### Chapter 681 Waiting For Him To Go Home

Even though Ms. Elliott had been living with them all this while, she did not realize it.

The little girl was usually quite friendly, and she had a good relationship with Lizzy.

She never thought that Hazel would have an affair with Mr. Campbell.

Ms. Elliott instantly became unhappy. She noticed that Lizzy was in a bad mood lately. It turned out that it had something to do with them!

Sighing heavily, she walked past the two of them and went upstairs.

Dominic glanced at Ms. Elliott, then removed the hand of Hazel.

“Don’t do this again. Do you hear me?”

He told her to keep a distance in front of others.

Previously, he thought there was no one downstairs and forgot about Ms. Elhott.

“Oh!” Hazel said angrily.

Then, she ran upstairs, her movements very quick

Dominic’s expression changed slowly, from the warmth just now to the darkness. He stared coldly at the second floor and clenched his fists.

In the Lizzy’s bedroom, two sons put her on the bed and took off her shoes.

The other one went into the bathroom and soaked the towel before wiping her face.

Elizabeth reached out and touched their little faces. She smiled. Although she could not see clearly, she knew that this was her son taking care of her.

“Son, thank you all!”

Antony was wiping her face. When he heard her, he replied.

“We hope Mommy won’t drink anymore.”

They could also tell that Uncle Dom was unhappy. Besides, what Aunt Jess said over the phone was a bit serious.

If Uncle Dom didn’t bring her back, then it meant that something bad had happened, so he had to inform Aunt Jess and the others.

Arthur was covering her with a quilt. When he saw her smiling, there was a trace of different emotion in his eyes.

Sure enough, she would be very happy whenever she saw Matthew!

He let out a long sigh. “Brother, let’s not talk about her. She looks in a good mood today.”

They haven’t seen her like this in a long time. It’s probably a good thing for adults to have a drink.

Although she was drunk and she still could not walk steadily, but the two brothers could take care of her. As long as she was happy, she could drink whatever she wanted

Chapter 682 Cooking Supper For Matthew

Tiana saw that it was almost time. She couldn't wait for Matthew anymore.

Madam Hilton did not like Tiana, because she had already seen her character clearly when Matt was sick.

She didn't care about Matt at all. She'll just coax Master Wade to be happy.

She was not blind. She could see clearly. Moreover, this girl's skin was quite thick. She knew that she had never taken care of Matt and when

Master Wade gave her money, she even accepted it.

Grand Madam Hilton shook her head. You guys wait. I need to rest."

After she got up, the servant came over to help her up and went upstairs.

Old Mr. Hilton felt that the grandmother was not feeling too well lately, just like today, she hadn't eaten a single bite of Tia's dishes.

Even if he asked her to make a phone call, she wasn't too willing. Is she upset with the Tia?"

"Grandpa, it's getting late. I should go home."

She got up, picked up her bag, and reminded him.

"Remember to take your medicine before going to bed."

Although Master Wade had recovered, he had to take his medicine on time every day. Besides, he had to take the Chinese medicine that she had taken from her classmate's father.

Old Mr. Hilton nodded. "Thank you for your hard work. I'll take my medicine every day. Don't worry!"

The only reason he could recover was all thanks to this girl

Thus, Master Wade liked her more and more, he wanted her to be his granddaughter-in-law

"Grandpa, I'm leaving now. I'll visit you tomorrow."

Tuna had no work. She originally wanted to join Wade Group, but she didn't know what to do if she went there.

Now, she only wanted to marry into the Hilton Family, so all her energy was all on Old Mr. Hilton.

Old Mr. Hilton glanced at the time. "Tia, you can stay tonight! There are many rooms at home. You can choose any one for yourself."

Old Master felt that it would be better to let the two of them spend more time. It would be more beneficial for the cultivation of relationships.

Tiana's eyes narrowed slightly, she was surprised

"Alright, grandpa," she said hurriedly

Her dream was to marry into the Hilton Family It was good that she could move in now

Master Wade stayed upstairs and was going to accompany the Old Madam

"Prepare some supper for Matt. He should be hungry when he comes back."

Tiana replied to the stairwell, "Okay, grandpa."

