She bit het lips and said. “It is in my friend’s hands. We were injured by a bomb that day, so I don’t know if he’s still alive *

After thinking about it, she felt that she could use him to help her find out where Leonard was

“Why don’t you give me a description of your friend’s later? What does he look like? I’ll get someone to look for him.”

“Take a good rest. It’s best if you don’t think about running away. If you don’t get the jade bracelet, you’ll have to stay here.”

When he spoke, the corners of his lips habitually curved upward, giving people a bad feeling

“Okay.”

After Leaving, Jessica returned to her room and stood by the window looking outside.

This was a huge manor. Even if she wanted to go out, it would be difficult.

If she escaped, it would be even harder.

Jessica was not like Elizabeth who had learned Taekwondo before. She didn't know how to fight. At most, she would tear someone's hair.

When Leonard woke up, he sat up.

"Jessica..."

Due to the heavy movement, it pulled the wound on his chest. The pain made him grow in pain.

"Hiss..."

"Leonard, don't move."

Layla's heart ached when she saw the bandage getting soaked in blood. She grabbed his hand and told him not to move anymore.

The name 'Jessica' echoed in her ears. He had been injured and unconscious for the past few days and had been calling out this name.

Only then did Leonard regain consciousness. He glanced at Layla, who was massaging his hand, and then at the doctor next to him.

Frowning, he asked, "I'm fine. Where's the woman with me?"

Everyone in the house shook their heads. At that time, they only cared about saving him and did not pay attention to anything else.

The explosion caused many people to be injured. That place was almost a piece of ruins.

Hence, it was very chaotic. Their purpose of coming here was to save the medical team, and they could not control anything else.

Leonard's eyes narrowed. He was so upset that they said they didn't see her.

Leonard was anxious. He struggled to sit up.

"Leonard, don't move. Your wound is very serious and it's torn again. You need to rest. I'll look for Miss Jessica. Don't worry."

"I'll go by myself."

Take care of yourself first. Otherwise, if you find Miss Jessica, who will protect her in the future. No one will care about her life or death if you are dead first."

This was the truth. Only he could remember Jessica now. That girl was an orphan and no one cared about her life.

In the end, he fell silent and lay down.

"Suture it again. Help me recover faster."

The next day, at Blade Family Manor, Jessica woke

up early.

She went downstairs and went into the kitchen.

The maid was preparing breakfast. She told them to leave and she would make breakfast.

Since she lived in Blade family, she couldn't live for free. She could cook some food from A Country for Onyx and Mrs. Blade. Mrs. Blade is from A Country, so she must miss the food from her own country a

lot!

At the kitchen door, the servants were gossiping in hushed tones.

"Miss Jessica wants to cook. She's so beautiful. She definitely won't do such things."

"She's so beautiful. Her legs are so long!"

"Her hair is so soft too!"

When Jessica heard their voices, she turned around and smiled at them.

"Wow!"

Dressed in a white dress with long black hair, she turned around and smiled at them. The scene was simply too beautiful

Coincidentally, when Onyx entered the dining room, he saw the servants surrounding the kitchen. Hence, he walked over and saw the woman busy' at the dining table.

1101 Not Wanting To Owe Others

What to she doing?" he asked coldly.

All the servants hurriedly took a step back and respectfully lowered their heads, not daring to look into his eyes

"Miss Jennica unid she's here to make breakfast *

A trace of doubt flashed across his eyes. What is this woman planning?

However, as long as she stayed here for a day, it would only benefit him.

Therefore, he turned around and went back to the dining room and

the main seat

Mrs. Blade got up and entered the dining room. Her servant pulled a chair for her. She was wearing a dark blue dress, and she had a good

temperament

Although her hair was completely gray, her skin was fine. She did not look like an old woman.

"Onyx, aren't you busy lately?"

Her grandson was usually very busy and she rarely saw him at home. It was really rare to have breakfast with him today.

Onyx was sipping his coffee. When he heard what the old woman said, he looked at her.

"I specially came back for breakfast with you."

