liked Feng Xun even less.

Just then, Yan Yue came back.

Feng Wu and Zuo Qingluan both looked at her.

Before, Feng Wu couldn't stay away far enough from Jun Linyuan, but today was different. She didn't want to be defeated by Zuo Qingluan.

Zuo Qingluan was much more confident in comparison.

She believed that she and Jun Linyuan had always been close, unlike Feng Wu, who had been rejected by Jun Linyuan before.

The two of them decided that the first person Jun Linyuan wanted to see was the more important one.

Yan Yue looked from Feng Wu to Zuo Qingluan before she said, "His Royal Highness wants to see you both."

Both?

Feng Wu glanced at Zuo Qingluan. Didn't Feng Xun say that Jun Linyuan didn't like Zuo Qingluan? Why would he want to see her?

Zuo Qingluan glanced at Feng Wu and wondered why the crown prince would see her if he disliked her.

Had His Royal Highness already gotten used to having Feng Wu around? Zuo Qingluan became even more alarmed.

She began to regret it.

If she had known that something like this would happen, she would have listened to Mu Yaoyao and come back earlier.

No, if she had known, she would have killed Feng Wu when she had the chance.

When they walked up the stairs, Zuo Qingluan glanced at Feng Wu and knocked into her.

Feng Wu was shoved to the side.

If Feng Xun hadn't caught her in time, Feng Wu would have rolled down the stairs.

He glared at Zuo Qingluan. "You've crossed the line!"

Since Zuo Qingluan had decided that Feng Xun was her enemy, she smirked. "Feng Xun, you'd better stay out of it!"

Feng Xun lost his temper as well.

He was a young lord and was nice to Feng Wu because he liked her, but Zuo Qingluan wasn't Feng Wu.

Feng Xun smirked.

Chapter 2412: Zuo Qingluan's Envy (1)

Feng Xun snorted but didn't say anything. He had made up his mind.

Feng Wu couldn't help but glance at Zuo Qingluan.

The girl was much more aggressive than she had been five years ago. Back then, she would never have talked to Feng Xun like that.

The combination of Firmament Palace and the Zuo family had made her very confident.

However...

She wanted to laugh when she recalled what happened earlier. Zuo Qingluan had wanted to show off her friendship with Feng Xun, but had only been embarrassed by Feng Xun's response.

And Feng Wu didn't try to muffle her laughter.

Hearing it, Zuo Qingluan looked at her, and their eyes met.

Although Feng Wu didn't say anything, Zuo Qingluan still guessed what she was thinking.

She blushed in fury before her face turned livid.

She couldn't understand it. She had worked so hard in the past five years and had surpassed all cultivators of her generation.

She had thought that when she came back, Feng Wu would be as invisible as a grain of sand in comparison.

But now, she had to personally handle Feng Wu herself.

She had considered Feng Wu as something so unworthy!

Zuo Qingluan frowned and was furious.

The door opened.

She immediately saw the teenager that she had been thinking about all the time.

He was as eye-catching and majestic as ever.

One couldn't help but feel intimidated by his presence.

He seemed to be standing on top of the highest mountain.

And he was unapproachable.

Thud, thud, thud —

Even someone as arrogant as Zuo Qingluan couldn't help but feel her heart pounding.

All the so-called geniuses out there were completely useless when compared with him.

Zuo Qingluan took a deep breath and clenched her fists.

She had worked so hard just to be able to stand side by side with him one day to look down upon everyone else.

After telling herself not to get nervous, Zuo Qingluan breathed out and looked up at the man she deemed perfect.

She wanted to use her best smile and voice when she told him, "Your Royal Highness, your Luan is back."

But what did she see?

For an instance, she forgot to breathe.

Feng Wu ran toward Jun Linyuan like a capering bird.

"Hey, Jun Linyuan, what were you doing? You kept me waiting for so long!" Feng Wu jabbed Jun Linyuan's chest with a long finger.

Zuo Qingluan couldn't believe what she saw.

She was furious.

Had Feng Wu lost her mind? How could she get so close to His Royal Highness and touch him?!

Even she was too nervous to walk up to Jun Linyuan. She was a nobody! How dare she?!

She had no right!

