Chapter 2751: Love the Wrong Person

Qiu Zeyu raised his hand, ready to retaliate.

However, Mr. Duan frowned and shouted, "Qiu Zeyu, stop!"

Qiu Zeyu was dumbfounded.

Because of his talent, his tutors had always favored him and had never scolded him like this.

"Get your ass down here!" Mr. Duan was genuinely angry.

Qiu Zeyu rubbed his nose and glared at Xue Hao. He was determined to get back at the boy later.

When he walked up to Mr. Duan, the latter stuffed a stack of papers in his hand. "Read them!"

Qiu Zeyu was bored.

Why would he believe in those people's stories?

However...

When he read through the statements, he saw that apart from Shan Jingfei, everyone had told the same story.

It seemed they agreed on the same thing!

Qiu Zeyu wanted to see who wrote what, but Mr. Duan gave him a stern look. "They're all about the same events. It doesn't matter who wrote what!"

Although Qiu Zeyu didn't say anything, he agreed with his teacher.

However, it meant Shan Jingfei wasn't as nice as he had thought.

That was an understatement. By the look of it, she was an ungrateful evil woman!

The contrast was so great that Qiu Zeyu didn't know how to react.

Shan Jingfei grew uneasy when she saw everyone's reactions.

However, she remained confident.

She believed she had some loyal fans here. Ye Han and Xin Zhixuan at least would support her.

However, Qiu Zeyu stared at her and asked, "Did you really drag Ye Hongxue out of the circle?"

Shan Jingfei looked at him in disbelief.

Qiu Zeyu took a step forward. "Ye Hongxue saved you. Did you really try to kill her?"

Shan Jingfei didn't know what to say.

Qiu Zeyu took another step forward and glowered at her. "You're so evil!"

Shan Jingfei backed away as Qiu Zeyu moved closer.

“It wasn’t me! I didn’t do that!” Shan Jingfei shook her head. “I would never do such a thing! I’d rather die than have someone die for me! Zeyu, you know what kind of person I am!”

Qiu Zeyu frowned and hesitated.

“But everyone wrote in their statements about how you betrayed Ye Hongxue, your savior!” Qiu Zeyu bellowed.

WHAT?!

Shan Jingfei was shocked.

Everyone?!

“Did you say everyone?” Shan Jingfei gritted her teeth. “All of them?”

Qiu Zeyu said, “Yes, everyone but you!”

Shan Jingfei looked like she had been struck by lightning.

That was to say, all her so-called loyal fans had betrayed her.

“Xin Zhixuan!” Shan Jingfei gritted her teeth and glared at the girl.

Xin Zhixuan had made up her mind when she wrote her statement.

She knew Shan Jingfei wasn’t a worthy friend after she saw what Shan Jingfei did to Ye Hongxue.

“Feifei, I’m sorry.” Xin Zhixuan smiled bitterly. “Hongxue saved you, but you betrayed her and almost got her killed. I can’t lie about that. Otherwise, it’ll haunt me for the rest of my life.”

She bowed, indicating that their friendship was over.

Shan Jingfei ground her teeth.

“Ye Han, what about you?”

Shan Jingfei stared at her. “Do you remember what you said when you came to me? You said you would do whatever I told you to do. You would even sell your soul to me! You’ve betrayed me!”

Ye Han shook her head. “Jingfei, Hongyue helped you, but you almost got her killed. I can’t imagine what you’ll do to me one day...”

Chapter 2752: Inform Her Parents

??

Ye Han said, “If I get in your way one day, you won’t hesitate to kill me. I’m not brave enough to follow someone like you. I’m sorry.”

She gave Shan Jingfei a bow as well before standing on the side.

Shan Jingfei stared at her in astonishment.

Even Ye Han had betrayed her.

“Gu Xingyuan, what about you? Are you going to betray me, too? Didn’t you say you and Feng Wu were at odds? Didn’t you say you would never forgive Feng Wu for ruining your family?!” Shan Jingfei glared at Gu Xingyuan.

Gu Xingyuan felt conflicted.

He had wanted to help Shan Jingfei. Otherwise, he wouldn’t have joined her team.

However, he was bewildered by everything that had happened so far.

Feng Wu was his archenemy, but she was beyond his reach.

