

Game Over 1021

Chapter 1021 He Did It on Purpose

Jessica had experienced a failed marriage and she had lived in the dark for many years.

Now that she finally had hope, she definitely did not want to destroy it herself.

Especially in a family like Leonard, there was no future for her. She was a woman who did not believe in love. She would never dream of marrying into a wealthy family like Cinderella.

Even though Lizzy and Matthew were a good example, she did not have the status of a young lady like Lazy.

Leonard's gaze darkened.

"You're still sober."

"Of course. After all, I'm not an innocent little girl anymore. I'm a little girl's mother."

just one sentence from him, she would be able to get back at him.

Very good! Very good!

The man turned around with a dark face and strode forward.

Jessica sighed. Fortunately, her tongue were sharp.

In the red temptation, the clerk was a woman, dressed very sexy, and she was very enthusiastic

"What do you two want to buy? You can buy it online or offline here."

Jessica had never been to such a place before. Before entering, she felt that it was nothing. After entering, she felt really awkward.

Those pajamas and those toys were so erotic and forbidden.

Leonard's face was flushed. A sneer flashed across his lips.

"Miss Jessica, aren't you an expert? Which one do you think suits me?"

Jessica listened to his calm voice and seemed to hear a mockery. She ignored it and pointed to the dolls not far away.

This gentleman wants to buy a doll He wants it to be sexy and prefly."

Upon hearing that, the clerk smiled and looked at Leonard.

"Sir, based on your taste, I think you like this one."

She pointed to a doll in a sexy pajamas. "She was specially custom made based on male aesthetics. The customers are very satisfied with her.

Not only is she pretty, but also like a real person, and her voice is pleasing."

Leonard did not look at the things in the window. Instead, he stared at the woman beside him. Her eyelashes were trembling.

She looked calm, it turned out that she was just faking.

"Yeah, take it out and let us take a look. I want to hear her voice."

1/2

neck.

The clerk was stunned. "Sir, she will only make a sound in bed."

Jessica really wanted to find a hole to bury herself in. He really wasn't embarrassed at all.

And she really couldn't take it anymore.

Jessica turned and walked to the other side, it was better to stay away from him!

Just when she was lost in her thoughts, a voice rang beside her ear.

"Do you like these clothes? Choose a few sets. I'll give them to you."

She didn't know when he walked up to her again. Besides, he was very close to her. She could feel the warmth of him spreading all over her

Only then did Jessica take a glance at where she stood and saw her sexy lingerie

She furrowed her eyebrows. No need, I don't need it."

However, Leonard walked up and pointed at the row of underwear.

"Besides this, let this lady try everything else."

Upon hearing that, the clerk hurriedly took the clothes off

“Alright, this lady has such a good figure. She’s beautiful. She must look good in these.”

Jessica’s expression changed. She had never seen those clothes before.

The fabric was too environmental friendly.

“Mr. Johnson, I’m only accompanying customers to buy the things they need. This service is not included.”

Seeing how reluctant she was, the corners of his lips curved upward.

“Miss Jessica, is this the level of your service? Then I’ll give you a bad comment.”

He was threatening her. Another bad comment would affect their store greatly.

Jessica glared at him. Her eyes were filled with rage, but she was helpless.

“Mr. Johnson, don’t go too far.”

Leonard sat on the sofa and crossed his legs elegantly. He narrowed his eyes and smiled.

*50,000 for 2 hours. Do you think you can get it so easily?

Chapter 1022 Inexplicably Feeling, Uncomfortable

Jessica took a deep breath. Fine, you have the money, then you are my boss.

Anyway, he hasn’t seen her whole body before.

“Okay, I’ll try them on ”

At this moment, a few men walked in. Jessica did not care and walked to the closet.

Leonard grabbed her. "That's enough. There's no need to try. Pack them all "

Only then did Jessica turn around and look at him. She saw the darkness and anger on his face.

Jessica didn't know why he was mad at her. Didn't he say he wanted her to try?

Is he going to use this as an excuse.

"Mr. Johnson, are you sure you'll pay me as promised?"

Leonard was paying at the cashier. The clerk asked him if he wanted the doll. He rejected it.

