Chapter 2521 Who Is Chief Zixuan's Junior Sister?

Ye Han? Feng Wu wanted to roll her eyes. Why did he think that was good news?

Just then –

The assembly bell rang out again.

“Let’s go!” Ling Hao urged them.

On their way, he told Feng Wu, “There are five classes in the War Academy, ranging from A to E. The new students are all in Class E, regardless of your previous grades.

“There you go.” He nudged Feng Wu and Chaoge in the right direction. “The new students won’t be doing anything during this meeting, so just stay put. After this, I’ll take you to your room.” Soon, Ling Hao and his teammates returned to Class B.

Chaoge was amazed. She said to Feng Wu, “Ling Hao and his friends are all in Class B.”

Feng Wu nodded. “We’ll be in Class B in no time.”

A girl walked past them at the moment. She glanced at their armbands and smirked. “Don’t flatter yourselves.”

Here in the War Academy, all students had an armband that contained their personal information. It also indicated what class they were in.

The armbands of Class E had one star, and those of Class A had five stars.

Right now, both Feng Wu and Chaoge only had one star.

The girl walking past them had two stars, indicating that she was from Class D.

“Wang Junwen, who are they?” asked a girl named Ding Yi.

Wang Junwen smirked. “Just some Class E newbies. They said they would be in Class B in no time. How stupid!”

Ding Yi looked at Feng Wu and was amazed by her beauty.

Meanwhile, she also couldn’t help but envy her, so she nodded at her friend.

They didn’t try to keep their voices down, so both Feng Wu and Chaoge heard them.

Feng Wu didn’t react, but Chaoge couldn’t stand what they said about her friend.

But Feng Wu stopped her before she could stand up.

“They can say whatever they want. The only thing we can control is our own actions. Don’t be reckless.”

Chaoge had no choice but to suppress her anger.

They soon found Class E.

Feng Wu did a quick headcount and saw that there were a thousand students in her class.

It was true that out of the four years, the War Academy had the greatest number of students.

According to Feng Xun, it was extremely difficult to graduate from Year 4.

Since Feng Wu and Chaoge were at the end of the line, no one noticed them.

At the same time.

A woman in a purple dress went up on stage. She was Chief Zixuan, the deputy chief of the year.

The War Academy had one chief and two deputies.

The chief was a mystery and hardly ever made a public appearance. Today was no exception.

Zixuan was one of the deputies.

The other was Gongsun Mu.

Chief Zixuan gave a little speech.

She announced that she was going to the Peace Grassland, and her Junior Sister would be working temporarily as the deputy chief. "Her Junior Sister?"

"Who's that?"

"Chief Zixuan came from Firmament Palace. Does that mean..."

Chaoge's eyes widened when she saw the person walking up to the stage.

Chapter 2522 Deputy Chief Zuo

"Isn't that..." Chaoge stared at the person.

Ling Hao and his team members were also astonished.

That was the girl who had ignored them!

Zuo Qingluan!

It was Zuo Qingluan!

Ling Hao had thought that Zuo Qingluan was one of the new students, but he couldn't have been any more wrong.

She wasn't even a teacher. She was the new deputy chief!

What did that mean?

That was so scary!

Everyone looked at the teenage girl on the stage and was amazed by her ethereal beauty.

Their minds were blown.

“Who’s she?”

“Zuo Qingluan?”

“Who’s Zuo Qingluan?”

“OMG! I know who she is! She’s THAT Zuo Qingluan!”

“I know her name, but ... Wait! It’s her! The daughter of the Zuo family and the sacred lady of Firmament Palace! She has the True Phoenix Blood. But that’s not the most important thing! Rumor is that she’s His Royal Highness’s fiancée!”

“The crown prince’s fiancée?!”

Everyone grew excited when they heard the last part.

The crown prince!

Jun Linyuan had been a student of the War Academy once, but he was so outstanding that he became the top student almost right away.

Not only that, he also set a record when he graduated.

His final score was 100 times higher than the previous record-holder.

Yes, 100 times.

Whatever the previous record-holder had achieved, Jun Linyuan achieved 100 times that.

That was how incredible he was.

The even scarier thing was that he hadn’t even exerted his full strength.

What was his limit?

No one dared to speculate, because the answer would only make them lose more hope.

