### **Chapter 2741: Evil Deed**

Shao Xiao said, "That's because we're in this circle."

Lin Juncheng wasn't convinced. "Does this circle really work?"

Shao Xiao glanced at him. "Why do you even ask? Why do you think we're all squeezed into this circle?"

That made sense.

Lin Juncheng asked, "How does this circle work?"

Lin Juncheng patted him on the shoulder. "You weren't here. The circle contains Boss Phoenix's... thing..."

Lin Juncheng said, "Do you mean pee?"

Ling Hao said, "Yes. Don't give us that look! It's the most precious thing! The worms will do anything to avoid it!"

Lin Juncheng said excitedly, "Then Shan Jingfei is fine! Didn't that bird pee on her head? The worms won't attack her!"

Ye Hongxue snapped, "No, they will! Didn't you see what Shan Jingfei did with our precious water? She washed her hair! She washed off the smell!"

What? Everyone was shocked.

They all looked at Shan Jingfei.

Ye Hongxue was right.

.....

Shan Jingfei's hair was damp and had obviously been washed.

"How can she be so stupid? That pee could have saved her!"

The worms were already on the two girls.

Ye Han screamed.

"Help me!"

Cheng Fang couldn't bring himself to ignore her. He untied his belt, threw it at Ye Han to wrap it around her waist, and pulled her toward the circle.

Shao Xiao and the others helped him.

The circle was small, but it might be able to fit all of them if they stood very close.

"Shan Jingfei, catch!"

Someone else copied what Cheng Fang did and threw a belt at Shan Jingfei.

It was none other than Ye Hongxue.

She was angry at Shan Jingfei for her despicable behavior, but in a life and death moment, she chose to save the girl.

Although the circle would barely fit another person, Ye Hongxue thought they might be able to make a little room for Shan Jingfei.

However, something happened the next moment.

Shan Jingfei grabbed the belt and yanked.

Ye Hongxue was dragged out of the circle, while Shan Jingfei used the momentum to land in it.

Everything happened so fast that no one had time to react.

Ye Hongxue only realized it when she was outside the circle.

Her eyes widened while she was in mid-air.

She had tried to save Shan Jingfei.

How could Shan Jingfei do this?

“Ye Hongxue!” The others couldn’t believe their eyes.

Lin Juncheng was so furious that he wanted to push Shan Jingfei out of the circle.

Shan Jingfei said matter-of-factly, “She volunteered to help me. I didn’t ask for it? What now? Are you going to murder me?”

Ye Hongxue landed with a thump amidst the dense pack of worms.

Lin Juncheng went frantic.

He wouldn’t let anyone stop him, and charged out of the circle.

“Lin Juncheng, calm down!”

The others tried to stop him, but it was too late.

The last thing they saw was Lin Juncheng rushing toward the worms.

Everyone glared at Shan Jingfei.

### **Chapter 2742: Feng Wu’s Back**

Shan Jingfei said innocently, “I didn’t tell Lin Juncheng to leave. He did it voluntarily. You can’t blame me for that!”

The others were furious.

How could this woman be so evil?

They used to see her as a kind, lovely, and innocent girl. Her true self was revolting!

The other wanted to help Lin Juncheng and Ye Hongxue, but the worms blocked their view.

"I'm going to kill you!" Xue Hao and his teammates pushed Shan Jingfei toward the edge of the circle.

At that critical moment!

All of a sudden!

The worms seemed to sense danger and began to flee.

They were soon nowhere to be seen.

Everyone was speechless.

What was going on?

Why did the worms...

.....

"Is Boss Phoenix here?!" Ling Hao was thrilled.

He was right.

The next second, they saw Feng Wu with the bird on her shoulder.

Feng Wu?!

Little Phoenix?!

Xue Hao, the former captain of Xuecheng Team, burst into tears when he saw Feng Wu.

Feng Wu asked, "What's wrong?"

"Boss Feng Wu! Is it really you?"

Ling Hao and Huo Shan ran toward her.

Feng Wu was perplexed. "Yes, it's me."