After Matthew answered Madam Hilton's call, he raised his head and looked upstairs. The lights were out. She should be asleep.

Jessica informed the two little ones that they would definitely protect their Mommy.

Matthew was not worried about this, so he told the driver.

"Home."

An hour later, Matthew drove into the Hilton Family Manor.

He stopped in the parking lot. The butler and a few servants came out to welcome him.

The chauffeur opened the car door for him, and the man strode toward the main building.

The butler took the briefcase from him. "Young Master!"

All the servants greeted him respectfully. He nodded slightly and asked.

"Have Master and Madam slept?"

It was already ten o'clock in the evening. The old man went to bed early, so they should be resting now.

"They're all asleep," replied the butler, "But Ms. Wade has prepared supper for you."

After entering the house, the butler turned to the dining room.

"Young Master, do you want to have supper? Ms. Wade made beef noodles."

It doesn't look bad.

Matthew didn't even spare a glance and took the clothes in the arm corner and went upstairs.

The butler sighed. Ms. Wade might be disappointed.

After entering the dining room, Tiana sat at the dining table and waited for Matthew to enter. When she heard the footsteps, she looked over excitedly

"Matthew, you're back?"

Only after she said that did she realize that it was the butler who entered, not Matthew. There was obvious disappointment on her face

Tiana asked. "Where is he?"

The beef noodles were her best. She had been learning from her mother lately. Her mother cooked delicious noodles.

"Ms. Wade, Young Master has gone upstairs"

Tiana stood up abruptly. She had decided that she must take Matthew down tonight. She was prepared to climb naked onto his bed and wait for him. She did not believe that he could sit still.

Chapter 683 Climbing His Bed

The corner of Tiana's mouth curved into a wicked smile.

Men are all the same. She did not believe that Matthew would be able to handle this move.

Recently, her mother showed her a lot of tricks on how to seduce men. She should take the initiative to seduce him with her body.

Yeah, just do it.

She stood up and told the butler.

“Tell them to keep this! I’m going upstairs to rest.” all the servants in the house knew that this Ms. Wade was the Young Mistress candidate. Everyone was afraid of her and did not dare to offend her too much.

Besides, she would be the young master’s future wife, so they treated her very respectfully

“Okay, Ms. Wade!”

Tiana quickly went upstairs and went back to the bedroom she was in. Fortunately, the housekeeper sent her pajamas, although Madam

Hilton had chosen the style.

Even so, she looked very fashionable,

She took off the casual clothes just now and changed into a big red nightgown. Then, she took off the outerwear outside, leaving only a slip dress.

Deep red, deep V-shaped, and also short length. It had barely covered the roots of the thighs.

She looked around in front of the mirror and felt that it was very sexy. Her boobs and underwear seemed to be vaguely visible.

Suddenly, she thought of perfume, but she didn't bring it with me. It's a pity that if she sprayed it a little, it would be even more seductive.

After putting on her coat, she walked out and ran into Matthew's room.

He was not around. The sound of water in the bathroom made her smile.

Great He was taking a shower, so he glanced at the big black bed and this room. It seemed that the room was filled with his scent.

Tonight, she's going to be his woman.

The thought of it made her very excited. She even brought some aphrodisiac into beef noodles just now, but unfortunately, he didn't take it.

If they had eaten, it would definitely be perfect.

She locked the door and turned off the lights. She climbed onto the bed and tossed her cloth to the side.

The blanket was filled with the scent of his body. It was fresh and pleasant. She sniffed deeply. If she could sleep here every day, she would be able to spend the night with him.

Tiana was thinking wildly. The bathroom door opened, and the man seemed to pause.

Of course, Matthew remembered that the light in his room was on. When he was taking a shower, it turned off, as if someone had entered his

He was very cautious. He swept his gaze around the room and even took out a gun from the bedside table.

Matthew saw the bulge on the bed and walked over vigilantly. He did not forget to observe as he walked.

Perhaps this was to attract his attention. It was obvious that someone was on the bed, but they were going to attack from behind. until the quilt was pulled open, and the cold muzzle pressed against Tiana's temple.

