Chapter 2831: Competition (6)

Zhao Si grabbed Lian Xiao's legs and wouldn't let go.

Lian Xiao snapped his fingers, trying to loosen his grip and throw him off the stage.

It didn't work.

Even with his fingers broken, Zhao Si still wouldn't let go.

How incredible!

He was so stubborn!

Lian Xiao started punching him.

Zhao Si spat out mouthfuls of blood, but he still wouldn't let go.

He only knew one thing.

He couldn't lose!

He couldn't let Lian Xiao defeat all four of them!

The audience had risen to their feet. They were astonished by Zhao Si's persistence.

"Stop." Feng Wu frowned. "Zhao Si, you've lost. Come off the stage."

Lian Xiao was relieved.

His opponent was so stubborn that he didn't know what to do.

Zhao Si glanced at Feng Wu and shook his head.

He wouldn't give in.

He had a mission.

Feng Wu went up on the stage and whispered in Zhao Si's ear. "Don't worry. I'll defeat all five of them. Trust me!"

Zhao Si saw the look in Feng Wu's eyes and stopped resisting.

He was finally drained of energy.

Something snapped in his head.

He fell into Feng Wu's arms and passed out.

Feng Wu handed him to Li Zhan, rose to her feet, and stared at Lian Xiao.

The audience was crestfallen.

They thought they were going to lose.

No matter how talented Feng Wu was, she had only just joined the team.

The other three were all her seniors. Even they had lost so miserably – what would happen to Feng Wu?

“Can she even withstand one blow?” somebody asked.

No one answered.

Deep down, they thought the same.

“Gongsun Mu, I thought your team would improve after a year. I see they’ve become even weaker!

“Lian Xiao is the weakest member in our team,” Chu Yun said in satisfaction. “He’s not even the best student on the junior team.

“If he defeats all four students, your school will lose all its reputation.

“How about you ask me nicely? Maybe I’ll show some mercy and let Lian Xiao spare one of your players.

“I was so unlucky when I was with you, but my luck turned around after I left you. Gongsun Mu, you’re such a loser.”

Chu Yun was so pleased.

If she had a tail, she would be wagging it now.

Feng Wu heard her, and she glanced at the woman.

Chu Yun met Feng Wu’s gaze, her expression harboring some malicious intentions.

“You’re quite a nice-looking girl. If you give up now, I’ll let you study at the Military Academy. How would you like that?” Chu Yun asked in a matter-of-fact tone, because she was so sure that Feng Wu would say yes.

She wasn’t usually like this, but she was so excited to defeat her old employer that she had forgotten herself.

She wanted to say whatever came to her mind.

Chapter 2832: Competition (7)

She smiled at Feng Wu and waited for a yes.

All eyes were on Feng Wu.

Would she...

The students were so worried.

Feng Wu beamed at Chu Yun. “Screw you!”

Chu Yun felt as if she had just been slapped.

The smile froze on her face.

The audience was speechless.

So were Feng Wu's teammates.

Gongsun Mu didn't know what to say.

Everyone was dumbfounded.

She cursed!

The most beautiful girl had just smiled and used profanity. It was the most astonishing thing many people had ever seen.

Chen Ziyun couldn't believe his ears.

He buried his face in his hands and thought, "Oh no, if the crown prince finds out what his girl said, will he kill me?"

Meanwhile, Lian Xiao was staring at Feng Wu.

He even forgot to blink.

"I'm Feng Wu, the captain of the junior team. Good luck." Feng Wu was ready for battle.

However, Lian Xiao was still dumbfounded.

His mind had gone blank.

It was her!

How could she be the captain of the junior team?

He should have looked more closely at that team!

Lian Xiao wanted to slap himself.

How could he be so stupid?

How could he brag that he could defeat all four of them?

No...

"Are you a student?" Lian Xiao's voice trembled.

Feng Wu nodded. "Yup."

Lian Xiao said, "And you're the captain?"