Mrs. Blade laughed. "You're a good kid."

After the meal was done, the servants served breakfast.

are.

A trace of surprise flashed across Mrs. Blade's eyes when she saw the food.

"Are you changing chefs?"

This was the only breakfast in A Country. Moreover, the people there were unwilling to come to P City to work. It was too chaotic and unsafe

Hence, the grandmother previously wanted to hire people from A Country to work at home, but no one was willing to come even with a high

lary.

Today, she was very surprised by this.

Jessica walked out of the kitchen and nodded at the elderly woman.

"Hello, Mrs. Blade. My name is Jessica. I am a friend of Onyx."

The person on the Internet who contacted her wasn't Tori but Onyx. She knew that he was trying to surprise Tori, so she didn't say anything

When Teri saw that she was beautiful girl she instantly understood that her grandson was at home for her sake

“Miss Jessica, please take a seat Thank you for your hard work

Jesus was a little surprised. The old lady looked very friendly and nice

In an instant, she had an idea. During this period of time here, she needed to build a good relationship with her, then she would have

After she sat down, she said, “Mrs Blade, try it. I don’t really know how to cook.”

Her low voice made her feel like a woman from the southern region.

Mrs. Blade took a bite of soy milk and nodded

“That’s exactly the taste.”

Tori did not know how to cook. Moreover, the locals did not eat these foods, so it had been a long time since she had such a taste.

Hence, she had a good appetite today. She ate more than usual.

Onyx was so smart. Of course he knew what the old woman was thinking

But he didn’t have feelings for this woman at all. He tricked her into P City for his own reasons.

He bit his tofu and took a deep breath. The smile on the corner of his lips became more evil

Watching the two women chit chat, it was as if the house was getting livelier.

However, not long after, there would be a good show to watch

The breakfast made Tori and Jessica familiar. After all, she was the woman his grandson hiked.

It wasn't too far away to have a great grandchild, so she was very happy.

Onyx felt that this kind of breakfast was a little strange. He was not used to the food, but it was fine as long as his grandma liked it.

I can eat anything? I'm not picky"

At this moment, his man walked in and whispered in his ear. He put down the utensils and said.

"Grandma, eat slowly I have something to do."

As he spoke, he glanced at Jessica and warned her with a warning look, telling her to behave.

Naturally, she knew what he meant

If the jade bracelet was destroyed, she probably wouldn't be able to go back alive, so she would find a chance to escape.

Jessica stood up and said, "Grandma, let me send Mr. Blade out."

Following Onys out of the dining room, she walked to the courtyard outside

“Mr. Blade, you promised to help me look for Leonard. I’ve also told your man about his information. Don’t forget about it

She followed her all the way out and just wanted to say this

He even made breakfast diligently. He stopped his steps and glanced at her indifferently

“What’s your relationship with this man? Your lover?”

He had heard that there was a woman that he liked.

Jessica shook her head, “No, we just know each other, we happened to meet here.”

You’d better tell me honestly. If he’s your lover, I can still keep him alive if I find him. If not, I’ll kill him.”

Jessica was so frightened that she opened her eyes and shook her head.

“No, he’s innocent. Please don’t kill him. “

This man is indeed terrifying. Previously, she only wanted to use him to find Leonard. She wanted to know if he is dead.

But now, she seemed to have screwed him.

“Heh, why don’t you dare to admit that you love him? I clearly see a strong sense of love in your eyes. ”

Jessica was completely dumbfounded upon hearing this. She had never loved him.

She shook her head and kept shaking her head, as if trying to hypnotize herself.

He let go of her chin and walked toward the car.

Jessica ran after him a few steps. "Mr. Blade, we weren't from here. It was just to send something to your grandmother. This was hard money.

Jessica watched him get into the Hammer, then the car crashed and drove away from the

She was scared, especially scared.

The people here weren't that normal. She had experienced

Mrs. Blade walked out and stood beside her.

She smiled and said, "Onyx is quite busy. If he isn't strong here, then he'll be replaced by someone else and Blade Family will be doomed too.

