

Game Over 481

Chapter 481 Confirming The Marriage

Dominic pretended to be blind, so there was no change in emotions in his eyes?

“You’re hurting my hand,” he said softly.

Only then did Hazel awkwardly let go of his hand and smiled.

“Young Master, I’m sorry! I was so excited that I lost my cool.”

After entering the city, you’ll be able to see the tall buildings and the traffic of cars. It’s so lively.

Hazel sighed. “Why isn’t anyone selling? Don’t people buy anything nowadays?”

She looked at the two sides of the road. They were all trees. There weren’t any shoppers, and there wasn’t a noise. She felt that the modern world wasn’t fun at all.

The chauffeur’s eyes widened. He looked at the servant from the rearview mirror and held back his laughter.

This girl definitely came from the countryside.

Dominic frowned slightly. He regretted bringing this girl out. Would she make a fool of herself later?

After all, Old Mr. Wade was very important to him, he could not do anything about it

“This depends on whether or not he can marry Elizabeth or not. It depends on whether or not he can defeat Matthew.”

The car stopped at the entrance of Spring Teahouse. The driver opened the door for him and Hazel got out of the car first. She came over to help him. Her little face was wrinkled, seemingly unhappy.

Dominic pondered for a while and said, "Yang. I'll take Hazel out for a stroll later and buy some delicious food."

Upon hearing this, Hazel's eyes lit up again.

"Sure!"

Then, she blinked her eyes at Yang, and her happiness almost flew away.

Yang couldn't handle it. This little servant was really interesting. She didn't know that looking at a man like this would arouse other people's interest.

Hazel helped Dominic into the teahouse. She heard Old Mr. Wade's voice from afar.

"Dominic, this way."

Hazel knew the Young Master's name, so she beckoned Old Mr. Wade and helped him to Old Mr. Wade's side. She helped him pull a chair and let him sit down.

Old Mr. Wade looked at Dominic. He was a good-looking man. But his eyes, such a pity.

However, he believed that with modern medical technology, it would definitely be able to recover.

"Dominic, try this tea."

A tea artist dressed in a cheongsam was making tea. Her movements were elegant and placed the tea in front of Dominic.

Hazel glanced at Dominic. He rubbed the teacup in his hand and sipped on the tea. This was good acting.

If she hadn't been with him all the time, she would have thought that he was blind!

She bent down next to Dominic and said, "Young Master, Yang and I will go out for a walk. Are you okay alone?"

Only then did Dominic recall this matter and responded.

"Just go!"

Hazel laughed happily and told Old Mr. Wade.

"Old Master, we'll meet later."

After that, she ran out like a gust of wind, laughing happily.

Old Mr. Wade looked at the door and felt that this girl was quite cheerful and had a good personality.

Dominic saw the Old Master's gaze and explained.

"A maid who has been taking care of me recently."

Only then did Old Mr. Wade withdraw his gaze and laugh.

"I'm going to hold a gathering for Lizzy on Saturday to announce her identity and announce your marriage to her. What do you think?"

That was what Dominic was waiting for. A hint of a smile flashed across his lips.

“I’ve always liked Lizzy. For the past six years, I’ve been by her side. I don’t have any objections.”

Old Mr. Wade nodded. “That’s good then, Dominic. You owe Lizzy this. She’s been scolded for six years. I hope you treat her well in the future and make her happy!”

This was Old Mr. Wade’s wish. That girl had no mother since she was young, and her father did not care about her. She was a miserable child.

It was him who had always protected her that made her feel happier.

Dominic replied, “Grandpa, don’t worry. I’ll treat Lizzy well. I’ll be treating my eyes soon. The doctor said they will recover.”

He wanted to make Old Mr. Wade rest assured. After all, he was not blind.

Chapter 482 Wade Family Gathering (1)

Old Mr. Wade smiled and replied, “Even if your eyes won’t recover, Lizzy won’t dislike you.”

You had already had kids together. How could she not dislike you because of your blindness? That’s unreasonable.

Old Mr. Wade was like this, traditional and righteous.

Dominic was in a great mood after listening to the Old Master.

The decision he made back then was right. He told Old Mr. Wade that the kids were his, so naturally, he would not object their marriage.

After the conversation, Old Mr. Wade left first. Dominic said he wanted to wait for his chauffeur and maid to come back.

Old Mr. Wade asked the owner of the teahouse to take care of him before getting up and leaving

Dominic picked up the tea and took a sip. The darkness in his eyes deepened bit by bit.