The clerk wrapped the underwear and pajamas. After Leonard inserted the card, the clerk handed him the bag.

Jessica hurried over to pick it up. It was her duty to help the guests carry their things.

Leonard accepted it without a word and strode out.

Only twenty minutes had passed. There was still one hour and forty minutes left. Jessica sighed, wondering what he was going to buy next?

"He is deliberately making things difficult for me today."

Previously, he wanted to embarrass her. Fortunately, there were guests in. Otherwise, he might really have let her wear those clothes.

By the time she was lost in her thoughts, Leonard brought her to a seven star hotel. Besides, he was already checking in.

“I want your identity card.”

Only when he spoke did Jessica react.

“Huh?”

Only then did she take a closer look. They were standing in the lobby of Riden Hotel

“They need to register your identity.”

Leonard repeated. Jessica bit her lips and held her bag tightly.

“Mr. Johnson, I’m only accompanying you shopping. I don’t provide any other services.”

After saying that, she was about to turn around and leave. However, she was caught by Leonard. His gaze was dark and his voice deepened.

“What do you think I’m going to do to you? Don’t take yourself too seriously.”

Jessica glanced back. He, whenever he was with her, it wasn’t for that kind of thing.

Previously, she owed him. Now that the contract had expired, she no longer owed him.

Even though she was very grateful to him for making Pearl recover and no longer suffer from the pain.

“But gratitude is nothing compared to sex.”

No matter how grateful she was, she couldn't keep using her body to repay him.

Leonard raised the bags in his hand. Try them on. I want to pick one for my girlfriend, the one that you've seen before."

"Layla?"

Jessica said her name out loud.

"I've always seen her on the television. She's wearing the uniform of the National Security Bureau, facing the media and talking about politics.

"She's really outstanding." She knew she could not compete with her.

"It's her. She's quite busy and doesn't have time to go shopping. So I want to buy something for her. Between a man and a woman, we need

some fire and this is what we need the most."

Upon hearing him, Jessica felt upset for some reason, her heart felt like it was stuffed with cotton..

Her eyebrows knitted together. In the end, she took out her identity card and walked to the front desk to hand in her identity card.

Since he already has a girlfriend and has spent so much money, let's do it

After the fitting, she would take the money and leave.

Watching her communicate with the receptionist, Leonard's expression darkened.

Sure enough, she was more obedient after he mentioned Layla. How much did this woman want him to be with that woman and wear this kind of clothes?

In an instant, his mood seemed to have dropped to the bottom. Looking at her, his gaze became colder.

Chapter 1023 Regret

In the presidential suite, Leonard was sitting upright on the sofa. There was a cigarette between his fingers.

Normally, he would not smoke. However, he was very annoyed today, so he asked the hotel staff to send a packet in.

He took a deep breath and stared at the master bedroom.

Jessica went in and changed. He could already imagine how she looked after wearing those clothes.

She must be very seductive. She was born to seduce men. He had tasted her before.

In the bedroom, she had changed into a nurse's uniform with the most fabric.

Although this was the one with most coverage, it still exposed her belly and legs.

Standing in front of the mirror, she looked at her in the mirror. Her curvaceous and slender fair legs completely accentuated her body.

She could not even stand herself. This was too much.

She closed her eyes. She really wanted to slap herself. Why did she agree to his request?

Now, she was practically riding a tiger but couldn't get off.

She was just standing there, not knowing what to do.

Moreover, if Layla wore such a piece of clothing, it would make her look even better!

All of a sudden, she had the urge to destroy these clothes. No one should wear them.

Just as she was deep in her thoughts, she heard Leonard's voice.

"When are you going to come out? I won't add more money if you keep procrastinating."

At this moment, Jessica felt like she had just woken up. She felt like she had gone crazy. It was up to him whom he wanted to give those

clothes to

Moreover, he and Layla were the best match. Her family was a prominent family of soldiers, and Layla also came from the military and her

father was also the president

A girl with a family background like this is the ideal wife of Leonard.

Mrs. Johnson must be looking forward to their marriage!

If her son had such a good match, she was also looking forward to it

Hence, she took a deep breath to calm herself down. Isn't she doing it for money? She walked out and let him take a look. She won't die.

