Chapter 1111 Unable To Escape From His Fingers

Before they arrived at Golden Courtyard Mall, the mall had already been guarded. There were people guarding the entrance and exit and

checking then people's identities.

Hence, the mall was very safe now. If anyone suspicious appeared, they would be stopped and taken away immediately

JD was a well known brand in the world. She didn't expect it to be found in 1 City

Jessica was truly surprised Besides, she had never bought this brand before. It was too expensive

JD's stems were almost handmade. From fabric to finished products, it took a long time, so every item was very expensive.

Besides, some clothes can only be worn once because they could not be washed.

Jessica felt that it will waste. Besides, it was not something someone like her could afford

She was quite surprised to be brought in by this guy today. When the clerks saw it was him, they all became very respectful.

"Mr. Blade!"

All of them stood neatly and saluted him.

He merely nodded and glanced at the woman behind him.

“Choose yourself.”

He went to the lounge area. The shopkeeper and the two clerks went to serve him and poured him coffee and desserts.

He even prepared various magazines and books for him.

Crossing his legs elegantly, he casually picked up a book and flipped through it.

Jessica stood in front of the door, feeling that there was no way she could enter, nor did she want to enter.

Because this brand was really too expensive. She didn't want to owe this man. If he knew that the jade bracelet couldn't be found, he probably

wanted to exterminate her.

If she spent the money on shopping today, she felt that her chances of getting back alive were very small.

Thus, she did not want to go in and just wanted to escape.

A few staff welcomed her warmly. “Miss, this is our new design. Let me introduce it to you.”

Jessica smiled and said, “I want to use the bathroom. I want to go to the bathroom first”

The shopping malls usually have public bathroom. There wouldn't be any private bathroom in the store, so she wanted to use this opportunity

to escape.

After saying that, she turned around and was about to leave, but Six stopped her.

“Miss Jessica, where are you going?”

Box had been following her all this while. She thought he was following Onyx, but she did not expect him to follow her..

“Washroom, do you want to follow me ?* ”

The expression on Soc’s face changed slightly. After all, he was still young and had never been with a woman before. He blushed when he heard

what Jessica said.

“Miss Jessica, I’ll wait for you at the bathroom door.

Jessica was a little angry, he was indeed afraid that she would run away.

“But if I don’t want to run. There’s only one way out death”

She turned around and walked out of the store to the bathroom.

Six caught up to them. At this moment, a sharp sound could be heard from his earpiece.

“Look closely. Don’t let her run away.”

Everyone seemed to know that this woman came out today to escape.

“Okay, Sir,” Six replied.

Walking straight to the right and turning towards the bathroom, she glanced at the men’s washroom and then at the women’s washroom.

Six had already followed behind. Jessica glanced at him and realized that the boy had walked quite fast. However, he was indeed practicing

martial arts.

Jessica could only go into the female washroom to take a look. She did not dare to jump down from the sixth floor, so there was no way she

could escape even if there was a window here.

Hence, she went to the washroom and came out again.

When she walked past Six, she raised her eyebrows.

“Did I escape?!”

Then, she walked forward, leaving him a proud back

Six was a little confused, but there was a hint of a smile on his face. Not to mention, Miss Jessica was quite cute, like a kid.

Once Jessica returned to the store, she could only look at the clothes casually. She wasn't going to buy it anyway, she was afraid that she won't

be able to pay it back, but she was also afraid that he would want to kill her.

Seeing that she hadn't picked out anything for so long, he stood up and walked over.

"Nothing you like?"

Jessica nodded, "None of them suits me."

Onyx furrowed slightly. Her body was so good that she could wear anything

Chapter 1112 Mr Blade Is So Good to You

Instantly, the clerks were busy, while Jessica was stunned.

Everything in the store is packed? He is crazy.

Jessica followed him to the resting area, he casually picked up his coffee and took a sip.

He was flipping through one of the magazines. He had no intention of picking clothes.

Jessica called him, "Damn, tell them not to pack. I don't want anything."

She didn't dare to take it. She couldn't afford to pay back so much money.

"My grandmother instructed me to complete the mission."

Upon hearing this, Jessica was too speechless to retaliate.

“That’s right. He just wanted to complete the task of the elderly lady. After all, she won’t wear it then. He can keep it for his girlfriend or his

wife in the future.”

She took a piece of dessert and ate it. Looking at the way she was eating, she called the manager over.

“Pack a few more desserts.”

“Okay, Mr. Blade,” the manager answered with a smile.

