Chapter 781 He Is My Daddy

Abby drove to the entrance of the Hilton Group. Because there was a small square at the entrance of the Hilton Group, it was not dangerous for her to get out of the car. There was no car, and there was no crowd.

She said, Thank you, uncle, goodbye!”

After saying that, she pushed open the car door and was about to get out of the car. The chauffeur turned to look at her, thinking that this little girl was really pretty. She looked like a doll

She looked much prettier than the celebrities on TV!

“Little beauty, be careful. Goodbye!”

After Abby got out of the car, she looked up at the building.

“That’s so tall!”

The Hilton Group was a landmark building in A City. Its height was sixty floors, so one could imagine how big the Hilton Group was. The office building alone costs tens of thousands of employees.

The sun was burning. Abby could no longer open her eyes.

She didn’t continue looking up because she couldn’t see the top floor.

Before leaving the house, the two brothers even brought her a glass of water. There was a pink elephant thermal thermal glass in her bag.

She opened the lid and held the cup with both hands, sucking in the water.

After taking a few mouthfuls, she felt that she was not thirsty anymore. Then, she closed the cup and strode toward the door.

There was a uniformed security guard standing at the entrance. Abby gave him a salute.

The security guards laughed. He bent down and asked her.

“Little girl, are you lost?”

Abby shook her head. “No, I’m here to look for Matthew. Is he here?”

She just called out their CEO’s name. The security guard was startled for a moment, then he gave her a shush.

“Little girl, Mr. Hilton isn’t someone that everyone can see. It’s more appropriate for you to look for your mommy.”

Abby furrowed her eyebrows. “No, I’m really looking for him. Police officer, can you help me ask him?”

The moment he heard Abby call him a police officer, he felt delighted and in a great mood.

“I’ll take you to the reception and ask them to help you contact Mr. Hilton.”

“Why didn’t he come downstairs to pick me up?” Abby was furious. Her brothers had already sent him messages.

She glanced at her watch and she had also called him just now. No one answered her call! It her to the front desk and told the girls at the front desk a situation. Each of them looked down at the front desk. Because she was so small, they had to bend over to see Abby through the front desk

One of them held her hand, the front desk came out and grabbed her hand

After saying that, she said to the two people at the front desk. Call the secretarial office."

Abby followed the receptomast to the elevator. When they were waiting for the elevator, the receptionist asked her.

“Urb **

Abby thought about and her big eyes blinked

“He’s my daddy” The future daddy

Chapter 782 Abby Is in Danger

After saying that, she pursed her lips in anger. After all, she wasn’t lying anymore. This was what Matthew said, so she could call him Daddy.

The receptionist was dumbfounded. No wonder she looked so good. She really resembled the CEO a little?

It turned out that she was Mr. Hilton’s little princess!

It seemed like she found out some big news that not only was Matthew married, but he also had a daughter?

At the moment, Tuana walked over. The security guard wanted to stop her and she said coldly

Tam Matthew’s fiancée. It was Old Mr. Hilton who asked me to send him lunch. How dare you stop me? Don’t you want to work here

The guard was obviously a little stunned by her roar

“Ms. Wade, we know you, but Mr. Hilton said that he won’t let you go upstairs.”

Tuna picked up the lunch box in her hand and said, “Old Mr. Hilton asked me to give this to him. If you don’t believe me, you can give him a call. If you delay Mr. Hilton’s lunchtime, can you bear the consequences?”

The guard was completely scared. He ran to the front desk and asked them to give him a call

She glanced at her nails triumphantly and said to herself.

I am the granddaughter in law appointed by Old Mr. Hilton. All of you are blind”

Just when she was feeling smug, she saw Abby and her face darkened. Why is this little girl here?

Hello, Abby, why are you here? Where’s your mother?

When Abby heard Tuna’s voice, her lips parted slightly because she knew that she was a bad person. She was mean to Lizzy and even hurt

Heightened her grip on the reception’s hand in fear, not wanting to speak

Elizabeth glanced at Abby. “Is she here to see Mr. Hilton? I know her Let me bring her up!”

She thought about it for a while. Matthew did not allow her to come to the company. As long as he saw her, she would be kicked out.

