Chapter 2581: Let's Begin (1)

They ran into five more Nether Wolf Tigers as they marched on, and Feng Wu took care of all of them.

She never needed more than one strike.

Pei Si and Zhen Ya grew uneasy.

They looked at each other more and more often.

Zhen Ya wouldn't accept reality. She slipped away and found a Nether Wolf Tiger herself.

She wanted to know if they were as weak as she assumed.

She learned the answer the hard way.

They were anything but weak.

She had to give all she had just to hold off the Nether Wolf Tiger, and it ran away in the end.

It was such a powerful beast!

Zhen Ya saw Feng Wu in a different light when she returned.

As usual, Feng Wu killed Nether Wolf Tigers, and Chao Ge and Zi Ling took care of the crystal cores and the skinning of the beasts. While they were away, Zhen Ya led Pei Si to the side.

"Pei Si, tell me the truth. Are you going after Feng Wu?"

Pei Si looked at Zhen Ya suspiciously.

Zhen Ya gritted her teeth. "Not only did Feng Wu injure my mom, she humiliated her as well. I must have my revenge!"

Pei Si suddenly smiled. "Is that so? I don't have anything against Feng Wu, though."

She was very careful.

Although the enemy of an enemy was a friend, she still didn't reveal the task which Wang Junwen had given to her.

Zhen Ya smirked and believed that they had a tacit understanding.

"You should stay away from the place we're about to go next," Pei Si hinted to Zhen Ya.

Given Zhen Ya's background, things would become complicated if Mr. Zhu learned what happened. Therefore, Pei Si tried to send Zhen Ya away.

She thought she would need to do some convincing, but to her surprise, Zhen Ya agreed at once.

Pei Si gave Feng Wu a taunting look after Zhen Ya left.

I was going to put you in bed for three months, but since you won't cooperate, I won't be so civil anymore.

At that thought, Pei Si smiled at Feng Wu. "Feng Wu, you're amazing! I'm sure we'll become the top team! You're absolutely fantastic!"

She clapped her hands in excitement.

Feng Wu watched her in silence.

Chaoge shook her head.

Zi Ling didn't say a word either.

Pei Si couldn't smile anymore. Somehow, she felt foolish.

She cleared her throat to cover her embarrassment and led the way.

She thought, "That mysterious tutor helped you kill all those White Lion Elephants, and you took advantage of that."

That stupid Duan Chaoge told the others that you killed thousands of White Lion Elephants on your own.

Ha!

Pei Si smirked inwardly. She was going to lead the others to a pack of Nether Wolf Tigers.

No tutor will come to save you this time!

You can't be lucky all the time!

Pei Si thought that she had hidden her intention well, but she didn't know that this was the second time that Feng Wu had experienced such a thing. She could figure it out without any difficulty.

While Pei Si was leading the way, the others exchanged looks.

Chaoge wondered how stupid Pei Si could be.

Zi Ling didn't know what to say.

Before, she had always revered Sun Jingyu and Pei Si, the top two students in her class.

However, she was disillusioned when she saw the other side of Sun Jingyu. Now, it was Pei Si's turn.

Maybe Pei Si wasn't as foolish as she seemed? Zi Ling wouldn't give up hope yet.

However...

Chapter 2582: Let's Begin (2)

However, Pei Si soon proved that Zi Ling shouldn't have had any faith in her.

She led the team to a pack of Nether Wolf Tigers.

There were a hundred of them.

Pei Si smiled at Feng Wu. "Since you're so amazing, why don't you take care of them all?"

She backed away after that.

She expected that Chaoge would scold her.

After all, she was trying to get Feng Wu killed.

To her surprise, Chaoge didn't say anything, nor did Zi Ling.

Feng Wu didn't even look in her direction.

She had done such a horrible thing, but no one said anything.

Pei Si was still wondering what was happening, when Feng Wu struck out.

This time, she finally drew out her sword.

Fallen Star Sword, first stance!

And it was all she needed.

Thump! Thump! Thump!

The heads of all one hundred Nether Wolf Tigers exploded.

Pei Si was astonished.

But Chaoge wasn't.

She took out a large sack and told Zi Ling to hold the other end of the opening.

They made sure that the sack stayed wide open.

Whoosh!