"Matthew, it's me, Tiana, don't fire."

No matter how dumb a person was, he should know that it's a gun."

She was really frightened. She imaged that he would sleep under the quilt, then she would rolled herself into his arms and gave it to him.

After that, the two of them would kiss each other, and then something indescribable would happen.

She'd already imagined the next steps. How should she moan so that he'll be more interested.

Matthew turned on the light and saw the woman lying on the bed. Besides, her clothes weren't neat, revealing the snow-white of her chest.

When the light lit up, she even deliberately bit her lower lip, looking very lustful

In fact, Tiana wished she could raise her hand and pull her collar down again.

Matthew withdrew his gun and averted his gaze. His voice was cold.

"Why did you come to my room?"

Every man knows why. However, he asked directly, wanting to humiliate her.

Tiana looked at his side profile. It was perfect.

“Matthew, Grandpa hopes that we can have a child earlier, so tonight... I want... Hmm...

Chapter 684 Something Is Wrong With The Old Master

Matthew barrumphed roll. “Are you worthy?”

He didn’t do anything to her because she was a woman, and Master Wade liked her very much

Matthew walked away. He didn’t want her to touch him. He even looked at the place where she had slept with disgust.

He took out ha phone and dialed the number.

Get someone to my room and change the bed. ”

Elembeth was so shocked that her eyes opened slightly. Does he despise me so much? She just led down and he even wanted to change the

““Matthew, why are you being so heartless to me? I also have the surname of Wade’ and I am also the daughter of the Wade Family. Is there any difference between me and Elizabeth \*\*

I am much more influential in the Wade Family than Elizabeth Why would you want a woman like Elizabeth?

Matthew sat down coldly on the sofa and pointed at the door.

“Ma Wade, please leave. Otherwise, I’ll have the bodyguards take you out.”

Even though she was Grandpa’s guest, so what? If she made him unhappy, she would be thrown out anyway

What if he was to be beaten up by Master Wade

Otherwar, they would have been the shopping wad now. 17 that ran to happen, the young manlor would not be able to sleep.

In fact, the Hilton Family had many rooms. However, this was Matthew's room since he was a child. It was of different significance to him, so he had to change the bed as soon as possible.

Matthew went to the balcony. The servants were removing the bed and changing into a new bed.

He lit a cigarette between his fingers and looked at the night view outside.

It wasn't that late yet. The gentle breeze was very comfortable.

September is already, and it smells like autumn.

At this moment, Jane's phone came in, and the servant took out his phone.

"Young Master, your phone is ringing

Matthew fed the cigarette into his mouth and took the phone. He narrowed his eyes and looked at the caller.

"Dr. Jane," he whispered with a frown.

"Dr. Jane."

The moment he called her, the woman opposite him seemed to be stunned.

Tonight at the dining table, he called her Jane, and now he called her 'Dr. Jane', which meant that he was just using her.

"Matthew, I-I need to go home tomorrow."

Because of his illness, she came to A City. Previously, she thought she would stay forever for him.

But from all the of tonight, she couldn't defeat Elizabeth at all.

And she also felt the speciality of that girl. After a man saw her, he would probably be unable to forget her for the rest of his life. However, she was quite cute.

She really liked Elizabeth and she also wanted to see Matthew got on his knees for her.

After all, this man, Matthew, made her sad. She felt like no one in this world could defeat this man.

However after tonight, she felt that Elizabeth was his weakness.

In the future, She would be able to fulfill many people's wishes when they were together. It would be the sight of Mr. Hilton being bullied

"Okay, I'll get Esme to send you tomorrow. What time is the flight?"

Matthew had already prepared a check for the surgery which saved his life. Money was the best gift.

At this moment, the servant ran over

"Young Master, it's bad. It seems like something is wrong with the Old Master. He's been pestering Madam Madam is calling for help!"

Chapter 685 Too Awkward

Matthew frowned slightly. "I don't understand."

"What do you mean?"

The housekeeper blushed and lowered her head to explain.

“He’s pestering the old lady. That sort of thing between husband and wife,”

Matthew felt uncomfortable after hearing this. Grandpa and Granny are already in their seventy. Is there any sexual need for them?

