Chapter 2861: Jun... (3)

Jun Linyuan hadn't come alone.

He had a few people with him.

Feng Xun and Xuan Yi were by his side, followed by Feng and a few others.

Gongshu Hongzhu moved closer and wanted to greet Jun Linyuan, when Feng Xun frowned. "General Gongshu, outsiders must stay two meters away from His Royal Highness."

Only people like Feng Xun and Xuan Yi could stay within a meter of him.

!!

Gongshu Hongzhu's smile stiffened.

He wasn't discouraged. Instead, he took a step back and smiled at Feng Xun. "Thank you for your reminder, my lord. Your Royal Highness, this way, please."

To the students, Gongshu Hongzhu was a supreme figure.

However, Gongshu Hongzhu was nothing compared with Jun Linyuan.

He hardly ever had a chance to meet Jun Linyuan, let alone approach him. Being a judge this time had given him a great opportunity.

From the moment he walked in, Jun Linyuan didn't look at anybody.

He would only glance in a certain direction every now and then.

"Hey!" Chen Ziyun tugged at Feng Wu's sleeve. "Do you think His Royal Highness has been looking in our direction?"

Feng Wu said decisively, "No!"

Chen Ziyun gave her a strange look. "No? Are you sure?"

Feng Wu repeated, "Definitely not!"

Chen Ziyun was confused. "I really don't understand you."

It was obvious that the crown prince had been looking this way.

Suddenly, he felt a chill run down his spine.

He looked up and was frozen on the spot.

OMG!

The crown prince was looking at him!

No. To be more precise, the crown prince was glaring at him.

“Captain, what’s wrong?” Sun Yu was perplexed.

“I, I...” Chen Ziyun couldn’t form a coherent sentence.

He was panic-stricken.

A thought struck him.

Thump! Thump! Thump!

He took a few steps away from Feng Wu.

The power that threatened to crush him suddenly disappeared.

He had guessed correctly.

The crown prince really had a thing for Feng Wu!

Feng Wu was perplexed. “Why are you moving away? Come over here.”

Chen Ziyun waved his hand in a fluster. “I’m sweating. I’ll just stand over here.”

Feng Wu was about to walk to his side, but Chen Ziyun waved his hands repeatedly. “Please don’t come near me! I can just stand here! Really!”

If Feng Wu moved any closer, he would burst into tears.

Feng Wu frowned and wondered what was wrong with the man.

Just then, Chu Qu jumped out of nowhere.

“Xiao Wu! Xiao Wu!”

He made a gesture, trying to put his arm around Feng Wu’s shoulder.

It was only a gesture because he knew Feng Wu would react quickly and dodge his arm.

Chen Ziyun watched in horror.

All he could think of was Chu Qu’s miserable death.

It was too late to stop him!

Chen Ziyun stuck out his foot and stuck it between Chu Qu’s legs.

With a thump, Chu Qu fell to the ground, face first.

Chu Qu was speechless.

He didn’t know how that had happened.

Chapter 2862: Jun... (4)

Chen Ziyun then looked in Jun Linyuan's direction.

Jun Linyuan was talking to Elder Wu and wasn't looking at him, but Feng Xun gave him the thumbs up.

Boss Feng was pleased! Chen Ziyun let out a breath of relief and grinned.

He understood everything now.

It was so obvious.

!!

He couldn't understand how Feng Wu could refuse to accept reality when it was obvious that the crown prince liked her.

"Wahh —"

Still lying facedown on the ground, Chu Qu wailed.

Only then did Chen Ziyun realize he had kicked Chu Qu to the ground, so he immediately helped his teammate up.

"Are you alright? Does it hurt?" Chen Ziyun feigned a concerned tone.

Chu Qu was perplexed. "Captain, was that you..."

Chen Ziyun said, "Chu Qu, you're a big boy now, so be smart, or you'll get yourself killed one day."

Chu Qu said, "I..."

Chen Ziyun said, "You're a boy, and she's a girl. Keep your distance.

"And don't call her Xiao Wu."

