

G E D 2761

Chapter 2761: Feng Wu Is Outrageous

“That Feng Wu is outrageous!” Hearing Qiu Zeyu’s description, Wang Xiao didn’t like Feng Wu at all.

“I can’t believe someone can be so vile.”

Sun Yu, another member of the varsity team, interjected, “Wait. Something doesn’t add up.”

Wang Xiao looked at him.

Sun Yu said, “You care about Qiu Zeyu so much that you may have missed a few details. I think there are some loopholes in that story.”

He then turned to Qiu Zeyu. “You said Shan Jingfei offended Feng Wu, so Feng Wu set her up and forced her to go to Peace Grassland.”

Qiu Zeyu nodded. “That’s right.”

Sun Yu asked, “Were you there when that happened?”

Qiu Zeyu said, “Of course!”

Sun Yu said, “Is Feng Wu well-connected?”

Qiu Zeyu hesitated.

Sun Yu said, “The answer is no, then.”

Qiu Zeyu said, “Maybe she is.”

.....

Sun Yu asked, “Who’s her patron?”

Qiu Zeyu didn’t know what to say.

Sun Yu stared at him and frowned. “I know you. You never let things drop, even if your actions aren’t justified. Why would you let her do such a thing when you think you can justify yourself?”

Qiu Zeyu was speechless. After the initial surprise, he glared at Sun Yu.

He was supposed to be a friend. Why would he say that?

Frustrated, he wanted to punch Sun Yu. However, they heard footsteps outside.

Chu Qu had brought Feng Wu here.

Chu Qu stuck his head into the room to find Qiu Zeyu there. He smiled awkwardly, “Feng Wu, this is as far as...”

He was cut off by an angry voice.

“Chu Qu, get your ass down here!”

It was Qiu Zeyu.

Chu Qu rubbed his nose and realized Qiu Zeyu was angrier than he had expected.

Feng Wu led the others into the room.

“What a pretty girl!” Wang Xiao, who had been feeling indignant about what happened to Qiu Zeyu a moment ago, was elated to see such a beautiful girl. His eyes lit up, and he was the first to greet Feng Wu.

“May I ask your name? Who are you looking for? I’m Wang Xiao, and I can find anybody for you!” Wang Xiao patted his chest.

She was so beautiful. Not only that, there was also something about her which made it impossible for one to look away.

“I’m Feng Wu.” Feng Wu nodded at Wang Xiao.

Feng Wu? Why did that name sound so familiar?

Wang Xiao scratched his head. He suddenly felt Qiu Zeyu glaring at him and was reminded of something.

Feng Wu?!

“You’re Feng Wu!” Wang Xiao stared at the girl in disbelief. She seemed so innocent and harmless!

Feng Wu nodded, unaffected by his attitude.

Wang Xiao didn’t know how to react.

He was going to shake her hand, but now, he had to awkwardly put it down.

Sun Yu, who had questioned Qiu Zeyu before, stepped out and asked Feng Wu, “Are you the new member of our team?”

Feng Wu found him to be a reasonable person, so she nodded. “Yes. I’m here to register.”

Sun Yu frowned a little. “Before that, I think you need to explain what happened to Shan Jingfei.”

Shan Jingfei?” Feng Wu glanced at Qiu Zeyu.

Qiu Zeyu was still angry, but he avoided Feng Wu’s gaze.

He slowly moved toward the door.

Chapter 2762: Confrontation

Feng Wu immediately saw what Qiu Zeyu’s plan was.

He was trying to make her the villain! Feng Wu glanced at Qiu Zeyu before turning to Sun Yu.

“First of all, I’d like to know what Qiu Zeyu told you.”

Qiu Zeyu grew uneasy.

Sun Yu said, "He said you set up Shan Jingfei, and Mr. Gongsun Mu sent her to a suicide squad in Peace Grassland. Is that true?"

Feng Wu was shocked. "Did he really say that?"

Sun Yu nodded. "Is it true?"

