Chapter 831 Blind Date

Matthew texted Jake with his phone.

“Aren’t you going to introduce a girlfriend to me? Send her photos and information. You have to hurry.”

After sending the message, he put down his phone and picked up his fork.

“Eat first.”

Elizabeth wanted to see what kind of girl was he dating?

If he doesn’t want her to see it, then let’s eat first!

At this moment, the dishes were served. Elizabeth lowered her head and started eating.

Didn’t rumors say that she and Rosalie are childhood sweethearts? He still wants to go on a blind date. He probably really doesn’t like Rosalie!

At this thought, she was inexplicably a little happy.

After all, she had been jealous of Rosalie before.

Matthew saw that she had been eating her meal, so he gave her some dishes.

Elizabeth looked at the dishes in the plate and looked up at him. Then, she smiled.

“Thank you, Mr. Hilton!”

“Don’t be. I will take you a day. Eat more.”

Elizabeth was quite happy. Was he concerned about her?

But after hearing this, it was like a bucket of cold water pouring down from head to toe.

Elizabeth instantly lost her appetite? She ate a little and started playing with her phone.

She was playing Honors of Kings. However, her skills were bad at the start and she was despised by her teammates.

Elizabeth was playing and shouting. “Sigh, ah, I’m dead again.”

Matthew was eating. For lunch, he paid attention to nutrition, so he ate it seriously.

He had been listening to the girl’s screaming, so he raised his head to look at her.

“What is it?”

Elizabeth got out of the game and wanted to unload it

She throw her phone on the table. “It’s just a game. The girls in my company are obsessed with it. They’re dragging me to play. But I’m a

rookie.”

1/2

The more she thought about it, the more upset she felt. It was better to transform sadness into appetite!

Elizabeth started eating

He was peeling shrimp for her. Although he was allergic to seafood, he was peeling shrimp quite well.

Elizabeth looked at the plate full of peeled shrimp. This was the first time she this kind of treatment, and she felt so happy

After the meal, Elizabeth felt a little full. She reached out and rubbed her belly

She rolled her eyes and became mad at herself

Matthew placed the dessert in front of her. "Your favorite dessert."

Elizabeth looked at the strawberry cake in front of her and looked at him in shock.

"How do you know?"

Did he recover his memories?

Matthew picked up the teacup and took a sip. "Abby said. I asked her what you like. She said it's a strawberry cake."

Actually, he knew it without asking. Moreover, everyone seemed to like this cake. This store had been running for decades, and their business

was thriving

Every time he went to buy it, he would have to queue. Esme was already complaining. In the past, he would have to queue for four to five

hours every time.

Elizabeth sighed in disappointment. So that's what happened!

However, you might never remember our past. After all, that part of memory had been removed during the surgery.

She secretly asked about his condition, and that was what the doctor said. The past between Matthew and her had vanished forever.

Matthew had been looking at her and waiting for her to eat the dessert.

Elizabeth put down the spoon. "I don't want to eat sweets today."

He was a little disappointed. He personally went to buy this. Although he did not queue, he found the first customer and paid ten times of the

price.

Matthew glanced at the cake. Since she didn't want to eat it, there was nothing he could do.

Elizabeth stretched out her hand. "Weren't you going to show me a photo of your blind date?"

She could not wait anymore.

Only then did Matthew click on Jake's message. He saw that he had already sent a message and a photo of a woman.

He didn't care and passed it to Elizabeth.

Elizabeth saw that the woman in the photo was quite good-looking and gentle. She actually felt that she would be a good wife to him

Chapter 832 I Want To Kiss Her

Elizabeth looked at the woman in the photo. She was actually slightly envious of her. At least she was the one Matthew wanted to get along

He wanted to do make over to make her like him.

“I think he’s interested in this woman at first glance, right? That’s why he’s so focused.”

Matthew stared at her, wanting to see the change in emotions on her face, even if she was unhappy for a second.

But, no, not at all.

He nodded slightly. This girl is getting better at hiding her feelings.

“Didn’t you say you’re still thinking about me? Do you still love me?” He thought to himself.

“Why didn’t she care about his blind date at all?”

He was a little disappointed. Was what she said really true?

