Chapter 621 She Resembles Someone

Celine laughed. "Why do you care about this?"

After saying that, she stole a glance at her husband sitting opposite her. He was sitting upright, looking a little nervous.

Those who don't know may think that he's the one to be married."

She lowered her voice. "Who do you care who she knows? As long as she marries someone, Matthew will be yours. No matter who

sees you in the future, you'll have to address you respectfully as Mis. Hilton."

"That's obvious, as long as you marry Matthew."

No one was significant in their eyes.

Tiana smiled. "That's true."

In the future, she and Elizabeth would never go against each other. However, if she was in a bad mood, she could still use Elizabeth

to vent her anger

After all, bullying Elizabeth was something she had grown up ever since she was a child.

She could not change it or need to change it.

Ms. Elliott led Tiffany to the guest room. When she saw Elizabeth changing into a wedding gown, she smiled and said.

“The bride is so beautiful!

1/2

Elizabeth heard this and merely moved the corners of her lips, not too happy.

“Tiffany, you’re here.”

Tiffany walked into her and tucked her in with a white veil, pulling her dress, and so on.

The make-up artists and fashion artists instantly became excited and whispered to each other.

“It’s Tiffany. She personally tidied the bride’s wedding gown.”

“Ahhh! She’s my idol!”

Anyway, everyone in the house was very excited. Then, they queued for Tiffany’s autograph.

Tiffany rejected them because she’s here as the groom’s elders.

Both of them were a little disappointed, but they started to envy Elizabeth.

She has such an elder that she doesn’t have to worry about the wedding dress even if she will be married a hundred times

Jessica also changed into her bridal gown. She had a good figure and she looked more beautiful in her outfit.

After the make-up artist and the dressing department left, only the three of them were left in the guestroom.

Tiffany caressed her face. "My sister will be attending your wedding. She'll be here in the afternoon, so I almost need to go to the

airport to pick her up. We'll meet at the banquet hall."

She had specially come here to discuss this matter with Tiffany. After all, her sister was her biological mother, although she couldn't

recognize each other.

But why would she miss such a big day like her daughter getting married?

She can watch her many the man she loves and live a happy life. So she can also feel at ease.

Elizabeth's eyes narrowed slightly. "Really? It's great that Auntie Campbell will be here."

The thought of Abbie made her very happy. She beated her vnovelxo.com fast updateery well and even gave her the S Group.

In her heart. Auntie Campbell was like her mother, and also her elder.

"If you get married, can she not come? Idiot. She beats you like a daughter."

Elizabeth smiled even more after hearing this.

"Yeah, I also treat her like a mother."

eyes. If her sister heard these words, she would definitely be very happy.

A hint of joy appeared in Tiffany's e

By the time she went downstairs. Tiana saw it clearly. She was on her Twitter and had uploaded a photo of Tiffany. It was the one in

front of her.

She really wanted to get to know her and then tell her that she would treat her to design her wedding gown when she got married.

But when she thought that she was Elizabeth's friend, she decided to let it go.

Richard, who was sitting on the sofa, was surprised when he saw Tiffany.

Holding on tightly to his trousers, he watched her walk towards the door.

Celine was furious when she saw this scene. She sat beside him and said coldly.

"Have your soul been seduced?"

Richard came back to his senses. He glanced at her and said indifferently.

"You've misunderstood. I just saw that woman look a little like a person."

She looks like Elizabeth's mother. They were was really very similar.

Celine was upset. She folded her arms in front of her chest.

“Who do you think she look like?”

Chapter 622

“Ms. Elliott...”

Ms. Elliott was in the kitchen! When she heard someone call him, she walked out.

“Sigh!”

When she saw that it was Richard, she didn’t know him too. She only knew that this was Elizabeth’s father.

However, Lizzy and him weren’t close. The father and daughter had never visited each other.

Ms. Elliott couldn’t be enthusiastic toward them either. However, when they got married today, they needed the elders of the Campbell

Family to be there.

This was also Master Wade’s arrangement. For the sake of Lizzy’s glory, they came.

“Get us some tea.”

“They’ve been here for so long, but no one makes tea for them. He’s thirsty.”

Only then did Ms. Elliott glance at the two women on the couch. She still remembered that when they were still living in Snow Alley

last time, that woman came and fought.

From then

on.

she did not have a good impression of this woman.