Feng Wu didn't answer him. Instead, she walked up to Qiu Zeyu and smirked. "Do you have the guts to tell that story again in front of everyone?"

Qiu Zeyu was frustrated.

"Of course! I'm not scared of you!" He glared at Feng Wu. "I'm telling the truth!"

"Fine." Feng Wu nodded. "I've had enough of your bullsh*t.

"I'm taking you to see Mr. Gongsun Mu and Mr. Duan. I'd like to see you tell that story to them!"

She then grabbed Qiu Zeyu by the neck and dragged him toward the door.

.....

Qiu Zeyu felt as helpless as a chicken!

Everybody was astonished, including Qiu Zeyu himself.

He wanted to break free.

However, Feng Wu was so powerful that her grip felt like an iron clamp. He couldn't get away from her.

There was nothing he could do.

Qiu Zeyu, the captain of the junior varsity team, was being dragged away like a chicken.

Was Feng Wu even human?

Qiu Zeyu failed the first time when he tried to get away.

He then used all his power.

To his frustration, he still couldn't get away.

He felt so humiliated that he tried even harder.

The sad truth was that nothing he did could loosen Feng Wu's grip.

D*mn it!

Qiu Zeyu had never felt so defeated before.

He had always been proud of his power, and what was happening was a hard blow to him.

He thought he was so much better than Feng Wu and had planned to teach her a lesson someday.

But now... He knew that wasn't going to happen.

Wang Xiao saw Feng Wu drag Qiu Zeyu away and noticed that Qiu Zeyu was too scared to struggle, so he blocked Feng Wu's way. "Stop! Put him down!"

Feng Wu stared at him. "Out of my way."

Wang Xiao wouldn't move.

Feng Wu frowned. "Don't make me say it again."

If he wouldn't move, she would make him move.

They heard footsteps at that moment.

"What's going on?" It was a stern and authoritative voice.

Everybody looked up.

"Captain Chen!"

"Ziyun!"

"Boss!"

It was none other than Chen Ziyun himself.

He had two team members with him.

Together with Sun Yu and Wang Xiao, the entire team was here.

"Ziyun!"

Qiu Zeyu shouted when he saw Chen Ziyun. "Help me!"

Chen Ziyun frowned when he saw the sorry state he was in.

He was shocked by Feng Wu's beauty when he saw her face.

It made him wonder.

Since when was there such a pretty girl in the academy? He only knew one pretty girl, and her name was Feng Wu. Feng Xun had asked him to watch over her.

Chapter 2763: You're Feng Wu

Chen Ziyun looked at Feng Wu. "Who are you?"

Wang Xiao answered the question for her. "She's Feng Wu! I don't know where she came from, but she can't run wild here in our territory! Who does she think she is?"

He was so angry.

Qiu Zeyu was his buddy, and he felt so humiliated to see him being dragged around like that.

However...

Chen Ziyun didn't hear anything after hearing Feng Wu's name.

Feng Wu... Feng Wu...

She was the girl that Feng Xun had asked him to look after.

Chen Ziyun had gone away for a while, so he had asked Huo Shan to keep an eye on her. Wait, hadn't Feng Wu only joined them a short while ago? She was supposed to be a new student in Class B.

"You're... Feng Wu." Chen Ziyun looked at her in astonishment.

Feng Wu nodded.

Chen Ziyun slowly looked from her face to her hand.

She had Qiu Zeyu by the collar.

.....

Qiu Zeyu was a member of his team.

He was a top 10 student in Class A.

Chen Ziyun's face twitched.

Why would such a capable girl need his protection? He wasn't sure if he was her match!

Seeing that Chen Ziyun wasn't speaking, Wang Xiao told him the story that Qiu Zeyu had made up.

In the end, he said, "Ziyun, she's too arrogant. We can't have her on our team!"

Chen Ziyun had the right to turn down any candidate.

Wang Xiao looked at Chen Ziyun expectantly before glancing at Feng Wu.

He thought, "Yes, you're pretty, but with that lousy personality, no team will have you!"

Everybody else in the room gave Feng Wu sympathetic looks.