When Jun Linyuan’s admirers heard that Zuo Qingluan was his fiancée, their eyes lit up. “His Royal Highness’s fiancée?!” “She’s going to marry him!”

“That’s why Chief Zixuan is giving her the job! It’s because of His Royal Highness!”

“Of course! Everyone knows how His Royal Highness defeated Chief Zixuan with a single strike!”

Everyone was talking at the same time.

The news soon got around, spreading from Class A to Class E.

“That’s bullsh*t!” Chaoge was infuriated. “She’s His Royal Highness’s fiancée?! The crown prince’s fiancée is —”.

Feng Wu stomped on her foot before she could go on.

Chaoge was confused. Why couldn’t she tell the truth?

Feng Wu shook her head at Chaoge.

Chaoge gave in, but she pointed at Zuo Qingluan and said, "That's a big fat lie! Karma will get her!"

Chapter 2523 Deputy Chief's Disciple

Zuo Qingluan looked down at the students.

None of them were worth her attention.

Except for one person.

When she finally spotted the person at the end of the queue, she smirked a little.

She was high up here, while Feng Wu was down there in the crowd.

She was the well-respected deputy chief, but Feng Wu was only a new student.

She felt that she could kill Feng Wu whenever she felt like it.

Zuo Qingluan didn't try to hide her smirk.

Feng Wu met her gaze and didn't look away.

Both girls saw the hostility in each other's eyes.

Chief Zixuan smiled at Zuo Qingluan. "Qingluan, as the new chief, you're given a privilege."

Zuo Qingluan asked indifferently, "What's that?"

Chief Zixuan said, "You can pick any student to be your disciple."

Zuo Qingluan nodded. "And why is that?"

Chief Zixuan wanted to roll her eyes at Zuo Qingluan.

Zuo Qingluan obviously knew the answer to that question. That was so pretentious.

Obviously, she wouldn't say that out loud. Zuo Qingluan was the sacred lady of Firmament Palace and the future wife of the crown prince. Chief Zixuan didn't want to offend her.

As a matter of fact —

Chief Zixuan was only going to the Peace Grassland because Zuo Qingluan had requested to replace her as the deputy chief. It was a request that Chief Zixuan couldn't turn down.

Everyone knew that the Peace Grassland was very dangerous at the moment, and one could easily die there.

Chief Zixuan said, "You can appoint any student here to be your own disciple. In other words, from now on, they'll carry out your orders here in the academy, and at the same time, they can enjoy the resources you provide them."

Zuo Qingluan nodded and frowned a little. "I don't think the students will like that idea."

“Of course, they will!” Chief Zixuan exclaimed. “Everyone dreams of becoming your disciple. Right?”

The question was for the students.

“Yes!” the students shouted excitedly.

Yes, the students of the War Academy were very proud, but that also depended on the circumstances.

When a more powerful and talented person showed up and proved that he or she was beyond their reach, they would immediately revere that person.

as a

Zuo Qingluan made it obvious that she was a Spiritual King as soon as she went up to the stage, and the students were impressed.

A Spiritual King!

Zuo Qingluan asked, “Can I pick any one of them?”

Chief Zixuan nodded. “Of course! Anyone would jump at that opportunity!”

Gongshu Mu frowned a little. He found the two women from Firmament Palace too flamboyant.

Epecially Zuo Qingluan. If she really was the crown prince’s fiancée, she should keep a low profile.

He decided that he needed some news from the outside world. Somehow, he felt that many things were going to happen in the academy.

Meanwhile, Zuo Qingluan –

Chapter 2524 Who Will Zuo Qingluan Choose?

Zuo Qingluan looked down at the crowd.

Many people were thrilled.

There were 5,000 students in total from the five classes, and nearly everyone who came to the assembly was looking at Zuo Qingluan.

Less than 100 students of Class A were here today because most of them were away on assignments. They were all looking forward to the opportunity.

Apart from being the sacred lady of Firmament Palace and the current deputy chief of the academy, Zuo Qingluan also had an important friend.

The crown prince.

That was what Class A believed.

Yang Jianqing thought, “She’ll pick me, right? Of all the people here, I have the highest ranking.” Ji Rongsha thought, “This is my only chance to get close to His Royal Highness. If I can jump on Zuo Qingluan’s wagon, I’ll have a chance to become His Royal Highness’s concubine! Please pick me!” Her eyes sparkled.

