Chapter 921 Elizabeth, You Big Liar

Elizabeth looked at herself in the mirror, a little lost in thought.

It turned out that love could make a woman beautiful!

Matthew was answering the phone. After answering the phone, he walked in and stared at a woman in a daze in the mirror.

He hugged her from behind "What are you thinking about?"

However, when it came to marrying, women would probably be afraid.

Elizabeth looked at him through the mirror. Her face was sharp and handsome.

She really likes him. She doesn't know when she started to like him. It seems like she doesn't want anyone except for him.

Hence, she turned around and hugged him. She buried her head in his chest and listened to his strong heartbeat.

"Matthew, will you always be good to me? Don't forget about me again, okay?"

Matthew could feel her emotions at this moment. He whispered.

"I didn't forget you. The last time was just a small punishment to you. You abandoned me and married Dominic."

If she hadn't been drunk the other time and told her that she and Dominic didn't have sex and the person she liked was him.

He really could not let go of this.

Elizabeth was stunned. "You're lying to me?"

She raised her head and looked at him with wide eyes. Her eyes were filled with surprise.

1/2

"Yes, I'm lying to you."

Elizabeth smiled, then raised her hand to slap him.

You're so bad."

It was indeed because he had forgotten her that she was so miserable. That was why she went after him so fearlessly

Now that she thought about it, she deserved it.

When the two of them went downstairs, Rosalie happened to enter the door.

When she saw the two of them holding hands, she hurried over.

"Matthew, that ring is fake. This one is real. The one you're looking for is me. It's me "

She heard Matthew's grandmother and Madam Ferguson saying that they were going to get married today.

Hence, she came here to expose Elizabeth's ugly affairs and make her disappear from Matthew's heart forever.

"I know," Matthew replied.

Rosalie's eyes narrowed. "Why you're still choosing to be with her?"

"Marrying," she couldn't say, because in the heart of Rosalie, she felt that Matthew was his. Since young, she liked him. He should be hers

Matthew pulled Elizabeth into his arms. "Because it's her, so it doesn't matter if the ring is real or fake. It's all because of her."

After saying that, he held Elizabeth and walked out. Rosalie stood rooted to the spot, and she couldn't believe it.

Even if Elizabeth was lying, he still wanted her.

Why is this happening?

Ms. Elliott was standing not far away. The moment she opened the door, this lady rushed in, frightening her.

Moreover, she walked quickly. Fortunately, nothing happened.

After a while, she returned to her senses and turned around to leave.

Ms. Elliott followed behind her and did not say a word. She wanted to make sure that she had left, so she quickly locked the door.

Rosalie suddenly turned around. "Did Elizabeth feed some drug for Matthew? Why does he listen to her?"

She said in a daze. Ms. Elliott looked at her pitifully and couldn't bear to say harsh words.

"Miss, you want to be more open-minded. Relationships could not be forced. Meu only treat whoever they like well. You're so young and

beautiful, find someone who truly loves you."

Rosalie suddenly sneered, "There's no man better than him."

Then, she slammed the door and left, Ms. Elliott sighed.

"Mr. Hilton is indeed a good man, but he can only marry a

wife."

Suddenly, she felt that Lizzy was quite amazing. If she could get Mr. Hilton's favor, all the suffering she suffered before would be worth it.

I hope she'll be happy in the future! She'll always be spoiled and protected like this.

Rosalie went to a bar nearby and ordered a lot of wine.

After that, she drank one glass after another and cursed.

"Elizabeth, let's see. I'll definitely take him back."

At this moment, a iman sitting nearby curled his lips and walked toward her.

Chapter 922 A Happy Partnership

Since it was daytime, there weren't many people in the bar. There were only three tables.

A cold love

made the people who drank feel even more depressed

He was dressed in black and wearing sunglasses. All she could see was his red lips. They were soft and gorgeous, along with his strong jawline.

One of his hands was holding the wine glass. His fingers were sharp and strong.

Sitting beside Rosalie, he clinked the cup with her and took a sip.

Rosalie was hunched over the table. When she saw someone clinking glasses with her, she followed her clear hand and looked at him.

She could only see a sharp face. His red lips lifted slightly, but she could not see his eyes. He was wearing sunglasses.