Matthew suddenly reached out to take the woman from him. He took a serious glance at the woman in the photo and realized that she wasn’t

as good-looking as she was. She wasn’t Lizzy anyway.

“How is she? Isn’t she pretty?”

He threw a heavy hammer, hoping that she would feel something or slander this woman's looks.

Elizabeth held her face with one hand. "Very beautiful! She is a good match."

Elizabeth's heart ached when she said so. She hoped that she was the only woman in Matthew's world.

Then, regardless of amnesia or change of heart, he would only love this woman in the end.

Thinking of this made her feel so small.

Elizabeth raised her eyebrows. Why did she belittle herself like this? She was single now, so she could do something for the sake of the person

she loved.

For example, dressing him up the way this woman hates!

In the future, if he allowed Abby to stay by his side and she would make other women think that Abby was his daughter, then he would be

regarded as a boyfriend pariah.

1/2

At that thought, she smiled.

The expression on his face darkened, and his voice became colder.

“I think she’s quite pretty too. I like her a lot. I hope I can leave a good impression on her today, so I’ll have to trouble Mrs. Wade.”

The moment finally came. It was simply too heartbreaking for her to dress him up for her love rival.

She got up and put on the coat beside her. It was raining outside when she arrived, and it was a little cold.

“Let’s go!”

Elizabeth looked at the woman’s outfit and ago. She must like mature men.

Hence, she planned to dress up Matthew and put on heavy eye makeup on him to make his sharp gaze look even more terrifying

It would be better if the woman on a blind date would run away in fear the moment she saw him.

Thinking of this, she couldn’t help but laugh out loud.

Matthew got up too. He was wearing a black coat today. After putting it on, his body became slender, and he exuded a sense of abstinence.

When he saw Elizabeth laughing, he leaned closer to her, his face very close to her.

“Why are you so happy?”

This girl is still so happy even at this time.

Elizabeth saw that handsome face, and her face was slightly flushed Especially when she saw that gorgeous red lips, she would recall the feeling of him kissing her that night.

Her lips moved. Kissing him was truly a pleasure.

Matthew subconsciously looked at her lips and recalled the loss of control that night.

Frowning slightly, he straightened and walked forward.

Elizabeth didn't understand. He was quite happy just now, in an instant, he was mad. He changed too quickly.

She sighed. It was too hard to guess what this man was thinking. A fool like her couldn't even guess it!

Hence, she quickly caught up with him. "Mr. Hilton, slow down. I could not catch up with you."

However, he did not wait for her. Elizabeth's legs were not as long as his. By the time she walked out of the restaurant, he was no longer there.

Chapter 833 You Are Playing With Fire

Elizabeth stood at the door, a little puzzled.

He who was in the car lowered his head and glanced at a certain area. He just got closer to her like that just now.

Her just looked at her lips, he actually had a boner. It really wanted to....

He lowered his gaze and took a deep breath.

Esme, who was sitting in the passenger seat, asked, "Mr. Hilton, are you going back to the company?"

Matthew slowly opened his eyes. Like a sleeping leopard woke up. A hint of fierceness appeared in his eyes, making Esme shudder.

“I don’t know what I said wrong”

“Pick Elizabeth here.”

The woman was standing at the door, not knowing where to go

Esme took a glance at the door and hurriedly pushed the door open and got out of the car.

Esme strode toward Elizabeth’s side. He didn’t know what Mr. Hilton wanted to do today. He thought it was just a meal with Elizabeth.

Matthew did not allow them to follow him, probably because he wanted to spend some time alone with her.

“Mrs. Wade, please come over.”

Elizabeth actually saw the car. She just wanted to wait for his men to invite her. She would be embarrassed if she went there herself

“Mr. Hilton left so quickly. I thought he didn’t need me.”

She wanted to leave immediately, when a woman’s temper rose, she really couldn’t control herself.

However the thought of him going on a blind date today stooped her, if the woman saw him looking so handsome, then the two of them would

definitely be together.

She couldn’t allow this to happen, so she stood at the door, pretending that she didn’t see the car.