He smiled wickedly. Matthew, you want to rob Elizabeth from me? Let's see how you do it now.

About half an hour later, Hazel returned with a lot of delicious food in her hand. Her little face was filled with satisfaction.

"Young Master, it's such a pity that you didn't go with us. There are a lot of food there, and they're all delicious! I thought there weren't any stalls by the roadside, but I didn't expect them to be in one place."

She was munching on an ice-cream.

The cream was still on her mouth. Dominic reached out to wipe the cream off her mouth.

"It's time to go home."

"Oh!" Hazel's mouth curled up.

Then, she quickly kept the food into the bag and helped him. If the young master wanted to pretend to be blind, she had to be his walking

Saturday at the Wade Residence.

The main building was decorated very beautifully. The festive lamps and the girls' favorite dolls were all prepared for a modern girl's banquet.

Tiana stood on the second floor and watched the busy scene downstairs. She couldn't help but complain to Celine.

"Mom, grandpa has never held a banquet for me before. Even my birthday has never been so grand."

Celine was wearing a red cheongsam. She looked very noble.

She crossed her arms in front of her chest. "When you marry Matthew, your grandfather will look at you differently. When the time comes, you can attend to banquet you want" Let's look at the big picture instead of the pennies h in front of us."

That's right. If it weren't for us, she won't be here today."

If it weren't for her mother's suggestion, grandpa would not have held a banquet for Elizabeth.

At this moment, the relatives of the Wade Family came in one after another through the door.

Tiana saw her uncles and aunts, so she said.

"Mom, are you going downstairs to accompany them?"

These were the main forces of the Wade Family. If her mother talked to them, she could spread the news about Elizabeth. They were more influential than the Internet when it came to spreading gossip.

The ability of a woman to spread news was incredible.

Celine walked up the stairs. "Of course, I am the mistress of the Wade Family. My relatives are here, so of course I have to go to welcome them."

Tiana followed behind her and went downstairs.

Her uncles are already together with Richard. They entered the small living room, they might have something to talk about between men.

A few women were sitting in the living room and chatting

Celine walked over "Sisters, you're here"

The two of them were eating snacks and having tea. When they saw their sister in law, they stood up

"Sit down, sister-in-law! Are you busy today? We brought people here to ease some of your burden."

Celine smiled politely. If it weren't for the Old Master, they wouldn't have arrived so early.

They came early, hoping to get the old man's favor, then they will be able inherit more wealth.

Aunt Francine looked at her.

"Tia, do you have a boyfriend? Bring him back! I heard that Lizzy and the Young Master of the Campbell Family will be announced today. The

Campbell Family is the second largest family. Lizzy is really lucky"

Previously, everyone thought that Elizabeth's life was hard, but now they had changed their attitude, thinking that she was very lucky that she could marry into the Campbell family.

Celine raised her head when she heard this.

"Didn't our Tuana stay by Matthew's side all this while?"

Chapter 483 Wade Family Gathering (2)

Upon hearing this, they all looked at Tiana.

“Where are you going with Young Mr. Hilton?”

“I thought the engagement last time failed and the two of you broke up?”

The Hilton Family is much more prominent than the Campbell Family. Tia, you are so lucky.”

The few of them were gossiping. When Claudia heard that, her mood improved a lot.

I want my daughter to be on top of Elizabeth. How can she compete with my Tia? They are not at the same level at all.

Tiana raised her hand to straighten her hair and smiled politely.

“My relationship with Matthew has always been quite good. It’s just that he’s busy with work, so he doesn’t have any plans to get married for the time being. But Old Mr. Hilton has been urging us. Maybe we’ll get married soon.”

After saying that, she looked at them triumphantly, then looked at the expressions of the crowd.

All of them were envious. After all, they could not reach the Hilton Family.

Elizabeth also arrived earlier. She brought the three children into the house.

“Where is Grandpa?”

The three children missed grandpa too, so she brought them here early so that they could accompany grandpa

The servant pointed to the backyard. "Master is at the temple."

Elizabeth understood. After Dominic said the children were his, she thus became innocent, so the old man now had the courage to face the ancestors.

Now that she had won another award, grandpa would definitely tell the ancestors about the good news.

Tiana saw Elizabeth bringing the three children in, so she called her.

"Sis, come sit down!"

The round table Was huge and it could accommodate more than ten people.

Elizabeth hesitated when she saw the relatives. She did not want the kids to be with them at all.