50,000 was a lot to her.

1/2

The one million that Mrs. Johnson gave her was not hers. When Leonard gets married, she will return it to Mrs. Johnson.

Therefore, she was very poor now. She needed to earn a lot of money to pay off the money she owed her relatives before.

“Well, your dignity is worthless in front of poverty.

Jessica, you should come out now.

She spoke to herself. Then, she walked out and pushed the door open.

She became calm and collected, as if she was wearing something else?

She looked up and walked out.

Leonard had already smoked half a packet of cigarette. The living room was filled with the scent of cigarette. When he looked up at her, he was

stunned

Even the cigarette in his fingers was about to burn, he forgot until it burned his fingers. Only then did he come back to his senses and put out

the cigarette butt

“Turn around.”

Jessica had used up a lot of courage to stand there. She felt that it was a little difficult for her to turn around.

“Mr. Johnson, I think Ms. Chen looks good in this set of clothes. In fact, every set of clothes inside is very beautiful. She could wear something different every day.”

Previously, Leonard was in a terrible mood. At this moment, he listened to her flattery and rage rose.

In the end, he stood up and pulled her into his arms. His large hand was on her slender waist.

“Mr. Johnson, let go of me.”

The moment he got closer, she felt that there was danger. She had seen this man's needs, and he was like a machine on bed...

Besides, the moment he saw her, he couldn't control himself

Previously, she knew that with her current appearance, it might be harder for him to control himself

She was scared. She struggled, wanting to escape.

Leonard lowered his head and bit her ear. His voice was aggressive. “me?”

“You're dressed like this and standing in front of me. What do you want me to do? If you make a scene again, I'll bite your ear. Do you believe

Chapter 1024 She Finally Learns To Resist

This man, is it really me who wants to stand in front of him dressed like this?

Jessica clenched her fists tightly and then waved at his face.

Leonard was stunned by her fist. Then, he smiled.

“Hah! You finally learn to hit someone?”

Previously, this woman was very obedient and she would do whatever he said.

It seemed like she won't resist. If she really met a customer like him today..

Do you understand what the consequences of not resisting are?

The smile on his lips grew wider.

Jessica was in a fit of rage. His actions just now had already crossed her boundaries.

Even though she felt familiar with his body, she couldn't let him do whatever he wanted.

Now that they had nothing to do with each other, she wanted to live a serious life, so she had to make herself grow stronger.

“Mr. Johnson, please be more respectful.”

After saying that, she turned around and entered the bedroom. She slammed the door shut and locked it.

When she changed into her clothes and walked out again, her expression was very determined.

I'll get the accountant to return the money to your account.”

After saying that, she walked away. Leonard smiled.

There's no need. You've wasted so much time after work, and you've also bought what I want. Of course, I should pay for your trouble, and I'll

pay ten percent of the service fees for these clothes."

Jessica's footsteps paused slightly, and she glanced at him indifferently. He at least had a little conscience.

After leaving the hotel and walking in the cold breeze, she felt a little upset for a moment.

Her mind was inexplicably empty. She felt like no man would treat her sincerely. Patrick, and now Leonard.

Previously, her relationship with Leonard was just a contract.

In this life, she would never believe in men and love again.

1/2

At this moment, Elizabeth called

"Lizzy," she answered.

"Jessica, are you free tomorrow? The dishes I told you today, I want to go to

house tomorrow to practice."

Originally, she could go back to her own home, and Ms. Elliott was still staying there.

However Matthew would go there for her. It was safer to go to Jessica's house

"Sure!"

"What's wrong with you? You don't sound too happy"

"It's fine. It's just a bit cold. I want to have a drink."

She could tell that something was amiss with her.

"Sure, I haven't had a drink in a long time. Where are you? I'll go find you."

After saying that, she stood up from the sofa and walked upstairs.

The living room was still lively. The kids were having a great time, and she did not need to look at the kids now, so she could accompany her.

"Wouldn't your husband be upset?"

At this time, the two of them were together and they were laughing happily. She had already felt that Matthew probably wouldn't let her out.

The moment she entered the bedroom, Matthew followed her in.

"Lizzy, are you feeling unwell?"