Feng Wu nodded. "Yup."

Chu Yun stared at Lian Xiao. "Kick her off the stage!"

She was furious at what Feng Wu had said to her.

However...

Lian Xiao bowed at Feng Wu and said, "I'm so sorry. I've lost."

3

He turned to walk off the stage after that.

Chu Yun was utterly confused.

Apart from Feng Wu, everybody was equally confused.

They had no idea what was going on.

Everybody was asking questions.

"What happened?"

"Isn't Lian Xiao very capable? He said he was going to defeat all four of our players! Why did he just admit defeat?"

"Is it because Feng Wu is so pretty?"

"What's that supposed to mean? Are you saying Feng Wu only has a pretty face?"

Everybody was discussing it avidly, but they all looked cheerful because the other player had just admitted defeat.

Chu Yun was infuriated.

She grabbed Lian Xiao when he walked past her.

"What was that for?!" She glared at him.

Lian Xiao smiled bitterly. "I lost."

"No, you didn't!" Chu Yun bellowed. "You didn't even fight her!"

Lian Xiao shook his head.

Of course he didn't fight her. If he did, he would be dead.

"Go back there and fight her!" Chu Yun wanted to drag Lian Xiao back onto the stage.

Lian Xiao's face went white.

"I can't, Ms. Chu! I'm not her match!" Lian Xiao said anxiously.

Chapter 2833: Competition (8)

Chu Yun stared at Lian Xiao. "You've met her before."

Lian Xiao nodded.

Chu Yun asked, "Did she defeat you?"

Lian Xiao said, "No, she saved us."

He wanted to point out that Feng Wu had saved more than just him, but Chu Yun didn't hear him.

She only asked, "Are you really not going to fight?"

Lian Xiao said, "No, not even if you kill me! I'm not her match."

He still remembered Feng Wu's red dress and flashing sword. She was so powerful that he had turned into her fan.

Since her team still had four more players, Chu Yun didn't insist.

She cut Lian Xiao loose.

Lian Xiao immediately ran back to his seat.

"Lou Mo, it's your turn," said Chu Yun.

Lou Mo didn't want to fight.

He had spotted Feng Wu before Lian Xiao did.

He was dumbfounded when he saw her face.

What the heck?!

Wasn't their savior's name Zuo Qingluan?

As it turned out, their savior was Feng Wu and the captain of the junior team!

Lou Mo wanted to cry.

Even if she weren't their savior, he still wouldn't fight her. He remembered the way Feng Wu killed countless Spirit Stone Worms with a single strike.

"Lou Mo!" Chu Yun stared at Lou Mo and urged him.

Lou Mo looked at his teammates.

Ma Hao, his best friend, seemed to be studying the pattern on the back of the chair.

No one wanted to get into trouble.

"Lou Mo!" Chu Yun was furious.

She thought, "What's going on? Are they like this because that girl is too pretty?"

Seeing that Chu Yun wanted to drag him onto the stage, Lou Mo had no choice but to enter the arena.

He walked as slowly as he could.

Chu Yun grabbed his shoulder when he walked past her. "Defeat her!"

Lou Mo didn't know what to say. It was an impossible task!

He gave Chu Yun an indescribable look.

He rushed to Feng Wu's side before Chu Yun could react.

Lou Mo did the same thing as Lian Xiao.

He bowed at Feng Wu. "I give up, my savior."

After that, he ran back to his seat.

He even ran off the stage from Imperial College's side because he didn't want to get scolded by Chu Yun.

Chu Yun wanted to kill him.

He had given up!

Another one!

She didn't know what the boys were thinking.

Meanwhile, the audience was equally dumbfounded.

"What's that about?"

"Am I blind, or has the Military Academy gone mad? Two of them gave up without fighting."

"Is her pretty face so useful?"

They were so confused.

Members of the Dynasty Team were also perplexed.

What the heck?!

