Chapter 611 Threw Down

Nicolas's even clarkened upon hearing this

In fact, when they were in A City, he already knew what the consequences would be

He had always been hopeful, and he felt that Jane would definitely have a way out

Now that the senior brother said so, it was probably really bad.

In Night City. Elizabeth and Jessica were both drunk. The two women were dancing and unging while holding microphones

They were having a great time Jessica hugged Elizabeth

"Lizzy, let me ask again. If you really miss Matthew, will you regret d♪

The wedding is tomorrow. This is your last chance

After tomorrow, she and Matthew were completely over

Elizabeth was stunned. At this moment, there was a song playing on the big screen

"Because I don't know d I'll still meet you in my next lite. That's why I'll give you the best in this life. Even if I love you. I hurt you

She suddenly laughed. "He blocked me. All of the contact were blocked"

After saving that she took a deep breath. "He has already made up ha mind I don't have much to regret anymore. Thope he'll be happy forever?"

Elizabeth fell to the ground as she spoke.

Jessica was frightened and hurried over to help her up.

“Lizzy.....”

“Mmm...”

She let out a soft sigh, turned her head, and closed her eyes again

Her hand poked her nose, but she did not die. She just fell asleep.

Jessica heaved a sigh of relief. How can you work here before?

She was just a little bit chunk, and she was so drunk. She thought she had died out of anger just now.

She was going to get married, but in such a bad mood! How depressive!

At this moment, the door of the private room was pushed open.

A man dressed in black walked in. The lighting in the room was dim, and one could only see that he was very tall, and the outline of his face was sharp.

“Heh, are you here to have fun? Didn’t you order any men?”

Jessica heard this voice and raised her head to glance at him.

“Why aren’t you taking care of the kid at home? Why are you here?”

Leonard originally stayed at home to take care of the kid. However, when he saw the bills and knew that she was in Night City, he was worried.

He glanced at Elizabeth on the sofa. She was no longer conscious.

“Isn’t she getting married tomorrow? What does she mean by getting drunk today? Does she not want to marry Mr. Campbell?”

Actually, he was also feeling unfair for Matt. For her sake, Matt could barely save his life now.

But she happily wanted to marry someone, even thinking about it made him angry.

Jessica saw the sarcasm in his words, so she went to push him.

“Don’t say anything. Get out.”

Even though Lizzy was so drunk that she fell asleep, maybe she could hear it!

She was so upset already.

Leonard held her hands and pressed her onto the sofa. Then, her lips were sealed by him. He kissed her hurriedly and forcefully.

Jessica felt pain, but she could not push him away.

Leonard smirked. This woman looks quite fierce. Actually, she would be at a loss if he were to force her.

She was not a virgin and she had a child before.

However, she did not have any sexual experience. In this matter, she was like a blank piece of paper, not knowing anything. It was still him who taught her bit by bit how to make love.

Interesting!

Jessica's breathing became very rapid, she almost couldn't breathe.

The man's deep breathing was even more sexy, Jessica's entire body was covered with goosebumps and she trembled. and that big penis of his. It was so hard that even through her pants, she felt scared.

Leonard tugged on her clothes and kissed her down her neck.

Jessica could finally take big breaths. Her mind was in a mess just now and she couldn't think.

It was as if she had been with him for a long time, and her body had already started to adapt to his rhythm.

After being thrown down by him like this, she actually felt it too, and she wanted to...

Chapter 612 Results

She furrowed my eyebrows, feeling ashamed.

Every time he forced her, she won't be able to fight or resist. It was too embarrassing, and he also knew her weakness.

As long as he was forceful, she would obey him obediently. However, she couldn't do it today. This wasn't home, so it wasn't safe.

Moreover, Lizzy was sleeping on the sofa opposite her. She couldn't endure that scene..

Hence, she hurriedly raised her hand and patted him.

“Mr. Johnson... Stop! Stop right now!”

He raised his reddened eyes and looked at her.

“What’s wrong? We haven’t tried it here yet. It’ll be very exciting.”

After saying that, she lowered her head, causing Jessica to panic.

“I don’t want to be here. No.”

Her voice was loud and she was crying.