She held onto Jessica's hand and said softly

“He lived a life of dancing at the tip of a knife. It’s not easy, no matter how glamorous his life is outside, but he still needs someone who knows

how to take care of him.”

She looked at Jessica’s gaze, full of satisfaction.

The light in Jessica’s eyes dimmed slightly. She didn’t mean to lie to the old lady, but in order to save her life, she could only lie

“Madam. I understand “

She bit her lips and looked a little shy.

Mrs. Blade nodded. “Good girl!”

She accompanied her for a stroll in the courtyard. By the time they returned to the house, it was almost noon.

She has to admit that this manor is huge.

It was very quiet here. You could watch the flowers, sit by the lake, look at the clouds and look at the sky.

But she always had the feeling of being trapped in a cage. It was just a few days and she could still endure it. As time went on, she would go

crazy!

Jessica walked around and observed the surroundings. The manor was always surrounded by soldiers carrying weapons. Therefore, it was impossible for her to escape

In the afternoon, Onyx came back. She stood on the balcony on the second floor. Because she was bored, she could only sit here to observe the scenery and the surroundings.

When the Hummer drove in, it crashed directly. It turned out that a person's driving skills could tell a person's personality.

Onyx is such a bad-tempered person!

After the car stopped, the maid welcomed them.

Jessica pointed at herself with a look of disbelief

"Tan't there a doctor? Ask the doctor to do it. I won't"

”

Even though she was not a doctor, she was quite familiar with nursing. After all, she had taken care of her daughter for the past few years.

But the other party was Onyx. She did not want to see

Thinking that he would kill Leonard if he found him, she hated him more and more and did not want to do anything for him.

“We don’t have the nerve to ask what Mr. Blade means. You’d better go there!”

Jessica sighed and took a glance at the half done painting. Then, she got up and followed the servant to Onyx’s bedroom.

The bed in the bedroom was black. He was lying on it. His upper body was naked, revealing a few bleeding wounds. The wounds were very long, and blood was still trickling out

The stench of blood was very deep, covering up the original scent in the house.

Jessica held her hands tightly. Although she already knew this place a little, she still couldn’t get used to such a bleeding wound. She was still

afraid

The butler called her. “Please stop the bleeding first.”

Only then did Jessica come back to her senses, “Oh!”

Sitting beside the bed, the man grabbed her hand fiercely as if his gaze was about to swallow her alive.

His grip was so strong that it hurt her a lot.

Jessica but her lips to calm herself down. In the future, it would probably be a common occurrence to face such matters. She must make herself strong and take everythi

“You’re satisfied? I didn’t kill him, but he made me look like this.”

Chapter 1104 I Am Not Afraid Of Him

Jessica became delighted upon hearing this, and the corners of her lips also had a hint of a smile

Looking at her expression, he wished he could strangle her to death.

The eyes that were already glowing fiercely became more fierce. He gritted his teeth.

“Jessica, what are you happy about? If I die, you won’t be able to live.”

Jessica was happy because she knew that Leonard was still alive.

“Enough, don’t get angry. The blood is oozing.”

She pulled off the hand on her neck and a trace of surprise flashed across her eyes. She did not expect that the obedient woman recently did

not seem to be afraid of him at this moment.

This was the first time a woman dared to act so arrogantly in front of him, just as he was about to pinch her neck again.

She had already picked up the cotton ball that was soaked in iodophor and slowly stretched toward the hole in front of her chest.

A trace of fear appeared on her face. She frowned and eventually lowered her head.

“Damn it, why don’t you get the doctor here! I could not do it.”

She was really afraid of blood. Besides, he was losing so much blood.

“With that bit of courage, how dare you to come to P City”

Upon hearing his mockery, Jessica stood up. The butler had already asked the doctor to start treating his wound.

She laughed self-deprecatingly. “I thought that being poor was the most terrifying thing in this world. I only realized I was wrong when I came

here.”

1/2

“Are you poor?”

I heard Leonard comes from a good family. How could his woman be so poor?