They didn't know how she had pushed Shan Jingfei away and stolen her place, but with Chen Ziyun here, she would never be accepted.

Wang Xiao was Chen Ziyun's best friend!

However...

What Chen Ziyun said next almost made Wang Xiao jump.

Chen Ziyun walked up to Feng Wu, lowered his head and looked into her eyes with a smile.

"So, you're Feng Wu. I've heard so many good things about you! Who would have thought you can be so outstanding at such a young age?"

He was going to pat her on the shoulder, but when he recalled that the girl was protected by Young Lord Feng, he didn't dare touch her.

He awkwardly drew back his hand and cleared his throat, reminding himself that she was his equal, not his junior.

His teammates were astonished.

Chu Qu stared at Chen Ziyun.

What was going on? That wasn't supposed to happen!

Wang Xiao and Sun Yu looked at each other in disbelief.

"Is the captain alright?"

"Ziyun!" Wang Xiao stepped forward and frowned. "According to Qiu Zeyu, Feng Wu isn't a nice person!"

Chen Ziyun threw a dirty look at him. "According to Qiu Zeyu, is it? Do you believe everything he says? Are you an idiot?!"

Qiu Zeyu was speechless.

So was Wang Xiao.

The crowd was speechless.

Their captain had never scolded them like that before. What happened? Why did he seem so nervous?

Chapter 2764: Chastised

Of course Chen Ziyun was nervous.

Young Lord Feng cared about this girl so much that he treated her like a princess.

Wang Xiao had no idea why Chen Ziyun shouted at him. He kicked the ground with the tip of his foot and felt wronged.

Chen Ziyun gave him a stern look, but his face lit up when he turned to Feng Wu.

"M... I mean, come in, Miss Feng Wu." Chen Ziyun had almost addressed her as "my lady."

Feng Wu frowned. "Why do you believe me?"

Chen Ziyun was surprised. "Why wouldn't I?"

Feng Wu glanced at him. "Do you believe Shan Jingfei had it coming?"

Chen Ziyun nodded, "Of course she did!" He wouldn't expect any less of someone who had offended the girl Young Lord Feng doted on.

Feng Wu said, "Does that mean you believe me when I say that Qiu Zeyu is lying?"

All eyes were on Chen Ziyun.

Chen Ziyun said, "Naturally! I can't believe a single word out of his mouth!"

Qiu Zeyu was almost in tears.

Since when was he so untrustworthy? Why shouldn't Chen Ziyun believe him?

Seeing that Chen Ziyun was more clever than she thought, Feng Wu ignored Qiu Zeyu and told Chen Ziyun, "I'm here to register."

"It's our pleasure. Please come in," Chen Ziyun said respectfully.

Wang Xiao and the others were astonished.

Chen Ziyun had always been a proud and unapproachable man.

His boss was Young Lord Feng.

And Young Lord Feng's boss was the crown prince. Talk about connections.

Why did it feel like Chen Ziyuan was fawning on Feng Wu?

"Am I seeing things?" Wang Xiao rubbed his eyes and tried to convince himself otherwise.

"Wang Xiao!" Chen Ziyun called his name in a stern tone.

"Yes! Coming!"

Wang Xiao was woken up from his reverie, and he rushed into the room.

He thought Chen Ziyun was going to ask him to help Feng Wu with her registration, and he was ready to object.

However...

Wang Xiao soon realized he couldn't be any more wrong.

Chen Ziyun glanced at him and said impatiently, "What did you say about Miss Feng Wu just then?"

Wang Xiao stammered, "Well, I..."

Chen Ziyun smirked. "I'm taking Miss Feng Wu to the registration office. You stay here and reflect on what you did wrong! You're not going anywhere until you give me a satisfactory answer!"

What? Chen Ziyun was taking Feng Wu to the registration office?

Personally?

Everyone looked at one another in bewilderment.

Wang Xiao couldn't control his temper anymore. "D*mn it! Who the hell is that girl?"

Everybody shook their heads.

"I have no idea. It feels like she came out of nowhere."