Eame didn't know what happened. But at this moment, he had to explain for his boss,

1/2

"Mr. Hilton just received a phone call and needed data from the tablet in the car. That's why he walked a little faster. I'm sorry!"

Anyone could understand him now.

Elizabeth roused her eyebrows slightly. So that's what happened?

Anyway, she walked toward Matthew's Bentley Eame quickly opened the door for her.

Elizabeth got to the car elegantly, then looked ahead, ignoring him.

She sat upright and crossed her legs elegantly.

She waited for him to speak to her, but he ignored her.

After holding on for a while, Elizabeth looked at him and realized that he was resting with his eyes closed.

She then relaxed, she leaned against the seat and let out a sigh

Actually, she was a little tired too. Why don't I sleep for a while?

Anyway, it's still quite far to go to the fountain square. I don't know why he likes to go there for a stroll

In fact, there was an 5 Mall nearby. Maybe he still liked his own shopping mall, right?

Elizabeth fell asleep not long after, and she even leaned against his shoulder.

In fact, the man was not sleeping. Instead, he wanted to calm himself down.

Sensing the weight on her shoulder and the warmth from her mouth, Matthew opened his eyes.

Turning her head to look at her, she was already asleep. Her breathing was steady, and her pretty little face became more and more seductive

He raised his hand, wanting to touch it. What kind of magic does this face have?

Why could not be forget about it every single day?

In the end, his hand did not touch her fair little face. Because she was now Mrs. Campbell, he could not let her be called a slut, so he had to control himself.

At this moment, Elizabeth suddenly woke up. She did not open her eyes, only felt his breathing very close.

Hence, she didn't care anymore. She wrapped her arms around his neck and kissed his lips.

When their lips touched, there was a hint of a smile on the corner of her lips. Anyway, she pretended that she was asleep and knew nothing

Matthew's body shook. It took him a lot of effort to chase the beast down there away.

Now, she actually started to play with fire.

This woman, I'm practically looking for death.

Chapter 834 What Are You Eating In Your Dream

After Elizabeth kissed him, she pretended to be in a daze and didn't forget to lick his lips.

"It's delicious, it's delicious"

Matthew's eyes sparkled when he saw her talking. The corners of his hips curved upward.

The girl actually dreamed of eating?

It reminded him of that night when this girl licked his dick. Under his guidance, she was actually quite good.

The thought of this made his scalp numb.

He hadn't touched her for a long time, so of course he had urges

Now that she was in her arms, she was still taking the initiative to lick his lips

She was playing with fire, and no matter how strong his restraint was, he could not control himself

Hence, he placed his hand on the back of her head and responded to her. Elizabeth only wanted to take advantage of him and kiss him to fulfill

her wish.

Unexpectedly, he took a step further. Her breath tightened slightly and she felt his anxiousness and the touch of her tongue between her lips.

She was afraid. She was afraid that she would make an uncontrollable noise like that night

Not only the two of them were in the car, but also the chauffeur and assistant in the car.

How could she see these people in the future?

Especially this situation and moaning. It was really embarrassing if they could hear her.

Elizabeth quickly pretended to be awakened and raised her hand to pat him.

Mmm.. Hilton..."

But she couldn't even say a complete sentence until he had kissed enough, then he finally let go of her.

Elizabeth's face was flushed and she was panting heavily.

A pair of big watery eyes looked at him, looking dumbfounded.

Before she could say anything. Matthew spoke up

"Mi Wade, you kissed me when you were dreaming. You hugged me for a long time. I didn't think of taking advantage of you."

He was really heartless enough.

Elizabeth was still in his arms. She did not have the strength to move away because the kiss just now was too intense, so intense that she c

not breathe at all

1/2

It was as if he had sucked all the strength in her body. She could not move and her legs went soft

More than that, she was wet down there.

Matthew was better. The pain in his pants was so intense that it was about to tear up. However, he couldn't continue with her.

To Matthew, it didn't matter whether or not she was married. As long as he wanted it, then he would have it.

But he cared about her and didn't want her to be despised by others.

"I don't care if I get despised"

He knew just how much she suffered after giving birth to his three children.

Both of them were panting. The two men sitting in the front row did not dare to move

Especially Esme. He held one movement and did not dare to change. He stared ahead and did not dare to look at other directions.