Jessica watched the doctor treat his wound. Her eyebrows knitted tighter and tighter, she did not dare to look at it

He did not seem to be afraid of pain. He did not feel anything at all.

“I’m very poor. I’m so poor that I can do anything as long as I can make money”

Onyx glanced deeply at her and said coldly.

“If you don’t dare to treat my wound, then you can cook for me. I’m hungry.”

Jessica could not smell the stench of blood, she was also afraid of such a wound.

She also have some bullet scratches on her body, but the wound is very small, it’s not scary.

Jessica turned and left the bedroom. After the doctor bandaged his wound, he said cautiously.

“Sir, although your wounds are just an external wounds, they are bleeding quite a lot. You need to take care of your body. Don’t exercise too

much lately.”

He wanted him to stay at home and not go out again.

The butler sent the doctor out. In the bedroom, he only then showed a trace of pain.

“Boss, does it hurt?” Six asked in concern.

The pain was so intense that his forehead was beaded with sweat. If it weren’t for his pride, he would have screamed.

Pretending was so hard.

Try it. It hurts like a bitch.”

He took a deep breath. It was all because of Leonard.

that dude seemed to be even more powerful than before. However, this time, he did not bring his men here. How dares he to make a scene in P

City alone?

“Get the order and find out where Leonard is. I’ll deal with him in a week.”

With Jessica in his hands, he did not believe that that dude could still fight.

Even though Jessica denied their relationship, when he mentioned her today, the expression on Leonard’s face was enough to prove

everything

“Alright, Boss.”

About an hour later, Jessica brought the porridge upstairs and placed it on the bedside cabinet.

“I made porridge for you. Eat it!”

After saying that, she turned around and was about to leave. When he saw her, he would recall that guy, Leonard. He was screwed by Leonard hard two years ago, and he had to pay for it.

Now that he had hurt him again, he was getting angrier.

“Who told you to leave?”

At this moment, Tori entered the room. When she heard him scolding Jessica, she didn’t even care about his injury.

“Why are you acting crazy here? Jess is such a good woman. Why are you scolding her? She even cooked porridge for you. You’re heartless.”

Chapter 1105 A Secret Competition

Jessica was also a little surprised, but she was no lon

gent as before

Seeing Tori so protective of her, she raised her hand and pretended to wipe her tears.

“Madam, don’t say it I did it too slowly and made him starve

“

Tori looked at the miserable and miserable Jessica. Her heart ached more and more, and she came over to hold her hand.

“The porridge has to cook for a long time before it’s softer. What does he know?”

Looking up at the bowl of porridge, Tori said, “Feed me

”

In a low voice, he commanded.

Tori could not help but say upon hearing this.

You must cherish a woman. What’s your attitude?”

Then, she patted Jessica's hand. "Don't be afraid. He's so like this. He won't dare to do this to you again because I will support you in the

future."

After saying that, she said to her grandson on the bed, "Damn it. Apologize to Jess. She's crying"

His face was flushed with rage. This woman is quite good at acting.

Can she cry? Even if I hit her, she might not be able to cry.

That's impossible."

The man on the bed coldly refused, looking like he would never do such a thing.

Mrs. Blade was enraged. She let go of Jessica's hand and said gently to her.

"Jess, cover your eyes."

Jessica didn't know what Tori meant. But she understood that as long as Tori was happy, she would be safe

Hence, she covered her eyes obediently.

The grandmother walked to the bed and slapped him on the shoulder.

"Oh, oh..."

The person who was so calm before and didn't seem to hurt now screamed.

“Grandma, I’m injured. Aren’t you worried about it?”

Only then did Tori glance indifferently at the wound on his chest.

You won’t die, but if you don’t apologize to Jess, I’ll hit you until you do.”

Jessica heard his painful cries and peeked through the crack of two fingers. When she saw how he was beaten up, she couldn’t help but laugh.

The grandmother slapped him again. He had no other choice, so he had to go to Jessica

Come on, no one will hear you

Onyx really hated her to the extreme. He looked at the woman who laughed so hard that her shoulders trembled and said in a loud voice.