Rosalie sneered, "Go away. I won't accept any man."

After that, she continued drinking and stared blankly at the wine glass.

Nate Cox drank all of the wine and took off her sunglasses, revealing his seductive eyes. When he smiled, his eyes were curved upward, and he exuded an evil aura.

But he's so handsome. Even Rosalie is stunned.

Its you

She did not expect that it was her senior from university A medical genius, Nate

Nate nodded. "Senior, how long have we not seen each other? Have you forgotten about me?"

Rosalie held the glass of wine with one hand "How could I forget? You're the prince charming that every girl in our school wants to marry the

most"

No woman in their school would not know him. Of course, she too

Nate fiddled with the sunglasses in his hand. "I need a date tomorrow. I don't know anyone else in A City but you. I don't know if you will agree

to it, Miss?"

When he spoke, his voice was slightly raised, sounding very seductive.

Rosalie is not in this mood now. Although he is very handsome, he is still the prince of every girl in school

But she wasn't the same. She only cared about Matthew, so she didn't look forward to becoming his date.

"I probably don't have the time."

Nate laughed. "I think you'll definitely agree. Tomorrow is the birthday of the three children. I'm sure you didn't receive an invitation. I he

one. I can bring you along.”

1/2

Rosalie’s eyes narrowed slightly. How did he know about this?

Didn’t he just come to A City? How did he know so much?

“Are you investigating me?”

Nate’s hand on her sunglasses paused slightly. “I’m not interested in you. Don’t worry, I won’t investigate you.”

In that instant, Rosalie seemed to understand.

“You’re investigating Elizabeth. Do you know her?”

Impossible Impossible. He lived in T Country. How could he know Elizabeth?

Elizabeth had always lived in A City. There was no intersection between the two of them.

But at this moment, she really hoped that Elizabeth and this man had something going on. Then, she would have the hope to be together with

Matthew

The thought of them getting married made her very angry.

Nate saw that she was feeling down, so he sneered.

“You’re right. Don’t you like Matthew, and I want Elizabeth. We can work together. How about that?”

Rosalie was shocked. “Do you guys really know each other?”

What’s going on? However, she knew that a cunning woman like Elizabeth would use a fake ring to deceive Matthew. She was a siren.

She must hook up with men everywhere. As long as they’re handsome, she won’t let them go.

“Of course, otherwise I won’t have come looking for her ”

Rosalie suddenly had hope. She reached out her hand

“Bate, it’s a pleasure to work together!”

Their hands were held together. The smile on Nate’s lips grew colder and colder. There was a trace of coldness in his eyes.

“Happy collaboration!”

At this moment, Nate’s phone rang. He withdrew his hand and stood up. He answered the phone and walked out.

Abbie’s voice was heard.

“Nate, the servant said you haven’t been home recently. Where did you go?”

Chapter 923 We Are Married.

Nate walked out of the bar and stood in the garden on the balcony. Looking at the streets outside, he sneered

"You're so busy. Do you still have time to take care of me? I have my own things to do."

Abbie knew that this kid had such a temper since he was young. She said gently.

"Your dad asked me to take good care of you I hope you can understand him."

"I still have something to do. I'll hang up now."

After hanging up the phone, he turned off his phone. When Abbie called him again, it turned off.

She sighed. This kid is getting more and more disobedient

At the entrance of the City Hall, Elizabeth took a look at the certificate in her hand.

"So quickly?"

Previously, she saw in the news that there were a lot of people getting married, and there were many who stood up and queued in the middle of the night.

Previously, she did not participate in getting the marriage certificate with Dominic, so she did not know.

She came here to experience it personally today, but it seemed that there were no couples except for them.

It was done in less than five minutes. Too easy.

Matthew turned his face and looked at the two marriage certificates she had raised. She had a sweet smile on her face, and she could tell that

there was only a faint smile on the corner of his lips.

“From now on, I’ll manage these two certificates.”

Elizabeth pursed her lips in anger. “I I’m your wife now?”

This feeling was very strange, especially strange.

Matthew took the marriage certificate and walked to the car with her in his arms.

“Mr Hilton, you’re still the mother of my three children. The marriage should have been completed a long time ago.”