If he had brought this little girl with him, he probably wouldn't have chased her out

After saying that, she stretched out her hand and said, "Abby, I'll take you to see your uncle"

The receptionist was in a difficult position. This is Mr. Hilton's princess Is something to happen in the middle of the journey. I could not bear the consequences.

"Ms. Wade, there's no need. This is my duty. It's the same for me to send her up

Tana was enraged You're just a receptionist. No wonder you're only a receptionist because you don't know how to read the room."

After saving that, she took Abby's little hand away "I said, I'll take her. Get back irk. Otherwise, I'll get the chairman to fire you."

The chairman was Old Mr. Hilton Although he did not come to the company, he was still the chairman

The receptionist's face darkened. She glanced at Abby, and it was obvious that she was afraid.

But she was also afraid of this Ms Wade She indeed had a good relationship with the chairman She was the granddaughter in law appointed by the chairman She did not want to lose this job.

Hence she could only say to Abby, "Lattle girl, I could not accompany you anymore. You go up with this lady. Mr. Hilton is in the CEO's office.

You'll be able to see him when the elevator is here"

Abby also realized that the pretty lady was afraid of her mean aunt, so she nodded.

“Okay, got it

As she spoke, she withdrew her hand

I can walk by myself. You don’t have to hold me.”

Chapter 783 The Handsome Baby Daddy

Tiana rolled her eyes at Abby and felt that this little girl was really annoying. She looked exactly like Elizabeth. She was indeed her daughter.

At this moment, the elevator doors opened. Tiana entered the elevator first, followed by Abby.

Tiana pressed on the 60th floor, then turned to look at Abby.

“Why are you here? Matthew is very busy. He doesn’t have the time for you.”

Abby’s big eyes twinkled. She ignored her to make her angry.

Tiana was really upset by her disregard, so she reached out her hand to pinch her chubby little face. Besides, she was so ruthless that she had to hurt her. It was best to pinch this cute little face away.

When Abby saw her like this, she quickly took out the electric baton from her bag and poked it at Tiana. Then, Tiana fell to the ground.

All of her hair was straightened. She spat out white foam and her expression was terrifying

Abby’s eyes narrowed slightly. She took a glance at the light and beautiful rod. She didn’t expect such an adorable thing to be so powerful

She quickly put the electric rod into her bag and looked down at Tiana, who was lying on the ground. She whispered to her.

“Bad Aunt, are you... Are you alright?”

She was a little scared she won't die, right?

At this moment, the elevator doors opened. Gracie was standing at the door. She was here to pick up Abby. When she saw Tiana who was

asleep on the floor, Gracie was shocked.

“Abby, what's wrong with her?”

Abby shook her head. She didn't dare to say, would she be caught by the police? She didn't want to!

But her brothers said that she could use the green rod when she was in danger. She did not expect it to be so serious.

Gracie saw that Abby was frightened. CEO Hilton had instructed her to pick Abby up just now. Of course, she did not dare to neglect this

mission

“Abby, I'll take you to Mr. Hilton.”

Abby pointed to Tiana. “What about her? Do you want her to sleep here?”

At this moment, Esme came over. When he saw Abby, he was stunned.

Previously, he was very familiar with the three children of Ms. Wade. Especially this little girl, Abby, who was so sweet, and he really liked her.

After meeting Abby, he thought that he must have a daughter in the future.

Because a daughter is such an adorable creature

Gracie saw Esme, so she pointed to Tiana.

“Esme, I’ll leave Ms. Wade to you. You’re strong, so it won’t be a problem to carry her.”

Esme glanced at the woman on the ground, his expression gloomy.

He did not like this woman. Every time he saw him, he would humiliate him and say that he was Matthew’s dog. The more he thought about it, the angrier he got.

The way she looked today. Her hair was straightened, and her eyes were rolled. It was terrifying.

Gracie brought Abby to Matthew’s office. Matthew was standing by the French windows and answering the phone. He was wearing a white shirt and black trousers. He looked exceptionally handsome.

Abby’s eyes lit up, and pink bubbles appeared in her eyes.

She smiled and said.

“He’s so handsome!”

Gracie felt the same. She turned to look at Abby and said with a smile.

