

Triplets Attack: Game Over Daddy

Chapter 8

Chapter 8 Fake Marriage

After saying that, Tiana was secretly pleased with herself. Matthew is obviously testing me.

Thankfully, I'm very clever. Even if I've had more than ten boyfriends, I'll never tell him that.

Contrary to hers, Matthew's expression gradually darkened. Having believed that the dream.

was arranged by Hector, he thought that she was the person he was looking for when his

grandfather regained consciousness and requested that he marry the eldest daughter of the Wade

family.

However, it seems like I was wrong.

"I arranged this meeting today because I wish to make a deal with you, Ms. Wade."

With that said, he took out an agreement and placed it in front of her.

Tiana had never met a man like that. Didn't he ask me out because he likes me? Why are we

making a deal now?

Puzzled, she looked through the three-paged agreement, only managing to understand the

simpler sections.

"You want me to be in a fake marriage with you, Mr. Hilton?"

Matthew nodded. "It's a one-year agreement, and I have the right to terminate it in advance.

Before that, you can enjoy all the privileges of being my wife and receive thirty million in

compensation upon its termination."

Tiana was enticed as soon as he mentioned the privileges of being his wife. After all, he was

very well-known in Mistwood, and many women wished to marry him.

If I carry his name, no one will dare to bully me again when I go out in the future. Everyone

in the Wade family will also treat me differently, and Grandpa may even hand over the right of

inheritance to me. If I manage to win over his heart within this year and become his wife

officially, that'll be even better!

Despite the excitement within her, she suppressed it and maintained her calm expression.

Even so, I won't give up. I must find her.

After pondering for a moment, Tiana strode over while calling out tentatively, "Elizabeth!"

Elizabeth turned to face her half-sister upon hearing the latter's voice. She was not surprised to see the latter, having spotted her earlier. The hatred in her eyes grew more evident. She would

like nothing more than to strangle the woman before her.

Upon hearing that someone was calling her mother, Abby glanced at the beautifully dressed

woman.

"Your friend is calling you, Lizzy."

Hearing those words, Tiana gaped at her in utter disbelief as she took a step back. Elizabeth

is still alive!

It took her a few seconds to regain her composure.

"Is this... that bas*ard child? She has grown a lot."

Even as she spoke, she still could not believe that Elizabeth was alive.

Due to her usual liveliness, Abby assumed that Tiana was Elizabeth's friend and answered

the question herself, "Yes. I'm five this year. I also have two brothers who are also five. We're

triplets."