The fact that she was allowed to enter the house was already considered a form of respect for them. They even thought of having a

servant serve them. It was practically a dream.

it.

Ms. Elliott replied in differently, "I'm sorry, I don't have any tea leaves at home."

Richard's expression changed slightly, "Then can you just pour a glass of water?"

Ms. Elliott smiled. "The water cleaner is broken. Are you used to drinking water from here?"

Richard wanted to get angry, but today was Elizabeth's wedding day. It wasn't good to argue with a servant, so he could only endure

Angrily, he turned around and tugged at his tie.

He sat back down on the sofa. He might have eaten salty this morning.

But he didn't have any water to drink and became a little upset."

Tiana heard their argument, so she sat down beside her father.

“Dad, I’ve already asked the driver to buy coffee. It’ll be delivered soon. Don’t be angry.”

you.”

Celine was still angry, but after hearing Ms. Elliott’s words, she had to scream at Lizzy to calm herself down.

“Darling, what are you angry about? She’s Elizabeth’s servant, Elizabeth must have taught her so. But Tiana had ordered coffee for

Richard was already angry, but when he heard these words, he became even more upset.

However, she was right. Her little daughter was still very thoughtful.

At this moment, Matthew walked in with a group of male bodyguards.

Tiana and Celine stood up in a daze. They wanted to go over and stop him but were blocked by the bodyguards behind him.

“Everyone, please sit still and don’t act rashly. Otherwise, you will get hurt.”

Jake said coldly, then glanced at his boss and went upstairs. novelxo.com fast update

Elizabeth sat on the bed while Jessica helped her to pull the hem of her dress.

“Lizzy, Dominic has just come to pick you up. Don’t tell me you want to sit on this bed until one o’clock?”

Why did she get up at half past five to put on makeup? Are they trying to prank the bride?

Elizabeth was so tired and wanted to sleep for a while longer.

Hence, she threw herself to the side, while Jessica hurriedly dragged her.

“Baby, don’t fall down. Your hairstyle will go messy. Do you want to be a...”

Before she could say the word ‘pretty bride’, she was dragged out of Elizabeth’s room and the door slammed shut.

Jessica raised her hand to cover her chest. This man in black beside her doesn’t know how to treat a woman, right?

I’m so beautiful today? How can I treat me so roughly?

If she was dragged out like this, it would be easy to reveal er body.

Frowning, she looked at him and scolded him.

“Could not you be gentler? I curse you not to find a wife. You deserve to be single for the rest of your life.””

The bodyguards’ expression changed, but he didn’t make a sound. They stood at the door, one on the left, and the other on the right,

no one was allowed in.

Only then did Jessica realize that it was Matthew.

“Isn’t he on a business trip in C County? Didn’t he say he won’t be back soon?”

Ahhhh...

Are we

going to have a big show today?

Chapter 623 Let Matthew Give Up

Thabeth the berboom in just a blink of an eye, jewica diappeared id she heard the door closed

Nest the the man sitting on the red sofa by the window His long legs were crossed. Ha espression was cold and his dark ge was foved on her

Elizabeth pursed her lips. At this moment, she should be very beautiful

The day a woman becomes a bride must be the prettiest.

Previously, she had ako imagined that when she and Matthew got married, how would he look when he saw her in her wedding gown?

But they were not like him now. At this moment, Matthew's tightly pursed lips exuded a chilling aura

It seemed like he was very unhappy with her outfit today. It seemed like he would rush over any time to tear her wedding gown and

tear off her veil.

The

e man lit a cigarette and smoked quietly. The smell of cigarette filled the room

None of them spoke Elizabeth lowered her head and Matthew stared at her.

Until he was done smoking, he put out the cigarette, then slowly got up and walked to the bed

The tall figure leaned forward slightly and hooked her chin with his long fingers.

“Today, you’re very pretty!”

His thin lips uttered these few words, but it was unusually cold

Elizabeth saw the blood in his eyes. His dark circles were thick, as if he hadn’t slept well

“Matthew, I’m getting married. Are you here to congratulate me?”

Elizabeth didn’t know what to say.

However at this moment, all she could do was to let him give up.

If she could not give him hope, then let each other give up.

Matthew’s face darkened upon hearing this. It was as if there was an additional layer of cold, and the temperature in the room also

dropped.

Elizabeth couldn’t help but shudder.

The grip on his hand tightened, making her feel very painful.

But she endured and did not make a sound.