Wang Xiao was almost too surprised to speak. "How did she do that?!"

Li Zhan said, "Our opponents are very powerful."

Sun Yu said, "Did he just call Feng Wu his savior?"

"Is that it? Feng Wu helped them before, so they don't want to fight her."

Chapter 2834: Competition (9)

Li Zhan said, "This is great! They're two men down, and we won't lose so miserably."

Chen Ziyun shook his head. "Can't you be a little more ambitious?"

Wang Xiao looked at his captain. "For example?"

Chen Ziyun said, "For example, why can't we win this battle?"

Wang Xiao didn't know what to say.

“Captain Chen, please wake up!” Wang Xiao pointed at the stage with a trembling finger. “Can’t you see what’s going on?”

“They’re doing us a favor!”

“They called Feng Wu their savior, which means she helped them before.

“Because of that, they want to return the favor and don’t want to embarrass Feng Wu. That’s why they gave up!”

“Do you think they’ll keep doing that? Do you think they’ll keep letting her win?”

“Even if they want to, the other team members won’t let them!”

“She couldn’t have helped all five of them!”

“Just wait and see! She’ll be crying in a moment! They’re going to kick her off the stage!”

Wang Xiao was very certain.

However, Ma Hao, the third player, disappointed Wang Xiao.

“My savior, I give up.” Ma Hao bowed to Feng Wu and ran off.

Chu Yun was speechless.

Wang Xiao didn’t know what to say.

The rest of the crowd was equally silent.

The fourth was Wang Ze.

He replicated what his teammates did and happily ran off the stage.

He seemed so relieved.

To say everybody was astonished was an understatement.

Four players!

Four players had thanked Feng Wu, and Lan Xuefeng, their captain, was the only player left.

Dynasty Team looked at Lan Xuefeng expectantly.

They thought he would do the same.

Chu Yun was furious.

She had thought her team would win.

She never thought they would lose!

However, things had turned out quite the opposite.

It was awful!

Chu Yun looked at the girl on the stage.

Feng Wu stood there in an indifferent manner, as if she deserved those players' thanks. Chu Yun couldn't believe it!

She turned around and stared at Lan Xuefeng. "If you give up, I'll make your life a living hell!"

Lan Xuefeng smiled bitterly.

He only had two choices.

He could let Feng Wu kill him.

Or Chu Yun would do it.

Lan Xuefeng took a deep breath and walked onto the stage.

"He's here!"

The audience was so nervous, especially Ye Han, Sun Jingyu and the other students who knew Feng Wu well.

"I heard Lan Xuefeng is quite capable! He's good enough to go to the varsity team, but he didn't!"

"Do you think he'll give up like the others?"

"I hope so!"

They all hoped Lan Xuefeng would admit his defeat without fighting.

However...

They were taken by surprise.

Lan Xuefeng walked up to Feng Wu and smiled bitterly. "My savior, it's nice to see you again."

Chapter 2835: Competition (10)

His savior...

"Did you hear that? He called her his savior!" Ye Han almost jumped to her feet.

The last four players who had called Feng Wu that had all given up.

Everybody stared at Lan Xuefeng with twinkling eyes.

Feng Wu nodded with an expressionless face.

Lan Xuefeng shook his head. "I'm sorry about this. Ladies first."

What?

The audience let out surprised cries.

Feng Wu was doomed...

He didn't give up!

Why did he want to fight her?

Why wasn't he admitting defeat?

"What did I tell you? They did that on purpose!" Wang Xiao smirked. "The other four players gave up first to return the favor, then their captain will defeat Feng Wu!

"You celebrated too early! We all knew how this would end!"

Nobody could respond.

They all thought Lan Xuefeng was much better than Feng Wu.

Chen Ziyun was the only one who knew the truth, but he wouldn't say anything.

"Even if Feng Wu loses, it's still much better than before, isn't it?" Sun Yu snapped. "They could have defeated all four of us with one player! Feng Wu eliminated four players, right?"