And there were many more students who had similar thoughts.

If Class A was so excited, imagine what the other four classes were feeling.

Every chief could only have one disciple.

Class E.

Sun Jingyu gnashed her teeth. "She has the Zuo family and Firmament Palace behind her. Not only is she the deputy chief now, she's also the crown prince's fiancée. How can someone be so lucky?"

Sun Jingyu was the class president and had her own small group.

One of her friends asked, "Jingyu, do you want to become her disciple?"

Sun Jingyu rolled her eyes at the boy named Yuan Yu. "Don't you? Can't you see how excited Class A is? But there's only one place, and it'll never come to our class."

Yuan Yu said, "Class A is graduating soon. Even the students who can't graduate will go to the Peace Grassland. I don't think they have much of a chance."

Sun Jingyu said, "Even if that's the case, there are three classes more advanced than us. We'll be the last group she'll consider!"

All the students of Class E sighed inwardly. What a pity!

Sun Jingyu said, "Don't fidget. We'll have plenty of opportunities when we get into Classes A and B, but for now, we're just onlookers."

The students were allocated to different classes according to their rankings.

Class A stood the closest to the stage.

Behind them was Class B.

Class E stood the furthest at the back.

The students stood in neat rows.

Zuo Qingluan walked off the stage. Class A was thrilled.

Yang Jianqing thought, "Pick me!"

Ji Rongsha thought, "Please pick me! It'll change my life forever!"

But Zuo Qingluan walked right past Class A.

The students of Class A were astonished.

Yang Jianqing was speechless.

So was Ji Rongsha.

They were out.

Who was Zuo Qingluan going to choose?

Ji Rongsha clenched her fists and followed Zuo Qingluan with her eyes.

“She’s reached Class B!”

Chapter 2525 Condescending Attitude

Students of Class B were thrilled. “Chief Qingluan is here!”

Since she hadn’t chosen a disciple from Class A, she must be considering Class B!

Someone in Class B would have a chance to meet the crown prince in person!

Everyone in Class B stood ramrod straight, trying to show their best selves to Zuo Qingluan.

But to their surprise...

Zuo Qingluan walked past Class B as well.

Just like that...

All the students were dumbfounded.

Was Chief Qingluan going to choose someone from Class C?

But Zuo Qingluan ignored Class C as well.

Class D was thrilled now.

Holy crap!

Was it going to be someone from Class D?!

Wang Junwen and Ding Yi clenched their fists excitedly and wondered if it was going to be them.

Class E.

Yuan Yu said, “Jingyu, look! Chief Qingluan has reached Class D!”

Sun Jingyu shook her head. “Then it has to be someone in Class D. We still won’t have a chance.”

Yuan Yu said, “She didn’t stop there! She’s coming our way!”

Despite what she said, Sun Jingyu was having butterflies in her stomach.

She was right!

Zuo Qingluan was heading for Class E.

They were the only class left!

It had to be one of them!

Gosh!

OMG!

Chief Qingluan really was going to choose her disciple from Class E!

Who would she pick?

Who would be the lucky person?

Who?

Everyone here in the War Academy was an outstanding cultivator.

But Zuo Qingluan would outshine every single one of them because she was the crown prince's fiancée!

No one knew where that news came from, but everyone was almost immediately convinced.

They believed that Zuo Qingluan was the only girl in the empire who was good enough for the crown prince.

"Jingyu, look! She's coming our way!" Yuan Yu was thrilled.

Yuan Yu was a boy. Sun Jingyu also had a female lackey, and her name was Mu Qianqian.

She was so excited that she almost fainted. She grabbed Sun Jingyu's hand. "Jingyu, it's going to be you!"

Sun Jingyu feigned a humble tone. "Surely not... It'll never be me."

Mu Qianqian said, "Of course it's going to be you. You're the prettiest and most advanced student in our class! All teachers adore you! It's definitely you!"

Deep down, Sun Jingyu thought the same.

Who else could it be?

There was no one better than her in this class!

But Zuo Qingluan stopped in front of Feng Wu.

She looked condescendingly at Feng Wu.

Chapter 2526 No

Zuo Qingluan spoke in a condescending tone. "You, then."

Those words sounded like a thunderclap to everyone else.

Everyone stared at Feng Wu.

"Who's that girl?"