Matthew sneered, "Elizabeth, I don't allow you to marry him, I don't."

The voice was like the sound of a devil coming from hell, making people's hearts hurt.

Elizabeth took a deep breath. She really felt that her heart was hurting. It hurt.

especially when she saw the face that she was thinking all the time, she felt even more uncomfortable. She wanted to reach out and

touch it, wanting to hug him.

She wants to tell him that it's really bad if she doesn't have him. It's really bad.

But she could not. Saying these words will only make him even more sure that she's going to be with him. Then he might become an

enemy of the world and marry her."

She could not be so selfish. She could not for this little love, inovelxo.com fast update ignore other people's life.

She thought about how grandpa had been treating her all these years. She also thought about how Dominic stretched out his hand

to help her through all the difficulties when she was at her most helpless.

She could not be so selfish and she could not let Matthew fall into such a difficult situation.

A beautiful person like him should be happy.

If he really got together with her, what about grandfather Hilton? He would definitely have a fight with grandfather Hilton, and

grandfather Hilton's body won't be able to withstand such a quarrel.

Sigh...

The more she thought about it, the more she felt that there were countless gaps between them, and it was impossible to overcome.

Elizabeth pulled her chin back and straightened her emotions. Her expression turned cold.

She straightened her back and looked at Matthew with determination in her eyes.

Next, she laughed mockingly. "Matthew, I've always been using you. I just want to take revenge on Tiana. She snatched my father

and my position. That's all."

After saying that, she raised her hand and caressed her chin. This area, he pinched his fingers just now, it still hurt a little.

However, she missed the warmth between his fingers and took a deep breath.

"Matthew, let go. I've known Dominic for six years. My children are his too. For the sake of my three darlings, I won't marry you."

Chapter 624 Wedding Gift

The light in Matthew's eyes dimmed, and his entire being became even gloomier. His hands were clenched into fists.

“Elizabeth, I’ll give you one last chance. Tell me the truth, do you want to be with me?”

“What he wanted to say was be with me.”

“But the proud president couldn’t say it out loud, so it turned out to be like this.”

Threatening and forcing.

[Elizabeth straightened the hem of the wedding dress and pointed to the door.

“Matthew, please leave. This is my home. Please leave. People need to know their place. You’re just a tool for me. Now that I’m done using you, you’re useless.”

“Using?”

Matthew sneered, “Does a tool deserve your body too? That night, you were really a slut.”

Elizabeth felt goosebumps all over her body when she heard this, because she recalled all the things that happened that night.

Perhaps after that one night, she might not have that much passion for sex anymore.

“So he still remembers it too. He should be able to remember it forever, right?”

At least at some point, he could recall that a woman named Elizabeth had given him such passion..

Elizabeth bit her lip and said the most hurtful words.

“Matthew, you know how handsome you are. Since your heart has already been mine, I want your body too. We’re done. I’m going

to marry the man I love the most. Please don’t affect my happiness.”

Matthew’s body stiffened upon hearing this.

The pain on the headline was like an explosion. There was a whiff of blood in her mouth and tears welled up in her eyes and nose.

He shook his head, wanting to wake himself up.

To warn herself that she must walk out of here to prevent her from seeing his disheveled face.

Matthew walked away, his body tilted, and he fell to the ground. His large hand held onto the wall, then slowed down a little before continuing to walk out.

He opened the door and strode out.

When Jessica saw him come out and wanted to ask him if he brought sweets with him, the man’s expression was ugly and there was

blood in his eyes.

Her eyes opened slightly. When she wanted to ask him what was wrong with his eyes, he had already strode up the stairs.

Followed by the two bodyguards standing at the door. Jessica looked at her tall back that was no longer as straight as even, as if his

heart was hurt

His footsteps were very heavy, making a muffled noise from the ground.

Jessica let out a sigh of relief. The two of them shouldn't hugged each other and talked about their own difficulties?

After that, the two of them escaped from this wedding together and be together forever?

She sighed. Sure enough, reality was different from dramas.

In reality, there was too much consideration. It was impossibl
novelxo.com fast updatee to ignore everything.

She thought that after Matthew arrived, Lizzy would not have to marry Dominic. That way, she would be able to get her happiness.

Lizzy's life was so bitter that she finally met her own love and happiness.

But still could not get it. It's really fate!

Jessica hurried to the bedroom and heard Elizabeth crying the moment she entered the room.

