Chapter 2571: Untitled

“How dare Feng Wu do such a thing!”

“But we all know how capable Ms. Zhen is. Why was Feng Wu able to throw her over her shoulder?”

Everyone was dumbfounded.

Wasn't Feng Wu supposed to be useless? How could she injure Ms. Zhen?

Ms. Zhen was at a loss as well.

It had never occurred to her that she would be humiliated this way.

She had been defeated by a student.

Driven by shame, she jumped up, bent her fingers so that her hands looked like claws, and aimed at Feng Wu's eyes.

Feng Wu grabbed one of her hands. With a crack, she crushed Ms. Zhen's hand in her palm.

“Ah!!!” Ms. Zhen screamed in pain.

The students watched in astonishment.

They thought that they had seen enough shocking things, but they were wrong.

“Feng Wu is...”

“Oh my god...”

“Ms. Zhen is...”

Ms. Zhen stared at Feng Wu with eyes that burned with hatred.

Feng Wu said, “Get out of my way.”

Ms. Zhen hated Feng Wu, but she didn't dare offend her again.

Because Feng Wu could crush her like she was stomping on an ant.

She wasn't Feng Wu's match at all.

Overwhelmed by the humiliation, Ms. Zhen moved aside, and Feng Wu marched into the fire room while everyone watched.

The students were shocked once more.

There were around a dozen students, and they all sucked in their breaths in unison.

Zhen Ya's friends had slipped away to look for her.

They couldn't find her, but they found Mr. Zhu instead.

Feng Wu was cultivating when Mr. Zhu arrived.

She realized that when she didn't have any crystal cores, her cultivation speed was greatly reduced.

It seemed that she needed to earn more crystal cores and points.

Just then, she heard footsteps outside.

The students turned around and saw that it was Mr. Zhu.

Their first thought was that Feng Wu was going to die.

Holding her right arm, Ms. Zhen greeted him. There was pain in her voice, but her eyes spat fire.

"Husband!" Ms. Zhen gritted her teeth.

Apparently, Mr. Zhu had been informed of what happened. He examined Ms. Zhen's wound and was slightly relieved when he saw that it wasn't too serious.

"Where's that student?" His face was livid.

"She's cultivating inside." Ms. Zhen pointed at the cultivation room. She was so furious that her eyes looked like they were spitting fire.

The injury hurt, but she was more furious because she had been beaten by a student in front of other students. The humiliation almost drove her crazy.

Mr. Zhu nodded and headed for the cultivation room.

At that moment, four people arrived.

They were Zhen Ya, Lu Xiao, Sun Jingyu and Mu Qianqian.

They all heard the conversation between the couple.

Zhen Ya held her mother and shook with rage. Lu Xiao tried to comfort her.

The students all murmured to one another and expressed how sorry they felt for Zhen Ya. They were convinced that Feng Wu was going to die.

Was she? Sun Jingyu didn't think so.

Mu Qianqian tugged at Sun Jingyu's sleeve and whispered, "Are we on the wrong side?"

Sun Jingyu only rolled her eyes at Mu Qianqian.

### **Chapter 2572: Untitled**

Mu Qianqian anxiously dropped her voice so that no one else could hear her. "Jingyu, I'm not joking. Feng Wu attacked Ms. Zhen. What do you think Mr. Zhu will do to her? Listen. They all think that she's going to die."

Sun Jingyu glanced at Ms. Zhen's right hand and said casually, "Just because they all think that way doesn't mean that they're right. They're only repeating each other's words."

Mu Qianqian stomped her foot. "But Mr. Zhu is the most capable tutor of our class."

Sun Jingyu thought, "So what? I bet he can't kill a thousand White Lion Elephants with one strike."

Her legs still trembled whenever she recalled that scene. It chilled her to the bone.

Mu Qianqian was trying to figure out how not to be incriminated by Feng Wu.

Meanwhile, Mr. Zhu had arrived outside the fire room.

He tried to push the door open.

But it wasn't as easy as he expected.

The door wouldn't open.

He frowned, stepped back, and checked the sign in the top right corner of the door.

Grade E, Fire Cultivation Room 1.

It was the right place.

He grabbed the door handle and pushed harder.

He used 80% of his maximum strength and was confident that the door would open without resistance.

He was wrong. The door still wouldn't budge.

Mr. Zhu was concerned now.