The crystal cores flew out of the exploded heads and into the sack.

Soon, the sack was filled with crystal cores.

Pei Si was astonished.

She stood there frozen. She looked like she had been struck by lightning.

She couldn't think straight.

That was too hard to believe.

She opened her mouth but no sound would come out.

How was that possible?

Wasn't Feng Wu supposed to be useless?

Didn't Feng Wu get into the War Academy because she was well-connected?

What...

What was going on?

It only took her one strike to blow up a hundred heads!

How did the crystal cores fly out?

And it wasn't just that.

How did they fly accurately into that sack?

Pei Si didn't know if she was crazy or blind.

She was befuddled.

Hence...

"So, those 1,000... 1,000 beasts..." Pei Si felt like crying. "It was you, wasn't it?"

Feng Wu remained perfectly calm. She couldn't understand why Pei Si was so agitated.

Chaoge smiled at Pei Si.

"That's right. It was Xiao Wu. Didn't I tell you so?"

Pei Si was astonished.

Yes, Chaoge had, but Pei Si hadn't believed her.

No one had.

Pei Si wasn't the only one who was astonished.

Sun Jingyu looked at Mu Qianqian smugly.

"See? I told you! Feng Wu is a genius! There's no one like her!"

Mu Qianqian was completely dumbfounded.

"Oh my god..."

She covered her mouth and couldn't believe her eyes.

She pointed at Feng Wu. "She..."

Sun Jingyu was pleased. "You saw correctly. The world hasn't fallen apart. Feng Wu is that capable." She knew that Feng Wu was even more capable than she looked.

Sun Jingyu smiled inwardly as she studied the look on Mu Qianqian's face.

Just then!

Chapter 2583: Let's Begin (3)

Just then...

A shadow jumped at Feng Wu.

The energy he exerted was like a tidal wave. It was terrifying.

Sun Jingyu was astonished and froze on the spot.

She wasn't alone. Even Pei Si, who was more capable than she was, forgot to react. She just stood there.

The speed was terrifying. Who was this man in black?

The man ignored everyone else. Feng Wu was his only target.

A short distance away, Zhen Ya hid behind an old tree with a smirk on her face.

Feng Wu, you're going to die!

I bet you didn't see that coming, being killed by Mr. Luo!

Yes, Zhen Ya had gone to Mr. Luo for help.

He had always liked Ms. Zhen, and had been furious when he heard Zhen Ya's story.

But as a teacher, he couldn't openly assassinate a student.

Therefore, he put on the black costume and covered his face with a black scarf before he attacked Feng Wu.

He believed that Feng Wu was a weakling and that he could finish her off without breaking a sweat.

But he was surprised by how capable Feng Wu was.

Feng Wu took action before Mr. Luo could lay a finger on her.

No one saw how she did it.

They only saw her reach out with her sword.

Whoosh!

The man's throat was cut open, and blood gushed out.

The man opened his eyes in disbelief. He couldn't believe that he was going to die like this.

"Ahhh!!!"

Zhen Ya screamed at the top of her lungs.

That was Mr. Luo.

She had invited him to take part in this mission.

And he was...

Was Feng Wu even human?

That was so frightening.

Scared out of her wits, Zhen Ya turned around and sprang off, fearing that she might become the next target. She stumbled and fell, but she immediately got up and kept running down the mountain.

Feng Wu frowned at the man.

She had recognized the person as soon as he showed up.

She could have killed Mr. Luo instantly, but she chose not to.

Doing that would create too much trouble.

It wasn't something she couldn't resolve, but it would take more time.

Compared with that, she would rather have Mr. Luo suffer and wish that he was dead.

"Who's he? Who's this man?" Pei Si finally came to her senses.

Blood was still gushing out of the man's neck when she ripped the black scarf off his face.

She was dumbfounded when she saw his face.

OMG!

How could it be...

Mr. Luo covered the wound on his neck, gave Feng Wu a dirty look, and walked away after glancing in Pei Si's direction.

Pei Si said, "He... I..."

She couldn't form a coherent sentence.

It took her a long while to calm down. She stared at Feng Wu and asked, "Was that really Mr. Luo?"

Feng Wu glanced at her. "You're mistaken."

Pei Si said, "No, I'm not. That was obviously..."