Chu Qu raised his hand. "I asked around in Class B and found out something about her."

"Speak!"

The others were so curious.

“She’s supposed to be an outstanding student. She only joined the War Academy a few months ago. She started in Class E and moved up to Class B. Wait. If she’s here, that means she’s at least among the top 10 students in Class A!”

His words were met with silence.

Feng Wu’s resume was too unbelievable.

They didn’t know what to say.

Chu Qu said, “She’s so pretty and so talented. No wonder Captain Chen is so obsequious...”

“Ahem!” Sun Yu rolled his eyes at him. “Watch your language.”

Chu Qu grinned. “I’m only trying to say that Captain Chen seems to have a thing for Feng Wu.”

Chapter 2765: Teasing

The others chuckled along when they heard Chu Qu’s teasing.

“So that’s what this is about.” They looked at one another and reached a tacit understanding.

“Captain Chen is so lucky,” someone mumbled enviously.

The others nodded. If they had a beautiful girlfriend like Feng Wu, they would behave the same way.

Qiu Zeyu wanted to slap himself.

He felt like an idiot.

He had tried to slander Captain Chen’s girl. “Ziyun is going to hate me for this! My life will be so miserable!”

The thought made him shudder.

“Will I be kicked out?” Qiu Zeyu asked timidly.

The others looked at him in resignation.

Wang Xiao didn’t give up.

“Qiu Zeyu, don’t be scared! So what if she’s Ziyun’s girlfriend? He has to be just and play by the book! Don’t worry! He won’t publicly punish you for that!”

“What about privately?”

Qiu Zeyu still wanted to cry.

Everybody felt sorry for him. It was such an unlucky day for him.

“It’s all my fault! Shan Jingfei was sent to Peace Grassland because she did something wrong. She deserved the punishment. I was only trying to blame it on Feng Wu because I thought she didn’t have any connections! I should have known better!” Qiu Zeyu wanted to pull out his hair.

Wang Xiao was utterly disappointed.

“Have you given up already?”

Qiu Zeyu asked, “Will I be kicked out?”

Wang Xiao was frustrated that Qiu Zeyu was already feeling defeated.

A member of Dynasty Team should show more confidence!

He should stand his ground!

Wang Xiao no longer cared about which girl was right. He only knew he couldn't lose this fight.

Chen Ziyun took Feng Wu to Gongsun Mu.

To complete the registration, Feng Wu needed the signatures of the two vice chiefs of the academy.

One was Gongsun Mu and the other one was Zuo Qingluan.

Chen Ziyun was usually in Peace Grassland and didn't know this requirement.

“Zuo Qingluan?” Chen Ziyun frowned. “Why haven't I heard of her before? Where's Chief Zixuan?”

Gongsun Mu then told him that Chief Zixuan had gone to Peace Grassland, leaving Zuo Qingluan as her temporary replacement.

Chen Ziyun still couldn't accept it. “Is she the girl with the legendary True Phoenix Blood? Then she should be my age.”

Gongsun Mu nodded.

Chen Ziyun asked, “What's her level?”

Gongsun Mu said, “She's a Spiritual King.”

Chen Ziyun said, “At her age? That's impressive. What level is she?”

Gongsun Mu raised a finger.

“Level 1?” Chen Ziyun was shocked. “What makes her think she's good enough to be our vice chief? We're not some makeshift school!”

Gongsun Mu gave him a warning look. “Be careful with your choice of words.”

Chen Ziyun said, “A Level 1 Spiritual King just isn't good enough! She's so much weaker than you!”

Gongsun Mu said, “It's only temporary.”

Chief Zixuan said, “That's still against the rules. Chief Zixuan doesn't have the right to appoint her replacement.”

Then, he heard a voice.

Chapter 2766: She Doesn't Deserve It

Just then, someone spoke from outside.

“Chief Qingluan is His Royal Highness’s fiancée!”

It was Mr. Wang, the tutor from Class D who had a grudge against Feng Wu.

Chen Ziyun frowned at him. “What? When did that happen? No one told me that.”