Ling Hao said, "Please help Ye Hongxue! Now!"

Ye Hongxue?

Feng Wu turned around and saw Ye Hongxue and Lin Juncheng lying on the ground. She frowned and said, "Didn't I tell you to get into the circle? Why weren't they inside?"

Xue Hao pointed at Shan Jingfei and sobbed, "It was her!"

Feng Wu paid little attention to Shan Jingfei because she was examining Ye Hongxue.

"Is she still alive? Can you save her?" Xue Hao ran to her side.

Feng Wu frowned when she saw Ye Hongxue.

The worms had sharp teeth, and Ye Hongxue had been surrounded by them.

Ye Hongxue had chunks of flesh missing from all over her body, and she was covered in blood.

The worms' saliva was toxic, which was why she was a purplish color. All life seemed to have left her.

Feng Wu checked her breathing.

"How is she?"

Once the worms were gone, all attention was on Ye Hongxue.

Feng Wu shook her head. "She's not breathing.

That was to say...

"Is she dead?!" Xue Hao realized what that meant. "I'm going to kill Shan Jingfei! Let me kill her.

"We told her to get in the circle, but Shan Jingfei wouldn't listen!

"The worms then arrived, and Ye Hongxue felt sorry for Shan Jingfei, so she threw out one end of her belt.

"No one knew Shan Jingfei could be so evil! She dragged Ye Hongxue toward the worms while she used the momentum to get into the circle.

"Shan Jingfei, I'm going to kill you!"

Shan Jingfei knew no one would be on her side, so she stopped pretending.

### **Chapter 2743: Alive**

Shan Jingfei gritted her teeth and smirked. "There was no space in the circle. If she didn't come out, how would I get in? If you must blame someone, blame the person who drew it for making it too small!"

Everyone was speechless.

Little Phoenix couldn't believe its ears. "Is she blaming me now?"

Xue Hao was furious.

He looked at Ye Hongxue and Lin Juncheng. Not only had they been killed, chunks of flesh were also missing from their bodies. He felt indignant on their behalf.

"You killed them! Shan Jingfei, I'm going to kill you!"

Xue Hao charged Shan Jingfei.

Shan Jingfei shouted, "Are you going to beat up a woman now?"

Xue Hao paused a little.

Everyone looked at him. She had a point. It felt wrong to watch a man beat up a woman. "Please reading on

However, Xue Hao was too angry to care about that. His fist landed on Shan Jingfei's nose with a loud thump.

What...

The pain made Shan Jingfei's eyes tear up.

.....

She looked at Xue Hao in disbelief.

"How dare you hit me?!"

She was the favorite daughter of her family, and all boys doted on her. However, this brute had just hit her!

"Xue Hao, are you out of your mind?!" Shan Jingfei screamed.

"No, I'm not! I'm going to kill you!" Xue Hao raised his fists again.

The once goddess of the class was turned into a punching bag.

*Thump! Thump! Thump!*

Soon, blood covered her face.

She was completely baffled.

She was being beaten up!

A boy was hitting her!

She felt the world had gone insane.

If Ye Hongxue hadn't been killed, someone would have tried to stop Xue Hao because they all had kind hearts. However, they saw what had happened to the last person who had shown some kindness.

Shan Jingfei was a vicious person who wouldn't hesitate to push other people off the cliff. No one would be dumb enough to help the ungrateful girl again.

All Feng Wu cared about were Ye Hongxue and Lin Juncheng.

Ling Hao said, "Are Hongxue and Juncheng dead?"

Ye Hongxue and Lin Juncheng had lost chunks of flesh and a lot of blood. Together with the toxin from the worms, they couldn't possibly still be alive.

Everyone wanted to kill Shan Jingfei.

Feng Wu took action.

She was as amazing as any Supreme Level medicine refiner.

Pale green dots of light floated out of her fingertips.

That light!

Several people here had seen her use it before and knew her to be a Supreme Level medicine refiner. They weren't astonished this time.

However, not all of them knew that.

Xin Zhixuan and Ye Han were seeing it for the first time.

