Chapter 2931: Awake

Xuan Yi nodded. "Only an idiot would try to propose to her again."

The crown prince swayed because his spiritual essence was drained. "Take me home."

"Sure."

Feng Xun and Xuan Yi exchanged a mischievous look.

The last words Jun Linyuan said were, "Don't tell her!"

!!

He lost consciousness before hearing a reply from Feng Xun or Xuan Yi.

Knock, knock, knock —

Somebody knocked on Feng Wu's window in Fallen Star Yard.

Feng Wu frowned.

She had set up a barrier. Apart from Feng Xun and a few others, no one else could come in.

She pushed the window open to find several people outside.

It was Feng Xun and Xuan Yi, but Xuan Yi seemed to have someone on his back.

Feng Xun said anxiously, "Xiao Wu, please help us! You're our only hope now!"

1

Feng Wu asked, "What happened?"

Feng Xun pushed Jun Linyuan into Feng Wu's arms.

Before Feng Wu realized what was going on, she was holding Jun Linyuan, who was unconscious and covered in blood.

She was dumbfounded.

Feng Xun said, "Boss Jun is dying! Please help him. He's in this state because of you. You have to do something!"

2

Jun Linyuan had ordered them not to tell Feng Wu, so Feng Xun didn't go into detail. He was sure she could figure it out on her own.

Feng Xun pleaded with Feng Wu, "Please don't send him back. When His Majesty hears the news later, he'll hold Boss Jun responsible. Please let Boss Jun hide here!"

Feng Wu was speechless.

Feng Xun and Xuan Yi left as soon as they could.

Feng Wu was speechless.

She looked from Jun Linyuan to the night sky, and decided to save his life first.

Just then, she heard some noise outside.

It seemed someone had woken up.

Feng Wu was a strong girl.

She picked up Jun Linyuan and carried him into her room, shutting the door behind her.

The most important thing was to figure out what was wrong with him.

Feng Wu put him on the bed and examined his injuries.

She unbuttoned his robe, revealing his skin.

Feng Wu was speechless.

She had thought she could remain calm, like an ordinary doctor.

“Ahem.” Feng Wu cleared her throat to calm herself down.

Just then, she felt someone staring at her.

Looking up, she saw it was Jun Linyuan!

He was awake!

“I thought you passed out!” Feng Wu cried out.

The teenager’s eyes were exceptionally bright in the dark. “I’m awake.”

Feng Wu asked, “Do you know what happened? Do you know you’re injured?”

Injured? The crown prince coughed violently.

She gave him a glass of water and said gently, “Don’t get excited. Take it slow.”

She then fed him some water.

The crown prince was dumbfounded.

Usually, she would run away from him as fast as she could. Why was she so gentle now?

The crown prince studied her.

After feeding him water, Feng Wu said, “Lay back down and let me examine your wounds.”

Chapter 2932: Leave Me Alone

The girl meticulously examined the boy's body, and he couldn't take his eyes off her face.

His eyes were sparkling.

Feng Wu frowned when she saw the palm print on Jun Linyuan's chest.

"Who did this to you?!"

Jun Linyuan thought, She looks like an angry bunny.

!!

He snorted. "I burned one side of his entire body. I won that battle."

Feng Wu jabbed his head with a finger. "Don't brag."

The crown prince had to remain silent.

Feng Wu put some treatment powder on his chest. "What was the fight about?"

The crown prince looked at her with sparkling eyes.

He quickly looked away when their eyes met, pretending that he hadn't been looking at her.

Feng Wu said, "Who did you want to teach a lesson this time? Why were you fighting in the middle of the night? What did you do to yourself?"

The crown prince mumbled, "None of your business!"

Feng Wu said, "I'm asking you for your own good. Do you know how severe your injury is? The internal injury is much worse than the external ones. Luckily, you're strong enough. An ordinary person would be dead by now."

The crown prince snapped, "I told you, it's none of your business!"

1

He wanted to get up and leave, but he was too weak to move a muscle.

Feng Wu just poked him with one finger, and he fell back onto the bed.

Feng Wu said, "Are you a kid? You want to run back home whenever you're angry."

