### Chapter 541 Secret Kiss

Eheatseth hesaid this and a smile appeared on her face the breathed a sighed died when she heard what he wand

Nicolas finally understood why Matt asked them not to tell Elizabeth

Even though the gul didn't seem to care about him, she was actually worried about him.

It she knew that Matt was like this, how would she react?

Nicolas felt that if it were him, he won't have told his woman about it. He suddenly understood what he was thinking

After exiting the examination room, the doctor told her that it won't leave a star However, she needed to apply the ointment on time and stay away from water. She could recover completely after tely days

Flizabeth said to her, "Thank you!"

Sure enough, she was overthinking it. Even a young and beautiful doctor like her was very professional

In their eyes, no matter how hands or ugly a man was, they were all the same. A bunch of organs and a sample.

In that instant, she felt that she was too pity. She actually thought that way just now.

"Ms. Wade, then I'll go report your condition to the dean."

After saying that, she turned around and walked away. Elizabeth put on her clothes and called out to her.

“Doctor, there’s no need. I’ll go see Matthew myself and tell him myself!”

The doctor nodded slightly. “Okay.”

Elizabeth exited the treatment room and walked toward Matthew’s ward.

In the beginning, she was happy and excited. because she thought that he cared so much about her, but as she walked, she was a little flustered.

Matthew’s cold expression was quite frightening. She couldn’t explain what had happened recently. Even if she explained, he won’t believe her.

Can we still talk?

And Old Mr. Hilton doesn’t like her. This made her very unconfident.

After all, she valued Old Master Wade, and Matthew was the same. He grew up with his grandparents and had a better relationship.

I don’t want to ruin the relationship between him and his family.

Elizabeth walked with her head lowered and did not pay attention to the front. Hence, her head bumped into the door, and she exclaimed in pain.

“Mmm... It hurts...”

A few nurses passed by and sneered.

Elizabeth touched her forehead. It felt like there was a bump. It really hurt!

Previously, the scar on his head was still there, but it didn't affect her appearance anymore.

Now, there was another bump. What a bad luck!

She pushed open the door and walked into the main ward. Then, she knocked on the door.

After waiting for a while, she pushed the door open and entered.

She saw Matthew lying on the bed with his eyes closed, as if he had fallen asleep.

But his forehead was covered in sweat and his eyebrows were furrowed. He looked very uncomfortable.

Elizabeth quickly reached out her hand and patted his head. Fortunately, it wasn't hot, otherwise he must be having a fever.

She breathed a sigh of relief and sat by the bed, looking at him carefully.

The man's face was thinner and he looked more and more sturdy. His closed eyes usually looked like the stars in the sky.

His lips were beautiful. The thickness of his lips was just right, and the color of his lips was bright.

It was also comfortable to kiss. Soft and sweet.

Thinking of this, she couldn't help but lick her lips. Her eyes were staring at his beautiful

lips, and she actually wanted to take a bite.

Elizabeth pursed her lips and actually felt a bit shy.

She quickly averted her gaze and stopped looking at him.

Matthew's beauty is too seductive. No one can resist, right?

No matter what, she couldn't, so she turned her gaze back to his lips.

Hence, her face moved down bit by bit. Her lips were getting closer and closer to his. She also heard her heart beating louder than before.

It felt like her heart was about to jump out of her chest. Her breathing was getting more and more hurried.

Elizabeth wanted to retreat, but she closed her eyes and kissed her.

Chapter 542 I'll Feed You

Elizabeth felt the warmth on her lips and her heart felt sweet. She took a peck and prepared to leave quickly.

If you have to kiss someone in secret, you have to do it quickly and swiftly.

However, the man's deep eyes opened. He was very familiar with the softness in his mouth.

He placed his large hand on her head and pressed his lips against hers again.

And he even extended his tongue and sucked her tongue in.

Elizabeth was on the verge of losing her mind. He kissed so hard and wildly.

In the beginning, she was still struggling. However, she became weaker and weaker.

Only after she was pressed under her body did Elizabeth come back to her senses, because she felt like she was in danger.

Matthew today seemed to be more enthusiastic, ruthless, and overbearing than ever.

Elizabeth might be afraid, but at this moment, she actually wanted to obey him. In fact, he was not the only one who wanted to do it.