Her heart lightened when she heard that voice. She hurried over and pulled her into her arms.

"Silly girl, you've met. Why don't you tell him what you're thinking?"

Elizabeth hugged her tightly. "Jess, I'm so uncomfortable. I feel like there's a fire in my heart, it's burning so bad that I could not breathe."

After saying that, she started sobbing again.

It would be great if she could say it, but she couldn't.

Only after having enough despair, Matthew could live a new life and forget about her.

One of them could be happy, so she could only give him her blessings silently for the rest of her life.

I hope he has a happy life!

Matthew returned to the villa. He took out a bag from the safe.

Inside was the piece of land in the east of the city. It had been built into a commercial center and a seven-star hotel. It had already started operating, and the business was doing well.

“Leave this to Elizabeth and say that I gave her wedding gift.”

Chapter 625 Discredit Her

It was originally a dowry, but she would no longer marry him, so this was the wedding gift he gave her.

Jake took it, his expression darker.

She was going to marry someone else. Why should him still need to give her something?

Matthew had just finished speaking when he collapsed to the ground. His mouth and nose were bleeding.

Even his eyes were bleeding. Jake was terrified.

“Boss...”

Jessica had been comforting Elizabeth, but she didn't know what to say.

After all, if it were her, what would she look like?

After crying for about half an hour, Jessica had no other choice but to force her to stop crying.

"Lizzy, don't cry anymore. You're the bride today. Do you want to see the guests with swollen eyes? What will Dominic think then?"

Elizabeth couldn't stop. She finally understood why Abby liked crying.

And when she cried, she couldn't stop. It turned out that it was all her inheritance.

She wanted to hold back, but she was so sad, she just wanted to cry.

Especially when she saw Matthew leaving, she wanted to hug him and not let him go..

She knew that he would never turn back after leaving this time.

In the end, she pushed Matthew away.

Jessica wiped her tears and furrowed her brows.

"Your makeup is blown. I'll call the makeup artist over. Don't cry again."

The make-up artists and the fashion artists were following them all day. Jessica hurriedly went out to look for the make-up artists.

Elizabeth wiped her tears with a piece of tissue and looked out the window. It was a sunny day today.

She could see the white clouds floating in the blue sky. It was beautiful and she took a deep breath.

“Elizabeth, you’ve already made up your mind. It’s your fate. Is there any point in being sad?”

At this moment, the make-up artist entered. Jessica glanced at Elizabeth. She stopped crying and just looked out of the window in a

daze.

Elizabeth made her feel upset.

However, she recalled that the three children were now at her house with Pearl. The three children were not allowed to show up at

her wedding and they were not allowed to let the two elders of the Campbell Family know about it.

In a marriage like this, it was obvious that it would not be happy!

Lizzy, on the other hand, loved the three children so much. She was willing to sacrifice her life for the three children

This time, she allowed them to do whatever they wanted. It was obvious that she did not take this marriage seriously.

Sigh!

What is this all about?

The make-up artist added some makeup to Elizabeth, but she said.

“Ms. Wade, you could not cry anymore. Otherwise, your swollen eyes will become worse, and you won’t be pretty.”

Elizabeth nodded her head, “Yeah!”

After the makeup artist left. Jessica poured her a glass of water.

“Have a glass of water!”

Elizabeth took the water and took a small sip before asking

“Does Leonard know how to look after the kid?”

Even though she had her two sons around, she was still a little worried. If Leonard was someone who could take care of the kids, she would be at ease.

Jessica thought about it for a while. “He’s quite good at taking care of the kids. After all, he’s a soldier, and he’s very good at disciplining others. Maybe when you see the three of them tomorrow, they’ll look like soldiers!

Anyway, Pearl needed some exercise during her recovery period.

Leonard was practicing with her. He seemed to like Pearl a lot. After all, he had spoiled that girl.

Elizabeth nodded and felt more at ease.

In the living room downstairs, Tiana took the coffee and dessert sent by the chauffeur and placed them in front of Richard.

“Dad, the coffee is here.”

Richard took a sip and soaked her throat.

“Matthew, what’s going on between you and him?”

Matthew had just arrived. It was obvious that he was prepared. Everyone thought he was here to snatch the bride away

They were so nervous that they didn’t know what to do.

In the end, they only breathed a sigh of relief when they saw him go clownstairs angrily and the security guards in the house left.

Tiana pursed her lips. “If my sister doesn’t interfere, our relationship will be very good.”