He had thought she was a Level 6 Spiritual Lord, but after seeing her fight, he realized she was at least a Level 9 Spiritual Lord. He wasn’t her match at all!

She also knew formations and inscriptions.

Gu Xingyuan had lost all hope.

Shan Jingfei was still staring at him.

Gu Xingyuan shook his head. “At odds? That suggests that both sides are matched in strength. Do you think I have that kind of capability?”

Shan Jingfei became desperate.

The more people she asked, the more hopeless she felt.

Qiu Zeyu asked, “Did you really do that to Ye Hongxue, your savior? Is this who you really are?”

Shan Jingfei closed her eyes. When she opened them again, she glared at Qiu Zeyu and said, “Yes, I dragged Ye Hongxue out!”

Rumble —

Those words shattered all Qiu Zeyu’s hopes.

He pointed at Shan Jingfei and couldn’t say a word.

In a way, Shan Jingfei was an incredible person.

She could pretend to be fragile or kind when she needed to. However, when she was exposed, she became utterly distant.

“You admitted it quickly enough.” Ye Hongxue stared at Shan Jingfei.

Shan Jingfei ground her teeth. “You’re still alive! I don’t owe you anything!”

Ye Hongxue’s voice was filled with hatred. “Do you know what you’ve done to me?”

Shan Jingfei didn’t speak.

Ye Hongxue said, “You’ve made me lose hope in people!”

“From now on, I’ll hesitate before I save someone. I’ll wonder if they’ll turn out to be as ungrateful as you! I don’t have that unconditional kindness anymore!”

She took a deep breath. “But I want to thank you, Shan Jingfei. You made me see the world from a different angle. I was so foolish before!”

Feng Wu felt sorry for Ye Hongxue, but she was pleased to see her change.

The incident had been a hard blow to Ye Hongxue, but it had also helped her grow.

Feng Wu patted Ye Hongxue on the shoulder. “You’re still alive.”

Ye Hongxue smiled and nodded. “Yes. Luckily, I’m still alive.”

She then turned to Mr. Yang. “Shan Jingfei must be punished for what she did!”

Shan Jingfei glared at her.

Ye Hongxue glared back. “That look you’re giving me means you haven’t repented. I won’t let you off the hook so easily.”

Shan Jingfei clenched her fists but didn’t dare say anything.

“Inform her parents.” Mr. Yang turned to Gongsun Mu. “It’s not something the academy can handle on its own. We must send for her parents.”

Chapter 2753: Shan Jingfei Won

??

Shan Jingfei ground her teeth. She had always been a good daughter in her parents’ eyes. Telling them what happened here would be a humiliation!

She looked up and glared at Feng Wu.

Had it not been for Feng Wu, things would never have turned out like this.

The Shan family wasn’t one of the nine major clans, but it was still an influential one.

The parent who arrived at the War Academy was Shan Zhixiong, Shan Jingfei’s father.

It had never occurred to him that his perfect daughter would do something like this, and there was proof and witnesses.

Shan Zhixiong was petrified. He threw a dirty look at his daughter and was going to deal with her when they returned home.

However, Shan Jingfei stepped forward and looked at Gongsun Mu. “I want to make a request.

“I volunteer to go to Peace Grassland.”

Everyone looked at her in surprise.

Class B students didn’t know much about Peace Grassland.

All the students of Class A had been there before and knew how dangerous the place was.

Shan Jingfei said calmly, "I want to go to the battlefield and fight our enemies.

"I know I did the wrong thing, and I want to repent by giving my life to Hongxue. However, if I die like that, I would be wasting all the resources the school has invested in me.

"I want to fight the Dongsang soldiers on Peace Grassland. It'll be a good way to spend the rest of my life!

"I want to stay there for at least three years. I'll consider myself a fortunate person if I return alive. If I don't, I won't blame anyone either."

Shan Zhixiong was astonished.

"No, you can't!"

Shan Zhixiong was furious about what his daughter had done, but when he heard her request, he wouldn't let her do that. "Peace Grassland is too dangerous! No one can stay there for that long! This is suicide!"

Shan Jingfei had tears in her eyes as she smiled sadly.

"Father, I did the wrong thing, and my crime is punishable by death. If I die in the war, I'll get what I deserve. I'm sorry to have disappointed you."

She then dropped to her knees and banged her forehead on the floor three times.