She thought about it too. Besides, after having that kind of skin bond with him, this desire became stronger.

Her little hands wrapped around his neck. This was undoubtedly a tacit acknowledgment.

The flame in the man's eyes grew stronger. A faint smile flashed across the corner of his lips and he raised his hands to pull her clothes.

At that moment, the clothes rubbed her back. The burn injury couldn't take it anymore, and it was so painful that tears were almost coming out of her eyes.

"Mmm..."

Matthew reacted instantly. He propped his hands on both sides of her body and frowned slightly.

Hizabeth blushed from the desire in her eyes. Besides, the place she was sitting was already

No need to say it, she knew that he was feeling uncomfortable down there

At this moment, the sound of the door of the waid sang, and was the voice of Nicolas

“Lizzy, don’t let Matt get agitated, don’t make him angry too.”

Elizabeth was shocked by her loud voice

“Ah, is there a surveillance camera here?”

This scene was so erotic Could it be that Nicolas had already seen them?

Matthew did not want to stop, so he said coldly

“No, don’t worry about him. Let’s continue.”

His long fingers climbed onto her boobs and began to unbutton her

Elizabeth’s face was flushed and she was so shy

However, she had listened to what he said. Matthew’s expression was indeed pale and he had lost a lot of weight.

Moreover, since Nicolas was so protective of him, he was definitely only helping him. He would come over to remind her, indicating that he must not get agitated or angry.

Elizabeth held his hand, "Matthew, my back hurts. Can we not do it? Let's talk!"

She said path, then kind his las

She flapped over and got out of his body lying on the side beside him.

She wrapped her arms around his waist, and his face was already grim. He looked very

"Mutthea, whs are you always sick lately? Don't work too hard. Rest when you can. Don't stress yourself too much"

Even though Matthew's face was cold he still responded to her

"I don't work hard, how am I going to feed you?"

Chapter 543 The One I Love Is You

Elizabeth seemed to be determined, "Yeah, I'll take care of you."

After saying that, she smiled and wrapped her arms around his waist tighter.

I spent the whole day accompanying grandfather and taking care of Dominic. I'm really at little tired.

After saying that, she rubbed her face against his shoulder and soon fell asleep.

It was as if he was there, and she felt extremely at ease.

When Matthew looked down at her, he realized that she was already asleep after a few seconds

A trace of displeasure flashed across his face. Initially, he still had a lot to say to her, but it seemed that he could no longer.

Matthew pulled the quilt over and wrapped the two of them tightly.

The next day, Elizabeth was woken up by her phone which kept ringing.

She woke up. She had a sound sleep last night. When she opened her eyes, she heard the man's deep voice, which was hoarse after waking up. It was exceptionally pleasing.

"She's sleeping. It's inconvenient for her to answer the phone."

Then, he wrapped his long arms around her and pulled her into his arms. He gently kissed her face.

"It's still early. Let's sleep a little longer."

Elizabeth was hugged, and her heart was warm. At this moment, she was really sleepy, so she closed her eyes and fell into a deep sleep.

In the end, the nurses woke them up. "Mr. Hilton, Ms. Wade, wake up."

Matthew opened his eyes. He still couldn't forget the woman in his arms and couldn't bear to let go.

"What is it?"

"They haven't woken up yet. Why is this nurse here? She's obviously upset."

The nurse felt that the house had turned into an iceberg, and her body shuddered.

He indeed is handsome. Besides, he is the head of the largest family in A City. He is the dream of every woman.

She was no exception. However, he was too cold and looked unapproachable.

“Mr. Hilton, the dean asked me to inform you that Old Mr. Hilton is here.”

After saying that, she quickly turned around and left. If she stayed any longer, her heart would not be able to take it. Mr. Hilton’s expression was terrifying.

Elizabeth sat up quickly after hearing this.

“Ah, I’m leaving now.”

He pulled open the quilt and was about to escape, Matthew wrapped his arms around her waist and leaned against her face. The warm feeling and the faint cold scent of his filled her face.

“Don’t leave.”

Elizabeth’s heart skipped a beat when she heard his deep and pleasing voice. She didn’t know why the gods were blessing him alone. They gave him such a good body and a pleasing voice.