This was the first time he heard her cry. In front of him, she had always been stubborn, never willing to give in.

Even when he was penetrating her body, no matter how fast he was, she remained silent.

He didn’t expect her to be soft today.

He let go of her, got up, and straightened his clothes.

“Are you crying?”

He bent down and hooked her chin, staring into her eyes.

Her eyes shone brightly. There really were tears in there. He smiled.

“Are you crying because I bullied you?”

What a pervert. He wanted to see a woman get screwed by him and cry. No matter how bad he was, she never cried,

She just didn't want to yield in front of him. It's just that she felt embarrassed and awkward today.

She turned her head and ignored him.

"It's almost time. Send her home. After all, she's getting married tomorrow. If she's sick, she won't be able to be a beautiful bride."

The air in the private room was very cold, but they didn't feel it.

However, the body temperature of a person who was asleep would drop and they would catch a cold.

Jessica sat up and walked to Elizabeth's side to help her up.

"Lizzy, wake up Let's go home and sleep."

However she moved, but did not wake up.

Jessica let out a sigh. She was chunk and couldn't be awakened.

Hence, she turned to look at him. "Come and hug her" novelbin

Leonard raised both of his hands. "I don't dare. Besides, I don't want to be a traitor"

I'm afraid I'm going to be beaten up. Besides, she is going to marry someone else. In't me betraying my best friend?

Jessica gritted her teeth, "Are you hugging her or not? If you not, we won't see each other anymore."

They're not right for each other anyway.

It was just a deal between the two of them

For the sake of bone marrow, he wanted to sleep with her. She sent herself to his bed. Now that the bone marrow was donated, their relationship should be over.

But he was shamelessly clinging to her all day. She was too embarrassed to say things like breaking up. After all, they weren't boyfriend and girlfriend.

"Mr. Johnson was threatened. He could not see her, that means he could not sleep with her."

Yeah, it's quite a big deal,

"Matt, I'm sorry. Hoes before bros"

Leonard held Elizabeth in his arms and couldn't help but complain.

"She's quite light! You are heavier."

Jessica rolled her eyes at him, "Is there anyone who talks like you?"

Leonard smiled wickedly, "No wonder you feel so good."

Jessica blushed. Is this guy serious?

In C City, Matthew sat in Jane's office.

She was playing a cigarette in her hand. She was wearing a doctor's uniform but still couldn't hide her sexiness.

Nicolas glanced at her from time to time. This was the first time he saw a female doctor who could a white coat sexy.

She has a really hot body.

"Matthew, you're a grown man. You're mature, and you should be able to handle the truth. I won't hide it from you. The bullet is only two centimeters away from the initiative pulse. So if you don't do the surgery, you won't be able to live for a week."

Chapter 613 Is There Someone I Don't Want To Forget?

Matthew was calm and expressionless. His voice was calm and unwavering.

Jane felt that she didn't see him wrongly. This man is different from ordinary people.

He had a strong heart. Even if he were to die, he was not afraid at all.

"What is the success probability of the surgery?"

Nicolas furrowed his eyebrows. "That's right. Tell him about the surgery too."

By the time it was daytime, they had already talked. Nicolas could not say it myself, so she think it's better for Jane to be the bad guy!

Howard looked at Jane, "Tell him."

Jane smiled. My teacher had accepted the three disciples. The two of were quite good-looking, but they weren't as bold as a woman.

They're doctors. They're used to living and dying. Now, these two men could not say anything. It's indeed not good for doctors to

have feelings for their patients.

Especially on the operating table, it would be easier to be nervous and lose the ability to calm down.

Jane stood up and tapped lightly on the table with her long fingers. She curved into a seductive position. Her face was quiet close

from Matthew's face, and their eyes met.

She wanted to take a closer look at how strong this man was.

The corners of her lips curved up slightly, seemingly smiling.

"50% of certainty, however, it's better than waiting for death. If you don't do the surgery, then you'll die a hundred percent. If you do

the surgery, you'll have at least half of the chances of winning."

"Let's do it.""

Matthew said these words without hesitation, his expression was firm.

Jane didn't see fear or fear in his eyes. He's indeed a real man."