They didn't have a choice. They didn't want to hear the noise, but they heard it.

Elizabeth took a deep breath before she recovered. She moved away from him and leaned against the cold seat. It felt really different

His embrace was warm and soft. She wished she could always lean on him.

But she couldn't

Matthew kept looking out of the window. When he turned around, he had returned to normal, as if nothing had happened.

"What are you eating in your dreams?"

It was only an improvisation. What did she eat? She didn't think much about it.

"Huh?!..."

But Matthew smiled.

"Could it be that you're eating something that's inappropriate? You're quite good at licking"

Elizabeth had been wondering what she was eating.

When she suddenly heard this, she immediately recalled that night, the last night of theirs.

He said the same thing to her too. Even his tone was the same.

Chapter 835 They Thought The Same Thing

narrowed slightly, and her far

Why does this sound so flutations!

The way he looked at her and the way he spoke brought her to that night

relaxed for a while before withdrawing his gaze

“Nothing I forgot

She moved to the side and moved further away from him. Otherwise, she would start thinking nonsense again

And he didn't remember her at all. He couldn't remember those things. She was the only one who was sad.

Elizabeth lowered the car window and

cold breeze blow in, blowing away the hotness on her body

Her long hair was messy in the wind. She looked at the scenery of early autumn outside. The green of summer slowly faded and there was a

faint layer of yellow

Matthew found to look at her All he could see was her hand dancing

The car stopped in

the shopping mall in the fountain square The driver and assistant opened the door for them.

Matthew got out of the car first. He stand in the wind.

It was still raining here. Esme handed him a big black umbrella and walked over to Elizabeth to hold the umbrella for her.

Elizabeth got out of the car and leaned against him The two of them used the umbrella. This was the first time.

Since the two of them were relatively close, she could smell the cold scent of mint on him. It was very refreshing

Matthew moved the umbrella toward her. Half of his body was outside the umbrella.

Elizabeth noticed it, so she pushed his hand that was holding the umbrella.

“You’re getting soaked.”

Even though it was raining slightly, walking from the square to the square was at least a thousand meters away. By then, he would definitely be

The price of his clothes wasn’t cheap. She had already compensated for his suit before, and it couldn’t be washed with water.

Matthew lowered his gaze and looked at her, so he switched a hand to hold an umbrella and wrapped his arm around her shoulders.

“That way, neither of us will be wet.”

Elizabeth turned her head to look at her right shoulder. His long arm was resting on it, and his big hand was still holding on to her arm. That warm sensation had been missing for a long time.

The two of them walked like this in the rain. Elizabeth felt that the rain today was beautiful. She hoped that time would free them and they could

continue walking like this.

However, just when she was lost in her thoughts, they were already at the entrance of the mall.

Esme took the umbrella from Matthew and strode into the mall

him

Elizabeth ran after her It was only today that she realized that if this man hadn't deliberately slowed down, she won't have been able to follow

If he hadn't deliberately approached her in the past, they wouldn't have met at all.

Matthew stood in the middle of the hall and turned to look at her.

"Mrs Wade, which store are you going to buy my clothes?"

Mr. Hilton had only accompanied her for shopping before, and he had never come here again.

He had his own people to customize his clothes. There was no need for him to worry.

Elizabeth panted and stood beside him. She looked around.

"Mr. Hilton, can you be slower when you walk with a girl? I could not follow you."

Matthew nodded. "Okay! I'll take note of it."

Elizabeth was stunned for a moment. Would he be very gentle when he was with his blind date, then that woman would like him more!

Elizabeth hurriedly waved her hand. "Mr. Hilton, there's no need. You should keep your speed' I'll just try to follow you. Women like chasing

after men. It's fun."

Fun my ass? I am so exhausted.

The corners of Matthew's mouth curved into a smile. Sure enough, she still cared about him.

He was in a great mood and his pace was slower.

"Mrs. Wade, where are you going to shop?"

Elizabeth stood in front of the elevator and looked at the shop. She saw a shop selling Gothic clothes. She tapped on the signboard with her

finger

"Let's go to the third floor, third floor."