Chu Qu was dumbfounded. "What should I call her?"

Chen Ziyun said, "Anything but Xiao Wu! You can even call her Boss Xiao Wu! Understood?!"

Chu Qu nodded.

Chen Ziyun reminded everybody how to address Feng Wu correctly so that all his teammates could stay alive.

Sun Yu was confused, "Captain, are you in love with F..."

The crown prince immediately shot a glance in their direction.

Chen Ziyun felt his hair stand up.

"No! I'm not!" Chen Ziyun glared at Sun Yu. "If I have inappropriate thoughts about her, let me be condemned forever!"

Sun Yu was frightened. He didn't understand why his captain was so serious.

Chen Ziyun whispered, "Watch your mouth! You'll get us in trouble!"

Sun Yu didn't quite understand what he meant, but he had a clue and glanced at the crown prince.

By then, everything was ready.

Everybody fell silent.

Chu Yun had been trying to strike up a conversation with the crown prince, but Jun Linyuan stopped her with a harsh look.

Just then, Gongsun Mu said, "Shall we start the competition now?"

Jun Linyuan nodded.

Chu Yun glanced at him. "Shouldn't His Royal Highness be the one to make that decision?"

Gongsun Mu looked at Jun Linyuan.

Jun Linyuan looked at the crowd, but Feng Wu was the only one he could see. He didn't look at Chu Yun and only said, "Gongsun, you can do it."

He knew Gongsun Mu well. Otherwise, he wouldn't have asked Gongsun Mu to look after Feng Wu.

Gongsun Mu nodded and made the announcement. The two teams were asked to go on stage.

Chu Yun threw a dirty look at Gongsun Mu and was determined to find an opportunity to talk to the crown prince.

The audience fell silent for a brief moment after the announcement.

Then everybody cheered and applauded.

The voices went through the roof.

The audience clapped for several minutes until the two teams were ready to go on stage.

The Military Team was led by Sheng Changtian.

Dynasty Team was led by Chen Ziyun.

Chapter 2863: Jun... (5)

Chen Ziyun was the first player, followed by Feng Wu, Sun Yu, Wang Nian and Li Shaochu.

Wang Xiao used to be one of the team members. For some reason, he didn't make any progress this time, and had to sit on the bench instead.

The junior team members were substitutes for the varsity team.

The competition would sometimes go into overtime, and the substitutes would compete instead.

Sheng Changtian was filled with excitement.

!!

He and Chen Ziyun stood very close to each other.

Sheng Changtian seemed pleased.

He glanced at Chen Ziyun. "His Royal Highness is the referee this time."

Chen Ziyun nodded. "I know that."

Sheng Changtian said, "He's the honorary president of my school."

Chen Ziyun said, "Alright."

Sheng Changtian glanced at him. "Do you think your breakthroughs can affect us?"

Chen Ziyun said, "So?"

Sheng Changtian said, "With His Royal Highness here, my team will definitely win!"

Chen Ziyun said, "Are you suggesting His Royal Highness will be biased toward you?"

Sheng Changtian found the question idiotic. Wasn't that obvious?

Chen Ziyun rolled his eyes at Sheng Changtian.

Sheng Changtian said, "What's that supposed to mean?"

Chen Ziyun offered no explanation, but he looked quite pleased.

The last thing the crown prince would do was take the Military Academy's side.

However, Chen Ziyun was going to keep that piece of information a secret.

He wanted to see the look on Sheng Changtian's face when he finally found out about the relationship between Feng Wu and the crown prince. It would be incredible!

Sheng Changtian frowned.

Somehow, he felt Chen Ziyun was up to something, but he couldn't put his finger on it.

Gongsun Mu's face darkened when he saw Chen Ziyun and Sheng Changtian whispering to each other.

Without hesitation he said, "Dynasty Team, please announce the order of your players."

While Jun Linyuan was the chief referee, Feng Xun and Xuan Yi didn't have anything to do, so they went to sit with Chaoge.

Chaoge was sitting with Zi Ling, Ye Han and a few others.