She straightened her body. "Okay, the surgery will be tomorrow morning. However, if the surgery fails, I'll go to your grave every year.

It's my compensation for you."

Matthew took out a cigarette and lit it.

After taking a deep breath, a trace of light flashed across his stark gaze.

"There's no need."

Nicolas couldn't take it anymore. "Matt, there's one more thing I want to tell you. If the surgery succeeded, you might lose your

memory. We don't know the exact degree of amnesia. We'll only know then. You have to be mentally prepared."

Matthew grunted, "Got it."

He stood up and strode out.

The man who was originally made of steel, had the willpower of steel, who did not care about his own life and death, actually

changed his expression when he heard about amnesia.

Nicolas stood up and wanted to follow. novelbin

"Is there anything he could not bear to forget?"

Nicolas knew of this, but if Matt was still alive, amnesia would be a form of relief for him.

I guess that's what God has arranged. If you could not have it, I should forget about it.

“No.” novelxo.com fast update

He replied coldly, then left the office and went after Matthew.

“Do you know Matthew?”

Suddenly, she wanted to know if there was someone he couldn't forget.

A lover or a relative?

If it was a lover, she would rather know what kind of woman she was.

How could she get Matthew's love!

“We only met each other on the video.”

Jane nodded. “Got it.”

Howard smiled. “Jane, I think you're quite interested in him. Do you like him?”

There are a lot of people pursuing her, but she has never respected men before.

Previously, they thought that she might be a lesbian, but now, it seemed that they were probably mistaken.

She didn't care about men because no one has attracted her attention before.

Yeah, that's it.

Jane raised her eyebrows slightly. "Which woman doesn't like handsome guys? However, let's see if he can survive. If he does, we can

give it a go"

She's not young anymore. She's almost thirty and it's time for her to be in a relationship.

If the relationship went well, it would be quite good to get married.

A City, Star Residence, 7th building.

Chapter 614 We Are Wrong

Leonard's black car stopped in the courtyard. He got out of the driver's seat and opened the door of the backseat.

Elizabeth leaned against Jessica, unable to wake up.

He was about to carry Elizabeth on his shoulder but was warned by Jessica.

"Be soft."

She glared at him coldly. He could only change his posture and stretched out both of his hands to carry the woman like he was a

beautiful princess.

He chuckled softly, "Jessica, you're really generous to your best friend. Don't you know that my princess is only you?"

Jessica didn't care, "If you carry her in like that, how ugly, she'll be seen through dressed in her dress."

The two of them were bickering as they walked into the house. Ms. Elliott was shocked when she saw this.

“What’s wrong with Lizzy?”

The gown had just been delivered, and Ms. Elliott knew that she was getting married tomorrow.

Jessica explained, “Ms. Elliott, don’t worry, she just drank too much.”

Just when Ms. Elliott was about to say that there was a guest at home, Esme had already stood up from the sofa. His face and neck were

covered with paintings.

There were posters of princess Barbie, Spider man, and all kinds of small animals.

When he stood up, he smiled and said.

“Ms. Wade, you’re back?”

However, he was stunned by the sight of her in his arms.

“What’s wrong, Ms. Wade?”

Jessica saw that it was Matthew’s assistant and did not want to talk to him. Although Lizzy was indeed not right, why didn’t that man

fight for her? Where is the extremely handsome Mr. Hilton?

“Isn’t it normal to steal a bride?”

He was so stupid to block Lizzy. Is he giving up?

She shook her head. Men are indeed unreliable.

Leonard glanced at Esme and said with a faint smile.

“Mr. Deng, you be getting tanned. You’ve lost weight, But, you dressed in African style

After saying that, he walked up the stairs and Esme was stunned.

For the past twenty days he had been in Africa All he had been doing was picking up elephant sh ‘t. It was hot and disgusting

How could he not be tanned and lose weight?

Smelling those scents all the time made he lose all appetite.

The expression on his face was filled with bitterness, so he arrived at Ms. Wade’s house after getting off the plane.

He brought presents for her and the kids in hopes that she will like him a little more.