Mr. Wang sounded smug. “You’ve been in Peace Grassland the whole time, and you wouldn’t have come back if it hadn’t been for the upcoming competition. Of course you wouldn’t know about it.”

Feng Wu looked at them in resignation. Fiancée? It had to be one of the rumors Zuo Qingluan was spreading.

Chen Ziyun shook his head. “I don’t buy it.”

Mr. Wang laughed. “Your opinion doesn’t matter. Miss Qingluan is the crown prince’s future wife, and you can’t change that!”

Chen Ziyun glanced at Feng Wu.

If Zuo Qingluan really was going to marry the crown prince, and Feng Wu was Feng Xun’s girl, then Feng Wu would be inferior to her in status.

He already believed that Feng Wu was close to Feng Xun.

“Feng Wu, do you know if Zuo Qingluan is His Royal Highness’s fiancée?”

All eyes were on Feng Wu.

.....

Mr. Wang shook his head. “What can she possibly know? You shouldn’t ask her.”

Chen Ziyun said, “Didn’t Feng Wu join us only a month ago? She should know what’s going on outside better than we do. Moreover...”

He looked at Feng Wu. “Moreover, you’re close to Feng Xun. You should have some inside information.”

“You’re close to Feng Xun?” Mr. Wang gave Feng Wu a strange look.

He remembered Feng Xun as a rebellious heir of an influential family. That boy was supposed to be very proud and hard to get along with.

Feng Wu nodded. “Yup.”

Mr. Wang said, “That’s impossible! Feng Xun is the young lord of Northern Feng Mansion. Why would he befriend an ordinary girl like you?”

Feng Wu glanced at him. “Because I’m pretty. Is that enough?”

That rendered Mr. Wang speechless.

What a unique argument.

Seeing Feng Wu's stunning beauty, there was nothing Mr. Wang could say.

However, he still smirked. "So what if you've won Young Lord Feng's heart? Zuo Qingluan is the crown prince's future wife! You still have to obey her!"

Feng Wu rolled her eyes again.

She couldn't be bothered by Zuo Qingluan's petty tricks, but she wasn't going to put up with Mr. Wang's mocking.

She said, "Zuo Qingluan? His Royal Highness does have a fiancée, but it's not her."

What?

Everybody in the room stared at her.

Chen Ziyun was intrigued. "Really? His Royal Highness is engaged! To whom?"

Mr. Wang smirked. "Do you think we should trust you instead of Chief Qingluan?"

Feng Wu frowned. "Is it so important to find out who the crown prince's fiancée is? I thought we were here to complete my registration."

Gongsun Mu came back to his senses.

Even he had almost forgotten about their real business here.

After he signed Feng Wu's form, he told her, "After Chief Qingluan signs it, you'll be a Class A student and a member of the seeded team."

Feng Wu frowned. "Do I have to ask for her signature?"

Gongsun Mu said, "Yes. That's the required procedure."

Chapter 2767: A Possible Level 8 Spiritual Lord

??

Feng Wu frowned. "What if she won't sign?"

Gongsun Mu smiled. "Why would she do that?"

Mr. Wang smirked. "She thinks she can get whatever she wants just because she's pretty. She's disrespectful toward Miss Qingluan and slanders Miss Qingluan behind her back. It's only natural that Miss Qingluan won't sign her form."

Feng Wu looked at him in resignation. Would it kill this man to stop criticizing her?

Chen Ziyun said, "I need to go out for a second."

He was bewildered. He didn't know what was going on with Zuo Qingluan, whom he hadn't met so far, and he had to ask Feng Xun what that was about.

He immediately left the academy.

Being the head of the Martial Arts Society not only gave him the right to treat the vice chiefs like his equal, but also gave him the privilege to use the portal at any time.

Northern Feng Mansion.

“Boss Feng! You’re here!”

Chen Ziyun was perplexed when he saw Feng Xun training at home.

Since when did Feng Xun start working so hard?

Feng Xun had no choice. Feng Wu was making such fast progress that if he didn’t hurry up, he would fall behind.