Feng Wu said, "We only have a Mr. Luo who resigned. We don't have a Mr. Luo who attempted to kill his student."

Chapter 2584: Let's Begin (4)

Pei Si was smart and immediately took the hint.

If she hadn't removed the black scarf and exposed Mr. Luo...

Maybe he could...

Pei Si was frustrated. She felt that it was all her fault.

Feng Wu looked at her and said casually, "If you hadn't done that, he would have died."

Pei Si didn't understand at first.

But she soon realized what Feng Wu meant.

Because of that, her pupils contracted.

Feng Wu had made it very clear.

She had wanted to kill Mr. Luo, but she decided to expose him instead, which was worse than death.

“How did you know that I would remove his...” Pei Si was bewildered.

Feng Wu said in resignation, “You’re not the only person here.”

Pei Si realized that all her frustration was for nothing.

Something struck Pei Si, and she stared at Feng Wu again. “Wait... You defeated Mr. Luo with one strike. What level are you now?”

She felt uneasy.

Feng Wu looked at her and shook her head.

Pei Si immediately turned from a proud princess to a fangirl. She caught up with Feng Wu and asked, “Hey, tell me. What level are you now?”

Feng Wu said indifferently, “Go away.”

Pei Si seemed wounded.

Chaoge was speechless. Pei Si was the one who had tried to kill Xiao Wu, but why was she behaving like someone who had been mistreated?

Sun Jingyu saw Pei Si flitting around with her head lowered.

A person’s enemy was usually the person who understood them the best.

Sun Jingyu had been competing with Pei Si long enough to know her well.

She realized that Pei Si was trying to jump onto Feng Wu’s wagon.

That wouldn’t do!

“Jingyu, what are you doing?” Mu Qianqian grabbed her arm when she saw that Sun Jingyu was walking toward Feng Wu.

“I need to befriend Feng Wu! I can’t let Pei Si beat me to it!”

Sun Jingyu pushed her away and ran faster.

Pei Si was alarmed when she saw her archenemy running toward her.

Sun Jingyu pointed at Pei Si and said loudly, “Feng Wu, Pei Si is trying to kill you!”

Pei Si stared at Sun Jingyu in disbelief. She had betrayed her!

She glared at Sun Jingyu and said in a warning tone, “That’s outright slander!”

Sun Jingyu smirked. "Are you saying that you didn't accept the mission to kill Feng Wu? If that's not the case, you wouldn't have teamed up with her! Can you swear that you're completely innocent?"

Pei Si was astonished.

Sun Jingyu!

She decided that she would reciprocate.

"Sun Jingyu, don't talk like you didn't try it before! You're not innocent either!"

Pei Si didn't see it coming.

"That's right. I did accept that mission once, but I told Feng Wu about it already. What about you? If I hadn't exposed you, were you going to try again?"

Pei Si thought, *How am I supposed to do that?*

Had they not seen what happened to Mr. Luo? She only wanted more points, not death!

After Mr. Luo ran away, Pei Si gave up the idea completely. Right now, she was only trying to fawn on Feng Wu.

Feng Wu, Chaoge and Zi Ling sat on the ground and watched how Sun Jingyu and Pei Si aired each other's dirty laundry.

Chapter 2585: Feng Wu on the Move (1)

Feng Wu, Chaoge and Zi Ling sat on the ground and watched how Sun Jingyu and Pei Si aired each other's dirty laundry.

It was like they were enjoying a show.

Feng Wu then heard the name Wang Junwen.

"Hold on." Feng Wu cut them off. "Who's Wang Junwen?"

Sun Jingyu and Pei Si gave each other astonished looks.

They had revealed the identity of their employer when they were shouting at each other.

That was against the rule. It was supposed to be a secret.

Sun Jingyu and Pei Si looked at each other again and saw what the other person was thinking.

They both knew that if they didn't come clean, the other person would do so just to please Feng Wu.

Therefore —

They said in unison, "That's Wang Junwen of Class D!"

Feng Wu rose to her feet.

Chaoge did the same.

Sun Jingyu and Pei Si were perplexed. Where was Feng Wu going?

Sun Jingyu tugged at Zi Ling. "What's Feng Wu..."

Zi Ling lifted her dress so that the hem didn't touch the ground. "I have no idea, but we'll know if we follow her."