They almost jumped to their feet when they saw Feng Wu's medical skills.

Gosh!

A Supreme Level medicine refiner!

Even Shan Jingfei, who was taking a beating, saw what Feng Wu was doing.

Supreme Level!

It was a shocking fact.

The blood on Ye Hongxue turned from purple to red when the green light touched her.

And the missing chunks of flesh grew back as they watched.

Had Feng Wu just brought someone back from the dead?

How terrifying!

Soon, Ye Hongxue and Lin Juncheng's injuries were scabbed over, but they were still unconscious.

Feng Wu told Ling Hao, "Make two stretchers."

#### **Chapter 2744: The Price of Kindness and Foolishness**

Ling Hao nodded and went with Huo Shan to make the stretchers.

"Boss Feng Wu, are they..."

The others looked at Feng Wu.

They had thought that Ye Hongxue and Lin Juncheng were dead, but they looked like living people again.

"Are they alive?"

Someone asked the question.

Feng Wu nodded. "They'll live, but it'll take them a few hours to wake up." "Search NewNovel\* on google"

Yes, they were alive...

They each barely had half a body left, yet Feng Wu was able to save them!

Was she even human?

Feng Wu walked up to Shan Jingfei.

Shan Jingfei cringed, involuntarily feeling intimidated.

She paled when Feng Wu looked at her.

.....

*Is she going to kill me?*

*Does she want to take revenge for Ye Hongxue?*

She...

The others also thought Feng Wu wanted to kill Shan Jingfei.

Before, many of them would have begged Feng Wu to forgive Shan Jingfei, but no one said a word now.

Not even Xin Zhixuan, her BFF, said anything.

Shan Jingfei's face went ghastly pale.

However...

To everyone's surprise, Feng Wu only patted her on the cheek. "I do want to kill you, but it's not my call.

"Ye Hongxue tried to save you, but you almost killed her. That was the price of her kindness and foolishness.

"Therefore, she'll be the one to give the verdict in the end."

Shan Jingfei was still pale after Feng Wu said that, but she secretly rejoiced.

She would get back at Feng Wu as soon as they left the Secret Essence Mine.

"Tie her up," Feng Wu said casually.

She was the leader of the team now, and even the Class A students wouldn't question her command.

Xue Hao and his teammates hated Shan Jingfei to the bone. As soon as they heard Feng Wu's order, they rushed toward Shan Jingfei and tied her up.

"Let's go."

Feng Wu led the way.

The others followed her.

They felt uneasy when she wasn't around because they felt like they had lost their way.

Now that she was back, they knew that Feng Wu would show them the way.

Even Feng Wu herself probably hadn't noticed that she was a natural leader.

The Secret Essence Mine was a tough problem even for Feng Wu.

To get out, she needed to do some careful research.

Luckily, she had the bird.

It had supervised the workers when the mine was built and still remembered the mine's layout.

With Little Phoenix's help, Feng Wu could lead them to the exit while studying the layout of the mine.

The bird was talking to her in her mind, so in other people's eyes, Feng Wu was leading them out without any effort.

Feng Wu said, "Look. That's the exit."

Meanwhile, outside the mine.

Elder Mei was frowning.

The Level 8 formation was indeed hard to crack.

"Elder Mei, do you have any clues?" Gongsun Mu asked gingerly, worried about the students inside.

Elder Mei shook his head and went on thinking.

Zuo Qingluan had been trying to please Elder Mei so that he would teach her. She stepped out at that moment.

#### **Chapter 2745: No Hope**

Zuo Qingluan shook her head at Gongsun Mu. "Mr. Gongsun, please don't rush the elder. I know you think you know a lot about formations, but solving them requires a lot of time!

"Moreover, this is a Level 8 formation and is especially difficult. It's about as complicated as the one in the War Academy.

"If this one can be solved so easily, so can ours. Of course that can't be the case."

Zuo Qingluan kept emphasizing how complicated this formation was.

Gongsun Mu shook his head and sighed. "I'm just worried about the students inside, especially Feng Wu. Our school will be in a lot of trouble if anything happens to her."