When he exerted his full power, he realized in surprise that he still couldn't open the door.

He was astonished.

He knew that this was a competition between his and Feng Wu's cultivation levels.

What kind of student could keep him out?

Dozens of students had gathered around, and they looked expectantly at Mr. Zhu.

*Thump!*

Infuriated, Mr. Zhu raised a leg.

He kicked the door open with a loud thump.

This time, he finally could enter the room.

"How do you think Mr. Zhu will punish Feng Wu?"

"She disrespected her teachers. They'll expel her, won't they?"

Zhen Ya smirked. "My dad is going to kill her!"

Ms. Zhen gave her a stern look. What a stupid girl! She couldn't say such things out loud!

While everyone else believed that Feng Wu was going to be punished, Sun Jingyu shook her head.

From what she knew of Feng Wu, she believed that things wouldn't turn out the way these people expected.

Feng Wu would prove them all wrong.

Chaoge and Zi Ling got wind of the news and arrived at that moment.

Zhen Ya was furious when she saw Zi Ling.

Ms. Zhen stopped her and said coldly, "Don't create more trouble now."

Zhen Ya had to fight back her rage.

In the fire room.

Feng Wu sat cross-legged on the floor, and Mr. Zhu was kneeling in front of her.

She said, "Get out of my sight now."

Mr. Zhu scrambled to his feet. All his wounds were hidden by his clothes, and other people couldn't tell that he had been hurt.

He wanted to leave the room.

Feng Wu said sarcastically, "You'll have to leave something behind."

Mr. Zhu glared at her before he looked down at his hands.

Which hand should he chop off?

Feng Wu chuckled. "The right one, then. It's more valuable."

Mr. Zhu glared at her.

He had never imagined that something like this would happen to him.

### **Chapter 2573: An Incredible Student (1)**

Feng Wu smiled at Mr. Zhu.

Mr. Zhu glared at her in frustration. It had never occurred to him that there would be such an incredible student in his class.

He had been confident when he came in, thinking that he would teach the student a good lesson.

He had never imagined that it was possible he would lose.

Not only that, he also realized in astonishment that he couldn't withstand a single strike.

Not a single one.

He was the class tutor, but he was easily defeated by one of his students.

For an instant, he wished that the ground could open up so that he could hide inside.

Feng Wu smiled at him. "Have you decided?"

Mr. Zhu was a decisive man who kept his word. He grabbed his sword and struck down at his right arm.

Before he could make contact, he was struck by an invisible force.

The sword flew out of his hand and landed in the wall behind him.

It was buried all the way to the hilt.

Mr. Zhu's face paled.

The walls of the cultivation room were made of a special material. Ordinary people couldn't leave any mark on it, let alone stick a sword into it.

Even he couldn't do it.

Feng Wu had only entered the academy for two days, and she could already plunge a sword into the wall.

Exactly how capable was she?

"Why?" Mr. Zhu stared at Feng Wu. "Why did you stop me?"

Feng Wu smiled. "I don't think it's worth the trouble."

Mr. Zhu said, "What?"

Feng Wu said, "Why do I need your right hand? I can't eat it."

Mr. Zhu was speechless.

Feng Wu smiled at him. "Why don't you name a price? How much do you think your right arm is worth? Convert it into points and give them to me."

Mr. Zhu was astonished. "Are you sure you don't want me to..."

He was so agitated that he couldn't finish his sentence.

Feng Wu waved him off and got straight to the point. "I think you know that being a new student, I'm always in need of more points."

Mr. Zhu asked, "Aren't you afraid that I won't keep my promise?"

Feng Wu smiled a little and glanced at his right arm. She said teasingly, "I can take that hand whenever I want."

That was an outright threat.

Mr. Zhu didn't know whether to laugh or cry. She was such a unique student.

He realized that a genius like Feng Wu couldn't stay in Class E for long. She would soon rise in glory.

"How many points do you need?" he asked in resignation.

Feng Wu said, "I want to have unlimited access to the cultivation room. How about that?"

Mr. Zhu shook his head. "That's not possible."

Feng Wu asked him why.

Mr. Zhu smiled bitterly. "My authority only applies to Class E."

Feng Wu said, "In that case, give me unlimited access to this cultivation room while I'm in Class E."

Mr. Zhu shook his head again. "I can't do that."