After hearing that, his ears were about to be pregnant.

He kissed her face. “It’s fine. Stay here and accompany me.”

“Hilton... Matthew, no way. Old Mr. Hilton is not feeling well. I don’t want him to get angry.”

She couldn’t help but feel memorized. She closed her eyes and opened them again.

Matthew was simply too good at flirting. He caressed her waist gently and his tongue slipped on her face. This feeling was so strange that it made her heart tighten.

“I’m leaving now. I’ll visit you later.”

Just as Elizabeth was about to walk to the door, Matthew spoke up.

“Why should you accept his proposal?”

You promised me first. Why did you still accept Dominic?

Elizabeth’s eyes narrowed slightly. How would he know?

But after thinking about it, it made sense, in the Wade Family, with Celine around, something like this could not hide.

“Matthew, do you trust me? I don’t love him. The one I love is you.”

After saying that, she quickly pushed open the door and left. Matthew watched as the door opened and closed.

It was as if she hadn’t appeared. In an instant, his world turned cold.

A short while later, Old Mr. Hilton and Tiana walked in.

Old Mr. Hilton had a smile on his face. Matthew seemed to be in good spirits. He did not look like he was sick, so he should be fully recovered.

“Matt, you should be discharged today, right?”

Chapter 544 Take it Out on Jessica

Matthew was half leaning on the bed. Last night, he had a good night's sleep. It was the best sleep he had had for so long, so he looked better and was more energetic.

"Men" he murmured. Being hospitalized was not important to him.

The most important thing was that he could perform the surgery

If someone could perform the surgery within a month, otherwise he would...

He did not think about what happened afterward. He glanced at Tiana indifferently and said

"Didn't I tell you not to appear in front of me?"

Tiana pursed her

"Matthew. I'm worried about you

Her voice was aggrieved and she acted so innocent. Those books were really very useful

"Matt why are you talking to her like this? She'll be your fiancée soon. She'll be your wife, and your child's mother in the future heart tighten

The mention of children made Old Hton's heart

"I think that you should not get engaged and just get married and give me a few great-grandchildren, I'm already so old. I could not wait any longer

If the Hilton Family didn't have any descents, he won't be able to die at ease.

Tiana opened the food container wanting to unfold the small table on Matthew's bed.

“There’s no need. I won’t eat.

He would never eat the food this woman brought with him. Tiana took a glance at Old M. Hilton. Previously, he would put on an act in front of Old M. Hilton

Old M, Hilton was so angry that his took a deep breath,

“Matthew, do you really want to anger me to death? As long as I’m alive, you can only marry Tiana.”

Old Master Wade roared. Tiana was so frightened she quickly walked to his side.

“Old Mr. Hilton, don’t get angry. Your health is more important.”

She helped him to catch his breath. The old man’s eyes were filled with warmth. He felt that this girl was really warm.

Even if Matt treated her like this, she was still not angry and treated him well.

One can find such a wife nowhere. How could this brat not like her?

Matthew saw Old Master Wade gasp and was afraid that what he said would anger him, so he didn’t say a word.

He got up and went to the bathroom to wash up. He was about to leave the hospital and go back to the company.

By the time he came out of the bathroom, breakfast was already on the table. Tiana pursed her lips and said in fear.

“Matthew, have breakfast first. I’ll try my best not to show up in the future.”

Old Master Wade heaved a heavy sigh upon hearing this.

“Tia, don’t listen to him. With me here, he must see you. In the future, he must marry you too. Only you can become the mother of the Hilton Family’s great grandchild.”

Tiana was overwhelmed with excitement. It was indeed beneficial to earn Old Master Wade’s approval.

“Mom was right. Now that with Old Master Wade’s approval, how can Elizabeth steal him from me?”

She shook her head at Old Mr. Hilton, “Grandpa, don’t say such a thing. Ask Matthew to have his breakfast, otherwise it isn’t good for his health.”

After saying that, she turned around and walked away. “I’ll go first.”

Old M. Hilton looked at the girl leaving, and his heart ached.

He took a glance at the grandson in a tie. He’s so handsome and so smart. Why isn’t he good at relationships?

When Tiana walked toward the elevator, she bumped into Elizabeth who was waiting for the

elevator too.

other.

