

Game Over 741

Chapter 741 A Special Treatment

Scott watched her enter the bathroom and looked at the time. There were still fifteen minutes to begin.

He felt that they had no chance in this bidding, so he treated it as an experience.

Elizabeth changed her clothes and walked out of the closet. She looked in the mirror to make up for her lipstick.

Previously, when she smeared her lips, she deliberately looked like she had been kissed by Matthew. She smiled at the mirror.

Suddenly, she felt that scheming against Matthew was quite fun. Since they were destined not to be a couple, and she couldn't forget him.

I think it's fun to tease him like this.

It was quite interesting to be able to look at him from afar and tease him from time to time.

At this moment, Rosalie walked out of the room and stood in front of the sink to wash her hands.

Following that, she turned her head and looked at Elizabeth. Her eyes shook slightly and her eyebrows furrowed.

"Mrs. Campbell"

She was very surprised. Why was she here?

Previously, she even followed Matthew to her house and ruined her plan. Now that she appeared here again, what was she planning?

Elizabeth's expression changed when she heard Mrs. Campbell. She wasn't used to it, but she couldn't refute it.

"Hello, Miss Rosalie!"

Elizabeth continued to fix her makeup. She didn't sleep well last night, so her face was a little pale.

After replenishing her makeup, her expression instantly improved.

She spread her hair. Her lazy curly hair was done recently. This way, she would look more mature. Otherwise, she would look immature during

the bidding.

Rosalie looked at her like she had changed into a different person. She looked even more feminine.

The expression on her face changed. She tugged at her hair and realized that Elizabeth's hair was really good. It was soft and glowing-

Ever since she was a kid, Rosalie had someone to take care of her hair. Unexpectedly, it was still not as good as Lizzy's.

Elizabeth kept her makeup bag and nodded at Rosalie.

"I'll leave first."

She walked out of the bathroom in her high heels.

Rosalie washed her hands and then went out of the bathroom. She saw Elizabeth enter the meeting room. Rosalie was here to bid today.

She finally understood. It turned out that Elizabeth's company was also here to bid.

The company she was working in probably knew that she had slept with Matthew before, so they deliberately used her to gain a good impression of him.

She pursed her lips. It looked like she had encountered a strong competition today.

At this moment, the elevator opened. A group of men in suit walked out of the elevator. The tall and slender figure in the lead was Matthew.

He was very eye-catching. He had a slender figure and was a little taller than the others.

Rosalie called him happily, "Matthew, I'm here again."

Matthew glanced at her indifferently and nodded slightly to greet her. They walked past her and entered the meeting room.

The group of people following Matthew saw that Rosalie were so intimate with Mr. Hilton! Each of them remembered in their hearts that they had to be ruthless to others today.

They have to be careful with this lady. She must be the person in Mr. Hilton's heart.

In the meeting room, a group of executives from the Hilton Group sat in the main seat while Matthew sat in the middle.

One of the executives stood up and looked at the companies sitting downstairs.

“Hello everyone, welcome to the Hilton Group today to participate in the bidding for the bidding. The bidding is starting now.”

Next, one company and another company went up to deliver their speech draft and give their offers.

There were ten companies in total. By the time the fifth company ended, it was already noon. The Hilton Group cut off the bidding and invited

everyone to the staff’s cafeteria for lunch

Elizabeth wanted to sleep. Although she had worked hard to study in this area, she still felt like she was listening to another language.

Fortunately, she had a good memory. She had already memorized her speech. She would go up later and speak every word.

At this moment, the few executives of the Hilton Group walked toward Rosalie. They warmly invited her to the restaurant.

Scott furrowed her eyebrows slightly. “Mrs. Wade, who is this?”

Chapter 742 Admiring Her

Everyone in the meeting room looked at Rosalie and felt that she was different.

The person sitting beside Elizabeth started whispering

“She’s Rosalie She’s a real rich lady, and she a childhood sweetheart with Matthew. There’s been a lot of rumors about their marriage.”

“That’s right. I also know that Mr. Hilton and Nicolas are good buddies. The bidding this time has probably been decided long ago.”

“Sigh, we’ve been working hard for three months. It looks like we’ve done everything in vain

Elizabeth was taken aback when she heard the gossip beside her and saw Rosalie being surrounded by the executives of the Hilton Group.

It seemed that Matthew and Rosalie were really going to be together

Look at the executives of his company. Every single one of them were trying to please the future wife of the CEO.