Chapter 836 Boyfriend

Elizabeth walked into the elevator. Matthew and the others followed behind and Matthew said.

You don't have to follow me."

Esme was stunned for a moment before leaving with a few bodyguards.

"Mr. Hilton, we will be in the car. Call me if you need anything"

Slowly, the elevator doors closed. Only Matthew and Elizabeth were left.

When they reached the third floor, Elizabeth exited the elevator first and walked toward the shop.

Matthew stood at the door and looked up. The clothes that the model wore on both sides of the window were completely different from his

personality.

In his eyes, these clothes were for children, not him.

Matthew walked in. Elizabeth had already picked something up.

“Mr. Hilton, I’ve already picked out your clothes. You should wear this today! You will look so handsome.”

A black reflective trench coat suit. There was a reflective skull logo on the chest and the same logo on the pants. She even chose a black

fisherman cap

Elizabeth felt that a young girl would like this outfit, it was cool!

However to a successful man like Matthew, this was too childish

staff

The one she was going on a blind date was a mature woman. She must have no feelings for little boys.

After Matthew got changed, he walked out of the changing room. All the clerks were dumbfounded.

“Argh! This is too cool!”

“Ahhh, it’s practically custom made for this gentleman.”

This mall belongs to one of the branches under the Hilton Group. Even the managers of their branches rarely see the CEO, let alone these

1/2

Thus, no one knew him. All they knew was that this man was so handsome.

Elizabeth was also speechless. Why did such childish clothes look good on him too?

She couldn't understand, so she folded her arms in front of her chest, thinking that it was really hard for him to be ugly.

Hence, she turned around and looked around. She picked up a mask, so that he could hide his beauty.

Matthew stood there and waited for her next step. He raised his eyebrows.

"Mrs. Wade, I didn't expect you to have a unique taste. I've never tried this style, but it's quite good."

He looked at himself in the mirror. Compared to a suit, this seemed to be more chic

Elizabeth came with a mask "Hey, put it on."

Matthew glanced at the mask and raised his eyebrows.

"Wearing this on a blind date

Sure enough, this girl has feelings for him, so she doesn't want him to go on a blind date

“That’s called mysterious.

She secretly laughed in her heart. Mysterious? The girl must think that your face is ugly because you dare not to show your face.

However, on the contrary, it was just because he looked too good that I didn’t want her to see his face!

Matthew nodded slightly. “Okay”

After he put on his mask, the clerks were even more surprised

“Sur, you look so cool with a mask. Just like what this lady said, you look mysterious

“I like it so much”

Elizabeth was in a mess. Wearing a mask seemed to make him more attractive

“I don’t know what to do now”

Matthew walked toward her. You chose a good one. I like it a lot?”

Wearing a mask The one on a blind date won’t be able to see his face. If that’s the case, I’m sure she won’t have a good impression of him.

All he wanted to do was use this excuse to spend time alone with her.

Matthew had already gone to pay the bill and left wearing the clothes

The clerk wrapped the outfit he took off and placed them in a bag before handing it to Elizabeth

“Mas, your boyfriend’s clothes”

Elizabeth was stunned when she heard this. Boyfriend?

Chapter 837 Are You Divorced?

Previously, she did not feel that the word ‘boyfriend’ was so special. But today, she felt a little sweet when she heard it.

“Thank you!” She smiled.

Her mood improved. She couldn’t help but glance at the cashier. That handsome and tall man, it would be great if he was hers.

She let out a long sigh. She did not cherish him the past. Now that she regretted it, what should she do?

After Matthew paid the bill, he strode toward her.

“Ms. Wade, I will buy you coffee. I’m meeting her at five. It’s almost time.”

Elizabeth wanted to say that it’s none of my business. It is you who will go on a blind date. But at the thought of that woman, he had carefully

prepared himself to see her.

She then became upset and very jealous.

The more Elizabeth looked at him, the more she felt that he was such a beauty.

Hence, she thought about it and said. “Sure! There’s still one hour, and I can put on some makeup for you.”

Matthew had a smile in his eyes. He had never done makeup before

However, since it was what she wanted, then let's do it!