Elizabeth looked at the sky outside and suddenly felt that the weather was so good today. Everything was beautiful

After getting into the car, Matthew glanced at the time. It was lunchtime and he told the chauffeur.

“Let’s go to the skyscraper”

He had already booked the place. Their first meal after marriage must be formal

Elizabeth took the marriage certificate and took a photo before sending it to Jessica 1/2

“I’m married Congratulations to me!”

The only person she could share was Jessica. All these years, did she not have many friends.

The only one in the family that could be shared was Grandpa.

Grandpa is still staying in the sanatorium. Her condition has been good lately, so she hasn't thought of how to tell him about this yet.

Because in his grandfather's heart, the three children belonged to Dominic, and he also hoped that she and Dominic could live a good life.

He did not know about all of this. It was because of grandfather that she married Dominic.

Now, not only did she get a divorce, but she also got married to Matthew. She was afraid that her grandfather would not be able to take it.

In no time, she received a call from Jessica.

"Elizabeth, this is way too fast? You're divorced, you're married again, girl! You... I don't even know what to say.

Matthew was working on his phone. Seeing that she was answering the phone, he didn't pay much attention and replied emails.

Elizabeth leaned against his shoulder. She had explained everything between Matthew and her.

He did not lose his memory. He remembered everything that happened between them.

"Congratulations to me! There's still a big gift for you to prepare."

Jessica thought of this and scolded.

“Girl, you’re married twice. Do you want me to give you a wedding gift twice?”

Elizabeth smiled. That’s right, I need some extra money!”

Actually, Ms. Wade now has money, so she doesn’t care about that small amount of money.

Matthew suddenly had an idea when he heard this. They would not accept gifts when they were married, so it was decided.

Because it was the second time this girl got married, probably her relatives and friends would be unhappy and refuse to prepare a gi

In order to protect his wife, he really thought of everything

Jessica asked again. “There’s no change in the birthday party tomorrow.”

“No change. It’s still the old place.”

Jessica heard this and asked again

Chapter 924 Anna You Are Too Smart

Are you going to let the Campbell family do it? Does Matthew have no objections?

The thought of this had caused her to pay a heavy price! Her legs were trembling when she recalled what happened last night.

Yeah, he has no objections.”

Even if he had any objections, she had already bribed him, so she could be at ease.

Matthew whispered into her ear

Honey, be prepared to spread your legs tonight”

Elizabeth’s eyes nattos | slightly upon hearing this and she glared at him.

“I have a customer. I’ll hang up

After Jessica hung up the phone, she got up and walked to the door. Her assistant called her

“Miss Jessica, there’s a customer. They are here for Flora”

1/2

Jessica stretched out her hand, “Hello, madam”

Anna praised when she saw Jessica

“Miss, you’re so pretty””

You are beautiful too! Please take a seat here.”

The moment Anna sat down, her phone rang Jessica asked her assistant to pour a cup of coffee and handed a collection of Flo

Sitting down elegantly, she picked up her phone and answered the cak

“Celine”

The call was from Celine.

“Anna, why did you call me this morning?”

Recently, Tiana’s visit to the Hilton Family was always blocked by the doorman, so she couldn’t even see Master Hilton.

Hence, she was in a bad mood and would go out to drink every day. Celine really couldn’t do anything to her.

“Celine, I’m here to order some Flora. Do you want one? I’ll order it for you”

Celine heard this “Do you know someone? There are very few people in our circle who can buy Flora. Every time I see those ladies showing

off, I’m very jealous.”

Anna smiled. “Please send me a list later. I’ll order for you. When the time comes, we’ll try them together.”

Celine was delighted. “Alright, thank you. Anua, I want to ask you something. What’s going on between Elizabeth and Dominic lately?”

She heard from Tiana that Elizabeth and Matthew are together again. That girl must be cheating on Dominic.

Anna glanced at Jessica, afraid that she would hear it, so she stood up.

“Miss Jessica. I need to use the bathroom

Jessica led her to the built-in bathroom of her office. Anna walked in and closed the door.

“Celine, Elizabeth is very good at lying. Dominic was deceived by her and the Campbell family too.”

