

Wife 115

Chapter 115

After Yohan pulled Clara out of the main house, he immediately released her hand and said sternly, "If you dislike me touching you, you can wash your hands."

"Isn't it that you don't like me touching you?" Clara replied.

Yohan was momentarily taken aback.

He said in a low voice, "Clara, we are just a nominal couple. I believe that without feelings, physical contact and marital matters cannot continue, which is why I proposed signing an agreement."

ce on you,

"I understand. You're afraid I might be like other women, drooling over you and waiting to pounce strip you down, and sleep with you, right?" Clara mocked.

Yohan's handsome face gradually turned red.

Clara was astonished by his reaction.

She laughed playfully, "Mr. Morris, even though you're 30, in terms of emotions and relationships, you're as innocent as a virgin, aren't you? Have you even had your first kiss?"

Yohan's flushed face darkened, and he sternly said, "Clara, be serious!"

"I'm not teasing you; I'm just asking. How am I not being serious? It makes sense, though. You haven't had time for romance, and you don't even have a girlfriend. At your age, it's normal for your grandmother to urge you to marry. It's also normal that you lack experience," Clara said as if she knew everything.

Clara looked up at the blue sky and then at Yohan, saying, "God is great. He gave me such an innocent husband." She then laughed cheekily.

Yohan felt like his wife was teasing him. But indeed, she had a point. *Www.nove(l)(w)ð℞®.côℳ*

As much as she wanted to refute her, he couldn't find the words. It left him frustrated. *wwww.NOvℓwó℞m.cOm*

"Clara," he said.

"Hmm?" Clara stopped smiling and met his gaze. *www.No(v)e(l)w(o)℞m.com*

As they locked eyes, Clara couldn't help but smile, initially thinking he was very handsome and cold, but now finding him somewhat amusing.

Yohan's dark eyes flickered; he didn't want her to know how beautiful she looked when she smiled.

"Mr. Morris, is there something you want to say?" Clara broke the silence.

"What I said earlier in the house doesn't count," Yohan emphasized that he didn't want Clara to take his words seriously.

He wouldn't be with her for a lifetime.

Clara walked ahead and said, "Didn't you say you'd take me to get familiar with the surroundings? To be honest, I've been here for several days, and I still don't know my way around."

She was too afraid to go to the backyard as it was his usual spot for jogging. Yohan caught up to her.

"Mr. Morris, don't worry, I won't take it seriously," Clara said, "Your acting skills are good; you've fooled me. You managed to scare me when you said you wanted to be with me for a lifetime. Luckily it was all an act."

Yohan remained silent.

After a moment, he said, "Even if we are a nominal couple, as long as you are still my wife, I won't let anyone bully you, not even my parents. They can't do anything to you."

He still could protect her.

"In the Morris family, aside from my grandmother, no one else can interfere in my matters," Yohan added.

His grandmother seemed to like Clara quite a bit. That's why Yohan could promise Clara that he would never let her suffer or be bullied. *(w)ℴw.℞(o)ℴ©l(w)ð℞ℳ.com*

"I'm not a pushover, but I'm still touched that you can say such things. Mr. Morris, you're a very responsible man," Clara commented,

Yohan replied, "After all, you helped me fend against my grandmother."

Clara smiled, "Your grandmother is wonderful; she's a very kind old lady. I won't hold it against her for tricking me."