There were some empty seats beside her, so she waved at Feng Xun and Xuan Yi when she saw that they were looking for seats. "Over here!"

At first, the others didn't know who she was waving at, but then, they saw Feng Xun and Xuan Yi coming their way.

Zi Ling didn't know what to say.

Ye Han was speechless.

The other people around them also stiffened.

Young Lord Feng Xun was coming here, and so was Young Lord Xuan Yi!

They weren't just a pair of ordinary young lords. They were the only childhood friends of the crown prince!

Their words carried more weight than that of many government officials!

"What are you doing there?" Chaoge patted the seat next to her. "These seats haven't been taken yet. Sit down! The competition is about to begin!"

Feng Xun and Xuan Yi nodded and sat down.

They had come here at the last minute, and almost all the seats had been taken. It took them a while to find Chaoge.

The school had left seats for them, but Feng Xun didn't want to sit there. He liked to blend in and listen to the voices of the ordinary students.

Chapter 2864: Jun... (6)

Everybody was astonished. Duan Chaoge just waved her hand, and Feng Xun came over. Were they very close?

But none of them asked anything. They remained straight in their seats and kept their gazes on the stage.

In fact, they had all pricked up their ears to listen.

"Why are you all here?" Chaoge asked Feng Xun.

Ye Han was amazed. By the sound of it, Duan Chaoge seemed to be very familiar with Young Lord Feng.

!!

She kept listening.

Feng Xun said, "Somebody heard that somebody else was going to be in the competition. You know what I mean."

Chaoge immediately got the hint. "I see."

But the others were confused.

They heard everything, but they understood nothing.

Who was "somebody"?

Ye Han was dumbfounded. She glanced at Chaoge before looking at Jun Linyuan again.

His Royal Highness!

He was so handsome!

His every movement looked as beautiful as a picture.

Gongsun Mu said, "Dynasty Team will announce the order of the players on the Military Team."

The Military Academy's section of the audience erupted in rage.

"What? Why does Dynasty Team get to decide that? There must be a mistake!"

The Imperial College students were pleased.

"Of course there's no mistake! Your school lost the junior competition!"

The Military Academy students said, "How is that possible?!"

The Imperial College students said, "Of course it's possible. Why do you think we're the ones announcing the order of the players?"

The atmosphere was tense even before the competition started.

Chen Ziyun then made the announcement.

"Tang Mingjiang will be the first to compete, followed by Xun Jinyuan, Lu Qinghe, Lv Haobei, and Sheng Changtian."

The audience frowned.

That order was from the weakest player to the strongest.

Sheng Changtian had been the first player the year before, and he had single-handedly defeated Dynasty Team.

After a lengthy discussion, that was Imperial College's plan this year.

Why?

The audience and judges were all confused.

Even Dynasty Team didn't understand. All the team members looked at Chen Ziyun.

Chen Ziyun shrugged. "It's Xiao Wu's decision."

Chu Qu said, "Xiao Wu, what's the reasoning behind that order?"

Having been taught a lesson by Chen Ziyun, Chu Qu had almost called Feng Wu "Boss Wu," but he decided "Xiao Wu" sounded better.

Feng Wu said, "I just want to give everybody a chance to take part in the competition."

Chu Qu asked, "Is that all?"

Feng Wu said, "That's all."

The others were speechless. On second thought, they decided Xiao Wu was too wise to make such a simple decision.

There had to be something behind it.

Everybody's eyes lit up when they thought about the possibility.

Both teams had three Spiritual Kings. Although Dynasty Team's were newer and weaker, they still had a chance. The team was excited.

But right at that moment!

Buzz...

They heard the sound of fluctuating spiritual essence. It was something that had happened to Sun Yu before.

The audience stirred.

Dynasty Team grew uneasy.

The sound came from the Military Team!

Chapter 2865: One vs. Five (1)

Everybody looked at the Military Team.

It was Xun Jinyuan, the second player. He had just become a Spiritual King.

OMG!

This shouldn't have happened.

The Military Academy now had four Spiritual Kings!

!!

How did that happen?