After all, the way these relatives are piece of work!

Tiana stood up and held her hand.

"Sis, everyone's here. We're having a chat and bonding."

Abby looked at the large table not far away. She glanced at the two brothers and held her hand calmly.

"Mommy, I'll take my brother and sister to see my great-grandpa."

Elizabeth breathed a sigh of relief. Fortunately, she was smart and would take the opportunity to escape.

“Alright, bring the young master and the rest to see grandpa.”

The maid replied, “Okay, Miss.”

After watching the three children leave, Elizabeth could only sit at the table with Tiana..

By the time the tea was served and all sorts of snacks were served. This was a normal Wade family gathering.

Sitting together, chatting, drinking tea, and bonding. It was a tradition that was passed down from the elder generation.

Aunt Francine looked at her with a smile. “Lizzy, I heard that you won a big prize. Congratulations!”

The most important thing today was to celebrate her winning the award. They didn’t know the exact award, but they didn’t need to know.

“Thank you Aunt Francine.”

“Lizzy, where’s Young Master Campbell? Why didn’t he come with you?”

Everyone at the table laughed when they said this.

The meaning of it was obvious. Everyone knew about Dominic and her.

Elizabeth replied, “He should be here tonight”

Actually, she really didn’t know if he would come or not. Now, he didn’t even want to see her face. His eyes were like that. He was very

reluctant to appear in front of everyone.

Celine deliberately asked, "I heard that he's blind? The Campbell family has entrusted everything to his uncle's son. Is he okay?"

After saying that, she sneered in her heart. Everyone thought that you had married the head of the Campbell Family, but in fact, he was no longer in charge.

Aunt Francine exclaimed, "Ah, is he blind?"

Christina was the same. Her eyes widened and she looked like she was gagged.

"Why is he blind? Will he still be alright in the future? If it's not good for Lizzy to marry him. Isn't she going to serve him for the rest of her

Chapter 484 Difficult Talk

Instantly, the people at the table started to pity her. "I thought Lizzy was going to have a good life, but I didn't expect to marry a blind man.'

"That's right! It turns out you're going to be someone's maid."

Christina looked at her daughter. "Did you see that? Don't be like your elder sister, dating a man at an early age and entrusted yourself to a man. You need to learn from Tia and find the most outstanding man in the world to be your husband."

Rachelle was eating fruits. She wasn't in the mood to listen to these gossip. She didn't expect the topic to be about her.

She furrowed her eyebrows slightly. "Got it, got it."

Nicolette couldn't take it anymore. "Even if you're blind, you can still recover. What age are you living in now?"

She sat beside Elizabeth and kept bringing food for her. She loved Elizabeth the most.

Elizabeth held her hand under the table and told her not to speak. She did not want Aunt Francine, especially Celine, to scold her later. She may do something something bad to her again.

Celine cleared her throat, and no one dared to make a sound.

“Don’t say too much. Lizzy married the Campbell family which is second to the Hilton family in A City, and it’s considered a wealthy family.”

It sounded like she was speaking for Elizabeth. In fact, she was clearly saying that her daughter marry the best.

At this moment. Elizabeth’s phone rang. She got up and walked to the side to answer the phone.

Jessica called and she answered it.

“Jess.”

“Tonight, the Wade Family is celebrating for you, and they have invited me too. I’ll be late. Congratulations on winning!”

The smile in her voice made it clear that she was genuinely happy for her.

“Thank you! It would be great if Pearl could come together.”

Pearl and the three children had a good relationship. Kids were the happiest at a gathering like this.

Jessica glanced at her daughter on the hospital bed. She was not in a good mood lately.

“She’ll undergo a surgery next week. If she gets better, I’ll take her anywhere.”

Both of them laughed. “Alright, go ahead and do your job. Be careful of those.”

“Yeah, I know.”

After hanging up the phone, she was about to go out for a walk. She sat here and listened to their gossip. The topic would always be her. think it’s better to go out and get some fresh air. It’s more comfortable.

Nicolette followed behind. “Sis.”

Elizabeth turned to look at her. “Why did you come out with me?”

“It’s so boring inside. I don’t like what they say. Let’s take a stroll in the courtyard!”

Nicolette held her hand. “Sis, are you really going to marry Dominic?”

She had seen Dominic before. He was quite handsome. In the eyes of these young girls, he was a handsome uncle.

Elizabeth was stunned. This matter was getting more and more troublesome.