When Celine heard this, she was sure that Elizabeth must have cheated on him. She would expose her tomorrow.

“I will repay the suffering Tiana has suffered more than twice to Elizabeth.”

“Yeah, I got it. I’ll hang up now. I’ll ask Tiana about what she wants. We’ll send you the list.”

After hanging up the phone, Anna glanced at her phone. Initially, she wanted to tell her cousin her plan and share the joy.

But she felt that it was better not to say it. Fewer people knew about it, safer it would be.

Elizabeth’s reputation will be ruined tomorrow. She won’t even think of raising her head again.

At this thought, a triumphant smile flashed across her lips.

Suddenly, she felt that she was so smart. She thought that her intelligence was definitely superb. How could she come up with such a good

idea?

Chapter 925 Who Is Nate

After washing her hands, she walked out of the bathroom

Back at the couch area, Jessica handed her a few notebooks.

“Mrs Campbell, you can choose some designs”

Anna picked up the paintings and started reading them. In the end, she chose a few sets of autumn clothes, a few bags and a few accessories. The total price was around 200,000

Jessica signed a contract with her and paid her a deposit of ten percent before she left.

Jessica looked at the bills that were worth a hundred thousand and she was in a good mood

If she could earn twenty thousand on this contract, it was indeed easy to earn money if you know someone

Previously, she worked hard to sell wine in Night City. Her salary was around twenty thousand a month

Now, she could easily earn twenty thousand just like this

She thought that she had to give the three kids a big present tomorrow

When the two of them entered the rotating restaurant of the skyscraper, the waiters spoke at the same time

“Welcome, Mr. Hilton, Mrs Hilton Happy wedding”

The interior was already decorated. As we walked in, there were petals on the floor, and the atmosphere in the dining room was joyful

When they reached their table, the waiter sent them flowers, a bouquet of red roses

Matthew took the flowers and the accepted them with a sweet smile

“Mr. Hilton, I didn’t expect you to be romantic.

Matthew pulled a chair for her She sat down elegantly and placed the flowers to the side.

After taking a glance at the dining room, there was no one.

1/2

“Have you booked the place?”

Matthew sat opposite him and told the waiter that the dishes could be served.

He nodded and stared deeply into her eyes.

She specially wore a white shirt today, and he was also wearing a white shirt, just to take good photos for the marriage certificato.

Elizabeth did not go to the bathroom this morning. She was a little anxious, so she got up.

Tll go to the bathroom for a while.

nodded. The waiter had already brought the wine and asked him to try it

Elizabeth walked to the bathroom and went to the washroom. When she came out of the cubicle, she saw a man standing in front of the sink

Elizabeth narrowed her eyes. Did she go to the wrong bathroom?

No way

Even though she had only been to this restaurant

times, she was not that dumb.

Elizabeth walked to the sink suspiciously and asked

“Is this a male or a female washroom?”

“I haven’t been here recently and they have a change in the male and female washroom?”

“I won’t be so unlucky. This was the first time I went to the wrong washroom, and someone was in here

Nate turned around The smile on the corner of his mouth was devilishly evil Her raised eyes swept at her with a hint of hostility

“This is a female washroom “

Elizabeth heaved a sigh of relief upon hearing thi

“Sir, you shouldn’t go into the ladies washroom.”

He had a pretty good appearance, but it was not right for him to be here

After washing her hands, she took a piece of paper and wiped her hands. Then, she was about to leave.

Nate stopped her “Elizabeth, I am Nate Remember me

After saying that, he turned around with a smile and walked out of the female washroom.

Elizabeth was dumbfounded. Is this man crazy?

“But what did he say just now? Did he recognize her when he called out her name?”

Elizabeth walked out of the washroom and searched around the door, but the man was nowhere to be found.

She was deep in thought. Did he say his name is Nate to make her remember him?

“I don’t know this man at all?”

Elizabeth felt that something was not right the more she thought about it Isn’t the place booked today? Outsiders mustn’t be allowed

Hence, she walked to the cashier. “Mins, would you like to know if there’s one of your employees named Nate?”

Chapter 926 Wedding Night

Elizabeth was stunned. How did the person she just met get in?

“Are there any other guests today?”