She ran after Feng Wu.

Sun Jingyu and Pei Si exchanged looks. Because of the grudges they held against each other, they snorted, but still sprang off toward Feng Wu.

"Xiao Wu, where are you going? Let me show you the way." Sun Jingyu pushed Zi Ling away and ran next to Feng Wu.

Pei Si wouldn't be left behind. She also caught up with Feng Wu and pushed Chaoge out of the way. "Xiao Wu, I know the school grounds well. If you're looking for someone, I know where to find them."

Feng Wu smiled mockingly. "Take me to Wang Junwen."

What?

Both Pei Si and Sun Jingyu stopped when they heard that.

Wang Junwen?

Th- this...

Pei Si didn't dare say another word, nor did she dare follow Feng Wu. She quietly left the team.

Sun Jingyu smiled awkwardly. "Xiao Wu, I don't think I should go with you either..."

Feng Wu gave her a knowing look.

Sun Jingyu blushed. "I apologize for what I did to you before. That was so ignorant of me. I'm sorry... I won't bother you again..."

She wanted to leave after that.

Feng Wu smiled at her. "Did I say that you could leave?"

Sun Jingyu stared at her.

Feng Wu chuckled. "You can only leave when I tell you so. Do you think you can leave just because you want to?"

Sun Jingyu wanted to retort, but she thought about Feng Wu's capability and decided that she shouldn't say anything.

"And you, Pei Si," Feng Wu said quietly before Pei Si ran out of sight. "You can leave. That's okay. As long as you don't regret it in the future..."

Pei Si froze on the spot.

What did Feng Wu mean by that? She was obviously threatening her!

Pei Si didn't want to give in, but she recalled the way Feng Wu had killed all the Nether Wolf Tigers and the fact that Mr. Luo had been defeated in a single strike... She was scared.

She walked back to Feng Wu with her head lowered and said gingerly, "I can go with you, but don't make me confront Wang Junwen."

Feng Wu glanced at her but didn't say anything. She kept on walking with no expression on her face.

Sun Jingyu and Pei Si followed her, both looking depressed.

Chapter 2586: Feng Wu on the Move (2)

Chaoge was excited about going to see Wang Junwen.

Zi Ling was excited as well, but she felt uneasy at the same time.

Class D.

They were having seminars in groups of 100 students.

Feng Wu asked around, and when she learned that Wang Junwen was in the fire element class, she headed straight for the classroom.

Seeing that Feng Wu was going to charge into the classroom, Zi Ling stopped her. "Xiao Wu, what are you doing?"

Feng Wu said, "I'm looking for someone."

Zi Ling said, "If you're looking for Wang Junwen, why don't we wait until the class is over? I don't think we should make a scene, right?"

Feng Wu smirked. The louder the noise, the better.

However, it seemed luck was on Wang Junwen's side. The bell rang at that moment, and the class was over.

The tutor left with books under his arm, and students came out one by one.

There were over ten classes, each containing over 100 students.

Wang Junwen came out, chatting merrily with her classmates.

She smiled at Ding Yi. "Don't worry. The person you hate, you'll never see her again."

Ding Yi was surprised. "You're not talking about..."

Wang Junwen raised her chin. "You know who it is, but don't say the name out loud."

Ding Yi grabbed Wang Junwen's hand excitedly. "Did you send someone to do the job?"

Wang Junwen said proudly, "Of course I did."

Ding Yi was pleasantly surprised. "It must have cost you a fortune! Who did you send?"

Wang Junwen said, "Who else could it be? The problem belongs to Class E, so someone from Class E should solve it. Did you think I would do it myself? They're too petty to be worth my attention."

Ding Yi said, "You really are a girl of action. I almost feel sorry for Feng Wu. After this, Miss Qingluan will think so highly of you. She still doesn't have a disciple yet, and you..."

Ding Yi felt sorry for herself now. "If I had known, I would have done it myself!"

Wang Junwen feigned a modest tone. "I just don't like her. It has nothing to do with Miss Qingluan. I didn't do it to become her disciple."

Ding Yi smirked inwardly and thought, *You liar. You would never try so hard otherwise.*

Three male students were with them as well.

The five of them usually worked as a team, so they came to classes together as well.