“Yes, Mr. Hilton is very handsome!”

“It’s not too much to say that he has a gorgeous face. Anyway, Gracie’s first purpose when she came to work at Hilton Group was to get close to him and see him every day.

Now, she did as she wished. However, she no longer had the intention back then. She did not dare to feel that she was worthy of him.

Matthew smiled faintly when he saw Abby and waved at her.

Abby let go of Gracie’s hand and ran towards him.

Matthew bent down and picked her up. He held her with one hand and was still talking on the phone with the other.

Gracie couldn’t help but wonder. She thought that after Mr. Hilton got married and had a baby, he would probably look like this, right?

Even if he carried the kid with one hand and worked with another hand, he was still so handsome that the gods would be enraged.

Chapter 784 Idiot

Gracie watched this scene and sighed slightly. I don’t know which girl is so lucky to be able to marry Mr. Hilton and give birth to his kids.

She couldn’t help but take a few more glances. Mr. Hilton was holding Abby with one hand while Abby held his face and kissed him on the face several times.

Mr. Hilton was not angry. His lips curved into a smile. It was obvious that he doted and favored her!

Gracie left the office because the more she looked at it, the more envious she became.

Now, she wasn't envious of the girl who married Matthew. Instead, she was envious of Abby. How could she be so close to Mr. Hilton.

She could kiss him. How I wish I could become her!

After kissing Matthew a few times, she was dumbfounded. She felt like she couldn't kiss him enough.

By then, Matthew had already finished making the phone call. He looked at his daughter. This cute little girl was simply too cute.

"Darling, your two brothers told you to spend some time with me. Your Mommy doesn't have any objections, right?"

The two boys knew that he was their daddy, but Elizabeth still didn't know.

"Of course Lizzy has nothing to say. She doesn't have the time for us now."

When she said this, she recalled what happened last night at Dom's house. It was so miserable. She could only eat one meal, and she had to run after being punished.

The thought of her great grandmother's fierce appearance frightened her. Her eyes were swollen yesterday.

Thus, it was best to follow Matthew.

"Can I call you Daddy? Can I be here for the past few days?"

As she spoke, her big, purple-like eyes turned around. It was obvious that she was a little unconfident, afraid that he would not agree.

After all, she had no Daddy since she was a kid. It seemed like no one else was willing to be her Daddy except for him.

Matthew's lips curved into a warm smile.

"Of course, not only these few days, you can call me Daddy from now on."

Because you are my daughter, you can only call me daddy, little idiot.

He didn't say those last words and kept them in his heart.

Abby was stunned for a moment, then she exclaimed.

"Ah! That's great! I finally have a daddy."

She wrapped her chubby little hand around Matthew's neck and buried her face in his shoulders. Her smile was sweet and joyful!

The happiness of a kid is simple!

At this moment, the office door was pushed open and Esme and Gracie's voices could be heard.

"Ms. Wade, Mr. Hilton is having a video conference. It's inconvenient to meet the guests."

Tiana thought that he was actually having a video conference, but the moment she pushed the door open, she saw Abby lying on Matthew's

shoulder.

She glanced at the two of them coldly. "Is this a meeting?"

Esme stood rooted to the spot, not knowing how to explain himself.

After all, this Second Ms. Wade was the granddaughter-in-law chairman liked. He had once told them to help the two of them be together.

Gracie explained, "Mr. Hilton was indeed having a meeting on the phone."

Tiana raised her hand and said, "All of you, get down!"

The two of them did not listen to her, and she did not have the right to order anything to them. Hence, the two of them stood rooted to the spot and blocked her.

They were waiting for his boss' orders.

Tiana saw Matthew hugging Abby. She was jealous. What the hell did that brat use just now? She fainted. When she woke up, she rushed to

look for Matthew.

Hence, she did not know how she looked at this moment. Her hair was flying, her face was blue, and her face was a little green. It should be

some symptoms after the electric shock.

She was not stupid. She had already called Old Mr. Hilton and raised her voice.

"Grandpa, I'm here. Tell Matthew, or else he'll chase me away again."

I need to let Old Mr. Hilton know about this. Only he can help me.