The two of them glanced at each other before switching on their phones and ignoring each

Jessica whispered, “Don’t argue with her later. This woman is crazy. Take care of yourself.”

She couldn't leave for the time being. None of the two people in the ward could leave her.

She almost fainted because the of them kept bossing her around.

Elizabeth nodded, "You go see them! I'm going home."

The elevator door opened. Elizabeth walked in first, and Tiana gave Jessica a cold look.

"Jessica, do you think you're someone because you're with Leonard? Why don't you take a look at yourself? You're calling me crazy. The Johnson family will never like you."

Chapter 545 I Only Acknowledge You as My Granddaughter In Law

Jessica smiled faintly, "I've never thought of manying into the Johnson family either. At least

I'm not like someone. He has already told you to get lost, but she still wants to mally him"

"You..."

She was so angry that she stomped her feet. Thinking of Matthew's attitude just now, she definitely couldn't let anyone know about this.

Otherwise, they would laugh at her and watch her fall

No matter what, she had to many Matthew. It had to be him.

After saving that, she was about to enter the elevator, but she realized that the doors had closed. She pressed the button down, but the doors still did not open, and the elevator went down.

Tiana cursed angrily, "Elizabeth, you brat, you don't wait for me."

She felt that Elizabeth was doing this on purpose, she deliberately pressed on the door and let her wait for the elevator here.

Jessica laughed, "Ms. Wade, please wait."

After that, she turned around and walked to the ward.

"Tsk, tsk, you are just a nightclub wine-selling whores. Now that they're selling your body, you think you are going to be a noble wife? You'll cry later."

Old Mr. Hilton came out and saw that Tiana is still there. He smiled.

"Tia, don't be angry! This is Matt's temper. You have to conquer a man. You got this."

Dean Williams was by Old Mr. Hilton's side. He was not young anymore and everyone would call him Mr. Williams.

"Master, it's raining outside. Put on some clothes so you won't catch a cold."

Old M. Hilton drove slowly out of the hospital's underground parking lot. At the entrance of the hospital,  
he saw Elizabeth hiding under the root.

"Stop the car"

Following that, Mr. Williams turned around and asked him.

"Master, is there anything Isn't he going home? Why did he suddenly stop the car? Is he not feeling well,  
or did he forget something?

"Dean, please ask that lady into the car."

Desan glanced at the lady standing by the door. She was wearing a white dress and the wind.

was gently shaking the hem of her dress, she was like a lily.

"Alright, Master."

Dean got out of the car and walked to Elizabeth with an umbrella.

She kept looking at the rain, so she didn't notice anyone walking to her side.

"Ms. Wade."

When she heard someone call her, she looked at Dean, who was holding a big black umbrella. Her eyes sparkled. It was obvious that she was frightened, so she bit her lip.

“Hello!”

“Ms. Wade, our Master invites you to get in the car.”

He pointed at the black cat. Elizabeth glanced at it, She knew such a cat, such a car plate.

Previously, Old Mr. Hilton was unable to speak or walk.

She had been in his car, so she was very familiar.

Elizabeth frowned slightly. “Wouldn’t I make Old Mr. Hilton feel upset in the car?”

Previously, she had angered Old Master Wade so badly that she did not want to hurt him.

again.

Chapter 546 Envy

Upon hearing this, Mr. Williams couldn’t help but take a few more glances at Elizabeth.

Previously, she often visited the Hilton Family. At that time, he thought that this young lady had an extraordinary temperament and a kind face.

From the looks of it now, not only did she look kind, but she was also kindhearted.

“Ms. Wade, it was master who asked you to get in the car. It should be alright.”

Elizabeth nodded slightly and walked toward the cai. Mr. Williams was holding her umbrella.

When she got into the cai, she spoke to Mr. Williams.

“Thank you!”

“Ms. Wade, don’t be too courteous.”

Mr. Williams closed the car door for her. He felt that Ms. Wade had a good character. She even treated a servant like him politely.

Different from Tiana, she was only polite to Master but cold to the help and even scolded them occasionally, saying that they were just dogs from the Hilton Family.

Dean couldn’t help but ponder.

“Why didn’t master choose this one?”