A smile appeared on the manager’s face. This woman is beautiful and has a good body. She’s indeed very attractive to men.

Mr. Blade had never had a woman by his side before. This was the first time he brought a woman here, and he was so generous.

“Besides, he treats her too well!”

Seeing that she liked this kind of snack, he asked her to pack a few more.

She couldn’t help but sigh. She probably wouldn’t be able to get such a man for the rest of her life.

In this bustling P City, if she could get Mr. Blade’s love, then she would be able to live a peaceful life.

Jessica did not hear him. She waited until the clerk placed the packed snacks in front of her and she told her.

“Miss, Mr. Blade is really nice to you!”

A trace of surprise flashed across Jessica’s wide eyes and she licked her lips.

“Hmm?”

The clerk pointed at the snacks on the table. “Mr. Blade asked me to pack them for you.”

Jessica took a glance at the snacks and then at the piece she ate.

Idon’t like it. I’m just bored. I don’t want to talk to him. That’s why I want to eat something to kill some time. Besides, I’ve been thinking

about what I’ll do later to run away.

1112 M Blade So Good to

How can I get rid of them and avoid so many people?

This is practically a huge challenge!

She didn’t take the clerk’s flattery to heart Would that dude treat me well)

By the time she left, she did not bring the box of desserts Onys grabbed it casually and walked out together

The bodyguards behind them were carrying bags full of clothes, shoes, purse, and accessories from JD)

So followed behind the two of them. It was the first time Onyx accompanied a woman out shopping. He didn’t know what else he should go

and see after buying these

Hence, she asked Six behind him, "Where should we go next?"

Six had never been with a woman before, so he pointed at himself with a gloomy expression.

"Are you asking me?"

Shouldn't he ask Miss Jessica? Ask him? How could a straight man like him know all these?

Onyx knew he had asked the wrong person, so he called.

"Jessica, what else do you want to buy?"

"I guess he's getting impatient now. After all, it takes a lot of time for women to go shopping. Even though they entered a shop just now so casually, it took them a lot of time to pack."

If Jessica kept trying, she felt that he would definitely not want to wait for her, then she would have a chance to escape.

Jessica stopped walking and smiled at him.

"I still want to buy some pajamas, underwear, but I am a bit slow. If you could not wait, you can sit at the café upstairs. I'll go upstairs to see you after I finish"

Men did not have the courage to enter the lingerie store, so she felt that this was the best place to send

Chapter 1113 She's Got A Sugar Daddy

Jessica had no other choice but to go to a lingerie store. He acted like nothing had happened and even accompanied her around picking out her underwear.

Six was embarrassed. He stood at the door and couldn't help but sigh.

"Boss, you're really amazing."

He couldn't resist the temptation. He had never seen those things inside, so when he entered, he couldn't help but glance at them, and then his face turned red.

In the end, he retreated. This kind of place was not suitable for a single man like him.

Jessica wanted to make things difficult, but she did not expect him to be so thick-skinned and even help him.

Lowering her head, she looked at the clothes that he stuffed into her arms. She took a glance and started coughing. She couldn't accept it

herself.

However that man was still picking. She was going crazy

At this moment, Layla appeared in the lingerie store in disguise.

She walked over to Jessica and her eyes were sizing her up. She did not expect Jessica to be together with Onyx.

Moreover, their relationship had improved to this extent? They bought underwear together and he even chose it for her personally.

Layla was really shocked. She had heard from others before that Jessica was working at a nightclub and she was not very decent.

Now that she saw her, she believed the rumor.

She was really that kind of woman. All wealthy men can get me!

Hence, her gaze became a little disdainful. When she walked past her, she whispered.

“Miss Jessica, do you still remember that there was a man with a heavy injury to save you?”

After saying that, she turned around and left. She had to go back and tell Leonard about what happened to Jessica. A woman like her was not worthy of him sacrificing his life for her, much less worthy of him searching for her.

Jessica was hugging the pile of clothes and was thinking about what to do.

She was already quite awkward, but when she heard this sentence, she raised her head and looked over.

She only saw a woman’s back and she chased after her.

Because she was carrying a bunch of clothes and the alarm rang when she went out, she finally regained her senses.

“Miss, you haven’t paid yet!”

Even though she did such a thing, the clerks did not dare to be rude to her. She was brought by Mr. Blade, how could she dare to be disrespectful?

time.

Sugar Daddy

Besides, with Mr. Blode around, it was impossible for her to steal

Jessica stood rooted to the spot. Who was that woman just now? Was she with Leonard?