He was right, but the team members still wished they could win.

They didn't dare watch the battle.

Because...

They didn't want to see their team lose.

Right at that moment!

Thump!

There was a loud noise.

.

Something heavy landed on the ground.

It was a person!

"Lan Xuefeng has crossed the line! Feng Wu is a girl and his savior! How could he fling her away like that?!"

Everybody looked up to see how badly Feng Wu had been injured.

What they saw were the astonished looks on the faces of Chu Yun, Gongsun Mu, and everybody else.

...

Feng Wu was still on the stage!

Her clothes were as neat as ever, and there wasn't a scratch on her!

Who fell off the stage?

Everybody looked in that direction.

Somebody was lying on the ground.

They saw his face.

“Lan Xuefeng?”

“Captain Lan Xuefeng?”

“He was thrown off the stage!”

“It wasn’t Feng Wu!”

“What’s going on? Am I seeing things?”

“No, you saw correctly. Feng Wu kicked Lan Xuefeng, and he flew off the stage before falling on the ground.”

...

Everybody fell silent.

They were trying to digest the information.

Chu Yun jumped to her feet. “That’s not fair! She’s cheating!”

She charged at Feng Wu and tried to grab her.

Feng Wu smirked.

If this woman wanted a battle, she would give her one!

However, somebody blocked Chu Yun’s way before Feng Wu could make a move.

Gongsun Mu shielded Feng Wu behind him and blocked Chu Yun’s attack.

Thump! Thump! Thump!

Chapter 2836: Competition (11)

“Stop!” A voice stopped the fighting.

“If you’re so desperate to fight, why don’t you go to Peace Grassland?!”

Elder Wu suddenly showed up and scolded Gongsun Mu and Chu Yun.

Gongsun Mu backed off silently.

Chu Yun wouldn’t have it.

“The students used to be so decent when I was here! They’re cheating now!”

Elder Wu was displeased. He didn’t like this woman, who had cheated on her husband before abandoning him.

He asked, “Who cheated? How did they do it? What makes you think they cheated?”

The three questions rendered Chu Yun speechless.

She was certain Feng Wu had cheated.

Otherwise, why would her students let her win?

But how had Feng Wu cheated?

She couldn't tell Elder Wu that Feng Wu had cheated by using her pretty face.

That would sound ridiculous.

Seeing that Chu Yun couldn't give an answer, Elder Wu frowned. "If you don't have any evidence, you're slandering other people. Chu Yun, you're still the same after so many years!"

Chu Yun flinched a little.

She couldn't help but feel intimidated by Elder Wu. Back when she taught in Imperial College, Elder Wu had been her direct superior.

Elder Wu turned to Gongsun Mu. "Is the competition over?"

"Yes." Gongsun Mu woke up from his reverie.

He was still perplexed by the result.

"Why haven't you made the announcement?" Elder Wu rolled his eyes at Gongsun Mu.

"Yes! Right!" Gongsun Mu was reminded of what he needed to do.

He cleared his throat and announced, "Imperial College has won the junior team competition!"

1

The audience was perplexed for a few moments before they realized what they had heard.

"We won!"

"I can't believe it! We won!"

"I thought that one player was going to defeat all four of ours, but we won the competition!"

"OMG!"

...

After the initial astonishment, the audience applauded.

Only one-third of the seats were occupied, but the clapping was louder than a full house.

The students were flushed with excitement.

Someone stood at the back.

It was Qiu Zeyu.

He never left.

He headed for the exit after falling out with his team.

He thought Feng Wu would give in, but she didn't.

He thought Chen Ziyun would ask him to return, but Chen Ziyun didn't.

He then hoped the other team members would say something, but that never happened either.

Qiu Zeyu hadn't wanted to leave like that.

He doubled back before he had even gone a few hundred meters.

He stood behind all the seats and wanted to watch his team lose.

He wanted to see everybody blame Feng Wu.