Dean is Sam Williams’s younger brother. He and his brother had always followed Old Master

Wade, but six years ago, his brother was poisoned and passed away.

Only he was left to serve Old Master Wade.

Thinking of his brother, he sighed. If his brother was here, he would have dared to tell Old

Master Wade about this.

But his relationship with Old Master Wade was not that good. He did not dare to talk much about the Hilton Family’s family affairs.

Elizabeth got to the car and nodded at Old M. Hilton. OM M. Hilton.”

Old M. Hilton noded in agreement. “Ms. Wade, let’s meet at the teahouse in front. Are you

Elizabeth replied to him, Her attitude was very gentle and she looked like a rich lady.

Old Mt. Hilton couldn’t help but take a glance at her. This girl isn’t like what the rumors say,

Instead it gave her a gentle and generous feeling.

Elizabeth might not have a good life in the past few years, but her temperament had grown deep under Master Campbell’s guidance since she was young

The car stopped at the entrance of a teahouse not far away from the hospital. The driver and bodyguard opened the door for them.

A bodyguard in a black suit held an umbrella for her and sent her into the teahouse.

Old Mr. Hilton liked tea, and the owner of this teahouse was Old Mr. Hilton’s friend. When he saw him, he welcomed him himself.

“Hector, what brings you here today! Rain and tea are perfect together.”

A middle aged man dressed in a suit welcomed him into a private room. Then, someone came over to make tea for them.

Elizabeth sat beside Old Mr. Hilton and listened to him and the old man in the teahouse conversing.

“Didn’t you give the teahouse to your grandson? Why are you here today?”

The owner shook his head. "My granddaughter-in-law just gave birth recently. He went to the hospital to accompany his wife and child, so I came here to take a walk."

Upon hearing this, Old Mr. Hilton's face darkened slightly.

Damn it, this is just a blatant showoff.

"Come, Hector, let me show you the picture of my great-grandkid. It's a little girl. She's so pretty and chubby."

Old Mr. Hilton took a glance and said indifferently with a cold face.

"You lucky dog. Congratulations!"

The owner smiled joyfully. His eyes were filled with happiness. He carefully took out the album, and it was obvious that he loved this great-granddaughter very much.

"Hahaha, when will your grandson give you a great grandson?"

The Hilton Family only had one child. Hector had long hoped that he would be married and have a few children. Many years had passed, but there was still no sign of anything.

The fourth generation of his family had already been born. The old Hilton family had yet to make any moves.

Old Mi. Hilton's face was cold. "It's getting there. I'll be able to hold a baby next year anyway."

After saying that, he pointed to the outside. "You guys go out. I want to talk to this lady about something."

The owner left with the tea artists. Old Mr. Hilton was so angry that he took a big sip of the all.”

“It’s just a great-granddaughter and you don’t have to rub it in my face. I’m not jealous at

Chapter 547 I Do Not Dislike Him

Elizabeth couldn’t help but laugh when she saw the old men arguing

When she saw that Old M. Hilton’s cup was empty, she poured him some tea.

Only then did Old M. Hilton glance at her indifferently. If it wasn’t for her, he would have already had great-grandchild within a ve

The move he thought about it the arguer he became

The expression on his face became more glooms

“Ms. Wade, I have a few words to S TO YOU”

“Our Family could not compete with the Wade Family. The Wade Family is a century old family: Our Hilton Family has only been around for a few decades Although the Hilton Family has been growing prosper over the years but in Matt weally still does not deserve the eldest daughter of the Wade Family Hence, we can only marry the second daughter of your family. I hope you understand.”

Elizabeth’s sweet hand was holding the cup, her big eyes blinking Old Mr. Hilton, I won’t look down on Matthew”

Upon hearing this, Old M. Hilton’s expression changed, and she stopped him from saying anything else.

Old M. Hilton glanced at the woman in front of him. She was beautiful and had a good

temperament, but she was not very obedient!

He was clearly rejecting her politely, but she said she won't dislike Matt.

The thought of his great-grandchild being so outstanding, and the fact she was a woman who had 3 children made him so angry

Elizabeth saw Old M. Hilton staring at her so she said.

Old Mr. Hilton, my family has two sons and a daughter. I think you like kick. As long

Matthew and I get married, you'll have three great-grandchildren. They'll make you happy every day!"

