

Game Over 1137

Chapter 1137 Feelings

Previously, it was impossible to get hurt in the organization. She was always worried. Now that she finally had him back, she no longer needed to waste no hard.

But for this woman, he was injured again

The incident back then made her heart skip a beat

Coughing lightly, she interrupted her thoughts.

Jessica lowered her head and stirred the porridge

“Mrs. Johnson, I’m very grateful that he saved me this time. He treats me so well. I don’t want to disappoint him, so I’ll return this one million check to you”

Jessica thought about it and thought that this was the best way.

He took out a card from his purse and pushed it in front of Mrs. Johnson.

“This is a card used by Leonard’s identity card. The password is his birthday.”

Mrs. Johnson looked at the card in front of her and furrowed her eyebrows. “Jessica, there’s no reason to take back a gift”

She pushed the card in front of her again. “If you don’t think it’s enough, I can give you more. If you leave Leonard, I’ll agree to any conditions”

The old man has instructed her to cut them off even if she used extreme means.

Mrs. Johnson did not have that kind of thought. After all, she was also a woman. Besides, Jessica had a kid. If anything were to happen to her,

the kid would be miserable.

Jessica glanced at her daughter on the other side and she said everything she wanted to say. Even though Pearl was young, she knew

everything

She did not want her daughter to see this, so she stood up.

“Pearl you’re late, we should go.”

Pearl glanced at Mrs. Johnson and said in a crisp voice.

“Mrs. Johnson, don’t worry. Although I’m a kid, I’ll listen to you, and I won’t cause any trouble. My mother will be a good wife.”

In Pearl’s heart, it was all because of her that her mother couldn’t get married.

The lady just now said that she wanted her mother to leave Uncle Johnson. She felt that Uncle Johnson was a good person. He was the best person she had ever seen to treat her mother.

Therefore, she did not want her mother to leave Uncle Johnson because of her.

“I can go to the orphanage too.”

Just when she and Jessica were about to leave, she suddenly said this.

Jessica instantly lost her composure. She wrapped her arms around her head and gently caressed her.

“Pearl, don’t say that. You’ll always be my baby. You’ll always stay by my side ”

Mrs. Johnson was shocked too. Even though she was just a little girl, she said such a shocking thing

She shouldn’t have been so worried at such a young age.

The expression on Mrs. Johnson’s face darkened. She stood up and told her assistant.

“Get me a flight ticket. I’m going to F Country tomorrow.”

The assistant knew who she was going to see, so he agreed.

“Okay, madam.”

After leaving the breakfast restaurant, Jessica bent down and kissed Pearl’s face.

“Darling, I hope you won’t say those words anymore, okay?”

Pearl shook her head. “Mama, Uncle Johnson is a good man. I hope you can marry him.”

She felt that as long as her mother married Uncle Johnson, she would be happy.

Jessica let out a long sigh, “Mama knows that he’s a good man, and I’ll fight for him too, but this is between him and 1. Don’t worry, Pearl Just

be a happy kid, okay?”

Jessica really felt sorry for her. After having such a serious illness, she almost died.

That was why she wanted to work hard to give her the best. That was why she worked so hard to earn money. She just hoped that she could

have what other kids have.

Pearl nodded, "Yeah, as long as Mommy is happy, I am happy!"

At this moment, the school bus arrived. Jessica hurriedly led her to the car.

Jessica watched her get into the car and she waved her hand.

"Pearl, be careful! Take a seat."