He wanted to see Chen Ziyun regret his decision.

He had imagined how Feng Wu would beg him to come back, but reality slapped him in the face.

Weren't all the students from the Military Academy supposed to be geniuses?

Why did this happen?

How could they be so weak?

How could they lose?

Qiu Zeyu was so angry he almost fainted.

Chapter 2837: Competition (12)

Nobody paid any attention to Qiu Zeyu. They were all looking at Feng Wu, their hero.

She was already stunning, and now, she had won a great honor for Imperial College. Her popularity among the students soared to a new height.

At the very least, all the spectators here were impressed.

After they left the arena, they all shared the exciting news with their friends.

At the same time...

Only a few people were left in the arena.

They were the team members from both schools.

There was also Chu Yun, Gongsun Mu and Elder Wu.

Chu Yun's face was livid.

She glared at Feng Wu so hard that she wanted to poke holes in the girl.

Feng Wu wasn't intimidated at all. She even smiled at Chu Yun.

Chu Yun felt like punching the wall.

She turned to Gongsun Mu. "Those were only the junior teams! The main competition will be tonight!"

Gongsun Mu nodded indifferently.

Chu Yun glared at her team. "Let's go!"

Chu Yun had planned to stay on campus with the team, but given what had happened, she would rather stay in a tent than stay here.

She didn't stop until they reached the mountain at the back of the school.

She glared at Lan Xuefeng. "Why did you let her win? You can tell me the real reason now!"

Lan Xuefeng clutched his chest and smiled bitterly. "I didn't."

"How dare you lie to me?!" Chu Yun wanted to slap him.

Lan Xuefeng closed his eyes and repeated, "I didn't. She didn't need such a favor either."

Lian Xiao looked at Chu Yun. "Haven't you realized how capable our fairy is?"

Their fairy?

Chu Yun was infuriated by the way Lian Xiao addressed the girl.

She scolded him. "What fairy? Use her proper name!"

Lian Xiao said, "Feng Wu didn't just save our captain. She saved all of us."

Lian Xiao nodded when he saw how shocked Chu Yun was. "We were surrounded by Spirit Stone Worms in the Secret Essence Mine, and they were going to kill us. Then the f... I mean, Feng Wu suddenly appeared, killed all the worms, and saved us."

Chu Yun's face darkened. Lan Xuefeng had mentioned that before.

"Didn't you say it was Zuo Qingluan, the owner of the True Phoenix Blood, who saved you?" Chu Yun frowned.

Lian Xiao shook his head. "That was what we thought at first. After all, we were told there were no Spiritual Kings among the Imperial College students. So, when we heard Zuo Qingluan's name, we thought she was our savior.

"We only knew it was Feng Wu when we saw her on the stage today," Lian Xiao said in a tender tone.

She was his goddess!

Chu Yun didn't like the look in Lian Xiao's eyes when he said Feng Wu's name.

She turned to Lan Xuefeng and wanted to tell Lan Xuefeng to discipline his teammate.

However...

She saw the same look on Lan Xuefeng's face.

Chu Yun was astonished.

Chapter 2838: Competition (13)

When she looked at the other three team members, she saw the same looks on their faces.

“You... You...” Chu Yun was furious.

Although these five students weren’t the most capable in the Military Academy, they had great potential. She was so disappointed.

“Are you all in love with her?” Chu Yun’s face was livid.

They didn’t deny it.

Chu Yun bellowed, “How dare Feng Wu seduce my students? I’ll kill her!”

Lan Xuefeng and the other four boys grew anxious.

“You can’t do that!” Lan Xuefeng blocked Chu Yun’s way.

Chu Yun was even angrier. “If you all like her, she’ll create a wedge between you! None of you can have her!”

Lan Xuefeng smiled bitterly. “Why do you think we’re good enough for her?”

Chu Yun said, “What do you mean?”

Lian Xiao said, “She’s too good for us.”