Recently, she seemed to be quite tired. When she was in the living room just now, she kept yawning. He thought it was his wife who was tired and was about to sleep with her.

Elizabeth smiled and said to Jessica

“He won’t Send me the address.”

After hanging up the phone, she wrapped her arms around Matthew’s neck.

“Darling, it’s Jessica who’s in a bad mood today. She asked me to accompany her for a while. I’ll be back later”

Matthew was obviously upset when he heard that

“She’s not happy. I can ask Leonard to accompany her, and he will definitely inake her happy.”

Sometimes when a woman is in a bad mood, a man can relieve her worries.

Elizabeth shook her head.

“Darling, do I have no freedom after marrying you?”

She caught Matthew off guard.

Frowning, he replied, “Of course not.”

Chapter 1025 Envy

If she married him, she won’t have any freedom. Would it

be fun to get married?

A marriage doesn’t mean that two people are bound together. No one can leave

The marriage was supposed to be for everyone to ride in the same car and see the scenery all the way, but no one wanted to get out of the car.

“Then I want to go accompany Jessica Can you stay at home and take care of the kids?”

“Sure!”

Mr. Hilton, the wise Mr. Hilton, had fell into her trap, and he couldn't say anything against her.

All she could do was watch her beautiful wife change into her clothes and send her into the car.

Only after Elizabeth drove out of the Hilton Family did her message come.

“Darling, remember to check the children's homework. I love you!”

Matthew looked at his wife's order and could only go in to check on the children's homework.

As he walked, he dialed Leonard's number. At this moment, he was still in the hotel. There was a bottle of XO in front of him. Half of the bottle

had already been drunk by him, and his eyes were a little blurry.

When he saw the phone on the bar counter vibrating, he picked up the phone and answered it.

“Hello.”

“Jessica's in a bad mood today. Did you make her mad again?”

After hearing this, he sneered a few times.

“She’s such a heartless woman. Can I make her unhappy? Hahaha...”

Matthew’s expression turned cold. “I don’t care about your relationship with her. I just hope your wife won’t invite my wife out. She won’t have

time to accompany her husband and kids.”

Leonard couldn’t help but laugh. “So you’re alone today too! Do you want to accompany me to Riden Hotel for a drink?”

He poured himself another glass and drank it in one gulp.

“Damn it. I’ve only seen her today. Why am I thinking about her now?”

“You can drunk it yourself I need to take care of the kids and check their homework”

Leonard sighed when he heard that a man was happy to be a father.

“Envy, I’m so envious.”

1/2

He did not have a kid. If Pearl was his kid, how good would it be?

For the sake of the kid, Jessica wouldn’t be so heartless toward him

Elizabeth’s car stopped at the entrance of Night City. The driver opened the door for her

“I’ll be waiting for you outside. Call me if you need anything ”

Elizabeth nodded and stepped out of the car.

Just after she got out of the car, Hazelian over

“Lazy, Mr. Hilton said that you’re out to have fun. I want to have fun too.”

She happily came over and held her hand.

Actually, she was arranged by Matthew In the future, no matter where Elizabeth went, she had to protect her.

Matthew knew how skilled Hazel was. No one could beat her.

Elizabeth was a little surprised. “Hazel, how did you get here?”

Isn’t this little girl at home playing with Abby and the others? When she came out, she was bathing Abby

She didn’t expect her to arrive so soon.

Hazel scratched her head. “Mr. Hilton’s driver sent me here.” light

Actually, she ran here. She ran at a much faster speed than a car. Because there was no traffic jam, and there was no need to wait for the red

Of course, no one would believe such a thing, and she did not dare to say it..

Previously, Matthew was about to ask the chauffeur to send her off, but she couldn't wait and run over.

Thinking about night breeze along the way, she felt quite comfortable.

At the Hilton Family today, she seemed to have found the feeling of the past. She liked being with Abby, and she liked being with Lizzy too.

Therefore, she would definitely protect Lizzy.

The two of them walked into the club. A man wearing a ghost mask passed by, narrowed his eyes slightly and sent a text to Nate.

"Master, Ms. Wade is here, but Matthew is not here."