Chapter 626 Wishing You Happiness

Tiana opened her eyes and spoke nonsense. After all, with Old Mr. Hilton’s support, Elizabeth got married again, and she won

“Mrs. Hilton’s seat belongs to her.”

Richard’s expression changed. She thought to herself that she sounded exactly like her mother.

“Yeah, as long as you’re in a good relationship. Now that she’s married, you don’t have to worry.”

The thought of Elizabeth made him upset. He looked exactly like her mother. Even their personalities were so similar. They were both slutty

Tiana was in a great mood. She did not cause any trouble today, only hoping that Elizabeth would get married quickly. After the marriage, she did not threaten her anymore.

“Dad, have it. This coffee is your favorite one.”

Richard looked at the attentive look of Tiana and felt much better. At least one daughter was attentive.

Actually, the one who was most anxious was none other than Celine. The thought of the three children of Elizabeth might belong to Matthew made her feel uneasy

“Why aren’t they here yet?” She looked at her watch.

Even though they were left here, she was very calm. The old her would make everyone would know about it.

Richard said indifferently. “It’s early. They will be here at 1.”

Celine sighed. “That’s because we’re here early.”

At this moment, Jake walked in and glanced at the people on the couch. However, he did not stop and strode upstairs.

Ms. Elliott caught sight of another person and hurriedly chased after them.

“Sir, who are you?”

Normally, Esme was following Matthew, so Ms. Elliott had never seen Jake. When Matthew arrived just now, although he was in there, there were too many people, and Ms. Elliott did not notice him.

By the time Ms. Elliott caught up to the second floor, Jake was waiting for her.

“I’m Mr. Hilton’s assistant. Mr. Hilton asked me to come here. I have something to give Ms. Wade.”

Ms. Elliott nodded when she heard that it was Mr. Hilton's assistant,

"That's right!"

Ms. Elliott was still looking at Jake. The thought of Mr. Hilton made Ms. Elliott feel a little sad.

What if Lizzy is married to Mr. Hilton?

But now, it was like this again.

"Alright, she's in the second bedroom."

Mr. Hilton had something to give to Lizzy, so let him give it to her!

Jake nodded slightly to express his gratitude, then walked toward Elizabeth's bedroom.

He raised his hand and knocked on the door, followed by Jessica to open the door. When she saw Jake, she remembered that he was also one of the two bodyguards.

"Is there anything you need?"

Again? Is he making a scene again?

Only then did Lizzy calm down. Will this bodyguard come again and make her cry again?

Jake glanced inside. "I'm looking for Ms. Wade. It was Mr. Hilton who asked me to come here."

Elizabeth said after hearing this.

“Let him in.”

Jessica could only open the door and let him in.

Jake walked to the bed and saw Elizabeth sitting on the bed. The wedding gown was flat and neat. It looked exactly like the bride who was about to get married on the Internet.

A cold expression appeared on his face. Thinking of Mr. Hilton’s condition, he was afraid that his life would be in danger.

But this woman was still waiting so happily here to get married. The more he thought about it, the angrier he got.

He clenched the file bag in my hand. He really want to smash it on her face and call her a scumbag

But he didn’t dare. The boss cared so much about this woman. Even If he was hurt, and he still cared about her.

If he really smashed her like this, he did not dare to think about what would happen if his boss found out, he might be staying in Africa forever and start a family there.

Elizabeth looked at him, her hands clenched tightly on the hem of her skirt.

The sight of his assistant made her feel uncomfortable. She would recall him and the way he looked before.

The way he ordered her not to marry Dominic would stab her heart. It hurt.

“Ms. Wade, Mr. Hilton asked me to give this to you. He said this was originally a dowry, but now it’s a wedding gift. I hope you’ll be happy!”

Naturally, the last sentence was to hurt her. How could his boss wish her happiness?

Chapter 627 The Blood Has Dried

Elizabeth's expression darkened upon hearing Matthew's blessings, and she felt like shi".

Even though he hoped that he could let go and live his own life.

Now that he had already blessed her, she was not feeling well at all.

Jessica was taken aback when she heard this. She thought to herself that it was true that a man had a strong desire to take revenge.

Lizzy had just disappointed him, but now that he had disappointed Lizzy. Was this a tie?

Jake put the things on the bed and turned around to leave.

Elizabeth's sweet emotions had calmed down. She got up and walked to the window. She opened the door to the French window and went to the balcony.