Zuo Qingluan believed that His Royal Highness would throw Feng Wu out of the room immediately.

She could barely contain her jealousy and hatred.

But...

To her surprise...

Chapter 2413: Zuo Qingluan's Envy (2)

But to Zuo Qingluan's surprise, Feng Wu remained where she was.

Why... Zuo Qingluan studied the crown prince carefully.

Jun Linyuan's face was expressionless, but the look in his eyes was very cold.

Zuo Qingluan grew confident again.

This was the crown prince she remembered.

She gave Feng Wu a contemptuous look.

Right now, Feng Wu had raised her head and was looking at His Royal Highness with her unblinking gaze.

How dare she look His Royal Highness straight in the eye?

"Feng Wu, you're so dead!" Zuo Qingluan gloated inwardly.

She was convinced that Feng Wu didn't know the crown prince well because she didn't know that she should keep her distance! His Royal Highness hated it when girls got too close.

Zuo Qingluan was glad that she still knew the crown prince the best.

However...

The crown prince went on staring at Feng Wu.

And Feng Wu kept smiling at him.

Then?

Then, Zuo Qingluan saw Feng Wu beaming at Jun Linyuan. Her smile was like the first streak of light in the morning.

"Her smile is so silly! Mine is much more attractive!"

Zuo Qingluan smirked inwardly. She wanted to see what Feng Wu was trying to do.

Despite Feng Wu's bright smile, the crown prince remained expressionless. If anything, his eyes seemed to turn even darker.

He then turned away from her.

You couldn't run away from me fast enough at the Gu manner. Why are you smiling at me now?!

The more he thought about it, the more frustrated he became.

Feng Wu had no idea how petty the crown prince could be, but instinct told her that Jun Linyuan was angry.

Normally, she wouldn't try to please him, but today was different.

Jun Linyuan turned to face the table.

There was no room in front of him, so Feng Wu couldn't make him look at her.

She needed to find another way.

Without thinking, Feng Wu climbed onto the table and sat down.

Zuo Qingluan wanted to scream.

Did she know what she was sitting on?!

There was a painting on the table.

Zuo Qingluan recognized at once that it was Jun Linyuan's work.

The crown prince's work was very valuable, and many people would pay a small fortune for a piece.

Because he injected his cultivation energy into his paintings and calligraphy.

If one could comprehend a piece, it would greatly benefit their cultivation.

As for how expensive Jun Linyuan's work could be...

The prices were frighteningly high.

Zuo Qingluan had given out a big quadrangle dwelling as her top prize, but one written word from the crown prince was worth 100 such houses.

But Feng Wu had just sat on it...

Zuo Qingluan usually wasn't so jumpy, but...

Chapter 2414: Zuo Qingluan's Envy (3)

But the crown prince seldom wrote anything, and there were only a handful of his works on the market.

Feng Wu didn't like the feeling of sitting on paper, so she dragged the paper out from under her bottom, crumpled it up, and threw it into a corner.

Crumpled and thrown away...

Zuo Qingluan felt dizzy, but she soon grew excited.

Because she knew that Feng Wu was doomed.

However, Jun Linyuan didn't slap Feng Wu, nor did he throw her out the window.

Instead —

He snorted and turned away again. Zuo Qingluan was glad to see that Jun Linyuan despised Feng Wu.

She just couldn't understand. How could Feng Wu still sit on the desk when the crown prince obviously didn't want to see her?

Then Feng Wu did something that Zuo Qingluan deemed utterly shameless.

That was because —

Feng Wu was tugging at Jun Linyuan's sleeve!

Seeing this, Zuo Qingluan almost couldn't maintain her composure.

She clenched her fists in her sleeves, and blue veins popped on the back of her hands. She wanted to choke Feng Wu.

How could she touch His Royal Highness's sleeve?

And she was even swaying it!

Feng Wu was also giving Jun Linyuan a lost-puppy look.

Meanwhile, she called the crown prince softly. "Brother Jun."

"Shut up! You shameless woman!" thought Zuo Qingluan.

Her heart was pounding, and she wanted to slap Feng Wu.

"Your Royal Highness, do something!

"Kill this shameless woman!" Zuo Qingluan thought furiously, hoping that the crown prince would punish Feng Wu.