Jessica put down the hand in front of her eyes and smiled triumphantly at him, then said

Grandma Campbell was finally happy. She pulled open the quilt

“Let Granny take a look. She’s humagam. You kid Don’t be too fierce outside. You have to protect yourself”

Granny laughed. "Jess, you have to try using your mouth first. If it's not hot, then you'll feed him."

It was obvious that she hadn't taken care of anyone.

Jessica glanced at the old woman and the

The corner of his lips was obviously smiling at her, and she didn't care anymore

No matter what, he's the one who's eating her saliva. She could not control him

Hence, she touched the porridge with her lips to make sure it wasn't hot before serving it to his mouth

And this movement, there was a subtle change in the bottom of his eyes, especially when he saw her gorgeous red lips, this woman clearly had no make up.

Jessica didn't realize Onyx was staring at her. But Mrs. Blade could tell i

This kid likes this girl, Jessica.

She smiled and stood up

"Take it slowly, I won't be the third wheel

Mrs. Blade smiled as she walked. She thought that Blade Family would be going to have a new baby soon

Jessica saw that he was not opening his mouth, so she gritted her teeth and told him

"Open your mouth"

She has already served it to his mouth. He didn't even want to open his mouth. Do you want me to put it in your mouth?"

Onyx only came back to his senses after hearing her grinding her teeth.

He opened his mouth and ate the porridge. Usually, he was not interested in this kind of nonchalant food. He had a heavy taste.

The food tasted delicious today, so he waited for her to feed him.

When Jessica saw that the old lady had left, she didn't want to feed him!

Hence, she placed the porridge bowl on the table next to her.

“Eat on your own

Onyx who was waiting for her to serve became unhappy.

“Hello, I’m a wounded person.*

When she was treating her wounds just now, she didn’t think he would hurt

She couldn’t help but recall what Mrs. Blade said just now. Sure enough, this guy only listened to Mrs. Blade.

“Tamin, I don’t want to feed. Do you want to eat it or not? I don’t care

After saying that, she stood up and walked away

“Jessica……”

He yelled at her, frightening the servants at the door. They took a step back and whimpered

“To be angry?”

“I don’t dare to go in later”

“I don’t dare”

In this place, Onyx was owing this place. Everyone is afraid of this ruthless man.

When Jessica came out, a few servants stopped her

“Miss Jessica, don’t go.”

Jessica looked at their frightened expressions and frowned slightly

“What is it?”

One of the servants said, “Mr. Blade is angry. We don’t dare to go in. Why don’t you accompany him for a while longer?”

The servants could also tell that Mr. Blade treated this young lady quite well. Moreover, they heard from Tori, the Young Mistress

that she would be the future

Hence, they all thought that she was the woman that Mr. Blade liked. Hence, no matter how angry Mr. Blade was, he won’t be angry at her

Jessica turned her head and looked inside, she smiled

“It’s fine. He’ll recover soon.”

die.

I don’t care if he’s angry or not! Seeing him angry makes me happy

The reason she was trapped here was for the jade bracelet. However, the jade bracelet probably couldn’t be found, so she had no choice but to

If that's the case, why would she listen to him?

"I'd better make him angry to death. Then I'll survive.

She thought so, but it was unlikely that he would die of anger. All she could do was make him unhappy.

"I'm the one who knows the best about making men uncomfortable"

After saying that, Jessica walked to her own room. She was studying the phone here recently. Those landphones should be able to make calls.

She had to contact Lizzy and Leonard first so that he would know that she was here, hoping that he could save her

However, it was fine if he did not come to rescue her. She would find a chance to find a way out.

wanted to make Lizzy rest assured that she wasn't dead, that she was still alive.

Back in her own room, she looked at the old-fashioned landline. It looked pretty good.

Hence, she picked up the landline and dialed Elizabeth's number.