The long white wedding dress was beautiful, but her back was a little lonely and sad.

Jessica picked up the envelope and took a look at the contract. Then, she screamed in surprise.

"Lizzy..."

She took the few agreements and walked to Elizabeth's side.

"He's so nice to you."

The land in the east of the city, as well as the contract between the hotel and the mall, were all under her name.

Now that Lizzy had become a wealthy woman, she would be able to live on her own if she did not have a good life in the Campbell Family.

Hmm...

Why won't God give her a man like Matthew?

Otherwise, she won't have lived so miserably after the divorce back then.

She showed her the contract.

Elizabeth smiled. "What's the use of these for me?"

Previously, she loved money because she was poor, she was afraid that she would not be able to raise her kids.

Now, she was no longer short of money, but everyone was giving her money.

Jessica smiled and pointed at her.

The two of them used to suffer when we didn't have money. Now, Lizzy's words sounded like a mockery.

"In the end, this is Mr. Hilton's gift. You should accept it. It'll only benefit you, understand?"

Jessica patted her shoulder, "It's almost time. Dominic and his men should be here soon. I'll put this in the safe of your closet to keep it "

At twelve o'clock, the welcoming cars arrived.

Jessica pulled Elizabeth back to the bedroom from the balcony and told her to sit properly. She also asked a few ladies from the city to block the door to make things difficult for the groom.

Just when the girls were asking for gifts. Elizabeth suddenly said.

“Open the door.”

Jessica had no other way to deal with her. She was trying to make things difficult for the groom. But she didn't want to test Dominic.

The door opened, and Hazel helped Dominic, who was wearing a white gown, followed by a few men in suits. They should be the best men.

Hazel smiled. “Lizzy, Young Master is here to pick you up.”

She let go of Dominic and ran to Elizabeth. She was wearing a white gown today. She looked cute and adorable.

After a while, the best men found the bride a pair of high heels and went downstairs to give Richard and Celiné a toast.

The reason they came to Elizabeth's side was to honor the Campbell Family

Otherwise, they wouldn't be willing to support Elizabeth!

Elizabeth helped Dominic to bow to the two of them. They were about to kneel.

Elizabeth felt that it was unnecessary. Richard did not treat her like a daughter. Celine was a stepmother, and she had done so many evil things to her.

The wedding was just an act, so there was no need for that.

Richard and Celine took out two stacks of property certificate and Celine said.

“This is your wedding gifts. From now on, please serve your mother-in-law well and have a good marriage with Dominic.”

After the tea, the group of people got into the car in a lively manner and the wedding car drove out of the villa.

In a neighborhood villa, a servant was cleaning the bloodstains in the house.

The servants exclaimed, “Why is there so much blood? Those who don’t know would think it was the murder scene?”

Then what’s going on?”

“The blood on the way here is dry, right?”

Chapter 628 Elizabeth’s Mother Is Here.

Esme entered the house and saw them cleaning blood. His face turned pale in fright.

“What’s wrong? What happened?”

Could it be that Mr. Hilton killed Dominic, but it was impossible!

Mr. Hilton won’t do such a stupid thing. He won’t.

The servants looked at him. "We don't know either. We just received a notification saying that we'll clean here."

Esme took out his phone and called Jake. Soon, the call was connected.

"Jake, have you and Mr. Hilton returned?"

"Today's Ms. Wade's wedding. If Mr. Hilton finds out, he'll definitely be back."

But there's so much blood in this villa. What's going on?

Jake and the others were currently in the hospital. He came from behind because he was going to do something for Mr. Hilton.

He's standing at the door of the operating room. "I don't know what's going on."

"Esme, you've done this. What if something happens to Mr. Hilton? You're doomed."

Esme was dumbfounded when he heard this. "Blood. Was the blood from the villa from Mr. Hilton?"

While speaking, he had already walked out. At this time, there was nothing more important than Mr. Hilton.

"That's right. Because of your big mouth, Mr. Hilton might... Maybe..."

Thinking of Mr. Hilton's situation back then, if he hadn't informed the Nicolas before his boss boarding the plane, they would not have followed him back.

He really didn't know if Mr. Hilton was gonna die in the villa today. I'll be here right now. I'll give my blood to Mr. Hilton."

After saying that, he hung up the phone and scolded Jake.

"Damn it, who cares about your blood?"