Chu Yun said, “What?!”

The other three boys said, “We fancy her the way one would fancy a fairy. We only want to admire her from afar. We’ve never wanted more than that.”

Chu Yun was dumbfounded.

“What’s that supposed to mean? Admire her from afar? Who does she think she is?”

Lian Xiao looked into her eyes and said sternly, “Ms. Chu, there’s something I’ve been meaning to tell you, and it’s been bugging me and affecting my cultivation, so I’m going to say it.”

Chu Yun was perplexed.

Lian Xiao said, “I like her and consider her my goddess. That’s my own choice and my business. I don’t like it when other people tell me what to do.”

Chu Yun wanted to say something, when Lian Xiao added, “Especially when they say it’s for my own good.”

Chu Yun felt like she had been slapped.

After being humiliated by Feng Wu, she was humiliated once more, and by her own students!

Lan Xuefeng nodded. "She's my goddess, and I won't let anyone criticize her!"

The other three boys stared at Chu Yun and nodded solemnly as well.

Chu Yun was astonished.

She couldn't understand what was happening.

If she had been born in Feng Wu's previous life, she might have found these boys' behavior familiar; fans would do anything to defend their idols.

She said hurriedly, "You're still too young to understand! I'm only trying to help you!"

Lan Xuefeng and the others looked at one another, and all seemed bored.

Seeing that the boys wouldn't talk to her, Chu Yun got even angrier. "No matter how much you like her, you shouldn't have let her win! This is such an important competition!"

"Ms. Chu Yun!" Lan Xuefeng raised his voice. "I don't know if you didn't hear us or you're pretending you didn't. Let me say it again: We didn't let her win! She didn't need that!"

"She's very capable! She's at least a Spiritual King!"

"The five of us can't defeat her together, let alone in a 1v1 battle!"

"She didn't attack us, and that was very kind of her. Do you understand now?"

Everybody fell silent after Lan Xuefeng gave that little speech.

Chapter 2839: Competition (14)

Chu Yun stood there, dumbfounded.

She had heard Lan Xuefeng earlier, but hadn't wanted to accept the truth.

Now that Lan Xuefeng was forcing her to accept reality, she was furious.

"What's going on?" someone interjected.

It was a familiar voice.

They turned around and saw that it was the varsity team.

Sheng Changtian's face was livid.

Behind him were his four teammates.

They quickly walked over and stepped between Chu Yun and Lan Xuefeng.

Sheng Changtian looked from Chu Yun to Lan Xuefeng, and his face turned dark.

"What did you do?" His eyes were filled with fury.

Chu Yun snorted and didn't answer.

Sheng Changtian turned to Lan Xuefeng. "Answer me! How did you lose a battle that we should have won?!"

The two teams had arrived together.

During the junior team competition, the varsity team went to walk around the campus, as if they were looking for something.

They thought their junior team was so much better than Imperial College's, and would definitely win the competition.

However, they received the news when they were still walking around.

The Military Academy's team had lost the competition.

What?!

Sheng Changtian couldn't believe his ears, and had come back in a hurry.

"You really lost, then?" Sheng Changtian glared at Lan Xuefeng.

Lan Xuefeng found Sheng Changtian scarier than Chu Yun.

So, he nodded silently.

Sheng Changtian said, "Why did you lose?"

Lan Xuefeng said, "She's better than me."

Sheng Changtian frowned and stared at him.

Lan Xuefeng nodded. "Feng Wu is a Spiritual King."

Sheng Changtian asked, "Who's that?"

He had never heard of that name before.

He turned around and looked at his four teammates.

Lv Haobei, Lu Qinghe, Tang Mingjiang and Xun Jinyuan looked at one another before turning to Sheng Changtian and shaking their heads. They didn't know who that was either.

Lan Xuefeng smiled bitterly.

If Feng Wu hadn't saved them, they wouldn't have noticed her either.