Feng Wu frowned. She felt that she had made enough compromises.

Mr. Zhu shook his head. "I'm not as powerful as you think. Even I have to pay with my points to use the cultivation room."

Feng Wu asked, "Seriously?"

Mr. Zhu nodded. "The school has various rules to prevent the devaluation of points. This is one of them."

### **Chapter 2574: An Incredible Student (2)**

Feng Wu said, "If that's the case, Mr. Zhu, I think I'm gonna take that right arm now."

Mr. Zhu was alarmed. The girl might seem harmless, but she was anything but.

"There are ways to get around that," Mr. Zhu said hurriedly. "The maximum amount of points a Class E student can get in a transaction is 1,000 points, and that's what I'll give you."

Feng Wu frowned and shook her head. "That's too little."

Mr. Zhu felt the same, but that was the school rule. What else could he do?

"The maximum transaction amount really is 1,000, regardless of whether it's between students or students and teachers. Also, it can only be done for the same person once a month," Mr. Zhu said solemnly. It seemed he was telling the truth.

Feng Wu said, "I want 3,000 points."

Compared with 3,000 points, Mr. Zhu obviously valued his arm more.

Mr. Zhu didn't hesitate to nod. "Of course."

Feng Wu said, "Would you please call Chaoge and Zi Ling in, then?"

Mr. Zhu looked at her in resignation.

He wondered why she wouldn't trust him. She had to make sure that he transferred the points right now.

However, he wasn't in a position to make requests, so he opened the door and said, "Duan Chaoge, Zi Ling, please come in for a moment."

The students outside had no idea what was happening in the room.

They jumped when Mr. Zhu called out the names.

But they soon saw what was going on.

“Duan Chaoge and Zi Ling are both Feng Wu’s friends!”

“Why does Mr. Zhu want them to go in?”

“Oh my god. Did Mr. Zhu kill Feng Wu? Does he need them to collect the body?!”

Despite their astonishment, they all discussed the matter with flickering eyes.

Zhen Ya was pleased.

She and her mother looked at each other, and both smiled in satisfaction.

Mu Qianqian grew anxious. She grabbed Sun Jingyu’s hand and said agitatedly, “Jingyu!”

She also believed that Mr. Zhu had beaten Feng Wu to death.

Sun Jingyu’s face remained emotionless, but she grew doubtful as well.

Had she made the wrong choice?

She wondered if she really had seen Feng Wu’s formidable strike.

Chaoge and Zi Ling were both concerned about Feng Wu. When they heard Mr. Zhu, they ran into the room as fast as they could.

They heard all the discussion around them.

Was Feng Wu really dead?

Gosh!

They were shocked by what they saw.

Feng Wu sat calmly on the floor with her legs crossed, and there was a cheerful look in her bright eyes.

She seemed to be in control of the situation.

Mr. Zhu was standing next to her, bowing slightly like a servant.

He didn’t dare to show any disrespect.

Chaoge was speechless.

Zi Ling didn’t know what to say.

What was going on?

“Switch on your armbands.” Feng Wu smiled at them.

Both Chaoge and Zi Ling were dumbfounded.

Chaoge was used to following Feng Wu's orders, so she switched on her armband without asking questions.

"1,000 points transferred," a robotic female voice announced.

1,000 points?

Chaoge couldn't believe her ears. She looked at Feng Wu in pleasant surprise. "Xiao Wu, what's going on?"

### **Chapter 2575: An Incredible Student (3)**

Chaoge was indescribably excited.

Feng Wu didn't answer her and only looked at Zi Ling.

Zi Ling wasn't blind. She saw Chaoge receive 1,000 points.

She switched on her armband without further prompting.

"1,000 points transferred."

The same robotic female voice rang out again.

Zi Ling was grateful and said to Mr. Zhu, "Thank you so much!"

She bowed as she spoke.

Mr. Zhu's face was livid. He looked at Feng Wu instead of Zi Ling.

Feng Wu nodded. "You can go now."

Mr. Zhu left without looking back.

Zi Ling and Chaoge opened their eyes wide in disbelief as they watched Mr. Zhu leave.

What was going on?

Why did it feel like Feng Wu was ordering Mr. Zhu around?

Were they mistaken?

Chaoge and Zi Ling turned around and looked at Feng Wu in unison, both filled with wonder.