Chapter 1026 You Are Jealous

Night City was no strange place to the three women.

All the way in, there were people greeting them.

"You're getting prettier and prettier"

Elizabeth would talk to them too. When they were colleagues, everyone would take care of each other.

Even though she did not work here anymore, she was still very close to them.

Hazel was a little surprised. "Lizzy, did you work here before?"

A woman like Elizabeth did not look like a waitress here. Because of her kindness and warmth, she felt that she had always been raised in

Elizabeth smiled. "That was many years ago. Back then, I was poor, so I had no choice but because I had to raise three children."

She was a mother with no education, no background, and no ability. It was really difficult to raise them.

Thinking about the past, and looking at the present, she felt that she had come a long way.

When they reached the private room, Jessica was holding a bottle of wine alone. She was almost done drinking

Hazel furrowed her eyebrows. She had never seen Jessica like this before.

She took off her suit jacket and wore a white shirt Her figure was perfectly outlined.

Hazel has already understood this. Men like a body like Jessica's.

Jessica smiled when she saw the two of them enter.

1/2

"Hazel is here too. Come, have a drink with your sister."

After saying that, she was about to pour a glass of wine for Hazel, but Elizabeth quickly stopped her.

"She is a kid. I'll drink with you."

In fact, Hazel didn't even think of drinking. She had to protect Lizzy. Her alcohol tolerance was poor, how could she get drunk!

She smiled, "I'll just have some water."

She opened a bottle of mineral water and raised it.

Her chubby little face had already disappeared. Her little face now made her look more seductive and prettier.

Elizabeth poured herself a glass. "To you."

The three of them took a big gulp and Lizzy spoke,

"Hazel, go get something to eat. Just order whatever you want to eat. Also, we want to sing karaoke."

Hazel was willing to serve them. She called a waiter and ordered some food. Then, she even ordered a song for them.

The two of them held the microphone and stood side by side, singing and dancing.

After singing, the two of them looked at each other and laughed.

Sitting on the sofa, they let out a long sigh.

"Tonight, we're going crazy."

Previously, they were too poor. Both of them had to work hard to just survive, so they had to work and earn money every day. There was no

time to enjoy life.

Now, Elizabeth had her own company and many properties. She became a wealthy person.

And Jessica also had her own career, they could finally live a decent life.

Jessica poured her a glass of wine, "Lizzy. I'm a little strange today. Do you think I'm hot for you?"

"What's wrong?"

Seeing that she was not in a good mood, even if she were to face Pearl's illness in the past, she would cry at most and then suppress her emotions.

The emotions she had today and the urge to get drunk didn't look like her true colors.

Jessica picked up the glass and took a sip. The light in her eyes darkened.

Today, Leonard made an order and asked me to go shopping with him. Then, he bought a lot of sexy pajamas and underwear for his girlfriend,

Layla. It's the president's daughter, the head of the National Security Bureau."

"Are you feeling upset? Are you jealous?"

Elizabeth looked at her and was a little worried about her.

If she really fell in love with him, then it wouldn't be a good thing.

Jessica drank the wine and shook her head.

"I've always warned myself not to fall in love with him. Previously, he kept bullying me, so I really didn't fall in love with him. But today, I don't know what happened to me."

Chapter 1027 Do You Like Her

She really could not describe this feeling clearly. Her heart felt suffocated, like it was stuck in a pile of cotton.

No matter how she convinced herself, no matter what she thought

However, the cotton was stuck there, and it felt terribly upset.

Elizabeth narrowed her eyes, "I think you're feeling upset because he used to have only you, and now he has another woman!"

"Women are like this. Everyone wants to be favored."

"I think so!"

She continued drinking, but the light in her beautiful big eyes became darker and darker.

She was seemingly getting more and more unhappy.

Sitting in front of the pile of food, she watched them chat while eating. She was still more interested in the food.

It was so good to go back to sing Lizzy's side.

At this moment, the door of the private room was pushed open.

Nate walked in. When he saw Elizabeth, he was slightly surprised.

"Why is it you?"

He looked at Elizabeth with a puzzled expression.

Elizabeth drank a little, but her courage had grown, and she was not completely drunk yet.

She stood up and pointed at him. "Are you here to see me?"