The Imperial College students felt defeated.

That was such bad news!

They lost all hope!

Four Spiritual Kings! They wouldn't stand a chance!

In contrast, people of the Military Academy were smiling in satisfaction.

"So what if you can decide the order of our players?"

"We're so much more capable than you. No matter how you arrange our players, we can still crush you!"

“I knew it! There’s no way we’ll lose this competition. The Military Academy is invincible!”

Some of them even started singing.

Ling Hao and his friends were furious, but they didn’t know how to retort. They could only insist that three of them could defeat four opponents.

Needless to say, their opponents sneered at them.

Meanwhile —

The competition finally began.

Tang Mingjiang was the first player from the Military Academy.

Everybody was eager to see who the Imperial College would send first.

Were they going to send Chen Ziyun, their strongest member, or Wang Nian or Li Shaochu, their weakest?

Chen Ziyun looked at Feng Wu.

He still had some say in the team when the crown prince wasn’t here. However, His Royal Highness was here now, and he seemed very protective.

Chen Ziyun didn’t have a death wish, so he waited for Feng Wu to make the decision.

The other teammates were perplexed and didn’t know why their captain wouldn’t say anything.

Chen Ziyun ignored them and only looked at Feng Wu.

He would do whatever Feng Wu told him to.

Feng Wu looked at Chen Ziyun. “Are you sure about letting me command the team?”

Chen Ziyun nodded. “Yes! You can pick whoever you want!”

Feng Wu tilted her head. “I think if we want the maximum effect, we should use the fewest number of people to defeat the most number of opponents.”

Chen Ziyun said, “Of course.”

Feng Wu said, “In that case, I’m sorry, guys.”

The others were confused.

“Why are you apologizing?”

Feng Wu said, “The Military Team is yelling about how Sheng Changtian and Lv Haobei defeated our team last year, and they’re so pleased.”

Chen Ziyun and the others were embarrassed.

It was true...

It only took the Military Team two members to defeat the Dynasty Team the previous year. It was such a humiliation.

Feng Wu said, "How do you think we should return that favor and leave them with no excuse?"

Sun Yu said, "The only way to do that is to defeat all five of them with one player!"

He knew that wasn't possible.

Feng Wu nodded. "You're correct!"

What?

Everybody gave her strange looks. What was that supposed to mean?

Feng Wu said, "Only one of us will fight this time. We'll rob them of all their confidence!"

Chapter 2866: One vs. Five (2)

WHAT?!

Everybody stared at her in disbelief.

What was she talking about?

Was she even hearing herself?

Chen Ziyun was astonished.

!!

"Feng Wu, aren't you a little too confident?"

Feng Wu said, "Don't worry about me. I'm only apologizing because you guys probably won't get to compete this time."

Sun Yu said, "It's not that, Xiao Wu. We don't mind whether we compete or not, all the better if it can help us win, but..."

He said gingerly, "His Royal Highness is up there, and I think the Military Academy is going to slaughter us. None of us want to get beaten in front of the crown prince."

Wang Nian and Li Shaochu nodded as well.

Feng Wu said, "That's good."

If it could be avoided, she would rather stay out of this competition.

However, the Military Academy was too arrogant, and she had to teach them a lesson.

Countless people had looked down on Feng Wu and questioned her capability. They said she was a good doctor and formation master, but she couldn't fight.

Really?

Feng Wu decided to demonstrate her capability in this competition.

Gongsun Mu was urging them. "Dynasty Team, please send your first player now."

Everybody looked in their direction and wondered who would be the first to be defeated.

Feng Wu walked up the stage.

Her red dress set off her fair skin and bright eyes. When the lower hem of her dress flapped in the wind, she looked like a fairy. No one could take their eyes off her.

Feng Wu?!

She was the first player!

Ye Han cried out, "I thought she would come out much later. She's about the second-best player on the team. Isn't it a bit too early now?"

The Military Academy students asked, "Who's that? A new Spiritual King? Never heard of her before, but she's really pretty!"

Boys were very generous when it came to pretty girls.