He now understood that even if he offended Mr. Hilton, he could not offend Elizabeth

Abby lugged on his hand. “Uncle, I am not done.”

He glanced at the beautiful and cute Abby, then sat back on the sofa and said with a smile. novelxo.com

“Continue putting it on.”

Since Ms. Wade was drunk, then she could only please Ms. Wade’s girl.

The main reason was that the two little boys did not pay attention

All he could do was let this little girl play with him. Even if she wanted to play house and put on makeup on him later, he did not have

any complaints.

Arthur and Antony put down their computers. The two of them got up and followed them upstairs.

“Brother Mommy’s drunk”

“Yeah, I saw it”

The two of them chatted as they walked. There was a trace of worry on their handsome little face.

Antony sighed. “She’s getting married to Uncle Campbell tomorrow. In’t it the happiest time for a girl to be a bride? Why does

Mommy look unhappy?”

Arthur was silent for a while. When he spoke, there was a trace of darkness in his dark and bright eyes.

“She likes Matthew but she is going to marry Uncle Campbell. Do you think she’ll be happy?”

The two of them stood at the door of the bedroom and did not enter.

One left and the other right, they were leaning against the wall.

“Brother, are we wrong? Although Matthew had lied to Mommy before, he can make Mommy smile and make Mommy happy. Why

don't we tell Mommy and agree to her marrying Matthew?

Antony was very upset. He hoped that Mommy would be happy.

“Okay. When she wakes up, we'll talk to her

Chapter 615 Makeup For Esme

The two brothers had a discussion before entering the bedroom.

Ms. Elliott and Aunt Jessica were taking off her shoes, wiping her face, and wiping her hands.

Uncle Johnson was sitting on the sofa, panting lightly. He must be feeling tired. novelbin

The two of them walked to the side of the bed and looked at the blushing and unconscious Mommy.

Jessica was very envious when she saw the two thoughtful sons. She had always been very envious of Lizzy to have such two sons.

“Don't worry, she is just drunk. She'll feel better after a nap.”

“Child shouldn't understand being drunk!”

Ms. Elliott tucked Elizabeth in. “Jess, thank you, and Mr. Johnson, thank you!”

She had never seen Lizzy chink like this before. Ms. Elliott seemed to understand.

She was in pain. She hugged them tightly.

“Let’s go. It’s time for dinner.”

Ms. Elliott turned to look at Jessica as she walked out.

“Jess, you and Mr. Johnson haven’t eaten, right? I’ll warm up a few dishes. The meal will be ready in ten minutes. Come down then!”

Jessica had been thinking about Ms. Elliott’s cooking for a long time, she smiled and said.

“We haven’t eaten yet. We can stay for dinner.”

Ms. Elliott left with the two little ones. Jessica glanced at Elizabeth on the bed.

“Mr. Johnson, let’s go!”

Only then did Leonard get up and pull her into his arms.

Jessica was shocked and she glared at him.

“Not now.”

However, he did not want to let go of her and grabbed onto her chest.

“Don’t you want to have dinner with me?”

Originally, his plan was that after sending Elizabeth off, he would take her to have dinner and choose a restaurant with good

environment and have a fancy meal. The two of them would be alone.

Jessica wanted to escape from his embrace, but it wasn't as strong as him. Moreover, his hands and body were as hard as steel.

If she wanted to go against this man, she would definitely suffer.

Hence, she learned to be obedient and said to him.

"Hmph. I like to eat Ms. Elliott's cooking, you don't understand. However, the two boys' cooking is more delicious. It's just that they

only cook when they want to "

Leonard was a little surprised. "Do the two five-year-olds know how to cook?"

He didn't believe that genius kids know how to cook.

After all, they were too young to be in the kitchen.

Jessica raised her eyebrows, "They aren't ordinary kids, but you might never have a taste."

Leonard was amused. "I really want to have a taste of it now."

The two of them chatted as they walked downstairs. When they saw

"Hahaha... Esme, you're so beautiful!"

After Abby applied lipstick on him, she turned around and jumped,

"Aunt Jess, is my makeup beautiful?"

Jessica nodded, "Beautiful, very beautiful!"

Esme didn't know what happened to him. But it

was

good that he could make the young miss happy.