The crown prince ground his teeth.

Other people might fear to upset Jun Linyuan, but Feng Wu didn't. "Why are there two layers of injuries? Did you fight twice tonight?"

The crown prince didn't reply.

Feng Wu stared at him. "You were badly injured in your first battle, but you still had another battle. Are you an idiot?!"

The crown prince looked away and wouldn't meet her eyes.

What should he say? He could have protected himself from getting injured, but he activated all his spiritual essence to create that shocking effect. As a result, he had wounds one on top of each other.

Feng Wu said angrily, "Feng Xun didn't stop you?!"

The crown prince was glad to see this, and he nodded. "Yes!"

Feng Wu stared at Jun Linyuan. "When you get angry, a hundred Feng Xuns put together can't stop you. You can't blame him!"

The crown prince looked at Feng Wu.

He was so good-looking, and his eyes were like the brightest stars in the sky.

However, those stars were staring at her now. What could she do?

She no longer felt so angry.

She told Jun Linyuan, "You're very strong, but don't do that again. Use your sword."

But I would do anything for you, the crown prince thought.

Feng Wu asked, "Is that clear?"

The crown prince said, "Yes."

Feng Wu suddenly realized how obedient Jun Linyuan was being today.

He had always been so proud, and she could never make him listen to her.

But he was being so lovely now.

Chapter 2933: Adorable

He looked so adorable that she wanted to rub his head.

Feng Wu said, "You need to stay in bed for the next three days. No extraneous activities for a month, and don't eat food that can irritate your injuries. Can you remember that?"

The crown prince shook his head. "No."

Feng Wu said, "Why can't you remember such a simple thing?"

Jun Linyuan glared at him. "Why should a crown prince remember such a thing?"

!!

1

Feng Wu scratched her head. He had a point.

1

"I'll fetch Feng tomorrow." Feng Wu glanced at him.

She didn't know that Feng was visiting his hometown.

"You need some new clothes." Feng Wu frowned.

It was early spring, and the wind was still quite chilly.

She told Jun Linyuan, "Wait here. I'll find you some clothes."

She searched her drawers and closet until she found a night robe.

"Why do you have a man's robe in your room?!"

The crown prince wanted to kill somebody.

Feng Wu said, "I made it for Xiaoqi. Look. There are bunny ears on the hoodie. Isn't it lovely? Put it on."

1

The crown prince stared at her in disbelief.

Feng Wu said, "I know all your clothes are made from expensive material. Even the threads have silver and gold in them, but this is all I have. Do you want to wear your dirty clothes?"

The crown prince said impatiently, "Don't you have anything else?"

Feng Wu shrugged. "Nope. That's all I have. I made it bigger because I don't know when Xiaoqi will be back. You know, Grand Secretary Fang took him away on a long trip."

The crown prince grunted, "I didn't know that." He didn't care either.

Feng Wu went on. "I wonder how they're doing now. Life on the road must be so inconvenient."

The crown prince didn't like hearing Feng Wu talk about Xiaoqi all the time. Even as he put on the robe, he decided to burn it to ash later. When Xiaoqi came back, there wouldn't be anything left.

5

Before Feng Wu knew it, the crown prince had put on the robe.

1

His skin was smooth and fair. His deep-set eyes were intimidating on ordinary days, but his injuries made him let down his guard, so he looked like a sleepy tiger. Feng Wu almost wanted to rub his head.

"You look so nice!" Feng Wu was pleased with her work. "Don't start fights again. Xiaoqi is a good boy. He never starts fights."

The mention of Xiaoqi annoyed the crown prince.

"Get out!" he snapped.

Feng Wu asked, "Why are you so grumpy all of a sudden?"

Jun Linyuan said, "Get out of my sight now!"

Feng Wu said, "You're unbelievable! This is my room, and you're asking me to leave? Fine. I'll leave you alone! Enjoy!"

She left the room after that.

She couldn't understand it. She and Jun Linyuan had been having a peaceful moment, but he suddenly lost his temper; she didn't know what happened.

Feng Wu paced back and forth along the river.