However, the crown prince only glanced at Feng Wu. There was a glimmer in his eyes.

"What?!" He stared at Feng Wu.

By then, he no longer looked so displeased.

Feng Wu smiled obsequiously. "Your Royal Highness, did you make a breakthrough?"

At Jun Linyuan's level, breakthroughs were extremely difficult to achieve. Other people would have been thrilled, but he only nodded indifferently.

But Feng Wu needed some excitement.

This was such a great opportunity.

She rested her chin on her hands and looked at Jun Linyuan with twinkling eyes.

“Really? Brother Jun, did you make a breakthrough?! Wow! You’re so amazing! There’s no one like you! You’re like a god to me!!!”

Instantly...

Everyone fell silent.

Feng Xun gave Feng Wu a strange look.

Zuo Qingluan was so furious that she thought her head was going to explode.

She looked at Jun Linyuan. It was obvious that Feng Wu was pretending.

It was such a humiliation to the crown prince, and she was sure that His Royal Highness would kill Feng Wu.

Chapter 2415: Zuo Qingluan’s Envy (4)

While Zuo Qingluan was looking expectantly at the crown prince, he was looking at Feng Wu.

Although he immediately saw that Feng Wu was only pretending, the crown prince enjoyed it very much.

His earlobes had turned a little pinker, but it was too subtle to pick up.

To other people, he was still the same proud teenager. After giving Feng Wu a stern look, he turned away from her again.

“It’s too late for that!” thought Jun Linyuan.

But Feng Wu wouldn’t give up.

She had been a well-trained secret agent in her previous life, and her acting skills were impeccable!

She knew exactly what a teenage girl should look like when she worshipped an idol.

She realized that tugging at his sleeve alone wasn’t enough, so she moved closer and wrapped her arms around Jun Linyuan’s. “Brother Jun...”

The crown prince’s heart rate quickened.

If there was a detector around, it would be able to see his heart rate rising.

150!

160!

170!

...

250!

260!

270!

Thump! Thump! Thump!

He thought his heart was going to jump out of his throat.

“Stop it! Pull yourself together!” Jun Linyuan told himself.

Seeing how awkward he looked, Feng Wu asked innocently, “Brother Jun, do you not feel well? Why are your cheeks so hot?”

She then put her hand on his forehead.

She’s touching him!!!

Zuo Qingluan’s eyes popped.

His Royal Highness hates other people touching him!

And she’s touching his skin directly!

Zuo Qingluan remembered when they were at school, she had tried to touch Jun Linyuan’s finger when he was napping.

But before she could do it, Jun Linyuan waved his hand in his sleep and shoved her away.

She still remembered the human-shaped crater she made when she smashed into the wall...

Because of that, Zuo Qingluan both worshipped and feared Jun Linyuan. She didn’t dare express her feelings for him and could only spread rumors about them being a couple.

That was right, she went to school with all the princes and young lords when she was little.

Because of the privileged circle she was in, she had always felt that she was better than Feng Wu.

At that thought, she stared at Feng Wu’s arms, which were wrapped around Jun Linyuan’s arm.

You’re dead!

Although Zuo Qingluan expected that Feng Wu would smash into the wall at any moment...

Jun Linyuan didn’t do anything.

Well, he did try to take back his arm.

But he only pretended to do so.

With his capability, of course he could easily release his arm from Feng Wu’s clasp.

He looked down at Feng Wu and said, “Let go.”

Chapter 2416: Furious Sacred Lady (1)

Feng Wu said, "No, I won't!"

If she had a tail, she would be wagging it by now.

Does she think she's a dog?! Zuo Qingluan found Feng Wu's behavior unspeakable.

A young lady should be graceful and reserved!

Feng Wu looks like a woman who entertains men for a living! thought Zuo Qingluan.

She was waiting for the wise crown prince to see through Feng Wu.

But she was doomed to be disappointed.

After pretending to try and take back his arm, Jun Linyuan simply let Feng Wu hold it.

What?!

Zuo Qingluan was furious.

Jun Linyuan looked down at Feng Wu and said, "Are you a puppy? Stop whimpering."

Somehow, Zuo Qingluan felt that there was affection in his voice.