Chapter 785 Do It Yourself

Tiana had even turned on the speaker. Therefore, Old Mr. Hilton's voice was heard, and Esme and Gracie in front of her automatically walk away.

She walked towards Matthew and smiled seductively.

But that hairstyle, with that face and that smile, she looked very strange.

"Argh! She is so ugly! I'm scared!" Abby exclaimed.

When Tiana heard this, she glared at Abby and her voice became cold.

"Who is ugly?"

This damned little girl is really too annoying. She's even more annoying than Lizzy when she was young."

Matthew saw that she dared to yell at his daughter and immediately became unhappy.

"Who are you yelling at? Get out!"

Upon hearing this, Tiana trembled in fright and then explained.

"Matthew, I-I was too angry. In the elevator just now, she used the baton to knock me out. My head is still dizzy, and my whole body is still

hurting!"

After saying that, she remembered, "Phone, it's grandpa. He asked me to send you lunch."

Matthew saw that she had nothing in her hands.

“Where is the lunch?”

Only then did Tiana recall and turned to look at Esme and the others.

“Where’s my lunchbox?”

Esme actually saw it and it splashed in the elevator. However, judging from Mr. Hilton’s intention, he didn’t dare to say anything for Tiana.

“No, I didn’t see it.”

At this moment, the food should have been cleaned and thrown into the bin.

Elizabeth pointed at Abby, “Abby, did you take it?”

Abby turned her face and rolled her eyes at her.

“I didn’t. If you don’t believe me, you can ask Daddy. Did he see me bring it in?”

Matthew’s expression darkened, and he was a little impatient

Stop it, get out.

Old Mr. Hilton’s voice was heard, because the phone was on speaker.

“Matt. I asked Tia to go. Even if lunch is gone, could not you treat her to lunch?”

This rascal. He helped him create space for the two of them to be alone, but he didn't cherish it.

"Don't treat other people's daughters as treasures. If want one, you can have your own"

Matthew understood what Master Wade meant. He wanted to provoke him into getting married and having kids.

"But he already has three. He won't fall into the old man's trap."

"Grandpa, it's better if you don't interfere in my relationship matters. I won't marry this woman, Tiana, in this lifetime. Don't waste your

energy"

"That's right. She's too ugly. She's not worthy of my daddy."

Old Mr. Hilton sighed and hung up the phone.

Tiana was stunned by these words and took a few steps backward. In the past, she thought that if she won over Old Mr. Hilton's heart, she would have the chance to marry Matthew.

But now, it seemed that even Old Mr. Hilton was no longer of use.

"Matthew, I really like you. The two of us are the most suitable. Even if you don't like me, don't chase me away. I can watch you from afar!"

After saying that, she walked forward, wanting to grab Matthew's hand.

"Ah! Daddy, I'm scared!"

Matthew comforted his daughter in his arms. "Don't be afraid. Daddy is here."

"Someone, throw this woman out for me."

Esme heard his boss's order, he quickly called security to control Tiana.

Tia's tears flowed and she cried sadly.

"Matthew, why are you so cruel? I love you so much, yet you treat me like this."

The security guard dragged her out of the office. It was impossible for her to want to enter the Hilton Group again in the future.

Seeing that she was dragged away, Abby breathed a sigh of relief.

"Daddy, I really did something bad in the elevator just now!"

Matthew carried her to the sofa, placed her on the sofa, and reached out to caress her head.

"Darling, no matter what you did, Daddy thinks you are right."

Chapter 786 Very Satisfied

After hearing that, Abby felt that having a daddy was great. She hoped that he could marry Lizzy soon!

If that was the case, he would be her real daddy.

Abby was rolling on the sofa. Matthew walked toward his desk. He pressed on the landline and soon, there was someone talking

"Sir."

“Squeeze a cup of orange juice and bring some snacks and snacks in.”

A short while later, Gracie came in with two secretaries with juice, desserts and fruits.

They placed the things on the coffee table. They knew that this was specially prepared by Mr. Hilton for Abby. This girl was really blessed!

When Abby saw the delicious food, she sat up happily and said.

“Thank you pretty ladies! I like orange juice the most.”

Not only did the three secretaries, but even Matthew took a glance at her when he heard her sweet voice.

