

## Wife 32

### Chapter 32

Someone knocked on the door.

Bruce entered the room right after.

He made his way to Yohan's side and bent down to get close to Yohan's ear to whisper into it. He reported, "Ms. Fowler said she will come to meet you after she had lunch. Where would you like her to wait for you?" **Www.n0v3lw0rM.Co@**

Yohan replied, "I'll let her know later.

"Understood."

Bruce got up after he heard that. He was going to leave the room immediately.

As he walked, he wondered how Yohan could have contacted Clara directly and why he was made to deliver messages in person under those circumstances. **@wW.00vel00rm.CoM**

Bruce was confused and irritated with that.

"Bruce."

Yohan called out all of a sudden.

Bruce, who had been complaining internally, was shocked.

He wondered if Yohan had somehow heard his thoughts and complaints.

"Please advise, Mr. Morris," said Bruce politely.

Yohan waved his hand and got Bruce to return. Bruce bent down

again and heard Yohan whisper, "Tell Ms. Fowler to meet me in the

presidential suite on the top floor of this hotel."

"Understood."

### Chapter 37

Yohan waved him off.

Bruce quietly left the room after that

Meanwhile, Clara, Mark, and Liam chatted briefly after eating. Liam had his secretary settle the bill before he turned to his guests and said, "Mr. Fowler, Ms. Fowler, I have asked my secretary to get two rooms ready. The two of you can rest here for now.

"I will take you both to my sister's place tomorrow morning."

Mark smiled and replied, "Okay, we will head over at whatever time is convenient for you. I made you a promise, so I will do my best to solve the issue."

Mark appreciated that and said, "Thank you, Mr. Fowler. Where would you like to go hang out later? You can tell me your plans, and I can have someone take you around." **www.N0tr0lW0rm.Com**

"Thank you, Mr. Anderson, but there's no need for that." Mark politely turned down the offer. He'd rather explore on his own because he'd feel more at ease that way.

"Then, if you need anything at all, Mr. Fowler. Please let me know."

Liam was extremely respectful of Mark because he had been jinxed with bad luck in the past. Fortunately, a friend recommended that he ask Mark for help, and Mark ended up cleansing Liam of that bad luck.

Likewise, when Liam's factory's business was struggling, he asked Mark to inspect it. Mark helped Liam inspect and bless the place, and Liam's business improved after that.

"I will," replied Mark. "Clara, be nice and walk Mr. Anderson out."

After Mark shook Liam's hand, he had Clara walk Liam out.

Clara obeyed.

When they left the room, Liam immediately said, "This is fine, Ms.

Fowler "

He didn't realize Clara knew nothing about performing blessings or anything like that. All Liam knew was that Clara was Mark's only

apprentice. Since Mark was a skilled priest, Liam assumed Clara was

also skilled. **Ww(w)n(o)v(e)lWOrM.coM**

He thought about Mark's age and the possibility of retiring. Hence, Liam made a preemptive move and actively built rapport with Clara, thinking he might need her help in the future.

That was why Liam was also very respectful to Clara.

Clara only walked Liam to the elevator door. She waited until Liam had entered the elevator before she turned around to leave.

"Ms. Fowler."

Bruce happened to exit from another elevator at the time. He saw Clara and was quick to call out to her.

Clara paused and turned to him.

Bruce approached her and politely said, "Mr. Morris asked me to send you a message, Ms. Fowler. He said to meet him at the presidential suite on the top floor."