It pained Qiu Zeyu to see Shan Jingfei like this.

He gritted his teeth. "You don't have to..."

"No, I have to. I did the wrong thing, and I have to take responsibility," Shan Jingfei said firmly. She then turned to Feng Wu.

The smile on her face was almost genuine. "Feng Wu, I want to thank you. If you hadn't pointed out my mistake, I wouldn't have realized what I'd done. You woke me up.

"If you hadn't taught me a lesson, I would still be the stubborn girl who wouldn't admit her mistakes. Thank you."

Feng Wu studied her and shook her head inwardly.

It wasn't easy to beat Shan Jingfei.

Even in this situation, she could still escape punishment by going to Peace Grassland.

Once she was there, she would have plenty of chances to stay alive.

Moreover, if Shan Jingfei's gratitude were genuine, she wouldn't have made that little speech. She was trying to make people hate Feng Wu. She had done it on purpose.

It was incredible!

Shan Zhixiong and Qiu Zeyu glared at Feng Wu like she had killed all their family members.

Shan Jingfei bowed to Gongsun Mu and Mr. Yang. "Sir, would you please let me go to Peace Grassland?"

Chapter 2754: A Twist

??

At this point, even Mr. Yang was moved.

He used to dote on Shan Jingfei, and was utterly disappointed by her true nature.

However, seeing that Shan Jingfei was going to take full responsibility, he was proud of her again.

"That's great!"

Pleased, he patted her shoulder. "I'm so glad that you're brave enough to accept the consequences. It's never too late to correct your mistakes. Shan Jingfei, you're going to be great!"

Feng Wu shook her head inwardly when she saw other people's reactions.

These people were so gullible. How could they be fooled so easily?

However, she knew they wouldn't listen to her now.

When the others saw Shan Jingfei off, the girl looked back at Feng Wu.

She smiled in a provoking manner before she walked away.

Ye Hongxue frowned. "Is it me, or was that an evil smile?"

Qiu Zeyu threw her a dirty look. "What more do you want? Ye Hongxue, you're still alive!"

He walked off after that.

The last look he gave Feng Wu was rather terrifying.

Ye Hongxue was dumbfounded. "What did I do? I only asked a question..."

Shan Zhixiong stared at Feng Wu. "Miss Feng, I'll remember what you did for my daughter!"

He left as well.

Another threat.

Mr. Yang said, "Feng Wu, we're all done here. You can leave now."

He had conflicted feelings about Feng Wu.

Naturally, he was biased toward Shan Jingfei, but he couldn't deny that Feng Wu had done the right thing. Because of that, he couldn't accuse Feng Wu of anything.

He didn't like her, and everybody could tell.

Feng Wu couldn't care less if Mr. Yang liked her or not. She reminded him, "Mr. Yang, it's time to announce the final rankings."

Hearing that, Mr. Yang liked her even less.

He decided that Feng Wu wasn't as considerate as Shan Jingfei.

He thought, "She's short-sighted and only cares about her own gains!"

He glared at Feng Wu.

Feng Wu was perplexed. What did she do? She only wanted to know the final rankings.

Gongsun Mu had always taken Feng Wu's side, so he intervened when he saw that Mr. Yang was angry.

"Although you ran into some difficulties, I'm so glad all of you came out alive. We need to thank Feng Wu for that."

In their statements, everybody wrote about what Feng Wu had done for them.

Some went into detail, and others only mentioned it in passing, but nothing could change what Feng Wu had done.

What Gongsun Mu said was a reminder to Mr. Yang, who then realized that Feng Wu wasn't an ordinary student.

Mr. Yang then went back to the statements and was surprised by what he read.

He had only focused on what Shan Jingfei had done when he read them the first time round. This time, he noticed more details.

"You led everyone out of the Secret Essence Mine?"

"You knew the way out of the tunnels?"

"You understand formations?"

"You know inscriptions, too?"

Mr. Yang showered Feng Wu with questions.

However, Feng Wu was a proud girl.

It was obvious that Mr. Yang didn't like her, so she had no reason to answer his questions.

She only frowned and asked, "Can we announce the rankings now?"

Mr. Yang was furious that he was being ignored.

Chapter 2755: The Master Swordsman

?

Mr. Yang looked at Feng Wu and said, "We should all learn to be more forgiving."

He was hinting to Feng Wu about Shan Jingfei.