She tidied up her things and said indifferently.

“She’s Rosale, the younger sister of Nicolas.”

The identity she had was incomparable in A City

She was the daughter of the Wade Family. She was no match for her. Rosalie came from a real wealthy family, and her family had been glorious for a hundred years.

The Wade Family had been a wealthy family for hundreds of years. However, they had been declining over the years.

Elizabeth got up and walked out. Scott spoke to her colleagues next to her.

“Let’s go eat”

Then, he chased after Elizabeth and walked into the elevator with her

There were many people at the elevator but no one entered. The elevator was empty.

After Scott stood still, he realized that except for Matthew, there were only the two of them in the elevator. He wanted to retreat because this

elevator was supposed to be for CEOs DOW

Their entrance would probably make Matthew unhappy. Initially, there was no chance of winning today's bidding. It was even more unlikely

Matthew had one hand in his pocket. His aura was so strong that even Scott could not take it anymore.

He stole a glance at Elizabeth and realized that Mrs. Wade did not feel it at all. Her expression was relaxed

"Mr. Hilton, I'll sit with you later!"

Elizabeth was very familiar with the Hilton Family's restaurant. She had been there a few times and would always sit with him.

He could not even eat and relax. The way he's eating with a gloomy face will make her lose her appetite.

Hence, she hoped to stay far away from him. Now that she recalled it, she knew nothing back then.

Matthew didn't say anything. He remained cold and handsome.

Scott felt a little awkward. She completely disregarded Mrs Wade Mrs Wade was practically touching his cold buttocks with a warm face

He coughed lightly, wanting to remind Elizabeth not to speak

She took the elevator and now she wanted to eat with him. She's obviously upset

Elizabeth glanced at Scott and she smiled.

"Scott, you don't have to follow me later. Go around!"

Previously, he had been by Matthew's side every day. He knew that he felt oppressed around him

Scott nodded, but he was still worried. The chairman had instructed him to take good care of Elizabeth, whether it was work or private life.

The chairman helped him before, so he would do whatever she ordered

The elevator arrived at the staff's restaurant on the second floor. The three of them exited the elevator and entered the restaurant

Scott couldn't help but sigh when she saw how spacious the staff cafeteria was. Sure enough, a big company was different

Matthew's secretary had already prepared lunch for him and she welcomed him

"Mr. Hilton, your lunch is ready. Please go this way"

Elizabeth waved at her, "Gracie!"

Gracie was slightly surprised when she saw Elizabeth! She nodded at Elizabeth indifferently and greeted her.

Previously, everyone in the secretarial office knew that Elizabeth was Mr. Hilton's lover. After she married Dominic, people from the secretary office even secretly mocked her.

They thought he was useless, she could not catch Mr. Hilton, so she married Dominic. However, everyone couldn't help but admire her great ability.

She couldn't marry into the largest family in A City but married into the second-largest family. It's really amazing. It's something they could not learn."

Chapter 743 Shameless

Matthew walked to his dining table while Elizabeth went to pick up the food.

Scott followed beside her and he whispered.

"Mrs. Wade, in fact, with your status now, you don't need to be so humble. Even if you could not get this project, it's okay."

Seeing the CEO of S Group like this, he indeed couldn't stand it anymore.

Moreover, the chairman had told them to protect Mrs. Wade and not let anyone bully her.

Elizabeth smiled when she heard this.

"It's fine. I don't feel humble."

now.

Matthew had been like this. He was indifferent, and he liked to ignore everyone. Except for her in the past, she was only knowing the real him

She realized how blissful she used to be!

Even though he treated her like this, she wasn't angry at all. As long as she could see him and talk to him, she was already satisfied enough.

Moreover, he was set up by her today. In terms of money, he was her boss!

After saying that, she took the tray and went to Matthew's table. That table was very quiet. No one dared to step a step two meters near him.

Elizabeth looked around. It was still the same as before. The Hilton Group did not change much.

Sitting opposite Matthew, she glanced at the food on his table and her eyes narrowed slightly.

"Wow, Mr. Hilton, your dishes are different from ours!"

After saying that, she stretched out her fork to take his ribs but was blocked by Matthew.

"Mrs. Wade, I'm not used to eating other people's saliva."

He was really cold and distant. He didn't eat other people's saliva? Elizabeth remembered that he loved kissing her the most in the past. She didn't even know how many saliva he had taken.

At this moment, Rosalie walked over with a plate.

"Matthew."