2

Feng Wu and Tang Mingjiang were both on the stage now.

Tang Mingjiang was amazed by Feng Wu's good looks, but he soon regained his posture.

He frowned. "Isn't it a bit too early for you to come up?"

Feng Wu said, "No."

Tang Mingjiang said, "You should be fighting a Spiritual King. That's the fair way to play."

Feng Wu said, "Why should I be fair to you?"

2

Tang Mingjiang was taken aback, but he smirked. "Even if you're a Spiritual King, I'm still better than you!"

Feng Wu said, "We'll see!"

She didn't give Tang Mingjiang any chance and immediately drew out her Fallen Star Sword.

"The first stance!

"Sword of the Other World!"

Thump!

She had practiced that stance countless times in the Secret Essence Mine.

Tang Mingjiang wanted to parry the strike.

But!

He never thought that Feng Wu's strike would be so powerful.

It was like a tightly woven net that he couldn't break free from. The sky went dark, and thunder rumbled.

Boom!

A streak of lightning struck Tang Mingjiang.

Whoosh —

The sword left a mark on him from the top of his head all the way to his waist.

Chapter 2867: One vs. Five (3)

If the cut was any deeper, it would slice him in half.

Tang Mingjiang stared at Feng Wu in astonishment.

All the audience stared at Feng Wu as well.

"That was so fast!"

"I know Tang Mingjiang is a Level 9 Spiritual Lord and Feng Wu is a Spiritual King. He's supposed to lose, but why did he lose so soon?"

!!

"It only took Feng Wu one strike to defeat him!"

...

All the Imperial College students were shocked.

The Military Academy students were shaken as well, but they soon recovered.

"Don't worry about it. That's only the first round."

"Feng Wu must be trying to destroy our confidence. That's why she used her most powerful strike right away."

"That's right! Xun Jinyuan is next. He just became a Spiritual King!"

"He'll teach Feng Wu a lesson!"

They were all trying to intimidate Feng Wu.

The Military Academy students found her quite pretty at first. However, after seeing how fierce she was, they didn't like her so much anymore.

Meanwhile, on the other side, Chu Yun was displeased. "Feng Wu has always been an arrogant girl, and she's getting worse! Gongsun Mu, is that how you've been teaching your students?"

1

Chu Yun was alarmed when she saw how the crown prince couldn't keep his eyes off Feng Wu, so she tried to slander her.

Gongsun Mu only rolled his eyes at Chu Yun and wouldn't reply.

Chu Yun got even more frustrated. "Feng Wu stole our meal in Star Cloud Tower, and she's fighting like this now. Who does she think she is?"

Jun Linyuan hadn't paid much attention to Chu Yun, but she wouldn't stop talking.

He cast a stern glance at Chu Yun.

His eyes were so dark that they looked like bottomless pits.

Chu Yun felt a chill run down her spine.

A pair of invisible hands seemed to wrap around her neck to choke her.

She was overwhelmed with fear.

What was going on?

She tentatively raised her head and stole a glance at Jun Linyuan.

She had to be mistaken.

However!

She looked into a pair of cold eyes.

She felt her blood curdle.

Chu Yun was frightened. She turned away and lowered her head.

Her mind had gone completely blank.

She had never felt so terrified before.

By then, the second round had started.

Feng Wu vs Xun Jinyuan.

The Imperial College students were concerned because Feng Wu was a girl.

The Military Academy was very confident because Xun Jinyuan was a Spiritual King.

"Even if Xun Jinyuan can't defeat Feng Wu, he'll still badly injure her!" Lu Qinghe said in a sorry tone.

Lv Haobei rolled his eyes. "Then you'll defeat her without an effort! Why are you sighing?"

Lu Qinghe shook her head. "I don't want that. I want a fair game."

Chapter 2868: One vs. Five (4)

Lv Haobei said, "I don't think you'll get what you want."

Lu Qinghe said, "I know. Xun Jinyuan and Feng Wu should be of the same level. It'll take them a while to finish this battle."