“Nicolette, I haven’t thought about getting married yet.”

Nicolette was slightly taken aback. “You didn’t think about it? They said that you’re going to have a family tomorrow!”

The flowers in the courtyard were in full bloom. The spring season was neither cold nor hot. The two of them held hands and strolled around.

“Tiana is having her moment! If she really marries Matthew, we’ll all have to see her face in the future.”

After saying that, she sighed.

“It would be great if you married Matthew. He’s handsome and has good eyes.”

Matthew was the dream of almost every woman in A City, even Nicolette, so she felt that Elizabeth and Matthew were more suitable because she knew Elizabeth well.

At least she was much better than Tiana. After she got married, she won’t be arrogant or make them suffer.

Elizabeth’s eyes darkened slightly when she heard this.

Actually, she was the one who was actually dating Matthew, but she couldn’t say it out loud. Especially in this house, it felt so uncomfortable.

Chapter 485 What A Man

At this moment, Elizabeth’s phone rang. She glanced at Matthew

A smile flashed across the corner of her lips and she answered.

“Hello.”

Her face was filled with a warm smile as if there were pink bubbles in the air.

Nicolette, who was standing by, was dumbfounded. Such a big sister seemed to be gone for many years ago. At that time, she was shining like this, and everyone liked her.

“Lizzy, where are you? I have something to do tonight, so I won’t have dinner with you.”

Elizabeth’s house had already arranged dinner for him. He was already used to it, as if it was his home.

“And she and her family are like his family.”

“Okay, got it.”

“Did you miss me?”

The man on the other end spoke softly, but his voice sounded really good. Elizabeth’s heart trembled slightly, as if she had already seen his bobbing Adam’s apple.

A blush appeared on her face. “Yeah!”

Because her sister was by her side, she was too embarrassed to say that she missed you, so she could only swallow in exchange.

“Have you thought about it?” Matthew was unhappy.

Elizabeth glanced at Nicolette. She was really embarrassed to say such chubby words in front of her. She was still a high school student, so she did not want to take her down.

“It’s inconvenient. I’ll hang up now.”

Matthew added, “See you tonight!”

After hanging up the phone, Elizabeth still had a smile on her face. Her mind was filled with Matthew's handsome face.

Nicolette laughed, "Sis, whose phone is it? Your smile is as cute as a peach blossom in the spring breeze!"

While she was talking, she took a photo of her with her phone.

"I want to take a photo. You're so beautiful!"

Elizabeth raised her hand to cover her face. "Nicoletto, don't make a scene.

When the two of them were making a scene, there were a few more people behind them, and Elizabeth even bumped into them.

Young Master, are you alright?"

Hazel asked anxiously and then wanted to help him up.

Dominic did it on purpose. He deliberately let Elizabeth bump into his arms and smell her scent, the faint tangerine scent, this is her scent.

Elizabeth's waist was caught by one of his hands. She looked up in fright.

"Dominic, I'm sorry!"

After saying that, she took a step back. Dominic let go of her and narrowed his eyes.

"Lizzy, is it you?"

Hazel saw that he was fine, so she stood at the side and didn't move. She took the initiative to Young Master, yes, she is Ms. Wade Yiyan."

Even though he could see, he still had to pretend to be blind. She really did not understand what the young master meant.

Elizabeth smiled, "Dominic, why are you here so early?"

"I asked him to come here so early."

Wade's grandfather's voice was heard and everyone turned to look at him.

Abby held Old Mr. Wade's hand while the two handsome little kids walked on his other side. His brave look resembled Old Mr. Wade.

Elizabeth did not say another word. No one would dare to stop grandpa from inviting him here so early.

At this moment, the relatives in the house followed behind. They were gossiping in hushed tones and each one of them looked at Dominic.

Celine walked in the front and she said with a smile.

"Son-in-law. Please come in!"

As the stepmother, it was right to call him that. Everyone beside her laughed, and Dominic heard her voice.

However, he could clearly see every movement of those people.

It was obvious that she was here to see him. If it weren't for Lizzy accepting him, he won't have pretended to be blind.

But this was the only way she could not refuse.

Otherwise, he had professed his love several times over the years, but she had rejected him. Now, he could only follow the path of suffering and make her unable to reject him. That way, he could get her and defeat Matthew.

“Grandpa, Aunt Wade, everyone, alright!”

Chapter 486 Grandpa, I Was Wrong

His voice was deep but magnetic. Everyone present was stunned.