He smiled, took out his phone, and opened the camera. Then, his eyes opened slightly, and almost fainted.

The person on the phone was definitely not him. It wasn't him.

Ms. Elliott came out of the kitchen. "It's time to eat."

When she saw Esme's face, her eyes narrowed slightly. She was startled and she continued.

"Abby, how can you treat a guest like this? Hurry and bring Esme to wash his face."

"Okay," Abby nodded and led Esme to the bathroom on the first floor.

When Esme was washing his face. Abby pouted.

"Lizzy's going to be a bride tomorrow. I still want to put on makeup for her? Is my makeup bad?"

Jake advised. "Esme, it's been a long time, so don't get involved in trouble. Nicolas said he's in charge of this, so we'll just keep our mouths shut."

Actually, he knew that because of Mr. Hilton's illness and he couldn't be agitated.

Nonetheless, they have to tell him.

"Don't you know how much Mr. Hilton cares about Elizabeth? Hurry and tell him, otherwise it'll be too late."

Jake laughed. "Esme, I'm warning you, you better not interfere in the boss' business, I'm hanging up."

Jake's expression changed suddenly, Esme was a little confused.

20 days of his absence, what exactly happened?

He looked at Matthew's number on the phone and hesitated, but he didn't dare to call. After all, so many people knew about it, but

none of them dared to tell Mr. Hilton. He would be the only one in trouble.

At this moment, Ms. Elliott came over and called him.

"Mr. Deng, it's time to eat."

Esme could only keep his phone and follow Ms. Elliott to the dining room.

The dining table was very quiet. Everyone buried their heads eating. Even Mr. Johnson ate happily. It was obvious that Ms. Elliott's

cooking was very good.

After sitting down, he picked up his chopsticks but didn't have much of an appetite?

The thought of Ms. Wade getting married to Dominic tomorrow made him anxious.

He knew very well how much Mr. Hilton liked Elizabeth, but no one helped him. What should he do?

Jessica saw that he only ate his rice, and he looked like he had trouble.

She kicked Leonard, only then did Leonard glance at her.

Jessica gave him a look. Only then did Leonard notice Esme.

"Esme, are you used to African food? Aren't you used to eating local food?"

Only then did Esme come back to his senses and smiled faintly.

"No way. African food sucks."

He recalled the servant from Africa cooking eggs and tomatoes. He shook his head. That food was nothing but disgusting.

Hence, she took a piece of pork and shoved it into his mouth. The taste of it was incredible.

Next, he no longer cared about his boss. His mouth never stopped eating.

#### Chapter 617 The Last Gift

Only after the dishes on the table were empty and the rice in the pot was empty did he put down his fork and touched his belly.

“I’m so full.”

He noticed that everyone on the table was looking at him, and they were looking at him like he was a freak.

He smiled awkwardly, “The food in Africa is too unpleasant, so I haven’t been full once during that period of time. Ms. Elliott, your

cooking is too delicious. I think I’m eating too much.”

Jessica pressed her chin. “Why aren’t you following your Mr. Hilton?”

She became serious. Something was off. Was Matthew here to snatch the bride away?

If that was true, she would look at Matthew differently.

Esme replied, “I just bought some specialty for Ms. Wade and the three kids. Mr. Hilton went on a business trip to C Country.”

Upon hearing this, Jessica was disappointed and stood up.

“Ms. Elliott, I’ll help you tidy up.”

Esme’s expression changed. What’s going on?

He sighed and looked at Leonard.

“Mr. Johnson, have you told Mr. Hilton about Ms. Wade’s wedding?”

Leonard was holding his phone. He looked up at him and replied to him.

“It’s

my

boss’s own business. It’s not appropriate for us to talk.”

Actually, Leonard knew that he couldn’t be provoked anymore. Otherwise, he would be dead..

But, this matter had to be kept a secret. That fellow won’t let Elizabeth know, and they didn’t dare to say it.

Esme sighed, but he did not care.

Even Mr. Hilton’s best buddies didn’t care. As an assistant, he didn’t dare to care.