A trace of conflict appeared on his face. “Have them done it before?”

The housekeeper shook her head. “No, it’s weird tonight. That’s why we’re here to see you, Young Master. Why don’t you go in and have a look?”

They did not dare to do so, but Madam screamed so badly, they were afraid that something bad would happen.

The expression on Matthew’s face darkened. It would be even harder for him to make an appearance.

“Let the butler in and take a look to see what’s going on?”

After saying that, he picked up his phone and dialed Nicolas’s number. After a while, he answered the call

“Matt, aren’t you going to bed at this hour?”

Nicolas even yawned as he spoke, sounding very sleepy.

“Nicolas, can my grandfather and grandmother have sexual intercourse at this age?”

He spoke very gently. He had never participated in the life of the elderly.

Previously, he lived outside. This was the first time he encountered something tonight.

Even though he felt that it was normal even if they had sex. After all, the old couple had a good relationship. Besides, he was confident in himself and felt that he could still get hard in his seventy.

Nicolas's eyes narrowed slightly. "Why did you ask about this? Logically speaking, it's possible. However, your grandfather's not in good health, so I think it's better to forget about it. You need to persuade him to take care of his health"

At this moment, the servant ran out again.

"Young Master, Young Master, why don't you go and have a look! Old Master is really not doing well!"

Matthew walked out and said

"Come here for a while, at the old mansion \*

"Is the old man not feeling well? Alright, I'll be right over"

After hanging up the phone, Matthew had already left the bedroom and walked to the second floor

By the time they reached Madam Hilton's bedroom, there were many servants busy inside.

Madam Hilton was wearing a coat and sitting on a chair. Her expression was a little dark, as if she was frightened.

Master Wade was leaning against the head of the bed. His face was flushed, and his clothes were undone. His body was also flushed, and he was panting

"It's hot, I'm hot."

The servants were wiping his body with cold water. However, he seemed to be useless and still looked uncomfortable.

One of the servants asked, "Should Master bathe in cold water?"

Being soaked in cold water would definitely be much better than wiping his body like this.

Matthew glanced at the time. "Where is the family doctor? Ask him to come here quickly."

Master Wade had always been accompanied by doctors. They usually stayed in the front building. They were very close to this place. A phone call would take them five minutes to reach.

The butler wiped his sweat and said, "I've already informed them. I think they'll be here soon."

"Okay!"

Matthew walked up to Master Wade and called him.

"Grandpa, how are you?"

Old Mr. Hilton opened his eyes and his eyes were red. Matthew could tell what he was thinking at one glance.

He asked coldly. "What did the old man take today? Did he have anything like Viagra?"

The servant in charge of the old man's medicine rushed over. "Young master, old master only takes those few types of medicine every day. It's nothing like what you said."

The little girl was so anxious that she almost burst into tears. She had only been in the Hilton Family for three months and was about to become an official employee. Tonight's incident might even make her lose her job.

The butler suddenly remembered, "Young Master, after you came back, Old Master went downstairs to ask if you had supper. Then, he saw that you didn't eat the noodles. He said he was hungry, so he ate the beef noodles. Is there something wrong with Ms. Wade's noodles?"

Chapter 686 Tiana Seeks Death

Upon hearing this, Matthew was already sure that it was Tiana.

Originally, it was for him to eat. After that, she even climbed onto his bed.

If he ate it, it would probably be him who was set up. This woman really had balls.

He said coldly, "Call Tiana here."

"Okay, Young Master."

At this moment, the doctor arrived. They were busy with the examination and emergency treatment for Master Wade.

Matthew sat beside Madam Hilton and wrapped his arms around her.

"Grandma, you'll be fine. The doctors are here. Nicolas will be here too. Don't worry."

Madam Hilton, who had been in a daze all this while, suddenly raised her head.

"Matt, did your grandfather take some aphrodisiac? He's getting old. It's been a long time since we've been like this. He's gone mad tonight."

He just thinks that the Hilton Family is declining now. You're the only child in the family. You were sick a while ago, the old man might be too anxious that he wants to have his own child, but I could not give birth now!"