The thought of the dishes she hadn't learned yet and the dishes she cooked weren't delicious made her nervous.

If he felt that the dishes weren't good and became upset, he won't tell her where her mother was. She pouted furiously.

"Why don't you look for me again in a few days?"

Jessica looked at the man in white standing at the door.

"Lizy, who is he?"

Women have no resistance to handsome men.

"Either of them had a man tonight. Why don't we let him accompany us? He's such a good-looking handsome young man, and I want to divert

my attention."

1/2

Elizabeth introduced her, "This is Nate."

Jessica walked over and pulled him to sit down on the sofa.

“Nate dear, let’s drink and sing together, okay?”

She poured a glass of wine for him. The more she looked at him, the more she felt that the young man was good-looking. It was as if he had

come out of a comic book.

Her whole body exuded a fresh and clean scent. No, no, this scent was too familiar to her, like the smell of disinfectant

Nate hated it when others touched him.

However, seeing that she was Elizabeth’s friend, he endured it. He raised his hand and blocked the sleeves of the clothes. A trace of

displeasure flashed across his narrow and charming eyes.

Elizabeth saw how enthusiastic Jessica was and hurriedly pulled her over and whispered into her ear.

“Jess, why did you ask him to come together? I was avoiding him lately.”

The menu he gave her was too difficult for her. Seafood was tricky to cook.

Because Abby was allergic to seafood, she used to walk around whenever she saw seafood. She was afraid that the girl would get sick if she

touched a little.

girl.

“Then I have to take her to the hospital. Going to the hospital is a terrifying thing.”

Jessica laughed. “It’s fine, you can’t drink much, he can drink with me. Go and have fun with Hazel”

After saying that, she walked toward Nate. Nate’s gaze remained on Elizabeth. She sat down beside Hazel and ate the chicken wings with the

Jessica wanted to divert her attention, so she sat closer to him.

2/2

“Nate, can I ask you a question?”

Nate didn’t want to talk to her. He didn’t have the patience to any other woman except for Elizabeth, and he won’t give her a good attitude.

But tonight, he had to suck it. Otherwise, he won’t be able to stay here.

Tell me.”

He spoke coldly, his lips bit slightly, looking very rebellious.

“Lizzy, why is she avoiding you? Are you pursuing her?”

Jessica was sure that this man’s eyes had never left Lizzy.

If that was true, then Mr. Hilton had a love rival

I need to talk him out of this stupid idea. After all, he is no match for Matthew.

Chapter 1028 He Is So Rude

Nate cared about the first sentence, Elizabeth was avoiding him.

He was not very happy to hear this sentence.

His gaze darkened, and he bit his lips coldly.

“Yes!”

He replied indifferently and then shifted his gaze to Elizabeth.

She was still munching on the chicken wings, chatting and laughing with the girl next to her.

Jessica poured him a glass of wine, “Hey handsome, let’s have a drink.”

She picked up the glass and clinked it with his.

I can see it at a glance. However, I advise you. Lizzy is married and has kids. The one next to her is single. She’s also pretty, and also a good girl.

You should consider her.”

1/2

She was helping her best friend solve a problem.

The pair of beautiful big eyes looked at the young man next to her. She thought to herself.

Mr Hilton, you’ve met a love rival this time.

From his eyes, it was obvious that he really liked Lizzy.

Sigh. Lizzy was probably upset too. Otherwise, she won't have told her that she was avoiding him.

Nate did not like it when others looked at him. He stood up and walked up to Elizabeth. Her gaze was blurry, as if she was drunk.

"Elizabeth, let's go. I'll take you somewhere."

Elizabeth heard his voice and looked at him before shaking her head.

"No, I want to play with Jess s here."

She didn't know why. There's always a sense of distance between them. She didn't want to get too close to him.

If it weren't for the sake of meeting her mother, she won't have contacted him.

Nate was upset. Her gaze darkened, like a cloud overwhelming her.

"You don't want to see your mom anymore?"

Now, this was his weapon. Whenever he mentioned her mother, she would definitely listen to him.

Elizabeth's gaze indeed shook slightly, then she bit her lips.

"Where are you taking me? Are you going to take me to my mom?"