The cashier replied, “No, Mr. Hilton has booked the place today. No one is allowed in.”

Elizabeth was completely confused. Did she see a ghost just now?

At this moment, Matthew wrapped his arms around her shoulder.

“Do you need anything?”

Elizabeth snapped back to her senses and shook her head at him

She followed Matthew back to their table. The dishes were served.

Matthew poured her a glass of wine. "Have a drink today too."

Elizabeth took it. "Sure!"

rest.

Although her alcohol tolerance was poor, it should be fine if she drank a glass of red wine.

The two of them had lunch together. Elizabeth didn't go to the office today and wouldn't go tomorrow, so she went straight home to

Matthew was quite busy. After sending Elizabeth home, he went back to the company.

At night when he entered the house, Elizabeth was teaching the three children etiquette in the living room, asking them to use these

etiquette at the birthday party tomorrow.

Abby held the hem of her dress. "Is that so?"

Elizabeth looked at her serious little face and smiled.

1/3

"That's right, Just like that, you can be more elegant and smile more."

Abby repeated what she had just said. The two sons bowed to each other. Then, they looked at each other and then at their sister.

The two of them had already memorized everything. However, their sister would forget about it later.

Therefore, they had to accompany her, otherwise she would feel defented.

Seeing that Matthew had returned, Abby ran toward him.

“Daddy, you’re back.”

Elizabeth heard this voice and glanced at him. Then, she suddenly thought of what he said about tonight and suddenly felt like

running away.

rest.”

She handed the baton in her hand to Arthur “Please accompany your sister to practice. I’m a little tired, so I’m going upstairs to

Matthew had a date tonight, so he didn’t go home for dinner.

Elizabeth ran toward the stairs and quickly went upstairs.

Matthew couldn’t help but smile when he saw her running away. He understood what she was thinking.

Sure enough, he had frightened her. However, it was so cute.

Realizing that Daddy was staring at Mommy, Abby patted his handsome face.

“Daddy, I’m talking to you! Why are you staring at Lizzy? She’s run away!”

Matthew placed her on the floor. “Practice with your brothers. I’ll go see your mommy.

He’s heart had already left with that woman.

Abby nodded. “Alright! You still like Lizzy better. However, I’m not jealous.”

Matthew bent down and touched her face. “God girl!”

Then, she strode toward the staircase Ms. Elliott happened to come out of the room. When she saw him, she called him.

“Mr. Hilton, you’re back. Have you had dinner?”

She still kept food for him, thinking that even if he ate already, he would probably be hungry when he came back.

“Yes,”

Before Ms. Elliott could finish her sentence, the man had already walked upstairs.

When he pushed open the bedroom door, he saw her lying on the bed with a pillow in her arms. Looking at the roof, she was in a

Matthew sat down by the bed and pulled off the pillow in her arms. She screamed in fright.

“Ah..”

Matthew tossed the pillow to the side. "Why are you running?"

"Why Why are you walking without a sound?"

Previously, she was overthinking things. She really did not hear him enter the door.

After being pulled by him, she came back to her senses and was startled.

Matthew reached out and grabbed her little face. "What are you thinking about? Tonight is our wedding night. Don't think about anything else."

Chapter 927 Wedding Night

Elizabeth was scared whenever she heard these few words.

"Matthew, can you not do anything tonight? Tomorrow is their birthday, I could not be too tired."

She was afraid that she won't be able to get out of bed tomorrow.

Matthew lowered his head and kissed her on the lips. There was a hint of smile in his narrowed eyes.

"I'm the one who's tired."

Elizabeth wrapped her arms around his neck and buried her head in his neck, sniffing the scent of his body.

She really liked the scent of his body. It could give her a sense of security.

"I'm even more tired. Every time you're energetic after, I'm the only one who could not get off the bed."

Elizabeth felt that it was unfair. Why was he so energetic? And she was so tired.

Matthew wrapped one of his arms around her waist and pressed her down.

“Alright, I’ll go spare you tonight and double it tomorrow night ”

“Huh?”

Elizabeth couldn’t help but laugh. “Mr. Hilton, I don’t even dare to think about what kind of days I’ll live in the future.”

Matthew bit her ears gently

“This is called life after marriage, understand?”