Chapter 2934: His Majesty Wants to See You

Meanwhile, Feng Xun and Xuan Yi were enjoying drinks behind closed doors.

Feng Xun said, "We've sent Boss Jun to Xiao Wu's home. We've accomplished our mission, right?"

Xuan Yi drained his glass. "Yup."

He had always had feelings for Feng Wu, but he knew he couldn't let anybody know, nor did he want to.

2

Feng Xun couldn't tell, and just laughed. "They've dragged this thing out for too long. They'll marry eventually, so they may as well do it now."

!!

Xuan Yi had a bitter taste in his mouth. "You're right."

Feng Xun looked like a happy mouse. "What do you think they're doing now?"

The answer was: Nothing.

The crown prince was so frustrated because he usually was the one who walked away, but Feng Wu was the one who did it today.

Unbelievable!

He wanted to run after her but was too weak to do so.

Feng Wu had put some sleep-inducing ingredients in his medicine to make him sleep better, and it was taking effect now.

He couldn't move or make a sound when he wanted to call Feng Wu's name.

Couldn't she come back herself?! The crown prince kicked away his blanket and turned to face the wall.

Feng Wu calmed down when the cool air outside blew on her face.

Jun Linyuan had always been like this. Given his severe internal injury, he couldn't activate his spiritual essence. Of course he would feel frustrated. Feng Wu felt she shouldn't have bickered with him.

She felt so childish.

She patted her own head.

Someone suddenly showed up when she was about to return to her room.

Feng Wu almost jumped.

“Master Gao?”

It was Master Gao, the eunuch and the chief steward of Emperor Wu.

He bowed. “Miss Feng Wu, His Majesty wants to see you.”

Feng Wu looked perplexed.

She had met Emperor Wu on many occasions, which was why she was so surprised when she saw him.

He looked so angry, like he was going to explode.

“Xiao Wu, you’re here! Tell me, have you seen that brat Jun Linyuan?”

Feng Wu said, “What?”

She looked so innocent when she shook her head in confusion. Anybody would believe her.

“You really haven’t seen him? I’m so mad!” Emperor Wu didn’t even give Feng Wu time to answer. She just sat there and watched the emperor complain about his son.

“Do you know what he did last night?”

“He went out to fight!”

“Do you know with whom?”

“Zuo Chengfeng!”

“Do you know who Zuo Chengfeng is?”

Emperor Wu went on before Feng Wu could answer.

“He’s Zuo Qingluan’s grandfather!”

“That brat went to fight Zuo Chengfeng on his own!”

“He’s of the older generation and is so much more capable! What made that brat so bold?!”

Feng Wu’s stomach lurched.

“Wait. He went to challenge Zuo Qingluan’s grandfather? Why?” Feng Wu was confused.

Emperor Wu stared at her. “You don’t know?”

Deep down, she knew the answer, but she insisted, “No, I don’t.”

“I heard Junjun and Zuo Chengfeng reached an agreement. If Zuo Chengfeng lost, he would have to keep his promise.” Emperor Wu stared at Feng Wu.

Chapter 2935: How Did I Do?

Feng Wu asked, "What agreement?"

Emperor Wu asked, "Do you really want to know? You won't be able to unhear it."

Feng Wu was speechless.

She thought for a few seconds before nodding solemnly. "Please tell me!"

Emperor Wu was serious. "I talked to Zuo Chengfeng afterward and learned what their agreement was."

!!

Feng Wu looked at him.

Emperor Wu said, "Zuo Chengfeng has agreed not to get involved in the competition between you and Zuo Qingluan."

Feng Wu looked perplexed.

Emperor Wu asked, "You understand what that's about?"

Feng Wu said, "So, Jun Linyuan made sure that the competition would only be between Zuo Qingluan and me. No matter how miserably she loses, her family can't get involved. Is that it?"

Emperor Wu nodded. "If the Zuo family dares try anything, Jun Linyuan will support you and help you handle the seniors of the Zuo family."

Feng Wu was speechless.

Jun Linyuan had made sure the senior members of the Zuo family wouldn't interfere.