Sitting next to Matthew, she said, "Everyone in your company is very enthusiastic. They brought me to the restaurant just now and even asked me to be in the front. There's no need for me to queue"

As she spoke, she took some beef into his plate.

"I know you like this.

Matthew glanced at his plate, his game indifferent

"Thank you!"

He spoke indifferently, but he did not pick it up. Instead, he slowly took a piece of apricot into his mouth.

She could only eat quietly and let Rosalie sit beside him, chatting with him.

Scott sat not far away and heard the people beside him.

"Did you see that? Elizabeth was dumped by Mr. Hilton, now that she's married, she's still shamelessly trying to seduce Mr. Hilton.

Fortunately, the Rosalie is here. Otherwise, will Mr. Hilton be seduced by her again?"

"How is that possible? If Mr. Hilton is sincere to her, will Mr. Hilton let her marry someone else?"

"Yeah, yeah, she's a married woman now. How shameless."

Scott felt very uncomfortable after hearing that S Group was a well-known company internationally. They had stores all over the world, and

their brands were amongst the top luxury brands.

Mrs. Wade is the CEO of S Group. How could they put her down like this?

He turned his head and said coldly, "Nonsense! Mrs. Wade doesn't like Matthew!"

Even though he was lying, he just wanted to speak up for Mrs. Wade and make them shut up.

“Mrs. Wade? Which Mrs. Wade are you talking about? That’s Rosalie.”

They thought he was referring to Rosalie. It was impossible for him to refer to Elizabeth.

Scott said coldly, “Of course, It’s Mrs. Wade.”

The girls stuck out their tongues and whispered to each other..

“Who is this person? Which company is he from? Is he sick? Elizabeth used to be Mr. Hilton’s secretary, and everyone knows that she’s not

highly educated. Can she be a CEO?”

Even if she becomes the daughter-in-law of the Campbell Family, no matter how stupid the Campbell Family is, they won’t let her manage the company, right?”

Chapter 744 Protect Mrs Wade

Scott was so angry when he heard this and he stood up.

“She’s the CEO of S Group.”

After saying that, he threw down the utensils and strode towards Elizabeth.

The girls were shocked and their eyes widened. Because the girls loved beauty, they liked shopping and luxury brands, so they knew about S Group

After glancing at each other, they were so shocked that they were speechless.

“Sigh, she’s the CEO of S Group.”

“Ah, why didn’t we become friends before?”

That’s right. If we become friends, then we can have a discount.”

Every single one of them regretted their decision. In an instant, the way they looked at Elizabeth changed.

Sure enough, this woman is not simple. No wonder she got Mr. Hilton’s favor. It turns out she’s so powerful!

Scott walked to Elizabeth’s side and called her coldly

“Mrs. Wade, I have something to talk to you.”

Elizabeth lowered her head eating, but she did not taste anything. After all, the man and woman were chatting happily.

Normally, Matthew was so cold that he could even talk to Rosalie for a while. Elizabeth thought she could accept him treating others well.

Now that she felt it, she couldn’t.

All she could do was endure silently. She did not have the right to interfere with him.

After hearing Scott’s words, she looked at him.

“What is it?”

Elizabeth's lips had a rice. Scott took it for her and she lowered her eyes to take a look.

"Are there any food on my face?"

He raised her hand and wiped it. Scott smiled faintly.

"I've already got it for you. Let's go, Mrs. Wade."

Elizabeth glanced at her plate. She hadn't finished eating yet.

"Mrs. Wade, didn't you say you want to eat strawberry cake? There's a shop downstairs that's quite good. Let's go grab it now."

He did not want to see his boss get bullied, so he wanted to take her away,

By the time Matthew saw Scott picking the rice off her lips, he was already very unhappy. Now that he was bringing her to eat her favorite strawberry cake, the tension in the air instantly eased.

"Who is this, Mrs. Wade?" he asked coldly

Previously, he did not pay much attention to Scott. At this moment, he felt that this fellow was worried too much about his superior.

His gaze landed on Elizabeth. The pink silk shirt was stuck into the bag skirt on her waist, revealing her slender waist and her curvaceous buttocks.

The black stockings on her legs were tempting. The heels of her shoes made her legs look longer.

A male subordinate would naturally like such a beautiful female boss.

Matthew felt that she had been liked by so many people, and now she had become the CEO of S Group. Such a woman was practically one of the best in the world, and everyone would want her.

Elizabeth introduced, "He's the general manager of our company, and also my assistant. Scott."