Elizabeth smiled.

Since she loved him and married him, of course she had to satisfy him.

Downstairs, Abby didn’t have the intention to practice. Her big eyes would glance upstairs from time to time.

“Why aren’t they coming down yet?”

Abby really liked Matthew. She wished that he could play with her.

But when he saw Lizzy, his heart ran away and he did not care about her at all.

Arthur glanced at the time. “It’s already so late. They’re probably resting now. Abby, let’s rest too!”

“Why don’t we sleep with them tonight?”

Ever since she was a kid, she had a wish that her family would sleep together. That way, she would not be afraid anymore.

Antony smiled. “The bed isn’t that big”

At this moment, Ms. Elliott came over. “Abby, it’s time to sleep. I’ll tell you a story.”

Abby blinked her big eyes and had an idea.

“Ms. Elliott, we’re going to sleep with Daddy and Mommy today.”

After saying that, she let go of Ms. Elliott’s hand and ran to the two brothers.

“Don’t you guys want it?”

Arthur and Antony took a glance, they didn’t want it at all.

But when they saw the hopeful little eyes of their sister, the two of them nodded.

Anyway, this was their responsibility. The three of them had grown up and hadn’t slept with their parents.

Their father had only officially appeared now, so they should make things difficult for him.

“Okay!” Arthur replied affectionately.

“They’re only getting married today. It’s not good to disturb them”

“With us around, they won’t be afraid anymore.”

Hmm...

Back upstairs, Abby walked into the room and walked out with the doll in her arms. The two boys each came out with a pillow in their arms.

She walked to Elizabeth’s bedroom Abby knocked on the door

Elizabeth opened the door not long after.

“Hey, aren’t you guys asleep yet?”

Abby chuckled. “We want to sleep with you tonight. Is that okay?”

Elizabeth did not have any objections. Because she did not dare to believe what he said.

The two of them stayed in the same room at night. With his energy, he was afraid that he would not be able to hold back.

And she couldn’t bear to see him getting hard, she would definitely obey him.

“It’s safer with the kids around.”

Antony carried the doll into the room. When Antony and Antony walked in, Antony asked.

“Are we really not bothering you? It’s your wedding night.”

Elizabeth blushed. Aren't these two kids that mature?

The way they knew everything made her embarrassed as a mother

Hence, she forced herself and said

"Of course not

After entering the house, they saw Matthew saying with a darkened face

"Why are you sleeping with Daddy and Mommy? Go back to your room.

Chapter 928 Husband

Although he looked very fierce, Abby was not afraid at all and had already climbed onto the bed.

"Daddy, you don't have to scare us. Brothers said just now, no matter how fiercely you scold us, it's all fake."

Arthur and Antony rubbed their foreheads. She actually said what they taught her.

The two of them sneaked a glance at Matthews, but they were not afraid of him either. After all, they were his biological sons. No matter what, it was impossible for him to do something to his biological sons, right?

Elizabeth couldn't help but laugh. "Forget it. It's also their first time sleeping with Daddy and Mommy. You owe them this."

Matthew had nothing to say and pointed to the bed.

“I’ll sleep next to your mom. You can decide where you sleep.”

After saying that, he removed the quilt and lay on the left. Then, he pointed to her side.

“Come here.”

Elizabeth saw the unhappy look on his face and found it fun. Indeed, only his three children could get him.

The more she thought about it, the more amused she became. She walked to the bed.

After getting into bed. Matthew pulled her into his arms. As long as he could sleep with his wife.

Abby rolled to Elizabeth’s side and stretched out her little hands.

“Mommy, hug me.”

Elizabeth pushed him and let him go.

“Don’t even think about it.”

He said coldly, Elizabeth had no other way to deal with him, so she whispered in his ear.

“When they’re asleep, I’ll hug you to sleep, okay?”

Only then did Matthew reluctantly let go of her and kiss her on the lips.

Elizabeth suddenly realized that this man looked like a kid. It was really too childish.

Abby rolled into Mommy's arms and smiled happily.

Elizabeth patted her gently and comforted her. Soon, she fell asleep.