All Feng Wu needed to do was take care of Zuo Qingluan; she wouldn't be distracted by her family.

"He did more than that. Do you know what he did? He destroyed the marriage proposal gifts sent by many families."

"What gifts?" Feng Wu was perplexed.

"The whole empire knows you have the Divine Phoenix Blood, and many people have plans for you. With a single strike, he created a ten-meter wide gap in the ground 15km outside the imperial capital.

"The common folk in the capital city won't have fresh vegetables to eat today because the vendors can't cross the wide gap. Do you know how much trouble he has caused?" Emperor Wu put his hands behind his back and arrogantly paced around the room.

He also glanced at Feng Wu from time to time and exchanged knowing looks with Master Gao.

He was obviously up to something.

Feng Wu was still dazed by the information, or she would have realized that Emperor Wu was putting in a good word for his son.

“He did all that to protect you!” Emperor Wu concluded.

Feng Wu said, “What? What are you talking about?”

She couldn’t stand it when other people were too nice to her.

She didn’t want to owe other people favors, and would want to return them right away.

She felt undeserving after hearing what Jun Linyuan had done for her.

That explained his severe wounds.

He fought Zuo Chengfeng first before making that strike 15km outside the city. What a day!

Feng Wu didn’t know what to say.

After everything he did for her, he didn’t tell her anything.

Feng Wu headed for the door.

Emperor Wu feigned a concerned tone. “Xiao Wu, where are you going? I haven’t finished yet. Xiao Wu?”

Feng Wu was soon out of sight, and Emperor Wu turned to ask someone hidden in the shadows. “Feng, how did I do?”

2

There he was, the steward whom Feng Wu had been looking everywhere for.

So much was going on in Feng Wu’s head that she felt both happy and confused. It was so overwhelming that she couldn’t make a decision.

However, she knew there was something she needed to do now.

He had done so much for her Divine Phoenix Blood and had even gotten injured for it. Instead of thanking him, she made him upset.

If she were him, she knew she would have exploded by now.

Chapter 2936: Unhappy Crown Prince

Of course, Feng Wu didn’t rush to apologize to Jun Linyuan.

Being so straightforward wasn’t her thing.

This was so embarrassing...

She stalled for as long as she could. After making some chicken porridge, she squeezed some fresh juice and carried everything on a tray.

She knocked on the door.

!!

No one answered.

Feng Wu knew Jun Linyuan must still be mad at her.

She pushed the door open and put the tray on Jun Linyuan's bedside table.

The crown prince was facing the door at first, but he turned to face the wall when Feng Wu came in.

"How old are you?" Feng Wu wanted to ask him.

She had a hard time connecting this childish teenager to the person who created the two incidents that shook the entire Junwu Empire the night before.

She crouched down and poked Jun Linyuan's back with a finger.

He moved a little at her touch.

Feng Wu asked, "Are you hungry? Would you like some porridge?"

The crown prince ignored her and went on sulking.

Feng Wu sat down on the edge of the bed and tugged at his blanket. "Lying on your side isn't good for your wounds. You should lie on your back."

Jun Linyuan threw a dirty look at her, thinking, Just let me die. It's not like anybody will care!

However, he didn't say that out loud.

He eventually listened to Feng Wu and lay on his back.

Feng Wu fetched some cushions to put behind his back so that he could sit up.

"We made these cushions. Aren't they adorable?" Feng Wu waved the rabbit ears on the cushion. "It's the same as your robe."

"Childish!" the crown prince commented.

Childish? You're wearing the pattern, Feng Wu thought. Things were a little easier now that Jun Linyuan was talking to her.

Feng Wu tried to bring up the subject. "Actually, last night..."

The crown prince glared at her in frustration. "I don't want to talk about it!"

Feng Wu looked perplexed.

The crown prince said, "Not a word!"

He still felt embarrassed about destroying those gifts that way. It felt good, but probably everybody now knew how he felt about Feng Wu.

He wanted to roll over in bed and bury his face in the pillow.

Feng Wu wanted to tell him she knew what he had done for her, but Jun Linyuan wouldn't let her talk about it.

Well...

She would make it up to him and return the favor.