“Boss, you have amazing taste,” Chen Ziyun teased him.

Feng Xun glanced at him in confusion.

“I’m talking about Feng Wu,” Chen Ziyun explained.

He had pulled Feng Wu’s file before he came here, and he almost couldn’t believe his eyes.

What an amazing student!

Given the speed of her progress, she was good enough to be a student of Mu Jiuzhou!

Feng Xun didn’t pay much attention to Chen Ziyun at first, but his eyes lit up when Chen Ziyun mentioned Feng Wu.

It had been over a month since he last saw her, and he missed the girl.

Boss Jun had made him stay at home to cultivate. Otherwise, he wouldn’t be stuck here.

“Of course Feng Wu is amazing.” Feng Xun’s face lit up. “My girl has to be.”

Chen Ziyun was misled.

He was convinced that Feng Wu and Feng Xun really were a couple.

“I’d like to hear it, though. How’s Xiao Wu doing? What class is she in?”

Feng Xun thought that given Feng Wu’s capability, she should be in Class D already.

However, what Chen Ziyun said next almost made him jump.

Chen Ziyun said excitedly, “She’s about to join Class A and our seeded team!”

“Pffft!”

Feng Xun spat out the water in his mouth.

Class A?

He had gone to the War Academy as well and knew the rules there.

“Bullsh*t!” Feng Xun rolled his eyes at Chen Ziyun. “Even if you want to flatter Xiao Wu, you need to make it believable! I’m not an idiot!”

Chen Ziyun wiped the water on his face and said in resignation, “Boss Feng, why would I make up something like that?”

He then took out a sheet of paper and handed it to Feng Xun. “Here’s Feng Wu’s file. Have a look.”

Feng Xun’s eyes widened when he read it.

Chen Ziyun didn’t feel so defeated when he saw how shocked Feng Xun was.

It felt good that he wasn’t the only one to feel shocked.

The paper shook in Feng Xun’s hand, and he stared at Chen Ziyun. “Is everything on it true?”

The paper recorded what Feng Wu had achieved so far.

She had been in Class E at the beginning of the first month.

She was in Classes D, C, and B after that.

She got into Class A this month and was halfway through the registration.

She was also making her way into the seeded team.

Overall evaluation: She could be a Level 8 Spiritual Lord.

“A Level 8 Spiritual Lord?” Feng Xun’s eyes widened.

He had been training hard all this time.

Chapter 2768: Untitled

Boss Jun had stopped forcing him to solidify his foundation and had allowed him to make breakthroughs again.

Even so, he couldn’t make progress as fast as Feng Wu.

“It’s only been months, and she’s risen from Class E to Class A! She’s also become a member of the seeded team! I’m amazed!” Feng Xun said in admiration.

Chen Ziyun winked at him. “Boss Feng, you have impeccable taste!”

Feng Xun said with satisfaction, “Of course I do! All my family members are amazing!”

It once more confirmed Chen Ziyun’s conclusion that Feng Wu was Feng Xun’s girlfriend.

They were talking about the same person, but completely different relationships.

“I have a question, Boss Feng.” Chen Ziyun wasn’t here just to sing Feng Wu’s praises.

“Is His Royal Highness engaged?” Chen Ziyun probed.

“Where did you hear that?” Feng Xun glanced at him. “I thought you were in Peace Grassland the whole time.”

Chen Ziyun said, “I heard about it as soon as I got back. She’s a student in the academy, isn’t she?”

Feng Xun said matter-of-factly, “That’s right.” He thought Chen Ziyun was referring to Feng Wu.

Chen Ziyun looked stunned and then sighed. “So, it really is her.”

.....

Feng Xun said, “Who else can it be?”

Chen Ziyun seemed disappointed.

Feng Xun was alarmed. “You’re not in love with her, are you?”

Chen Ziyun shook his head. “Of course not! I haven’t even met her! Why would I be in love with her? I just think no girl is good enough for His Royal Highness.”

Feng Xun was perplexed.