"She's so pretty! Why haven't I seen her before?"

Students of other classes also turned around to look at Feng Wu.

Yang Jianqing, Ji Rongsha, Ling Hao, Wang Junwen, and Ding Yi were all looking at her.

Sun Jingyu couldn't look away.

Her cheek twitched, and she wanted to kill Feng Wu with her gaze.

“Who’s she? Where did she come from?!” she shrilled.

Both Yuan Yu and Mu Qianqian shook their heads. They had no idea who the pretty girl was. No, calling her pretty was such an understatement!

“She’s Feng Wu, a new student,” Gu Xingyuan said behind them.

His two older brothers were here in the War Academy as well, and Gu Xingyi had taken him to see Sun Jingyu after the registration. With Sun Jingyu’s help, Gu Xingyuan was quickly accepted by the other members of the class.

Chu Junying was also there. She was with Gu Xingyuan all the time.

“What’s her background?” Sun Jingyu asked.

Gu Xingyuan recalled the incident during Zuo Qingluan’s birthday and the gift envelopes. He had a feeling that the crown prince was fond of Feng Wu instead of Zuo Qingluan, but...

He would lie to even his mother if it would make Feng Wu’s life harder.

So he smirked and said, “She’s a daughter of the Feng clan. You might have heard her story before. She and Zuo Qingluan used to be known as the two genius girls of the imperial capital, but she became too greedy and destroyed her cultivation ability. She also lost her True Phoenix Blood. As you can see, Zuo Qingluan is the deputy chief now, while she’s...”

One girl was the deputy chief, and the other was only a new student. What a stark contrast.

Gu Xingyuan didn’t try to lower his voice.

He wanted as many people to hear him as possible.

Soon, the entire Class E heard it.

And the news spread from Class E to Class A.

“So, it’s THAT Feng Wu!”

“Who’s she?”

“I know that name! Her clan has declined. She used to have the True Phoenix Blood, and she was His Royal Highness’s fiancée once, but that engagement was annulled.”

“It’s her! That was five years ago, right?”

“She used to be a genius as well! I didn’t know that she could cultivate again. However, she’s nothing compared with Zuo Qingluan!”

Immediately, all eyes were on Feng Wu.

Everyone wanted to know her answer.

Zuo Qingluan smirked at Feng Wu.

Even under all the gazes, Feng Wu remained unperturbed.

She looked at Zuo Qingluan as if she was as ordinary as everyone else.

Feng Wu shook her head. "No."

No one could believe what they just heard!

Chapter 2527 Doubled? I Accept

Gosh!

No?!

Someone said no to Zuo Qingluan!

Everyone stared at Feng Wu in disbelief.

It had never occurred to them that someone would turn down that honor.

It was a once-in-a-lifetime opportunity!

Zuo Qingluan smiled. She knew that Feng Wu wouldn't say yes.

That was why she had chosen Feng Wu.

She wanted Feng Wu to refuse her proposal in front of everyone so that Feng Wu would turn into a public enemy.

She was a deputy chief; what was Feng Wu? She was only a new student. It was obvious which side the students would take. Only idiots would choose Feng Wu's side.

After that, everyone in the academy would become Feng Wu's enemy. Her life would be miserable; just thinking about it excited Zuo Qingluan.

Of course, she didn't let any of that show.

She frowned and looked indignant at being turned down.

She didn't need to say anything because someone would speak up for her.

Chief Zixuan stepped out.

She glanced at Feng Wu and asked, "And you

are?!"

"She's Feng Wu." Sun Jingyu had heard Gu Xingyuan's introduction. She quickly stood behind Chief Zixuan and answered the question.

She needed to show where she stood.

It was obvious that she was going to be Feng Wu's enemy.

"Why haven't I heard that name before?" Chief Zixuan frowned.

Gu Xingyuan thought, "That's a little fake. You were watching Feng Wu when she took the exam."
However, he wasn't going to say anything. The more miserable Feng Wu was, the happier he would be.

Sun Jingyu said, "She's new. She only got here today."

Chief Zixuan nodded and looked enlightened.

She asked Feng Wu, "May I ask why you said no?"

Feng Wu said, "Do you need a reason?"

Chief Zixuan said, "Of course I do. Your refusal has injured Chief Qingluan's dignity. You're a mere student of Class E, and we don't permit such behavior!"