Feng Wu shook her head. "A leopard cannot change its spots."

Mr. Yang shook his head. She was too difficult to teach; he missed Shan Jingfei, the obedient girl.

“Gather everyone on the sports ground. We’ll make the announcement.”

Mr. Yang sounded somewhat disappointed.

Hearing that, all the Class B students rushed to the sports ground, and Xuecheng Team was left behind.

Mr. Duan asked curiously, “What am I reading here? Did Feng Wu really lead you out of that mine?”

Ye Hongxue nodded. “Sir, Feng Wu is much more capable than you think.”

Mr. Duan was curious. “In that case, are you saying that she’s good enough to go to Class A?”

Ye Hongxue and her friends gave him strange looks.

Xue Hao smiled bitterly. “Mr. Duan, you’re making fun of us.”

Mr. Duan was relieved, until Xue Hao added, “She’s beyond that. I’m sure she’ll be among the top 5 students in our class.”

Xue Hao hesitated a little and turned to his teammates for their opinion.

Ye Hongxue shook her head. “Top 5? No, she’ll definitely be the best student in Class A!”

What?

Mr. Duan had been amazed by Feng Wu, but when he heard this, he thought the students were exaggerating.

He didn’t believe them.

“Fine.” He stopped them with a wave of his hand. “Go back to your class.”

“Sir...” Ye Hongxue asked before they left, “may we ask why the ground caved in?”

The information was being kept confidential, but because Ye Hongxue and her team had almost been killed, perhaps they could get an explanation. Mr. Duan looked at Gongsun Mu.

Gongsun Mu shook his head. “Chu Tianxiao slashed the ground open with a single strike.”

“Chu Tianxiao?” Ye Hongxue and the others were surprised. “As in Master Chu Tianxiao from our textbooks?”

Gongsun Mu nodded.

The students were astonished.

They had assumed that the man had already been dead for many years. However, he was still alive.

“How old would that make him now? He must be immortal! What kind of power can open up the ground like that? That’s so scary.”

“So, that swordsman in white was Master Chu Tianxiao. Gosh! We would have gone out and met him if we knew who he was!”

Mr. Gongsun and Mr. Duan looked at them in surprise. "Did you see the old master?"

"Sir, he wasn't old at all." Ye Hongxue shook her head.

Mr. Duan said, "So he has been active since the establishment of Imperial College! What does he look like now?"

"I didn't see." Ye Hongxue shook her head. "We were too far away and didn't dare move closer. Feng Wu ran to his side, though!"

"What? Feng Wu saw him? Did she walk up to him?" Mr. Duan was shocked. "Why wasn't she killed?"

Ye Hongxue said, "I don't know. I think she even talked to him."

Both Mr. Duan and Gongsun Mu were astonished.

"She talked to him?! Doesn't she know how formidable that master is? His master was Mu Jiuzhou, who once ruled the continent!"

Chapter 2756: Greatest Man On the Continent

That was crazy!

Chu Tianxiao had such a terrifying background.

With Mu Jiuzhou as his master, he could get away with anything!

"Feng Wu is so bold!" Gongsun Mu was still in a state of shock. "That old master isn't the most easygoing person. She was very lucky!"

Mr. Duan smiled bitterly. He decided that Feng Wu was too much trouble and that he should keep his distance.

By then, Feng Wu had arrived at the sports ground.

Despite his reluctance, Mr. Yang announced the final rankings.

Because of the countless Spirit Stone Worms Feng Wu had hunted, she was first.

Her team was the best as well.

Shan Jingfei's team was nowhere close.

The school had blocked the news that it was Feng Wu who had saved all the students.

Because a master like Chu Tianxiao was involved, the school had everybody sign a confidentiality agreement.

It successfully kept the news from spreading.

.....

Feng Wu had only joined Class B, so the students didn't know her well.

"Feng Wu is first. Seriously?"

“Why? What did she do to get there?”

“What about Shan Jingfei? Where’s our class president? I haven’t seen her. Is she alright?”

“I saw her father just then, and he was storming off. He said Jingfei has gone to Peace Grassland.”

“Peace Grassland? Isn’t there a war over there? Why did she suddenly go there?”

“Feng Wu only became first after Shan Jingfei left, didn’t she?”