Why was Chen Ziyun saying he had yet to meet her? He had been talking about her just a minute ago!

She was halfway through registration. He had definitely met her already!

Something didn’t feel right.

“Which girl are you referring to?” Feng Xun asked.

Chen Ziyun was confused by the question. “Isn’t it Miss Zuo Qingluan?”

Feng Xun snapped, “Bullsh*t! That’s the scariest thing I’ve ever heard!”

What?

What? Why was it scary?

Chen Ziyun scratched his head. “Isn’t Miss Zuo Qingluan the crown prince’s future wife? Mr. Wang was so certain.”

“Of course not! She’s never going to marry Boss Jun! That’s total bullsh*t!” The thought of Zuo Qingluan upset Feng Xun. “She’s making a big deal out of their childhood friendship. Marry the crown prince? She must be dreaming!”

Feng Xun then thought of Feng Wu’s current level and panicked slightly.

If he didn’t hurry, she would be more capable than him in no time!

He had to start cultivating now!

“You should get going. That’s enough gossip for one day. I’m going into seclusion now; make sure you protect my girl. Don’t bother me unless it’s really important.” Feng Xun then pushed Chen Ziyun out of his room.

Chen Ziyun was still in shock when he walked into the portal.

It wasn't Zuo Qingluan!

Feng Xun had confirmed it!

Gosh! How dare Zuo Qingluan spread that rumor? Wasn't she afraid that His Royal Highness would expose her lie?

Ding!

The sound signaling that he had returned to the academy woke him up from his stupor.

"Oh, gosh!"

Chen Ziyun smacked his forehead when he realized something. "His Royal Highness's fiancée is in the academy, but who is she?"

Why hadn't he asked Feng Xun? Chen Ziyun felt so foolish.

He wanted to ask Feng Xun now, but he recalled what Feng Xun had just said.

He said he was going into seclusion and didn't want to be disturbed.

But Chen Ziyun was so curious!

Chapter 2769: Untitled

Chen Ziyun tried to figure it out on his own.

If Feng Wu wasn't Young Lord Feng's girl, then...

An idea suddenly struck him.

OMG!

Could it really be her?

He had heard that rumor before but hadn't thought much of it.

He had asked Huo Shan to protect Feng Wu only as a precaution.

If Feng Wu really was the fiancée... Chen Ziyun was thrilled.

1

That was very possible!

After all, Feng Wu was so beautiful and talented. The idea made Chen Ziyun's face light up.

...

He quickly went back to the academy and was on his way to find Feng Wu.

Beep!

He was being paged through his badge.

“Yes, Mr. Gongsun,” Chen Ziyun replied.

“Come to my office now.” Gongsun Mu’s tone sounded urgent.

Chen Ziyun was immediately on his way. He ran into Feng Wu before he got there and asked curiously, “Why are you here?”

Feng Wu gestured at her badge.

Every student had a badge, but students in Classes C, D, and E couldn’t communicate with theirs, and could only use it to send out distress signals.

Only students in Classes A and B could communicate via their badges.

However, the range only covered the campus and some parts of Thousand Night Forest.

According to the official explanation, that was the furthest the signal could extend.

Chen Ziyun’s face lit up when he saw Feng Wu, and he almost blurted out, “Feng Wu, are you her?!”

However...

He forced himself to calm down. “You’re a captain, so act like one!” Chen Ziyun reminded himself.

Chen Ziyun’s gaze made Feng Wu uneasy.

“Is there a problem?”

Chen Ziyun said, “No! It’s nothing! Don’t worry about Zuo Qingluan’s signature. No one will make trouble for you.”

Feng Wu said, “I’m not worried.”

Chen Ziyun patted his chest. “Leave it to me! You’ll be fine!”

Feng Wu nodded.

Chen Ziyun glanced at her and asked tentatively, “We haven’t heard from His Royal Highness in a while, have we?”

Feng Wu said grumpily, “How’s that any of my business?”

Chen Ziyun thought, That’s so cold!

According to Feng Xun, you’re the crown prince’s future wife!