Only then did Matthew glance at Scott and said coldly.

"It turns out that you are one of the most important employees of S Group! No wonder you have such a good relationship with Mrs. Wade?"

Elizabeth heard this and waved her hand repeatedly.

"No, our relationship is very normal."

Scott furrowed her eyebrows when he found out she was afraid that Matthew would misunderstand. Is there a need for an explanation, Mrs. Wade?

"Mrs. Wade, we're leaving."

If Mrs. Wade kept sitting here. Not only did she have to see two of them flirting, but she also would be gossiped by those people. There was no need!

Hence, he desperately wanted to take her away.

Matthew smiled. "Mrs. Wade, our company's food doesn't suit your taste, so you want to eat something else?"

Rosalie did not really care about Lizzy, because she was now Mrs. Campbell

She didn't take her seriously, but at this moment, when he saw how Matthew acted after meeting her assistant, he became different, as if he was jealous.

Elizabeth gave Scott a look, telling him to leave quickly, not to ruin her plan.

Chapter 745 Jealousy

Elizabeth smiled and said, "Why? I used to like the food in the company the most."

Thinking about it, she used to come to the canteen to eat, however, this CEO always dragged her to the office for lunch. At that time, she yelled at him a lot!

Now that she thought about it, she was really so blessed back then!

She continued to eat. Scott was still standing beside her, his face was twisted.

"Since you like it, you should eat more. Eating desserts in the afternoon is not good for your health. You will have high blood sugar."

A trace of surprise flashed across Scott's eyes. High blood sugar?

Mr. Hilton, Mrs. Wade is only in her twenties. No matter how much she eats, she won't have this disease.

But looking at Mrs. Wade, she nodded and agreed.

"Scott, go eat! I don't want to eat desserts."

Scott had no other choice. The CEO had already spoken, so he could only leave.

Elizabeth was delighted instantly because he did not allow her to eat his ribs just now. Now, he began to care about her blood

She seemed to understand that this fellow did not want her to leave. sugar..

Does he like her eating with him?

She bit on her fork and peeped at him. He was eating elegantly. His expression did not change at all.

Perhaps she was overthinking it. He just hoped that their company's lunch would be approved!

Elizabeth sighed. This kind of feeling wasn't good at all.

Rosalie suddenly spoke up, "Mrs. Wade, I did not expect us to meet at the bidding ceremony. May I know which company are you representing?"

She wanted to see whether she would win this time or Elizabeth.

The last time she had won the bidding, it was because of Matthew who helped her.

Initially, she thought she would receive special care this time, but now that she saw Elizabeth and Matthew's attitude toward her, she was a little worried.

I guess I would be not as lucky as last time.

"S Group."

Upon hearing this, Rosalie felt that she might lose. Her small company was no match for SGroup in terms of capabilities and financial

She did not expect an international company like S Group to come and hid this time

“Okay!”

Rosalie nodded slightly and forced a smile.

She started poking the food in the plate with her fork. She was a little angry. She was afraid that she would lose to Elizabeth today.

She rolled her eyes and asked.

“Mrs. Wade, you’re Mrs. Campbell now. Why didn’t you work at your own company but went to S Group? Does your husband have no

objections?”

After saying that, she rolled her eyes.

You’re a married young lady. Your husband doesn’t mind. I don’t believe Matthew doesn’t mind.” She thought to herself.

Elizabeth’s expression changed drastically, but she was still able to hold on. She smiled and told her.

“He has no objections.”

At this moment. Matthew was done eating and he stood up.

“Please take your time.”

Then, he walked away from the other side. Elizabeth and Rosalie both looked in his direction. He had a tall and straight back. Even in the crowd, he was the most eye-catching one.

Rosalie put down their fork without any appetite.

Elizabeth saw the necklace on her neck and the diamond ring hanging on it.

She pursed her lips. She knew that Rosalie did not like her, but she did not like her either.

“Rosalie, this ring is really mine. It’s very important to me. Can you sell it to me?”

This was something that could find her kids’ father. She wanted to take it back, no matter how much money it cost.

Rosalie gripped the ring vigilantly and stared at her coldly.

This is mine. I won’t sell it”

The thought of this ring made Matthew feel enthusiastic toward her made her never want to sell it.

Rosalie looked at her with dark eyes. She thought Elizabeth must have heard about the importance of this ring to Matthew, so she wanted to snatch it from her.

No matter how dumb she was, she won’t do as she wished.