The three boys were Yu Hong, Tang Ziqiu, and Sikong Wenming.

Yu Hong was secretly in love with Wang Junwen, but he didn't dare express his feelings, so he only hovered around Wang Junwen all the time.

Tang Ziqiu and Sikong Wenming were Yu Hong's good friends, so they were happy to hang out with the group.

They listened to Wang Junwen and Ding Yi's conversation.

Although the girls didn't make it very explicit, the boys could roughly figure out what the two girls were talking about.

Yu Hong frowned at Wang Junwen. "Did you hire someone to go after Feng Wu?"

Wang Junwen knew about his secret crush on her, but she pretended that she didn't know. However, she kept using Yu Hong's affections for her.

She glanced at Yu Hong. "Tell me, are you on my side? Will you support me no matter what?"

Yu Hong said, "Of course. You don't need to ask that question."

Wang Junwen glanced at Ding Yi. She was pleased with what she had achieved.

Ding Yi gritted her teeth in frustration.

Chapter 2587: Feng Wu on the Move (3)

Wang Junwen was better-looking than she was, and the guys all liked her! It was as if nothing bad could happen to her!

Ding Yi angrily cursed Wang Junwen in her head.

Then, they heard a voice.

"Wang Junwen, come out!"

That voice!

The class had just ended, and hundreds of students were still in the courtyard. They all looked in the direction of the front gate.

There was no one there.

The students were amazed.

Who was it?

Wang Junwen frowned, startled by the voice.

It sounded like a thunderclap in her ears and made her jump.

She let out a breath of relief when she didn't find anyone at the front gate.

The next second, a person dressed all in red appeared at the entrance.

Everyone cried out when they saw who it was.

"Isn't that Feng Wu?"

Because of what Zuo Qingluan had done on the first day of school, almost every student in the War Academy knew what Feng Wu looked like.

If it were anyone else, they probably would have forgotten her face right away.

But Feng Wu was different.

She was too beautiful to forget.

"It's you!" Wang Junwen stared at Feng Wu, her face darkening.

Feng Wu looked past Wang Junwen and spoke to the crowd behind her. "Wang Junwen, come out!"

Wang Junwen's face went pale with fury.

She was standing right in front of Feng Wu, but the latter acted as if she wasn't there. She was even looking at the other students.

Wang Junwen believed that Feng Wu was ignoring her on purpose.

She stepped out and glared at Feng Wu. "I'm Wang Junwen."

As soon as she said that, Feng Wu charged at her like a gust of wind.

Smack!

She slapped Wang Junwen in the face.

Wang Junwen was stunned for a moment, along with everyone else.

Realizing what had happened, she shouted at Feng Wu, "I'm going to kill you!"

She jumped at Feng Wu.

There was a sharp sword in her hand, and she aimed at Feng Wu's forehead. It was her most lethal move.

Her classmates gave Feng Wu sympathetic looks.

They believed that Feng Wu really was going to die.

When a student of Class E came to provoke a student of Class D, she had it coming when she got killed.

Yu Hong and the others watched as Wang Junwen charged at Feng Wu.

The tip of Wang Junwen's sword was only a centimeter away from Feng Wu.

Feng Wu turned around and kicked the hilt of the sword.

The sword spun around in mid-air, and the blade landed on Wang Junwen's neck.

There was the sound of metal cutting flesh.

Whoosh!

Blood gushed out.

Everyone sucked in their breaths.

OMG!

They stared at Feng Wu in disbelief.

They couldn't believe their eyes.

One stance.

That was all Feng Wu needed.

She was a new student!

And she was from Class E!

Yu Hong immediately ran to Wang Junwen and caught her before she fell to the ground.

"Junwen! Junwen!"

Yu Hong cried out.

Everyone looked at Wang Junwen. Blood was gushing out of the wound in her neck.

She wouldn't stop bleeding.

Was Wang Junwen going to die?

Did Feng Wu just kill Wang Junwen with a single strike?

Chapter 2588: Feng Wu on the Move (4)

Yu Hong stared at Feng Wu with a murderous look in his eyes. "You killed her! I'm gonna kill you!"

He let go of Wang Junwen and charged at Feng Wu like an angry beast.

Something happened when he was half a meter away from Feng Wu.

There was a loud thump.

Feng Wu kicked him away.