He began to wonder if she really was the fiancée.

He was still wondering, when they arrived at Gongsun Mu’s office.

Gongsun Mu wasn’t alone. There was another person in the room.

Gongsun Mu treated him the same way he treated Elder Mei.

“Elder Wu, Chen Ziyun is here,” Gongsun Mu said respectfully.

Elder Wu was very old. His hair was all white, and his skin was spotty with age.

He nodded and looked at Chen Ziyun. “Follow me, then.”

Chen Ziyun seemed to know the old man and showed him much more respect than he did toward Gongsun Mu.

“Elder Wu, why are you here?” Chen Ziyun was confused.

Gongsun Mu explained, “We’re facing two issues.

“First of all, the members of the Military Academy’s team have made great progress. If everything goes as planned, we’re bound to lose the competition.”

Chen Ziyun was surprised. “Really?!”

Gongsun Mu nodded. “Yes. Something incredible happened to them, and they all rose by one or two cultivation levels.”

Chapter 2770: Untitled

“They’re all one to two levels higher than before. You’re bound to lose the competition next week.

“Therefore, we must give you special training.

“We’re also lucky in a sense that the Secret Essence Mine suddenly showed up.

“You’ve all trained in the gravity training room before, so that place is no longer as effective for you.

“The Secret Essence Mine has ample spiritual essence and is supported by a formation. It’s great for training. You’ll be able to make significant progress in a short time.

“Therefore, you’ll be training in the Secret Essence Mine this week.”

Gongsun Mu then turned to Chen Ziyun. “Elder Wu will tell you how the training session will be carried out.”

Elder Wu would be their training officer this time. He would be in charge of training and protecting them.

Chen Ziyun was thrilled to hear that Elder Wu was going to train them. “Great! I’ll inform my team members now. We’ll leave in five minutes!”

Elder Wu was pleased with his efficiency.

...

While they were waiting, Chen Ziyun asked Gongsun Mu, “What about Zuo Qingluan? Is she coming?”

Gongsun Mu said, “She’s already inside the Secret Essence Mine with Elder Mei.”

Gongsun Mu had to admire Zuo Qingluan.

When she set her mind on something, she would always do it.

When she realized that Elder Mei was an expert in formations, she started following him around and behaved like a hardworking student.

Gongsun Mu was sure that once she couldn't learn anything new from Elder Mei, she would abandon the old man like a used shoe.

She was so pragmatic that Gongsun Mu didn't want to get close to her.

Chen Ziyun frowned. "In that case, how about Feng Wu stays behind?"

The Secret Essence Mine was too dangerous, and Feng Wu's team was only a backup. She probably wouldn't need to have anything to do with it in the competition.

Gongsun Mu was about to agree, when Elder Wu shook his head. "She's coming with us."

Feng Wu was confused. She didn't really want to go. Why did the old man insist?

Elder Wu didn't explain. He put his hands behind his back with an enigmatic look on his face.

Chen Ziyun, Feng Wu and Gongsun Mu didn't know what to say.

The team members soon arrived.

These included Chen Ziyun, Sun Yu, and Wang Xiao from the varsity team, the latter released from his confinement.

All the members of the junior varsity team were there as well.

"Elder Wu, all ten people are here. Are we leaving now?"

"Let's go!"

In the Secret Essence Mine.

Elder Mei had stopped the wind outside earlier, and the two elders had a special way to communicate.

Before long, the two groups of people got together.

Elder Wu went to talk with Elder Mei.

As for the rest...

Zuo Qingluan and Mr. Xu were with Elder Mei.

Zuo Qingluan didn't want to see Feng Wu here.

However, she wasn't going to lose her temper in front of so many people.

Instead of being hostile, she smiled at Feng Wu. "You're here."

Feng Wu was alarmed. Zuo Qingluan had never smiled at her before.

Chen Ziyun was reminded of what he had heard, and felt a chill run down his spine.

“Hello, Chen Ziyun.” Zuo Qingluan greeted him with a stern, authoritative tone.