It wouldn't be too difficult since her master was the most capable man on this continent, and she also had several senior brothers.

Feng Wu showed him the glass of juice. "I squeezed the plum juice myself. Won't you try it?"

The crown prince was still upset about her putting sleep-inducing ingredients in his water.

He looked at Feng Wu. "How do I know you didn't put sleeping powder in it again?"

Feng Wu took a sip. "See? It's safe."

She was going to drink the juice and make another fresh glass for Jun Linyuan later. Before she knew it, the crown prince had drained the glass.

Feng Wu said, "The chicken porridge is really delicious. I made it myself."

The crown prince glanced at her. "Really?"

Why was he upset again?

Chapter 2937: The Look

Feng Wu couldn't figure out what upset him this time.

She picked up the bowl of porridge, but he wouldn't even look at her.

Feng Wu was speechless.

"Fine, you spoiled young prince."

She scooped some porridge and held the spoon up in front of Jun Linyuan's mouth. "Your Royal Highness, have some porridge."

!!

The teenager glanced at her. "How do I know you didn't put any sleeping powder in it?"

Feng Wu took a deep breath.

What do you think I want to do to you? Why would I drug you all the time?

No, I can't get angry. Jun Linyuan is a very difficult prince. I have to make him happy.

Feng Wu put on a pleasant smile. "I'll take a bite first."

She ate the porridge and found it quite tasty.

“Will you have some now, Your Royal Highness?” She smiled at him.

The crown prince said, “Your smile is so fake!”

Feng Wu rolled her eyes. “Nothing makes you happy, does it? Are you going to eat it or not? If not, I’m taking it back to the kitchen.”

She rose to her feet.

“Hey!” The crown prince said grumpily, “Did I say I wasn’t going to eat it?”

Be patient!

The crown prince gave her an accusing look.

Feng Wu thought, He’s mad at me, right?

But why is he so good-looking?

His eyes are so bright.

In that rabbit sleeping gown, he looks so soft and lovely.

Ugly people were unbearable when they got angry.

Good-looking people were still attractive when they were mad.

What a world!

The crown prince said, “My arms are weak.”

Feng Wu said, “Shall I feed you?”

She felt rather embarrassed.

The crown prince’s ears were a little pink, but to conceal how happy he was, he said impatiently, “Whatever!”

Feng Wu was speechless.

Should she feed him or not?

She lifted a spoonful of porridge to his lips, and he ate it.

She tried again, and the crown prince ate everything on the spoon.

Feng Wu couldn’t understand why he would still pretend when he was so hungry.

He finished the bowl of porridge in this awkward way.

Feng Wu wanted to take the bowl to the kitchen, but the crown prince stared at her in disbelief.

Feng Wu was speechless.

What did she do now?

The crown prince said, "Don't you rinse your mouth after a meal?"

Feng Wu said, "Sure..."

The prince had made a request!

Feng Wu fed him some water.

However, he frowned. "Too hot!"

Feng Wu tried the water. "It's not that hot..."

The crown prince looked at Feng Wu.

Feng Wu said, "Alright, alright. I'll blow on it to cool it down."

When she wasn't looking, the crown prince smiled a little, but he wiped the smile off his face as soon as Feng Wu turned to him.

His expression changed so fast that Feng Wu thought it was an illusion.

"I probably saw wrong..." Feng Wu rubbed her eyes.

The crown prince was a fussy man. It took Feng Wu an hour to finish the meal.

During that hour, Feng Wu ran back and forth like a servant, doing things like trying the temperature of the water or massaging his back.

Chapter 2938: Who Did It?

An hour later, Qiuling's voice came from outside.

"Miss, Miss —"

The crown prince glared at the door.

Qiuling might have improved, but she hadn't reached the Spiritual Lord stage yet. Sensing the crown prince's cold energy, she felt her blood curdle.

She immediately stopped talking.

!!

Hearing the noise, Feng Wu wanted to go outside.

The crown prince frowned. "Don't go!"

Feng Wu looked back at Jun Linyuan and saw him staring at her like an abandoned puppy.

She felt butterflies in her stomach.