Madam Hilton really did not understand. Actually, as the daughter-in-law of the Hilton Family, she was also anxious.

She hopes that Matt can get married quickly and spread the leaves of family tree.

If the Hilton Family more descendants, the family line at least won't cut off.

Matthew nodded. "I know what you mean. Granny, it's my fault."

Now, he seemed to understand what his grandfather and grandmother were thinking. In the past, they had forced him to p every day. When they saw a woman, they hurriedly asked him to get married.

Six years ago, he always thought it was his grandfather's arrangement. go on blind dates

However, his thoughts wore still unreadable. Unfortunately, his grandfather had lost those memories. Even if he asked him in person, he would not remember it

The doctor walked over quickly. "Mr. Hilton, Old Mr. Hilton has been drugged. It's fine. We can solve it, but..."

"But what?"

He asked coldly, thinking that something was wrong with Old Mr. Hilton's body,

"Next time, tell master not to eat these things. His current body could not withstand the sexual excitement."

Madam Hilton's face reddened. She really didn't have the face to see anyone.

Approximately, the servants and the doctor would think that she and Master Wade would still do such a thing.

Actually, they were no longer having sex. She did not have any needs, and Old Master Campbell did not have a good health. They still had this little common sense.

Matthew replied coldly. "This time it was an accident. There will not be another time. Hurry up and treat him."

At this moment, Tiana entered the bedroom.

"Grandpa, what's wrong?"

"Ms. Wade. Young Master is looking for you."

Tiana could only walk to Matthew's side, her face full of worry.

"Matthew, why did Grandpa fall sick all of a sudden? Isn't it important?"

Matthew's face darkened, and his gaze was dark as well. Tiana had a big heart, and she was used to being thick-skinned. Otherwise, she would not have the nerve to be here after what happened tonight.

The fact that she dared to face Matthew now meant that she was really thick-skinned.

"What did you do? What did you put in the food?"

Tuna's eyes narrowed slightly. She did not expect that the noodles would be eaten by the old master.

"Who set her up?"

She couldn't understand. When she was cooking noodles, she was very cautious and she didn't have a maid by her side.

If Matthew had eaten, then she would be his woman tonight. Even if he woke up early tomorrow morning and was angry, she would not blame

But he didn't eat anything!

She hasn't even gotten any benefits, and now she has been exposed.

"Ms Wade, say it! Old Master has eaten that bowl of noodles. If something happens to him, can you bear the responsibility?"

Chapter 687 He Wants To Have a Child.

Upon hearing this, Tiana was shocked and turned to look at the bed.

"I'm sorry! I didn't prepare that for grandpa. I'm..."

She did not dare to say the last sentence. Matthew finished the sentence.

"Did you want me to eat that? Ms. Wade, you're looking down on me too much. Do you think I am incompetent?"

Tiana shook her head repeatedly. "No, that's not what I meant."

Then what do you mean?"

Elizabeth's was stunned. She didn't know how to explain herself.

"If anything happens to my grandfather, you and your Wade Family will be involved. So you can leave now, and you have to pray that my grandfather is fine."

Tiana took a step back, tears welling in her eyes.

“Matthew, I drugged you because I love you. I also want to fulfill grandpa’s wish. He wants to have a great-grandchild.”

Matthew had already called his bodyguards. They grabbed Tiana’s hand and dragged her away.

She said loudly with an aggrieved look, as if what she did was for the good of the Hilton Family.

Matthew said coldly, “You’re not worthy of giving me a child.”

Recalling the things she had done to Elizabeth before, the reason why he had a bullet in his head was all because of her. Matthew almost wanted to kill Tiana.

Therefore, she would never want to marry into the Hilton Family. It was impossible for him to agree to it.

Tuna was dragged away. The bedroom was getting quieter.

Madam Hilton also recovered and held Matthew’s hand.

“Matt, this Tiana isn’t a good person. When you were unconscious, she didn’t have the heart to take care of you at all. She called a group of servants and instructed them to do so This woman has 2 faces Your grandfather was completely fooled by her.

The corners of Matthew’s lips curved up slightly “Grandma, I’ll settle this woman.”