He then raised his eyebrows. "I actually hope Xun Jinyuan can lose because I want to see this girl up close."

Lv Haobei said sternly, "Lu Qinghe, this is a competition between two colleges. Stop hitting on girls!"

Lu Qinghe stuck out his tongue. "What a pity. I'm sure Xun Jinyuan won't give me that chance."

!!

Meanwhile, Feng Wu and Xun Jinyuan's battle had begun.

"Sword of the Other World!" Feng Wu used the same stance.

She only knew three stances because that was all her beautiful master had taught her.

Three stances were more than enough.

Xun Jinyuan couldn't withstand even one of them.

As soon as Feng Wu struck, Xun Jinyuan was overwhelmed by the pressure.

The shockwave spread from Feng Wu toward him.

It was as if heaven and earth had changed color.

Lu Qinghe sprang to his feet and stared at Feng Wu.

Everybody held their breaths.

It was the same stance, but it was much more powerful than when Feng Wu fought Tang Mingjiang.

The sword's energy filled the air.

There was killing intent between the two players.

Feng Wu's sword arrived before Xun Jinyuan had time to react.

Run!

Sensing the danger, Xun Jinyuan tried to escape.

But!

The spiritual essence surrounded him, blocking his way.

Everybody clenched their fists.

The Imperial College wondered if Feng Wu could defeat Xun Jinyuan.

The Military Academy wondered if Xun Jinyuan could dodge the strike.

As it turned out, he couldn't.

When he turned to run, the sword hit him in the back.

Whoosh!

The tip of the sword slid across his back.

No one knew what Xun Jinyuan was wearing, but they could tell it was made of metal.

They saw something when the tip of the sword slid down his back.

Buzz —

Sparks were created from the friction of metal colliding.

Xun Jinyuan's robe was sliced open, revealing the metal armor below.

It was made of a special metal.

Even so, the armor was almost cut in half.

Xun Jinyuan touched his back, and the armor fell off in two halves.

His forehead was covered in cold sweat.

That was so terrifying!

If it hadn't been for the armor, he would have been cut in half.

He turned around and glared at Feng Wu.

He had exerted the power of a Spiritual King.

He had thought the two of them should be of the same level, but Feng Wu obviously had the upper hand.

However —

"Feng Wu, is that all you've got?" Xun Jinyuan smirked.

"After the battle with Tang Mingjiang and that strike just then, you've used up your spiritual essence. It's my turn now!"

Xun Jinyuan was going to use his most lethal strike.

Lu Qinghe shook his head. "Feng Wu is doomed. Even if she can survive this, she'll still be severely injured. Xun Jinyuan is angry, and he's going to use his most powerful strike: Shadow!"

That was the killing strike that Xun Jinyuan was the proudest of.

Chapter 2869: Chosen One (1)

That was the killing strike that Xun Jinyuan was the proudest of.

He had practiced it countless times.

Xun Jinyuan smirked.

He believed that Feng Wu's spiritual essence had run out, and he was still in peak condition. He was going to show Feng Wu how capable he was.

"Shadow!

!!

"Feng Wu, you're going to die here today!" Xun Jinyuan growled. The next second, he disappeared from the spot.

Everybody had been watching Xun Jinyuan because he said Feng Wu was going to die.

They were astonished when Xun Jinyuan disappeared.

"Where's Xun Jinyuan?"

"How did he do that?"

"Look! There's Xun..."

Before that student could finish, Xun Jinyuan had reappeared behind Feng Wu.

Sensing this, Feng Wu suddenly turned around.

But Xun Jinyuan wasn't there anymore.

"On your left!"

When Feng Wu looked to her left, Xun Jinyuan was gone once more.

Xun Jinyuan was moving faster and faster.

In the end, Feng Wu seemed to be surrounded by him.

They were all afterimages left by his fast movements.

Lu Qinghe sounded sorry. "I knew it. As soon as Xun Jinyuan uses Shadow, Feng Wu is finished."

Lv Haobei nodded. "That's right."

Lu Qinghe said, "I was looking forward to fighting her. It's too bad I won't get that chance."