Everyone agreed with that.

Feng Wu only glanced at her but didn't reply.

Chief Zixuan was a little surprised by how stubborn she was.

If Feng Wu hadn't lost the True Phoenix Blood, she would have been Zixuan's junior sister. Life was unpredictable.

Chief Zixuan sighed inwardly, then turned to Feng Wu. "Refusing the deputy chief will make it much more difficult for you to graduate. The points you need to obtain will be doubled."

"Doubled? I accept." Feng Wu nodded.

Chief Zixuan smirked. "To graduate, you need to have enough points, and they're very hard to obtain. That's why it's so difficult to graduate. You don't know what you're facing."

Chapter 2528 Authority

Feng Wu nodded.

Chief Zixuan turned to Zuo Qingluan. "To make up for your injured dignity, the points she needs to earn is doubled; we'll call it even, then. You still have two more chances to pick a disciple."

Two more chances? Zuo Qingluan smiled a little and asked Feng Wu again, "Will you be my disciple?"

What?

Everyone was surprised.

Seriously?!

Feng Wu again?

"Does she know what will happen when Feng Wu says no for a second time?"

Chief Zixuan hesitated. "Qingluan..."

Zuo Qingluan asked, "Am I not allowed to pick the same person?"

Chief Zixuan said, "You can, but..."

She looked at Feng Wu.

Feng Wu said, "No."

She sounded like she wasn't bothered at all.

Gongsun Mu stepped out and reminded her, "Feng Wu, if you refuse her again, the points you need to graduate will be five times more than other students."

Doubling the points would already make it impossible for her to graduate. What about five times?

The other students all stared at Feng Wu.

They believed that she would change her mind.

But Feng Wu only looked at Zuo Qingluan without saying another word.

She had made up her mind.

Gongsun Mu couldn't help but remind Feng Wu, "You can't possibly earn so many points."

Feng Wu shook her head. "Thank you for your reminder, but I don't care."

Gongsun Mu shook his head. "Do you know what will happen if you can't graduate?"

Feng Wu asked curiously, "What will happen?"

Gongsun Mu smiled bitterly. "You're a student of the War Academy now, so you have the right to know a few things. If you can't graduate, you'll have to join the battle at Peace Grassland."

Feng Wu had guessed as much. "Are you referring to the war with the Dongsang Kingdom?"

Gongsun Mu said, "That's right." It was getting even fiercer, and the empire was losing ground. Of course, Gongsun Mu omitted the last part.

Feng Wu said, "I'm alright with that."

Gongsun Mu shook his head. Before he could say anything else, Chief Zixuan said, "So be it. Qingluan, you still have one more chance."

All eyes were on Zuo Qingluan. Who would she choose now?

Surely, not Feng Wu again.

That was outrageous, because if Feng Wu said no a third time...

But Zuo Qingluan turned to Feng Wu again.

"I've been playing by the book all my life, but I want to do something willful today. Feng Wu, will you be my disciple?"

That was the third time she asked Feng Wu.

Zuo Qingluan did it!

At first, the students had hoped that being someone of their own age, Zuo Qingluan would be easy to get along with, but after the three questions, she had proven that she wasn't!

She was using Feng Wu to assert her authority!

Poor Feng Wu.

Chapter 2529 Politically Correct

Gongsun Mu frowned at Zuo Qingluan before turning to Feng Wu. "If you turn her down again, you'll need 10 times as many points."

Not only would that make it impossible for Feng Wu to graduate, she would also have offended Zuo Qingluan for the third time.

Feng Wu would ruin her own future.

But if she said yes now, she might still have a chance.

Gongsun Mu wasn't alone. Many students felt the same.

They all felt conflicted.

It was an indescribable feeling.

"I said, no." Feng Wu narrowed her eyes. Did Zuo Qingluan think that she would tolerate her provocation forever?

No?!

Feng Wu said no!

Was she nuts?

Everyone sucked in their breaths and stared at Feng Wu.

Zuo Qingluan was greatly satisfied.

Feng Wu had humiliated her so many times.

And she almost hadn't made it through court. Finally, it was her turn.

What she didn't know was that although her plan had worked, the result had also created a loophole. Soon, she would pay dearly for what she had done today.

Of course, we'll talk about that later.

The assembly was over.

The students left in twos and threes, all discussing what had just happened.