Mr. Wang of Class D snapped, "Mr. Gongsun, you shouldn't make that claim. Feng Wu is just an ordinary student. Losing her won't make a difference."

Gongsun Mu glared at him. "You know nothing!"

Mr. Wang asked, "Does she have connections that I don't know of?"

Gongsun Mu nodded. Imperial College couldn't afford to offend that person.

"Who is it?" Mr. Wang was intrigued.

Zuo Qingluan had a bad feeling, and she stared at Gongsun Mu.

Gongsun Mu shook his head, not intending to reveal the secret.

Mr. Wang tried to goad him. "You don't know, do you?"

.....

Gongsun Mu frowned. "It's His..."

Zuo Qingluan's stomach lurched.

Fearing that Gongsun Mu would tell the truth, Zuo Qingluan cut him off. "Our top priority is to save them, and the rest can wait! Connections don't matter! Everyone in Imperial College is treated equally!"

Both Zuo Qingluan and Gongsun Mu were vice chiefs. Although Zuo Qingluan was far less capable, she was from an influential family, which put them on the same level in status.

When Zuo Qingluan used a harsh tone, Mr. Wang didn't dare speak.

Everyone turned to Elder Mei again.

"Is it still sealed?"

"It's been a whole day..."

Mr. Duan, who had gone back to do some research, came back at that moment, looking rather pale.

The others asked what was going on.

Mr. Duan frowned. "I looked through some records of the Secret Essence Mine and noticed a serious problem."

"What is it?" the others asked.

Mr. Duan showed them an ancient book. "Look. It says that in order to clean up the filth in the mine, small Spirit Stone Worms were put inside.

"Here's something on the worms. They don't need any light; they feed on spiritual stones and can live for hundreds of years.

"They can reproduce at a terrifying rate.

"If I've guessed correctly, the Secret Essence Mine is full of Spirit Stone Worms."

Mr. Yang asked nervously, "What about the students inside..."

Mr. Duan turned pale as well. "I think they're..."

It had been a whole day; there was no way they could survive in the mine.

Everyone turned slightly pale.

"There are 80,000 tunnels inside." Mr. Duan sounded desperate. "We don't have any hope of seeing those students again."

#### **Chapter 2746: Not Fair**

Everyone looked at Elder Mei.

Elder Mei was frowning.

Mr. Duan asked, "How long will it take to open this door?"

Elder Mei shook his head. "The formation is very complicated; it'll take me at least seven days!"

Seven days?

Before he could say another word, he sensed a force inside the mine.

*Crack!*

The heavy bronze door rumbled.

Everyone jumped.

What the hell?

They looked at one another, and all of them moved away from the door.

"Elder Mei, what's going on?" Mr. Yang asked.

Elder Mei was as confused as everyone else.

.....

Seeing the look on Elder Mei's face, Zuo Qingluan tried to save him from the awkward situation. "The Secret Essence Mine has been buried underground for so long; anything could have happened. I'm sure Elder Mei will figure it out soon."

Hearing the crack, Mr. Yang was struck by an idea. "Can it be opened from inside?"

Elder Mei rolled his eyes.

Zuo Qingluan answered for him. "The door is locked from outside by the formation! How can it be opened from inside?!"

Elder Mei nodded. She was right. It couldn't be opened from the inside.

Seeing this, Zuo Qingluan knew Elder Mei agreed with her, so she scolded Mr. Yang again. "Mr. Yang, please don't speculate when you don't know what's going on. You'll make the others panic."

Mr. Yang was speechless.

But right at that moment!

*Crack!*

The sealed heavy door...

The door that Zuo Qingluan was so sure couldn't be opened from the inside...

It slowly opened as everyone watched.

Everybody was astonished.

They all looked at Zuo Qingluan.

Zuo Qingluan was utterly embarrassed.

The sound of the door opening felt like a slap to her face.

It seemed to take forever for the door to open.

Zuo Qingluan had to live with the humiliation the entire time.

“Why is it open?” She was ready for battle. “Are the Spirit Stone Worms coming out?”