Feng Wu said, "Let's go."

Chaoge wanted to ask something, but there were too many people around them, so she followed Feng Wu without saying a word.

Mr. Zhu quickly left the cultivation room.

Many students were waiting outside.

There had only been over a dozen of them at first, but when news got around, more students flooded in.

Looking around, Mr. Zhu saw that the place was packed.

There were at least hundreds of people.

Mr. Zhu's face turned livid.

Just then, Zhen Ya, his daughter, ran excitedly toward him.

She blinked, unable to contain her excitement.

"Father, did you teach Feng Wu a lesson? I'll drag her out now."

Mr. Zhu's face darkened even more.

Drag her out?

Why did she even think she could do that?

Fearing that his ignorant daughter would offend Feng Wu again, he immediately said, "Stop right there!"

He had never spoken so harshly before.

Zhen Ya was dumbfounded.

Mr. Zhu glared at her. "Come with me! Now!"

He grabbed her arm and led her away from the crowd.

But Zhen Ya wouldn't let him.

She threw off his hand. "I still have things to do! I'm not leaving!"

However, Mr. Zhu was worried that his daughter would upset Feng Wu, so he picked her up without hesitation and dragged her away.

Ms. Zhen knew him well and was suspicious of his reaction.

She felt that something wasn't right.

But she had no idea what.

The students had no idea what happened.

They believed Zhen Ya and thought that Mr. Zhu had taught Feng Wu a lesson.

They expected to see Feng Wu lying on the floor, covered in blood.

Mr. Zhu must have called Chaoge and Zi Ling inside so that they could carry Feng Wu out.

"Why haven't they carried Feng Wu out yet?"

"Is she too severely injured? Could she have died at the scene?"

"I don't think so. Mr. Zhu would have to take responsibility if that happens. I think she's badly wounded, that's all."

Just then, the door to the cultivation room opened.

There we go!

The students outside couldn't wait to see who would come out.

They were already displeased when Feng Wu turned down the opportunity to become Zuo Qingluan's friend.

And then...

#### **Chapter 2576: An Incredible Student (4)**

Then, they believed that Feng Wu became the best team member because she was lucky enough to join Sun Jingyu's team, which gave her 200 points.

Everyone was jealous of her.

Of course they wouldn't like Feng Wu.

They were looking forward to seeing what happened to her.

However, they were shocked when they saw Feng Wu come out.

She didn't look injured at all. She didn't even have a scratch on her.

She was as pretty as ever. Her skin was as smooth as porcelain, and there were no wrinkles in her dress.

It was obvious that she hadn't been beaten up.

Mr. Zhu looked more like he was the one who had been beaten up.

"You..."

Everyone watched in surprise as Feng Wu walked out of the room with Zi Ling and Chaoge by her side.

They left the room together.

Ms. Zhen was so furious that her nails dug into her palms.

Her eyes spat fire.

She left without saying a word.

She wasn't going to stop Feng Wu. Instead, she was going to ask Mr. Zhu what was going on.

In Room 2001.

Chaoge and Zi Ling stared at Feng Wu in astonishment.

Zi Ling couldn't believe her ears.

Chaoge found it much easier to believe Feng Wu. After all, she had been Feng Wu's friend long enough to know that such things could happen.

She cut to the chase. "Xiao Wu, you didn't beat up Mr. Zhu, did you?"

Zi Ling rolled her eyes at Chaoge. "No, that's just ridiculous. Be reasonable. Feng Wu beat up Mr. Zhu? How could that happen?"

Feng Wu said, "I did."

Zi Ling's mouth fell open.

Feng Wu said, "I did just now."

Zi Ling said, "What did you do?"

Feng Wu said, "He attacked me without saying a word. I parried his blow, and sent him flying. That was it."

She shrugged innocently. "I didn't actually hit him."

Chaoge was speechless.

Zi Ling didn't know what to say.

In the tutors' living quarters.

The students could only live in the dormitories, whereas the teachers lived in villas.

Mr. Zhu was the tutor of Class E and could only live in the outermost region.

In the villa of the Zhus.

Zhen Ya was yelling at her father. "Why did you bring me home?! Dad, do you know how important that was to me?"

"Duan Chaoge and Zi Ling were going to carry Feng Wu out! You don't get to see that every day!"