Chapter 1107 She Is Not Angry

However, the phone wasn't connected, because they could

international calls

Feeling a little annoyed, she hung up the phone, then fell onto the bed and rolled around a few times

For the next few days, Onys was at home, and he had to eat the porridge she made every morning
Hence, Jessica had no choice but to wake up

early to make porridge

On this day, Onys came downstairs. Since it was still early and there was no one in the living room, the maid hadn't come to clean at this hour.

When he reached the living room, he heard some noise from the kitchen. Then he walked to the kitchen to take a look.

When she saw the woman sleeping and cooking porridge, she almost hit her head on the dining table several times.

Onyx couldn't help but smile when he saw this. Then, he strode to her side and turned his head to take a look.

Sure enough, her eyes were closed, and her head fell down. Suddenly, she straightened and stretched out her hand to stir the pot.

Sensing that there was someone beside her, she turned her head and jumped in fright.

"Ah..."

When she retreated to the side, her waist was protected by a hand, otherwise she would hit that spot heavily

His face was very close to her. His handsome features carried a trace of tenderness after waking up. Compared to the usual him, he was now a

little warmer.

Although it was not quite right to describe him with the word warm, he did not have the sharpness he used to have.

The two of them looked at each other, and Jessica's eyes widened.

Following that, she realized that it was Onyx, and she hurriedly patted him.

"Let go of me."

The two of them were so close that she was not used to it. When the man smelled the faint scent of orchid on her body, his gaze changed slightly.

"What perfume are you using?"

Jessica's eyes flickered. When did she use perfume? What is he talking about?

Hence, she was even more rude. She patted his shoulder hard, intentionally trying to shake his wound.

Although the man felt a little pain, he did not frown.

He pulled back the hand that was fiddling with her waist and took a few steps back. Then, he peeped at the porridge on the stove.

"It's burned."

Jessica exclaimed, "My porridge."

1107 She Is Not Angry

Then, she turned around and became by. It was obving that she was panking and unhappy

Owen watched her pour out the porridge, and she said angrily to him

You can only eat burnt porridge this morning

Then she took the bowl of porridge and walked out of the kitchen

After being yelled at, the corners of his lips lifted slightly. He was actually not angry. He felt that this morning was a bit different.

It was as if there was some warmth in this house. His world had always been cold and bloody

was

Leonard was used to the stench of blood. The fragrance of the flowers gave him a sense of freshness, and his memory became deep

During breakfast, Jessica did not ask Tori to eat the porridge. Instead, she made him soy milk.

When Tori saw the porridge in her grandson's bowl, she asked.

"Jess, did you add any special ingredients to his porridge today?"

Jessica couldn't help but glance at the porridge in her bowl and raised her hand to block it

Yeah. I added some sesame."

Tori raised a spoonful and served it to his mouth, and his expression was natural.

Jessica saw that he wasn't angry and didn't lose his temper. He did not throw the porridge in front of her and asked her to make it again.

She lowered her head and took a bite. The taste was absolutely unbelievable. The porridge was already plain, and now it was bitter. It was really

too unpleasant

She furrowed her eyebrows and peeked at the man opposite her. He seemed to be alright. He ate his porridge calmly, as if it tasted good. It was no different from what he normally ate.

Since he was already like this, it was not good for Jessica to refuse to eat her porridge, so she had no choice but to continue.

Breakfast was quiet. No one spoke

The three of them had their own little thoughts. The Mrs. Blade smiled and said.

"Onyx, you're free to go. Go shopping with Jess later. I don't have any clothes for her at home."

Upon hearing this, Jessica was a little excited. As long as she could get out, she could

escape.

"Do you want to go?" Onyx suddenly looked at her.

Chapter 1108 Realization

Jessica was a little surprised. Is he asking for my opinion?

"What should I say so he'll agree?"

She thought about it and tried her best to think of a way to respond to him.

“Why are you trying to scare her like that? I asked you to bring her to buy some clothes, then you should bring her. Buy as many as you can, kinds of clothes and accessories. Buy whatever she likes.”

After spending time with Mrs. Blade, Mrs. Blade liked this young lady more and more.