I have to admit that this man is quite good-looking and his voice is pleasant. It’s just that his eyes have such a small problem.

They felt sorry for him, but also were tempted by this scene too. They did not think Elizabeth as pitiful as before

“Blind, but still of the best quality.”

Tiana stood beside her mother and looked at the scene in front of her. Everyone was looking at Dominic with admiration in their eyes.

It was obvious that they had been conquered by his beauty. She furrowed her brows slightly.

In the evening, Matthew and Old Mr. Hilton will be here to show them the true beauty.

She crossed her arms in front of her chest and sneered, wanting to see how they would be embarrassed in the evening.

Old Mr. Wade said, “You can do your own thing. Don’t surround here.”

“Lizzy, bring Dominic to my secretary.”

After saying that, he turned around and walked away. The relatives behind him also hurriedly dispersed.

Hazel wanted to help Dominic but was caught by his gaze and she quickly took a few steps back

The Young Master is so fierce. It’s really scary”

Elizabeth could only help him up. “Dominic, be careful””

Her soft little hand touched his arm. There was a tinge of emotions in his eyes. Followed was the faint tangerine scent on her body. It was sweet but not tired.

The fragrant breeze caressed his face. There was a hint of a smile on his lips.

Nicolette, who was standing by the side, had been sizing him up. She still thought that Matthew was more handsome.

Sighing, she spoke.

“Sis, I’m going to see my mom first. We’ll talk later.”

Elizabeth nodded slightly and helped Dominic up the stairs.

“Be careful. There are ten levels of steps here. Remember to count.”

Hazel behind her was holding her hands together. When she saw Elizabeth supporting Dominic and how Dominic was walking, she really wanted to help.

“But I could not, Young Master doesn’t allow me to do so.”

She felt a little uncomfortable. It was sour. She wanted to eat something sweet, so she might feel better.

After entering the door, she looked around and saw the large round table not far away. There was a lot of delicious food on it

Hence, she walked over, picked up a few pieces of peach cookies, and took a bite.

Ah, it’s so delicious!

It was tasty, crisp, and very sweet. In an instant, my mood improved.

Elizabeth helped Dominic into the study. Old Mr. Wade was sitting on the sofa. When he saw the person entering, he said quietly.

“Have a seat!”

Elizabeth helped Dominic to sit down and she sat on the other side.

“Grandpa, what do you want to say?”

She stared at him with her big eyes. Her beautiful face was very adorable.

Wade’s lips curved into a smile. He had liked his granddaughter’s appearance since young, which was why he spoiled her so much.

“Dominic, I’ll leave Lizzy to you from now on. Will you treat her properly?”

Elizabeth’s eyes widened when she heard this. Grandpa had just handed her over to someone else.

“Hey, Grandpa, the one I like isn’t him, it’s not him!”

“Don’t hand me over, don’t do it!”

Glaring at her with her big eyes, she shouted silently. However, the Old Master did not have the ability to read his mind.

Dominic. He understood and smiled coldly in his heart.

Lizzy, why could not you see me?

I love you, not less than Matthew, and even more than him.

“Grandpa, don’t worry, I’ll treat Lizzy well and treat her like a treasure!”

Upon hearing this, Old Mr. Wade smiled.

“Lizzy, you’re the same. Don’t give up on him because of Dominic’s eyes. Since the two of you are in love and have kids, then you’ll be together for the rest of your life, got it?”

Elizabeth glared at her. What should I do?

Chapter 487 A Strange Feeling

In the end, she could only pursue her lips and not say anything

I feel very uncomfortable. Now that Dominic is like this, he was already a little depressed.

She could only endure it. When she had the opportunity in the future, she had to explain herself clearly.

Looking at the expression on their faces. Old Mr. Wade didn't want to say anything else.

"Lizzy, I'll leave Dominic to you now to take care of him. I'll take him around and introduce him to

Elizabeth recalled just now. Everyone should know him, so she did not introduce him.

"Alright. Grandpa."

Elizabeth grabbed Dominic's hand. "I'll take you out for a walk."

Actually, his eyes were already like this. She thought it was better not to walk.

It would be great if there was a wheelchair. This would be more convenient.

Dominic smiled warmly and held her hand tightly.

"Grandpa, let's go. I won't disturb you anymore."

Old Mr. Wade looked at Dominic. Regardless of whether it was a whim or a temperament, they were all sharp. It was not a loss for Lizzy to be with him. It was just his eyes.

He said that he could cure it, so he should have found a doctor.