“Mrs. Wade, don’t worry. I’ll leave first”

Chapter 746 He Only Want Photos.

Elizabeth looked at the two of them leaving one after another and she sighed.

It seemed that it was impossible to get the ring back. She could only draw it and make another one.

Scott walked over and sat opposite her.

“Mrs. Wade, why don’t we stop bidding? Even though the business city will develop well in the future, it’ll still take a few years. It’s not important to us.”

He did not want to see Mrs. Wade suffer here. If the chairman found out, he would definitely be scolded.

Elizabeth was eating her meal. When she heard her, she raised her head.

“No, I want to bid.”

“Besides, we will definitely win. There’s no need to worry, Scott” here.

She said inwardly, a hint of a smile flashing across her lips.

After the meal, Elizabeth went to Matthew’s office and walked into the CEO’s office again, feeling like it’s been such a long time since she came

The secretaries in the storeroom sat together and chatted. Some of them were having lunch break.

The sound of her heels echoed, attracting the attention of a few secretaries.

Gracie heard it too. She sat in her office and came out. When she saw Elizabeth, she walked toward her

“Mrs. Wade, this is the CEO’s office of the Hilton Group Outsiders are not allowed in.”

The bidders could only stay on the eighth floor. If not, you can go to the café downstairs to rest or the hotel next door.

“Why did she have to rush to the CEO’s office?”

Elizabeth pointed to Matthew’s office, “I have an appointment with Mr. Hilton. We have something to discuss.”

She looked at the bidding letter in her hand, indicating that she really had something important

Gracie did not quite believe it, so she said.

“Please wait for a while. I’ll go and ask Mr. Hilton.”

Elizabeth smiled and said, “Okay.”

Even though she had not made an appointment with Matthew, he should know that she would come to ask for a price at this hour.

Matthew was not stupid. He definitely understood.

Gracie entered the office and heard Matthew on the phone.

“Buy a few pieces of strawberry cake. Yes, that shop.”

After hanging up the phone, he glanced at Gracie.

“What is it?”

This time is rest time. Normally, they won’t come in and disturb him.

Gracie replied respectfully, "Mr. Hilton, Mrs. Wade is at the entrance. She said she wants to talk to you about work. Did she have an appointment with you before?"

Matthew's eyes flickered slightly. There was a hint of light in the light in his eyes.

"Yeah, let her in."

Gracie was a little surprised. It was true. Elizabeth had an appointment with Mr. Hilton. Didn't the two of them break up? Elizabeth even got married. What was happening between them now?

She had never liked gossip, but now she was curious. She wanted to know what was going on between the two of them.

"Okay, I'll go and invite her in."

A short while later, Elizabeth entered. She even closed the door and walked over with a wicked smile.

"Mr. Hilton, I'm here."

She stopped on her slender heels, straightened her back, and dashed to the couch. Matthew crossed his legs and sat on the couch. He raised his head indifferently and looked at her.

"Mrs. Wade, I've given you the bidding Can you give me the photo?"

He said seriously but he actually liked the photos she took today.

At night, he can use her photos to masturbate.

He didn't have her photos on his phone. He needed them now..

Elizabeth sat down beside him and leaned against the sofa. This sofa was comfortable, and she wanted to sleep on it.

“Of course, as long as I get this bid and I will give you all the photos, I won’t lie to you.”

Matthew tossed a document on the table to her. “Remember to keep your word.”

Elizabeth hurriedly took the booklet and looked at it. When she saw it, she was shocked. The file that their company had prepared was not

even close to that of the Hilton Group.

Fortunately, she had a plan in advance. Otherwise, their company would not be able to win this time

Chapter 747 It Isn’t A Dream

Elizabeth hurriedly sent the data to Scott and asked him to work based on the data.

Scott was still in disbelief and he called.

“Mrs. Wade, I think the data you sent isn’t quite right.”

Based on their previous experience, it was definitely not that little.

Elizabeth glanced at the file in front of her and smiled wickedly.

“Scott, just trust me once! Change it quickly. It doesn’t matter if we win or not.”

After hanging up the phone, Elizabeth helped Matthew sort the file into a bag and handed it to him with both hands.

“Mr. Hilton, you can seal it up now.”

She smiled happily. Matthew gripped the cigarette and took it with one hand. He glanced at her indifferently.

Is the project so important to her?

He put the file bag aside, then grabbed the phone and waved it at her.

“Mrs. Wade.”

His voice was deep and pleasing, and his gaze was dark and bottomless.