"Feng Wu has been so outrageous! She's only a new student, but she thinks of herself as some big deal! If one didn't know better, they would think that she's a Class D student already!"

"I have to see Feng Wu at her worst! I'll be able to mock her for it from now on! Dad, you don't know anything!"

She threw off Mr. Zhu's hand and headed for the door.

"Stop right there!" Mr. Zhu had never sounded so angry before.

It frightened Zhen Ya.

Her father had never spoken to her that way before.

Mr. Zhu stared at Zhen Ya and stressed each word. "I'll disown you if you offend Feng Wu again!"

He meant it.

Intimidated, Zhen Ya cringed. When she realized what her father had said, she burst into tears.

Her father had always doted on her, and she had never been treated this way before.

“Why are you saying that?” Zhen Ya cried.

“I’d like to know the answer as well!” someone said angrily from the doorway.

### **Chapter 2577: Genius Student (1)**

“I’d like to know the answer as well!” someone said angrily from the doorway.

Mr. Zhu turned around and saw his wife charging into the room, her eyes shining brightly with fury.

He closed his eyes and took a deep breath.

Ms. Zhen walked up to her husband and looked him in the eye.

“Tell me why! Now!” She glared at Mr. Zhu.

Mr. Zhu looked from his wife to his daughter.

He took a deep breath and slowly said, “With everything that has happened, can’t you see it?”

“Feng Wu isn’t useless by any standard! She’s a genius!”

Zhen Ya smirked. “Father, don’t be ridiculous. Feng Wu is a genius? She might have been a genius once, but she lost her ability five years ago; everyone knows that. She’s completely crippled.”

Mr. Zhu said tauntingly, “Are you saying that your father was defeated by a cripple?”

Zhen Ya and Ms. Zhen’s pupils contracted.

They couldn’t believe their ears.

“Father!”

“Husband?!”

Mr. Zhu took another deep breath. He breathed out, paused, and said, “You heard me correctly. Feng Wu defeated me.”

Zhen Ya didn’t know what to say.

Mr. Zhu was speechless.

The room was completely silent.

It was as if the air had frozen.

Mr. Zhu stared at Ms. Zhen. “Avoid Feng Wu as much as you can when she goes to the cultivation room. If you can’t avoid her, avoid any confrontation.”

Ms. Zhen wanted to say something, but Mr. Zhu cut her off.

“Don’t treat her like a common student! She’s a genius! The most brilliant kind!”

“And you!” Mr. Zhu turned to his daughter. “Don’t offend Feng Wu ever again. Remember, she’s a genius, and she has every right to be arrogant. If you don’t get in her way, she won’t do anything to you either.

“But if you don’t listen to my advice and you offend her, you’ll be responsible for the consequences. I won’t have anything to do with it!”

He left after giving that warning.

Ms. Zhen and Zhen Ya were completely at a loss.

What was wrong with this world?

How could Feng Wu be a genius?

Meanwhile, in Room 2001.

Zi Ling would check her 1,000 points from time to time and be as happy as a little mouse.

Chaoge said, “Zi Ling, stop giggling. You look silly.”

Zi Ling said, “You have no idea how hard it is to earn points! I’ve never had more than 100 points, but now, I have 1,000! I want to show off to the entire school!”

Chaoge said, “Try to keep a low profile.”

Zi Ling said, “But it’s so hard! Xiao Wu is obviously a genius, but they’re calling her useless! It makes me so mad!”

Chaoge shrugged. Xiao Wu was humble that way, and there was nothing they could do.

Zi Ling asked, “By the way, another event is coming up. Can I join your team again?”

Chaoge said, “Of course you can.”

## **Chapter 2578: Genius Student (2)**

The students gathered in the same square for the next event.

Sun Jingyu knew how capable Feng Wu was now, so she went straight to her.

When she arrived, she saw that someone had beaten her to it.

Zhen Ya and Lu Xiao were there already, and Zhen Ya spoke in a condescending tone. “Feng Wu, we’re on your team this time!”

Her father had given her a warning.

Therefore, she wanted to check if Feng Wu really was the genius that she was said to be. However, she shouldn’t have brought Lu Xiao with her, nor should she be using that condescending tone.

Feng Wu ignored her, and Chaoge simply said, “No, you’re not.”

Zhen Ya was furious.

She was the princess of Class E, but they turned her down.

She stared at Zi Ling. "What do you say?"