She was quick-witted. She could do anything!

Moreover, she woke up every morning to make porridge for Onyx. She was a good granddaughter-in-law candidate.

She didn't care what kind of family she came from. It doesn't matter to Mrs. Blade.

Anyway, to Tori, this girl was good in everything. She was good-looking, decent, and good to her grandson.

“That's enough. I won't live long anymore.”

Blade Family was a prominent family in P City, but now they were no longer prosperous because of the situation here all these years.

Her few sons and a few grandchildren had all lost their lives because of the war

Now, there was only one grandson left. The reason why she did not want to die was because she hoped that she could see that this family could have a descendant

Onyx didn't speak anymore, and Jessica couldn't speak at this moment.

The old woman had already said so. She felt that it was impossible for him to not listen to her, so she started planning in her heart, how she could escape later.

She needed to make a phone call first. However, she couldn't remember the number of Leonard. The only thing she could remember was Lizzy's.

After breakfast, Onyx went back to his room to change. After changing, he knocked on her door.

She wore black trousers, white shirt, and a black thin windbreaker today. She felt fabulous.

The look in her eyes deepened, and she raised her hand to straighten her hair

You don't like this?"

The dress was the style she liked and it was also prepared by Tori for her.

His face darkened slightly and said coldly.

"Ugly."

In fact, it was not ugly. It was obviously too beautiful Half of her snow-white calves were exposed. Her shirt was tugged in her pants. Her

"Why are you going out like this? Who do you want to wear it for?"

He was unhappy, but she didn't care about him, mainly because it was convenient to run away in this.

The rest were just all dresses. It was not convenient for her to escape.

Following behind Onyx, she lowered her head and looked at her flat shoes. She was wearing this on purpose.

As long as she left this manor, she would be very happy!

She got into his car and left Blade Family Manor. After five to six check-ups, she realized that all of these check-ups were in his army and team.

From afar, she could see them training.

It was completely different from the commotion in P City outside. It turned out that his army was protecting him.

By the time the last check-up was passed, there were already ten off-road vehicles following behind.

A group of cars drove forward.

Moreover, some cars overtake one after another, protecting their car in the middle, mixed in, making it impossible for others to tell which one

was the Onyx's car.

Watching the scenes, Jessica knew that this guy was ranked top in the world, and he was a terrorist.

A lot of people wanted to assassinate him. That was why he was so vigilant.

Jessica looked out the window. Is this kind of life interesting?

Even though his hands held immense power, if he was in a bad mood, he could make P City tremble, making everyone suffer.

“But he’s also afraid of being assassinated.”

She suddenly realized that living a normal wasn’t so easy. It’s a blessing to live a normal life, be able to eat, wear warm clothes, be healthy, and have family around.

Jennies couldn’t help

The you nord so many people to follow you out?”

If they went shopping the this, would be even want to clear the mall?

Oryx lowered ha bead and looked at the tablet. He was probably dealing with work. When he heard her, he raised his head and looked over.

Nis expresson was a little fierce, but his face was very beautiful and he had an outstanding appearance

When he looked at her, a trace of doubt flashed across his eyes. Then, he pondered for a moment and replied to her

“There’s no other way. Ifl don’t be wary of others, others will take my life

Jessica lowered his head and smiled. He also knew that they wanted to kill him!

Seeing

she was laughing, he furrowed her eyebrows. Is this woman so happy to hear that someone wants to kill me?

Hence, he was in a bad mood. He pressed on the tablet a few times before putting it to the side

He looked at her coldly. "Do you really want me to die?"

He treated her quite well. Even though he held her in his hands, he wanted to restrain Leonard and ask him to send the medical team back.

Damning the breakdown of the negotiations a few days ago, that dude even made a move and hurt him.

Originally, he came back to take revenge on this woman.

No matter what, she's Leonard's woman. Abusing her would be a revenge on Leonard

But he didn't do that, for the sake of her making porridge for him.

At that moment, he was upset. He pinched her chin and made her look at him.

The depths of his eyes were dark and filled with rage.