1/2

"Okay, you're my stylist today. I'll listen to you. If my blind date succeeds, I'll definitely thank y

When the two of them walked toward the elevator, Elizabeth couldn't help but ask.

"Mr. Hilton, there aren't many suitors around you. Why did you choose a blind date?"

k you again."

Even until now, she still couldn't understand that a man like Matthew must choose a girl based on her family background!

But the woman he was about to see seemed to be just an ordinary girl introduced by one of his assistants.

Matthew raised his eyebrows slightly. It was all because of you.

"Jake meant well. It's hard for me to refuse him. Besides, I need a wife. My grandparents are old and forced me to get married."

Elizabeth said, "What do you think of me?"

Only after she said that did she regret it. She really wanted to slap herself.

“Why did you say your thoughts out loud? Elizabeth, you stupid girl!”

Matthew sneered, “Mrs. Wade, aren’t you married? If you haven’t gotten married, it wouldn’t be appropriate.”

After saying that, she took the lead and walked into the elevator. Elizabeth was stunned.

“What does he mean by that? If she’s not married, he won’t like her too?”

Elizabeth got angry and walked into the elevator. She did not care if the

anyone in the elevator

“Matthew, what do you mean by that? You don’t like me, do you? Don’t forget who kept clinging to me all day, thinking of ways to make me a nanny at your house, thinking of sleeping with

She forced Matthew to the corner of the elevator Her eyes were filled with rage

Matthew was wearing a mask and a cap. He was not afraid of her saying anything. There was a hint of a smile in his eyes and he asked with a

wicked simile

“Mrs. Wade, I’ve never done such a thing You’re a married woman Please behave yourself ”

There were other people in the elevator. When they heard this, they all looked at Elizabeth

Elizabeth turned her head to look at them. Then, she quickly raised her hand to cover her face and looked toward Matthew.

“Matthew, shut up. I’m not a married woman

She was divorced, and now she was single,

She was nervous. She slipped and threw herself into his arms.

He leaned against the elevator wall and stared at her coldly.

Her voice was deep and pleasing. It was very magnetic

“What do you mean by not a married woman? Are you divorced?”

Elizabeth’s head bumped into his sturdy and strong chest. She felt a little dizzy. When she wanted to leave him, the man’s large hand grabbed

her slender waist.

The moment he touched her, his mind flashed back. Some nights, she was at the front and he was at the back, pinching her waist like this.

His Adam’s apple rolled up and down, his eyes became darker and his hands were very strong

“Speak up”

Chapter 838 She Is Here

Elizabeth looked into his eyes and was a little lost in her thoughts. She couldn’t tell anyone about this.

If Saint found out, then it would be over.

Then Dominic’s illness could not be cured. Who knows what that fellow will do?”

Even though she had ruthlessly punished him last night, she was still quite afraid of him.

Every time he dealt with her, he knew her weakness, making her unable to resist.

Now, she knew that he Dominic and she dared to fight back.

Elizabeth averted her gaze. "No, I didn't say anything?"

However, he knew her too well. When she lied, she liked to bite her lips and look away.

She was in this state right now. She must be divorced. No wonder she was so bold. She dared to kiss him and seduce him.

His mood suddenly improved and he no longer had any interest in the blind date.

wide.

At this moment, the elevator arrived on the 28th floor which was the top floor. There was a coffee shop. Looking out from it, the view was

Elizabeth did not care what the men and women in the elevator think of her.

She stepped out of Matthew's arms and walked out of the cafe with a smile on her face.

He hugged her just now. Happy!

After entering the cafe, Elizabeth chose a seat by the window and sat down. Matthew sat opposite her.

Elizabeth ordered a cup of coffee and he black coffee without milk or sugar.

Even though she used to make coffee added with milk and sugar to him before, he yelled at her but finally drank it.

Now, she felt that it was his preference, and she no longer forced him.

Matthew watched her order but didn't say anything. It turned out that she remembered all of his preferences.

After ordering, Elizabeth took out her makeup bag and sat beside him.

"Mr. Hilton, I will start putting on makeup for you. Otherwise, your blind date will be here soon."

She reached out to help him remove his mask. Her handsome face was completely revealed in front of her, as if he was a little slimmer than

before, and his features were even more sturdy.