The tutors were all alarmed.

“Everybody, get ready for battle!” Zuo Qingluan shouted.

They all copied Zuo Qingluan and got into position to defend against the incoming enemy.

However, they only saw teenage students file out the door.

Feng Wu led the way, followed by Shao Xiao, Huo Shan and the others.

The last person’s head was covered with black cloth, and the person was tied up with layers of rope.

Everybody outside was shocked.

“Feng Wu?!” Mr. Yang was the first to recognize her.

He ran to her side and grabbed her hand. “You’re alive! I can’t believe it!”

When he looked past her, he was so excited that he almost couldn’t form a coherent sentence. “You’re all still alive...”

He was almost in tears.

Zuo Qingluan’s pupils contracted when she saw Feng Wu.

Feng Wu was still alive!

How could that be?

Why didn’t she die inside? Why was she still alive?!

This wasn’t fair!

### **Chapter 2747: Who Did This to You?**

Elder Mei was amazed when he saw the students.

He had believed the door was sealed and could only be opened from outside. How had these people opened it?

Could he have been wrong? Was the door not sealed?

While he was considering the possibilities, the others were thrilled.

"I'm so glad you're all alright!" Gongsun Mu was relieved when he saw Feng Wu.

"Mr. Yang, do a headcount," he told Mr. Yang.

Mr. Yang nodded and checked the name list.

He sounded worried when he said, "We're short one person."

"Who?" the others asked.

Just then, someone ran toward them, shouting, "Where's Shan Jingfei? Has anyone seen her?"

It was none other than Qiu Zeyu, Shan Jingfei's boyfriend.

He had come here in a hurry when he received the news, but he couldn't find Shan Jingfei anywhere.

He rushed to Xue Hao's side and asked, "Xue Hao, where's Shan Jingfei? I told Xuecheng Team to look after her! Where is she now?!"

Xue Hao was reminded of what Shan Jingfei had done in the mine. His eyes went red, and he was so furious that he couldn't say a word.

"Look at the stretchers!" He glared at Qiu Zeyu.

The stretchers?

He was referring to Ye Hongxue and Lin Juncheng.

Qiu Zeyu glanced at them without paying much attention. He went on asking, "Where's Shan Jingfei? Did you lose her?"

Then he heard a whimper.

Everyone looked in the direction of the noise.

They saw Cui Ping and Wu Qing, two members of Xuecheng Team.

They were escorting a person.

The person was gagged and wearing a black cloth over the head. Because of that, the person could only whimper.

Qiu Zeyu found the person's figure familiar, so he pulled off the black cloth.

Everybody saw who it was.

"Feifei!" Qiu Zeyu's eyes widened when he saw Shan Jingfei. He looked from Xuecheng Team to their prisoner and was infuriated.

He pulled Shan Jingfei away from the two team members and shouted, "What do you think you're doing?!"

Qiu Zeyu was a member of the second-seeded team and a top 10 student in Class A. Xuecheng Team wasn't his match.

They couldn't do anything when Qiu Zeyu dragged Shan Jingfei away.

Qiu Zeyu removed the rope around Shan Jingfei's wrists and took out the cloth that was in her mouth. "Feifei, are you alright?"

Shan Jingfei was filled with resentment and frustration, and she finally found an outlet.

She burst into tears and wrapped her arms around Qiu Zeyu. "Zeyu, help me... They want to kill me! Please help me!"

Feng Wu wanted to sigh.

She considered herself to be a good actress, but Shan Jingfei's acting was on a completely different level.

Shan Jingfei was Qiu Zeyu's goddess, and it pained him to see her like this.

He wrapped his arms around Shan Jingfei and bellowed, "Who did this to you? Tell me!"

### **Chapter 2748: How Dare They?**

??

Qiu Zeyu wrapped his arms around Shan Jingfei and said sympathetically, "You're such a kind girl! After what they did to you, you're still trying to cover for them. They don't deserve you!"

"How evil are they? How could they do this to you?!"

Qiu Zeyu genuinely felt sorry for her.

What he didn't know was how much his words disgusted Feng Wu and the others.