Jessica's big, bright eyes were filled with a smile, her beauty was unparalleled.

When she met his gaze, her eyes and the smile on the corner of her lips slowly froze, then disappeared.

Onyx wanted to hurt her, but when he saw her bright smile disappear, he was actually a little disappointed.

Following that, he gritted his teeth and said. "Are you trying to run away by dressing like this? I won't give you a chance."

Then, he shook off her face, and she almost bumped into the car window. When she turned her head to look at him, she was a little angry.

She felt that this man's mood was practically unpredictable. She just wanted to escape

The two of them did not want to pay attention to each other, so the car became unusually quiet

The car drove into North City. This was the busiest street in the north. However, they could see tall buildings and lively streets.

1109 Changing Moods

I was very bustling, and it was also a credit that belonged to Onyx

Jessica looked at the traffic and pedestrians on the streets, as well as all sorts of shops. It was completely different from what she had seen

before.

"Actually, P City isn't worse than A City."

All these were all planned by him.

"Who doesn't want the world to be peaceful? Who doesn't want to live a stable life? But they were born in P City. They don't even have

choice.”

Jessica was a little surprised, but this was the only neighborhood that was unbothered, it was still far from A Country.

However, she did not talk back. After all, if he was angry, he would probably strangle her to death.

There was no grandmother here to protect her, so she could only shut her mouth and try not to offend him.

The car stopped at the entrance of a large mall. The guard at the entrance hurried over and opened the door for them.

He got out of the car first and strode toward the mall

Jessica turned around and looked around.

Chapter 1110

Even if she wanted to turn around and run now, she couldn't run out, so she could only go into the mall and think of a way.

Jessica stood there for a long time Looking at the pedestrians, she suddenly felt envious of their freedom.

In the end, she bit her lips and walked toward the mall

A few men in black were standing in front of the mall, holding their binoculars. When they saw Jessica, they talked to the earpiece.

“The target we're looking for has appeared at the Northern District's Golden Courtyard Mall”

He had to lead the search for Jessica and not give up anywhere.

He took a deep breath and coughed a few times when he exhaled the smoke

Layla walked into the commanding department and prepared the food.

“Leonard, eat first ”

He looked everywhere with his eyes, hoping to find that woman,

In a place like PCity, danger would come anytime. That stupid woman would come here to earn money.

Layla saw that he did not respond and walked up to him

“Leonard, it’s time to eat.”

Only then did Leonard glance at her. Then, he sat down at the table and picked up his fork to eat.

All of the food were what he liked, because he got special care for his injuries.

Layla sat opposite him and poured him a bowl of soup.

“Leonard, don’t worry too much. Miss Jessica can come here by herself. She must know someone. Maybe she’s with a friend now.”

She watched him not sleeping for a few nights. Sometimes, he would run out and drive slowly, searching around.

She felt sorry for him.

Leonard hurriedly finished his food. He knew that he needed to maintain his stamina. Otherwise, he won’t have the energy to save her when he found her

“Layla, you can go back first. I’ll bring that doctor back for you.”

Layla smiled. Although he only cared about Jessica, she knew that no matter how hard she tried, she would never get his heart.

But she cared about him and hoped that he would be fine

Hence, the fact that he could go to bed was also a form of comfort for her.

He did not care about her, but she cared about hum

Layla began to tidy up. At this moment, the walkie talkie rang

“Find the target Find the target. She’s at the Northern District’s Golden Courtyard Mall”

Upon hearing this, Layla turned her head to look at the commanding table. He was the one who got the equipment here and did not use

anything from the National Security Bureau

He didn’t use anyone from the National Bureau. These people were all hired by him.

Layla’s heart ached a little He just didn’t want to owe her a favor, and he didn’t want to let Jessica misunderstand, so he didn’t need her at all.

Sighing deeply, she walked to the commanding stage.

She picked up the walkie talkie and said. The commander-in-chief has received. Keep an eye on her. We’ll be there soon.

When she put down the walkie talkie, she decided to meet Jessica personally.