Dominic followed Elizabeth to the hotel and held the wedding tonight at the banquet hall on the first floor.

The wedding starts at five o'clock. It's only three o'clock when they arrived the hotel, so they can rest for a while..

After entering the room they were resting in, Elizabeth helped him to sit on the sofa..

"Dominic, are you tired? Do you want some water?"

She looked like a maid, not like a bride.

Dominic looked at her expression and eyes. He knew that she must have cried before

Is marrying him that unhappy?

Dominic held her hand and narrowed his eyes.

"You're wearing a wedding gown. It's inconvenient, sit down and rest!"

Elizabeth was slightly taken aback and looked back at the hem of her dress.

"How do you know?"

He was very calm.

“Hazel has already told me about your wedding dress style. Besides, I can image just how beautiful you are in it!”

Hazel came in and brought juice and some snacks for the two of them.

Jessica entered too, she was carrying fruits.

“Lizzy, eat something! You’ll be busy later.”

She has been through this. She knew that the bride won’t have time to eat during the wedding and would be hungry.

Sitting beside Elizabeth, she took a piece of cake and whispered in her ear.

“Eat something sweet and produce more dopamine. Your mood will improve.”

After saying that, she smiled and looked at Dominic, “Dominic, you seem to have become more handsome lately.”

The man’s skinnier, his face sharper, and his features stronger.

Perhaps his blindness would affect his mood. So he would naturally lose some weight..

Dominic smirked, “Thank you for the compliment!”

Elizabeth asked him, “Do you want to eat something? I’ll feed you.”

Jessica looked at this scene, she could already image that if Dominic's eyes won't recover anymore, Lizzy will serve him for the rest of her life.

Sighing, she thought Lizzy was going to have a good life.

In the future, she would be no different from a nanny. How could she be happy? If she liked Dominic, then it would be fine. If she didn't like him, then she really could only take care of him.

At the entrance of the hotel, a row of five cars stopped. The bodyguards in black suits got out of the car neatly and opened the door for the car in the middle.

A woman in a light blue gown got out of the car. Her face was in a veil and her eyes were very charming. She took a glance at the hotel.

Tiffany got out of the car and walked toward her.

"Sis, Lizzy has arrived at the hotel. You'll be able to see her if you go up. She's very beautiful today!"

Chapter 629 Meeting.

Abbie nodded slightly and followed a few bodyguards into the hotel.

Richard, Celine, and Tiana were also in the elevator.

Tiana had just said, "Elizabeth's wedding gifts are so pathetic, we only gave her two shops and two apartments. Would she go to grandpa's place to make a scene?"

Abbie and Sheila entered the elevator. Tiffany was a little worried,

After all, her sister would definitely recall the past when she saw this man.

She pursed her lips. Celine was still talking to Tiana. Did she not notice the difference between the two women?

Richard recognized Tiffany when he saw her again. She was the sister of Abbie.

No wonder she looked familiar before. Why was she here?

He felt a little uneasy. After Abbie left, he told others that she was dead, even Elizabeth thought she was dead.

The sudden appearance of Tiffany made him nervous. Could it be that the Abbie had returned?

When he thought about this, he was inexplicably agitated.

He lifted his tie and did not notice the woman wearing the veil

Celine saw him pulling his tie, so she reached out her hand to reason with him.

“Darling, what are you doing? You’re the woman’s parent today. You could not be unkempt.”

When she heard Celine’s coquettish voice, Tiffany felt slightly disgusted.

Abbie glanced at her indifferently. It was this woman who caused her to suffer so much back then and she had to leave her daughter.

The moment she saw her, she was exceptionally calm.

Celine sensed Abbie’s gaze. She straightened her hair and smiled smugly at her.

Tiffany couldn’t stand it anymore and said coldly.

“Richard, do you still remember me? Your daughter’s married, and you’re just like this? But a man like you should have no heart.”

Richard had been thinking about things just now, so he did not pay much attention to what his wife and daughter were saying

Now that she heard what she said, she knew that she was indeed here to attend the sweet wedding.

“That’s right. She’s Lizzy’s aunt.”

His gaze became a little deep. Over the years, he had been trying to forget about Lizzy’s mother, so he was especially cold and cruel to Lizzy

Me just wanted to forget her, but now that I see her sister, everything he did before was in vain.

“Tiffany, you should be here for Lizzy’s wedding. If she knew about her aunt...”