"She's really good," said Lan Xuefeng. "She may be even better than Captain Sheng."

Lv Haobei laughed.

He glanced at Lan Xuefeng. "Have you forgotten which team you're in? No wonder Ms. Chu is so angry."

Lan Xuefeng didn't know what to say. He had seen Feng Wu fight – anyone who did would know how terrifying her swordplay was.

“What technique does she use?” Sheng Changtian asked.

Lan Xuefeng still remembered the elegant way Feng Wu moved, and he blurted out, “She doesn’t have any technique. She only uses one stance from the beginning to the end.”

He was telling the truth, but the proud Sheng Changtian wouldn’t believe him.

“That’s enough. She’s just a Spiritual King, and you’re making her sound more than she actually is.” Sheng Changtian and the others thought Lan Xuefeng only said that because he wasn’t a Spiritual King himself and didn’t know what Spiritual Kings were like.

They thought he would find all Spiritual Kings unfathomably powerful.

Chapter 2840: Competition (15)

Sheng Changtian said to Chu Yun, “It’s just a battle between the junior teams. It’s no big deal. We can defeat them in the varsity team battle.”

Chu Yun thought the same and was relieved.

“Let’s get something to eat.”

While the group from the Military Academy calmed down, Imperial College was still feeling overjoyed.

In the arena.

“Feng Wu! Feng Wu! You’re amazing!”

Chu Qu ran around Feng Wu like a puppy.

He was so thrilled that he couldn’t stop smiling.

“Feng Wu, how can you be so amazing?”

“They must have all been stunned by your beauty!”

Chu Qu almost couldn’t form a coherent sentence.

The other team members were more sensible than he was and knew it had nothing to do with Feng Wu’s beauty.

“Did you meet them before?” Sun Yu asked curiously.

Feng Wu nodded.

Sun Yu said, “They called you their savior. Did you help them?”

Feng Wu nodded. “Yup.”

Sun Yu asked, “When? Why don’t we know about it?”

Feng Wu said, “It was in the Secret Essence Mine.”

She then added, “They were surrounded by Spirit Stone Worms and were almost killed. I killed the worms for them and gave them a paper crane.”

“You really saved their lives!” Chu Qu stared at her in amazement. “Would they have died if you hadn’t helped them?”

Feng Wu said, “Yes, they would have.”

Chu Qu said, “Are you saying you can defeat all five of them?”

Feng Wu said matter-of-factly, “Yes, I can.”

She sounded very serious.

And the crowd was speechless.

It was only then that they realized how capable she was.

“What’s your level now?” Chu Qu asked tentatively.

“I’m a Spiritual King.” Feng Wu didn’t try to hide it.

“Ssss!”

Everyone sucked in their breaths.

A Spiritual King?

Feng Wu was a Spiritual King!

If that was the case, of course she could defeat Lan Xuefeng and his four teammates.

“OMG!”

“Feng Wu, are you even human?”

“How long has it been since you joined the academy? You’ve only just risen to Class B!”

“Didn’t you just join our team?”

“You’re already one of the two Spiritual Kings we have!”

“That is to say, you’re the second-best player on the team!”

Her teammates were shocked by this piece of information.

However, they were soon ecstatic!

Chu Qu couldn’t control his excitement, and said whatever was on his mind.

“Do you remember how Qiu Zeyu left us at a critical moment?”

The others had forgotten about Qiu Zeyu until Chu Qu brought him up.

What they didn’t know was that Qiu Zeyu was standing behind them in the doorway.

He was trying to figure out how to quietly sneak back in and beg Chen Ziyun to forgive him. However, he heard his name before he stepped into the room.

He didn't know if he should walk in or leave, so he just stood there.

He wanted to know what his teammates thought of him.

Everybody was busy condemning him at that moment.

"Do you remember how Feng Wu suppressed Qiu Zeyu? That means Qiu Zeyu knows how capable Feng Wu is!" Sun Yu was the first to realize what had happened.