Did he get seriously injured when he saved her? Is he feeling better now?

Suddenly, she recalled that Onyx had seen Leonard before, so she turned around and walked toward him.

“Jessica, don’t think about escaping without my permission.”

When he said this, his expression was cold, and there was a trace of anger.

Jessica knew that it was impossible for her to escape today, she suddenly became gentler.

“I don’t want to buy underwear anymore. It doesn’t look good either.”

After saying that, she handed the clothes to the clerk and tugged on his sleeves.

“I’m hungry. Let’s go eat!”

She grabbed her sleeves and left. She led him out of the lingerie store and to the dining room upstairs.

After sitting down, Jessica began ordering. She brought some money out today. Although it wasn’t much, she still brought some cash out this

Even though the phone was lost, she still had some cash on her.

After ordering a few dishes, she looked at him.

“Onyx, I’ll buy you lunch. Order whatever you want.”

Seeing that the woman in front of him seemed to be in a better mood, he furrowed his brows slightly.

He had never needed a woman to buy him lunch, so he was not used to it.

But since she was so happy, she did not have the intention to run away, then he would satisfy her.

Hence, he started ordering the most expensive dishes here. Especially the wine that cost 200,000 a bottle of red wine. Her eyes twitched slightly.

She could not afford anything that’s so expensive.

The cash she brought was only ten thousand. She thought that having a mobile phone would be enough. She did not expect this guy to be so diabolical. She felt that she would have to work here for about six months before paying the bill

Interesting

In the end, Jessien gave up.

Chapter 1114 Interesting

“I could not buy any meal anymore. These people’s meals are simply too expensive. I’m not on the same level as them.”

Seeing the surprised look on Jessica’s face, he felt that he was in a good mood.

He just liked to see how upset she was, yet she doesn't dare to say anything. She's so cute!

It was different from her usual stubbornness

The dishes were served. Jessica looked at the dishes on the table. There was something she liked, but she didn't have any appetite at all.

Apart from ten thousand in cash, she didn't even bring her card with her because she was afraid of being robbed.

Onyx was trying on the wine. After trying it, he told them to open it.

Jessica stared at the bottle opener and took out the wooden shovel Her heart tightened.

200,000 was gone just like that. What a waste.

When Onyx saw that she wasn't eating, he asked.

"Are you treating a guest like this? If you don't eat, how can your guest eat at ease?"

After the man said that, he raised his eyebrows and smiled. Jessica did not hesitate, since she had to spend so much money, she might as well have a good meal

Hence, she did not care that the man opposite her or the way she ate. She just wanted to empty all the dishes on the table.

After eating, she took the bill on the table and went to the cashier.

"How much is it?"

She handed him the table number and asked.

The cashier smiled and replied, "That's a total of 154,600."

Upon hearing this, Jessica's hand trembled. The money she earned in the past few months was only enough for a meal.

"Why do I feel so bad for him on my way here that he doesn't deserve such a miserable life like this?"

Even if she was assassinated a hundred times, so what? She was willing to live like this too.

Jessica glanced at the ten thousand in cash in her purse, she bit her lips.

"Can I come here after a week and pay my bill. I'll keep this necklace here."

This necklace was the only thing that her family had left her. It was also the most expensive item of her. If she were to place it here, they would probably agree to it

to

Back Men, when she was sent to the entrance of the orphanage, she held this necklace in her hand. This was the only thing she could find

from her own family

But all these years, she had never thought of looking for them

Since they abandoned her, then she didn't need to look for her anymore.

Therefore, she must feel sorry for keeping it here.

Laughed the cashier, "Miss, the bill will be under Mr. Blade's account. He has a card here, and there's a lot of money on it."

After hearing this, the tense expression on Jessica's face relaxed.

Fortunately, he had a card. Otherwise, she would have to work here in a few days to pay off her debts.

When Jessica returned to his aid, she suddenly remembered that she had something to ask him

"Erm, they said they deduct from your card. Next time you want a City, I'll treat you to a meal"

In the place, she did not dare to treat her to a meal anymore. This way, she would bury a hole for herself and jump in

Only then did Jessica glance at the glass of wine in front of her. Previously, she thought it was too expensive and did not want to waste it, so

she did not drink a single drop

I'm not the one who's paying now anyway. It doesn't matter even if I drink it once

Hence, she picked it up and took a sip

She furrowed her eyebrows. She felt that it was no different from any ordinary wine. Anyway, wine tasted nasty for her

"Days, hay Leonard's wound recovered? Didn't the two of you fight?"