The smile on his face was warm.

Gracie had never seen him like this before, so she couldn't help but take a few more glances at Abby, thinking that this little girl may be Mr.

Hilton's daughter.

At that thought, she shook her head repeatedly. Impossible. Absolutely impossible.

She was Elizabeth's daughter. Elizabeth was married to Dominic now. If she was Mr. Hilton's daughter, Mr. Hilton would never give Elizabeth to Dominic.

She kept her thoughts and stopped thinking about this question.

Anyway, in the future, I need to pay twelve percent attention to this little girl. I could not offend her, just treat her well.

After the three secretaries left, Abby sat there eating and glanced at Matthew from time to time. She was already very satisfied.

Elizabeth and Dominic went to meet Adam.

The psychological hospital was not big, but everyone in the industry knew that Adam was a highly skilled doctor, and he had achieved quite a

lot in psychology.

In the consultation room, Adam was wearing a white coat. He strode into the consultation room. His hair was green

eye-catching. It suited him very well.

It was different from the doctor Elizabeth had imagined. He did not wear glasses, and he also had eyeliner. He was very young and very ch

“Dominic, we meet again. But, your looks? Did you go out to have fun last night? Did you steal someone else's girl

He went upstairs and shook hands with Dominic. Dominic was already used to his way of interacting

He reached out again to shake hands with Elizabeth, but he quickly withdrew his hand and wanted to hug Elizabeth.

“Pretty woman! I think hugging is more suitable.”

Dominic shielded Elizabeth behind him. Adam hugged Dominic in disappointment.

Your girlfriend? She's quite pretty."

He let go of Dominic and walked to his work table. He was reading the documents in his hand, looking completely focused.

After a while, he raised his head and pointed to the chair next to him.

"Please take a seat!"

Elizabeth and Dominic sat on the green sofa. She felt that Adam liked green.

However, this consultation room was quite comfortable, giving people a sense of relaxation.

A short while later, a nurse poured coffee for them. Adam sorted out the documents and sat opposite the two of them.

"Dominic, have you told your girlfriend about your illness? Or does she know about it?"

Elizabeth replied, "I know, because I've seen his different personality. It's very terrifying. He's very evil."

Adam finally understood after hearing this. It turned out that this lady was the one who faced that personality.

If she could come here, it would help her better with her illness.

"Then why don't you talk to him? I want to know him better, then I'll teach you how to defeat him."

Dominic heard and disagreed.

“Nicolas, I should be the one to defeat him. It shouldn’t be Lizzy. She’s too soft. I don’t want her to take the risk.”

Chapter 787 Let Us Divorce

Adam laughed. “You don’t even know what he did? Do you think you can defeat him? He’s much stronger than you.”

The kid didn’t sugarcoat in front of Dominic

Dominic still disagreed. “Even if I don’t have his strength, you’re my doctor. I gave you money, and you should be the one to defeat him.”

That fellow wanted to hurt Lizzy wholeheartedly and take revenge on her. How could he let her fall into such danger?

Besides, he was sick, no one could control him, so his evilness was boundless, no one could know what he would do.

Elizabeth looked determined. “Dominic, I can. Because his appearance seems to have something to do with me.”

She could feel that her personality hated her very much. It was as if he hated her for loving Matthew.

In the end, Dominic was persuaded by Elizabeth and he worked with Adam on some methods to deal with Saint. He even prescribed some medication to Dominic and asked him to take it on time.

The two of them exited the psychological clinic. The driver was already waiting downstairs and opened the car door for the two of them.

Dominic walked to the side of the car. When he was about to get into the car, he realized that Elizabeth was still standing by the roadside and had no intention of getting into the car.

He turned around and looked at her.

“Tizy, now you know I’m not him, do you still hate me? Do you still want to have a grudge against me?”

Now that they are husband and wife, he will definitely cherish this opportunity and make her fall in love with him.

Elizabeth raised her hand and looked at the watch on her wrist. “I have something else to do. I’m not going to take your car. I’ve already called

a cab.”

“Where are you going?”

“Go to work!”

Dominic nodded upon hearing this.

“Yeah, come back earlier tonight. We’ll wait for you to eat.”