Shan Jingfei cried even louder.

Qiu Zeyu felt even more sympathetic. Seeing that Shan Jingfei wouldn't name anyone, he turned to Cui Ping and Wu Qing.

"Speak!" Qiu Zeyu glared at them. "I'm going to make you pay for what you did to my baby!"

Wu Qing snorted. "Qiu Zeyu, just because you're a member of the second-seeded team doesn't mean you can deal out justice. We have rules!"

Cui Ping chimed in, "There's justice in this world, and evil people will get what they deserve! If I were you, I would take a closer look at the woman in your arms!"

Qiu Zeyu had expected them to drop to their knees and beg for his forgiveness, but he couldn't be any more wrong.

Feeling the girl tremble in his arms, Qiu Zeyu patted her on the back and said softly, "Don't be afraid. I'll right the wrong for you. I won't let anyone harm you."

After that, he looked at Cui Ping and Wu Qing again.

The next second, he took action.

He reached for Cui Ping's throat.

Cui Ping was terrified.

He was much weaker than Qiu Zeyu and didn't have the skill to dodge the attack.

It happened quicker than words could describe!

Mr. Duan stepped in. "We don't have time for this! Stop it, all of you!"

Qiu Zeyu didn't want to stop. "Mr. Yang, if I don't punish them now, I can't promise what I'll do to them later."

Mr. Duan frowned. Was Qiu Zeyu threatening him?

Cui Ping smirked. "Shan Jingfei almost got Ye Hongxue and Lin Juncheng killed. There! I said it!"

"No, I didn't!"

Of course, Shan Jingfei wasn't going to admit it in front of so many people. She denied it right away.

But everyone heard what Cui Ping said.

Mr. Duan frowned. "We'll talk about it later. Don't block that door. It's the entrance to the Secret Essence Mine. Who knows when the wind will come back?"

Gongsun Mu nodded as well. "Go back to the school! We'll deal with it later!"

While everyone was heading back, Feng Wu noticed an old man heading into the mine.

"Hey!"

Feng Wu stopped him. "Are you out of your mind? Don't you know how dangerous it is inside? You can't go in on your own! There are 80,000 tunnels and countless Spirit Stone Worms inside!"

Elder Mei gave her a strange look.

So did the others.

He was Elder Mei!

He was a prominent figure of the empire and a Level 8 formation master! How could a student talk to him that way?

Zuo Qingluan was secretly pleased to see Feng Wu make a fool of herself. She thought that Feng Wu was about to die.

## **Chapter 2749: Gift**

Everyone gave Feng Wu strange looks.

Feng Wu ran to Elder Mei's side. "Stay away from that mine if you don't want to die."

Elder Mei smirked.

He then glanced at Gongsun Mu.

Gongsun Mu intervened. "Feng Wu, this is Elder Mei!"

Feng Wu said, "I don't care if he's Elder May or Elder April. This mine has more than a few formations. If you go in alone, you'll never come out."

Elder Mei said, "That is a bold claim, young lady."

Seeing that Elder Mei was angry, Gongsun Mu gave Feng Wu a warning look. "Elder Mei knows formations. He's the..."  
"Read more on newNovel.org"

However, Feng Wu cut him off. "I think his knowledge is quite limited."

Pffft!

Zuo Qingluan finally laughed.

Feng Wu was more arrogant than she had expected.

Zuo Qingluan couldn't wait to become Elder Mei's disciple, but Feng Wu had criticized the old man!

.....

Elder Mei shook his head and walked toward the mine.

Feng Wu had no choice but to give him a paper crane. "Since you're so stubborn, I don't have anything else to say. Take this crane with you. If you can't find the way, it'll lead you out of the mine."

Elder Mei wanted to laugh.

So did everyone else.

That was hilarious.

Had Feng Wu lost her mind?

He was Elder Mei!

He was the best formation master in Imperial College. What had she just said to him?

"Is your formation tutor Mr. Wu?" Mr. Xu asked Feng Wu.

Feng Wu nodded.