Chapter 1116 He Is Here.

She hugged him tightly. An ordinary man definitely wanted her after hearing what she said.

After all, she was the daughter of the president. Marrying her would only benefit him.

Besides, she loved him so much, she would definitely help him no matter what. She was everything he could ask in a wife.

As long as he marries her, his life will only become more glorious in the future. He will surpass his grandfather.

Leonard pushed her away. "Ms. Chen, what are you doing!"

After saying that, he turned around and walked to his car. Layla looked at his determined retreating figure and her tears couldn't stop falling down.

Why? I am already so pathetic, but does he care about me?

Even though Jessica was living with Onyx, he didn't care at all.

Leonard drove away, followed by a few cars, all of them were his subordinates.

When they reached Blade Family, they were stopped at the first check-up.

Leonard got out of the car with a cigarette in his mouth. When the guards at the door saw that it was him, their expressions changed.

Because this man was quite famous in P City. When he came to perform a mission back then, he almost destroyed Blade Family.

Hence, Blade Family hated him, and they were afraid of him.

Tell Onyx that Leonard wants to see him."

Some of the guards ran back to their base and went to make a phone call

Leonard was leaning against the car and smoking. His eyes were dark.

Jessica and Onyx? He didn't believe it.

Even though that woman loves money, what kind of woman is she? He knows very well.

Hence, he did not believe in what Layla said. He believed in his instincts.

After a while, the bodyguard on the phone ran back. He talked to the others and walked toward Leonard.

“Mr. Johnson, our Young Master said that you can enter, but your men and your weapons could not enter.”

Leonard had already knew this. That dude had just fought with him a few days ago and yet failed to defeat him.

If he went in today, that dude would probably want to fight him again.

He smashed the cigarette onto the ground and stepped on it.

“Sure.”

Chapter 1117 The Chip In My Hand Is Suddenly Light

Jessica’s voice was loud, almost roaring

Seeing that she was getting nervous, he asked again.

“Tell me, how am I supposed to let him die?”

After hearing this, Jessica’s expression tensed up.

“Onyx, why would you kill him? He didn’t affect you.”

“Mr. Johnson is in A Country. You are from P City. There must be no interest between you.”

“He even took my medical team members recently. Do you still think I have anything to do with him? Didn’t he affect me?”

Leonard stood in front of the house. He raised his head and looked at Jessica. It had been a long time since he last saw her. He thought he

could control himself.

But at this moment, he knew that no matter how long he left, no matter how far away he was, he could never forget her.

This freaking woman actually caught his attention.

Jessica supported herself with the fence with both hands and was also looking at him. When their eyes met. Jessica was also happy, but she

was more worried.

“I’m actually worried about him too?”

The corner of his lips lifted slightly. The smile was obvious, and the gaze he gave her was steady, making her feel at ease and not afraid.

Onyx went downstairs, but before he left, he locked the door of the balcony.

When Jessica wanted to follow, she realized the door could no longer open.

She tightened her grip on the doorknob, but the door did not move. Jessica tugged on the doorknob angrily, but she still could not open it.

So she knocked on the glass door.

“Open the door. Who’s here? Can you open the door for me?”

Actually, there were servants outside, but no one dared to open the door. Young master had locked the door, how could they open it?

When Leonard entered the house, he happened to head downstairs with a wicked smile on his face.

“Mr. Johnson, we meet again.”

He did not expect that Leonard would dare to enter here alone. As long as he passed the check-up point, it would be shooting fish in a barrel.

Sure enough, it’s someone he could not defeat. He’s braver than others.

Leonard sat down on the sofa. The servant brought some tea and he glanced upstairs.

“Where’s Jessica? I’m here to look for her. It’s inconvenient for her daughter girl to stay at home alone.”

1117 The Chip In My Hand Is Suddenly Light

The moment he heard this, there was obviously surprise on his arrogant face.

Does she have a daughter?”

She had never heard that woman mention it before. Besides, she doesn’t look like she has a kid.

The thought of this made him feel that he was bluffing.

But it did not matter anymore.

If they entered Onyx's house, it would not be possible for them to leave safely.

"That's right. Didn't she tell you? Her daughter is six years old. She's very cute."

Seeing that his face was getting darker and darker, he was obviously unhappy. He had known that this guy had indeed fallen in love with that

woman.

But it's normal. In the eyes of Leonard, she's the prettiest and most sexy woman in the world.

That's why it's not surprising that people love her.