Their conversation was like a loving couple, and it was like a newly married couple.

Elizabeth pursed her lips. When he was clear headed, she might as well say it clearly!

“Dominic, actually I have something to tell you.”

Dominic walked toward her. “Okay, let’s sit at the cafe over there and talk.

After saying that, he held her hand and walked.

Elizabeth didn't move. He turned to look at her and didn't understand what she meant

Elizabeth sighed. "Actually, we don't have much to say. Just a few words. There's no need to go to the cafe. I still have a meeting today, so I

really don't have the time."

Dominic nodded. "Okay, then get in the car. I'll take you to the office. We'll talk on the way."

Elizabeth thought about it. It's OK.

She did not want to trouble him. Since he was Dominic now, then she had to seize this opportunity.

Withdrawing her hand, she walked to the car and got in.

Dominic smiled faintly and walked to the other side and got into the car.

In the car, it was very quiet. The driver and assistant in front did not dare to look into the rearview mirror. They were probably very confused as

their boss personality changed every day.

All of them were afraid, afraid of upsetting him.

Dominic placed one hand on the armrest and gently tapped on it, waiting for her to speak.

Elizabeth pondered silently for a while, then spoke solemnly.

“Dominic, let’s get a divorce!”

There’s no use telling Saint. Only telling Dominic is useful.

Dominic did not expect that she wanted to talk about this. His expression changed slightly, obviously very surprised

“Why? Lizzy, you know that my feelings for you have never changed.”

For the past six years, he only had her in his heart. so he stayed by her side quietly. Even if she said he was a friend, he would accept it.

He just hoped that one day, she could see his heart.

Although the marriage was planned by him by another person, he quietly accepted it

He did not want to divorce her. He wanted to be with her and take care of her and her children for the rest of his he

“Domink, you know that the person I love is Matthew Although he has forgotten about me now, it’s impossible for us to be together, but I

don’t want to live in lies. I just want to live a simple life with my children.”

Chapter 788 What Is The Difference Between You And Him

The Campbell Family’s attitude toward her and the kids had proven that it was impossible between her and Dominic

The marriage was not only between them. Without the support of the families, a marriage like this would not be happy.

Besides, she had someone in her heart, so she couldn’t fall in love with anyone else.

This was also unfair to Dominic.

Previously, she only wanted to repay him. His eyes couldn't see anymore. She stayed by his side and took care of him. She didn't think much

about other things.

But after experiencing these few months, she realized that there was really a big difference between marrying and not marrying

Dominic did not know what to say, his gaze was filled with hurt.

"Could not you forget him?"

When he asked this question, his heart ached. In the end, he was no better than Matthew. Why was he by her side for six years, and he was no

better than the six months he had been by her side?

Elizabeth didn't say anything. After a moment of silence, the two of them stood by the roadside. The man was tall and handsome, while the

woman was slender and beautiful!

The atmosphere was awkward, Dominic sighed.

"Lozy, can you give me some time? When I'm better, if you really could not fall in love with me, let's get a divorce, okay?"

Elizabeth heard this and raised her head. The determination in her eyes was strong.

“Dominic, whether or not I feel anything to you has nothing to do with time. Love isn’t something that can be measured by time. Treasure

Hazel! Don’t let her down.”

After saying that, Elizabeth looked outside and was already downstairs at SGroup

“Stop the car. I’ll get down first.”

Elizabeth was about to push the door open and get out of the car, but Dominic held her hand.

“Lizzy, it’s him who’s with Hazel, not me. You’re the only one in my heart, I won’t touch anyone else.”

Elizabeth instinctively glanced at him when she heard this.

“Is there any difference between you touching her and him?”

Withdrawing her hand, she pushed the door open and got out of the car Then, she walked toward the building

Dominar looked at her back with sorrow in his eyes She was right.

Regardless of whether Dominic touched Hazel or not, the body belonged to him

After Elizabeth got out of the car, she walked to the building of the company. Recently, the company was doing very well With Scott around,

she did not need to worry too much, but she was learning how to manage.

This was also Aunt Campbell's request. She hoped that she could manage S Group herself and become a strong woman.

