

Gacha 257

257 Summoning Day

Alex opened the first box that contained five Gacha Balls. The Gacha Ball itself seemed to have no difference. It opened as usual and showed him the item.

The first item was a bottle of blood. It was a big bottle.

[King Stage monster blood (SR) x1 Acquired]

He continued opening the gacha balls one by one.

[Summoning Ticket (UR) x10 Acquired]

[Grandmaster Stage monster skin (R) x1 Acquired]

[Rank 3 Spear (R) x1 Acquired]

[Rank 4 Shield (SR) x1 Acquired]

He was lucky to get another Summoning Ticket. As for the King Stage monster blood, he didn't have any use for it. He could only use it after he reached rank 5 Array Master. Hopefully, the blood won't be coagulated before then.

He had many Rank 3 spears at the moment, so it just became another collection of his. As for Rank 4 shield, he didn't use a shield, so he ignored it. The last one would be a Grandmaster Stage monster skin. He would just use it as a practice for his Teleportation Array.

He was eager to try it after getting the new knowledge about Space Element. He seemed to grasp an understanding of the Space Plate. But, he should practice it first back in the sect.

He opened the second box of gacha balls and opened the balls one by one.

[Axe Cleaving Mountain Technique (SR) x1 Acquired]

[Summoning Ticket (SR) x5 Acquired]

[Rank 3 Bow (R) x1 Acquired]

[Aloe Herb (R) x1 Acquired]

[Summoning Ticket (SR) x5 Acquired]

Alex was astonished to get twenty Summoning Tickets in one day. "Is this a Summoning day?"

Alex immediately ignored the bow, Aloe herb, and Axe Cleaving Mountain Technique since he didn't use any of them. He was interested in the summoning tickets. He got twenty of them. That meant he could summon twenty two cards.

He immediately used them. He used the first ten.

[Ngina (SR) x1]

[Jeanee (UR) x1]

[EXP Card (R) x1]

[Algas (R) x1]

[EXP Card (R) x1]

[Bison (C) x1]

[EXP Card (UC) x1]

[Steren (SR) x1]

[Stanimir (R) x1]

[EXP Card (R) x1]

[Ultimate EXP Card (UR) x1]

Alex got another two UR from this summoning alone. Surprisingly, he got the UR EXP card, and it called Ultimate EXP Card. Alex immediately checked this EXP card.

[Ultimate EXP Card +1 Realm]

Alex was dumbfounded when he saw that. A rare EXP Card could add 100,000 EXPs, and SR EXP Card could add 1,000,000 EXPs. He thought UR EXP Card would give him 10,000,000 EXPs. But maybe it was too absurd? So the system gave him a one realm card.

But he found something off. If he used this on Anna, Leoz, or Fabio, wouldn't they immediately become a Martial King? What about the restriction?

The system told him about the restriction of their level. Their power couldn't be more than a whole realm than him. If they became a Martial King, it was already over a whole realm.

[That's right, Host. Even you use it on them right now. They will be stuck at 6-Star Martial Lord, and the rest of the EXPs will be useless.]

"Thank you, System," As usual, his system knew his thought and immediately answered him.

[Your welcome, Host]

He checked the other cards he got. Surprisingly, out of five UR spirits, the one he got was Jeanne... the 'S'.

He just shook his head and took out her card.

"!!!"

When Anna and Fabio saw the card that Alex pulled out, they felt a chill.

Alex didn't notice their change of expression, so he continued what he was doing. "Summon."

A rainbow gate appeared in front of them and a woman... a kid? Nah, from her complexion, Alex could see she wasn't a kid. But her figure was making it hard to consider her as a woman.

She had yellow hair tied into twin tails. Her height was around one hundred fifty centimeters or around 5'. Her body was graceful. Alex just decided to see her as a teenager. She wore a white shirt and a black mini skirt.

"Greetings, my Master. Please let me call you 'Master' as 'Young Master' is not enough to make me happy," she said while licking her lips.

It gave Alex a goosebumps. Alex decided to accept her wish and ignored her licking her lips. "Sure, I'm glad you are with us, Jeanne."

"Yes. If you want to make someone suffer, please call me. I will make sure he/she will think dying is better than living."

Alex just closed his eyes and nodded to her. "I will go for another Summoning."

[Blue Slime (C) x1]

[EXP Card (UC) x1]

[Bone Horse (UC) x1]

[Limao (SR) x1]

[EXP Card (R) x1]

[Vera Fabotelli (UR) x1]

[EXP Card (R) x1]

[EXP Card (R) x1]

[Njomo (R) x1]

[EXP Card (SR) x1]

[Nicole (SR) x1]

"..."

Well, he was happy to get another UR unit, but he was more pleased to get two Nelson's subordinates in this Gachas and another one on the previous gacha. He didn't know about their skills, but they should be good.

But Alex took out Vera's card first. When Alex took her card out, Anna immediately said, "Geh!"

Even Jeanne also made a weird expression while scratching her head. On the other hand, Fabio looked away. His face was red because of blushing. Alex opened his mouth, "Summon."

A light blue haired woman appeared from the gate. She wore a pair of ice crystal hairpin on her hair. She carried a blue sword on her waist. It had another Ice Crystal as a decoration. She had big blue eyes and a beautiful smile.

"Vera Fobotelli greets Young Master," she said while kneeling on one knee. As a Tsun-Tsun Couple, she also didn't forget to add, "It's because of my obligation to greet you, okay. It is not like I'm happy to meet you."

Alex only made a wry smile and shook his head helplessly. He thought, 'it is really come.'

"Sure. I am happy to have you with us. You might want to say something to your husband first. I will call the others first."

"Yes," Vera said as she rose from the ground and walked to Fabio.