She said softly, "I'm going to tell Qiuling your condition. My family doesn't know you're here yet. They'll be frightened by the news."

Jun Linyuan asked, "Do I look that frightening?"

Feng Wu was amused.

She said, "You're good-looking, but your prominent status is quite scary. I'll be right back. There are some books on the desk. Feel free to have a look."

Feng Wu then left the room, ignoring his reluctance.

Qiuling heard every word of their conversation.

Granny Zhao, Qiuling and the beautiful lady were all there.

Qiuling was so scared that she could barely speak. "His Royal Highness... His Royal Highness..."

She pointed at the room as she spoke.

Feng Wu nodded. "Yes, he's inside."

"Miss, did he kidnap you?" Qiuling was almost in tears.

Her mistress normally couldn't stay far away enough from the crown prince. Why would she let him into her room?

"I'll do anything to keep you safe, Miss Wu!" Qiuling wanted to rush into the room.

She knew her strength was puny in comparison, but she still wouldn't give up.

Feng Wu stopped her.

Just then, Chaoge rushed into the courtyard.

She said, "Xiao Wu, everybody knows about your Divine Phoenix Blood now. I heard so many major families want to marry you to their sons!

"I'm sure the Zuo family will try to plot against you again, but we won't let that happen! We'll protect you!" Chaoge clenched her fists.

Qiuling and Granny Zhao nodded. Neither of them would let anyone mistreat Feng Wu.

Feng Wu was speechless.

Before she could speak, she heard hasty footsteps outside.

"Miss Wu, I heard some shocking news!" Uncle Qiu ran into the courtyard. "Something happened in the Zuo family last night, and nearly half of the manor has disappeared! I heard they were struck by lightning in the middle of the night!"

Feng Wu smacked her forehead!

"There are many carriages and trunks 15km outside the city. Judging from the emblems on them, they're from several different families."

Chaoge grabbed her sword. "They're here to propose to Xiao Wu! How annoying! I'll kick them out!"

Qiuling and Granny Zhao were worried. There were so few of them. How were they going to get rid of the big families?

Uncle Qiu stopped Chaoge. "Miss Duan, please let me finish. The carriages and trunks were all over the ground, as if somebody had robbed the owners."

Robbed?

Feng Wu rubbed her temples. She knew what had happened. Of course, Jun Linyuan wouldn't have struck just once.

Chapter 2939: Was It Yu Mingye?

Even if Jun Linyuan only struck once, Feng Xun wouldn't let those people leave so easily. He would force them to leave something behind.

Chaoge was surprised. "Really? Were they robbed?"

Uncle Qiu said, "Yes, I checked it myself. There's a ten-meter wide gap in the ground that runs for tens of kilometers!"

Chaoge asked, "Who dug it?"

Uncle Qiu said, "I heard it was created with a sword."

!!

Chaoge said, "Wow! Who did that? I want to be their student!"

Inside, Jun Linyuan felt both abashed and proud. He even smiled a little.

Fallen Star Yard was particularly crowded today.

They were still chatting when Feng Xun and Xuan Yi arrived.

Feng Xun rubbed his shoulders and back as if he was tired. He said to Xuan Yi, "I was so tired last night. That strike, I'm telling you..."

"Feng Xun!" Chaoge's eyes lit up, and she grabbed Feng Xun's sleeve. "You know who did it, don't you? You know the person who got rid of the proposal gifts!"

The crown prince grew nervous.

"Ahem."

He cleared his throat as a warning to Feng Xun.

Feng Xun's stomach lurched because Boss Jun had told him not to tell anybody, so he told Chaoge, "Who else do you think could have done that? It's so easy to guess."

"Was it Master Linghu?" Chaoge guessed.

Feng Xun said, "Do you think Master Linghu has nothing better to do than meddle in mundane things?"

The crown prince cleared his throat again.

Realizing what he had said, Feng Xun wanted to slap himself. "You've met him before. You'll be able to guess without me saying anything. I'm starving. Xuan Yi, let's get some breakfast."

Xuan Yi glanced at Feng Wu and left with Feng Xun without saying a word.