No!

It can't be!

I must have heard it wrong!

While interacting with Jun Linyuan, Feng Wu was also secretly observing Zuo Qingluan.

Because she was the target of her trial.

Why hadn't Zuo Qingluan lost her temper?

She had to work harder!

She had done more humiliating things in front of Jun Linyuan before; this was nothing to her. Feng Wu stood on the table and rested her hands on her waist.

"Jun Linyuan, you called me a puppy! If you don't say something nice, I'm going to be very mad!"

OMG!

Zuo Qingluan was astonished.

How dare Feng Wu speak to the crown prince like that?!

"Does she know who he is?!"

Even Feng Xun couldn't stand it for much longer.

He kept looking around the room.

Why was he being forced to watch this? Please make it stop!

He poked Zuo Qingluan's arm with a finger. "Hey, hey."

Zuo Qingluan's mind had gone blank, and Feng Xun's poke woke her up.

She reminded herself that she was the chosen girl.

She had been brought up as a genius and was supported by both the Zuo family and Firmament Palace. Even Jun Wuxia was inferior in terms of status.

Zuo Qingluan had always considered herself to be the most beautiful and talented teenager of the empire.

But now...

She felt that Feng Wu had just slapped her in the face.

Rage burned inside her.

At that moment, Feng Xun woke her up from her reverie.

"What?" Zuo Qingluan's glance was very cold.

It made Feng Xun jump.

Seeing Feng Xun's astonished look, Zuo Qingluan finally returned to herself.

I'm Zuo Qingluan, and I'm the sacred lady. How can I be jealous of Feng Wu? She's nothing!

I would never envy a mortal!

Chapter 2417: Furious Sacred Lady (2)

Zuo Qingluan took a deep breath and asked Feng Xun, "What are you suggesting?"

Feng Xun looked from Feng Wu to Zuo Qingluan and realized what was going on.

Zuo Qingluan was jealous of Feng Wu!

That was to say, Zuo Qingluan was fond of Boss Jun!

Feng Xun frowned.

He had mixed feelings about that.

He had been a little unhappy when he thought that Feng Wu was in love with Boss Jun because he felt that now that his sister had a man, she wouldn't care about her brother so much.

But when he saw that Zuo Qingluan wanted Jun Linyuan as well, he was on guard.

"Come with me." He headed for the door.

Zuo Qingluan wouldn't move, but Feng Xun said coldly, "It's about Boss Jun!"

Zuo Qingluan was intrigued.

Was Feng Xun angry?

Was he in love with Feng Wu as well?

That's always a possibility. I hate to admit it, but Feng Wu is a very pretty girl!

I bet Feng Xun doesn't like seeing what's going on either!

With that in mind, Zuo Qingluan followed Feng Xun out of the room.

Outside.

Feng Xun frowned and stared at Zuo Qingluan.

"Are you fond of Boss Jun?" He got straight to the point.

Once she was outside, Zuo Qingluan gradually regained her senses.

She decided that she wouldn't embarrass herself over someone like Feng Wu.

Feng Xun repeated the question. "Are you fond of Boss Jun?"

Zuo Qingluan raised her chin and said coldly, "You're thinking too much."

Feng Xun kept his gaze on her. "Am I? So, you're not in love with Boss Jun?"

Of course, Zuo Qingluan wouldn't admit her feelings.

She believed that the first one to confess their affection would be the loser in a relationship. If she admitted it to Feng Xun now, the crown prince would soon know of it as well...

When that happened, she would look too eager, which was against her plan.

Zuo Qingluan had had five years to think about it in Firmament Palace, and she had observed many couples. She decided that she should never let a man know that she was in love with him!

Otherwise, she would lose the battle for good.

Feng Xun's frown grew bigger. "Zuo Qingluan, I'm going to ask you one last time: Are you really not in love with Boss Jun?"

Zuo Qingluan snorted. "Yes, His Royal Highness is brilliant, but I'm not a nobody either. Why do I have to be in love with him? Do you think I'm as superficial as all those women?"

Feng Xun let out a breath of relief. "I'm so glad to hear that. Good. You're not in love with Boss Jun."