Elizabeth took her phone and sent the photos to him. Then, she deleted everything on her phone.

Matthew was admiring her. Her collarbone was very charming, and the way she looked like she was forced was really seductive.

The look in his eyes grew darker and darker. Just by looking at him like this, his lower abdomen began to tighten, and his blood was rushing down.

Elizabeth achieved it, “Mr. Hilton, I did not lie to you! I deleted everything on my phone.

After saying that, she leaned against the sofa. “I’m sleepy. I’ll sleep here for a while.”

With him by her side, she felt very at ease. She closed her eyes and fell asleep not long after. When Matthew turned around, he realized that

she was already asleep.

Furthermore, Matthew tilted his head to the side. He quickly stretched out his hand to cover her face and pulled her head into his arms.

The faint honey peach scent on her body was very sweet.

Matthew hadn't been in such close contact with her in a long time. He would miss this scent too.

That scent was filled his nostrils, and there was a faint smile on his lips.

He would wish that time would stop at this moment. Only him and her."

The silence lasted for half an hour. Half an hour later, Esme knocked on his office door and walked in.

When he saw Elizabeth sleeping on Mr. Hilton's legs, he stopped in his tracks and was so shocked that his mouth opened.

1... Did I come in at the wrong time?

It had been a long time since he saw such a scene. Matthew looked very warm and there was still a faint smile on his face.

However, when Matthew looked at him, the expression on his face disappeared, and he turned into his usual cold, like an iceberg.

Esme became nervous. What should I do?

Matthew spoke first, "Take it here. Put it here."

Esme felt relieved and quickly placed the strawberry cake on the table.

He sneaked a peek at Elizabeth. She was sleeping very soundly.

He just took one peep, but Mr. Hilton caught him. He was so frightened that he quickly averted his gaze and said, swallowing

“Mr. Hilton, I’ll go out first.”

After saying that, he turned around and left quickly, leaving some space for them.

Esme could tell that no matter how heartless Elizabeth was, Mr. Hilton would not be bothered. Elizabeth was definitely Mr. Hilton’s special

existence, he must remember that.

He didn’t dare to offend Elizabeth anymore. She’s the person in Mr. Hilton’s heart

Elizabeth woke up suddenly. When she opened her eyes, she met Matthew’s dark gaze.

“Argh!”

She cried out in shock, then sat up abruptly, raised her hand and caressed her face.

“Mr. Hilton. I’m sorry, I was asleep, so I leaned in. I’m sorry”

No wonder she slept so soundly. Her nostrils were filled with his scent. She thought she was dreaming!

It turned out that it wasn’t a dream. It was real.

Chapter 748 Are They In Love

She was secretly happy. This time, not only did she win, but she was also able to sleep in his arms like this for a while. It was worth it

She looked delighted”

Matthew raised his hand and patted his thigh in disgust. He smoothed his wrinkled pants.

Elizabeth saw some water stains on it. She opened her eyes slightly and wiped the corner of her mouth. Is she drooling?

Her face flushed and she lowered her head.

“Mr. Hilton, I’m sorry. I dirty your pants. Why don’t you take it off and I’ll wash it for you, or I’ll buy one and return it to you.”

All of his clothes and pants were handmade. It was expensive. It would be a waste if he throw it away. Actually, it was better to just wash it.

Matthew couldn’t help but curl his lips at the water.

Knowing that she would be like a small fish when she was asleep. She was so adorable.

Their daughter got it from her for sure!

“Do you want me to take it off How for you?”

Elizabeth felt that Matthew was a decent CEO after hearing what Matthew said. Although he was rich, he did not waste money.

“There’s some spare clothes in your lounge. You can get changed. I’ll bring it back later”

Matthew got up and strode to the lounge. After a while, he came out with the pants and handed them to her.

“Mrs. Wade, it’s almost time. It’s time to go to the meeting room.

When he said this, he pointed to the strawberry cake box on the table.

Take that with you too. The secretary bought it. I don’t like it ”

Elizabeth took a glance and her eyes lit up. This was the strawberry cake that she and Abby liked the most. Every time she went to buy it, she

would have to queue for more than three hours.

Abby would be so happy if she brought it to her.

She took Matthew’s pants into her bag, then picked up the box of cake and smiled at him.

Thank you, Mr. Hilton!”

Matthew put his hand into his pocket again. He looked at her coldly and said without any expression.

“Don’t be too courteous. That’s something I don’t want.”