Feng Wu didn't notice the glance because she was thinking about Jun Linyuan.

Chaoge was still guessing. "Who is it?"

Feng Wu said, "Don't worry. Nobody will try to steal my Divine Phoenix Blood again."

Qiuling was pleasantly surprised. "Really? Are you sure? How's that possible? They coveted your True Phoenix Blood. Are you sure your Divine Phoenix Blood is safe?"

Up on the wall, Feng Xun said, "Zuo Qingluan has been sent to Peace Grassland. What do you think?"

He jumped off the wall after that.

Qiuling was amazed. "Zuo Qingluan was really sent away? And those annoying families, too? Xiao Wu will have some peace again. Who is that secret person?"

Chaoge said, "Xiao Wu, after what they did for you, how will you thank them?"

She didn't know that Jun Linyuan was inside.

The closed door couldn't keep the crown prince from hearing her.

Feng Wu looked at Chaoge in resignation. "Don't you have better things to do?"

Chaoge looked at Feng Wu. "Could it be Yu Mingye? That sounds like something he would do."

The crown prince had been smiling, but he couldn't smile now.

Chapter 2940: Brother Jun

Outside, Feng Xun and Xuan Yi were so frustrated.

They had been busy the whole night, and that stupid Yu Mingye was going to take the credit. No, that couldn't happen!

Feng Wu glanced at her room and smiled a little. "That's possible."

Jun Linyuan didn't say a word.

Feng Wu, you're blind!

!!

I'm so mad!

Qiuling and Chaoge praised Yu Mingye, saying that he was good-looking, capable and nice to Xiao Wu.

Feng Wu couldn't stand it anymore. "It may not be him. It could be the crown prince."

"Do you really think His Royal Highness would do something like that?" Chaoge said. "If that's the case, you can have my head as your stool!"

Feng Wu was speechless.

How bold!

Qiuling suddenly realized something and covered Chaoge's mouth. "Shh..."

Chaoge said, "What's the matter? You know what His Royal Highness is like. He's arrogant and unapproachable. Yes, he likes Xiao Wu, but he's always ordering her around..."

"Duan Chaoge, stop it!" Feng Wu couldn't listen to her anymore.

The crown prince was right inside. Chaoge could get herself killed.

1

Meanwhile, Qiuling was already whispering into Chaoge's ear while pointing at Feng Wu's room.

Chaoge's eyes widened in fear.

She stared at Feng Wu.

Feng Wu nodded.

Chaoge thought, Holy crap! Why is the crown prince here so early in the morning?

"I'll check out that place 15km outside the city! It can't possibly have been Yu Mingye who made that strike. I think it was probably His Royal Highness! I'm off!"

There was a whoosh.

Chaoge ran as fast as her legs could carry her.

She rushed outside to see Feng Xun.

Feng Xun mouthed to her the bad news.

"It was Boss Jun!"

Thump!

Chaoge fainted in his arms.

Meanwhile, Feng Wu was telling Qiuling and the others to go about their day as usual for the next few days while the crown prince was staying with her.

She also mouthed to the others that Jun Linyuan was indeed the person they had been talking about.

Granny Zhao and the others were greatly moved, and Feng Wu slipped back into her room.

The room was freezing cold when she walked in.

There was ice on the window panes.

It was so cold.

Feng Wu shuddered.

The teenager on the bed was sulking.

Feng Wu felt a little guilty for having brought up Yu Mingye.

“Ahem...”

She walked up to the crown prince, but he wouldn't even look at her.

Feng Wu felt the cushion behind his back.

Even the cushion was cold to the touch. He was very mad.

Feng Wu suddenly felt very bad.

He was easily agitated and was here to show off his achievements. She shouldn't have upset him.

She had to take care of it herself.

She felt Jun Linyuan's forehead and pretended to be surprised. “You're so cold. Are you sick?”

The crown prince wouldn't answer.

Feng Wu knew he was angry.

“Jun Linyuan?”

He still wouldn't say anything.

“Junjun?”

He still wouldn't say anything.

“Brother Jun —”

Feng Wu called him in a sweet voice.