"No, it's not good at all!" thought Zuo Qingluan. She wanted to smack Feng Xun on the head, but she needed to force herself to keep her composure.

And she feigned an indifferent attitude.

Once that problem was solved, Feng Xun became much kinder. After all, they had gone to school together once.

“Qingluan, that’s the way to go.” Feng Xun patted her on the shoulder. “Since you’re not Xiao Wu’s rival in love, we can all be friends!”

Zuo Qingluan frowned and shoved Feng Xun away.

Chapter 2418: Furious Sacred Lady (3)

It was true that to many teenage girls, Young Lord Feng was also an ideal future husband, but Zuo Qingluan thought very highly of herself and only saw Feng Xun as Jun Linyuan’s minion. Since she thought she was going to be Jun Linyuan’s future wife, she didn’t think much of Feng Xun.

Feng Xun pursed his lips. “You do believe that you’re the sacred lady, don’t you? How arrogant.”

Zuo Qingluan was so mad that she almost couldn’t keep a straight face.

She wanted to go back inside, but Feng Xun blocked her way. “Wait.”

She glared at Feng Xun.

Feng Xun said, “Why are you still going inside?”

Since she wouldn’t be his friend, he wouldn’t treat her like one.

Zuo Qingluan frowned at Feng Xun.

Feng Xun said, “Can’t you see what’s going on inside? The two of them are having a moment together. Don’t be a third wheel!”

Zuo Qingluan’s nails dug into her palms.

A moment together? Are they really a couple now? No, I won’t have it!

She scolded Feng Xun. “Do you know what you’re suggesting?”

Feng Xun said, “What do you mean?”

Zuo Qingluan said in a self-righteous tone, “You’re ruining His Royal Highness’s reputation! Feng Wu is a nobody! She can’t have anything to do with the crown prince!”

Feng Xun glared at her, but Zuo Qingluan went on before he could retort.

“Feng Xun, you’re His Royal Highness’s best friend and should uphold his reputation! Feng Wu is worthless! She’s detrimental to the crown prince!”

Feng Xun was infuriated.

In his eyes, Xiao Wu was the best. She was beautiful, talented, and kind. Why was Zuo Qingluan saying such things about her?

Feng Xun said, “If Xiao Wu isn’t worthy, who is? You?”

That rendered Zuo Qingluan speechless.

She pointed at Feng Xun and said, "Feng Wu has brainwashed you! You're not His Royal Highness's friend!"

She stormed off after that.

Tongque quickly ran after her.

Feng Xun was furious. If Zuo Qingluan hadn't left so soon, he would have hit her.

"That woman is impossible! Is that what a sacred lady of Firmament Palace is supposed to be like?" he grumbled.

Zuo Qingluan was quite aloof when she was little, but she had still been a lovely girl. How did she become like this? Feng Xun was frustrated.

Inside —

Feng Wu didn't do anything else after Zuo Qingluan left. She listened to the movements outside.

She had planned to take her acting to a new level after Zuo Qingluan came back. She would sit on Jun Linyuan's lap, and if that couldn't convince Zuo Qingluan, she would do something even more outrageous.

However, she only heard the sound of Zuo Qingluan leaving.

She felt defeated.

"Are you upset?" The crown prince frowned.

He looked in the direction of the door and seemed to realize something.

Since the eleventh trial wasn't finished yet, Feng Wu had to keep sucking up to Jun Linyuan. At that thought, she smiled wryly.. "I'm not upset."

Chapter 2419: Feng Wu's Birthday (1)

Really? The crown prince glanced at Feng Wu and felt that he had missed something important.

Seeing the pensive look on his face, Feng Wu felt uneasy.

She was worried that Jun Linyuan would realize that she had been acting.

That would put her in a very difficult spot. He would be furious!

At that thought, Feng Wu changed the subject. "I still need to take care of something at home. I'm off! Bye!"

Before Jun Linyuan realized it, Feng Wu jumped out the window and was out of sight.

She was so fast!

Jun Linyuan didn't say anything.

He could catch up with her if he wanted to, but what happened earlier was nagging at him, and he sat there, frowning.

He then walked out of the room.

Feng Xun was perplexed. "Where's Xiao Wu?"

Jun Linyuan smirked. "She's gone; she ran faster than a thief."