She glanced at the two sons behind Abby. They were already asleep. If these two kids hadn't been easy to take care of these past few

years, she really didn't dare to imagine how she could raise the three children.

"Matthew, go cover your two sons with a quilt.

Matthew did not feel sleepy at all. Even though he felt that the three children had ruined their wedding night.

However, because of the three of them, he had thought about it a lot.

Previously, the kids were the ones who accompanied her countless nights.

He stood up, walked to the other side, covered his two sons with a quilt, and looked at them deeply.

The more he looked at them, the more they looked like him. Why didn't he notice it before?

When he returned to Elizabeth's side, he bent down and picked her up.

Elizabeth was so frightened that she wrapped her arms around his neck and then turned to look at the three children on the bed.

"What are you doing?"

"This bed is too small. Let's sleep next door."

Then, he carried her to the room next door. After entering the door, he pressed her against the door and kissed her on the lips.

Elizabeth was stunned for a moment, and then she growled in her heart.

“He has promised to let her slide tonight. He doesn’t keep his promise.”

But next, she felt that it wasn’t his problem. She wanted him too.

She began to tug at the straps of Matthew’s pajamas.

Matthew suddenly stopped kissing her. His voice was deep and hoarse. It was extremely sexy.

“Lizzy, don’t regret it.”

After saying that, she kissed him again. This time, it was not the kind of suppressing and restraining before, but rather passionate

and wild

Elizabeth’s rationality vanished and she chuckled lightly,

“Darling, darling...”

Her voice echoed beside his ear, causing his heart to tremble.

Elizabeth really liked her calling him that way. She didn’t even know how she got into bed and got into the bathroom

Chapter 929 Birthday

Elizabeth was in the bathtub in his arms. The warm water made her feel very comfortable.

Their madness just now exceeded

any

other time.

Matthew caressed her head gently. His gaze was warm. He should be very satisfied.

Elizabeth opened her eyes and pursed her lips.

“Matthew, you don’t keep your word.”

“Call me daddy.”

Elizabeth heard these two words, especially when it came out of his mouth. It was more seductive.

Elizabeth closed her eyes again, feeling embarrassed.

Elizabeth didn’t want to open her eyes anymore. She didn’t want to talk anymore.

Just like that, she fell asleep unconsciously in his arms.

The next day, when Elizabeth woke up, she realized that the bed was empty.

Sitting up, she took a look at the time on her phone and realized it was only 7.30 p.m. Did he wake up so early?

Elizabeth washed up and went downstairs. Today was the birthday of the three darlings, so she did not go to the company.

When they entered the restaurant, they saw Matthew having breakfast with the three children.

Arthur was actually eating corn. Her eyes widened. This little girl is the most picky and doesn't like to eat stable.

Abby raised the corn in her hand and said to Elizabeth, "This is delicious!"

Elizabeth couldn't help but laugh. In the past, it was so hard to ask her to eat corn. Ms. Elliott shredded it and mixed it with

porridge. She would even eat the porridge and then spit the corn.

The role of a father was indeed quite amazing. At least she listened to everything he said.

Matthew had already added breakfast to Elizabeth's plate. There were water boiled eggs and corn. He even poured her milk,

Elizabeth sat down and turned to look at him.

"Did you make the breakfast?"

Normally, Ms. Elliott wouldn't cook such things because a certain little girl would not eat corn.

Matthew nodded slightly. Breakfast time was quite lovely

At the Campbell family, when Saint came downstairs, Master Campbell stopped him.

“Why did you wake up so late?”

Saint looked exhausted. Last night, he did not dare to sleep. Today was the birthday of the three kids. He had to make sure it was him who showed up, not Dominic.

The master’s order, he did not dare to disobey.

Saint glanced at Master Campbell indifferently, “Grandpa, I’m young and have a good sleep. Don’t blame me when you could not fall asleep when you’re old.”

Master Campbell hated hearing this and snorted coldly.

“You’ve been getting too disrespectful lately. What time did you come back last night? No wonder Lizzy didn’t come back. Did you two quarrel?”

Saint sneered. They’re divorced. Is it important whether or not they quarrel?

At the thought of Elizabeth, she only had Matthew in her heart. No matter what method he used, he couldn’t keep her.