Forget it. Everyone is like this. Even if Mr. Hilton gets angry, it’s not his responsibility alone. Everyone will be punished together.

C Country. Jake dragged Matthew out for a stroll.

He held his phone. “Boss, it’s been a long time to come here. Let me take a few photos for you!”

This is the most famous street here. The buildings on both sides are ancient. They were all built more than a hundred years ago. The

tourists would always pay for their visit here.

Matthew said coldly. "There's no need, just take a photo yourself."

After saying that, he strode forward and asked.

"Where is the shop you mentioned?"

Jake told him that there was a shop selling handmade lipsticks. It was the place women missed the most in the world. His grandma

would be very happy to receive a gift like this.

There was really a shop like this. But lipstick is just to attract Matthew's attention. Knowing that he cares about Elizabeth, he will

definitely make a lipstick for her.

Jake had no choice but to give up the idea of traveling and take Matthew to the store. novelxo.com fast update

“She’s a very elegant lady. It’s hard to tell her age.”

When she saw the person entering, she smiled.

“Are you two going to make lipsticks?”

Matthew nodded slightly, “That’s right, but I don’t know. Is anyone teaching me?”

The elderly lady laughed. “For your girlfriend or your wife?”

Jake spoke first, “It’s for our boss’ grandmother. About your age.”

The old lady shook her head. “I’m already eighty-seven years old. I’ve been opening a shop here for almost fifty years. He must be

giving a lipstick to the woman he loves, not his grandmother.”

The words caught Matthew’s attention. His expression changed slightly and the corners of his lips curved upward.

The shop was indeed very mysterious. The old lady had a good eye.

Matthew didn’t hide it anymore. “I’m just giving one to the woman I love.”

If he wasn’t around, this would be the last gift he gave her. He would make it himself.

Chapter 618 Magical

The elderly lady laughed when she heard Matthew’s words.

“Young man, there are steps here. Do it with your heart. She’ll feel your love.”

Jake’s expression changed. He wanted to tell his boss that she was about to get married.

Even if you did it, you would not be able to send it out.

But in the end, he didn’t care to say it and could only wait.

4 hours later, Matthew was done with four colors. Although he didn’t understand women’s lipstick colors.

Looking at the lipstick that was not fully formed, he wrote their names on it.

Matt & Lizzy...

The elderly lady asked him to write an address and they would send them to her later.

Matthew left Elizabeth’s address. He didn’t know if he could personally give the lipsticks to her. If he wasn’t around, then she could

receive them too.

If he was still alive, then she would definitely look for him when she received the lipsticks.

After paying the bill, Matthew prepared to leave.

The elderly lady caressed the white cat and called out to him.

“Young people, it’s not scary to encounter difficulties sometimes. It’s just that God wants your relationship to be stronger. Don’t give up

hope.”

Matthew’s expression lit up upon hearing this. He nodded slightly.

“Thank you for your suggestion.”

The shop and the elderly lady made Matthew wonder.

Even though he had never believed in these things, it was only after experiencing it for real that he would feel something.

It was as if she knew about what happened between him and Elizabeth. Perhaps this was called God’s arrangements! She was here to

guide them, and he seemed to have understood everything.

The two of them exited the shop. There were not many people on the streets. It was already twelve o’clock at night.

Jake yawned. “I didn’t expect it to be so tiring to make lipstick. No wonder it’s so expensive.”

Matthew moved his arms and legs. It had been too long since he had done such an exquisite job. He was indeed a little tired.

“Have you ever bought it?”

lipstick. He really hadn't bought it before. novelbin

Previously, he had never been bothered by these things. In fact, if a man wanted to understand a woman, he should understand what

Jake laughed. "The girlfriend from before bought it for her. A small one costs about one hundred. Besides, there are so many colors, and

I could not tell what's the difference."

He looked troubled. When he thought of the lipstick, he felt his head hurt.

He shook his head. These were all colors, so he didn't see any difference.

Matthew nodded slightly to show that he understood. It seemed that he was not even as qualified as Jake. At least he had bought novelxo.com fast update

lipsticks for his girlfriend and learned about the color.

On the other hand, he had never bought it for Elizabeth, let alone study it. It was a failure of him being a boyfriend.