"Husband..." Vera muttered while approaching Fabio.

"Wife..." Fabio smiled while blushing.

"I miss you," Vera said, and she didn't forget to add, "It's my obligation to say that, okay. We haven't met in a few years so, and I should say that. It's not like I am really missing you or something."

"I... It's not like I am happy to meet you again here. I am just glad we can help Young Master together," Fabio said.

"Husband..."

"Wife..."

Both of them looked at each other like they fell in love again.

Anna started gnashing her teeth while Jeanne's expression turned to dark. Jeanne suddenly said with a dark tone, "Alright. Let's play with them!"

Anna opened her eyes wide, and she immediately grabbed her.

"Anna, let me play with them for a while," Jeanne complained. Because her level was still one, she wasn't strong enough to break free from Anna.

Alex just ignored them this whole time. There were four spirits in front of him. Nicole was a succubus. She had pink hair and a voluptuous body. She had a pair of wings and tail on her back. It seemed she could hide her wings and tail and camouflage.

Ngina was a lizardman. He practically looked like a lizard that stood on two feet. He had the ability to turn into a small lizard and crawled on the wall. He then could search for information that way.

As for Njomo, he was a dog... literally. The same as Ngina, he could turn his body to a small and cute dog or a big ferocious dog. He was a Shadow Dog, which could go inside one's shadow. He could jump from a shadow to another and search for information that way. As long as their power difference wasn't too big, they wouldn't be able to find him inside a shadow.

Limao was a birdman. He had a human appearance in front, but he got a pair of white wings on his back. He used a trident as his weapon.

Alex was talking with Nelson, "Nelson, I got three of your subordinates."

"Yes, Young Master. I felt their existence too. We have a special relationship that could make us share each other information. This is how we operate. What are you going to do with them, Young Master?"

"I don't know. I am thinking about leaving them to you. But, let me see if I can pull enough EXP cards to let them level up."

"Understood."

Alex nodded and said, "System, use every ticket I have."

Alex got nine (R) EXP Cards, including three cards that he didn't use when leveling up Anna and Fabio and one (SR) EXP cards. But, he had many spirits to level up. Jeanne, Vera, Limao, and this trio.

It wasn't enough for them. He needed six hundred thousand EXPs for them to reach 1-Star Martial Grandmaster.

[Tea Cup (C) x1]

[Wine (R) x1]

[Ballista (UC) x1]

...

...

...

[Summoning Coin (C) x1]

Alex used almost five hundred Gacha Tickets. He got around a hundred fifty five Summoning Coins

He got another twenty (R) EXP cards along with a total of forty three (UC) EXP cards. He just ignored the three (UC) EXP cards. In other words, he had thirty two (R) EXP cards and one (SR) EXP card.

Alex used the (SR) EXP card on Jeanne. She became a 3-Star Martial Grandmaster in an instant.

"Ah, I got an (SR) EXP card from Master. I am blessed."

Vera, Limao, and the spy trio got six EXP cards each. As for the last three EXP cards, he used it on Vera and made her a 2-Star Martial Grandmaster.

"System, could I check their level and EXP alone. I don't need their status for now," Alex asked. He wanted to check everyone's progress, including Leoz.

[Njomo (Dark)

Level: 21/80 (1-Star Martial Grandmaster Stage)

Exp: 5000/120000]

Alex surely had gotten a great line up here. He had gotten twelve spirits that he could trust his back on.

"Alright. We are going now. For Tick- Ahem, For Senior Sister! I don't care about anyone else. But the top priority was Zhou Kingdom's soldiers.

"Anna and Fabio will leave together with me. Jeanne and Vera will go back to the card first, I will call all of you when the fight has started. Oh, I almost forgot. For Anna, Jeanne, and Vera... I think you three should use a veil. Well, you three are... pretty, so..."

All of them didn't say anything. Anna put her usual black veil while Jeanne used a white veil. Even Vera also put a white veil to cover her face. Despite her attitude, she was indeed pretty.

"I'm sorry, but Limao might not be able to fight on the battlefield. But, we couldn't be sure what happened later, so just in case, prepare to fight."

"Understood."

"Nicole, Ngina, and Njomo will try to search for information inside Southern Kingdom."

"Young Master, both Ngina and I should be enough. Please take Njomo with you in your shadow. So if you want to search for urgent information, you can ask him to do so," Nicole advised.

"Woof!" Njomo's tail was wagging left and right.

"Alright."

After getting an 'OK' from Alex, Njomo went inside Alex's shadow.

Alex then put all of them inside the card, except Anna and Fabio. They visited Sherry and Kyle.

Sherry had become a peak Grandmaster Stage Beast while Kyle was an 8-Star Grandmaster Stage.

"Sherry, Kyle, we are going."

"Wuu!"

"Chirp!"

Sherry wasn't reluctant to leave the comfortable Gathering Array anymore. She taught Kyle to do so too. When Alex called them, they immediately went back to his body.

Alex then visited Zwaka.

"Senior, I want to leave this place," Alex said.

Zwaka was astonished to hear that. "Are you sure? This place can hold for another month, though."

"I'm sorry, Senior. But I have another important thing to do."

"... Alright. I will use the remaining energy inside this realm and make a teleportation array for you. It should be able to teleport you two hundred miles away from here. Where do you want to go?"

"South."

"Sure. Anyway, remember your promise," Zwaka wasn't offended by his request to leave. After all, he only had a month left, so dying here was fine too.

Alex nodded with a serious expression. An array then appeared on the ground.

"Your master should be a great person, so don't disappoint your master and get stronger."

"This Junior thanks Senior once again. Thank you for your help."

Zwaka smiled at them and activated the array. Alex, Anna, and Fabio disappeared from that place.
