

Wife 74

Chapter 74

Forced relationships never turn out well. Hence, Bonnie and Holly could only give up.

“Mr. Potter is an outstanding person, Bonnie. You don’t need to worry. He’ll definitely meet his better half. Pushing too hard for marriage might force them to settle for someone unsuitable.”

Just like her and Yohan.

On the contrary, Clara didn’t think she was inferior, but she and Yohan were indeed strangers. She had gone along with it because of her strong supernatural foresight, which showed her the scene of her marrying Yohan. She simply followed her fate.

Yohan, on the other hand, had truly been forced into it.

Bonnie smiled and said, “Feelings can be cultivated. If they are willing to marry, they can develop feelings afterward and become an enviable couple. In our circle, many couples fall in love after marriage.”

After all, many marriages were alliances for them. There wasn’t much affection initially. For the sake of family business, they reluctantly followed the family elders’ arrangements, marrying into families of equal standing and developing feelings after marriage.

Clara remained silent at this.

As they chatted and walked, they found themselves at Yohan’s villa.

“Bonnie, would you like to come in and sit for a while?”

Clara invited Bonnie inside.

Bonnie politely declined, “Your husband is still at home. I don’t

want to intrude,”

If she went inside, her cover would be blown.

As it was, things were going well. At least Clara was willing to share her thoughts with her.

Bonnie didn’t worry about the eventual revelation, She felt that *Ww(w).novelWorm.©.M*

Clara wouldn’t be too angry if she knew the truth since it wasn’t Yohan who deceived her. If Yohan had lied to her, Clara might have been very upset.

At that moment, a car approached them from a distance.

Bonnie adjusted her gold-rimmed glasses and squinted for a

moment before saying to Clara, “Clara, I’ll have to head back for breakfast, or Chuck will start nagging soon. Let’s chat another day.” *wWw.Novelworm.cOm*

“See you later, Bonnie,”

Clara watched Bonnie leave before heading inside. As soon as she entered, the car arrived and stopped in front of Yohan’s villa.

Clara turned to look, and the person in the car honked at her. She wondered if the car had arrived for Yohan.

She reopened the villa gate to let the car in.

The driver stopped next to Clara, She rolled down the window, and Clara saw that the person was a young, pretty woman in her late 20s.

“Are you new here? You look so young! Would Arthur actually hire someone so young? Won’t Yohan get mad?”

This young woman was Mandy, Chuck’s crush and the Smiths’ daughter,

Mandy was there to check Chuck’s teeth but preferred to park at

Yohan’s place because it was more convenient. Going to Chuck’s house required a detour she didn’t want to make.

Mandy assumed Clara was a new housekeeper hired by Arthur. *www.movelWorm.©.Com*

Clara smiled and said, “Mr. Morris does get very mad. I don’t dare to be around him.” *WwW.nOveLworm.côM*