“No, isn’t the birthday party canceled yet? If we quarrel, will she be willing to let you do it?”

Master Campbell was stunned by his words. Why is this brat so different now?

Dominic was usually very gentle and calm. Master Wade had always thought that he was the pride of the Campbell Family.

“Why is this kid different today? Why is he speaking so harshly?”

“That’s enough. Let’s not talk about that. We just hope that you and Lizzy can get along well. It’s hard to find a wife like her.”

“Got it.”

Saint strode out. The master sent him a text. If he wants to see him, he has to go over.

“Come to the hotel early in the afternoon.”

At this moment, Anna led Madam Campbell down the stairs and Chelsea asked.

“When will the report come out?”

Because of the paternity test, Madam Campbell did not have a good night’s sleep.

“I’ve already sent someone to retrieve it. We’ll be able to see it soon.”

Chapter 930 Elizabeth, Your Good Days Are Over

Even though Adriana wasn’t sure about it, she couldn’t show it in front of Anna.

“When you get it, hurry and bring it back to prove your dad’s innocence.”

In fact, it did not matter whether or not he was innocent. No one else suspected him

Madam Campbell was the one who had doubts, and she didn’t like to be suspected by Anna. Hence, it was best to get the report.

It can clear her doubts and so she could have a good night’s sleep.

If the three children were really Hector's, then she will kill that old dick.

Anna replied, "Okay, Mom."

At this moment, Shelby also came downstairs. She was wearing the gown that Madam Campbell and she had bought from Flora. She was wearing a light blue long dress, and she looked graceful

"What do you think of this dress?"

Tonight, she would definitely be famous in the socialites' circle. After all, this gown was the only one in the world. They had probably only seen it in posters and had never seen it in real life.

Of course, Anna was envious. She had only ordered a gown yesterday. Unfortunately, it would take a month before it arrived, so she

couldn't wear it.

However, she secretly said in her heart, "you won't be able to be smug for long"

After receiving the paternity test certificate later, Dominic and Master Campbell's relationship would become tense. Even Madam

Campbell would be involved.

She could already imagine how chaotic that scene would be.

In the future, the Campbell Family will be famous in A City. Dominic will no longer be the successor of the Campbell Family. In that

case, it will not be her husband.

1/2

By then, she would be the most noble lady of the Campbell Family. Even his sister in law and brother in law would treat her politely

Since she couldn't get her husband's love, then she wanted money and title.

As long as she had money and a title, she could live a good life.

"You look beautiful and noble."

Madam Campbell said and reached out to touch it

The old lady was wearing a wine red dress, and she was quite satisfied.

She would wear it at the banquet tonight. However, she wanted to read the report first and only would attend tonight's banquet.

Master Campbell told Shelby.

"Hurry up and give Lizzy a call. Don't forget to bring the three kids to the party today. The invitation has already been sent out."

Master Campbell changed into a new suit, he was full of energy.

It was as if he was even happier than celebrating his own birthday. The thought of the two boys made him so happy, and of course he was in a good mood.

Shelby agreed, "Okay, I'll go and give Lizzy a call now."

However, Shelby felt that something was off. Why did Lizzy bring the three children home?

Did she quarrel with Dom? Or did that brat make Lizzy unhappy?

Thinking of this, Shelby took out her phone and called Elizabeth.

Elizabeth had just finished sending the children to different schools

The three men in the family did not discuss this matter with her, hence one of the women was unhappy.

Matthew was comforting her all the way. After hearing what he said, Elizabeth felt that he was right.

The two sons were very smart. If they kept accompanying their sister, it would only delay their growth.

okay! Anyway, now that his father has appeared, he'll be in charge of all these matters in the future!

Elizabeth picked up her phone and answered the call.

"Mom."

The news of her and Dominic's divorce hadn't been announced yet, so she hadn't changed her address yet.

Matthew sitting next to her was unhappy, he raised his hand and pinched her chin, indicating that he would not let her call Shelby mom.

Elizabeth couldn't help but laugh. She knew this guy was very petty.

“Lizzy, it’s their birthday today, but they’re going to school today, so the family didn’t send anyone to pick them up. Don’t forget

Grandpa had a birthday party for them tonight.”