It was good that he could cure her. He was relieved.

Dominic saw the darkness on Elizabeth's face. When she was unhappy, she would be a little dumbfounded. At this moment, she was dumbfounded. Her thoughts should have gone out of the blue.

Frowning slightly, he spoke.

“Lizzy, I’m here. Aren’t you angry?”

After all, she had been rejecting him all this while, yet he came and even promised her grandfather that he would treat her well. These promises made it clear that he was going to marry her.

Elizabeth shook her head. “Don’t be angry. No one would dare to stop grandpa. Dominic, I don’t know how to resolve the lie you said before.”

“Why did he tell grandpa that he was the father of the three?”

If you want to change the word now, then the previous one was just a lie. It’s really annoying!

At that time, she was also obsessed with ghosts. In order not to let the three children be pointed at and scold the bastard child, she did not explain.

Indeed, a person cannot lie. A lie requires countless lies to be resolved. It’s so tiring!

Dominic held her hand tightly. “Lizzy. I’m already like this. Don’t you dislike me too?”

After saying that, he was about to let go of her hand. Elizabeth quickly held onto it, not letting go.

“Don’t let go. Be careful of falling.”

Dominic’s face was cold, and his voice was deep.

“Lizzy, I sincerely treat the three children like my own children. Do you want them to be treated like bastards?”

Of course, she did not wish for the three darlings to be affected.

“Dominic, I know you’re doing this for our own good. Let’s not talk about this.”

I really could not explain this matter clearly.

Push the door open and carefully help him out.

Drake had been waiting at the door, holding a lot of food, and his mouth was still covered in cream.

When she saw the two of them coming out, she happily ran up to Dominic.

“Young Master, enjoy yourself here! There’s a lot of good food here.”

Dominic furrowed his eyebrows. “Then find yourself a place to eat your food. Don’t follow us.”

“With Hazel here, it’s inconvenient.”

I think it’s better for them to be together alone. That way, it’ll be easier to increase their feelings.

Hazel blinked her big eyes. “Young Master, can you do without me?”

She had gotten used to taking care of him. She was afraid that he won’t be able to do it without him when he pretended to be blind.

Elizabeth smiled. “Go play your game. He’ll leave it to me.”

Elizabeth did not know how to take care of people before, but now she was very good at it.

After being personally trained by Matthew, he was already very good at doing business.

Hazel nodded. Suddenly, she felt that the Lizzy wasn't sweet anymore, and the peach cookies didn't taste good anymore. She was a little puzzled. What was wrong with her?

"Are you really used to being a servant?"

Chapter 488 They Feel Like a Couple

Elizabeth helped Dominic, "Where do you want to go? Take a walk in the courtyard? Or do you want to go back to your room to rest?"

Dominic originally wanted to go for a walk in the courtyard, but his eyes were good and he was afraid of getting busted.

"It's not convenient for me to go out like this. I'll rest in your room for a while."

Elizabeth thought so too and responded.

"Okay!"

After that, she helped him into the elevator and went to the third floor. Was her room still the same as before? Nothing had changed?

Grandpa was really nice to her and asked her to come back in a familiar environment.

Once they entered the house, Dominic smelled the faint tangerine scent. It was very refreshing. The room was mainly white, and the bedside veiling was also white. The entire room was laced with lace.

This should be the room she used to stay in when she lived in the Wade Family. It could be imagined that she used to be very spoiled when she was still young.

Elizabeth helped him to sit on the orange colored sofa. She glanced at the room and did not come in for a long time.

The sight of every item inside reminded her of the past. Back then, she was the eldest daughter of the Wade Family.

She felt the love of being cared by her grandfather, but only her grandfather was sincere to her.

Her father, Richard, had never been nice to her. He had always hated her.

At this thought, her eyes darkened a lot.

She turned her back to Dominic and picked up the photo on the headboard. At that time, she looked like a princess.

Dressed in a white dress, her smile was beautiful!

The house was very quiet. Only the sound of the wind blowing the curtain which was also the sound of time passing

Dominic watched her retreating figure. She was wearing a slender red dress today. It was simple and generous. Her hair was spread like seaweeds to her waist.

A curvaceous and gorgeous woman.

“Lizy, is this your previous room?”

Dominic asked a stupid question. This silence made him very uncomfortable.

It felt like his heart was stuck. He was afraid that he won't be able to control his emotions, so he found a topic to talk, just to calm himself down.