In Elizabeth's heart, the three darlings were the best gift given to her by God and the most important person to her.

To Old Mr. Hilton, this was also the best gift.

Thinking about how he saw others' great-grandchild just now and the envious look in his eyes, she could solve this problem in one minute.

Upon hearing this, Old Mr. Hilton stood up in a daze.

"Hmph!"

He snorted coldly and strode away.

Elizabeth saw that he seemed to be angry. She blinked her eyes, not knowing what she said was wrong.

“Isn’t what I said what he wanted to hear? Didn’t he hear it?”

Sigh, Old Mr. Hilton used to be more adorable, but now he was a little scary and had a bad temper!

Old Mr. Hilton walked out of the private room and Mr. Williams went up to greet him.

“Master, are you going home?”

He glanced inside. Ms. Wade hadn’t come out yet. It was raining outside, so we should be sending her home first.

“She’s gone.”

Old Mr. Hilton roared softly. He did not want to care about the woman inside anymore.

What

did she just say?

I don't want to be a great grandfather for other people's kids. I want to have my biological great grand-kids.

The child of the Campbell family, he did not like, nor did he eat about

He wanted the Hilton Family's children, Matthew's children.

The owner of the teahouse also came over. "Item, are you doing talking that girl red

"What nonsense are you talking about? No."

After leaving angrily, the owner laughed. Finally, he felt proud in front of this old man. He already had a great grandchild, so he should have provoked him.

"What's wrong with your grandfather? It's getting hot lately. Ask him to drink more tea to take some medication. It's not good if he has a bad temper"

Dean's expression changed. Maybe he had a bad talk with Ms. Wade,

He was just hoping that Ms. Wade could win over the master's heart, then the young master's

good news was near

Dean's face darkened when he heard the owner of the teahouse,

“Talk less, the business in your store might improve.”

Anyway, in his opinion, this teahouse’s business wasn’t very good. If it weren’t for Master’s regular visits, it would have been closed down.

The owner was stunned for a moment. What was he trying to say?

But Dean had already left. He shook his head and said to himself.

“Dean, you’re really like your brother. You’re so good at talking

Chapter 548 Hurt

Elizabeth walked out of the room and the owner smiled at her.

“Miss, that’s Hilton’s temperament. Don’t be angry. I have a grandson at home. Why don’t you be my granddaughter in law!”

He looked at her beautiful face and nice temperament.

Anyway, he had a good judgment of people. This child is a good one. If Hilton doesn’t like

her, then he’ll cherish her!

Elizabeth smiled, “Thank you for comforting me. I’m fine, so I’m not angry.”

After saying goodbye to the owner of the teahouse, she walked out of the teahouse and

waited for the car at the entrance.

At this moment, her phone rang. Elizabeth took out her phone and answered it.

“Dominic.”

“Lizzy, were you with Matthew last night?”

In the morning, he called and Matthew answered. He said she was asleep. He was so angry that he smashed the study.

Elizabeth pursed her lips slightly. “Dominic, don’t overthink. I’m coming now. Isn’t the psychiatrist going to see you today? I’ll accompany you then.”

She did not dare to say anything to provoke him, so she avoided the topic.

What kind of person is Dominic? He’s also a smart person. If Elizabeth was avoiding the topic, then there must be something going on.

But he would follow her steps down too.

“Okay, I’ll wait for you.”

Elizabeth hung up the phone and let out a sigh.

Yesterday, she did not see the three kids. Tonight, she must go home earlier and accompany

them.

Elizabeth took a cab to Dragon Mountain Villa. It was raining all the way there. By the time.

they reached Dragon Mountain Villa, the rain stopped.

The scent of mud could be smelled. The surroundings were quiet, not even the cries of birds.

The ground was soaked too. She walked into the mansion.

When she reached Dominic's villa, she pressed the doorbell.

Hazel caught sight of the person at the door and ran to his bedroom on the second floor.

"Young Master, Ms. Wade is here. Will you open the door for her?"

When she said this, she subconsciously glanced at his hand. There was a bandage wrapped

there. When he was angry this morning, the glass bookshelf was smashed by him, and the glass

pierced through his hand, leaving a lot of blood.

