

Geek Wolf Chapter 13 - Tips

"Rex said I could stay on his couch tonight," Blake said, lifting a backpack over his shoulder. "You two should be alone tonight."

"I can drive you," Felix said.

"No need, a car's on the way."

Blake left, and Jasmine and Felix were alone at last. She reached across the table and took his hand.

"I can't believe it's over. You really are my hero."

He stood and lifted her to her feet. He wrapped his arms around her, kissed her gently on the lips, leaned back, and looked into her eyes.

"I'll always be here to protect you. You're my mate and the love of my life. You're everything to me."

"Oh, Felix. I've always wanted to hear those words. I didn't believe that I ever would, and now here you are, saying them."

He kissed her, his tongue darting into her mouth. She opened to him, groaning as the flood of desire swept through her body. She wanted to be his, now and forever. She wanted him to claim her so that she would belong to him completely and he would belong to her.

"I'm ready," she whispered in his ear. "I want you to make the claiming bite."

He groaned and swept her up into his arms. She gasped and wrapped her arms around his neck as he charged up the stairs to the bedroom.

He laid her gently on the bed and pulled off his flannel shirt in one motion. Jasmine shuddered with desire as he climbed between her legs. She ran her hands over his skin, loving the feeling of his tight flesh under her hands.

Their tongues danced and he sucked her lip. Jasmine wrapped her hands around his waist and over his ass, squeezing the hard mounds in her hands. She pulled him against her, and his hardness pressed to her sex. She couldn't wait a second longer to have him inside her.

As if reading her thoughts, Felix began to undress her, pulling off her blouse and bra and kissing her breasts. He unbuttoned her pants and pulled off her shoes.

N*ked, her legs spread, he kneeled between her th!ghs. Felix !lcked and k!ssed her stomach. Her pvssy was screaming to be touched.

Jasmine gr0aned and arched her back, angling herself towards his mouth. He fl!cked his tongue up her slit and spread her l!ps with his fingers. She gr0aned and ran her fingers through his hair. Felix pressed his tongue to her cl!t and !lcked. A shiver went over her whole body and her n!pples hardened into stones.

“Oh, Felix.”

She looked up at him and their eyes met as he reverently !lcked her. She m0aned and mewled, wanting so much more. His tongue was taking her to the heights of ecstasy, and she could barely contain herself.

Felix pressed a finger into her we.t entrance. Jasmine shuddered and moved into him, her mouth opening in a gasp. She gripped his hair and arched her back. He added another finger to her we*t pvssy as he !lcked her cl!t. He moved slowly in and out of her, pressing against her. She shuddered and cried out as she came on his fingers.

“I need you inside me. I want your teeth in my neck and your come in my pvssy.”

Felix pressed the head of his c0ck to her entrance. She was sl!ck with juice and so ready to take him. His tongue darted in and out of her mouth and he tweaked her n!pples. Jasmine gr0aned and tilted her head toward him. The head of his c0ck slipped through her folds and inched inside her.

“Felix.”

She gripped his as*s, pulling him toward her. He sank inside, and she shuddered as she opened for him. Her body ripped with cl!max as he sank into the depths of her core.

She loved the feeling of his n*ked c0ck inside her.

“You’re mine,” he whispered in her ear, pulling back and slowly sliding in again.

Jasmine could feel every ridge and crevice in his c0ck rubbing up against her insides. She wanted his come inside her. She wanted him to put a baby in her womb. She wanted the promise of happily ever after. She wanted it now.

“Claim me.”

He growled and gripped her h!ps, moving slow and steady into her. She ran her hands over his shoulders and down his c.hest, watching his face as he thrust into her. Jasmine

wanted him to consume her as she wanted to consume him. She wanted them to be completely bonded and connected; to be one.

Jasmine felt herself rushing towards another climax. Felix growled and ran his sharp teeth over her neck. His teeth expanded and he bit, cutting off the breath. She groaned and went silent. Felix thrust powerfully and erupted deep inside her, coating her walls with his seed. Ecstasy surrounded her.

Jasmine was in the darkness of space. Stars and galaxies spread out around her in every direction. Weightless, standing beside her gorgeous mate. She turned to him and flung her arms around him.

"This is where eternal love lives," she whispered. "I knew where it was all along."

"This is where we are forever bonded," he said.

She could feel everything that was in him rushing into her and everything that was her rushing into him. It was as if they were twin suns feeding each other their fire for all of time.

"I'm free," she said, running through the endless space.

Felix laughed and ran beside her, charging through the night sky on weightless feet. They grabbed each other's hands and spun around, dancing at a million miles an hour through eternity.

Jasmine gasped for breath as Felix's teeth retracted from her neck. She was sprawled out on the bed, wet and naked and satisfied. Felix rolled away from her and pulled her into his arms. She could feel his seed wet inside her, and she hoped they would soon be with child.

"I've always known," she whispered.

"What have you always known, my love?"

"There is a place where lovers meet and live in each other's hearts for eternity. Now I know for sure that it's real."

He kissed her and ran his hand over her body.

"I will always take care of you. If I have a single shred of consciousness, my soul will live for yours."