Feng Xun rubbed his nose. "Zuo Qingluan is gone, and so is Xiao Wu. It's almost like she was putting on a show for Zuo Qingluan."

Boom!

Those words sounded like a thunderclap in the crown prince's ears.

Feng Xun saw Boss Jun suddenly stop walking, so he glanced at him. The crown prince's face was livid!

Realizing what he had said, Feng Xun wanted to slap himself.

Why did he say such things?!

He immediately tried to repair the damage. "I'm talking nonsense. Xiao Wu was like this long before Zuo Qingluan came back. Of course, it's not because of Zuo Qingluan."

Only then did the tension in the air disappear.

Feng Xun sighed in relief. The intimidating energy from Boss Jun had almost crushed him.

He stole a glance at Boss Jun and saw that he still wasn't in a good mood.

When Feng Wu was around, he almost looked peaceful.

But as soon as she was gone, he was back to being the intimidating crown prince.

Feng Xun tried to strike up a conversation, but the crown prince never replied.

They walked down the stairs together. When they reached the fourth floor, they heard voices inside.

"Do you know how embarrassing that Feng Wu is?"

The crown prince had been deep in thought, but that name triggered him again.

Feng Xun looked at the room where the voice came from.

"Feng Wu? Do you mean the girl from the Feng clan? I heard that she started cultivating again and has been doing a good job."

"Yes, she has, but have you forgotten? Five years ago, she was mentioned alongside Miss Zuo Qingluan. Do you know what happened recently?"

"What?"

"Miss Qingluan, the sacred lady of Firmament Palace, came back in her phoenix carriage."

“That’s right.”

“And the magpies were giving out envelopes that contained vouchers. Guess what happened?”

Chapter 2420: Feng Wu’s Birthday (2)

All the guests in the tower were some kind of influential figures; otherwise, they would never be able to get in.

They didn’t care if other people heard their conversation, but they had no idea that the most influential figure in the empire was listening in.

“And the magpies were giving out envelopes that contained vouchers. Guess what happened?”

“What happened?”

“Did you know that there was a top prize?”

“Of course! It’s a house with a big courtyard in the imperial capital!”

“Yes, that’s the prize. It must be worth a lot! Do you know who got the envelope?”

“Who’s the lucky person?”

“Feng Wu!”

“Feng Wu? As in THE Feng Wu?”

“That’s her.”

“Then she’s quite lucky.”

“No, she’s not! Both she and Miss Qingluan had the True Phoenix Blood five years ago. Now, Miss Qingluan is already the sacred lady of Firmament Palace, but what about Feng Wu?”

“She has to fight with the common people for petty gifts!”

Hearing that, everyone laughed.

They had no idea that someone who cared a lot about Feng Wu had heard every word.

The crown prince now had a murderous look in his eyes.

“Your Royal Highness —” Yan Yue was with them. Hearing the conversation, she stepped out and reported in a low voice, “They’re the children of some fifth-ranked officials. Their names are...”

The crown prince only glanced at Yan Yue.

Yan Yue knew that those officials were going to be demoted.

She tried to explain on Feng Wu’s behalf. “I don’t think Miss Feng Wu meant to take that envelope. She doesn’t care about such things.”

She could tell that the crown prince was a little less furious when she said those words.

She realized what the crown prince wanted to hear.

She went on, "Because when I served tea to Miss Feng Wu, she gave that envelope to me as a tip. Here it is."

Yan Yue then showed the envelope to Jun Linyuan.

She felt a chill run down her spine.

When the crown prince was angry, many people could die.

That was a fact.

Feng Xun snorted. "Those people are abominable! How dare they talk about Xiao Wu behind her back? I'll teach them a lesson!"

Jun Linyuan didn't try to stop him.

Just then, Yan Yue said, "I remember that Miss Feng Wu's birthday is coming up."

Because she knew that her master cared about Feng Wu, she had collected some information on her.

"Is it?" Feng Xun's eyes lit up. "When? And isn't Zuo Qingluan's birthday on New Year's Eve?"

Yan Yue smiled. "Miss Feng Wu's birthday is on that day as well."

"What?!" Feng Xun cried out. "Really? What a coincidence! I didn't know!"