Men are such a weird creature. How could he grow handsome as he is older?

"Are you getting older and smell better?"

"Women are different. They'll become ugly day by day."

Sighing, she took out her eyeliner. His skin is very good, so there's no need to apply thick foundation and powder. His face already had an Instagram filter.

This was the first time she put on makeup for a man. Her hand slipped and his eyeline went wrong. She opened her eyes slightly, wanting to wipe it off.

“But isn’t she trying to make him look ugly? Then it’s a good eyeline.”

Hence, she hummed while singing, looking in a good mood.

She drew his narrowed eyes into panda eyes, and she even drew a pirate pattern under his eyes.

The handsome Matthew suddenly looked like a pirate captain. However, the makeup on his face was too thick. She couldn’t bear to look away from him!

At this moment, Matthew’s phone rang Matthew picked up the call.

“Hello?”

It was an unknown number. It probably was his blind date. He had no habit of keeping someone else’s number unless it was someone very important to him

2/2

“Are you Mr. Hilton?”

“Okay!”

He merely hummed and did not respond. He was silent for a while before he spoke again.

“I’m sitting at table 6 with a heart-shaped lollipop in my hand.”

“Okay!”

He nodded and hung up the phone.

“Mrs. Wade, are you alright? She’s already here.”

Elizabeth looked at his face again and again. She had already concealed his handsome demeanor and nodded.

“Alright, go ahead!”

Elizabeth tidied up her makeup. She thought to herself, Luckily I’ve learned painting, otherwise I won’t be able to make him look ugly!

Chapter 839 You Said You Want To Be My Husband

Elizabeth kept the makeup and looked at table 6.

Her eyes opened slightly. Why doesn’t she look like her photo at all? The woman in the photo has long hair and wears a serious shirt. She

looks mature and intelligent.

But right now, there was a girl sitting opposite Matthew. She looked to be in her twenties and her hair was short

Dressed in a motorcycle leather coat and metal accessories on her neck, she looked very handsome.

Elizabeth felt bad instantly. Matthew’s clothes suited her very well. She knew that this kind of girl would definitely like Matthew’s exaggerated

outfit.

Her head buzzed. She felt like she had helped Matthew a lot.

No, I could not let this happen.

Hence, she got up and left the restaurant. She must stop them.

Elizabeth had just got up when Matthew noticed her. He followed her to the door and only looked back when she disappeared.

The girl sitting opposite him bit on the straw and sipped on the juice. She smiled and called out to him.

“Uncle, you’re so handsome today. I thought men on blind dates are ugly and had no taste. I didn’t expect you to be so outstanding, but it’s a

pity that I don’t like men.”

Matthew had always been silent. He was not interested in a blind date at all.

The reason for the blind date was just to spend time with Elizabeth. Today, she had gained quite a lot. At least knowing that the girl had

divorced was a good thing.

Only after hearing this did he give her a look.

“Can we work together?”

The girl raised her eyebrows slightly, not quite understanding what he meant.

“Are you forced by your family to go on a blind date too? But that’s true. You’re almost thirty, so it’s no wonder your family is in a rush.”

Matthew did not reply to her. "Pretend to be my girlfriend for a week. I'll give you a Harley."

Upon hearing this, the girl was stunned and her eyes widened.

"Keally?"

This blind date was just awesome! She could have a Harley for nothing!

The girl subconsciously looked at him. "Uncle, I'm not interested in men! I can pretend to be your girlfriend, but don't do those weird things to

Matthew harrumphed, "I'm not interested in you, don't worry!"

Penny stretched out her hand and said, "It's a pleasure! My name is Penny"

Matthew reached out and shook her hand.

"Do you know how to play a girlfriend?"

"I know."

After the two of them finished chatting, they ignored each other. Penny was playing games while Matthew responded the email with his

phone.

Not long after, a young man wearing the same clothes as Matthew appeared. He was wearing a cap and a mask. He looked like Matthew's

boyfriend in matching clothes.

He sat down beside Matthew and held his hand. He even bought a voice changer. His youthful and crisp voice was very seductive.

"Matt, I'm here."