Elizabeth returned to the company and held a meeting. It was about the matters of working with the Hilton Group and the business district of

New City.

By the time the meeting ended, it was already past twelve. She went back to her office and the secretary had already ordered a meal for her. It

happened to be delivered at this hour.

She sat on the couch and ate, but her phone rang. She picked up her phone and saw it was Richard calling her.

Elizabeth had not contacted him for a long time. Grandpa was currently staying at the sanatorium, so she went to the sanatorium instead of

going to the Wade Family.

Initially, she did not want to answer the call, but she was afraid that it might have something to do with her grandfather. She was afraid that his

health would get worse, so she answered the call

"Hello."

"Lizzy, are you free tonight? Go home for dinner. It's been a while."

Ever since the wedding, he had been treating Elizabeth better. He would contact her from time to time. She was not surprised that he asked

her to go home for dinner today.

be?"

"I'm not free tonight. I still have to take care of the kids!"

She rejected him directly. At this moment, Celine took the phone.

"Elizabeth, are you scared to come? I've already informed Dominic. He said he would come. If you don't, do you know what consequences will

The threat was very loud, so she added.

"Don't embarrass the Wade Family."

Following that, he hung up the phone. She was quite hungry, and now she had no appetite at all

Chapter 789 Matthew Likes Twinks

In Matthew's office, Abby was watching Barbie Princess cartoon on her tablet. She had eaten a lot of snacks and a lot of fruits.

However, she was still hungry by the time it was time for dinner.

"Daddy, I'm hungry." She looked up.

Upon hearing this, Matthew put down his work and walked toward her.

"Let's go. I'll take you to eat."

Matthew usually did not have a regular diet. In the past, it was fine to have Elizabeth oversee him. Now that she was not by his side, no one

was overseeing him.

Hence, he didn't feel hungry.

If it weren't for this little girl, he would probably eat very late today.

Abby close the cartoon and stood up. He stretched out his little hand and held it.

Due to the difference in height between the two of them, it was inconvenient for Matthew to hold her, because he had to bend over.

Hence, he bent down and picked her up. When he walked out of the office, Esme was waiting at the door. He wanted to come in to remind

Matthew that it was time for lunch.

In the end, he did not dare to do so and could only wait outside.

Esme saw him carrying Abby and stretched out his hand.

"Mr. Hilton, let me carry her!"

"There's no need." Matthew said softly.

Then, she carried Abby and walked toward the elevator. Gracie followed her with her bag in hand.

“Esme, have you asked Mr. Hilton if he’s attending today’s dinner?”

It had been scheduled long ago. It was an accident that Abby had arrived today, so Gracie couldn’t cancel it, hoping that Mr. Hilton would be

able to attend.

Esme glanced at her. “You haven’t asked him yet?”

“I don’t dare.”

The two of them followed Matthew into the elevator. Gracie could only ask courageously.

“Mr. Hilton, we have an appointment with Mr. Chen for a meal today. Are you going?”

By this time, Mr. Chen and the others had arrived. He even called her and asked if Mr. Hilton was free today.

Even though Mr. Han didn’t tell her to cancel the dinner, it was impossible for him to bring a kid to talk business with Mr. Chen

Gracie really regretted it now. If she had known earlier, it would have been better to cancel earlier.

If she offended Mr. Chen, it would be a failure to negotiate business. However, if she offended Mr. Hilton, she would suffer.

The restaurant is the one I like?”

“Yes, Mr. Hilton. Mr. Chen reserved a table there.”

“Let’s go.”

He replied indifferently and then looked at Abby. The little girl was staring at him in a daze. Her gaze was filled with admiration and adoration.

He couldn’t help but curl his lips and kissed her on the cheek.

“We’ll be able to eat soon.”

Abby grunted in acknowledgment and leaned against his head..

“Daddy, I like you so much!”

The little girl’s confession made him in a good mood.

Twenty minutes later, they arrived. When they entered the private room, Mr. Chen and a handsome young man stood up at the same time.

Mr. Chen greeted, “Mr. Hilton”

Matthew held the kid with one hand and shook hand with the other.

“Mr. Chen, I’ve kept you waiting

Mr. Chen looked at the kid in his arms and his eyes narrowed slightly.