Elizabeth turned around and sat on the bed. The bed was soft.

She caressed the sheets with her long fingers. It was the color she used to like.

“That’s right. For me, it’s just like what happened in my previous life.”

Dominic looked at her dazed expression as if she was caught in the past.

You used to be the princess of the Wade Family. If it weren’t for that man, you would definitely have a good life.”

When he said this, there was a trace of darkness and a trace of hatred in his eyes.

If that man hadn’t ruined her, she would still be the eldest princess of the Wade Family. If he wanted to marry her, his mother would definitely agree.

Elizabeth suddenly raised her head and looked at him.

“Dominic, don’t talk about this. It’s all in the past.”

Elizabeth fed him lunch and asked him to rest on the bed before she left the room.

There was a little girl squatting by the door, almost tripping Elizabeth.

“Mmm...”

Elizabeth harrumphed softly. Hazel stood up hurriedly. Feeling a little flustered, she held onto Elizabeth.

“Ms. Wade, are you alright?”

Elizabeth smiled. “I am fine. Why are you squatting here?”

This girl is really very loyal. No wonder Dominic will keep her by his side to serve him.

“I’m not familiar with the people here. I only know Young Master.”

Her big, bright eyes blinked. She looked innocent and afraid.

Elizabeth’s heart ached when she saw her. This girl’s eyes are big, and her face is a little chubby. She’s like a Barbie doll,

“You go in. He’s inside. He’s having lunch break. You can rest on the sofa.”

Hazel’s eyes lit up. “Thank you Ms. Wade, you’re such a good person.”

After saying that, she had already pushed the door open and she could feel that she was very happy.

Elizabeth’s mind flashed a scene. It was the scene of this little girl being together with Dominic. She hurriedly shook her head.

“Elizabeth, don’t overthink. How would Mrs. Campbell accept a girl like her?”

Chapter 489 What Are Your Plan

Elizabeth warned herself and walked up the stairs.

I’ve been accompanying Dominic all this while. I don’t even know where the three kids are.

It was mainly due to the care of the two boys that she felt so relieved.

Elizabeth went downstairs. There weren't many people in the living room. After having lunch, everyone went back to their respective rooms to

The three children were playing in the living room while Tiana sat opposite them. What were they talking about?

Elizabeth was afraid that the girl would say something stupid, so she hurried downstairs.

Celine walked out of the dining room. When she saw Elizabeth, she wrapped her arms around her chest.

"Lizzy, you're so careless. You're only taking care of your man and you forget about your children."

She sneered and looked not far away.

"Fortunately, our Tiana is nice. She's taking care of them for you."

Elizabeth replied. "They don't need anyone to take care of them. They can take care of themselves."

Tiana being nice? I don't buy that bullsh*t.

Celine was upset. "Elizabeth, what do you mean by this? Is there a mother like you? You're even more evil than a stepmother. Can the kids take care of herself?"

Hearing Celine's words, Arthur replied.

"We can take care of ourselves."

"We can take good care of your sister too."

Their gazes were cold as they looked at Celine.

Celine felt that his gaze was a little familiar, but she couldn't recall for a moment. Their aura was similar to a certain person. For a moment, she couldn't recall at all, but she felt that it was very familiar.

Tiana was eating grapes while throwing grape skins into her hands.

"Moin, don't say too much. They have said that they can take care of themselves. What else do you have to say?"

After saying that, she threw the grape skins in her hand into the bin and smiled at Elizabeth.

"Sis, sit here. FYI, these three kids are quite good-looking. They look quite similar to Dominic."

Elizabeth frowned slightly. Is she blind?

But she was so kind. What was she planning?

Celine walked over and sat beside her daughter. She took a look at the three children.

The little girl was wearing a blue princess dress, like a princess dress in a cartoon. The two little boys were both wearing black suits, white shirts and black collar.

The two of them were tall and slender, looking very handsome.

The little girl was a mini version of Elizabeth. She looked exactly like her.

Elizabeth asked, "Have you guys eaten?"

Arthur replied, "Yes. I ate with my great-grandpa just now."

With her grandfather around, no one would dare to bully her children. Now that they had a father, they did not dare to bully her anymore.

Elizabeth was so relieved.

Yeah, if you're sleepy, I'll get the servant to take you upstairs for a night's sleep."

Abby was so tired from watching cartoons that she almost couldn't open her eyes.

"Mommy, I want to sleep."

Celine called out, Take the kids to rest in the guest room."