Matthew wasn't surprised when he looked at her because he could tell at a glance as long as it was her.

But what he did not expect was that he actually dressed like a man.

He looked at her coldly. "Who are you?"

Penny looked over too. When she saw the two of them dressed like a couple, she asked.

"Are you guys wearing couple costumes?"

Could it be that he is gay?

Elizabeth replied. "Yes, Matt and I are a couple!"

Matthew withdrew his hand and said coldly.

"Sir, maybe you're mistaken. I have a girlfriend, Penny. Besides, I don't like men. Please stay away from me."

A trace of disappointment flashed across Elizabeth's eyes. Have they confirmed their relationship so quickly?

"Matthew, aren't you being too hasty? Are you so eager to get married?"

She started to panic. Initially, she thought that she would scare his date, but unexpectedly, she helped them.

Elizabeth shook her head. "Matt, you said you want to be my husband. How can you go back on your word?"

Chapter 840 How Did It Go So Well Today

Penny became energetic upon hearing this.

"Ah, is it true? He said he wants to be your husband, so he's a top! Are you the bottom?"

Matthew coughed a few times and she seemed to be more excited than them.

Penny immediately understood what was going on. For the sake of her Harley, she was willing to do anything.

"Little boy, what's your name? It's not useless to pursue a straight man. He likes women and he likes me."

"Woman? Do you understand?" She pointed at herself

In fact, in Penny's heart, love is love. That's what she's thinking

But now, for the sake of Harley, she would say anything

Elizabeth was so angry that she leaned against Matthew.

“No, I I just want to be with you. You’re not allowed to go on blind dates, and you’re not allowed to marry someone else. You’re mine.”

Elizabeth didn’t care anymore because she didn’t have a script at all, so she could only say the truth.

Penny couldn’t stand it anymore. It was too pitiful.

“Sir, you’d better settle your problem first! Although I really want a Harley, I could not hurt other people. I’ll go first.”

Penny left in a hurry. Matthew had been staring at her. Why was she so dumb?

Elizabeth watched Penny leave the restaurant and couldn’t hide the urge to laugh.

She just wanted the girl to know that Matthew liked men, and she would definitely run away.

She suddenly felt that she was really incredibly smart.

Matthew furrowed his brows. “Can you let go, young man?”

Elizabeth did not let go. He didn’t know it was her anyway, so he could take advantage of him.

She deliberately leaned her head against his shoulder, then hugged his waist.

“No, no, no.”

At this moment, Madam Hilton stared at the table and studied the two of them carefully.

“Matt, is it really you?”

Madam Hilton invited Madam Ferguson to have a cup of coffee here. Unexpectedly, she saw Matt and a young man the moment she entered.

After saying that, she fixed her gaze on Elizabeth. Although she could not see his face, his eyes were beautiful!

Madam Hilton was sure that this kid must be very good-looking

She placed the bag in her hand on the sofa and sat opposite them.

“Matt, why don’t you introduce him to me?”

She thought to herself that Matt had indeed fallen in love with a man.

Although she was a little upset because could no longer have a great grandchild, she was a very open-minded person. As long as Matt was

happy, she was happy

Elizabeth did not expect to meet Madam Hilton here. She did not know what to do.

Swiftly straightening her head, her eyes were filled with panic.

Matthew saw that he was finally willing to let go of him, she smiled slightly.

“Grandma, it’s not what you think it is.”

Madam Hilton smiled kindly "Matt, you don't have to be nervous. Since you like him, he likes you too. I think the two of you should be

together. I am very open-minded."

Her gaze remained on Elizabeth. She nodded slightly

"He's also a beautiful kid. Actually, the two of you look good together."

Elizabeth was in a mess upon hearing this.

Why is this happening?

Matthew looked at Elizabeth's anxious expression and wanted to tease her.

He reached out and pulled her into his arms.

"Grandma, since you don't object, then we won't hide it."

Elizabeth almost fainted. Does he really like men?

Previously, he said he did not know her, and now she said they were a couple

Suddenly, her eyes lit up. He must have admitted because the timing was right. That way, he and his young boyfriend would be able to be together public

Ahhhh, Elizabeth, you pig, how could you do everything wrong today?