Although it sounded a little uncomfortable, Elizabeth didn’t care. This dude always spoke like this. He had the ability to kill a person out of

anger by opening his mouth.

She would get used to it in the future. Without preference, she could only endure the coldness.

The bidding ceremony in the afternoon started at around five o'clock. While waiting for the results, everyone in the meeting room was chatting

Everyone was speculating which company would be able to win the bidding this time.

Scott glanced at the time and told Elizabeth.

"Mrs. Wade, I don't think we'll hit the bid. Why don't we leave first?"

Spending the whole day here today was worthless.

Elizabeth looked calm. "We'll leave after the results are out."

Scott looked at her confident expression. He was afraid that she would be defeated.

Rosalie sitting next to them had a dark expression. The assistant next to her gave them a cold look and said loudly.

"Rosalie, I think our badge is so good. We'll definitely do it."

Even the company that came today could feel that the executives of the Hilton Group were very enthusiastic to Rosalie. Everyone felt that Rosalie's company would definitely win this bidding.

Everyone was subconsciously asking if the two of them were in love.

After all, there were too many rumors outside. Matthew and Tiana canceled their engagement. It was said that he canceled the marriage for the sake of the woman he loved.

Everyone thought that the woman Mr. Hilton loved might be Rosalie.

Hence, the assistant of Rosalie was very confident. Today, she had been questioned by many people, even though she hadn't seen Rosalie communicate with Matthew.

However, the message she gave out was that the two of them were very familiar. They had known each other since they were young.

Scott, of course, heard about it too. During the lunch break, it was a time of gossip and he had heard all those words.

Chapter 749 She Is Crazy

Fifteen minutes later, the results of the bidding were announced.

Matthew sat in the main seat with a cold expression on his face. He folded his hands indifferently and his gaze darkened.

No one dared to look at him, and no one could tell where he was looking.

Elizabeth turned her head and was chatting with Scott, looking very happy,

The more she chatted happily with Scott, the darker Matthew's expression became. The group of executives beside him did not dare to make a sound. Mr. Hilton was in a good mood today, but now, what's wrong?

He was obviously unhappy, and the temperature in the air dropped.

After the Hilton Group announced the S Group, everyone was shocked and started talking to each other.

Rosalie stood up and gave Elizabeth a cold look before leaving

Her assistant was surprised to see this outcome. She looked at S Group and glared at Elizabeth before chasing after Rosalie

Scott was dumbfounded. She turned her head and looked at Elizabeth. Her expression was calm.

“Mrs Wade, it turns out that you’re the dark horse.”

After saying that, he glanced at Matthew who was sitting in the main seat. It turned out that Mr. Hilton’s arrogant attitude toward Mrs. Wade was just an act

Anyway, he was shocked. He was so excited that he wanted to go over and hug Elizabeth. He felt that Mrs. Wade was too amazing.

Elizabeth got up and glanced at him indifferently.

“Don’t be too excited. Think about the work later Don’t disappoint me.

After saying that, she walked out while everyone else watched her.

The other companies instantly felt that the Hilton Group was fair. At least they did not let Rosalie win, even if she was Matthew’s childhood sweetheart.

Even if she was the future Mrs. Hilton.

Elizabeth left the Hilton Group and got into the car. Scott stood beside her car.

“Mrs. Wade, shall I send you?”

Elizabeth started the engine. "There's no need. You should get off work earlier too! Spend more time with your girlfriend."

After saying that, her car drove away in a hurry.

It was at the peak hour.

She turned her head to look at the cake on the passenger seat. Abby was sick last night and she could have a small portion today. She should be

happy

The two sons liked this too. The three children would be happy.

At this moment, her phone rang. It was a call from Arthur She answered it.

"Son."

Her voice had a smile and a very happy expression

"Mommy Mommy Abby's cry could be heard from the phone

She cried sadly, and Elizabeth's heart tightened.

"What's wrong with your sister? Is she feeling unwell?"

Arthur glanced at his sister and brother. At this moment, he was punished standing by the wall while Mrs. Campbell was holding a rod.

"Don't cry Stand still "

Antony was completely frightened. Antony said that she needed to go to the bathroom to have the chance to secretly give Mommy a call

“Mommy, we’re at Uncle Dom’s house. Uncle Dom picked us up. He said we’ll stay here in the future.”

Only then did Elizabeth recall, Yes, we’re moving to the Campbell Residence. Are you willing to?”