Her father had warned her not to offend Feng Wu, and she revered him. Because of that, she only dared to confront Chaoge and Zhen Ya.

Having talked to Feng Wu, Zi Ling had let go a little. After learning that Mr. Zhu was weaker than Feng Wu, she didn't fear Mr. Zhu as much. As a result, she had become much more confident.

She glanced at Zhen Ya before turning away, showing no intention to talk to the girl.

Zhen Ya was infuriated.

"Zhen Ya, don't be upset. It's just a team." Pei Si arrived with her friends. She smiled at Feng Wu and asked, "Feng Wu, would you like to form a team with us?"

Behind her were Gu Xingyuan and Chu Junying.

Sun Jingyu was about to approach Feng Wu, when Mu Qianqian grabbed her hand and whispered, "Jingyu, Wang Junwen sent us a warning: she's forbidding us from joining Feng Wu's team this time."

Sun Jingyu gave her a suspicious look.

Mu Qianqian smiled bitterly. "Jingyu, Wang Junwen is from Class D; you know how well-connected she is."

Sun Jingyu took a deep breath.

Without any background, one wouldn't have a voice even if they were the top student of Class E.

They decided that they should stay out of it.

However...

Sun Jingyu glanced at Pei Si and Zhen Ya and smirked. Did Pei Si think she could kill Feng Wu? How naive.

Feng Wu glanced at Pei Si. "We don't need so many people."

Pei Si smiled at Zhen Ya. "How about Zhen Ya and I join your team?"

Feng Wu didn't say no.

Hence, a new team was created.

The team consisted of Feng Wu, Chaoge, Zi Ling, Pei Si, and Zhen Ya.

Sun Jingyu quickly formed a team as well. It was Mu Qianqian and herself at first, then Yuan Yu and Gu Xingyuan volunteered to join as well. As a result, Chu Junying joined them as well.

The other students teamed up as well.

Mr. Luo was still the one giving out the task.

He glanced at Feng Wu as he spoke, and the look in his eyes was cold and merciless.

Feng Wu was a little perplexed. She didn't think she had offended Mr. Luo. Why the attitude?

Zi Ling leaned over and whispered in Feng Wu's ear, "I heard that Mr. Luo used to have a crush on Ms. Zhen, and you offended Ms. Zhen yesterday. So..."

Feng Wu was speechless. Even the husband had given up; why would Mr. Luo try to pick on her? Interesting.

### **Chapter 2579: Genius Student (3)**

Feng Wu glanced at Zhen Ya, and Zhen Ya looked back at her, seemingly pleased with herself.

Feng Wu didn't know what to say.

Why was she so pleased?

Zhen Ya smirked inwardly. She had gone to Mr. Luo's house and complained to him in tears, making it sound like her mom had been through hell.

She decided that if her father wouldn't do anything to Feng Wu, someone else would.

The event was still taking place in Thousand Night Forest, and they were still going to hunt some magical beasts.

Usually, these events were all about hunting White Lion Elephants, which had been annihilated by Feng Wu. After an emergency meeting, the tutors decided that the students would hunt Nether Wolf Tigers this time.

It was a magical beast with the head of a wolf and the body of a tiger.

They were as powerful as tigers but as cunning as wolves, which made them very difficult to hunt.

The points the students would receive stayed the same.

So did the rules.

Pei Si walked at the very front. She turned around and smiled at Feng Wu. "Feng Wu, I heard that you were the one who killed all those White Lion Elephants last time."

Chaoge had let it slip when the others pushed her too hard.

Feng Wu didn't stop her from telling others, nor was she deliberately hiding her capability. People just didn't believe her.

Zhen Ya smirked. It seemed that Pei Si, the second-best student in Class E, didn't like Feng Wu either. What great news.

Pei Si pondered.

Wang Junwen had given her a mission with a reward of 500 points.

It was rather straightforward. She needed to injure Feng Wu to the point that she needed to stay in bed for at least three months.

Pei Si didn't find the task difficult.

After all, she was the second-best student in Class E and should be able to overpower Feng Wu, the new student.

The problem was how to make it look like an accident.

After some consideration, Pei Si decided to use the Nether Wolf Tigers.

What she didn't know was that Sun Jingyu had tried something similar once and had failed miserably.

Pei Si's ignorance gave her confidence.