“Shut up. Today is her happy day. Don’t talk about the past.”

Richard was roared coldly by her. He paused and his gaze darkened. He was feeling uncomfortable.

Celine heard someone shouting at her husband, so she looked at her.

“Who are you? How can you meddle with our family matters?”

Tiffany and Abbie both looked at her. Celine raised her head. Because she was not that tall, she could only look at them.

Tiana hurriedly tugged on her. “Mom, mom, don’t say anything.”

Celine didn't understand why she couldn't speak. Which big shot are these two women? I could not afford to offend them?

"Why could not I speak? They're bullying your dad. Do you have a conscience?"

Tiana tried her best to give her a look, but her mother did not feel anything and looked like a shrew.

She raised her hand to caress her forehead. This was the most famous designer today. If she offended her mother like this, it would be difficult to get DK's clothes and bag in the future.

Initially, it was very difficult to get one, and she still wanted to ask her to design her wedding gown.

After this, she probably never have the chance to wear DK's wedding gown.

Richard said coldly, "Alright, stop talking."

Celine was completely dumbfounded. Even her husband told her to shut up. She was helping him!

Chapter 630 Divorce

"Richard, what do you mean? I'm helping you'

She felt extremely aggrieved. Tiana hurriedly wrapped her arms around her.

"Mom, don't say too much. Hold on for a while, just a while."

After saying that, she smiled at Tiffany, "Tiffany, Hello, my mother and I like DK very much. You are more beautiful than on TV!"

Celine furrowed her eyebrows upon hearing this. It seemed like she had heard this name before.

Then, she took a few more glances at Abbie. She didn't recognize her.

Tiffany smiled faintly. "I'm afraid I'll disappoint you two. With your character, DK will never serve you in the future."

Tiana's eyes narrowed slightly. Sure enough, she had been offended. Her wedding gown was hopeless

She bit her lip, feeling a little disappointed.

Thinking of her circle of friends and socialites, everyone treated DK like a goddess.

No matter who got married, if they could find a designer from DK to design a wedding gown, it would definitely be a huge glory.

"What's so great about that? Is there no other brand except for DK? Hmph!"

At this moment, the elevator doors opened, and Tiffany and Abbie walked out.

Only then did Richard notice a woman in a light blue evening gown. She had a good figure and her back looked stunningly beautiful

Suddenly, she thought of Abbie, so he quickly caught up.

"Tiffany, who's this?"

He looked at Abbie with anticipation. She turned his head around and a hint of mockery flashed across her lips.

"This is Miss Campbell. She is Lizzy's godmother. What's wrong? Do you know her?"

Richard pursed his lips and asked him back.

“No, I don’t know him.”

Godmother. He had never heard of her before.

Celine followed behind, her eyes sharp..

“Richard, you’re a little strange today. Why are you following her? Do you like her?”

She did not trust Richard. Back then, she had used all means to make him marry her.

Being together for a long time, men could not control their dicks.

Abbie smiled coldly and walked forward. The two of them knocked on Elizabeth’s bedroom door.

Richard watched them enter the room and still didn’t want to leave.

There was a strange feeling in his heart, as if there was a familiar feeling.

However, he could not be sure. it was probably because of Abbie that he has this feeling.

Celine’s breathing became heavier and heavier. In the end, she pushed him.

“Richard, what are you trying to do? Do you want to get a divorce now that you’ve fallen for someone else?”

“Let’s get a divorce. I’m not afraid now.”

Tia was her daughter and she was about to marry into the Hilton Family. By then, she would be Matthew's mother-in-law, and her good days: would be in the future.

Richard withdrew his gaze and walked to his own room. He sighed as he walked.

The images of the past appeared in front of him. It was hard for him to ignore it.

Tiana stood not far away and waited for them. When she saw her father, she called out to him.

"Dad, can you stop arguing with my mom?"

She had never seen her parents quarrel before. This was the first time, and she felt a bit scared.

Richard raised her head and glanced at her.

"I'm going back to my room. Stay with your mom. She is thinking crazy."

"Okay!"

Celine walked back. She was so angry that her face turned old.

"Mom, don't be angry."

She held onto Celine's hand. "She's a very famous person. It's really not good to offend her. I'm thinking of letting her design my wedding gown in the future! Dad, it's all because of this, don't overthink it."

"Your dad is a seductive man. When he sees his beauty, he's tempted. I'm so angry. I want to divorce him."