"Tell her to come down. Her daughter asked me to send her a message."

Leonard could tell that it wasn't that woman who didn't want to see him. She was so worried about him just now and she even scolded him.

It was obvious that she did not stay here voluntarily. She was forced to stay by this guy.

"Have some tea. It's rare for you to come to my house once. Why do you keep talking about Jessica? Look at me, okay? After all, we're old friends."

Leonard did not try to hide it anymore.

"Do you know that I'm here all for her? Don't you dare to let her meet me?"

Onyx never expected him to be so straightforward.

“What’s your relationship with Jessica? Why do you have the right to see her?”

The reason he tricked Jessica into P City was to threaten this man. However, he did not want to use that woman to threaten him now.

At this moment, Jessica led Mrs. Blade downstairs.

Mrs. Blade smiled and said, “I heard there’s a guest here. Where is

“Win. Blade, worry to interrupt ”

Mrs. Blade smiled. “Welcome, we don’t have many guests here. It’s an honor that you’re here.”

To Tar the guests who could be here must be close to Onyx

Because Onyx was a terrifying figure internationally, many people wanted to assassinate him, so his home was located in the deepest part of

For safety’s sake, he never brought anyone back

Leonard and Tori took a seat

Jessica sat down and called out, “Lily, take out the snacks I brought back this afternoon.”

A female servant replied respectfully.

“Okay, Miss Jessica “

Leonard’s eyebrows furrowed as he watched this. Is she really with Onyx?

Otherwise, why would the people here treat her so respectfully? And even Mrs. Blade treated her so intimately

Like they were a family

Leonard’s eyes grew darker as he chatted with Mrs. Blade

Onyx frowned as he watched his grandmother and Leonard chit chat happily

Normally, she would not come downstairs at this hour. Her health was not good lately, so she had to take a nap every day, which happened during this time

He could not believe this woman, Jessica, has managed to use his grandma as a weapon. He could not do anything to Leonard.

In front of Tori, he would still restrain himself

was old now and could not see these fighting scenes

Thus, they could only treat Leonard as a guest and even invited her to dinner

Of course, Jessica had supervised the dinner. She wanted to make sure nothing was added into his plate.

In the evening, Leonard was arranged to rest in the guest room on the third floor of the main building

Jessica stayed on the second floor. When she finished showering, she came out of the bathroom and saw Onyx in her room.

She bit her lips slightly "Let me tell you the truth. The jade bracelet might have shattered. I lost it when the explosion happened that day. So if you want to blame anyone, blame me. It has nothing to do with Leonard."

Sitting leisurely on the sofa, she looked at her slightly flushed skin after bathing. It was very alluring

Suddenly, he stood up and pulled her into his arms. He wrapped his arms around her waist and sniffed the scent of her body. Except for the same scent of lotion, the faint floral scent seemed to be stronger.

He was sure that the fragrance of the orchid was the scent of this woman. She must taste delicious!

“What are you trying to do?”

She was scared, and she pushed him with both hands. Because of her weak strength, she couldn't break free of him. She really wanted to tear his hair and tear it hard.

He sneered. “Jessica, you're too naive. Do you think you were sending a jade bracelet to P City? I want you, but you're not that smart. How dare you barge into a place like this? Are you short of money?”

The more she listened, the more upset she felt.

You? Did you ask me to come here? Aren't Mrs. Blade?”

That's not right. If Mrs. Blade is the buyer, she should have recognized me as long as she was here. Why would she misunderstand that I'm Onyx's girlfriend?”

Just when she was lost in her thoughts, she was pressed onto the bed beside her.

“Jessica, I will fxck you in front of Leonard.”

Chapter 1119 You Will Like It

Jessica was frightened and she struggled.

“Onyx, you're crazy. Let go of me, let go of me.”

She kicked and hit, but he did not have the intention to let go of her.

“You can shout louder. If he hears you, I'll be even more excited.”

Laughing wickedly, he grabbed her hands and raised them above her head. He pulled her legs and placed them on his waist.

“Do you like this position?”

Jessica was on the verge of losing her mind. She quickly put down her legs. However, he lowered his head and wanted to kiss her red lips.

Jessica tilted her face and he threw himself into empty space and kissed the quilt beside her.

“You’re resisting me now. You’ll definitely like me later.”

The moment he finished speaking, he heard a thud and his body relaxed.

Only then did she open her eyes abruptly and realized that Onyx fell to the ground.

Leonard stood on the edge of the bed. His face darkened as he glared at the man on

the g

ground. He wanted to use a knife to cut his dxck.