When she talked about her mother, she became very excited.

Drake became wary because the man's expression was cold. It was impossible for him to take Wade away.

At this moment, Elizabeth's phone vibrated. She clicked on a text and took a look.

When she saw Matthew's message, she smiled faintly, feeling a little happy.

Hence, she picked up her phone and replied.

Nate saw her holding her phone with a silly smile. He furrowed his eyebrows and approached her.

"Let's go."

He held her little face and was about to take her away.

Elizabeth was stunned for a moment, then she struggled.

"My husband said he's coming to pick me up."

When she thought about Matthew, she didn't want to go anywhere. Even if she was to see her mother, she wanted to take Matthew with her.

"Wait a little longer. I want to bring my husband to see mommy."

As she spoke, she broke free of Nate's hand.

She was already fantasizing that she would bring Matthew to meet her mother. Then, her mother was very satisfied with him and agreed to

Leir marriage.

After thinking about it, she laughed again.

At this moment, her alcohol started to kick in.

Nate's expression grew gloomier.

He bit his lips. "Are you coming with me?"

Her voice was cold and filled with rage.

The sudden change of expression of the young man surprised the three women in the room. Jessica walked over curled up and down.

"Sigh, why are you so rude? They already have a husband. Didn't I tell you? This one is single."

She wrapped her arms around Hazel "If you have to chase after a girl, choose this one who doesn't have a boyfriend or a husband."

Jessica felt that he looked so good-looking before and didn't want to hurt his feelings, so she tried to comforted him.

She didn't expect him to have a bad temper.

Chapter 1029 Brother, You Are Just A Backup

Nate only wanted to take Elizabeth away, so her expression became darker.

He looked at the other two coldly and warned coldly.

Tadvice you guys not to meddle in other's business."

Jessica was upset. "The he'll am not meddling

She shielded Elizabeth behind her and comforted her gently

"Lizzy, don't be afraid. With us around, no one will take you away.

Nate sneered and strode over. He dragged Jessica and pushed her to the side.

She fell heavily onto the sofa, hurting so much that she let out a soft groan

"Ahhhh"

Elizabeth and Hazel called her.

"Jessica."

Hazel felt that this man shouldn't be called a man. How dare he hit a woman. She immediately started a fight with Nate

Nate did not care about Hazel at all, but after a few moves, his eyes

narrowed slightly

This girl is a master.

Just when he was shocked, he was already kicked a few times, all of them landing on his face.

He raised his hand to wipe the dirt at the corner of his mouth and stared coldly at Hazel Then, he smiled wickedly.

“Someone”

Immediately, the door of the private room was pushed open and a few people walked in. One of them was a man in a gown holding a fan while

the other two were in black

“Master.” They lowered their heads to look at Nate.

“Get rid of this woman.”

Elizabeth was a little flustered when she saw this. She stood in front of Hazel

1/2

“Mr. Cox, what are you doing? They’re all my friends.*

Elizabeth was much more sober now compared to just now She was also startled by these people now.

She looked at Jessica. The girl was so drunk that she fell asleep after being thrown away like that.

She bit her lips, hoping that Matthew would arrive soon.

Nate caressed his face, especially the corner of his mouth, where blond kept trickling out It was all because of this legit

He sneered, “Then follow me. Otherwise, the two of th

At this moment, the door of the private room

ished open again. Tians walked in with a few bodyguards All of them were holding

Weapons were not allowed here, so the could only bring wine bottles along.

When she saw the picture in the private room. Tiana smiled.

“Elizabeth, it seems that I’m not the only one trying to kill you. You have a lot of enemies?”

Wrapping her arms around her chest, she looked at Elizabeth triumphantly

Elizabeth felt a little annoyed when she saw this gul. Why was she everywhere?

Tiana walked toward Nate, “Su, did Elizabell make you mad? To tell you truth, the made me mad too. Tonight, I must break her legs, so leave her legs to me. The rest is up to you”

Nate roared softly, “Gel lost.”