She smiled at Feng Wu when the first Nether Wolf Tiger appeared. "Feng Wu, would you like to give it a go?"

Feng Wu glanced at her and struck out without hesitation.

She used her bare hands.

With a thump, the Nether Wolf Tiger was sent flying and made a muffled sound when its giant body hit the ground.

Pei Si's eyes widened, and she stared at Feng Wu.

That was fast...

Chaoge and Zi Ling approached the Nether Wolf Tiger when Feng Wu was done.

They knew what to do.

One opened the Nether Wolf Tiger's head and removed the crystal core.

The other skinned the beast.

The whole process took less than three seconds.

Pei Si was speechless.

She tried to convince herself that she couldn't trust her eyes.

Either that, or the Nether Wolf Tiger was too weak.

Magical beasts were divided into different levels as well, and this one had to be one of the weaker ones.

Sun Jingyu and her team were shadowing Feng Wu's team without getting too close.

Through the gaps between branches, they saw how Feng Wu killed the Nether Wolf Tiger with one strike. Sun Jingyu said to her teammates, "See? I told you Feng Wu was good."

Gu Xingyuan's face darkened.

It was just one beast.

**Chapter 2580: Genius Student (4)**

Gu Xingyuan smirked inwardly.

It was just one Nether Wolf Tiger. Why were they so excited?

Gu Xingyuan couldn't stand the way Sun Jingyu worshiped Feng Wu, so he said coldly, "We'll go in a different direction."

But Sun Jingyu wouldn't have it.

Becoming the MVP of this event wasn't her aim.

With Feng Wu around, she couldn't be the MVP even if she wanted to.

Sun Jingyu was here to see how Feng Wu defeated Pei Si.

Therefore, she immediately turned down Gu Xingyuan's suggestion.

"Why should we? I think following Feng Wu's team is a great idea."

Gu Xingyuan said coldly, "Don't you want to be first?"

Sun Jingyu found the question idiotic. "Me? First?"

Chu Junying asked, "What's wrong with that?"

Didn't everyone want to be first?

Sun Jingyu responded with a sneer, "With Feng Wu here, who else can be first?"

Gu Xingyuan's face turned even darker.

He walked away without saying a word.

Chu Junying threw a dirty look at Sun Jingyu and followed Gu Xingyuan.

Mu Qianqian tugged at Sun Jingyu's sleeve and sounded concerned. "Jingyu, I heard that Gu Xingyuan is frighteningly capable!"

Sun Jingyu was speechless. "He can't be more frightening than Feng Wu. Don't worry. He'll never be Feng Wu's match."

Mu Qianqian stomped her foot. "Jingyu! Gu Xingyuan is on our team! Don't you want to be first?"

Sun Jingyu gave her a strange look. "Wanting it is very far from getting it."

Before Mu Qianqian could say anything, Sun Jingyu said, "You won't be disappointed if you don't have any expectations. You'd better give up that idea because you're bound to be disappointed."

The memory of Feng Wu killing the White Lion Elephants was still fresh in her mind.

That scene would probably stick with her forever.

Mu Qianqian wasn't convinced. She turned around and watched Feng Wu's team through the gaps in the branches.

She wanted to see exactly how capable Feng Wu was.

Meanwhile, Feng Wu's team ran into some Nether Wolf Tigers again.

There were two of them.

Zhen Ya was about to attack, when Pei Si stopped her. She shook her head at Zhen Ya and gestured in Feng Wu's direction.

Zhen Ya took the hint.

The two girls smiled at each other with vicious looks in their eyes.

Pei Si spoke again. "Feng Wu, since you're so capable, why don't you take care of these two as well?"

Feng Wu didn't give her so much as a glance before she raised her fists.

*Thump!*

There were two loud thumps.

The two Nether Wolf Tigers were sent flying and fell to the ground.

It only took her one strike...

Pei Si was speechless.

Zhen Ya didn't know what to say.

They looked at each other and couldn't believe their eyes.

No, Feng Wu couldn't be that powerful. Something had to be wrong.

According to Mr. Luo, Nether Wolf Tigers were as fierce as White Lion Elephants. How could she kill them so easily?

These two beasts had to be the weakest ones!

That was Pei Si's thought.

Wang Junwen had told her where she could find large packs of Nether Wolf Tigers. She didn't think she would need them, but now...