Everyone was speechless.

When Feng Wu defeated Wang Junwen, some students thought that it was dumb luck.

However, they couldn't say that when she defeated Yu Hong with a single strike again.

Feng Wu had formidable power and had used it to defeat Wang Junwen and Yu Hong.

The students of Class D wondered what was going on.

They all felt humiliated.

In their vocabulary, Class E was synonymous with weaklings.

Lu Yi was the student in charge of the students taking part in this particular seminar.

She frowned at Feng Wu.

She didn't take action because she didn't know if she could defeat Feng Wu.

"Why?"

Lu Yi's face was livid. "Why did you attack Wang Junwen?"

Feng Wu only glanced at her before walking away.

Just like that.

All the students of Class D watched in disbelief.

How could she leave like that?

Sun Jingyu and Pei Si exchanged looks, both feeling lucky to have escaped death.

They thought that Feng Wu had brought them here to prove that Wang Junwen had hired someone to kill her. To their surprise, Feng Wu didn't say a word before she left without hesitation.

They went back to Class E.

By then, everyone had come back to hand in their crystal cores.

Sun Jingyu smacked her forehead.

How could she have forgotten about the task?

She turned around to look at the enigmatic Feng Wu. She made a mental note that she should never offend Feng Wu.

Gu Xingyuan came back, followed by Chu Junying.

Gu Xingyuan gave Sun Jingyu an arrogant glance when he walked past her.

Chu Junying showed off the bag of crystal cores in front of Sun Jingyu because Sun Jingyu had said that with Feng Wu around, no one else could become the MVP.

To Chu Junying and Gu Xingyuan's disappointment, Sun Jingyu paid no attention to their bag of crystal cores. Her head was lowered, and her mind was elsewhere.

Feng Wu's team was nearby, so Chu Junying tried to strike up a conversation.

They had been on the same team before, so Chu Junying knew Pei Si relatively well.

She asked deliberately, "Why are you back so early? I bet Feng Wu found a lot of crystal cores for you."

Only then did Pei Si remember that they were supposed to collect crystal cores. She scratched her head and smiled awkwardly. "Well..."

Chu Junying thought she was embarrassed because they hadn't found many crystal cores, so she said, "I heard that Feng Wu killed over a thousand White Lion Elephants all by herself last time. That was amazing! Did she do that again?"

Pei Si thought, "I don't know exactly what level Feng Wu is, but..."

"She struck down Wang Junwen, who's much better than I am, with a single blow. It'll take her even less effort to deal with me..."

The idea made Pei Si even more depressed, and she looked crestfallen.

Chu Junying was secretly elated when she saw this, but she didn't let her face betray her.

She went back to Gu Xingyuan and whispered, "We're definitely going to win this time."

Gu Xingyuan snorted.

Chapter 2589: Feng Wu on the Move (5)

Gu Xingyuan snorted.

He believed that Feng Wu was nowhere close to his level.

Once the process of handing in the crystal cores started, everyone was curious as to who the top student would be.

Many students believed that since Sun Jingyu and Gu Xingyuan were both in Team 1, it was only natural that their team would come in first.

Some people didn't agree because they heard that Feng Wu had killed 1,000 White Lion Elephants in one go.

Some of them were stubborn enough to believe that Feng Wu could still be the MVP.

They were still arguing when the results came out.

Team 1 really became the top team, and Gu Xingyuan was the best team member.

“I was right! Jingyu’s team is the best!”

“I told you Gu Xingyuan is good, but you wouldn’t listen! Who’s the joke now?!”

“I can’t believe that people expected Feng Wu to be first. How ridiculous.”

“The hilarious part is that someone actually believed that she killed 1,000 White Lion Elephants!”

“I can’t believe that Feng Wu! The mysterious tutor killed the White Lion Elephants, but she tried to take the credit?”

...

Everyone was discussing it actively.

Sun Jingyu was awfully quiet, and Chu Junying glanced at their class president and team leader, displeased.

Why is she like that?

She took advantage of us!

Xingyuan was the one who killed all the Nether Wolf Tigers; she has no idea how much work he had to do!

Chu Junying grumpily jabbed Sun Jingyu in the arm. “Hey, you should collect the points now!”

“Right. Right...” Sun Jingyu woke up from her reverie and sighed heavily.