Nonetheless, Tiana did not care and wanted to hug him

Nate glared at her and she could only put down her hands

“Honey, you’re so pretty. How about working with me? We both hate Elizabeth anyway. If we deal with her together, the chances of

are even greater ”

After saying that, she took out a cigarette and hit it. "We need to speed up Matthew is on his way here. There are still two intersection. Let's

move faster and get rid of this woman before he arrives."

After saying that, she puffed out a smoke and Nate started coughing.

Nightbreeze pulled over Tiana's hair and pressed her to the ground.

"Girl, you dare to offend our master, don't you want to die?"

Nate stepped on her face with one foot. "You can touch my woman too?"

Tuna was so frightened that she finally understood what was going on

She glared at Elizabeth fiercely and roared.

"Elizabeth, it turns out that you're also looking for a backup too! Knowing that grandpa doesn't agree to you be with Matthew, you found another man."

Chapter 1030 Sabotage

Nate heard this and looked down at the woman on the ground.

Previously, he never cared about this woman, nor did he pay attention to her appearance.

The only thing he knew was that she and her mother had always liked bullying Elizabeth since young, so he hated them.

Now that he heard her, he let go of her.

At this moment, Nightmoon approached him.

“Master, Matthew has arrived. This is his territory. Let’s go first!”

The thought of Matthew made Nate’s head hurt.

Obviously, he drugged him, but he couldn’t control him completely. He still didn’t understand this point.

But in A City, Matthew’s existence was a threat to him.

Originally, he wanted to use Matthew’s identity and use his second personality to rule the A City’s business world.

From the looks of it now, it was impossible.

His eyes darkened slightly and he glanced indifferently at Elizabeth.

“Ms. Wade, don’t forget that you still owe me three meals. Then I’ll take you to see your mother.”

After saying that, he led the few of them out of the room. The room became quiet again.

Except for a lowly heartbreaking song playing on the television, there was no other voice.

Tiana stood up and realized that the bodyguards she brought had already escaped.

Probably when they saw her being trampled on, those pussies ran away.

She stood up, touched the pain and then touched her face.

It was hurting, and was stepped on very hard.

She glared at Elizabeth. "Who was that man just now? Is he a mob?"

After she finished her sentence, the door of the private room was pushed open and Matthew walked in.

Instinctively, his gaze landed on Tiana. Then, he walked toward Elizabeth and wrapped his arms around her.

"Why is she here?"

Looking at Tiana's expression, it seemed like she was beaten up.

It was normal for her to be beaten up. Hazel was an extraordinary girl, and she also had some superpowers. Hence, he was most at ease when

was the one protecting Elizabeth.

Elizabeth was held in her arms. It was as if she came back to her senses.

"She, she's here to stir the pot."

By the time Jessica woke up, she was no longer as drunk as before. Thinking of the man just now, she thought of Lazy.

She was still quite worried. She picked up the bag on the sofa.

"Mr. Hilton, you'd better watch Lizzy closely. Don't let her go out alone."

At the thought of that man, she felt that he was dangerous. He looked pretty, but his eyes were as cunning as a fox, and his thoughts were deep

He wanted to take Lizzy as his own!

The young people nowadays are really terrifying. The possessiveness is off the chart.

Matthew had already heard what Tiana said just now. However, he did not believe her until now.

He probably understood what happened and nodded slightly.

“OK, I’ll ask Jake to send you home.”

Elizabeth leaned against Matthew’s arms. She was confused about what happened tonight.

“I don’t know why Nate suddenly appeared, then he suddenly got angry and wanted to take her away by force.”

Previously, she only thought that this guy was very thoughtful and she couldn’t see through him. After tonight, she suddenly realized that not

only was he sophisticated, but he also seemed to be hiding a lot of secrets.

Why did he deliberately get close to her?

“I could not just think that he was just my mother’s stepson.”

Whether or not he and his mother knew each other still had to be considered. She couldn’t be so stupid anymore.

Wrapping her arms around Matthew's waist, she raised her eyes and said gently.

"Darling, let's go home!"

Tiana's was furious when she heard this.

"Elizabeth, you shameless whore. Why didn't you tell Matthew about that pretty boy just now?"

How dared she call him darling This woman is fucking whore!

"Matthew, there was a man just now who was very pretty, like a woman. He's Elizabeth's boyfriend now. You're his plan B."