At this moment, his phone rang.

Matthew took out his phone and saw that Esme was calling. He asked.

"Esme has returned to A City?!"

Jake nodded. "Yes, he called me when you were making lipstick. Don't answer it. He's just saying some words of gratitude."

At this time, Esme called. He might want to talk about Elizabeth.

He looked at Matthew nervously, hoping that he won't pick up.

Just when the two of them were talking, the phone automatically ended. Matthew didn't care.

Esme was wearing his pajamas. He sat by the bed and looked at the phone in his hand. He was awakened by a nightmare.

In his dream, Mr. Hilton knew that Ms. Wade had married someone, so he came looking for him with a knife. He was so frightened

that he wanted to run but couldn't run out.

In a hurry, he woke up with cold sweat all over his body.

After waking up, he gave Matthew a call, feeling that something bad would happen if he didn't know about it.

However, he did not answer the phone. It was already so late, so it was normal for him not to answer the phone. He was hesitating

whether to continue calling until he woke Mr. Hilton up.

Chapter 619 He Knew It

Esme was troubled. The phone didn't go through. He thought about it and thought that this might be fate.

Thus, he went to bed. However, he couldn't fall asleep again and again. It took him half an hour.

He sat up again. If this phone couldn't get through, he won't want to sleep tonight.

He clenched my teeth..

This was about Mr. Hilton's happiness. He felt that he should inform Mr. Hilton and at least fight for it.

Even though Ms. Wadle was a little annoying, she actually secretly married another man.

Just as he was deep in thought, the phone connected.

"Hello."

A deep and cold voice came from the other end of the line. Esme regained his composure and regained his senses.

"Mr. Hilton, it's me, Esme."

By this time, Matthew had returned to the hotel and had just entered his room.

"I know."

This fellow is calling me in the middle of the night. Why does it sound a little stupid?

"Mr. Hilton, I-I really could not take it anymore. Ms. Wade is getting married tomorrow. I think I should let you know about this after

thinking about it."

There was no sound from the other side, only the sound of gentle breathing.

Esme's whole body tensed up. He was very nervous. What was Mr. Hilton's reaction?

He didn't say anything. Just listening to his breathing made him even more confused.

"Mr. Hilton."

He called him again tentatively before Matthew spoke up..

"I'm hanging up."

After hanging up the phone, he dialed Jake's number. Soon, Jake entered the room.

"Boss, are you looking for me?"

Jake had a bad feeling. Esme had called just now, even though he hadn't thought about the owner's phone.

But that fellow might call again. Could it be that his boss already knows about Ms. Wade's wedding?

"Elizabeth and Dominic's wedding tomorrow?"

He asked coldly. His eyes were dark and bottomless. It was very frightening.

Jake fell to his knees without hesitation.

“Yes, boss.”

“Why did you guys hide it from me?”

Jake subconsciously took a step back. “Nicolas said that you’re not feeling well, so you could not be agitated.”

He had already cursed Esme to go to hell. That fellow, he had help him to return to the country.

He had just returned and started to make things worse.

I should have asked him to establish a family in Africa. [novelxo.com](http://novelxo.com) fast update

“Prepare the plane. I need to go back to A City now.”

His voice was deep and hoarse.

Jake did not dare to say no. [novelbin](http://novelbin)

“Okay, boss. But..”

He did not say the last sentence. He was startled by Matthew’s gaze and turned around to leave the room.

Elizabeth was awakened by Ms. Elliott, “Lizzy... Lizzy...”

She opened her eyes. Her head was still a little dizzy and she was not feeling well.

“Ms. Elliott, what time is it?”

“It’s already five–thirty. The make–up artist and fashion designer are here.”

Elizabeth really did not want to get up this early so she closed her eyes.

“Why so early?”

“Lizzy, you could not sleep anymore. You’re getting married today. You need to get up and put on makeup.”

Only then did she recall this. Jessica did not go home last night because she was Elizabeth’s bridesmaid, so she had to accompany her

cluring her makeup in the morning.

Jessica walked in, she also yawned.

“Being a bride is so exhausting. You have

to

get up so early.”