“This is?”

Matthew wasn’t married. Besides, he liked young boys. It was now spreading all over the place. Who is this little girl? Is she a relative of his

family?

The way she looks is so adorable.

“My daughter, sit down!”

After sitting down, he told Gracie.

“Tell the chief to hurry up. Abby is hungry.”

Gracie stood up hurriedly. They were the guests.

Mr. Chen was stunned. Daughter? Impossible, right? I haven't even heard of him getting married. Which woman gave birth to this girl?

Everyone was curious about Matthew's private life. He was one of them.

Suddenly, he recalled that the reason why Matthew brought a kid in public was to stop the recent scandal

The fact that he liked twinkles and had hired a large number of bodyguards in Night City for that handsome little boy must be true.

Chapter 790 He Must Be Good in Bed

Mr. Chen thought about it and felt that it must be like this, so he gave the handsome young man next to him a look.

He had spent a lot of effort to find such a handsome young man. He was quite good-looking. He should be able to catch Matthew's eye, right?

He was not confident either. After all, what did the little bottom look like that night? No photos were leaked.

According to the rumors, he was prettier than a woman. He was thin and small, making a man want to protect him.

Hence, Mr. Chen went to look for the young man according to the rumor. He hoped that when they were discussing a collaboration, Matthew would be seduced and give their company some benefits.

Matthew was known to be difficult to deal with, so he had tried everything.

After sitting down, Mr. Chen's assistant followed Gracie to serve the dishes. After all, they were the host

Abby was placed in the children's dining chair, and the waiter even served her a portion of shrimp eggs.

Gracie took a spoon and said, "Abby, you can have some steamed eggs first."

Abby pointed at the shrimp inside and asked, "What is this?"

it."

"I've never eaten, and I've never seen it!"

Gracie thought to herself, Ms. Wade is too petty. It's good for kids to eat shrimp.

She probably had never eaten shrimp before. What a pity.

Now that Mr. Hilton likes you so much, you can eat whatever you want in the future.

She picked up a spoonful of eggs with shrimp and brought it to Abby's mouth. "This is shrimp. It's delicious. It's good for your health if you eat

When she heard the word shrimp, she covered her mouth.

"I don't want to eat. No. I'll feel upset after eating."

Gracie thought to herself, "This kid needs to see the world."

It must be her mother who was reluctant to buy them for her that lied to her that she couldn't eat shrimps

Gracie wanted to open her eyes today, so she comforted her.

"Be good, Abby. Have a taste. It's really delicious."

Matthew was talking to Mr. Chen. He didn't pay much attention to Abby who was playing at the side. When he heard her voice, he turned to

look at her and said coldly.

"She's allergic to seafood."

His daughter, just like him, was connected by blood.

1/2

Gracie was stunned. A seafood allergy? Just like Mr. Hilton.

She couldn't help but take a few more glances at Abby. The more she looked at her, the more she thought she resembled Mr. Hilton.

Especially her nose and lips. Could she really be Mr. Hilton's daughter?

Gracie stood rooted to the spot in shock. She was still holding the spoon in her hand and stared blankly at Abby.

Abby held her face and said to Matthew.

"Thank you Daddy, I really could not eat seafood! It'll hurt if I eat it!"

Matthew reached out and caressed her head gently. "I know. Daddy could not eat either."

Upon hearing this, Abby was delighted and she felt more at ease.

"So, we look so alike! Hahaha!"

Mr. Chen raised his chin to the young man next to him and introduced him.

"Mr. Hilton, this is my cousin named Luke. He's only 20 years old."

After saying that, he gave Luke a look, hinting at him to toast.

Luke stood up with both hands holding a glass.

"Mr. Hilton, a toast to you."

His eyes were seductive. Mr. Chen purposely looked for him because all men liked him. He was very

Even though he did not understand.

seductive.

Luke subconsciously got up and leaned toward Matthew. His hand even touched the back of his hand.

Matthew frowned and glanced at his hand. His expression darkened.

But Luke was still looking at him, looking deeply in love.

After all, not only do women like a man like Matthew, but men like him too.

His gaze swept across his body, thinking that he must be very good in bed.