“What’s Feng Wu’s background? How could she make Jingfei leave?”

“Who knows? She sure has a pretty face.”

“It has to be her doing!”

When a person or a force was on the rise, they would always be criticized at first.

The students didn’t know what really happened, so they could only follow their instincts.

They instinctively questioned why Feng Wu received so much attention.

Public opinion wasn’t on Feng Wu’s side.

Shao Xiao and his friends were frustrated.

Shan Jingfei had gotten what she deserved, but everyone was blaming Feng Wu now. Feng Wu was their savior!

She had even saved Class A’s Xuecheng Team!

She knew formations and inscriptions, and she was even a Supreme Level medicine refiner!

When they told the others about Feng Wu’s abilities, the others just looked at them as if they had lost their minds.

Shao Xiao shouted in frustration, “It’s true! We’re telling the truth!”

And the crowd was speechless.

They shook their heads and walked away.

They believed that Shao Xiao and his friends had gone mad.

Feng Wu had to have a very powerful patron. That was the only reason Shao Xiao and the others could say such shameless things.

Shao Xiao was furious.

Ling Hao said, “We’re telling the truth! Why won’t they believe us? They’re even covering their ears!”

Huo Shan said, “That’s better than how they reacted when I spoke. They spat at me and called me a sycophant!”

He then changed his tone. "So what if I am one? Not every person gets to be Feng Wu's sycophant! Ye Han would like to be one now, but do you think Feng Wu will take her?"

Ye Han was furious.

Since when did she say that?

However, she was filled with despair when she recalled how capable Feng Wu was.

Chapter 2757: How Can She Be So Capable?

??

Ye Han felt that it was hopeless.

How could Feng Wu be so capable?

She wanted to be Feng Wu's enemy, but that would be like an ant threatening to kill an eagle.

She felt ridiculous.

She walked away, full of despair.

She needed to work very hard before she could consider herself Feng Wu's enemy.

Meanwhile, it was already announced that Feng Wu was first.

That meant she could be promoted to Class A.

But she didn't go there. Instead, she went to Dynasty Team.

Most of the Class A students had gone to Peace Grassland, and only a handful remained in the academy.

Chen Ziyun was the leader of Dynasty Team, which was known as the seeded team.

There were ten of them in total. The varsity and junior varsity teams each contained five members.

Qiu Zeyu, the boy in love with Shan Jingfei, was the captain of the junior varsity team.

Dynasty Team had their own training venue.

It was in the center of the academy and close to the core of the formation.

It was where the spiritual essence was the densest, which showed how important the team was.

Qiu Zeyu was with three other boys.

One of them smiled brightly and teased him.

"Zeyu, your girl is coming, right? We finally get to meet her."

"Yes, finally! After Mingyu left, Zeyu saved that spot for Feifei. No one else will take it!"

Qiu Zeyu's face darkened when he heard that.

Yes, he had saved that spot for Shan Jingfei, but she had been defeated and had left for Peace Grassland. She wasn't coming here.

Before he could say anything, they heard footsteps outside.

"She's here! Zeyu's girl is here!"

Qiu Zeyu's face was livid. He was about to say something, when his friends pushed him toward the door.

There was a knock.

The door wasn't locked, and a beautiful face appeared.

"Is this the junior varsity team?"

The boys were astonished when they saw Feng Wu's face.

Since when did they have such a beautiful girl here in the academy?

They had seen Shan Jingfei before, and she was as pretty as a campus belle should be.

However, compared with this girl, Shan Jingfei couldn't be any more ordinary.

"You... You're..." Chu Qu was the most active member of the team, but he was stammering, and even his ears had turned pink.

It was love at first sight!"

Chu Qu wasn't alone.

The other two boys were dumbfounded as well. They couldn't look away.

She was everything they dreamed of!

Seeing the strange looks on their faces, Feng Wu backed out to check the plate on the wall.

She was in the right room.

She recognized Qiu Zeyu.

She frowned at Qiu Zeyu and asked, "This is the junior varsity team, right?"

The sight of Feng Wu reminded Qiu Zeyu of Shan Jingfei, and he wondered how his Feifei would do in the grassland.

Hatred filled his eyes.

He glared at Feng Wu.

Feng Wu asked, "Where's your captain?"

Qiu Zeyu was the captain of this team.

"Shan Jingfei?" Chu Qu asked enviously.