Madam Hitou missed her great-grandchild. Based on his capabilities, it was impossible for Tiana to fool him.

She glared at the bad Marier Wade had calmed down and got up

Matt, your grandfather in Bee. You should go back and rest! It's getting late. You still have to r

She loved her predecesen.

She was aware of all the news. Over the past few months, all the companies had been pressing pressure on the Hilton Group and Matt had to deal with all kinds of crises.

He's already tired enough. The old man is still looking for trouble for him.

I'll talk to him properly tomorrow and tell him not to cause any more trouble in the future. I won't let that woman, Tiana, in the house again.

After chatting with the doctor for a while, Matthew confirmed that Master Wade had recovered and that everything was fine. He told them to stay in the guest room next to Master Wade's bedroom tonight and let them be on standby at all times.

Then he left.

When he was heading to the stairway, Nicolas rushed upstairs, almost bumping into each other.

"Matt, is Master Wade alright?"

He came here in a hurry, and he was afraid that he would be late

Matthew glanced at him indifferently. "It's fine now. Let's have a drink."

Nicolas held the first aid kit in his hand. His grip tightened.

"That's great."

Originally, Estelle stayed overnight at his place after having too much to drink tonight. Initially, he was tempted. After waiting for so long, the girl finally became an adult and could be touched.

But just when he felt something, he received a call, causing him to leave the girl and come over.

Nicolas followed him to the third floor. There were various types of liquors displayed in this room. All of them were his collections, all of them. were top-notch liquors.

Previously, it was too hard to take a sip, but tonight, he actually had the honor to come in to visit, and he even opened a bottle of good wine.

After Matthew poured the wine, he gently shook the glass.

“My grandparents urged me to have a child. I really wish that a child would really be born that night six years ago

Chapter 688 A Changed Person

Nicolas picked up the wine and took a sip. His face was filled with excitement. Sure enough, it was a top-notch wine, and the taste was too good.

Following that, he furrowed his eyebrows. “Don’t you think that woman is Lizzy? Her three children are considered matched based on their but it’s a pity that they’re not yours. Otherwise, if there were three great-grandchildren in one go, your two elders would definitely be delighted.”

Matthew out this before. At that time, he felt that as long as the three children were his, then the old man’s approval would be

But in the end, he was disappointed. They weren’t.

After saying that, Matthew asked.

Then did you do the test yourself?”

Nicolas was drinking. He was stunned for a moment when he heard this, then said sternly.

“Don’t you trust me? Of course I did it myself. It’s definitely not wrong.”

Matthew had always thought that it might not be him who did it. Maybe he had gotten it wrong during the process. It seemed that it was impossible.

Hence, there was no problem with the test. Abby was not his daughter.

He raised his head and drank the wine. “Take it slowly. I’m sleepy.”

After saying that, he walked outside. Nicolas was stunned. He thought he was in a good mood, so he invited him to drink.

Unexpectedly, he just wanted to ask about the test. It seemed like he did not give up on Elizabeth.

Hub, no!

“Didn’t he lose his memory? He doesn’t remember anything about Elizabeth anymore. Why does he still remember this?”

“Huh? Did he not lose his memories?”

Nicolas drank the wine in one gulp, then held the bottle open and sealed in his hand, ready to take it back to eat slowly.

He caught up to Matthew. “Matt, you didn’t lose your memory! You scared me to death.”

Matthew remained silent. He pushed open the bedroom door and slammed it shut

Nicolas was stunned by the door. It was obvious that he was in a bad mood tonight.

What exactly happened? I need to find out

The next day, Elizabeth woke up with a headache.

She sat up and saw that it was a familiar room. She did not have a single memory of what happened last night.

She raised her hand to pat her head and cursed.

“Elizabeth, you know that getting drunk will make you feel uncomfortable. Why did you drink so much last night?”

She forced herself to go into the bathroom. After take a bath and putting on light makeup, she looked more energetic.

After changing, she went downstairs.

Ms. Elliott had been waiting for her. Otherwise, she would have gone out to buy groceries at this hour.

“Lizzy, are you awake?”