Chu Junying couldn’t believe it.

Did she have some problem with Gu Xingyuan becoming the best team member?

Chu Junying looked at Pei Si in regret, wishing that she had teamed up with her instead.

However, when she looked at Pei Si, she realized in surprise that the latter was lost in thought, just like Sun Jingyu. She seemed so defeated that one would think her world had collapsed.

The strangest thing was that Mr. Luo wasn’t there.

Instead, Mr. Zhu, who seldom dealt with students, came out to distribute the points.

The way he looked at Feng Wu was rather strange as well...

Chu Junying was speechless.

Did she miss something? She couldn’t understand the situation.

Soon, she would know why Sun Jingyu and Pei Si reacted so strangely.

Meanwhile, a large group of students from Class D was on their way to Class E; there were at least a few hundred of them.

Yu Hong was in the lead, followed by Tang Ziqiu and Sikong Wenming.

Next to them was a person who was about two meters tall.

“Students of Class D?”

“The guy in the middle in the front – isn’t that Lei Bao, one of the best students of Class D?”

“That’s right! It really is him! He’s ranked 300th in Class D, right?”

“No, he’s not! That was a long time ago! According to the latest assessment results, he’s in the top 100 now!”

“Lei Bao is such a genius! Just a while ago, he was one of us, but now, he’s among the top 100 students of Class D! I envy him so much!”

“Look at his expression! He looks like he’s going to kill someone! I wouldn’t mess with him.”

“Hey, he’s coming our way! So are the other students of Class D!”

The students of Class E grew uneasy. They had no idea what was going on, but they were scared...

Chapter 2590: Feng Wu Makes a Name For Herself (1)

?

Hundreds of students of Class D were coming their way.

Students of Class E were so frightened that their faces turned ghastly pale.

Seeing this, Mr. Zhu had to intervene.

However, Yu Hong cupped his hands at him before he could say anything. “Mr. Zhu, this is between students. We’d appreciate it if you could stay out of it.”

Mr. Zhu nodded. “Let’s do it by the book.”

Yu Hong nodded.

Mr. Zhu used to teach Yu Hong and trusted his former student, so he nodded and agreed not to get involved.

Yu Hong walked up to Feng Wu and stared at her with emotionless eyes.

The other students of Class D followed Yu Hong and kept their cold gazes on her as well.

Feng Wu?!

Students of Class E looked at one another in confusion.

What was going on?

Did Feng Wu offend someone in Class D?

Yu Hong gritted his teeth and said to Feng Wu, “You killed Wang Junwen!”

Everyone sucked in their breaths when they heard that.

Wang Junwen...

Many students in Class E knew Wang Junwen because she used to be in Class E as well.

Everyone was talking actively.

“Is Wang Junwen dead?”

“Did Feng Wu kill Wang Junwen?”

“That’s impossible! I’m not saying that Feng Wu is too good to do such a thing, but isn’t Feng Wu a cripple? How could she have the power to kill Wang Junwen?”

None of the students in Class E believed that accusation.

But students of Class D were filled with indignant rage.

Tang Ziqiu pointed at Feng Wu. “She came to Class D an hour ago and killed Wang Junwen in front of hundreds of students! We all saw it!”

“What? She killed her in public?”

“Then Feng Wu is...”

“Did we all underestimate her?”

...

Seeing that the Class E students only cared about Feng Wu’s capability, Tang Ziqiu was frustrated.

Mr. Zhu thought, *Of course, Feng Wu is capable enough to kill Wang Junwen.*

She could kill ten Wang Junwens put together without breaking a sweat!

Mr. Zhu was confident in Feng Wu’s capability, but killing people in public was a different story.

He frowned at Feng Wu.

“Wang Junwen had it coming!”

Chaoge snorted.

Yu Hong glared at her.

“Is that so? Tell me, then. Why did my student deserve it?” someone asked in a mocking voice.

Mr. Zhu frowned.

He immediately recognized that voice. It was Mr. Wang, the tutor of Class D.

He looked up and saw that he was right. However, there was someone else next to Mr. Wang.

Mr. Wang respected the person so much that he was almost humble.

“Chief Qingluan?” Mr. Zhu frowned.

He still remembered the little episode on the first day of school.