Sitting beside Elizabeth’s bed, she looked like she still wanted to sleep. She reached out and caressed her face.

“Have you woken up from drinking?”

Elizabeth opened her eyes. Her eyes were blurry. She was really sleepy.

“I really want to sleep again.”

She pursed her lips angrily and rolled over to pull the quilt back on.

At this moment, she looked like a little girl who had a bad morning temper. She was very cute.

Ms. Elliott laughed. “Lizzy, you’re getting married. Why are you still like this? You could not stay in bed late if you go to your

mother-in-law’s house! Otherwise, your mother-in-law will be mad at you.”

Chapter 620 How Did She Know Elizabeth

Ms. Elliott was here to teach Lizzy a lesson.

Jessica was also a manied woman, she also agreed.

“That’s right. After marrying someone and becoming his wife, I could not do this again. Recalling the time when I served my

mother-in-law, I’ve never slept late. Even on weekends, she wants me to wake up at six to make breakfast.”

Elizabeth became more and more afraid of marriage after hearing these words.

I didn’t many someone I like, but I married a good buddy, I still have to serve my mother-in-law. I could not live such a life in the

future!

Sitting up slowly, she asked, "Is marrying so miserable? If I knew it, I won't be married."

She got out of bed and walked to the bathroom. "I'll take a shower first. Tell them to wait for me."

Ms. Elliott responded, "I'll ask them to have breakfast first and wait for you."

Jessica leaned against her bed. She did not close the door even after taking a shower.

So the two of them could still chat. Jessica did not sleep well last night, she was dreaming all night.

The dream was about Elizabeth getting married, but the wedding in the dream was beautiful. The groom was Matthew. The two of

them were smiling happily!

But when she woke up, everything was just a dream.

Lizzy still had to marry Dominic. The world had not changed.

"Lizzy, are you okay? Do you need a leave for the wedding?"

Is she joking with me? If there's a bride taking a day off, she'll probably be on the news, right?

Elizabeth patted her head and face gently, wanting to wake herself up.

Ten minutes later, she finished showering and stood in front of the sink, looking at the woman in the mirror.

The small face seemed to have become sharp, and she had also lost weight.

Previously, she had never lost weight even if she tried. For the past few days, she had lost weight suddenly.

She closed her eyes and sneered.

Then, she started putting on a face mask and chided her hair,

She was about to start acting again. As long as she could act well, Dominic and grandfather could be at ease. Maybe their illnesses

could be cured.

Jessica saw that she was completely silent, so she leaned against the bathroom door

Her long hair was disheveled and she was still wearing her pajamas. She looked lazy.

“Why are you asking me?”

Elizabeth blew her hair and said, “It’s better if I can run away.”

After saying that, the two of them laughed. However, there was bitterness in that smile. They understood each other and understood

each other the best.

After Elizabeth finished washing up, Ms. Elliott brought two bowls of egg wine upstairs. novelxo.com fast update

“Lizzy, before getting married, have a bowl of egg wine for good luck”

Although Elizabeth did not have any elders by her side, Ms. Elliott was still preparing some etiquette like an elder.

She wants her to be happy in the future!

Jessica took it from Ms. Elliott and the two of them sat in the bedroom drinking.

“It’s so sweet!”

Jessica said and looked at Elizabeth. She didn’t really care, she looked out of the window, probably unable to taste anything.

She wanted to make her happy and make her smile.

But now, she felt that it was useless.

Lizzy was in a bad mood. Even if she continued to tease her, she won’t smile. Only she could feel the pain in her heart.

After drinking, Elizabeth went to the guest room and the make-up artist started to put make-up on her.

By the time she finished her makeup and changed into her wedding gown, it was already past 9 o’clock.

There were a lot of guests at home, including Tiana and Celine. Richard was here too. novelbin

And Tiffany. When Ye Tiffany entered the house, she saw Richard and his family sitting on the sofa. Without even giving them a

proper look, she went upstairs.

Tiana whispered to Celine, "Mom, was that designer from DK, Tiffany?"

"How would I know? I've never seen her before."

Tiana pursed her lips. "They looks similar. How did someone so famous know Elizabeth?"