“Mommy, Madam Campbell doesn’t seem to like us. She’s holding a stick to punish us. Her sister is crying out of fear”

After saying that, he added, “Mommy, will you be in a difficult position if we resist?”

The reason why he and his brother endured it was because they were afraid that Mommy would be in a difficult position.

However, they had been cooperating with Madam Campbell However, she became more and more harsh. She even used a stick to hit her

sister but was blocked by him. That stick was quite heavy, and there must be a bruise on his back at this moment.

Elizabeth became anxious. “Arthur, protect your younger brother and sister. I’ll be back soon.”

After hanging up the phone, she started to overtake the cars and drove forward like a madman on the congested road.

For the sake of the three children, she really dares to do anything

Especially when she heard others bullying them, she was about to go crazy

Chapter 750 I’ll Educate Your Kids

Elizabeth drove frantically to the Campbell Residence. When she stopped the car, she carried the cake and ran to the main building

Dominic stopped her at the door. He was wearing a flower shirt and his hands were stuck in his pockets. His lips curved into a cold smile.

“Honey, you’re back!”

After saying that, he wanted to hug her, and Elizabeth dodged.

“Dominic, I can move here. Can the three of them stay at home?”

She knew very well that the Campbell Family did not like the three children, so she had never asked them to see each other.

This time, Dominic was deliberately making things difficult for her and warning her.

Dominic sneered, “No, we have to live together.”

Elizabeth tightened her grip on the cake box. “Dominic, I can help you find Hazel. Is this okay? I’m begging you.”

She was pleading, but Dominic’s smile became colder.

“Elizabeth, do you think I’ll let you guys off if you get Hazel back? That’s impossible. You will stay in the Campbell family.”

After saying that, he walked past him and walked down the stairs. Then, he drove out of the Campbell Family’s old mansion in the fiery red sports car

Elizabeth watched as his car drove further and further. It was only after the door of the Campbell Family closed slowly and she could no longer see it that she looked away.

Suddenly, she thought of the three children and walked in.

Abby kept crying. Madam Campbell was so annoyed that she kept yelling at her.

“Abby, don’t cry. If you continue crying, I’ll hit you. Stop, stop,”

The moment Abby started crying, she couldn’t stop, and she couldn’t listen to other people.

Arthur and Antony were comforting her, but she couldn’t hear it and just kept crying

Madam Campbell scolded, “Come here, cover her mouth. I’m so annoyed from the crying. My heart is about to explode from crying.”

Elizabeth’s heart ached. She walked over quickly.

“Grandma, I’m back.”

Only then did Madam Campbell turn to look at her. The expression on her face darkened, and she pointed at Abby.

“Your three little ones don’t know how to be polite at all. I’ll educate them bit by bit in the future. Tell them that once you enter the Campbell

family, you’ll be the Campbell family in the future. You have to follow the rules of the Campbell family.”

Elizabeth really wanted to run over and protect the three children in her arms then said coldly.

“They’re not from the Campbell family, and they don’t want to enter the Campbell family.”

But now she could not. She married Dominie. Before the divorce, she was still a wife of the Campbell Family. She couldn’t go against Mrs. Campbell, she couldn’t tarnish the reputation of her grandfather.

“Grandma, I’ll tell them.” She pursed her lips.

After saying that, he handed the cake in his hand to the servant next to Madam Campbell. “This is the cake I bought for Grandma Campbell

The housekeeper took it. Madam. Campbell glanced at it and said coldly.

“I have diabetes. I could not eat these. Are you trying to kill me?”

Elizabeth actually saw her eating dessert before. She really liked desserts. She wasn’t sick.

Yeah, I remember. I’ll buy sugar-free cake next time.”

After saying that, she walked to the three children and held Abby in her arms.

“Darling, Mommy is here. Don’t cry”

Abby just had a fever last night. She had been struggling all night and now she was crying so badly. Her body was already weak, so she was

afraid that she would have a fever again at night.

Elizabeth’s heart ached. She picked her up and comforted her gently,

“Have you guys eaten?”

The two of them shook their heads at the same time. After they were picked up. Madam Campbell led them all the way to the house. They

didn't even have a sip of water and she wanted them to write homework.

Abby said she was thirsty, and Mrs. Campbell said she was disobedient and punished them.

Abby had never experienced this before. She was so frightened that she burst into tears. Then, she waved a stick in front of Abby.

"Don't cry. I'll beat you up if you cry again."

Abby was so frightened that she couldn't stop crying