The other two boys also gave Qiu Zeyu jealous looks.

Chapter 2758: Qiu Zeyu's Girl?

"Are you really Shan Jingfei?" the other two teenagers asked.

Qiu Zeyu smirked. "No, she's not! This is Feng Wu! She's just joined us!"

Although the boys hadn't heard the name before, they were relieved to hear that she wasn't Qiu Zeyu's girl.

So, she was a new student. They thought they had a chance.

However, before they could start celebrating, they heard Feng Wu ask, "Who's the captain?"

They pushed Qiu Zeyu toward her. "Here he is."

They all looked at Qiu Zeyu, hoping that he could say some nice things about them.

These idiots! Qiu Zeyu gritted his teeth.

He had wanted to warn them so that they could turn against Feng Wu together. By the look of things, that was never going to happen.

Feng Wu smiled at them. "I'm here to register. Can you show me what I should do?"

Chu Qu asked eagerly, "What do you need? I'll give you a hand! I get along with everyone in Class A."

The other two teenagers also hovered around Feng Wu.

"We'll come with you!"

.....

Feng Wu turned to Qiu Zeyu. "Are you coming?"

Qiu Zeyu snorted and looked away.

Feng Wu wasn't affected and smiled at the other three boys, "I won first place in Class B, and I'm a member of the junior varsity team now."

"What?"

"You?"

"No way!"

"What about Shan Jingfei? I thought this spot was reserved for her..."

Everyone turned to Qiu Zeyu.

Qiu Zeyu's face went livid. He smirked and said, "Feng Wu, you actually came. That's very bold of you."

Feng Wu was perplexed. "Why shouldn't I come?"

Qiu Zeyu was about to answer, when Feng Wu cut him off. "I didn't lead my team into a death trap.

"I didn't try to get people killed.

“I didn’t return kindness with ingratitude and tried to kill the person who saved my life.

“I didn’t...”

“That’s enough!” Qiu Zeyu bellowed.

Every word felt like a slap to his face, and his cheeks twitched.

He turned to the other three boys. “It’s either her or me! Make your choice!”

He then stormed off and slammed the door.

Chu Qu was speechless.

So were the other two.

They asked Feng Wu, “What’s the matter with our captain?”

Feng Wu said calmly, “He’s angry because he’s ashamed.”

Chu Qu was speechless.

He had never met a new member who was so calm.

Did she know she was the newbie here?

Shouldn’t the new member be timid and careful?

Feng Wu looked at them. “Can we start now?”

Chu Qu had a feeling that one wouldn’t want to mess with this girl.

He decided to take her to the captain of the varsity team since Qiu Zeyu obviously couldn’t handle her.

Chu Qu said, “Sure. Let’s get going. I’ll take you to the captain of the varsity team. If he agrees, you’ll be the new member of our team.”

Feng Wu asked, “Who’s that?”

Chu Qu said, “He’s Chen Ziyun, and he’s amazing...”

While Chu Qu was singing Chen Ziyun’s praises, Feng Wu frowned.

Why did that name sound familiar?

Chapter 2759: Team Members

Qiu Zeyu went to the stadium next door.

There were two stadiums, one which belonged to the varsity team and the other to the junior varsity team.

Feng Wu had won a place in the junior varsity team, but she needed recognition from the varsity team.

“What if Chen Ziyun won’t take me?” Feng Wu asked Chu Qu.

Chu Qu looked around to make sure that Qiu Zeyu wasn't nearby. He then leaned in closer and whispered, "If neither Captain Chen nor Captain Qiu will take you, you'll be sent back."

Feng Wu nodded.

Chu Qu reminded Feng Wu, "Captain Chen is all about formalities. When you meet him, you can't address him by his name. You need to call him 'Captain Chen,' alright?"

Chu Qu was a kind person, and he found Feng Wu adorable. Although Qiu Zeyu had made it clear that he didn't like Feng Wu, Chu Qu was still friendly toward her.

Feng Wu glanced at him. "Are you sure Qiu Zeyu won't blame you for telling me that?"

Chu Qu looked at her. "Do you want to hear the truth?"

Feng Wu said, "Do tell."

Chu Qu said, "We didn't agree when Qiu Zeyu wanted to reserve that place for Shan Jingfei. He was abusing his power. However, Shan Jingfei is almost capable enough to win that place, so we didn't object.