She nodded because she remembered Mr. Wu was the formation tutor in Imperial College, not that she had learned anything from him.

Mr. Xu gave her a strange look. "I'm Mr. Wu's teacher."

Feng Wu nodded. So what?

Mr. Xu said proudly, "And Elder Mei here is my tutor."

Mr. Xu expected to see a stumped look on Feng Wu's face, and he was ready to hear her apology.

But none of that happened.

Feng Wu only frowned at him.

Zuo Qingluan couldn't stand it anymore. "Feng Wu, you're so arrogant! I won't let you offend Elder Mei!"

Elder Mei didn't like Feng Wu at all.

Feng Wu was about to say something, when Elder Mei entered the mine.

Seeing this, Zuo Qingluan snuck in behind him.

She decided to use this chance to slander Feng Wu with all her might and become Elder Mei's disciple.

Even if it was just wishful thinking.

Shan Jingfei wasn't feeling as great as Zuo Qingluan.

After they went back to Imperial College, they were all taken to the chief's office.

Gongsun Mu said, "You can tell me what happened now."

"I didn't do anything!" Shan Jingfei cried. "Why would I harm Ye Hongxue? That's not like me! You're making it up!"

Cui Ping smirked. "Stop pretending and admit what you did! Ye Hongxue wanted to save you, but you returned her kindness with ingratitude!"

### **Chapter 2750: Who's the Bad Person?**

??

Shan Jingfei said, "I didn't..."

The quarreling gave Gongsun Mu a headache.

He said to Mr. Duan, "Let each of them write down what happened! I want all the details!"

*How clever!?* Feng Wu thought to herself. Gongsun Mu was wiser than she had expected.

She glanced at Shan Jingfei and saw how pale she had become.

Qiu Zeyu smirked. "Let's do it! The devil is in the details!"

Feng Wu smiled at him. "I'm glad you think that way."

Qiu Zeyu glanced at her.

Although Feng Wu was much prettier than Shan Jingfei, he told himself that he wouldn't be tempted.

The students sat down around the round table in the conference room.

They all started writing.

The only exceptions were Ye Hongxue and Lin Juncheng, who were still unconscious.

Feng Wu was the first to finish.

Shan Jingfei's face darkened, and she glanced at her teammates.

Seeing that they were still writing, she calmed down a little.

She believed Xin Zhixuan would take her side because they were best friends.

Ye Han was her newest fan, so she shouldn't say bad things about her either.

Gu Xingyuan seemed to like her, so he should be on her side, too.

And there were some others... In other words, Shan Jingfei wasn't worried.

She finished hers and handed it in.

Gongsun Mu read through all the statements before giving them to the other tutors.

He gave Shan Jingfei a strange look.

After the other tutors read the statements, they stared at Shan Jingfei in the same way.

Mr. Yang glared at her.

"How dare you?!"

He was furious and disappointed.

Shan Jingfei's stomach lurched.

What was going on?

Mr. Yang started at Shan Jingfei. "Tell me the truth!"

Shan Jingfei said, "I... I..."

She turned to Qiu Zeyu for help.

Qiu Zeyu said, "Feifei, don't worry! I won't let them wrong you!"

Shan Jingfei gritted her teeth. "We set out together. Then Feng Wu found us. She didn't want to help us, but she still did, probably because she didn't want to get blamed later.

"She then separated from us when she went to save someone else. The paper crane took us to the formation core. The worms wanted to eat us. Ye Hongxue helped me when I ran into the circle. She was so kind, and she was injured when she tried to save me. I accidentally pushed her out of the circle..."

She kept glancing at Qiu Zeyu as she spoke.

Qiu Zeyu thought, "She's the kindest girl in the world."

He said, "Feifei, don't cry."

"I'm so worried about Hongxue..."

"Feifei, don't worry. You're such a kind girl. I'm sure Ye Hongxue knows she did the right thing."

“Right my ass!” Xue Hao couldn’t stand it anymore and threw a punch at Qiu Zeyu’s face.

Qiu Zeyu was much more capable, but he was taken by surprise.

The fist landed on his nose.