Elizabeth nodded. “Ms. Elliott, did Jess send me home last night?”

When she talked about Jessica, she suddenly remembered that she had a meal with Matthew and the others last night. When she saw him treating Dr. Jane so well, she was so angry that she drank a lot of alcohol

Ms. Elliott shook her head. “Mr. Campbell brought you back. He doesn’t seem too happy. But sweetie, I have something to tell you.”

She dragged Elizabeth into the dining room. Hazel hadn't woken up yet. Last night, she sneaked a peek and saw Dominic sleeping in Hazel's room.

Perhaps she was too tired last night, so she still hadn't woken up yet.

"What is it?"

Elizabeth sat down and Ms. Elliott took out her breakfast.

"Lizzy, have you noticed something is wrong with Dominic lately?"

Elizabeth had just taken a sip of coffee. When she heard this, she glanced at her and there was a trace of darkness in her eyes.

Did Ms. Elliott feel it? She also felt that Dominic was completely different from the Dominic she knew before. This change was too strange.

It seemed like she felt that Dominic had changed into another person. This person was just sharing the same face with him now.

"What are you referring to?"

Ms Elliott lowered her voice. "Lizzy, I saw Dominic walking very close to Hazel Ho's sleeping in Hazel's room at night. There's nothing going on between them!"

Chapter 689 Hazel, Go for it

Elizabeth heard this and a trace of surprise flashed across her eyes. She had never realized such a

Nonetheless, she was not upset at all thing.

At the very least, she used to think that Hazel and Dominic were quite suitable. It was normal for them to be together now.

She continued to eat breakfast, but Ms. Elliott became anxious.

“Lizzy, this is cheating! Aren’t you in a hurry?”

If an ordinary woman had gotten angry a long time ago, how could Lizzy be so calm?

Elizabeth glanced at Ms. Elliott, “Ms. Elliott, just pretend you don’t know anything.”

“Ah, Lizzy, do you want to endure this? Since you and Dominic are married, you need to catch him for the rest of your life! Let him break up with Hazel!”

Even though Ms. Elliott knew that the man she loved wasn’t Dominic, but she was already married.

Elizabeth finished her breakfast and she wiped her mouth with a napkin.

“Ms. Elliott, just listen to me.”

Before she could deal with Dominic, she really did not dare to try. She was afraid that he would do something to her child.

Ms. Elliott was reluctant, but since Lizzy said so, it was not appropriate for her to do anything else.

“Then I will go to buy groceries.”

When Ms. Elliott left, Hazel came down from upstairs. When she saw her lazy expression, she knew that she had been fed last night.

That was why she looked like this. That little girl now had a femininity.

Ms. Elliott felt uncomfortable the moment she thought about it. She felt uncomfortable for Lizzy.

Hence, she did not speak to Hazel and left quickly. When Hazel saw her, he called out.

“Ms Elliott, are you going to buy groceries 711 with you!”

She ran downstairs quickly and happily ran to Ms. Elliott with an innocent smile on her face.

Ms. Elliott could only pause and glance at her awkwardly. In her heart, she really did not like this girl.

Previously, she liked her quite a bit, but now, she hated her a little.

The way she looked innocent and harmless, yet she snatched someone else’s husband.

“There’s no need. I have something to do I need to do it myself. You can just clean up the house at home.”

After saying that, Ms. Elliott walked outside quickly. Hazel pursed her lips angrily, feeling that something was off.

However, she couldn’t say it out loud. She felt that Ms. Elliott didn’t like her as much as before. She sighed and was about to go into the kitchen to see what could be eaten.

She was so hungry. Thinking of the young master and her last night, she couldn’t help but laugh.

Immediately, her mood improved and she quickly walked to the kitchen. When she walked past the dining room, she saw Elizabeth tidying the dishes.

“Lizzy, haven’t you left yet?”

Elizabeth smiled faintly. “Yeah! I drank too much last night, so I woke up late this morning. You haven’t eaten breakfast yet, right?”

She folded the plate and cup and brought it to the kitchen.

Hazel hurried over and took it.

“Lizzy, let me do it! Are you late to work? Go ahead and leave this to me.”