At first, they had expected to make friends with Zuo Qingluan, but now, all they had for her was reverence.

Zuo Qingluan had become the latest idol of the War Academy.

However –

Because of her aggressive behavior, her popularity had dropped a little from 100% to 95%.

Most of the 5% felt sorry for Feng Wu.

Chaoge jumped to her feet when everyone was gone.

“Xiao Wu, that was outrageous!”

She had tried to say those words all this time, but Feng Wu stopped her.

“Why wouldn’t you let me say anything? She’s obviously abusing her power! She’s getting back at you because His Royal Highness was nice to you! I’ll tell everyone that you’re His Royal Highness’s...”

“Duan Chaoge!” Feng Wu glared at her.

Chaoge would back off whenever Feng Wu became serious.

Feng Wu said, “I have my plan, and your willful behavior will only get in my way. Our enemy will use you to get to me. It has always been like that. Can’t you see it?”

Chaoge said, “I just can’t help it...”

Feng Wu said, “You must. Losing control of your temper will only become your downfall.” Chaoge said, “Alright...” Sun Jingyu and a few others walked in their direction.

Sun Jingyu felt entitled to give orders to new students of Class E.

She said to Feng Wu, “Do you know what new students must do?”

Feng Wu was bewildered.

Sun Jingyu smirked. “All new students clean the toilets for a month! Now go, both of you!”

The students around her all burst out laughing

Because Feng Wu had offended Chief Qingluan, it was now the politically correct thing to do to bully her.

Chapter 2530 Ten Times More

Feng Wu smiled. “A task for new students, you say?”

Sun Jingyu didn’t reply, but Mu Qianqian nodded. “That’s right. Get on with it!”

Feng Wu pointed at Gu Xingyuan and Chu Junying. “They’re new as well.”

Mu Qianqian frowned. "Just do as you're told. You should be honored to be given such a job!"

Feng Wu said, "What if I refuse?"

Mu Qianqian said, "Then we'll deduct your points! You..."

Feng Wu began to walk away before Mu Qianqian could finish. "Be my guest."

"You!" Mu Qianqian turned to Sun Jingyu for help. "Jingyu, did you see that? Who the hell does she think she is, His Royal Highness's fiancée?!"

Sun Jingyu gave her a stern look, and she immediately stopped talking.

Ling Hao arrived at that moment.

He came alone, while the rest of his team waited for him some distance away.

"What's this? Are you bullying the new students?!" Ling Hao asked angrily.

Sun Jingyu's stomach lurched.

Ling Hao was from Class B, which was a lot more advanced than Class E. They didn't dare to talk back to him.

The War Academy was a hierarchical place.

Sun Jingyu threw a dirty look at Feng Wu and walked away.

"Are you alright?" Ling Hao sounded concerned.

Feng Wu shrugged. "I'm fine."

Sun Jingyu was a petty character, and Feng Wu knew she wouldn't stay in Class E for much longer, so she wasn't bothered.

Ling Hao sighed. "Why are you so stubborn? You could have become the deputy chief's own disciple! Zuo Qingluan is young, but she's a Spiritual King!"

Feng Wu didn't know what to say.

Chaoge said, "So what? Xiao Wu will be a Spiritual King soon!"

"Who are you kidding?" Ling Hao didn't take her seriously. He told Feng Wu, "Fine, you don't like her. I think I know why..."

Feng Wu was perplexed. Ling Hao said, "It's because she's His Royal Highness's fiancée, isn't it?"

Feng Wu said, "What?"

Ling Hao said, "I understand. All girls are in love with His Royal Highness, right? Zuo Qingluan is his fiancée, and it's normal that you don't like her..."

Feng Wu almost choked on her own spit.

She said, "I'm amazed!"

She was amazed by his wild imagination.

Ling Hao said, "Of course you are. I know what girls are like. You didn't have to make it so obvious, though."

Feng Wu shook her head. "I just can't stand her."

Ling Hao said, "Why?"

Feng Wu said, "I just can't. It's not like me."

Ling Hao said, "How can you take it so lightly?" Feng Wu said, "Why can't I?" Ling Hao said, "You'll need ten times more points! Do you know what that means?!"

Feng Wu said, "It's not that bad, is it?"

Ling Hao said, "Yes, it is! You have no idea how difficult it is to earn points!"