Dominic was wearing a white shirt and black pants. He stood by the window.

He had already seen the woman standing by the door. She was still in a daze, but she had

learned to lie and changed the topic.

"What do you think?"

The young master had a bad temper today, and Hazel did not want to provoke him either.

Hence, he hummed in acknowledgment and went downstairs.

As she walked, she muttered. She really couldn't understand humans anymore. Why was she

always unhappy?

If he was like her, as long as there was good food, she could live happily without any more

trouble.

When Hazel opened the door, she smiled at her.

"Ms. Wade, you're here. The Young Master is waiting for you upstairs. However, after he

is injured too. Don't make him angry

later!"

It sounded like she was thinking for her. She was afraid that Dominic would make things

difficult for her.

Actually, Young Master wanted Ms. Wade to know about this.

Elizabeth's expression changed slightly upon hearing this. She walked quickly into the villa

and ran upstairs to Dominic's bedroom.

She dashed toward Dominic and pulled his hand.

"Hiss..."

She poked the area of his wound and Dominic frowned his eyebrows in pain.

Elizabeth looked at him like this and cursed.

"Do you still know how painful it is? Why do you want to hurt yourself?"

After saying that, she asked again, "Hazel, have you seen the doctor? Is the wound deep? Did

the doctor treat it?"

Dominic was now a patient to Elizabeth.

He was like a glass doll that would shatter anytime, so she had to be careful.

Hazel's ears were very sharp. She could hear Elizabeth calling her downstairs, so she could

only run upstairs.

"Ms. Wade, are you looking for me?" She stretched her head.

Chapter 549 Ring

"I'm just asking you, has the doctor visited Young Master Campbell's wound?"

Hazel glanced at the handsome young master. His gaze was a little cold, and she also understood what he meant.

“Don’t talk nonsense.”

She shook her head, “No, Young Master doesn’t want to inform the doctor, he’s afraid they’ll tell Mrs. Campbell, he’s afraid she’ll be worried.”

Elizabeth understood, “Bring me the first aid kit.” She helped Dominic to the side of the bed and sat down. Then, she started undoing the straps on his hand.

Dominic suddenly held her hand. “Lizzy, you’ve agreed to my proposal. You’re my fiancée. I hope you’ll be loyal to me.”

His voice was cold, and there was a trace of sadness.

Elizabeth recalled last night when she heard this. She really slept well in Matthew’s arms.

The man’s embrace was her obsession, and it was the place she wanted to go the most.

However, the man in front of her had saved her at the most critical moment. He gave her and the three children a new life.

She had promised to repay this kindness. Now was the most difficult time for him. She couldn’t leave him no matter what.

“Yeah, I’ll be careful in the future.”

Dominic heard this and a smile appeared on his face.

“Next time, stay away from Matthew. Can you keep a distance?”

Elizabeth saw the wound on his hand. The wound was very deep and it was still bleeding. heart tightened.

Dominic saw her like this and a cold smile flashed across his eyes.

Elizabeth, you're heartfelt now. Have you thought about how I felt this morning

Why could not you treat me nicer? Why do you want to be with that man?

Hazel entered with the first aid kit. When she saw the wound, she was shocked too.

"Young Master, does it hurt?"

He's still bleeding. He must be hurting.

However, she could not. She would scare them, so she could only watch Elizabeth treat his wound.

Only after the bandaging was done did she secretly move her limbs. Soon, the wound on his hand healed. Dominic also felt that it was strange. hurt.

After Elizabeth applied the ointment on him, he no longer felt any pain, as if he was not

He furrowed his eyebrows and looked deeply at Elizabeth. She was packing her medicine.

And he was puzzled. Did he really love her to this extent? Why did his wound not hurt anymore?

It turned out that love really had such a magical power.

In the President's office of Hilton Group.

A pile of documents were placed on Matthew's desk. He signed each and every one of them.

His writing was beautiful!

Rosalie pushed open the door and walked in. She was wearing a professional attire.

"Matthew..."

She smiled and called him. Only then did Matthew raise his head.

"Are you looking for me?"

She looked like she was here to talk business.

Rosalie sat opposite him. "Yeah"

She pushed the folder in her hand to him. "I want to work with the Hilton Group. The hotel in the center of the city is almost completed. Our company wants to bid for the renovation. Matthew, you know that I'm studying interior design overseas. There are my award winning works in there."