Lv Haobei nodded. "She's pretty. I don't think Xun Jinyuan will kill her."

Lu Qinghe agreed. "She's so pretty. It'll be a pity if she's severely wounded. I would pity her."

They didn't try to keep their voices down.

“Why is it a little chilly?” Lu Qinghe crossed his arms and saw that his hair was standing up.

Lv Haobei frowned. “Does your neck feel cold?”

“Yes!” Lu Qinghe nodded. “My back is cold, like Death is on me.”

They looked around but couldn’t tell why they were feeling that way. Both saw fear and bewilderment in each other’s eyes.

Was it a ghost?

Meanwhile, Feng Wu was in a disadvantageous position.

Xun Jinyuan kept changing directions and striking out with his blade.

Feng Wu was busy parrying his strikes.

“Captain, what do you think?” Sun Yu asked nervously.

Chen Ziyun said casually, “She won’t lose.”

The other team members were amazed. “Why are you so sure?”

Feng Wu was obviously losing.

Chen Ziyun leaned against a column and smiled. “Even if Xun Jinyuan is better than Feng Wu, he won’t dare defeat her. Don’t worry.”

He wouldn’t dare?

Everybody was speechless.

“Why is that? Is she some sort of Chosen One?” Chu Qu asked curiously.

Chen Ziyun looked at the man that couldn’t keep his eyes off Feng Wu.

He chuckled. “That’s right. She’s the Chosen One.”

Chapter 2870: Chosen One (2)

The Chosen One?

Everybody looked at Chen Ziyun and shook their heads.

No one believed him.

They ignored the indifferent Chen Ziyun and discussed it among themselves.

“Captain Chen is too confident. I don’t believe him.”

!!

“That’s right. I think he’s infatuated with Feng Wu. I don’t know where he gets that kind of confidence.”

“Don’t mind him. What do you think are the chances of Feng Wu winning?” Chu Qu asked.

Sun Yu said, “30%.”

Wang Nian said, “20%.”

Li Shaochu said, “I think lower than 10%.”

Chu Qu was speechless. “You don’t have any confidence at all.”

Li Shaochu rubbed his nose. “She already defeated Tang Mingjiang; I think she’s done her job.”

He had a point.

Hence, everybody agreed that Feng Wu was going to lose.

Once they accepted that, they didn’t feel so flustered anymore.

Even her teammates felt that way, so the audience had even lower expectations.

Ye Han rubbed her hands. “I only hope Feng Wu can badly injure Xun Jinyuan before she loses. That way, the next player can defeat Xun Jinyuan.”

Feng Xun gave her a strange glance.

Ye Han asked gingerly, “My lord, did I say something wrong?”

Her coy tone gave Chaoge the creeps, and she snapped at Ye Han, “Of course you’re wrong! Xiao Wu is invincible! She’s going to defeat all five of them!”

Ye Han was speechless.

She didn’t want to talk to Chaoge anymore.

She found her confidence insufferable.

Chaoge said, “I mean it. Xiao Wu is going to defeat all five of them! Just wait and see!”

Ye Han rolled her eyes and muttered, “Stop bragging already.”

Chaoge snorted and ignored her.

Up on the stage, Feng Wu stood still and narrowed her eyes.

Xun Jinyuan was fast, but he wasn’t nearly as fast as she was.

This battle had only lasted this long because it was part of her plan.

She couldn’t reveal her real strength all at once.

1

Sheng Changtian was a tough enemy.

She couldn’t raise his guard.

She would show her cards one at a time. That would be much more interesting.

By now, they had exchanged ten blows.

Feng Wu had given Xun Jinyuan enough time.

While Xun Jinyuan was still jumping around like a clown, Feng Wu flipped her hand.

The next second!

Xun Jinyuan froze on the spot.

His eyes widened in disbelief.

Feng Wu had caught him by the throat with her fair fingers.

“No! That’s not possible!”

Xun Jinyuan felt his mind go blank, and he couldn’t move a muscle.

Feng Wu had rendered him immobile!