Immediately, a few servants came over and Elizabeth deliberately took a look. Only then did she feel relieved to confirm that it was someone from her grandfather's side.

"Son, bring your little brother and sister upstairs to rest. Call me if you need anything "

"Alright, Mommy," Arthur answered.

Then, the three little ones walked toward the elevator, followed by a few servants.

The living room instantly became empty. Only Elizabeth, Tiana, and Celine were there.

Elizabeth was leaning against the sofa, reading her text with her phone in her hand.

Without any messages from Matthew, she casually looked at her friends.

Elizabeth glanced at her mother. Her eyes were staring at Elizabeth with a strong hatred. However, a woman would hate Elizabeth whenever she saw her.

After all, she was too pretty, like a fairy.

Tiana sneered, "Congratulations, Elizabeth! You're getting married into the Campbell Family,"

Chapter 490 Being With Hilton Huaiyan Is More Happy

It sounded very strange. Didn't they wish for her to die before?

recalling that night six years ago, she almost died in their hands.

And now they were here to congratulate me? She narrowed her eyes,

"I won't marry Dominic. I want to marry Matthew."

Her voice was low and cold, making the mother and daughter feel a bit cold.

Celine harrumphed coldly. "Elizabeth, what do you mean by that? Are you trying to snatch him from the Tia?"

Elizabeth raised her eyebrows. "I don't need to. He's mine already."

"You..."

Celine was rendered speechless by her. She was stunned and she was able to shake her head at her.

“Mom, why are you arguing with her? Is there any point in saying all these?” her plan was to make Elizabeth and Dominic public. After all, they were a couple in grandfather’s eyes.

If it was made public, how could Elizabeth be with Matthew?

The thought of Matthew and Old Mr. Hilton appearing here tonight made her realize that there would be a good show,

At that time, how would Elizabeth explain herself?

Celine was so angry and Tiana got up.

“Mom, let’s go upstairs and rest for a while. I’ll apply make-up for you.”

She dragged Celine upstairs and glanced at them.

When faced with this mother-daughter duo, she was strong enough to fight. Just now, she felt that she was very happy and expressed her feelings, which also extinguished Tiana’s spirit.

Anyway, who does Matthew care about? She knew very well that it was simply humiliating herself to argue with her here.

The room was occupied by Dominic and Hazel. She could only rest in the living room for a while.

Initially, she was still looking at her phone, but unconsciously fell asleep.

She was awakened by the voices of her relatives. When she opened her eyes, she saw Aunt Francine and the others sitting on the sofa. There was a large group of people chatting and laughing.

All of them looked energetic after lunch break. Nicolette was sitting next to her. When she saw her waking up, she cursed.

I asked all of you to be quiet. Look, you've woken up Lizzy."

Her mother looked over and her gaze stopped on Elizabeth.

"Lizzy, it's already three o'clock in the afternoon. You should wake up. We have hired a make-up artist and a stylist. We're waiting for you in the guest room on the second floor!"

Nicolette's eyes narrowed. "Ah, is it so grand? Sis, let's hurry up and dress up for you."

In Nicolette's eyes, Elizabeth was already pretty enough. If she put on makeup and wore a gorgeous evening gown, then she would definitely be able to shine tonight.

The thought of this made her so excited that she couldn't wait any longer.

"Sis.let's go."

Elizabeth only woke up when she was a little dazed. She pulled her and stood up and walked up the stairs.

The relatives in the living room whispered. "The old man cares her so much. Isn't it just a simple prize winning?"

"That year, Lizzy didn't even finish school and went to give birth. It's normal for Old Master Wade to be happy for her mow that she's somebody."

"Also, the wedding between her and the Young Master of the Campbell Family should also be mentioned on the agenda."

“No wonder the old man even invited the press today. He usually hates these entertainment news the most. It seems that the old man still loves Lizzy a lot.”

Elizabeth did not hear these words.

However the three of her children heard her and she pouted furiously.

“Brother, who is Lizzy going to marry? Isn't she going to marry Uncle Hilton? Why Dom now?”

Arthur sighed at her, wanting her not to attract the attention of the others.

The brothers led her out of the living room and into the courtyard.

“Sis, let's not interfere with Mommy's matter. No matter what others say, we have to support her.”

Antony nodded. “Brother, you're right. We need to be Mommy's backup.”

Abby didn't quite understand, but she always listened to what the two brothers said.

“But Lizzy seems to be happier when she's with Uncle Hilton!”