"As for you... I don't know how you got here, but Qiu Zeyu doesn't like you, and Captain Chen will only play by the book. I don't think you'll be with us for much longer.

.....

"In that case, it won't hurt anybody if I just show you around."

Feng Wu looked at him.

What they said was true. The War Academy only had elite students. Chu Qu wasn't as naive as he appeared to be.

The friendly boy next door was only a disguise he was wearing.

Feng Wu smiled. "I didn't think much of the seeded team. I think I may change my opinion now."

Chu Qu and his teammates looked at one another in amazement.

What an arrogant girl!

They thought she might not be good enough for this team. As it turned out, she didn't think they were good enough for her either.

Had they missed something?

Chu Qu had looked through Feng Wu's file to ensure that she really was a new student.

She didn't sound like someone who had only joined the school less than six months ago.

Chu Qu was speechless.

So were his teammates.

Pretty girls nowadays could be so proud.

They had liked Feng Wu at first, but her “arrogance” made them change their opinion, and they were hoping to see what Captain Chen would do to her.

Unfortunately, they didn’t know that Feng Wu was capable enough to make such a claim.

Qiu Zeyu arrived at the varsity team before Feng Wu did.

“Zeyu, what’s wrong? You look so angry.”

The varsity team had five members, and the speaker was Wang Xiao, who was the closest to Qiu Zeyu out of the five.

Qiu Zeyu sat down angrily and smacked the table. “This is ridiculous!”

“So, someone has offended you. Was it your lovely fiancée?” Wang Xiao teased him.

The mention of Shan Jingfei made Qiu Zeyu even more furious.

Chapter 2760: Complaint

??

Qiu Zeyu looked furious when Shan Jingfei’s name was mentioned.

He also looked pained.

He buried his face in his hands, and when he looked up again, his eyes were red.

Wang Xiao was astonished.

They had been friends for years, but he had never seen Qiu Zeyu so angry.

“What happened?” Wang Xiao poured Qiu Zeyu a cup of water and sat down opposite him.

“We’re friends, so tell me what I can do.” Wang Xiao patted his shoulder.

“If I can’t help you, there’s always Brother Chen. Have you forgotten how close we are?” Wang Xiao sounded smug.

Wang Xiao and Chen Ziyun were very good friends. One could almost call them best buddies.

Qiu Zeyu rubbed his eyes and almost burst into tears.

Qiu Zeyu wiped his eyes when Wang Xiao wasn’t looking.

No one saw his tears.

A long while passed before he fought back his tears. “Feifei is dead...”

“What?!” Wang Xiao almost jumped to his feet.

“What happened? She was perfectly fine two days ago, wasn’t she? You saved that spot for her! I reported it to Ziyun, and he immediately said yes! Even I was surprised. This proves that Ziyun has recognized her capability. How did she die? Did someone kill her?”

Qiu Zeyu was pleasantly surprised when he heard what Wang Xiao said. He asked excitedly, "Did Captain Chen agree to give that place to Feifei when you told him it was my request?"

If that was the case, did that mean that Chen Ziyun would take care of Feng Wu?

Wang Xiao tilted his head. "I told him that we could pick a student from Class B and train them. You Ming is in poor health, and a new member can replace him.

"Ziyun immediately said yes. He said to choose the best student in Class B."

Wang Xiao turned to Qiu Zeyu. "Everybody knows that Shan Jingfei is the best student in Class B. Of course that place is hers."

Qiu Zeyu knew that Feng Wu was probably as good as Shan Jingfei, but he hadn't seen her fight, so he was suspicious of her real capability.

As for Chen Ziyun...

Being the head of the Martial Arts Society and the captain of the varsity team, he would be too busy to notice a new student like Feng Wu.

He had no doubt that Chen Ziyun was referring to Shan Jingfei.

The thought excited him because he believed he wasn't alone in this. Chen Ziyun was on his side!

Feng Wu, you're dead!

"What happened to Shan Jingfei? How did she die so suddenly? Why didn't I hear anything?" Wang Xiao frowned at Qiu Zeyu.

Qiu Zeyu had come here ahead of Feng Wu because he wanted to convince the others that Feng Wu was the villain.

When Wang Xiao asked, he told a dramatized version of what really happened.