Elizabeth looked at her petite look and liked it.

Even though she heard Ms. Elliott mention about her relationship with Dominic just now, she did not hate her. Because she knew who her heart belonged to.

Thus, she did not care who Dominic was with.

Dominic was her best friend. Although he had become a different person now, she still remembered all the kindness in the past.

Of course, he also hoped that he could find his happiness. Hazel was a good girl. She was kind and simple.

Hence, the two of them were very compatible. She hoped that Dominic would be able to recognize his feelings one day, and then he might let her go

She wrapped her arms around Hazel and said.

“Hazel, go for it!”

Umm?

She looked at her dumbfoundedly, not knowing what she meant.

Elizabeth smiled. "Hazel, remember to hold on tightly to what you want. Do you understand? That's why you have to work hard!"

You better make Dominic fall in love with you and let him recognize his own feeling"

Chapter 690 Protecting The Children

In the Hilton Family, after the torment last night, Old Mr. Hilton woke up early in the morning and his face turned grim. Especially when he saw Madam Hilton, he snorted coldly and turned his face away, as if he was unwilling to look her.

"What's wrong?" The old woman approached him.

Old Mr. Hilton glanced around and said coldly.

"Why did you make a scene last night so everyone knows about it? I am not shameless."

What if I'm old? I can satisfy you anyway, but you still do not want it."

Madam Hilton also blushed when she talked about this and patted him.

"With your body like this, are you still alright?"

Old Mr. Hilton snorted again, "Look, you're underestimating me."

After saying that, he went downstairs with his hands behind his back.

Madam Hilton couldn't help but scold, This old man is already seventy-three years old."

At this moment, Matthew came downstairs. He was wearing a black shirt and black trousers. He looked cold and handsome.

"Grandma, good morning!"

Matthew said indifferently. He was still buttoning as he looked down.

Madam Hilton felt that this morning was beautiful. When she woke up, she would see her handsome grandson. Although the old man was a little strange, it made her angry

However, she was now cured by her big grandson

Grandmother held his hand and went downstairs and she suddenly asked

"Matt, have you really forgotten about Lizzy?"

Matthew's hands paused slightly when he heard that

"Who are you talking about?" He raised his eyes and smiled.

Madam Hilton shook her head "Forget it

Grandmother recalled that Elizabeth was already married. What could she do even if Matt remembered her?

Could he ruin someone's marriage?

Elizabeth went to the company and had a morning meeting Now, she was quite familiar with work.

When she walked out of the meeting room, Scott followed behind her

“Mrs. Wade, we have a meeting tonight. We need you to come in person.” 1/2

Elizabeth knew that A City was going to build another S Mall in the new city area. The place was currently under construction. Although it

wasn't very lively, it would become the busiest place in a few years.

Hence, many shopping malls wanted to invest in that area, and S Group was also in the competition

Elizabeth nodded her head, “Okay, call me by then.”

Then, she went back to her office. Her office was white. It was spacious and bright. There was a doll that she liked and it looked very warm.

She placed her laptop and some documents on the table, then threw herself on the white sofa.

She reached out and massaged her legs. She sat down too long and her legs were swollen.

At this moment, her phone rang Elizabeth took out her phone and answered it

“Son.”

The two sons should be going to take a nap at this hour. Why would they give her a call?

“Mommy, Uncle Dom just picked up my sister. He only picked her up alone.”

Originally, the two little ones wanted to go with their sister, but Dominic only said to pick up Abby. Previously, their teacher even asked the two little ones if this was their uncle, and the two of them nodded affirmatively.

Unexpectedly, he only picked up Abby

Elizabeth stood up in fright, "What? Where did he pick her up?"

Arthur sent the location of Abby to Elizabeth. "Mommy, my sister should be in the car now, but we're heading out of town"

Elizabeth was terrified. "Okay, stay in school. Mommy will go and look for her. Don't worry."

Upon hearing that Dominic had taken Abby away, she was so frightened that her soul almost flew out

She took the car keys and ran outside. When she entered the elevator, she took out her phone and gave her bodyguard a call.

Follow me to a place"

The man lowered his voice and replied.

"Okay!"