Only then did Matthew flip through the documents. It was because Matthew studied architectural design that Rosalie went to his school so that she could follow his path.

After reading the proposal, Matthew said, "Let's go with the procedures and hand it to the company's development department."

Rosalie wanted to take a shortcut. Unexpectedly, he was still a businessman, but it was exactly because of this that she became more obsessed with him.

She took the documents and stood up. Then, she propped her hands on his desk.

“Matthew, do you think our company has a chance?”

She was full of confidence, but her elder brother said that there were too many companies that wanted to work with the Hilton Group, and there were many talented people. The competition was cruel.

When she bent down, the ring on her neck slipped out of her clothes. His eyes darkened slightly.

“Is this ring yours?”

This is the ring he gave me six years ago. Why is it on her?

Chapter 550 I Probably Have Kids

Rosalie noticed that his expression changed when he saw the ring. Matthew was usually a person who couldn't be bothered with emotions.

The expression on his face changed drastically today. He probably knew the ring.

She hurriedly put the ring back into her clothes. If she did not explain first, she was afraid that she would say something.

“Matthew, take a look at our bidding first!”

She straightened her body and averted her gaze in a panic.

Matthew, on the other hand, kept looking at her. He had never seen Rosalie with such a look before. Rosalie felt that the ring had something to do with him.

I need to investigate this thoroughly.

Matthew didn't have to see this, so it wasn't his job as the CEO,

"Why is that ring in the hands of Rosalie?"

Matthew finished reading patiently. "The bidding is not bad. Good luck!"

Rosalie had regained her composure and smiled faintly at Matthew.

"Thank you Matthew for your encouragement. We won't disappoint you."

After saying that, she took back the bid and held it in her arms.

"Matthew, you're busy. I'm leaving now."

Matthew grabbed the pen in his hand and said.

"It's already noon. Let's have lunch together!"

Rosalie's heart tightened upon hearing this. This was such a rare opportunity. He had never invited her like this before.

Matthew would definitely ask her about the ring. Before she found out, she would never to stay with him.

For the sake of the future, she could only reject him.

"Matthew, I need to go back and have a meeting for them. When the bidding is done, let's eat together. I'll treat you to a meal."

After saying that, she smiled. She was in a very good mood!

Turning around, he walked out of the office. The moment the door was shut, Matthew took out his phone and dialed the number of Nicolas.

Nicolas answered the call very quickly. "What's wrong? Does it hurt again?"

He just went back, Nicolas was very worried about him.

"No, I want you to help me find out something."

"What is it?"

Nicolas walked into his office and took a sip of the coffee sent by his secretary.

"Where did the ring on the neck of Rosalie come from?"

Previously, he had always thought that Elizabeth resembled the same person from back then.

Besides, she was still the eldest daughter of the Campbell Family, so everything matched up.

But he had never seen the ring he gave him back then. He suddenly saw that it was on

Rosalie's hands, he wanted to find out what was going on.

Although there were many things were not matched, his familiarity toward Elizabeth was not wrong.

His confidence was deep in his bones.

Ring?

Nicolas had a bad relationship with that girl. After all, he was the child of his stepmother.

Nicolas had always annoyed her since she was a child. kids.”

Okay, I’ll ask clearly on your behalf.”

Matthew pused his lips slightly. “Please do a DNA test for me in a few days. I might have

Ever since he found out that Elizabeth belonged to the Wade Family and was the eldest daughter of the Wade Family, he started to doubt her.

Originally, he did not expect to bring this matter up so soon, but the appearance of this ting disrupted some of his plan.

Hence, the fastest and the best way was to find out if he was related to the three brothers.

If so, then Elizabeth was the woman from back then.

No matter who had the ring, it did not matter anymore.

His heart was like a clear mirror, he had seen everything thoroughly.

“Damn it, kids? Who is the woman? Is Lizzy pregnant?”

Nicolas was shocked. Could it be triplets again?

“What do you mean by that? Are you doubting my abilities?”

Nicolas smiled awkwardly, "Erm, how can it be? You're so strong, you can cum seven times a night. It's just a matter of minutes to have kids."