She really wanted to throw herself into his arms and tell him how scared she was just now. Fortunately, he came in time.

But she suppressed herself. After all, there was no future between her and Leonard. She did not want to have such a dream.

Even though when he appeared that day, she heard the heart beating. She knew that when his voice rang, she was doomed.

He was the man that she had been resisting with all her strength and didn't want to fall in love with, yet he had found a place in her heart.

He gave her a sense of security and she knew that there was still someone in this world would care about her life and death.

Leonard saw her lying there. Her clothes were messy and her hair was like seaweed on the bed. He would recall every time he was inside her.

He would be enveloped by her hair. And the thing she said the most was that you're pressing on my hair.

But when he was in bed, she was working her way to give him all the pleasure.

But at this moment, she almost let another man see her body.

He was very angry, so he pulled out a knife. After thinking about it, it was better to use a knife!

I'll see if he dares to touch my woman in the future.

Seeing the knife in his hand and his vicious gaze, Jessica know what he was going to do.

Heuce, she quickly stood up and grabbed onto him.

ohnson, this is Onyx's base camp. You could not do this."

If he were to hurt him, that bastard would probably not let him off the hook. He would definitely take his life no matter what.

I don't want him in danger "

Leonard looked at her coldly. "Aren't you angry with him treating you like that just now?"

"Were you forward to it?"

Jessica shook her head, "I'm angry, very angry, so I'm glad you're here. Hurry and take me out of here! I don't want to stay here for even a

second."

Only then did Leonard regain his senses and raised his hand to look at the time. There are still ten minutes, and his men will be on the

helicopter to pick them up.

He glanced at Onyx on the ground again. Today is your lucky day

Leonard used anesthetic guns just now. The effects of the drug could knock off an elephant, so he could not wake up for the time being.

Jessica hugged his hand, her body trembling. It was obvious that this girl did not have a good life here. She was scared every day.

"Don't be afraid. I'm here to take you away."

When she was in his arms, she relaxed. For the past ten days here, all of her pretenses had gone at this moment.

Her tears couldn't stop falling down Each tear fell onto his clothes. He hugged her tighter.

At this moment, Onyx's eyes opened and she glared at the two of them.

Chapter 1120 I Will Take You Home

Leonard lowered his gaze and looked at him. He it indeed stronger than I thought. How could he wake up with such a strong anesthetic in

such a short time?

Even though Onyx was awake, he could not stand or move.

He struggled hard but couldn't move.

All he could do was stare at them with his eyes, as if he was saying

"Mr. Johnson, you pxssy, why don't you have a fight with me properly?"

Leonard hugged Jessica with one hand, while Jessica looked at him in fear. She was afraid that he would stand up from the ground and scream for help.

Perhaps he had already instructed his men to guard outside. Once she and Leonard went out, they would shoot them to death.

Just as Jessica was lost in her thoughts, Leonard took out a small gun and aimed it at him.

A trace of darkness appeared in the depths of his eyes. His eyes widened as if he was going to kill the two of them.

Leonard sneered, "Don't worry, I won't kill you. I just want to see just how strong you are."

After saying that, he pulled out his gun and fired a few needles which hit his neck.

“This time, you should be able to sleep for a long time. Good boy, go to sleep.”

Originally, she wanted to cut his dxck off, but she was right. This man was revengeful, if he really cut off his dxck

By then, he would definitely haunt her. he won't be afraid if he found him, but it would be troublesome if Jessica was the target too

This woman was weak, so she definitely couldn't defeat this guy

Onyx closed his eyes and fell into a deep slumber.

At that moment, the sound of the helicopter was heard. Leonard smiled at the woman in his arms.

“Let's go home.”

She handed her her purse. Your purse.”

During the explosion that day, her purse was left in the ruins. When he went to look for her, he found it.

Jessica was slightly shocked when she saw her purse.

“Is it still here?”

She took it and unzipped it. When she realized that the jade bracelet was completely intact, she quickly opened the box and saw the jade bracelet lying inside peacefully.

You Home

Originally, she came to P Cife to deliver the thin jade bracelet, but after experiencing Me and death here, she took a deep breath

I almost died here for the money

Leonard heard that the bedcopter was approaching. They had to leave immediately. Otherwise, the mercenaries outside would be here soon.

At that time, it would be difficult for them to leave. Even his helicopter might be shot down

“Jess, we’re leaving

Jessica was still looking at the things in her purse. He thought she was afraid of losing her things, so he said.
